City, Old Town Development announce...

# \$150 million Midtown Carmel Project

The City of Carmel and Old Town Development LLC announced today details for the first major development in the Midtown area, an investment of up to \$150 million that will bring more than seven new buildings on approximately 11 acres of land in the redevelopment areas south of Main Street.

Highlights of the project include up to 270 new residential units in the form of flats and condos, more than 200,000 square feet of office space, more than 85,000 square feet of commercial and retail space located throughout the new buildings and a 700space parking garage. Old Town Development is partnering with the City of Carmel to develop the land in a way that will create a walkable, pedestrian-friendly area that will connect the Arts & Design District to Carmel City Center along the Monon Greenway.

#### DAILY BIBLE VERSE

And hath extended mercy unto me before the king, and his counsellors, and before all the king's mighty princes. And I was strengthened as the hand of the LORD my God was upon me, and I gathered together out of Israel chief men to go up with me.

Plans for the new Highway 37 were changed to add an interchange at 116th Street.

### MIDTOWN

From Page 1

Justin Moffett is a Carmel native who has already established himself as a builder of note, creating beautiful homes in the old town area and helping to transform those neighborhoods," said Carmel Mayor Jim Brainard. "This is the first major project in an area that will be a key part of the continued success of our new downtown."

The largely industrial Midtown area lies in the heart of Carmel, connecting the city's two primary focal points of redevelopment – the Arts & Design District and Carmel City Center. The redevelopment of Midtown between these two anchors, is a key component of the city's efforts to create a walkable, pedestrian-friendly area centered along the Monon Greenway, providing the interest and activity that will encourage walking from one anchor to the other. Bordered by Main Street to the north; City Center Drive to the south; Range Line Road to the east and areas around 3rd Ave SW, Midtown holds the potential to one day complete a continuous downtown core in Carmel with a mix of residential and commercial projects that could constitute a largely self-reliant urban environment.

"We are thrilled to play an active part in rebuilding an area of downtown Carmel that holds so much promise for a thriving city," said Justin Moffett, partner of Old Town Development. "This is the city where I grew up, the city where I chose to build a business and raise my family ... a city that I love."

The economic impact of the project will be a positive boost for Carmel and its local shops and restaurants. An estimated 800 to 1,000 permanent new jobs will be created as a result of the office and commercial spaces; and 300 to 400 full-time construction jobs will be created on an annual basis until the project is completed.

The details of the new Midtown project will be shared and updated on a new website: <a href="http://www.midtowncarmel.com/">http://www.midtowncarmel.com/</a>

Old Town Development will file zoning documents for the Midtown redevelopment area with the City of Carmel later this week. Construction could begin by summer of 2015. It is anticipated it will take at least five years to complete the project.

# Royals to visit Shamrocks

By DON JELLISON **Reporter Editor** 

Hamilton Southeastern, awaiting a trip Westfield this Friday, finds itself in a most unfamiliar position. Instead of looking

Lucas

down on the Hoosier Crossroads Conference, which has been the case many, many times, the Royals are looking up. Southeastern is 1-

> 3 overall and is 0-2 in the conference. Never in the history of the HCC has Southeastern dropped three consecutive games. In fact not since 2005 has Southeastern three games during a regular season.

Westfield, on the other side of this football crown, had beaten never Southeastern until pulling 38-18 a stunner at HSE last year. That Westfield team went on to claim runner-up honors in the Class 5A state championship game.

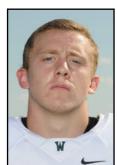

Clayton

Murphy

back conference losses to Avon 31-10 and Fishers 41-10.

Westfield, meanwhile, is having an "even-up" season. The Shamrocks have defeated Harrison 35-14 and Zionsville 44-34 and lost to state No. 5 ranked Southport 37-26 and lost to Noblesville 17-12. Zionsville and Noblesville were conference games.

"We're working to get better all the time," said Westfield coach Jake Gilbert.

Cross

**Eccles** 

**Thompson** 

'We have got to stop all the self-inflicted mistakes. When we don't hurt ourselves, we aren't bad. We are looking for max effort in practice and four quarter consistency in the games."

