# When next Mayor's election is held

Noblesville businessman Mike Corbett today filed a statement of organization with the Hamilton County elections office. The filing establishes an exploratory committee and is the first step toward running for Mayor of Noblesville in the 2015 Republican primary next May.

"Like many Noblesville residents, I think it's time for some new ideas," said Corbett, "and I'm eager to share some of mine. I'm not sure what Mayor Ditslear's plans are for next year, but 12 years is enough time to launch your initiatives. I'd like to see more progress."

Corbett ran for mayor as an independent candidate in the 2011 election. "That was an energizing experience," he says. "We had to mobilize quickly, secure hundreds of signatures and raise funds on a very short schedule. But I loved the experience of talking politics, meeting voters, debating the issues, and exploring the possibilities for Noblesville. I'm eager to do that again."

Despite a short campaign in 2011 (launched July 5th for a November election), Corbett earned 35% of the vote and carried five precincts, an impressive showing for an independent candidate who was vastly outspent. "Those results tell me that there's a yearning for change in Noblesville.

Many people have this feeling we're not living up to our potential. People have been asking if I'm going to run again and the idea intrigues me," he says. "It's very gratifying to know that our last campaign resonated with so many people who I respect. This is the first step toward a potential new effort."

The May primary is more than seven months away, and there's a general election this November. "We're exploring the possibilities," Corbett says, "talking to people and submitting the required paperwork. I don't want to distract voters from this November's election. They will be hearing more from us over the Winter and Spring, but the next

3 days of arrest:

# Local police kept busy

Hamilton County law officers had a busy weekend and early week rounding up suspected thieves.

The whirlwind activities started Friday, Sept. 26 in Carmel when at 9:45 p.m. Carmel Police responded to the Rusted Window located at 99 East Carmel Drive Suite 140 in reference to a robbery.

During the robbery the suspects stole an employee's purse that contained an undisclosed amount of money and credit cards. The suspects then fled the scene through the back door of the business. Surveillance cameras recorded the suspect's vehicle during the robbery.

The next day, Saturday, Sept 27 at approximately 9 p.m., Carmel Police observed a vehicle matching the description of the robbery suspect vehicle. A traffic stop was conducted. Through future investigation, three suspects were arrested for the Rusted Window robbery.

**Sunday at Fishers**

Meanwhile, during the early morning hours of Sunday, Sept.28 Fishers police officers arrested two separate groups of thieves suspected of staling property from unlocked vehicles.

Just after 3:30 a.m. an alert resident of the Deer Brook Apartment complex (Allisonville Road and Eller Road) called 911 to report he had observed several subjects stealing items from cars parked in the apartment complex.

As the first officer arrived, he observed several suspects running away. After a short foot pursuit one of the suspects was taken into custody.

Assisting officers set a perimeter and began searching for additional suspects.

A second suspect was located in the Princeton Park Neighborhood (106<sup>th</sup> Street and Eller Road).

Officers identified both of the suspects as juveniles and transported them to the Fishers Police Department where they met with their parents and Fishers police detectives. In addition to the thefts from vehicles, it was also determined that the two juveniles may have been involved earlier in the evening in stealing two cars from a parking lot in Marion County. Both of the stolen cars were recovered in the Deer Brook Apartment complex. The juveniles were transported to the Hamilton County Juvenile Detention Center.

A second group of thieves were located shortly after 6 a.m. in the Gatewood Neighborhood (106<sup>th</sup> Street and Allisonville Road.

A Fishers police officer observed a suspicious vehicle driving in the neighborhood. The officer conducted a traffic stop on the 2003 silver Acura passenger car and identified the two men inside. During this investigation officers located a small amount of marijuana, a stolen handgun, stolen credit cars and stolen jewelry inside the vehicle. It was determined the stolen credit cards and jewelry belonged to a Fishers resident. Officers were able to return the property to the rightful owner. The suspects were transported to the Hamilton County Jail.

## Promise Road students will participate in...

# Box City program for National Planning Month

October is National Planning Month and in recognition of that, the Noblesville Planning Department will again be hosting a program called Box City on Wednesday, October 8 through Friday, October 10 at Promise Road Elementary. Third and fourth grade students at Promise Road will work with Planning Department and other city staff to construct “buildings” out of boxes and then design and construct cities from those buildings. In order to do this, students will learn about the steps that are necessary to construct buildings and cities in real life such as permit requirements, zoning issues, architecture and design procedures, and more. The third grade students will be responsible for constructing the buildings by using the same standards and methods required in the City of Noblesville while the fourth grade students will then determine the master layout of the city.

