The County Line

Book tells history of Carmel Dad's Club

By FRED SWIFT

I don't usually try to do book reviews, but a new local publication by longtime Carmel residents Dan Chapman and Pam Shepherd Otten struck me as being of particular interest.

The two authors collaborated in writing a history of the Carmel Dad's Club, probably the premier community youth athletic organization in the nation. The writers credit former Carmel football coach Dick Nyers with being the sparkplug that got the Dad's Club started in 1958.

While the theory around Hamilton County is that Carmel is a perennial power in most high school sports be-

cause it has kept one high school instead of splitting into two, the authors build the case that it is the feeder system provided by the Dad's Club that has made Carmel a state championship contender in many sports every year.

The club which sponsors teams in numerous sports now has a fulltime staff, its own expansive facilities and 11,000 youngsters enrolled in its vast sports program. And, the book covers a lot of history of both the community and the club. Names like Eric Clark, Forrest Stoops, Dale Graham, Tom Irvin, and John Hensel are familiar to many longtime county residents. A foreword is written by Mike Howard.

The history stresses that all the founders and supporters of the organization were volunteers who truly pitched in to offer their various talents in the belief the organization could make a stronger community both in youth sports and education.

While the book does not credit the Dad's Club with formation of similar organizations in the area, it is probably no coincidence that the Noblesville Grinders youth sports program and others in central Indiana came along soon after the Carmel Pups took the field in the 1960s.

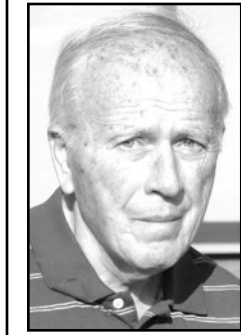

Former coach Nyers attended a book-signing Sunday afternoon where several hundred folks circulated through the Carmel VFW to pick up a copy of the book and pay their respects to Nyers who now at age 80 is one of the last surviving members of the Dad's Club founders.

Officially titled 'A Town of Champions' this short but concise history offers a nostalgic look at the people whose organization's years of success helped create a great sports program.

Congratulations on new contract

By DON JELLISON
Reporter Editor

Congratulations, and thanks, should go out to Noblesville Schools and the Noblesville Teachers Forum for their very professionally handled teachers contract negotiations for the 2014-15 school year.

The agreement between Noblesville School and its teachers was announced at a board workshop on Tuesday evening.

Although we've been told that it took long hours and many sessions for the Schools and teachers to reach an agreement, the negotiations were kept quiet from the community and conducted in a professional way.

No "cat fight," the type of which we see far too often from our schools and teachers.

No much leaked out during these talks, which is the way it should be. It's the way communities like to see their schools and teachers reach agreements, and reach agreements in a timely manner.

It is the job of the press to report to its readers, and that's what the Hamilton County Reporter did. When we learned that teachers were voting, the Reporter was the first newspaper to break that news.

Teachers' morale has been running low, not just in Noblesville but throughout Indiana since the State three years ago changed procedures of how teachers should be paid. No longer is teachers' pay based on years of service, but instead based on evaluations.

This still will be the situation but, from what we've told, Noblesville has changed that a little by bringing back a salary scale for the teachers.

Republicans make campaign stop Tuesday at Judicial Center

Republican Party officials are trying to encourage early voting, and will emphasize their initiative on Tuesday morning, Oct. 14 when their statewide candidates make a campaign bus stop at the Judicial Center.

A bus carrying statewide candidates, led by Secretary of State Connie Lawson, will be at the main entrance of the Judicial Center at 9:30 a.m. to rally local supporters.

The intent is to then have those present go into the building and cast their ballots ahead of next month's election. So-called early voting is now permitted in Indiana for anyone who wishes to do so.

Exciting day in soccer

Reporter photo by Richie Hall

There has plenty of excitement in the soccer sectionals so far, and Fishers fans had reason to celebrate after the Tigers boys team made a big comeback in Wednesday's sectional semi-final at Hamilton Southeastern. Both boys and girls teams are playing in sectionals throughout Central Indiana this week. To see if your favorite team won, turn to the Reporter's sports section, Page 5.

Robert (Bob) S. Hill

December 24, 1932 - October 8, 2014

Robert (Bob) S. Hill, 81, a resident of Fishers, IN, passed away October 8, 2014. Bob was born to Sgt. Cecil J. Hill and Hallie B. Hill on December 24, 1932, at Fort Benjamin Harrison in Indianapolis, IN.

