

# FREE HOME REPAIR APPLICATION

*Applications Due: February 29th, 2020*

Individuals and youth from churches around the country will spend one week in our community performing hands-on home-repair projects for elderly, low-income, and disabled families. The work at each home will be done by five young people and at least one adult leader representing many Christian denominations. Home repair projects will be completed between July 5th and July 11th, 2020.

Both labor and materials are free to qualifying households. To learn how your home might be included, please complete this confidential application and return to the below address where it will be reviewed and considered for the program.

## Frequently Asked Questions

**Who is doing the repairs?** CrossRoads Church at Westfield is partnering with Group Mission Trips. CrossRoads Church is an established church in Westfield who serves our local community in a variety of ways through their For Our Neighbor ministry. They are partnering with Group Mission Trips who is based in Fort Collins, CO.

**When are the repairs being done?** They will be done July 6-10, 2020.

**How will the repairs be done?** 200-300 high school students from various communities throughout the United States will convene in Westfield next July. Each day, in teams of 5-7 students and adults, they will repair homes in our area. The same group will work on the same house throughout the week until the repairs are completed.

Since 1990, Group Mission Trips has connected over 465,000 high and middle school students and their leaders with local communities to give over 14 million hours freely serving the home repair needs of people in local communities.

**What repairs will be done?** Interior and exterior painting, installing decks, wheelchair ramps, and mobile home skirting will be the primary focus of the repairs.

**What will the repairs cost me?** If you are selected, the repairs are free.

**How can I be assured the repairs will be done well?** Students and adults are evaluated and based on their skills they are matched to homes where they can do the needed repairs. Trained construction coaches will oversee the repairs and guide the participants in their work throughout the week.

**How will I know I am chosen for the repairs?** Once this application is submitted, you will be contacted to set up an appointment so a team from Group Mission Trips and CrossRoads Church can come out to your house evaluate needed repairs, talk with you, and take pictures of the repairs needed. Then if your home meets our skill level, in the winter of 2020 you will be contacted for another appointment where a team of people will come out to draw repair plans to ensure we know what materials are needed and have the correct measurements. In May of 2020 our priority list will be made and you will be notified if your house is on the list for repairs or not. Throughout this process we can not guarantee that your home will be repaired.

**If I have further questions, who may I contact?** Please email any questions to [groupworkcamp.crcw@gmail.com](mailto:groupworkcamp.crcw@gmail.com) or call us at 317-804-1073.
