*Friday night tragedy...*

## Accident kills pedestrian on 191st Street

Friday night at approximately 11:43 p.m., police officers from the Noblesville Police Department responded to the intersection of 191st Street and Golden Meadow Way in Noblesville in reference to a report of motor vehicle crash involving a pedestrian.

Based on witness statements and evidence at the scene, preliminary information suggests that a 2007 Buick Rendezvous was traveling westbound on 191st Street, near the intersection of Golden Meadow Way, when the crash occurred. Witnesses state that just prior to the crash, a pedestrian was near the westbound lane of travel of 191st Street and was struck by the Buick. After being struck by the Buick, evidence suggests that the pedestrian was struck a

second time by a 2000 Mercury Sable that was traveling eastbound on 191st Street. Both drivers stopped immediately and attempted to render aid.

The pedestrian suffered injuries as a result of the crash and was transported by ground ambulance to Riverview Health in Noblesville. The pedestrian was pronounced dead shortly after arriving at the hospital. The identity of the pedestrian is being withheld at this time until family notifications have been confirmed. An updated release will be provided once notifications have been made.

The driver of the Buick did not sustain any injuries; however was transported to Riverview Health for a check out. The driver has been identified as Amy C. Leap, 26, of

Noblesville. There were five additional passengers in the Buick but none of them sustained any injuries. The driver of the Mercury did not sustain any injuries. She has been identified as Gabrielle L. Shepherd, 22, of Noblesville.

Members of the Accident Reconstruction Unit were called to the scene to collect evidence and investigate the crash. 191st Street was closed between S.R. 37 and Golden Meadow Way for approximately three hours while investigators gathered information and spoke with witnesses. The case remains an ongoing investigation.

Anyone with information regarding this case is asked to contact Accident Investigator Sgt. Matt McGovern at (317) 773-1300.

### Gas leak briefly shuts down Lantern Road

A gas leak at the intersection of Lantern Road and Rexham Court in Fishers closed traffic on Lantern north of 131st Street Friday morning.

The leak was caused by utility construction. There were no evacuations from nearby residents or New Britton Elementary School, although it was recommended to the school that children be kept indoors until the leak was contained. Vectren was on the scene and in conjunction with firefighters, air monitoring is being conducted as safety precaution in affected area.

The leak was secured by 11 a.m., and Lantern Road was re-opened at that time.

Eric Hensley does machinery work during a Wednesday afternoon at Vibromatic on Noblesville's Southwest Quad. The company has been a mainstay in Noblesville since 1956.

*Since 1956...*

## Vibromatic still going strong

By RICHIE HALL

Vibromatic is located in a somewhat unassuming building way down on the far end of Noblesville's Southwest Quad.

But while the building's location may be low-key, Vibromatic's business is anything but.

The company has been part of the Noblesville landscape since 1956. It has stayed true to its roots after all these years, focus-

ing on building automation equipment - vibratory feeders, as co-owner Bob Band calls it.

"Vibratory feeders, anywhere that our customer wants to introduce automation into his process," said Band. "We build the equipment that helps him do that."

Band is one of two co-owners of Vibromatic, which is located at 1301 S. Sixth St. The other is Doug Daubenspeck, a lifelong

resident of Noblesville and part of a family that has been in the Noblesville area since the 1840's. Daubenspeck said he is proud of the city's long history of manufacturing.

Band and Daubenspeck bought Vibromatic from its former owner (who had worked at the company since the 1950's) on July 31, 2013. Both men have been a part of

Be sure to read Sunday's Reporter to find out who won at today's soccer sectional championships.

### Who won tonight?

Turn to Page 5 to find out what happened at Friday's football games - and be sure to catch our Football Extra on Sunday.

## Downtown Noblesville accident injures Brownsburg man

Friday at approximately 11:17 a.m., police officers from the Noblesville Police Department responded to the intersection of 8th and Logan Street in Noblesville in reference to a report of motor vehicle crash involving a pedestrian.

