*New Holiday tradition for Hamilton County...*

## Good Samaritan Network Festival of Trees

Good Samaritan Network of Hamilton County, Inc., a local nonprofit 501c3 organization, is excited to announce an ALL NEW tradition for Hamilton County this Holiday Season. The event is our “Inaugural” Hamilton County *Festival of Trees*.

While the Festival of Trees idea itself is not new, it is NEW to the Hamilton County community, and will be held at 6 p.m. Nov. 22. Reservations are required due to limited seating with admission cost: \$75 per person.

This year’s event will take place at the beautiful Bridgewater Country Club in Carmel. The evening includes a dinner, a keynote speaker, and an auction of exquisitely custom designed themed Christmas trees, wreaths and table centerpieces - hand decorated by local designers specifically as fundraising pieces. All proceeds for the evening will be directed for Good Samaritan Network’s signature Holiday Assistance program - which only assists

Hamilton County residents (22,986 in 2013).

Good Samaritan Network is beyond grateful for the wonderful and enthusiastic support provided by Bridgewater Country Club and their staff. Executive Director, Nancy Chance, says, “They have been nothing but phenomenal in supporting the work of Good Samaritan Network by providing this opportunity for a new holiday tradition in Hamilton County – which directly serves clients for the holidays.”

Individuals will want to invite family and friends to attend this ALL NEW “Inaugural” Hamilton County Festival of Trees tradition. Individual reservations are required. Please contact Good Samaritan Network (317-842-2603) to register, or RSVP, or for more information; or visit, [www.gsnlive.org](http://www.gsnlive.org).

Sign-up is still open for both designers and sponsors. Festival of Trees is continuing to look for the active contribution of both designers and sponsors throughout

Hamilton County, and all are encouraged to sign-up immediately, due to limited availability.

The network is also expecting a robust attendance for the evening as participants enjoy the artisan work of designers, besides the exceptional evening meal and program. Additionally, attendees will be able to bid on Christmas items being auctioned during this annual event and take them home for their own personal holiday enjoyment. Purchased TREES will be professionally delivered FREE to the purchaser’s residence by 2 Men and A Truck moving company on Monday, Nov. 24.

Designers are responsible for designing Christmas trees, wreaths and table centerpieces, and are able to provide their own Christmas tree or select one from first-come-first-served inventory provided by GSN. To register as a designer or for more information and a designer’s packet visit [www.gsnlive.org](http://www.gsnlive.org), or contact Kim Harden,

Festival of Trees, Event Coordinator, [iloveitdesigns@att.net](mailto:iloveitdesigns@att.net).

Designers are expected to provide a themed/named tree in advance of the event. Placards will be provided for each designer with the tree name/theme and the named designer. The onsite set-up work period will be Nov. 5-19, with a final setup deadline of 9 p.m. Nov. 19.

Sponsors are critical as dynamic members of our community investing in the development and improvement for quality of life among those who live and work in Hamilton County. Building a network of individuals and organizations that enthusiastically support charitable events is invaluable to all of humanity – and especially for the Hamilton County community and the work of Good Samaritan Network.

## 40 years later, the truth is told

By JANET HART LEONARD

A couple of Saturdays ago I sat in a room full of friends, some I recognized, some I needed a bit of help with putting a name to a face. It was the 40th Class Reunion of the Noblesville Class of 1974. I listened to the stories being told, and I laughed until I was wiping tears.

It was an evening of confessions. Now we know the rest of the stories. Mysteries were solved. If confession is good for the soul, then there were some souls feeling good that night.

Now we know...who "streaked" down Maple Avenue while his friends hid in the bushes. When the police were called, they were all crammed into one car, trying so hard to look innocent. Its difficult to look innocent when you are sitting in the back seat of a car without your pants.

We know who tried so hard to sneak out of school, only to be picked up and escorted back to school by a nice, somewhat familiar looking man. The young man simply wanted a ride uptown. He unwittingly hitchhiked and got in the car with Mr. Williams aka the school superintendent. He escorted the run-away back to class after he was paraded past his friends who recognized Mr. Williams.

We now know who hid beer in the athletic training room but realized the next day that a coach had helped himself to it. Who is going to question a teacher when the culprits who hid it are way underage to drink?

No one confessed to putting the Playgirl centerfold on Mr. Abel's chemistry element chart.

At the end of the evening, we had looked back 40 years, yet it seemed like just yesterday.

If we had closed our eyes I think we could've heard our principal, Mr. Lecount's squeaky shoes.

And just who put the toilet on the roof of the high school when we were seniors? Some things that happened in 1974 will stay in 1974.

*Legacy Keepers invites you to...*

## Explore music and fashion history

By SARAH NEAL MARTIN

Have you ever wondered how to get your family to take a little more interest in history? You're not alone! It's a question that Legacy Keepers Music is actively working to answer! Headquartered in the Logan Street Sanctuary, 1274 Logan Street in Noblesville, this non-profit group will demonstrate some of the many ways families can do this on Sunday, Oct. 12 from 1 to 5 p.m.

According to the Executive Director, Janet Gilray, children are inspired to explore history—enthusiastically-- once they're hooked with music and fashion of various times such the Victorian or Steamboat Eras during the Gilded Age.

“Once you get kids to take an active interest, they hold to threads and start to unravel mysteries of the past. Our Legacy Keeper mission is to inspire interest—one song—or one outfit—at a time. We keep it simple, and encourage kids to ‘imagine’ when they ‘dress-up’ or sing Old-Time songs.