Last year’s Box City program at Promise Road was such a success that the program has been expanded to three days this year in order to incorporate additional curriculum.

Like last year, students from Ball State University’s Graduate Program in Urban Planning will be observing and assisting with the Box City program and will then share the ideas and results of Noblesville’s program with other communities in Indiana.

“We are pleased to partner again with Noblesville Schools and Promise Road Elementary for Box City. It’s a fun way for the city’s Planning Department to teach kids about the various procedures required to successfully design, build, and expand a city,” said Mayor John Ditslear. Marnie Cooke, Director of Marketing and Communications for Noblesville Schools, added: “Our students love the Box City project. More importantly, the opportunity that Box City provides for students to learn in an authentic, engaging way is a perfect complement to Noblesville Schools’ project-based ‘Miller Shift’ curriculum.”

For more information about Noblesville’s Box City project, contact the Planning Department at (317) 776-6325.

## Focus is on water shortage...

# Table-Top Exercise takes place today at Riverview Health

The Local Emergency Planning Committee in conjunction with Hamilton County Emergency Management will be hosting a Table-Top Exercise to focus on a water shortage with cascading events today, Oct. 1. The recent events taking place in Northwest Ohio over the summer and last year in West Virginia have heightened the need to focus on how agencies will respond to and recover from an incident which could have an effect on water consumption throughout Hamilton County.

While “all-hazards” planning continues to shape Hamilton County’s ability to respond to such incidents, agencies from throughout the public, private, and non-profit sector will be present to work through scenarios with cascading events. “Our goal is not to break the system, but rather facilitate conversation and educate our partners of systems in place and how we would respond to and coordinate such a response,” Tom Sivak Executive Director of Hamilton County Emergency Management.

The exercise will take place at Riverview Health, main campus, located in Noblesville. The exercise will start at 9 a.m. with a scenario and facilitated discussion among participants.

Any questions regarding the exercise, please contact Tom Sivak from Emergency Management at 317-716-1706.

# FCC lifts sports blackout rules

## Press Release

The Federal Communications Commission today repealed its sports blackout rules, which prohibited cable and satellite operators from airing any sports event that had been blacked out on a local broadcast station. The action removes Commission protection of the NFL's current private blackout policy, which requires local broadcast stations to black out a game if a team does not sell a certain percentage of tickets to the game at least 72 hours prior to the game.

The Order finds that the Commission's sports blackout rules are no longer justified in light of the significant changes in the sports industry since these rules were first adopted nearly forty years ago. At that time, ticket sales were the primary source of revenue for the NFL and most NFL games failed to sell out. Today, television revenues have replaced ticket sales as the NFL's main source of revenue, and blackouts of NFL games are increasingly rare. The NFL is the most profitable sports league in the country, with \$6 billion in television revenue per year, and only two games were blacked out last season.

The Order also finds that the NFL – whose current contracts with the broadcast networks extend through 2022 – is unlikely to move its games from free, over-the-air broadcast television to satellite and cable pay TV as a result of elimination of the sports blackout rules. The Order therefore concludes that the sports blackout rules are no longer needed to ensure that sports programming is widely available to television viewers.

Today's action may not eliminate all sports blackouts, because the NFL may choose to continue its private blackout policy. However, the NFL will no longer be entitled to the protection of the Commission's sports blackout rules. Instead, the NFL must rely on the same avenues available to other entities that wish to protect their distribution rights in the private marketplace.

## Fort Wayne to host major architect convention

From October 2-4, the 2014 American Institute of Architects Indiana + Kentucky Convention will meet at the Grand Wayne Convention Center in downtown Fort Wayne, Indiana.

For three days, more than 200 architects will participate in several informational workshops, discussions with industry professionals, and explore our city's architecture, attractions, and rivers.

On Oct. 2, the group will listen to a presentation from the SWA Group on Fort Wayne's Downtown Riverfront Development Study, followed by a DesignSlam welcome party at the Fort Wayne Museum of Art at 7:30 p.m.

