## Neighbors, government leaders have a “Gathering”

Photo by Brian Reddick/RDK PhotoGraphic

Noblesville city government leaders held a neighborhood meeting Thursday evening at the Gathering. A large crowd was on hand to discuss with the city the needs and goals for residents in the Southwest Quadrant of Noblesville.

The were welcomed by Mayor John Ditslear, who pointed to one of the city’s oldest areas.

The meeting last evening was the first of three scheduled in the area. The next two, also at the Gathering, will be on Oct. 9 and Nov. 13.

Neighbors and interested parties are encouraged to participate in the development of this plan.

## Prevail encourages community to Go Purple

Prevail, Inc., a Hamilton County-based non-profit organization advocating victims of crime and abuse is asking for community partners to join them as they “Go Purple” during National Domestic Violence Awareness Month in October. During this 2014 “Go Purple” Campaign, Prevail is offering to local businesses and community members a simple way to reflect on these devastating injustices and join them in the fight to end domestic violence.

Last year, out of the 2,705 clients served at Prevail, 1,604 clients served were adults, adolescents, and children who were victims of family violence. Domestic violence is complex. While crisis intervention is an important immediate response to domestic violence, there is a great need to raise awareness and develop effective prevention strategies.

Prevail, Inc. is making various “Stop the Violence” and “Go Purple” products avail-

able to the community as they prepare for Domestic Violence Awareness month. Satin purple “Stop the Violence” ribbons, purple “Stop the Violence” ribbon awareness bracelets, and purple “Stop the Violence” pens are available to be purchased. Domestic Violence Awareness Month posters and Prevail, Inc. Domestic Violence Awareness posters are also offered for purchase to be displayed at your organization or throughout the community during October. What will you or your organization do to join Prevail, Inc. and “Go Purple” during the month of October?

For more information about Prevail’s “Go Purple” Campaign or to purchase your domestic violence awareness products today, contact Krista Zurcher at 317-773-6942 or [kzurcher@prevailinc.com](mailto:kzurcher@prevailinc.com).

## Press conference on First Ave. SW... Carmel to announce Midtown plans Monday afternoon

Big changes will be coming to part of downtown Carmel.

That's what the city plans to announce Monday afternoon. Carmel will conduct a press conference that will discuss the Midtown project, the area which lies between the city's Arts and Design District and Carmel City Center.

The redevelopment of Midtown between these two anchors, is a key component of the city’s efforts to create a walkable, pedestrian-friendly area centered along the Monon Greenway, providing the interest and activity that will encourage walking from one anchor to the other.

Bordered by Main Street to the north; City Center Drive to the south; Range Line Road to the east and areas around 3<sup>rd</sup> Ave SW, Midtown holds the potential to one day complete a continuous downtown core in Carmel with a mix of residential and commercial projects that could constitute a largely self-reliant urban environment.

The press conference will take place at 340 First Ave. SW, which is at the corner of 2nd Ave. SW and 3rd St. SW near the Monon Trail. Mayor Jim Brainard will be in attendance, along with Justin Moffett, Old Town Design Group; Eric Seidensticker, Carmel City Council; Corrie Meyer, Carmel Redevelopment Commission; and Mo Merhoff, Carmel Chamber.

Carmel students launch “Build-a-bench Challenge”

Community starts with *conversation*, two people at a time. Design for CHS, a Carmel High School student organization, has launched a community-wide challenge to design a bench that encourages conversation and connection in public spaces. Bench designs will be evaluated based upon their suitability for this purpose, as well as creativity, aesthetics, cost-effectiveness, and “fit” with Carmel’s unique aesthetic. The contest is open to all Carmel and Indianapolis metro area residents.

Together with Carmel city government, Design for CHS will select the bench design to be constructed and placed in one of Carmel’s public spaces. Carmel Mayor James Brainard, as well as several local professionals and experts, will be involved in the design evaluation process. Additional contest details can be found by visiting [designforchs.com](http://designforchs.com) or by emailing [design4chs@gmail.com](mailto:design4chs@gmail.com).