Activities for Day of the Legacy Keepers will start with a walking tour of Logan Street led by Hamilton County Historican, David Heighway, departing the north side of the courthouse at 12:30. A town crier, Paul Woods, will announce “Hear ye! Hear ye!” at 1 p.m. for a short round of declarations from the front porch by dignitaries (including Honorable Mayor John Ditslear) launching the outdoor festivities at the Legacy Keeper headquarters (Logan Street Sanctuary). On the walking tour from the Central Square into the Gilded Age district, Heighway will point out and briefly elaborate on the architectural features of the Victorian homes. Plein air painters and front porch ‘pickers’ may be seen and heard along the way.

In celebration of 'Legacy Keepers' Old-Time Music Day, neighbors are encouraged to take part as Porch Sitters during the event and even gather their friends for the Promenade. Use of the imagination is highly encouraged! Dress up in turn-of-the-century Sunday best—top hats, suspenders, lace trimmed blouses, prairie skirt and ‘promenade’ from Central Square & Gilded Age district and help Legacy Keepers recreate a Sunday afternoon street scene typical of the 1860s-1920s. Walkers may even wish to vie for the Old-Timers Best Dressed award! Members of Roots of Life Community (led by Teri Ditslear) will provide light refreshments at the event and at ‘hospitality homes’ along Logan Street between 11th and 14th Street.

Organizers have hopes visitors will park on side streets and same Logan for classic

cars whose owners plan to drive in to the red brick street. Newer models might detour around using Clinton or Connor.

Once walkers arrive at the performing arts venue, outdoor activities at the Logan Street Sanctuary will include old-time music, story-telling, children’s art table, tea party reenactment, and historical American Girl doll display. Game script and benefit raffle tickets will be on sale. Vendors will sell American Girl dolls, clothes, Steampunk fashions and more.

Inside the theater there will be a fashion show. “Steamboat Floozies and Victorian Beauties” features Steampunk and American Girl Doll Fashions for ‘girls of all ages’. Models walk the runway at 2 and 3 p.m. Fashion show benefit tickets are just \$5 with \$3 pre-sale tickets available at Whimzy, 940 Logan St. while they last.

Shade tree pickers start the music at 1:15 p.m. Notable musicians from throughout Hamilton County and Central Indiana will play until the last note is heard at 5 p.m.

# Be still and know He is God (Psalms 46:10)

By LEANN WILSON

We all have storms or trials. I'm not talking about the small rain storm but the type where the black clouds roll endlessly on, and thunder roars and the lightning strikes so close, that the ground beneath our feet feels as if it were about to open and swallow use whole. A squall that shakes us to the core and brings us to our knees. And when the storm has been unpredictable, as it usually is when it involves strife and discord in our interrelationships, we usually do not comprehend the pending disaster until we are squarely in the middle of it. Once the full scope of the possible damage is realized there seems to be a feeling of need, or better put, a drive to do something, any something, to make an effort at curbing the damage. But just as the storm is seemingly unpredictable, so is the effect of our efforts at bridling the results. We contemplate on what we are going to do or say and the scenario we envision is that somehow our deeds will fix it all. But rarely does it play out as we have it pictured in our minds.

In the midst of the storm the first and best action involves only you and God. This is especially true when there is absolutely nothing you can do on your own to change your situation. When there is nothing you can say or do to fix your problem. When all you can do is ride out the storm while the waves are ripping you apart to the point where you physically ache in your gut and heart. Here is where we must have faith to survive. At this point we HAVE to be still and remember, and know, He is God.

In Luke 8:22-25 Jesus and the disciples are crossing the lake in a boat when the bible tells us a “*windstorm came down on the lake, and they were filling with water*”, the disciples fearing they would drown in the midst of the storm cried out to Jesus saying “*Master, Master, we are perishing!*” but Jesus “*arose and rebuked the wind and the raging of the water. And they ceased, and there was a calm*”. And Jesus said to them, “*Where is your faith?*” And they were afraid, and marveled, saying to one another, “*Who can this be? For He commands even the winds and water, and they obey Him!*”

He was there for the disciples and He is here for us! We just need to surrender to

Him in faith for “God *is* our refuge and strength, A very present help in trouble. Therefore we will not fear, Even though the earth be removed, And though the mountains be carried into the midst of the sea; *Though* its waters roar *and* be troubled, *Though* the mountains shake with its swelling. *There is* a river whose streams shall make glad the city of God, The holy *place* of the tabernacle of the Most High. God *is* in the midst of her, she shall not be moved; God shall help her, just at the break of dawn. The nations raged, the kingdoms were moved; He uttered His voice, the earth melted. The LORD of hosts *is* with us” Psalms 46:1-7 (NKJV). How much more will he be with you, and me, in our storms. He has died for us and tells us “**Are not two sparrows sold for a copper coin? And not one of them falls to the ground apart from your Father's will. But the very hairs of your head are all numbered. Do not fear therefore; you are of more value than many sparrows**” Matt 10:29-31 (NKJV). God and His Word are the anchor. When we focus on Him and stay in the Word this is where we find our strength, peace and joy without fail even in the depths of the storm. When the only way to endure is to be still and know He is God, then be still and know He is God! He will let you know what to say or do and when to say or do. Or, maybe He will simply and miraculously calm your storm. Read it, meditate on it and surrender the storm to God in prayer, inviting him to interfere with free will and take charge knowing as it says in Job 9:5-8 “He removes the mountains, and they do not know” “He shakes the earth out of its place, And its pillars tremble” “He commands the sun, and it does not rise; He seals off the stars; He alone spreads out the heavens, And treads on the waves of the sea”

“Cast your burden on the LORD, And He shall sustain you” Psalms 55:22 (NKJV) and “Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus. Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy--meditate on these things. The things which you learned and received and heard and saw in me, these do, and the God of peace will be with you.” Phil 4:6-9 (NKJV)