Having lived in various states due to his father's military career, Bob graduated from Arsenal Technical High School in 1950. Bob married Carolyn Cook December 18, 1955 in Indianapolis. He earned a Bachelor of Architecture degree from the University of Cincinnati in 1956. Upon graduation, he served as a lieutenant in the U.S. Army guided missile program at Fort Bliss, Texas. After returning to civilian life in 1959, Bob obtained his professional license to practice architecture later that year. Bob retired from active practice in May 2003 from Gibraltar Design, Architects and Engineers. Prior to that he was a partner at Everett I. Brown Company for 43 years. Bob was involved in the design and construction of various elementary and secondary education projects throughout Indiana and Illinois.

Surviving are his wife, Carolyn; and 2 children, Jeffery (Joani Wilson) Hill of Wilmington, NC and Kristine (Joseph) Myetich of Fishers, IN. Preceding Bob in death was son, Gregory (Janis) Hill. Bob is also survived by brother, Cecil (Margarita) Hill, Jr.; sister, Barbara (Lowell) McGahey; 5 grandchildren, Ryan Burns, Evan Hill, Kaitlyn Myetich, Allison Myetich, and Jessica Hill; and 2 great-grandchildren. Bob was a great family man and dearly loved his family.

A private family memorial is planned.

We've been told that the Noblesville teachers are happy with that and that bringing back the scale was a key issue in the negotiations. We've been told that the new process will help retain good Noblesville teachers.

It's nice for the community to know that in Noblesville we have a School System and a Teachers Forum which can agree to make things even better for our young people.

A trust from the community comes at a good time with another referendum just around the corner in 2016.

Educational scholarship to winner...

Riverview Health Foundation accepting Healing Ceiling applicants

Riverview Health Foundation and its Youth Board members from A Chance to Serve Program are accepting applications for the 9th Annual Healing Ceiling Art Scholarship Competition. The winner will receive a \$1,000 educational scholarship provided by the Noblesville Cultural Arts Commission and Psi Iota XI Sorority.

The Healing Ceiling project came about when Linda Wheat, artist and cancer survivor, discovered that during her treatments for cancer, visualizing nature and beauty encouraged her to hope. She developed the idea of transforming the cold, clinical tiles into a portrait of the sky in effort to help other patients endure the uncertainty they experience.

To enter, all applicants must:

Be a graduating senior at a Hamilton County high school.

Complete and submit their application form by Friday, Oct. 31, 2014.

Enclose a copy of a recent piece of original artwork (please note that this year, only paintings are being accepted).

For more information on how to apply and submit your artwork, visit riverview.org/foundation and download the application.

Highway Department meeting Oct. 23

On Thursday, Oct. 23, Hamilton County Highway Department will hold a public information meeting for the replacement of Small Structure # 32028 & 32059 (256th Street & Cal Carson Road / Taylor Creek).

The meeting will be held at Hamilton County Government & Judicial Center, 1 N. 8th St., Noblesville, at 7:30 p.m. The purpose of the meeting is to publicly discuss and afford all interested persons an opportunity to comment and ask questions on the proposed design of the project.

Please direct all questions to Faraz Khan, (317) 773-7770.

Schremp headlines National Seafood Month

October is National Seafood Month, and Indianapolis is kicking off a nationwide effort to get Americans to eat more seafood with a special month-long series of events focusing on the health benefits of a diet rich in seafood.

Former Indiana Pacers All-Star Detlef Schrempf will appear at Friday's kickoff news conference at the Indianapolis City Market, Upstairs North Mezzanine, 222 E. Market St., along with other leaders of the Seafood Nutrition Partnership, which is promoting its healthy message during National Seafood Month.

The Seafood Nutrition Partnership outreach effort is debuting in just two cities, Indianapolis and Memphis. It will broaden its reach to more locations in 2015 and beyond.

The news conference begins at 10 a.m. Free samples of seafood will be shared with audience members. Schrempf will also appear at the Pacers preseason game against the Orlando Magic Friday night and sign autographs in the Main Concourse of Bankers Life Fieldhouse at half-time.

He will be joined at the news conference by Linda Cornish, executive director of the Seafood Nutrition Partnership, Dr. Tom Brenna of Cornell University, one of the nation's leading nutrition scientists, and members of a central Indiana coalition of health advocacy groups, restaurateurs, food retailers and concerned citizens. Other speakers include Winnie Ballard, First Lady of Indianapolis and Wendy King, Executive Director, Vice President of Development at American Heart Association, Indianapolis.

The local coalition has organized a series of events throughout October to encourage Hoosiers to eat more seafood, whether they buy it themselves at market or dine out. These include "Fish is the Dish," an Oct. 17 event hosted by local restaurants offering special seafood items, free Omega-3 screenings, health fairs, live cooking demonstrations, a chef competition at The Chef's Academy on Oct. 24 and more.