Based on witness statements and evidence at the scene, preliminary information suggests that a 2007 Ford Freestyle was traveling northbound on 8th Street and was attempting to turn westbound onto Logan Street when the crash occurred. Witnesses state that just prior to the crash, a pedestrian was walking northbound across Logan Street when the vehicle struck him. It ap-

pears that the pedestrian was walking within the boundaries of the designated crosswalk and was crossing in accordance with regulatory lights at the time of the crash.

The victim suffered injuries as a result of the crash and was transported by ground ambulance to I.U. Health Methodist Hospital (Indianapolis). His condition was unavailable at the time of this release. The pedestrian has been identified as Curtis T. Jones, 37, of Brownsburg.

The driver of the Ford did not sustain any injuries. The driver has been identified as Zoe L. Marks, 80, of Noblesville. There

was an additional passenger in the vehicle and that person did not suffer any injuries either.

Members of the Accident Reconstruction Unit were called to the scene to collect evidence and investigate the crash. The intersection of 8th and Logan Street was closed for approximately an hour and a half while investigator gathered information and spoke with witnesses. The case remains an ongoing investigation. It does not appear that alcohol or weather was a factor.

Anyone with information regarding this case is asked to contact Accident Investigator Sgt. Matt McGovern at (317) 773-1300.

## Carmel hosting electronics recycling, shredding and used book event Oct. 25

An electronics recycling, shredding and used book drive event is being sponsored by a team of organizations including Carmel Utilities, Carmel Police Department, Crime Stoppers of Central Indiana, Carmel Green Teens, Technology Recyclers, and WISH-TV. This event will be held on Saturday October 25th from 10 a.m. to 1 p.m. at the Carmel High School Stadium parking lot (NW corner of 136th and Keystone Parkway).

### Shredding:

Identity theft is one of the fastest growing crimes today and most identity information is still obtained through hard copy paper sources. Shredding significantly reduces your risk when disposing of confidential information. It is recommended that you shred any documents that include a signature, account number, social security number, medical or legal information.

The on-site shredding is sponsored by Crime Stoppers of Central Indiana. A donation is requested of \$5 per bankers sized box or equivalent. All proceeds benefit Crime Stoppers.

### Electronics & Appliance Recycling:

The recycling drop-off event will be managed by Technology Recyclers. The

following items will be accepted: All Computers, servers, peripherals, wiring, cable, battery backups, monitors, TVs (\$5 charge per CRT/tube monitor or TV), all electronics, phones, stereos, headsets, dvd players, any small appliance, IT equipment including hubs, switches, servers, routers, racks etc, Office equipment including fax machines, copiers phone systems, Industrial electronics, test equipment, medical equipment, and appliances.

### Book Donations:

At the drop off event the Carmel Green Teens will accept donations of gently used books for the Indy Reads program. Accepted items include gently used fiction and nonfiction, paperbacks, hardcovers, DVDs, audio books and children's books. They cannot accept encyclopedia sets, old textbooks, VHS tapes, magazine or badly damaged items.

### NO PRESCRIPTION-DROP OFF:

Unfortunately due to a scheduling conflict, this event will not include the drug drop-off offered by the Drug Enforcement Agency as it has in the past. Crime Stoppers will not be able to take back prescription medications during this event.

## Life jackets are not just for summer

As the weather cools, wearing an overcoat becomes a nearly automatic equipment choice for enjoying the outdoors.

At the same time, many people recreating around water seem to forget about wearing another, more vital type of jacket—a life jacket.

That's a mistake that can be life threatening during a season when many enjoy kayaking or canoeing, duck hunting from a johnboat, or taking a late-winter ice-fishing trip.

Water temperatures plummet, increasing the chance of hypothermia and the risk of drowning, particularly if a person goes overboard while not wearing a life jacket.