### Not The Perfect Mom

# Who else

By TAMAR KNOCH

“Who else has held the oceans in His hand?  
Who has measured off the heavens with His fingers?  
Who else knows the weight of the earth or has weighed the mountains and hills on a scale?  
He picks up the whole earth as though it were a grain of sand.” Isaiah 40:12 & 15

And yet He knows YOUR name. (Isaiah 45:3)  
He counts your steps. (Job 31:3)  
He knows the number of hairs on your head. (Luke 12:7)  
He calls you “friend”. (John 15:1-17)  
He calls you Child of God.  
“To all who receive Jesus, who believe in His name, He gives the right to become children of God who are born, not of blood, nor of the will of the flesh, nor of the will of man, but born of God. John 1:12-13  
“See what great love the Father has lavished on us, that we should be called

children of God! And that is what we are!” 1 John 3:1 NIV  
You are His Beloved. (Song of Solomon, the whole thing)  
Who else has held the oceans in His hand... and your hand in His while saying, “Don’t be afraid I’m here to help you.” (Isaiah 41:13)  
Who else has measured off the heavens with His fingers and allowed fingers to touch the nail-holes in His hands? ([John 20:27](#))  
Who else knows the weight of the earth and the heaviness that weighs down your soul?  
Who else has weighed the mountains and hills on a scale AND the molehills you’ve made into mountains in your mind?  
He picks up the whole earth as though it were a grain of sand and yet picks you up and clutches you to His heart like a favored daughter with a skinned knee and a broken heart.  
My dearest Beloveds, our Father who lives in heaven cares for YOU! Take heart Dear One because you are dearly loved by none other than the creator of the heavens and the earth. And while He knows the name of each and every star, He *LOVES* YOU.

# Faith in humanity restored

By AIMEE GEBHART

After feeling so disheartened by all of the negative news a few weeks ago, my faith in humanity has been restored. This renewed faith came in the form of a news story that Ed sent to me yesterday. It was exactly what my heart needed.

The story was about some firefighters in Washington who saved a family of hamsters from a burning mobile home. No people were inside at the time, but when they saw the hamsters suffering from

smoke inhalation, they took them outside and gave them oxygen to try to save them. Luckily, 4 out of 5 lived.

What really tugged at my heartstrings was the photo of the firefighter holding a tiny oxygen tube up to the mouth and nose of an itty bitty baby hamster. Talk about precious. It reminded me that there are still people out there who will take the time to help the helpless, even if that helpless victim is a rodent.

You see, I am firmly convinced that you can judge a person's character based on how they treat animals, and I'm not just talking about dogs and cats. I'm talking about all kinds of animals, even the seemingly yucky ones, like reptiles, rodents, and amphibians.

I knew when Ed and I were first married that he was a good egg when he took \$150 that we *didn't* have to get emergency medical care for my hamster, Bubba. (I came into our marriage with Bubba, and Ed welcomed him with open palms.) One IV and some expensive medicine later, Bubba ended up dying on a pillow on our bed anyway. Not exactly a success story for Bubba, but it gave me a glimpse into the heart of gold of the man that I married.

My grandma Reba, who was born and raised in a holler in West Virginia, was another one of these golden-hearted individuals. When I was visiting her one summer, she took me out to the hill behind the house and uncovered a little nest of baby moles that she had discovered earlier that

morning. Most people I know, especially my West Virginia relatives, would have "disposed" of those little boogers in a nano-second, but not Reba. She covered them back up to hide them from my papaw, and I loved her for that.

I'm sure that this little news story about firefighters saving a family of hamsters probably went unnoticed by many. After all, it wasn't big news that would impact the masses. I am thankful for it, though, because it warmed my heart and revived my faith in the goodness of others. It also serves as an important reminder to us all that the most beautiful acts of service are the ones we do for those who can do nothing for us.

# Soccer sectional preview

Girls Sectional 16:

## Three of state's best will battle

By DON JELLISON  
Reporter Editor

Teams which play girls soccer in Hamilton County, year after year, shouldn't pay much attention to rankings. In Hamilton County rankings are like noses .... everybody has one.

Harper Poiry  
Southeastern

Summer Davidson  
Southeastern

Take the Class 2A, Sectional 16 at Noblesville, for example. In last week's coaches poll (the final poll will be released on Monday), Noblesville was No. 1, Hamilton Southeastern No. 5 and Fishers No. 6.

When the Noblesville Sectional begins on Tuesday, Hamilton Southeastern will face an unranked, but solid, Pendleton Heights team. Fishers and Noblesville will go to war on Thursday.

The final poll likely will be different than last week's rankings, following Southeastern's 1-0 victory over Noblesville during the week. The Lady Millers the previous week defeated then No. 1 Carmel.

Southeastern could make a point of being the favorite in this sectional. The Lady Royals haven't lost since dropping a 1-0 decision to powerhouse Avon back on Sept. 9. Since then HSE has won six matches and tied three. One of those wins was a 1-0 thriller over Fishers. Southeastern is 11-2-3 entering the sectional. Along with the 1-0 loss to Avon, the Lady Royals also lost to Carmel 1-0.

Southeastern coach Greg Davidson said his team likes its draw, although playing on Tuesday doesn't give the Royals the practice time that Anderson, Fishers and Noblesville will get.

"I have seen Pendleton play and they are not a bad team at all. Our girls will not overlook anyone in the state tourney and we will be ready for Tuesday's match," Davidson added.

For Southeastern, Jess Miller (9 goals, 3 assists) and Molly Lear (8 goals, 8 assists) lead the team and are having a great year.

Davidson likes his team's balanced scoring.

"Thirteen different players have scored for us and 12 have assists," Davidson said. "When Sam McKenzie went down with a knee injury in mid-season we lost a big goal

scorer, but we've had other girls step up to fill that void, like Payton Filson, Makaela Walters and Brooke Barnes."