For more information on the health benefits of seafood or the Seafood Nutrition Partnership, visit their Web site at www.seafoodnutrition.org.

Skjodt-Barrett expands U.S. headquarters in Lebanon

Press Release

Governor Mike Pence joined executives from Skjodt-Barrett Foods, a 29-year-old Canadian specialty food manufacturer, in Ontario today to announce the company's plans to expand its U.S. headquarters in Lebanon, Indiana, creating up to 97 new jobs by 2017.

"Job creation in Indiana is on the rise. From Japan and Germany to the United Kingdom and Canada, companies from around the world are discovering the Hoosier State's pro-growth business climate is key to their success," said Pence. "While meeting with Skjodt-Barrett's leadership today in Toronto, they explained how their growing team continues to thrive here in Indiana, a state that works."

Skjodt-Barrett, which makes baby food, children's fruit snacks, smoothies, sauces and marinades as well as caramel and fruit fillings, will invest \$43.9 million to install new equipment and technologies at its 55-acre campus in the Lebanon Industrial Park. The expansion will house new high speed, high efficiency operating lines, patent-pending technologies, as well as advanced aseptic manufacturing processes unique to North America.

"Indiana has a very favorable business climate, which includes support for continued employee education and training," said Mike Brannan, general manager of Skjodt-Barrett's U.S. operations. "The ability to rely on support

from the state of Indiana contributes to Skjodt-Barrett's ability to invest in cutting-edge technologies and expansion opportunities. All of this coupled with the state's convenient location within one day's drive of 80 percent of the U.S. population made the choice to invest in Indiana easy." Having opened in November 2011, the Lebanon facility is Skjodt-Barrett's only location outside of Canada. The company employs more than 500 associates, including 325 Hoosiers, in manufacturing sites in both Canada and the United States. Skjodt-Barrett has already begun hiring additional engineering, administration, machine operators, quality control professionals, skilled equipment mechanics and production line employees in Lebanon.

Skjodt-Barrett's U.S. headquarters manufactures baby food and fruit purees in spouted pouches, distributing its products across North America. After a tornado hit the Lebanon facility in November 2013 and caused more than \$18,000,000 in damages, Skjodt-Barrett's plant was operational again in only 21 days. Skjodt-Barrett largely attributes the rapid recovery to its talented and hardworking Hoosier workforce.

"Skjodt-Barrett Foods has become an essential part of the fabric of Lebanon. Skjodt-Barrett provides good jobs, and gives back to the community," said Lebanon Mayor Huck Lewis. "The fact that the company has chosen Leba-

non as the place to expand its operation, bringing new technology to North America with it, is outstanding. Skjodt-Barrett's decision to expand here marks a great day for the future of Lebanon."

The Indiana Economic Development Corporation offered Skjodt-Barrett Contract Packaging LLC up to \$550,000 in conditional tax credits and up to \$102,000 in training grants based on the company's job creation plans. These tax credits are performance-based, meaning until Hoosiers are hired, the company is not eligible to claim incentives. The city of Lebanon will consider additional property tax abatement at the request of the Boone County Economic Development Corporation.

On Wednesday, Pence led a one-day economic development and jobs mission to Toronto, sharing Indiana's story as a state that works with Canadian business and government officials. Canada is Indiana's largest export partner, with the state exporting \$11.8 billion in Hoosier-built products to Canada in 2013. Indiana sells more goods to Canada than to the state's next six largest foreign markets combined.

More information about the governor's job-hunting trip can be found at www.in.gov/gov/Canada2014.htm.

Indiana Sports Corp creates Exchange

As part of Indiana Sports Corp's strategic plan, the not-for-profit organization and the country's leading sports commission has worked with several partners to create the Indiana Sports Corp Exchange. This is an online tool that connects youth-serving organizations with Indiana companies and individuals who have sports equipment, volunteer hours, facilities, and other resources to donate.

"We are extremely proud of the impact Indiana Sports Corp has on Indiana youth through our existing programs," said Allison Melangton, Indiana Sports Corp President. "We continue to hear from youth-serving organizations that their needs will only increase. We also hear every day from individuals and companies who want to help. For years, Indiana Sports Corp has personally facilitated these connection points. We have realized that creating a tool such as the Exchange will allow these connections to take place in a more efficient manner. Our goal is for resources to find youth-serving organizations in every corner of our great state and the Exchange will greatly enhance the reach and the impact of this very important part of the Indiana Sports Corp mission."