Gilbert said he has been "very pleased" with the play of linemen Ryan Pape and Jon Mendoza.

"They are our only two-way players,' said the coach. "They are playing physical on both sides of the football. I'm proud of how hard they have worked."

Southeastern coach Scott May also dished out some praise for his linemen.

"On the offensive line, first year starters Ashmon Lucas and Lucas Leinger have been doing a solid job for us," said May. Both guys had good off seasons and have done a good job. On the defensive line, Casey Hays has been our best player at nose. He is strong and goes hard every play. We need more of what he brings.'

"I think we just need some success early in this game," he said. "We have played some good teams so far this year, and really I don't see an off-week. Our guys have looked good at times, but have had too many errors and penalties to win games. We have to get our players playing one play at a time and to believe if they do that they will win

May talked about the challenge ahead at five times.

# Westfield JV football wins, stays undefeated

The Westfield junior varsity football remained undefeated after beating Noblesville 21-6 on Saturday. The Shamrocks are now 4-0.

Westfield's JV offense, added by two freshman feature backs, Nate Froelich and Laveal Gibson, had the ability to move the ball all day but sputtered out late in a few drives. The first score came after a long pass from sophomore quarterback Andy Sweet to sophomore wide receiver Evan Manley set-up the Rocks with good field position. Froelich was able to demonstrate his quick feet, good balance, and great lower body power by scoring on a hard fought run. Sweet and Manley hooked up later in the second half for a 70 yard bomb for a touchdown. The offensive line was able to create holes all day with the help of sophomore offensive tackle Gannon Asher.

The defense had a late interception returned for a touchdown by sophomore linebacker Justin Frey (his second of the season). Sophomore defensive tackle Joe Foster also had a forced fumble and recovery. The Millers did not get close to the end zone the rest of the game. Sophomore linebackers Hank Grenda and Jackson Garrett contributed to the team effort with Grenda being a constant disruption to the offense and an interception by Garrett. Disaster was narrowly averted again during a punt attempt by the offense and sophomore kicker Miles Clinkenbeard. The snap sailed over Clinkenbeard's head, he chased it for 15 yards, turned around and calmly delivered a huge punt with several Millers bearing down on him.

Westfield hopes to continue their streak this Saturday on the road against the Hamilton Southeastern Royals. The game starts at 10 a.m.

# Teams win as they prepare for sectionals

After an eventful regular season, girls golf teams all around the state are spending the week preparing for sectionals.

Hamilton County teams will be divided among two sites. On Friday, Carmel, Guerin Catholic, University and Westfield will travel to Southwood Golf Club in Indianapolis for the Ben Davis sectional. The other four teams - Fishers, Hamilton Heights, Hamilton Southeastern and Noblesville - head to Edgewood Golf Club on Saturday for the Anderson sectional.

Three teams were in action on Tuesday. Westfield completed a perfect dual meet season by beating Western 166-188. Cailyn Henderson and Adrienne Montalone were co-medalists with scores of 40. Margaret Wentz scored 42, Kaylee Purcell 44 and Morgan Baechle 48.

"I am really proud of how we finished off the regular season," said WHS coach Trevor Neu. "We finished the season 11-0 in dual matches and 102-8 overall. Our program has come a long way this year but our goal now is to focus on the State tournament."

Fishers won a dual meet with Lawrence North 158-177 on Tuesday. Katie Brooks, Morgan Lewis and Anna DelPrince all had 39s. Kennedy Brooker scored 41, Kate Alt 49 and Emma McCord 51.

Hamilton Heights capped off Senior Night for Katie Sams and Bethany Cupp by defeating Taylor 199-219 at Bear Slide for the Huskies' 12th victory of the season.

Cupp scored a 52 for the Huskies. Sophomore Caitie Gehlhausen remained unbeaten, winning medalist honors with a 43. Junior Ashley Klopfenstein played a round of 47

while freshman Sydney Lucas completed the team score with a 53. "Katie's score did not count toward the team score but has played #2 all season and has been instrumental in the team's success," said Heights coach Kerry Altherr.