Davidson also likes Southeastern's defense, a defense which has allowed only 10 goals this season. No opponent scored more than two goals in any game.

Claire Graves  
Noblesville

Lorrie Summers  
Noblesville

"Summer Davidson is the defensive midfield specialist in the state, shutting down the opponents' top scorer or top midfielder and has not allowed a goal this season," the coach continued. "Our back line and goal keepers have been very stingy and deserve a lot of praise. Megan Boyd, Aubrey Troeger, Hannah Self, Jayla French and Saanika Kamat have really gelled on the backline. Senior starting goalkeeper Harper Poiry is the best she has ever looked, and backup keeper freshman Megan Meisterhans has pushed Harper to the top of her game and will be a GK to reckon with for the next few years.

Pendleton Heights, as Davidson suggested, will be a worthy opponent for the Lady Royals in the sectional opener. Pendleton will come into the battle with a 12-4-1 record. However, the Lady Arabians have lost three of their last four games, falling to New Castle 2-1, New Palestine 5-0 and Hamilton Heights 1-0.

Pendleton has a pair of scoring machines in Shelby Fort (18 goals) and Emi Church (15) and a sophomore goal keeper, Sam Hammel, who has allowed just 17 goals and has seven shutouts.

The Lady Arabians have not faced any of the other Sectional 16 teams.

Noblesville, of course, can hold its own in any discussion as to a sectional favorite. Coach Mike Brady's Lady Millers are 10-2-3 and they are ranked No. 9 in the nation. Noblesville's only losses have been to St. Ursula Academy out of Cincinnati and the season-ending 1-0 defeat dished out by Southeastern.

The Noblesville-Fishers first-rounders should be something special.

"We played Fishers to a 0-0 draw earlier in the season," Brady said. "At this point, we're both improved, so we'll have to play like we know we're capable of if we are to advance.

### Sectional 16 at Noblesville

Game 1, 6 p.m. Tuesday: Pendleton Heights vs. Hamilton Southeastern

Game 2, 5 p.m. Thursday: Fishers vs. Noblesville

"Once you get into sectionals, you realize it's a single elimination tournament, so we'll have to take it one game at a time. While everyone wants to talk about ours being the sectional of death, with three teams in the Top 6, I just think of it as the first step one has to take to make it to the state championship game. That is our goal," Brady added.

Hanna Hinshaw

Stacy George

The Millers have scored just 27 goals in 15 games. Delaney Riester, a sophomore, leads the team in goals with seven.

Brady has two outstanding goal keepers. Claire Graves has been in net 480 minutes and allowed just four goals and McKenzie Kincaid 240 minutes and has allowed only one goal.

Stringing out sectional championships is not easy considering the high competition. Noblesville has won seven sectionals; Southeastern six and Fishers one.

That sectional the Tigers won came in last year's tournament, and Fishers rode that historic wave all the way to the 2A state championship game, where it lost to Avon. Several of those players are back for the Tigers.

"This year's team is extremely talented," said FHS coach Ben Beasley. "The back line contains several standout defenders with an attacking personality (Stacey George and Hanna Hinshaw)."

Beasley said that senior "Maddie Peebles has been a consistent starter over the years," and that up and coming Tiger star Alyssa Baker "has had the best season of her career as a starting center back."

Fishers has a young center midfield. Freshman Maddie Essick and Gretchen Mills have nevertheless been standouts for the Tigers. Beasley said that sophomore Cam Benscoter has been a "physical presence," along with junior Courtney Hodge. Beasley said another junior, Kennedy Turner, "has been one of our most aggressive attackers in the position."

The main scoring has come from three players that are already Division I commits: Senior Maryna Clark (IUPUI), senior Kylie Hohlt (Xavier) and junior Brady Riley (Purdue).

"They are not to be outdone by super subs Darby Whelan and Julia Calvert," said Beasley. "In the goal Hannah Sullivan has replaced standout Morgan Hammon while Alex Reibel has been an extremely underrated leader."

Girls Sectional 17: Perfect matchup....

Carmel & Guerin Catholic

By DON JELLISON  
Reporter Editor  
It was nice of the IHSAA to schedule a first-round matchup between Carmel and Guerin Catholic in the Class 2A, Sectional 17 at Zionsville.

A couple of schools which, on paper, shouldn't be rivals, are rivals. That rivalry was fired even more when the Lady Greyhounds and Lady Eagles fought to a 0-0 tie this season.

Guerin,” Dixon said. “Both sides were trying to put things together. Each team missed some chances to win the game.

“I would look for another low scoring, defensive type of game that could go to overtime. Both teams have a lot of experienced players, as well as some young talent.”

Dixon said the Greyhounds are “getting better almost every game. We did have a setback at Noblesville, but that is almost to be expected with the strength of our schedule. We not only won our conference, the MIC, but if our record was included in the Hoosier Crossroads we would have tied for first without playing the weakest team in the conference.”

The strength of Carmel has been its defense, allowing only five gals in 16 games.

“Of those five goals,” pointed out Dixon, “only two came on the run of play with the others being a free kick, penalty kick and corner kick.”

Much of the credit for the tight defense goes to junior goalkeeper Celene Funke, a three-sport athlete in soccer, basketball and softball. She was not a soccer goalkeeper before July of this year.

“With great athletic ability, a tremendous work rate and top flight coaching from my assistants Carla Baker, a former Canadian National Team keeper, and Annalise Larkin Ball, a former Carmel and

Carmel is the second-largest school in the state. Guerin Catholic, according to enrollments, should be playing in Class 1A but has elected to step up a notch and play 2A.