Visit exchange.indianasportscorp.org to watch the video, learn more about the Exchange and register yourself or your organization. People and organizations can list sports equipment, facilities, op-

portunities, volunteers, or browse existing needs. Any approved youth-serving, not-for-profit organization can post areas of need or seek out available resources from supporter profiles.

In 2014, Indiana Sports Corp has impacted nearly 100,000 Indiana youth through its Geared For Health: Sports Equipment for Kids and Susan Williams CHAMPS Grant Programs, as well as programs and clinics around events such as the Big Ten Football Championship Game, NCAA Swimming and Diving Championships, NCAA Rowing Championships, and others.

Indiana Sports Corp's mission is to create positive impact by hosting world-class sporting events that enhance vibrancy in the community, build civic pride, drive economic impact and media exposure, and encourage opportunities for youth. A not-for-profit organization, Indiana Sports Corp was founded in 1979 as the nation's first sports commission. Our recent and upcoming schedule of events includes NCAA Men's and Women's Final Fours, Super Bowl XLVI in 2012, Big Ten Football Championship Games through 2021, Big Ten Basketball Tournaments, 2015 P&G Gymnastics Championships, 2016 U.S. Olympic Team Trials - Diving, and much more. For more information, visit www.IndianaSportsCorp.org. Follow on Twitter at @IndSportsCorp.

SR 32 overnight stoppages begin Oct. 13
Starting at 7 p.m. on Monday, Oct. 13, crews plan to begin setting bridge beams for the new US 31/SR 32 interchange. Temporary stoppages of up to 20 minutes are expected west of US 31 to Wheeler Road while crews set these beams. These restrictions are expected to repeat nightly between 7 p.m. and 7 a.m. through Saturday, Oct. 18. Signage will be in place along SR 32 this week to notify motorists of the upcoming overnight work.

Allied Solutions expanding, hosting job fair Oct. 16, 23

Allied Solutions, with headquarters in Carmel, Indiana, is one of the largest providers of insurance, lending, and marketing products to financial institutions. Allied is excited to report they are experiencing record growth and are looking for more people to join their team.

Allied Solutions is hosting a customer service job fair at their Carmel headquarters (1320 City Center Drive, Suite 300) on October 16th from 8:00 a.m. - 12:00 p.m. and October 23rd from 2:00 p.m. - 6:00 p.m. High school diploma or GED required; data entry experience required. Interviews will be conducted on site by appointment only and same-day offers will be made for selected applicants. Questions and resumes can be directed to AlliedHR@AlliedSolutions.net.

Financially, the company is approaching \$1 billion in annual sales and has had added over 100 positions in the last 12 months and there's room for more. Current plans are to hire for 60 open positions, with 50 of them based in Carmel. Current projections for additional job openings through the end of the year puts the company on pace for a projected headcount of close to 1,000 employees nationwide. The new job openings range from customer service to insurance and claims processing and product marketing. A full list of open positions can be found online at www.alliedsolutions.net/careers.

Allied Solutions recently won an Innovation Award from NAFCU Services Corporation (NSC). This competition highlights innovations that help credit unions thrive in an increasingly saturated financial services market. More information is available at www.nafcu.org/allied

Company President Pete Hilger attributes their success to its employees. "We have the best people in the business, hands down. Our service focused philosophy is what this company was built on and how we have been able to earn the business of more than 4,000 financial institutions nationwide. We have great products and services, but it's really our people who make the difference. We are excited to be part of a thriving economy here in Carmel and help do our part in the local community and across the country where our other offices are located."

Between the company's headquarters in Carmel, regional offices throughout the country and its service center operations in Dakota Dunes, South Dakota and Plano, Texas, Allied Solutions currently employs 900 people.

"I'm very pleased to see the growth at Allied Solutions, which I believe is one of Carmel's corporate success stories. Their success is a testament to the excellent work they do for their many customers. We warmly welcome their new employees and look forward to watching the company continue to grow in Carmel," said Jim Brainard, Mayor of Carmel.

Noblesville quarterback Luke Melloh (far left), running back Hayden Stinnett and offensive lineman Jacob Reks have all been playing well for the Millers. Noblesville travels to Brownsburg this Friday.

Can the Millers slow Toks?

NHS needs a win at Brownsburg

By DON JELLISON
Reporter Editor

Opposing coaches like to talk about teams with losing record as “being better than their record.”

In Brownsburg’s situation, that’s true. Very true, considering the talent the Bulldogs have on the field.

Brownsburg, a 3-4 team, will host Noblesville, 4-3, in a Hoosier Crossroads Conference game this Friday at Brownsburg.