The next day, Bryan Bell of Bryan Bell Architecture/Design Corps based in Raleigh, North Carolina, will present the keynote speech. After additional breakout sessions, the group will head over to Parkview Field for a T.G.I.F. celebration.

Before leaving the city, a group of architects will venture around downtown and learn about Fort Wayne's historic buildings and landmarks on Saturday.

Westfield trying to defend...

# ‘Rocks control their destiny

By DON JELLISON  
Reporter Editor

No team is in a better position to win the Hoosier Crossroads Conference in football than is Westfield. Co-champion with Fishers last year, the Shamrocks are looking at a perfect schedule the next two weeks as they attempt to defend the crown.

“We control our own destiny in the HCC, so we are excited to be in this position with a great opportunity to defend last year’s championship,” said head coach Jake Gilbert.

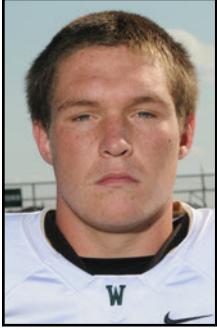

Dollens

Currently, four teams in the conference each have one loss. Westfield and Fishers are 3-1; Noblesville and Avon are 2-1.

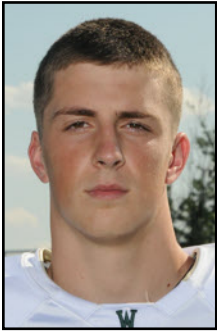

After hosing Avon at The Rock this Friday, Westfield will travel to Fishers next week. Westfield’s final regular season game in three weeks is non-conference against Indianapolis Washington.

Winning the HCC won’t be easy. Avon and Fishers, the two teams Westfield will meet, have the same idea, same goal as does Westfield. So does Noblesville.

“Avon is loaded with talent,” Gilbert continued. “They do a lot of things very well. They just beat a very good Fishers team.”

Milton

Mattingly

When Westfield and Avon take the field Friday, fans should in store for a super aerial show. Both teams have slingers, and both teams have outstanding receivers.

Avon once handled Westfield pretty well. That was before JG (Jake Gilbert) came to Shamrockland as coach. He lost to Avon, 42-6, in his first try three years ago. He lost 24-20 two years ago. Last year Westfield defeated Avon, 17-15

In the past two seasons, Westfield has lost only two conference game. The Shamrocks fell to Fishers, 48-45, in a triple overtime thriller last year and earlier this season Westfield lost to Noblesville 17-12.

Westfield’s Ryan Pepiot leads the HCC in passing. He has connected on 85-of-143 for 1,268 yards. For Avon, Brandon Peters is 89-of-157 for 1,203 yards.

Pepiot’s big targets have been Ben Lotfalian (30 catches for 386 yards), Milo Beam (18 for 407) and Nick Henderson (17 for 288). All three of those receivers each have caught two touchdown passes.

Andrew Griffin has 38 catches for 524 yards to lead Avon. Braydan Luce has caught 14 balls for 180 yards.

All of which doesn’t mean Westfield and Avon can’t run the football. They can.

Darian Love does most of the ground damage for Avon. He has carried 103 times for 589 yards. Westfield is led by Elvin Caldwell with 127 carries for 699 yards.

Westfield has scored 17 touchdowns rushing the pigskin and Caldwell owns 11 of those.

Westfield has one of the best defenders in the conference in senior linebacker Matt Crupi. He leads the Shamrocks with 29 solo tackles and 41 assists.

Westfield has a dozen quarterback sacks in six games. Crupi and Stan Mattingly each have three and Mike Peterson has 2.5. Cameron Harrison owns two of Westfield’s eight pass interceptions.

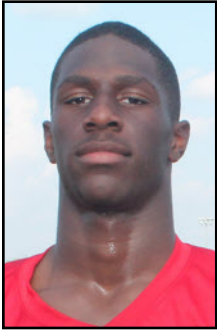

“We are excited about our team because we are getting better,” Gilbert said. “We’ve had back to back good wins, and our practices have been script.”

Fishers takes HCC break...

# Tigers will host Indy Tech

By DON JELLISON  
Reporter Editor

Fishers will step out of the torrid Hoosier Crossroads Conference race this Friday, but it will be no walk in the park as the Tigers entertain a good Indianapolis Tech team.