Design For CHS, a student organization at Carmel High School, was founded to design measures to counter social problems ranging from homelessness to bicycle safety to water wastage. The inspiration for this particular project says co-founder Vikas Maturi, a CHS junior, was the escalating civil unrest across the world. “Our group wondered how to design a small building block to bring people of different backgrounds, cultures, ages and walks of life together in public spaces. We wanted to create a way for people to sit down together, engage with each other and connect in a meaningful way.”

For additional information about this topic or to interview Design for CHS co-founders Vikas Maturi and Alex Yom, please contact [design4chs@gmail.com](mailto:design4chs@gmail.com). Additional information is also available at [designforchs.com](http://designforchs.com).

## Bub's could be coming to Fishers

On Monday, Sept. 15, the Fishers Town Council will consider waiving development impact fees related to the development of a new Bub's Burgers and Ice Cream, paving the way for the local eatery's new location in the Nickel Plate District in downtown Fishers. The targeted grand opening is mid-2015.

"Our residents have expressed a desire for local, non-chain food options," said Town Manager Scott Fadness. "Fishers is excited to be chosen as the next location for the entrepreneurial, Indiana-grown restaurant. Their family-friendly business model fits perfectly with the values of our Fishers residents."

Bub's Burgers and Ice Cream plans to build what will be their fourth restaurant near the new intersection of Fishers Corner Blvd and Maple Street. The \$1.25 million

investment includes a new 5,000 square foot building and equipment, as well as more than 125 employees. Construction is expected to begin late this year with an expected opening date in mid-2015.

"Rachel and I are very excited about the opportunity to work with the Town and to expand our concept into Fishers," said Bub's owner Matt Frey. "This is something we have been planning for years and we are very appreciative of the excitement and willingness of Scott Fadness and his team to make this a reality. Eat at Bub's!"

The economic development agreement is limited to the waiver of impact fees for the project and is an estimated \$122,000 incentive. The Fishers Town Council will vote on the economic development agreement at Monday's Town Council meeting at 7 p.m.

## Community Health purchases land at 82nd and Shadeland

One of the most visible sites along the I-69 corridor will soon change. The Community Health Network Foundation owns an 8.9 acre parcel of land on the corner of 82nd Street and Shadeland Avenue that is currently the leased site of the Hilton Indianapolis North. The Foundation has exercised its right of first refusal to purchase the hotel from the current Hilton franchisee, and Community Health Network will reclaim the valuable land for future use by Community’s North Region. A management company will be hired to operate the hotel in the interim period, with closure expected to occur by the end of 2014. A team of leaders from Community’s North Region will begin planning for how the 8.9 acres will be redeveloped to meet the future needs of physicians and patients.

“The opportunity for the Foundation to purchase the Hilton came at a perfect time,” said Joyce Irwin, president of the Community Health Network Foundation. “Community’s North Region continues to expand its reach and needs the physical space to meet the growing demands of the marketplace. Opening up this prime area of real estate for health-care services benefits the residents who live in the northern areas of Central Indiana.”

“Community’s North campus is located in one of the fastest-growing markets in the nation,” said Jason Fahrlander, president of Community’s North Region. “Having that land at 82nd Street and Shadeland will position us to expand much needed patient services in the future. This parcel is in a vital location that provides easy access for patients and their families traveling from multiple locations via I-69 and I-465.”

The former Community Hospitals of Indiana, Inc. originally purchased substantial acreage in this Castleton corridor in 1981, with the intention of developing a north campus for what is now Community Health Network. In 1985, Community Hospital North opened with a 100-bed acute care inpatient capacity, emergency department and outpatient services. As the northeast side of Indianapolis expanded and the town of Fishers became more populated, the North campus was further developed to serve a growing patient base. Additions to the campus have included a 42-bed neonatal intensive care unit, the

# White River celebration takes place Saturday

Most Noblesville residents are already familiar with the annual White River Clean Up as well as Noblesville Main Street’s annual Duck Race. This year’s Noblesville White River Celebration will take these events and combine them with other fun activities for an all-day festival from 8 a.m. to 9 p.m. on Saturday, Sept. 13.

The day kicks off with the 20th Annual White River Clean Up. Groups and individuals will check in at the Moose Lodge (950 Field Drive) and will work to remove trash from the river until approximately 2 p.m. Groups who would like to volunteer should register in advance by emailing [hcrivercleanup@yahoo.com](mailto:hcrivercleanup@yahoo.com). Individual volunteers can register onsite.