Carmel, in last week's poll (there will be a final poll released on Monday) was ranked No. 3 in the state. Guerin Catholic was No. 12.

Also, not to be forgotten in this sectional is that host school. Zionsville is ranked No. 10 and will open against a long-time rival, Lebanon.

Adding a touch to the Carmel-Guerin thing, the two schools are located within a few miles of each other and the two schools draw most of their athletes from the Carmel area.

“I'm sure Westfield will appreciate the rest (Westfield drew a bye) and playing an extra game won't be good for Zionsville,” said Carmel coach Frank Dixon.

Carmel defeated Westfield 3-0 and Zionsville 1-0 during the regular season.

The Lady Greyhounds are 12-1-3, the only loss being a 1-0 thriller to Noblesville late in the season. Carmel also has tied with Fishers, Medina (Ohio) and with Guerin Catholic.

“It was a typical early season game when we tied with

Butler University keeper, Celene has become of the better goalkeepers in Indiana,” said Dixon.

In front of Funke, Carmel has a backline that is just now beginning to get to the level of communication Dixon said his coaching staff is looking for. The group is led by senior captain Ryan Kokoska, a University of California at Santa Barbara recruit, at left back. The two center backs are junior Anna Denkmann, a Missouri recruit, and junior Emma Chambers. The left position is filled by sophomore Emily Roberts. Carmel also has junior Laura Lentz coming off the bench to play either outside position and senior Cassidy Evanson and sophomore Kate Spraetz can also play these positions.

The Carmel midfield is filled with talented players, led by senior captain Amanda Shaw, a Missouri commit, who is the team's co-leading goal scorer. She is assisted in the center by junior Chandler Backes, who is tied with Shaw in goals scored. They are supported by sophomore defensive midfielder Kat Neidlinger.

“We feel our front runners are some of the best players on our team,” Dixon said. “Led by senior Monica Dick, this group is responsible for spreading out the opponent and creating shots. Other key forwards are leading scorer junior Samantha Eastes; junior Macy Miller, an Indiana University commit; freshman Katie Soderstrom and junior Maddie Ellery.

“Finally,” Dixon concluded, we have state champion tennis player and junior

midfielder Emma Love returning from an injury that has not allowed her to play this season.”

Guerin Catholic is 10-4-2 on the year. Guerin is a high-scoring team, notching 65 goals while allowing 17. Top scorers are freshman Cassidy Lindley (22 goals) and sophomore Lauren Rice (19). The top assist leader is Sara Osinski with 12.

“Carmel has been very stingy on defense all season and they have excellent quality on offense, as well,” said Guerin coach Rainford Hunter.

“We had an excellent showing against them in our 0-0 tie this season and we believe we have gotten better since then,” the coach continued. “When we met Carmel we were still sorting out the kinks in a new system of play we had introduced to the girls. We have also made a few adjustments by moving some players around.

“I expect our top two scorers, Lindley and Rice, to make it a busy afternoon for the Carmel defense. We also expect strong

on-field leadership from Osinski, Caroline Ashton, Mal Dillon and Kelly Warne.

“Our defense also will need to play a solid game, and we expect it to run a tight ship in the back.

“All in all,” Hunter concluded, “I believe this is a must-see game for soccer fans. It has all the makings of one of the top matchups in the first round of the state tournament. Unfortunately, a quality team will get sent packing early.”

Not to be overlooked is the bye team, Westfield, which way back in mid-August started its season with a 3-1 win over Guerin Catholic, The Lady Shamrocks are 4-7-3.

Westfield is led in scoring by three Shamrocks, Siera Stuart, Devhan Lockhart and Aubrey Effinger, each with three goals. Sara Foreman is the goal keeper.

No. 10 rated Zionsville has defeated Westfield 1-0; lost to Carmel 1-0, and defeated Guerin Catholic 1-0. The Eagles are 8-4-5 on the season.

Sectional 40: Sheridan could challenge, but...

Heights is a big favorite

By DON JELLISON  
Reporter Editor

Hamilton Heights and Sheridan, a pair of backyard rivals, could end up facing each other this week in the Class 1A, Sectional 40 at Hamilton Heights.

For that to happen the Huskies would need to knock off first-round foe Wapahani and Sheridan would need to handle Tri-Central. Sheridan has beaten Tri-Central 4-1 and 9-0 this season. Wapahani and Hamilton Heights have not met.

Heights also owns a 4-1 win over Sheridan.

“Wapahani is a young program which has not had a necessarily successful season as far as records go,” said Heights coach Travis Kauffman. “But sometimes a program’s growth and success can’t be measured in wins and losses.”

The Lady Huskies, champions of the Mid-Indiana Conference, have been very successful. They are 12-2 and ranked No. 8 in the state’s Class 1A poll. Heights’ only losses have been to Center Grove 5-1 and Westfield 3-0.

“Tipton and Sheridan are both teams which have gotten stronger on the field and in the wins/losses column,” Kauffman looked at the sectional as a whole. “We have quite a rivalry in and out of soccer with both schools.”

Last year, Sheridan and Heights played twice with Heights winning by one goal each time. The Lady Huskies haven’t faced Tipton in a couple of seasons.

Kauffman’s team is led in goals by Abby Hardacre and Amanda Freeman, each with 18. Sierra Welch has 17 goals.

Xanna Sephard is the goal keeper. She has allowed only 11 goals.

“We’ve had a successful year, though with our share of ups and downs and challenges,” said Kauffman. “We started the season with a strong group of seniors and returning veterans. One of our challenges early on was finding a good combination of personnel on defense and getting them to gel as players and styles. We’ve come together wonderfully over the last two weeks, recording shutouts of both Mt. Vernon and Pendleton Heights. Both were huge wins for the team and for the defense. Xanna Shepard has been helpful in communicating and helping guide the defense from the back.