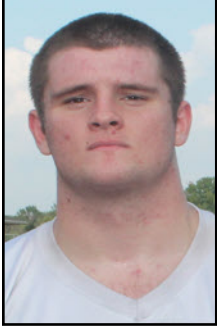

Potts

“Tech is a very fast and physical football team,” said Fishers coach Rick Wimmer. “The have the best running back we have faced in Gilbert and three outstanding defensive linemen in Whitehead, Cobb and Weatherford.”

Tech has played just four games, beating Howe 27-10, Manual 68-0 and Shortridge 28-6, while losing 28-9 to a team out of Oak Lawn Richard in Illinois.

“I like the fact we have some non-conference games on our schedule,” Wimmer talked about the off week from HCC play. “This year, I think the non-conference game coming after a loss to

Avon gives us a chance to refocus and make some corrections before heading back into conference play.

Bowser

Harbison

Every game is important, but I think our loss last week makes this game even more important for us.”

Wimmer is hoping for a bounce back performance.

“We will need to rebound from the Avon loss and be ready to play a fast, physical team. We had too many turnovers; a lost scoring opportunity on the goal line; a blocked punt and poor leverage and tackling by the defense to win a game against a quality team like Avon. These are all things that must be corrected going forward.

Probable Starting Lineup
<b>Offense</b> LT: Luka Skudrzik, Sr., 225 LG: Titus Martin, Jr., 270 C: Matt Hafley, Sr., 236 RG: Gavin Laffoon, Jr., 228 RT: Chase Bowser, Jr., 242 TE: Gino Castellani, Sr., 221 QB: Zach Eaton, Jr., 192 WR: Noah Smith, Sr., 164 WR: Evan Long, Sr., 172 TB: Maurice Campbell, Sr., 172 FB: Mason Davis, So., 172

Potts, So., 180

“We will need to cut down on our mistakes and play with much more focus and discipline to win,” the Fishers coach added.

Fishers will take a 4-2 record into the game.

Wimmer is getting a balanced attack from his offense.

The Tigers have passed for 823 yards, led by junior quarterback Zach Eaton. He has hit on 58-of-99 passes for 784 yards and seven touchdowns, and has been intercepted just two times.

On the ground, Maurice Campbell has carried the pigskin 126 times for 751 yards and has accounted for 11 of Fishers’ 13 rushing touchdowns.

Fishers’ top receiver is Chris Thomas with 14 catches for 282 yards and four touchdowns. Simeon Foster has 11 catches for 184 yards.

The defense is being led by Luke Harbison with 22 solo tackles and 13 assists. Joel Wilcox has four of the team’s 10 quarterback sacks. R.J. Potts has three and Jeremy Chinn and Harbison two each of Fishers’ nine pass interceptions.

Huskies win big, Carmel gets county victory

Hamilton Heights beat Anderson 7-0 on Monday.

Amanda Freeman led the Huskies offense with three goals and an assist. Ashlee Herrington and Sierra Welch each added two goals. Abby Hardacre had three assists and Welch had one.

Miller

Samantha Eastes, Amanda Shaw and Jessica Cowen scored goals for the Greyhounds, with Macy Miller and Eastes getting an assist. Carmel's Celene Funke had two goalkeeper saves, while Sara Foreman made five saves for the Shamrocks.

"The team built on the better play from the previous game and played well," said

'Hounds coach Frank Dixon. "Again the one truly important factor that was missing was our ability to finish. Knocking the other team's goalkeeper out of the game because we drove a shot at her that knocked the wind out of her is not a good thing. Those shots have to go in the net. We will begin working on that tomorrow. The staff was happy with almost every other phase of our game."

"Again, goalkeeper Celene Funke recorded a shutout. She has only allowed four goals in 15 games of which only one was from the run of play. Celene has taken on a leadership role in the back and already communicates with her backs as well as any keeper that I have ever coached."

**Sheridan** put together its most complete game of the season Monday in a 9-0 win over Tri-Central.

Alexis Smith and Morgan Leonard both had two goals, with Katie Hybarger, Payton Fleener, Alexis Smith, Samantha Smith, Mattie Woodworth, and freshman Nixon Williams all scoring one. Williams and Tiffany Taylor combined for the shutout.

"The Huskies played an excellent team game everyone moved offensively, defensively, and pressured every ball," said Heights coach Derrick Dean. "That's why everyone is the 'player of the game' tonight."