From noon until 4 p.m., various “Fun in the River” activities will take place at Schwartz’s Bait and Tackle (118 Cicero Road) such as fishing, games, and more.

Also beginning at noon, Nickel Plate Arts will have an Artist Colony along the Logan Street Bridge which will last until 9 p.m. Artists will be displaying and selling river-related art—finished works as well as works they will complete that afternoon. The Bridge Fair, also located on the Logan Street Bridge, will feature exhibits, art, food, music, and entertainment from 4 p.m. to 9 p.m.

At 5 p.m., watch as Noblesville Main Street’s \$1 Million Duck Race begins! Thousands of rubber ducks will be launched into the river and the race will be on to see which ducks are the fastest. The Duck Race is a fundraiser for Main Street and many duck “owners” will win prizes. Tickets can be purchased at the Main Street office (839 Conner Street), at the Saturday Farmers Market, from a Main Street board member, or at the Bridge Fair before 5pm.

Festival attendees are invited to enter an Instagram contest for a chance to win prizes. Take a selfie on or around the White River and post it using the hashtag #whiteriverselfie. The contest runs until Sept. 30, so there is plenty of time to enter.

The Noblesville White River Celebration is sponsored by Ameriana Bank, Current in Noblesville, the City of Noblesville, Noblesville Main Street, White River Festival 2014, and Nickel Plate Arts. For more information, go to <http://whiteriverfestival.org/>

## U.S. 31 update

# Traffic shift completed at 136th Street

After the evening rush hour on Thursday, crews shifted traffic on US 31 to the east side of the roadway near 136th Street to begin construction on the western half of US 31. One lane of northbound and southbound traffic will be maintained between 136th Street and the Monon Trail crossing just south of 146th Street. This traffic shift was expected to happen Wednesday night, but was pushed back due to heavy rain. All traffic on southbound US 31 will exit into the 136th Street/Eglin Drive/Rohrer Road roundabout. The existing temporary traffic signal at US 31/136th Street will be removed. Motorists wishing to access northbound US 31 from 136th Street must enter via the new ramp east of US 31. One lane of eastbound and westbound traffic will be maintained on 136th Street underneath the new US 31 bridge.

**UPDATE: 131st Street/Main Street bridge opens and 126th Street/Carmel Drive closes on Sept. 12**

Weather permitting, on or after Friday, Sept. 12, crews plan to open the new 131st Street/Main Street bridge over US 31. One lane of free-flowing traffic will be open

eastbound and westbound as crews continue work on the roundabout interchange. Direct access to/from US 31 via the new 131st Street/Main Street interchange will not be available until the US 31 closure ends later this fall (expected before Thanksgiving).

Motorists should note that 131st Street/Main Street will be closed east of Pennsylvania Street, as the City of Carmel is expected to soon begin work in this area. Therefore, motorists traveling eastbound across the new 131st Street/Main Street bridge must turn onto Pennsylvania Street.

Also on or after Friday, Sept. 12, crews expect to close 126th Street/Carmel Drive access across US 31 to begin construction of the new bridge.

INDOT and the City of Carmel will be monitoring nearby traffic signals and making necessary timing adjustments following the opening of the 131st Street/Main Street bridge and the closure of 126th Street/Carmel Drive. Also, a left turn arrow from southbound Pennsylvania Street to eastbound 126th Street/Carmel Drive has been installed to help mitigate traffic.

# The Midland Rail Trophy

What likely will be a packed Hare Chevrolet Stadium tonight, fans attending the Noblesville-Westfield game will see two battles in one. \*On the line will be the Midland Rail Trophy, which annually is presented to the winner. \*Positioning in the Hoosier Crossroads Conference.

Our players are excited about playing for the Midland Rail Trophy,” said Noblesville mentor Lance Scheib. “We have had a really good week of preparation.” Although only the second week of the HCC season, this is a huge game for both teams. In what now is a six-game conference, the outcome borders on being a must game for the Millers, who last week opened conference play by losing 16-13 to Fishers. A second loss for Noblesville would be tough to handle, as far as winning a conference championship. Westfield won its conference opener, beating Zionsville 44-34. This isn’t a must game for the Shamrocks,

but it is a swing game. There is a big difference being 2-0 than coming away with a 1-1 conference mark. “This will be a physical game,” predicted Scheib. “Both teams need this game to stay in contention for a HCC championship.”