“Brownsburg has played some great football this season,” agreed Noblesville coach Lance Scheib. “They are dangerous and can beat anyone, as they proved when they beat Avon.”

Brownsburg is the only HCC team to defeat Avon this season. The Bulldogs did it in convincing fashion, 27-7, back on Sept. 12 at Brownsburg.

Brownsburg’s other two wins have been outside the conference, 34-27 over Franklin and 28-14 over Lawrence North. Inside the conference, the Bulldogs have lost to Fishers 49-14, Westfield 35-21 and Zionsville 16-3. They also have lost a non-conference game to Pike, 59-19.

“They have one of the most explosive backs in the state (Toks Akinribade) and their quarterback, Hunter Johnson, is ranked as the No. 1 sophomore QB in the country,” Scheib said.

Noblesville Probable Starting Lineups	
Offense	Defense
OT: Brandon Knight, Sr., 265	T: Jake Hornsby, Sr., 200
OG: Jacob Reks, Sr., 255	E: Nick Santos, Sr., 200
C: Dustin Aitken, Sr., 260	E: Sonu Dhillon, Sr., 180
OG: Jeffrey Musselman, Jr. 250	LB: Donavan Lynch, Sr., 205
OT: Eric Ferguson, Jr., 290	LB: Austin Ginther, Sr., 205
FB: Aidan Jarvis. Sr., 210	LB: Hank Davis, Jr., 175
WR: Joey Herron, Sr., 165	LB: AJ Anderson, Sr., 155
WR: Brian McLean, Sr., 170	LB: David Cory, Sr., 190
TE: Joey Brewer, Sr., 255	DB: Josh Gentry, Sr., 170
TB: Hayden Stinnett, Sr., 175	DB: Jake Owens, Sr., 160
QB: Luke Melloh, Jr. 190	DB: Zack Niezer, Sr., 175

Akinribade is the leading rusher in the conference with 1,162 yards in 162 carries. He has rushed for a dozen touchdowns.

Johnson is 84-of-145 slinging the pigskin, good for 1,007 yards and seven touchdowns. He has been intercepted six times.

“Brownsburg is an attacking defense, and we will need to be aware of where they can bring pressure,” Scheib said.

The coach said in order for the Millers to win they will: 1, need to slow down Brownsburg’s running game; 2, need to score in the red zone; 3, need to win the field position battle.

“Slowing down their running game is easier said than done,” Scheib added.

With Avon coming to Hare Chevrolet Field next Friday, Noblesville needs a win at Brownsburg. The Millers, who won four of their first five games, have dropped two straight.

Two weeks ago Noblesville lost a 24-14 non-conference game to Chatard and then last Friday, at homecoming, lost to Hamilton Southeaster 16-7.

Noblesville, at 2-2 in the HCC, still has a shot at tying for the conference crown. The Millers will need to win their last two games and Westfield will need to beat Fishers this Friday. The season finale with Avon will be big, but not as big should Noblesville lose at Brownsburg.

Scheib said playing well for NHS against Southeastern last Friday were wide-receiver Brian McLean, offensive lineman Jacob Reks, running back Hayden Stinnett, linebacker Hank Davis and defensive backs Austin Ginther and Jake Owens.

Stinnett is Noblesville’s leading ground gainer with 502 yards and five touchdowns in 106 carries. Quarterback Luke Melloh is next with 397 yards and eight touchdowns in 59 carries.

Noblesville’s two quarterbacks have combined to throw for over 1,000 yards. Carl Hardy has hit on 50-of-76 tosses for 579 yards and Melloh is 31-of-52 for 462 yards.

The leading receiver after seven games is McLean with 20 catches for 397 yards. Next is Jarel Youree with 18 for 166 yards, followed by Joey Herron with 17 for 119 yards and Josh Donham with 12 for 122 yards.

Ginther is Noblesville’s defensive leader with 41 tackles and 15 assists. Donavan Lynch has 30 and 20

Nick Santos has four of Noblesville’s seven sacks. Owens and Zack Niezer each have picked off two of the five passes Noblesville has intercepted.

The Millers broke a four-game losing streak to Brownsburg by beating the Bulldogs 26-6 last year.

Huskies are without Kerfoot...

Heights plays at Western

By DON JELLISON
Reporter Editor

If you believe in history repeating itself, this is Hamilton Heights' "year" to defeat Western. The two Mid-Indiana Conference schools will meet Friday at Western.

