The WHS LEO Club was established in 2010 by the Westfield Lions Club. Community service is the cornerstone of the program and the WHS LEOs embody this mission by participating in numerous service activities in their school, community and in conjunction with the Westfield Lions Club. The pancake breakfast is their signature activity with 100% of the proceeds being donated to various causes including:

- The Newtown, CT Lions club to help pay for counseling programs for first responders to the Sandy Hook Elementary School disaster.
- The Westfield Heart & Soul Free Clinic that provides health care for individuals without health insurance.
- Elliott’s Army (Pay for cancer treatment for a Westfield elementary student)
- The Ryan & Michael Labellarte Assistance Fund (two former Shamrocks who lost their only parent unexpectedly and needed help with living expenses)