“I am super impressed with Noblesville,” said Westfield coach Jake Gilbert, who last season led the Shamrocks to Class 5A state runner-up honors. “This is the best Noblesville team I’ve seen. They are fast and physical. Their defense gets to the football and chokes off plays, quickly. They won’t give up many points this year. Their offense has lots of weapons. I think the offensive line does a great job getting into you, and I know they are very well coached.” “We need to do a good job on offense of handling their pressure,” Scheib said. “They seem to blitz on almost every play. We need to do a good job of communicating what is in front of us. “Their offense will be a big challenge for our defense,” Scheib continued. “We need to do our best to make them one dimensional.”

Both teams can bring it on the ground and through the air. Westfield junior quarterback Ryan Pepiot is, by a country mile, the leading passer in Hamilton County. He has

# Guerin's next foe is Howe

By DON JELLISON  
Reporter Editor  
Records in high school football, especially this early in the season, don't always tell the full story.

Take Guerin Catholic's 1-2 mark, for example. The Golden Eagles are five points shy of being undefeated. They've lost to Martinsville by four and last week to Terre Haute South by one in overtime. Sandwiched in between is the school's first ever win (17-7) over Lafayette Central Catholic. Coach Tom Dilley's club has played an extremely tough early-season schedule. So has Howe, the team Guerin entertains tonight. The Hornets also are 1-2. They've lost to Tech 27-10 and to Evansville Harrison 40-38 and last week defeated Noblesville Home School 49-27. "The Howe Hornets have tremendous athleticism and speed in the skilled positions as well as size in the trenches," said Dilley. "Our players are ready to compete against a good team on Friday."

Guerin nearly pulled out the Terre Haute game, coming from 16 points behind in the fourth quarter to force the contest into overtime. Guerin scored first in the extra session and added a PAT. Terre Haute South came back with a touchdown and a two-pointer. "I'm very proud of how our kids came back," said Dilley. "This is something we can build on." On offense, Guerin Catholic is being led by one of the top passing combinations in Hamilton County. Quarterback Matt Labus has hit on 41-of-85 passes for 529 yards. His leading receiver, Brian Matthews, has 18 catches for 314 yards and four touchdowns. On the ground, sophomore Carter McGinnis has rushed for 186 yards in 45 carries.

Noblesville’s Christa Karns prepares to spike the ball during the Millers’ volleyball match with Westfield on Thursday. The Shamrocks won in three sets.

# ‘Rocks, Royals win county battles

Two good volleyball teams met in Westfield on Thursday, as Noblesville traveled to The Rock to face the Shamrocks.

Westfield had been getting some votes in the latest Class 4A poll, and despite the fact that they're dealing with an injury, the Shamrocks won in straight sets 25-22, 25-17, 25-18. Westfield clinched the win by making several scoring runs in the third set, and were able to hold off the Millers' comebacks during that time.

"I thought we did a nice job passing, serve receive tonight, except for those few rotations where we got stuck," said WHS coach Stacie Pagnard. "I thought that offensively, we could have been a little sharper in some areas, but for the most part it was a really nice win against a good team."

Sophomore Natalie Ravenell, a state qualifier in the high jump last year, led the offense with 10 kills. Senior setter Samantha Reed handed out 31 assists, while junior Elaine Bredensteiner served up four aces.

On defense, senior Lucy Grenda made two blocks, and junior Kari Losch had 16 digs.

As for Noblesville, sophomore Josie Sanders hit 13 kills, with senior Sam New-

comb dishing out 22 assists and sophomore Annie Phillips 11. Senior Austyn Everingham made 15 digs, with Sanders getting 10.

"To be honest with you, that's the best team we've played this season," said Miller coach Steve Hawthorne. "They played with a lot of discipline, probably the quickest transition offense we've played against. They really challenged our blockers quite a bit."

I think it was some of our best effort of the season. We didn't always play with as much discipline as we needed to. We lacked a little bit of execution at the end of the game. But overall, our effort was really good."

Pagnard said that Hawthorne's calling Westfield the best team Noblesville has played this season "a huge compliment," considering that her team has some people playing out of position due to an injury.