For the past five seasons, the Heights-Western series has been a situation of win one, lose one. Western won last year 35-14, so this is the Huskies' "time" to

win. The odds look good, too. Hamilton Heights is 5-2 overall and 4-1 in the conference, still hoping that someone will knock off undefeated conference leader Lewis Cass. Heights couldn't do that (26-14) back on Sept. 12, and the Huskies have been chasing Cass ever since. Heights has won three consecutive games since that loss to Cass. Western is just 2-5. The Panthers' only victories in Ron Jankovich's first year as

coach are a pair of conference decisions over Taylor (39-0) and Peru (29-7). Heights has beaten Taylor (58-0) and will play Peru the final week of the regular season.

"Western is athletic, physical and they have pretty good speed," Heights coach Mitch Street talked about his next opponent. "They will test you defensively and with their special team game. They are learning a new offense, so that takes time, but they have playmakers on that side of the ball, which will require us to play solid defense and keep things in front of us."

Jones has completed 19-of-27 passes for 386 yards and six touchdowns and has been intercepted just once. Weatherford is the leading receiver with 14 catches for 313 yards and six touchdowns. He also has carried the football 37 times for 359 yards and four TDs.

Riley White is the Huskies' second leading receiver with 10 catches for 116 yards and two touchdowns. The team's second-leading rusher (just one yard behind Weatherford) is Jesse Kerfoot. He is injured and will not play this week. Street said it's

a week-to-week situation with Kerfoot. The coach has said that Nathan Roth will replace Kerfoot this week. Roth has carried the ball 33 times for 181 yards and has rushed for two touchdowns.

"I think we took a small step forward last week (21-13 over Northwestern)," Street said. "It could have been a much better performance if we had cleaned up the mistakes and penalties in that game.

"Regardless, I like the energy and enthusiasm we are playing and practicing with at this point in time.

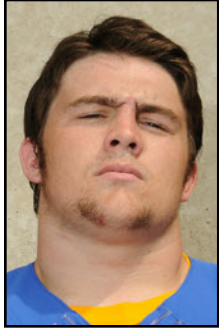

"Western is a team which is much better than their record suggests," Street added.

Could it be any better?

Carmel travels to Warren

By DON JELLISON
Reporter Editor

So, who are the smartest when it comes to ranking high school football teams in Indiana?

Thompson

*The Associated Press (media) people? They rank Carmel No. 1; Warren Central No. 2.

*High school coaches? They rank Warren Central No. 1; Carmel No. 2.

The 7-0 Greyhounds will face the 7-0 Warriors Friday at Warren Central. If Warren wins the MIC crown will belong to the Warriors. If Carmel wins the Greyhounds still have one more conference game remaining..

Looking ahead to the post-season tourney, smart money (on both teams) would say lose the game.

The last three years, the team which has won the regular season showdown ended up losing in a post-season rematch.

Last year it was at the State Finals. Carmel beat Warren Central 21-15 during the regular season. Warren won the state championship rematch 7-6.

Two years ago Carmel won in regular season, 10-7 in overtime. Warren Central went three overtimes in beating Carmel 31-24 in the sectional.

Three years ago Warren Central won 22-20 in the regular season. Carmel won 34-30 in the sectional.

The history of this series goes back to 1959 when a Dick Nyers-coached Carmel team battled Warren Central to a 26-26 tie. The next season Carmel won 21-12.

Down through the years the Greyhounds and Warriors have played 62 times. Carmel leads the series 35-24-3.

Carmel coach Kevin Wright, who won a couple of state championships while coaching at Warren Central, says the Warriors have a lot going for them in this contest.

Pachciarz

"They are the undefeated defending state champions," Wright began. "We are at their place, and it will be Senior Night. They are also on fall break all week, so they will be very well prepared.

"They are," Wright continued, "the most physical team we will play, and, like us, they pride themselves on playing great defense and running the football. They are extremely

well coached; seldom beat themselves, and have found a way to win a lot of close games."

This season, Warren Central has defeated Center Grove 12-9 in overtime, Cathedral 20-17, North Central 32-0, Lawrence Central 41-22, Ben Davis 28-21, Pike 41-20 and Lawrence North 31-7.

Carmel has defeated Hamilton Southeastern 14-7, Louisville Trinity 10-7, Center Grove 21-14, Pike 48-21, Lawrence North 42-20, North Central 56-0 and Ben Davis 37-14.

Following this battle, Carmel still must play Lawrence Central. Warren Central is finished with MIC play. The Warriors will end the regular season against Cincinnati St. Xavier.

"We have steadily improved as a team against the most challenging schedule our school has ever played," Wright said.

"Last week was a very physical game (Ben Davis) and we are a little beat up.

Nobody has been ruled out yet, but we could be minus multiple starters so some guys will have to step up for us to be successful who haven't played a lot of minutes this year.