“Sweeper Hannah Cochran and stopper Bri Henson have worked very well together lately. Gracie Long and Lauren Stim are a sophomore/freshman pair that has worked themselves into important roles.

“Our midfield and forwards,” Kauffman continued, “were definitely a strength at the beginning of the year. Led by Amanda Freeman in the middle our offense seeks to control and posses the ball, making runs to create shots.

“Our midfielders have developed well this year, particularly the play of senior Ashlee Herrington. Mariah Hooper, Micah

Sheridan’s Katie Hybarger (left) and Hamilton Heights’ Audrie Catron have both been part of their respective teams’ success over the season. Both teams begin Sectional 40 play on Tuesday, with the Huskies hosting Wapahani and the Blackhawks facing Tri-Central.

Kunzer and Madison Brickett have all learned new roles this season.

“Abby Hardacre and Sierra Welch have been productive up front.

“The team has had extremely high expectations this post-season and we’re excited as we try to meet those expectations,” Kauffman added.

Sheridan, 9-4-2 on the year, has been a hot team down the stretch. The Lady Blackhawks opened the season with four straight losses, but haven’t lost since.

The Blackhawks closed their regular season with a 3-3 tie against Tipton.

The losses to begin the season were to Pendleton Heights, Rossville, Lebanon and Hamilton Heights.

Class 1A, Sectional 42...

University already has advanced

By DON JELLISON  
Reporter Editor

It’s a tough tourney to win, the Class 1A, sectional 42 at Heritage Christian. It’s an eight-team field, a field which includes No. 2 ranked Heritage Christian.

But, University’s Trailblazers already are headed the right direction. They advanced from the first round after Lutheran withdrew from the tourney. Next up will be either Broad Ripple of International. University has defeated Broad Ripple, 14-0 and International, 2-1, during the regular season.

University would not have to face Heritage Christian until the championship game. Heritage Christian defeated University, 8-0 back on Sept.20.

The Trailblazers will bring a 3-9-1 record into the tourney.

“We have a young team full of heart,” said University coach Maddy MacAllister.

Two seniors, Mackenzie Waugh and Lizzie Berry, are injured and may not play in the sectional.

“I am excited for our young talent to play and help lead our team,” MacAllister continued.

“Junior Lilly Snodgrass has become a goal scorer.. She will be essential in our team going on in the tournament.

“Seniors Emma Troughton and Monica Chavan are huge leaders on and off the field,” the coach added.

“Senior Lauren Ciulla, junior Maggie Richards and freshman Shelby Wood are

like rocks in the back. One of our goalies, junior Lexie Schulte, comes up big in big games.

“I am excited for the potential success of the rest of our seniors, Anja Djupseland, Amelia Eskenazi and Reilly Small,” MacAllister said.

Sectional 16, Boys: 2 ranked teams...

Will it be a Mudsock finale?

By DON JELLISON

If the polls are correct, Class 1A, Sectional 16 of the boys soccer tourney could turn into another one of those Mudsock battles.

Aven Bufkin  
Fishers

Justin Brooks  
Fishers

The Tigers, 9-2-4 on the season, slipped past Noblesville, 3-2, early in the season

“We can take nothing for granted,” said Fishers coach Robert Pels about Noblesville.

Austin Vermillion  
Southeastern

Stephen Bartholomew  
Southeastern

Even though having to play just one game, Fishers may have the tougher route of the two Mudsock teams.

“I don’t think any team has a clear advantage; there is so much talent here. The team that can play the hardest and stay

“After getting up early in that game, Noblesville surged late to score two quick goals and pushed for a third later on.

“As Noblesville’s results show, they are a quality team that has kept itself in games against quality opponents and they got a great win over Southeastern earlier this week.

“We know,” Pels continued, “we need to reproduce our intensity and offensive efforts again to beat this Noblesville team.

“Southeastern enjoys the advantage of home field at the sectional. Pendleton Heights also has had an excellent season, dominating their conference and getting good results against competition outside the conference.

technically sound will become champs,” Pels added.

Fishers’ only losses have been to Brownsburg 2-1 and Avon 4-2.

Fishers and Southeastern battled to a scoreless tie when they met during the regular season.

The Tigers are led in goals by Justin Brooks with seven, Keenan Kadam with six, and Aven Bufkin has five.

“We finished fourth in the conference, which was below our expectation, but a couple of tough losses determined this outcome,” said Pels.

“Our defense has been strong, led by senior Trey Floyd and junior Cam Brand

“We’ve performed well on the road (5 wins, 1 loss and 2 ties), and we can hope to continue that trend as we have potentially two games at HSE, where I don’t suspect we will get much support from their fans.”

Noblesville has a 4-8-2 record. One of the highlights of that record was a 3-0 victory over Southeastern earlier this week.

The Millers have balanced scoring. Evan Blisitt and Shane Koppold each have scored five goals and Jack Scott has four.

Two Miller goal keepers, Peyton Mathis and Riley Roudebush, combined have given up just 18 goals.

Southeastern will take a 5-7-4 record into the Anderson game. The Royals did not face the Indians this season but did beat Pendleton Heights in a 3-0 season opener.

Stephen Bartholomew and Austin Vermillion lead HSE in goals with four each.

Anderson has a 5-6-1 record. The only team in this sectional in which the Indians have played is Pendleton Heights. Anderson lost that battle 3-2.

goals. Jesse Devaney, another senior, is leading Westfield in scoring with four goals.

Westfield’s only losses have been to Brebeuf, Columbus North and Fishers.

Carmel and Zionsville squared off during the regular season and Zionsville won that battle 2-1.