**Fishers** defeated Harrison 3-0. Drew Gavit, Alex Nichols and Justin Brooks scored the Tigers' goal.

Tennis

Sectionals begin today at Carmel, HSE

Boys tennis begins its post-season today, with Hamilton County teams competing in four-team sectionals at Carmel and Hamilton Southeastern.

The No. 1-ranked Greyhounds, state semi-finalists last season, get their sectional's other-ranked team in today's semi-finals. Carmel will face Guerin Catholic, which is rated fifth in the final coaches poll of the year. The other semi-final features Westfield against University. Both start at 4:15 p.m.

Over at the Royals' courts, host and No. 13-ranked HSE plays Noblesville, while No. 18 Fishers will take on Hamilton Heights. Both meets begin at 4:30 p.m.

# Girls golf state finals come to Carmel

A new golf course will be the setting as Indiana’s top high school girls golfers will settle this year’s team and individual state champions this weekend.

The 42nd Annual IHSAA Girls Golf State Finals will be played at Prairie View Golf Club in Carmel for the first time, the fifth course ever to host the event. The finals had been played at The Legends Golf Club in Franklin the previous 14 years.

All competitors will play 36 holes over the two-day event. A total of 15 teams have advanced five golfers each and 25 individuals have moved on without their squads for a total of 100 participants. Groups will be teeing off the 1st and 10th tees at 8:30 am on Friday. Top-ranked and defending state champion Carmel leads a group of six returning

teams from last year, the fewest since 1990 when only four teams made a return trip from the previous season.

"It helps to have a home course, but we've played that course a few times this year," said Greyhounds coach Ken Kelly. It can play different any given day on weather conditions and so forth. All we want to do is get our swings in check this week and if we have that, we'll give it the best shot we can."

Carmel will have two players back that finished in the top 15 last year. Senior Maggie Rees was fourth individually with a 72-75=147, while classmate Alyssa Cook tied for 15th with a 79-73=152.

Four of those six schools won regional championships last Saturday including the Greyhounds, Evansville North, Hamilton Southeastern and first-time winner Lake Central, the victor at Battle Ground Golf Club near Lafayette.

All five Individual regional champions have advanced without their teams this weekend including Jaycee Bunner of Fort Wayne Blackhawk, Amanda Detmer of Madison, Samantha Hatter of Lafayette Jefferson, Kennedy Holtsclaw of Bedford North Lawrence, and Betsy Werner of Indianapolis Cathedral. Werner’s 68 at Westwood on Saturday is the best individual score so far this tournament with Bunner, Holtsclaw and Bloomington South’s Emma Fisher each carding a 69.

Detmer won the regional at Smock with a 70 and is one of seven players returning from last year’s Top 20 finishers after her

149 was good for an eighth place finish a year ago.

No. 2 Evansville North posted the two lowest team scores over the last two weeks. The Huskies’ 294 at the sectional at Fendrich tied for the fifth-best sectional score ever while their 295 at Country Oaks was the best regional mark ever. In that tournament, all five golfers tallied a 77 or better.

No. 5 Westfield and New Palestine will make their first trips to state in school history this weekend. Westfield finished runner-up to Carmel at Smock while New Pal took third at Westwood. The Shamrocks have had three remarkable freshmen come in and play well for Westfield - and coach Trevor Neu doesn't expect any rookie nerves from them.

"I think the kids are really confident," said Neu. "We're going back to the place where we got second in an invitational at this year, beat a lot of the teams that are top in the state. All our kids feel like we belong in the mix, and to be talked about, at least."

Hamilton Southeastern now has the longest active streak of qualifying for state. The Royals have made it to the big meet 10 years in a row now - winning in 2008, 2010 and 2011. Southeastern also won state in 2003, before its current streak began.

"We're going to go up there and give it our best shot, for sure," said HSE coach Steve Guenin after his team won the Westwood regional. It's going to be hard, there's a lot of good teams out there. We're going to have to go out there and put some things together and hopefully things turn out all right."

Guerin Catholic’s Marissa Singer will compete at as an individual.

Three schools ended long droughts to make it back to state led by Wawasee which qualified as team for the first time in 28 years (1986). Crown Point ended a 23-year span (1991) and Fort Wayne Bishop Dwenger made it back after a 10-year dry spell.

All are invited to view the progress of the state finals by visiting BirdieFire.com. The IHSAA will post the hole-by-hole scores for every player throughout the two days.