"We have a kid that's a situational player that's injured right now," said Pagnard. "For him to say that is a huge accomplishment for those sophomores, underclassmen that are fighting for a spot. And I think that's kind of what our bread and butter is right now is the urgency to earn a spot and to

# Royals win Mudsock girls soccer game

The Mudsock girls soccer game is a big one by itself, but the fact that both Hamilton Southeastern and Fishers are both ranked in the top six made it even bigger.

The Class 2A No. 6 Royals came out on top, beating the 2A No. 3 Tigers 1-0, thus winning the Mudsock trophy. Southeastern got the goal it needed when Molly Lear hit a corner kick to Payton Filson, who made a one-time hit into the corner and the back of the net.

The Tigers did get a chance to score after slipping past the Royals' goalkeeper but Summer Davison cleared the ball off the line.

Royals coach Greg Davidson said that he was "so proud of the girls," as HSE had been close in their losses to teams ranked No. 1 and No. 2 earlier in the season.

In boys soccer, **Sheridan** lost to 1A No. 2 Tri-West 8-3 on Thursday.

"We started off slowly and struggled with passing but gained momentum in the second half," said Blackhawks coach Jacob Tolley.

Joey Hopper, Jack Waitt and Mason Doerr each scored one goal, with Andre Gabe assisting Waitt and Doerr's goals.

**Hamilton Southeastern**, ranked No. 20 in 2A, beat Brownsburg 3-0 on Thursday.

Austin Vermillion scored first, assisted by Marek Davis. The Royals then got an unassisted goal from Stephen Bartholomew. Dylan Ricketts scored HSE's third goal, with Vinnie Ferrari providing the assist.

**Carmel**, 2A's No. 10 team, beat Lawrence Central 6-0 on Thursday.

"I am very proud of the effort the team gave on both sides of the ball," said Carmel coach Shane Schmidt. "I feel that we switched the point of attack through possession well and our team shape continues to improve every game."

**Fishers**, ranked No. 6 in 2A, beat Kokomo 2-0 on Thursday.

Keenan Kadam and Justin Brooks both scored a goal for the Tigers.

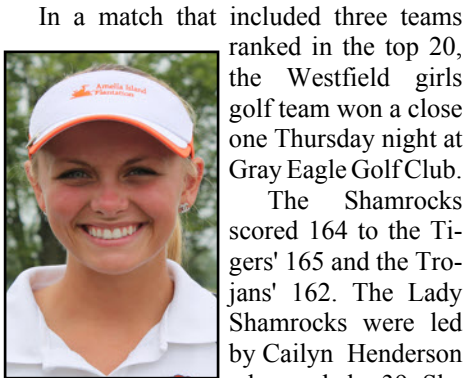

**Hamilton Heights**, the No. 16 team in 1A, rebounded from its earlier loss to defeat Yorktown 5-1 on Thursday.

Colin Luckey scored two goals for the Huskies, while Sam Stallsmith, Roy Noller, and Derek Thorpe each added one. Assists went to Stallsmith with two and Drake House with one. Collin Kaurich made seven saves.

"The Huskies came out from the beginning pressuring the ball, finding passes, and open lanes," said HHHS coach Derrick Dean. "It was a great team effort."

# Shamrocks edge Tigers

In a match that included three teams ranked in the top 20, the Westfield girls golf team won a close one Thursday night at Gray Eagle Golf Club.

The Shamrocks scored 164 to the Tigers' 165 and the Trojans' 162. The Lady Shamrocks were led by Cailyn Henderson who carded a 39. She was followed by Kaylee Purcell and Adrienne Montalone who each shot 41. Rounding out the scoring for the Lady Rocks were Margaret Wentz and Morgan Baechle who each shot 43.

"Tonight was a great test for us heading into next sectionals next week," said WHS coach Trevor Neu. "Even though it wasn't our lowest nine hole round of the season it was our most complete. Having all five players shooting a 43 or better was solid. Fishers and Center Grove are both quality programs that have been shooting good rounds."

Katie Brooks, Morgan Lewis and Kennedy Brooker all had 41s for Fishers. Anna DelPrince carded 42 and Emma McCord scored 50.

**Hamilton Heights** won a dual match over Elwood 197-258 Thursday at Bear Slide.