Zionsville is 11-1-3 on the season. The Eagles have lost to Brebeuf, 1-0 and they’ve tied Fishers, Westfield and Brownsburg.

Zionsville has two brothers who make it extremely rough on opponents. Senior Max Warr is the goal keeper. In 14 games, he has allowed just three goals. Thomas Warr, a sophomore, is the leading scorer with 23 goals.

Carmel will bring an 11-4-1 record into the sectional. The Greyhounds have lost to Center Grove, Zionsville, Brebeuf and Columbus North and have tied Homestead.

Westfield defender Connor Genatempo (left) and Noblesville forward Jack Scott are part of teams that will compete in tough sectionals this week. The Shamrocks play in the Lebanon sectional, the Millers travel to Hamilton Southeastern.

Carmel has a pair of scoring Greyhounds in Jake Heckenberb with 10 goals and Evan Shaw with eight.

Class 1A, Sectional 46 at Sheridan:

# Heights, Burris in early test

Arguably, the best two teams in Class 1A, Sectional 46 are playing each other in the first round of the tourney at Sheridan, Hamilton Heights and Muncie Burris.

Arguable, the best of the two is Muncie Burris, even though Hamilton Heights is ranked No. 19 and Burris No. 21 in the most recent coaches poll

Burris is 13-0-1. The tie was a 0-0 slugout with Pendleton Heights. One of Burris' victories was a 3-1 decision over Hamilton Heights.

"The big down fall for Heights and Muncie Burris," said Heights coach Derrick Dean, "is that the game will be extremely physical

and intense as both teams are looking to advance. The team which comes out strong the first 10-15 minutes will probably win the game

"Burris beat us earlier in the year and I know my guys are looking forward to redeeming themselves," Dean added.

Hamilton Heights is 11-5 with losses to Burris, McCutcheon, Eastern, Northwestern and New Castle.

"We are playing real well with several guys contributing to the team," Dean continued. "We are getting guys healthy again who have been injured over the past few weeks. They are not 100 percent, but they are better than they were. Those guys are captain Cameron O'Malia, Derek Thorpe, Collin Luckey and Sam Stallsmith.

"O'Malia and Thorpe are doing a tremendous job in the center defensive positions. On the outside, defensive wings are Justin Rosenthal, who is coming off

playing his best two games of the season, and on the other side is Drake House or Jamie Stonebraker. Solidifying our back is Colin Kaurich, who has played every game and minute this season in goal.

"Josiah Hardacre and Luckey are doing a great job contesting and controlling the center of the field. On the outside mid-wings are Kyle Dankert and captain Dane Candler, who can run all day and are very physical but clean players.

"In our striker positions are Roy Noller and Stallsmith. They both have good ball skills and Stallsmith has had great luck finding the back of the net this season.

## Sectional 47 boys: University ranked No. 20

# Guerin set to defend crown

By DON JELLISON  
Reporter Editor

Hamilton County has two private schools playing in the IHSAA's Class 1A soccer tourney. Both are playing in sectional 47 at Guerin Catholic. Both are ranked in the polls.

Guerin Catholic, the defending state champion, is ranked No. 1. University is ranked No 20

A third team ranked in this sectional is No. 13 Park Tudor, which will open up against University.

Guerin will enter the post-season with a 14-2 record, beaten only by Lawrence North 2-1 and by Zionsville 4-3.

"This is the most difficult schedule we have ever played," said Guerin coach John Cech. "We've had games against top ranked 2A teams Brebeuf, Brownsburg, Cathedral, Avon, Zionsville and Hamilton Southeastern."

The sectional is tough, too, with three ranked teams.

"I can't think of another sectional that has three ranked teams," said Cech.

"Not only have we performed well on the field, but also in the classroom," Cech said. "The thing I am most proud of is the varsity cumulative grade point average of 3.75."

The Golden Eagles will open sectional action against Broad Ripple.

"As a team we know what the expectations are for us," Cech continued. "However, our focus is on the process that allows us to put ourselves into a position to achieve success. In tournament play anything can happen. That is what makes one-and-done so exciting, the element that allows one bounce of the ball to change the whole complexion of a game."

Guerin has been ranked No. 1 in 1A since Aug. 20, 2012.

"The team is filled with veteran players. The three-year varsity seniors are David Torres, Jacob Cloran and Zach Garvey, who along with four-year senior David Hinkebein, Luke Bestard and Andrew Kaskie make us an especially mature soccer team," said Cech. Both Hinkebein and Kaskie have started every game the Golden Eagles have played the last four years."

Photo by Edward Villacorta

Andrew Kaskie has started every game for the Guerin Catholic boys soccer team over the past four years. The Golden Eagles will host sectionals this week.

University is the smallest school in Hamilton County but with a strong soccer program led by Coach Wes Priest.

"We play Park Tudor in the first round," Priest talked about the tourney. "They beat us 1-0 earlier in the season. I'm sure it will be another competitive game. Whoever wins will most likely play Guerin in the sectional final, and they are hands down the best team in the state in both the small school and big school divisions. If we can make it to the finals, we'll have our work cut out for us.

"Our team has really improved this season," Priest continued. "We ended the regular season 10-4 and two of those losses came to No. 1 Guerin and No. 2 Tri-West.

"Senior goal keeper Zach Duncan is outstanding for us, as are senior captains Danny Sanders and Jae Tanner. Senior Isaac Mervis anchored our defense," Priest said.

Playing the second half on Saturday...

## Golden Eagles complete upset of Brebeuf

The lights went out at Guerin Catholic's Eagles Nest Friday night, which caused the second half of the Golden Eagles' football game with Brebeuf Jesuit to be played on Saturday afternoon.