"However," Wright added, "this game tends to bring out the best in both teams. It's hard to argue that this isn't the best rivalry in Indiana high school football over the last decade."

Both teams are very deep and can attack in many directions.

Warren Central has a quarterback, Jordan Leach, who has passed for 621 yards and six touchdowns and rushed for 207 yards and five TDs.

Tirone Young is Warren's leading rusher with 496 yards and seven touchdowns in 87 carries. He also has caught 17 passes for 128 yards and two TDs. Donwell Johnson has 17 receptions for 357 yards and five touchdowns.

Freeman breaks school record...

Heights defense shines, again

By DON JELLISON
Reporter Editor

On a night his Lady Huskies put 12 goals on the board; on a night senior Amanda Freeman set the all-time career scoring record; on a night junior Sierra Welch pulled off the hat trick Hamilton Heights coach Travis Kauffman talked about his team’s defense. And, for good reason. While playing at home Wednesday evening, Hamilton Heights opened Class 2A sectional competition with a 12-0 smashing of Wapahani. It as Heights’ fifth straight shutout. “Our defense has really jelled the last couple of weeks,” said Kauffman. “In that time we faced two of the best teams we faced during the season, beating Mt. Vernon 1-0 and Pendleton Heights 1-0. No team has scored against the Lady Huskies since Heights knocked off Northwestern, 5-1, back on Sept. 20. That win clinched a tie for Heights at the top of the Mid-Indiana Conference race. A week later, Heights defeated Peru, 12-0, to finish the season as undefeated conference champions.

playing at home, has opened sectional play with a 6-1 victory over Michigan City Marquette.

Should the heavily-favored Lady Huskies win their own sectional this week, they will host the West Lafayette Sectional winner in a one-game regional. So far at West Lafayette, Lafayette Central Catholic has defeated Benton Central 10-0; Rossville has knocked off Faith Christian 6-2, and West Lafayette has defeated Northwestern 7-0. Delphi drew a first-round bye.

Wapahani was no match for Heights in a weather-delayed Hamilton Heights Sectional last evening. The game was started on Tuesday, but washed out after three minutes, with Heights leading 1-0 on a goal by Freeman.

Freeman added a second-half goal last evening, thus breaking the Heights scoring record (goals and assists) with 217 points. The old record of 216 was held by Brittney Curfman.

“Freeman is a very good soccer player” said Kauffman. “I think she can play college soccer, if she wants. Against Pendleton Heights, she really showed her skills and dominated midfield.”

Welch scored Heights’ first two goals on Wednesday and then added another in the second half to score a three-goal hat trick.

“Freeman and Welch have been our leaders this year” said Kauffman, “and Ashlee Herrington and Mariah Hooper have been very good, too.”

Kauffman played his varsity about half of the first half and half of the second half, scoring five goals in the first half and seven in the second half.

Kauffman is looking for a long tourney run out of his team.

“We have high hopes and high expectations,” said the coach.

Tigers get last-second win, Royals cruise

By DON JELLISON

All indications were the Fishers-Noblesville boys soccer sectional semi-final was headed to overtime on Wednesday.

Durazo

Ricketts

Nolasco Arias got Fishers on the board in the 61st minute, and Alexander Nichols converted a penalty kick to tie the game with 10:39 left.

"I really think that the last 30 minutes of that game, we switched into playing a 3-4-3," said Tigers coach Robbie Pels. "We found a lot of space, and with that space, we took advantage."

Before that, the Millers were the dominant team. Noblesville scored twice within

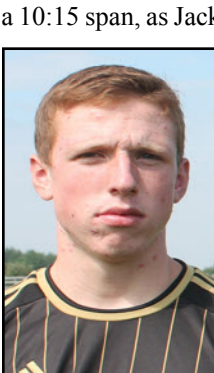

a 10:15 span, as Jack Lang got the goal with 16:23 left in the first half, and Shane Koppold put one in at the 6:08 mark.

"Our game plan was right," said NHS coach Brian Prange. "At the end we just kind of lost track of the little details and got kind of flustered and lost a little bit. They took advantage of the mistakes we made."

Hamilton Southeastern had a much easier time advancing to the final, cruising past Pendleton Heights 7-1.

Seven different Royal players scored a goal: Austin Vermillion, Dylan Ricketts, Sam Rowlinson, Connor Thrall, Eli Quivey, Ryan Karaki, Noah Haxton. Ricketts also had two assists, with Quivey, Karaki, Marek Davis, Jacob Smith and Mauricio Suarez all making one.