Guerin played well Friday, and played just as well Saturday, finishing what it started to the tune of a 25-3 victory over the Class 3A No. 3 Braves. The Golden Eagles are now 5-2 for the season, having won their last four games.

Guerin Catholic led 14-0 at halftime after touchdowns by Evan Hansen and Matt Labus, and extra point kicks by Caleb Quick. When play resumed Saturday, Quick got the first points of the day with a 33-yard field goal.

Arion Shinaver

Johnny Swidan

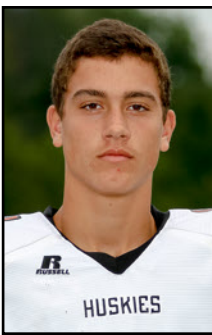

Brebeuf kicked a field goal of its own in the fourth quarter, but those were the only points it got. The Golden Eagles capped off their victory with a big 64-yard pass from Labus to Brian Matthews. Just for good measure, Labus made a two-point run.

Matthews caught five of Labus' eight catches, gaining 126 yards. Labus finished the game 8-of-18 for 167 yards. On the rushing side, Hansen carried 15 times for 57 yards.

Guerin has a huge game next Friday, playing 4A No. 3 Bishop Chatard at Lawrence Central.

Girls golf state finals...

County teams all place in top six

By RICHIE HALL  
Reporter Sports Editor  
New course, same old state finals weather.

The best girls golf teams in the state finished the first-ever state finals at Carmel's Prairie View Golf Club on Saturday, but had to deal with chilly, windy conditions. Nevertheless, Hamilton County's qualifying teams all made an impact.

Hamilton Southeastern led the way, finishing in third place for its best result since winning back-to-back titles in 2010-11. Carmel, the defending state champion, placed a respectable fourth. And Westfield, making its first-ever appearance at state, finished sixth and served notice that the Shamrocks will be coming back here for a while.

Evansville North, which had been shooting incredible scores to win sectional and regional crowns, backed up their post-season play by winning the state title, its first ever in girls golf. North finished with a two-day score of 646, with perennial state qualifier Martinsville the runner-up with a 652.

The Royals were next, scoring 659. The wind and the cold weren't going to allow for low scores at this year's tournament, but everyone did the best they could.

"It was awfully hard, but it was hard for everybody, for sure," said HSE coach Steve Guenin. "Martinsville and Evansville played really, really well, and we played okay."

Marissa Holliday was the Royals' low woman, with a two-day total of 161. Everyone else wasn't far behind: Kat Leighty continued her solid post-season play with a 163, Ciara McAree battled to a 166 and Phoebe Cha scored 169.

"We are really excited for Marissa now," said Guenin. "She held it together. She did a really nice job. She made some big putts at the end."

McAree was named to the All-State team following the conclusion of the meet.

"I worked really hard over the summer, but I wasn't sure if it was going to be enough," said McAree. "After I shot 73 at our first tournament and then I went 74 and

then so on, I had a feeling that I had a chance. It was really exciting."

Carmel had an All-State player: Alyssa Cook, who has been a familiar name for Greyhound golf fans over the past four years. Cook finished fifth in the individual standings with her 153.

"It definitely played really hard," said Cook. "The conditions were really difficult, especially with the wind. That played really hard. But I think my team played really well and I'm just glad with how we finished. And it's my senior year, I can't believe it's over."

Cook will attend Ball State University next fall to continue her golf career. Another

Carmel senior, Maggie Rees, carded a 157. Cook and Rees were big parts of the Greyhounds' state championship run last year. Carmel scored a 664 overall.

"Very proud of Maggie and Alyssa playing the way they did," said Carmel coach Ken Kelly. "We had a great season overall. We all along proved that we were a top five team."

Then there's Westfield. The Shamrocks' three freshman all had solid days in their first state meet, but none more so than Cailyn Henderson, who tied for individual runner-up honors.

Henderson and Martinsville's Claire Cameron each finished with 151's, which is seven-over par for the tournament. The individual medalist was Bloomington South's Cherise Otter, who ran away with the meet by shooting an even-par 144.

Henderson called her experience "awesome."

"I just went out there and played and I had just a really fun time with all the girls," said Henderson, who was also named to the All-State team.

The Shamrocks finished with a 697. Neu called Henderson's performance "fantastic," and had some good words to say about his lone senior, too.

"I thought Kaylee Purcell had a really good day," said Neu. "She had just really two or three

holes that really made her score what it was. I think all the players really battled pretty well."

Guerin Catholic's Marissa Singer played as an individual, finishing with a 168.

HSE’s Sraders, Nichwitz take individual races...

## Royal boys win HCC race, girls are runners-up

The Hamilton Southeastern boys cross country team won the Hoosier Crossroads Conference meet Saturday at Noblesville's White River Elementary course.

The Royals with 47 points, led by race winner Matt Sraders, who clocked in at 15:43.38. Southeastern had three other runners finish in the top 11: Gabe Fendel was ninth, Bryce Barnett 10th and Kyle Sams 11th.

Fishers placed a strong third, with Nick Butler fifth individually and Trevor Thompson eighth. Westfield was fourth, but had the individual runner-up in Sam Henthorn, in addition to a sixth-place finish from Aaron Bennett. Noblesville took seventh; Eric Hoffman was 19th for the Millers.

In the girls race, HSE was second to a dominant Avon team. The Royals did get the individual winner, as Rachel Nichwitz cruised home in a time of 18:15.17. Courtney Pfanstiel placed fourth.

Noblesville took fourth as a team, with Abby Crouch placing eighth individually and Abigail Little 10th. Fishers was fifth; Corinne O'Leary led the Tigers by taking 17th. Westfield was seventh, with Gabby Dilick placing 22nd individually.