'Rocks beat 'Hounds on PKs

In a dramatic finish at the Lebanon boys soccer sectional Wednesday, Westfield beat No. 8 Carmel 5-4 in penalty kicks.

Seitz

Both teams played to a 0-0 tie through regulation and overtime, thus sending the game to PKs.

The Shamrocks dominated play from start to finish but couldn't get the goal they

needed in regulation," said WHS coach Myron Vaughn.

Westfield scored on all five of its kicks, while Evan Seitz made a save on Carmel's third to preserve the tournament win.

Carmel ended its season at 11-5-1. "I am honored to have had the opportunity to work with a great group of young men and fine student-athletes," said Greyhounds coach Shane Schmidt. "I am extremely proud of their effort not only tonight, but the entire season."

The Shamrocks play Zionsville for the sectional championship at 7 p.m. Saturday.

Huskies need OT to advance

The Hamilton Heights boys soccer team won a thriller at the Sheridan sectional Wednesday, getting past Muncie Burris 5-4 in overtime.

"Josiah Hardacre man-marked their best player and shut him down," said HHHS coach Derrick Dean.

Collin Luckey scored the first goal off of a Drake House assist with 25 minutes to go in the first half, but 20 seconds later Burris tied the game. With 19 minutes to go in the half Burris puts in another goal to go up 2-1.

The Huskies continued to battle and put in another Luckey goal assisted by Cameron O'Malia with 18 minutes. Burris came back strong and put in a goal with 14 minutes left in the half to make the halftime score 3-2 Burris.

Luckey scored another Huskie goal with five minutes to go in the game to tie it 3-3. Cameron O'Malia put in an unassisted goal with 3:40 to play putting the Huskies in front 4-3. But Burris didn't give up and with 2:30 left made a penalty kick to send the game in OT.

No goals were scored in the first overtime, but Sam Stallsmith put in a goal with 4:27 in the second overtime to win the game. Burris had a goal waved off at the end as it didn't break the plane before the buzzer went off.

The Huskies will play Liberty Christian in the championship at 2 p.m. Saturday. The Lions beat Sheridan 7-1 in the second semi-final. Evan Keel scored the goal, with Jack Waitt making the assist.

to advance to the second round of the sectional.

Sheridan and Heights will play tonight, Thursday, in the second semifinal game, starting approximately at 7 p.m.. The winner will advance to the championship game, set for Saturday at 7 p.m.

On Aug. 25 at Heights, the Lady Huskies defeated Sheridan, 4-1.

Last evening, Sheridan overcame a sluggish first half and eventually found the net four times in the second half.

Senior Payton Fleener scored two Sheridan goals and Samantha Smith and Morgan Leonard each added a goal for Coach Kurt Olsan's Lady Blackhawks.

Freshman keeper Nixon Williams earned the shutout behind a stout defensive back line play for Sheridan.

College Coaches Skills Camp

Head Baseball Coach Matthew Cherry announces that the College Coaches Skills Camp will be held at Fishers High School on Sunday, December 7, 2014. This one-day event is for high school baseball players and will feature college baseball coaches from University of Cincinnati, Ohio University, Indiana University - Purdue University Fort Wayne, Indiana University, Butler University, Indiana Tech University.

Interested high school baseball players should register immediately as space is limited. All registration takes place at fishers.midwestbaseballcamps.com. The College Coaches Skills Camp offers three sessions: Pitching/Catching, Infield/Outfield, and Hitting. A player may participate in as many sessions as he would like. Each session is run like a college practice. Coaches will work directly with players throughout the day and provide in-

struction. Players will have the opportunity to showcase their abilities in each session. This event is compliant with all NCAA rules. If you have any questions about the College Coaches Skills Camp you can contact Brandon by email, phone, or text. His email address is brandon@ccscathletics.com and his cell phone number is 703-408-4615.

Westfield JV boys cross country 3rd at North Central

The Westfield junior varsity boys cross country team placed third in the North Central JV invitational on Tuesday.

Champion of the race with a PR effort was junior Matthew Shaub who outkicked a Fishers runner to take individual honors. Also running huge for the Rocks was sophomore Jude Phillips who unleashed a big kick to finish ninth. Other scorers for the shamrocks included Colin Lush, Drew Schmitz, Kevin Greene, and Andrew Meyer. Last night also saw the Ali-like return of freshman Chad Raber who ran a fantastic race after being sidelined most of the summer and fall with injury.

Most homes are underinsured by an average of 19 percent*. That means insurance won't likely cover the full cost to rebuild if it ever comes to that.

That one key word—**guaranteed**—means if your home is damaged or destroyed, it'll be covered in full. It's a great value at a great price.