Indiana law requires all vessels to carry one wearable U.S. Coast Guard approved PFD (personal flotation device) for each person on board. In addition, vessels 16 feet in length or longer (except a canoe or kayak) must have one USCG-approved PFD on board and readily accessible.

Common sense, however, requires that you wear a life jacket at all times while on the water, no matter what the season.

"Cold water brings additional concerns to the recreating public," said Indiana Boating Law administrator Lt. Kenton Turner. "Life jackets are a yearlong priority and should be the first thought on everyone's mind when enjoying Indiana's waterways."

## Fishers hosts grand opening at Roy G. Holland Memorial Park

Following the June 2 Town Council approval the renovations at Roy G. Holland Memorial Park, located at 1 Park Drive, have been completed.

The Town of Fishers hosted a grand opening ceremony for the community on Friday. During the ceremony, residents learned more about the ADA-accessibility, diverse amenities, and sustainable efforts that have been added to one of Fishers' most popular parks.

"Not only is Fishers Parks and Recreation growing to meet the needs of our community, but we are working to ensure that older parks throughout town remain safe and enjoyable locations for recreation," said Town Manager Scott Fadness. "Our park system demonstrates a dedication to the environment and to a healthy quality of life for residents of all ages."

During the grand opening ceremony, residents experienced the diverse amenities

added to the facility firsthand. Those amenities include in-ground water features, a gravity cube, improved ADA-accessibility and sustainable efforts that repurpose water used to maintain the splash pad.

"Holland Park is a facility that combines historic roots with play opportunities for residents of all ages," said Town Council President, John Weingardt. "Improvement projects like this not only offer additional recreational space for residents, but they also attract future residents and improve economic opportunities."

Fishers Parks & Recreation invited Pork-U food truck to serve a dinner plate and Yogi's Frozen Yogurt to ensure dinner and dessert are taken care of during the grand opening. Face painting and a balloon artist offered children's entertainment while parents can enjoy music from the Zach Day Band.

## VIBROMATIC

From Page 1

the company for years: Daubenspeck for 27 years, and Band for 18 years.

"We're really in a niche market," said Band. "We're doing very well. The economy is good, at least in our eyes right now."

"We're hiring, we're working with co-op programs at the high school for kids that have that desire to get into a skilled trade, perhaps, and not attend a traditional college."

Vibromatic has a good-sized work force, with Band said totals 24. Of those, he estimated that eight to 10 of them live in Noblesville. The company is one of several that are part of an industrial area in the Southwest Quad. Band said the companies in the area do help each other out.

"We definitely have a connection between Lusco, behind us," said Band. "We do things to try to help them out, they do things to try help us out. We kind of work together in that fashion. The fellow across the street gets a lot of automotive business out here. We've let him work on our trucks, our company trucks, our company fleet, things like that."

As for how Noblesville can help out local businesses - not just in the Southwest Quad, but all across the cities, Daubenspeck has a couple ideas.

"The City of Noblesville could help promote locally manufactured products es-

pecially Southwest Quad companies," said Daubenspeck. Doing so will help contribute substantially to this area of Noblesville and its long-term sustainability.

"Maybe come up with a Made In Noblesville initiative - and promote all the capacity of the local manufacturing sector to create jobs, create tax revenue and foster innovation. The city could build a website to help promote companies like Vibromatic to be found for new projects from not only local companies but for companies across the USA and globally. Local companies can always use the help of the city drive new business to our INBOX and opportunities to quote. Most of our work comes from out of state companies and more and more is coming from companies outside the USA."

One thing Band feels the city could do to help out the businesses - and this would help more than just them - is to maintain the roads in the Southwest Quad. Sixth Street gets beat up with all of the industrial activity around it, and Band said he personally feels "the city has forgotten that Sixth Street is here and part of it."

"They've repaved all of Eighth Street, and they're repaving all the roads there, but it seems like they've forgotten that there is something over here on the west side of those railroad tracks," said Band.

# Noblesville Rotary hands out dictionaries at North Elementary

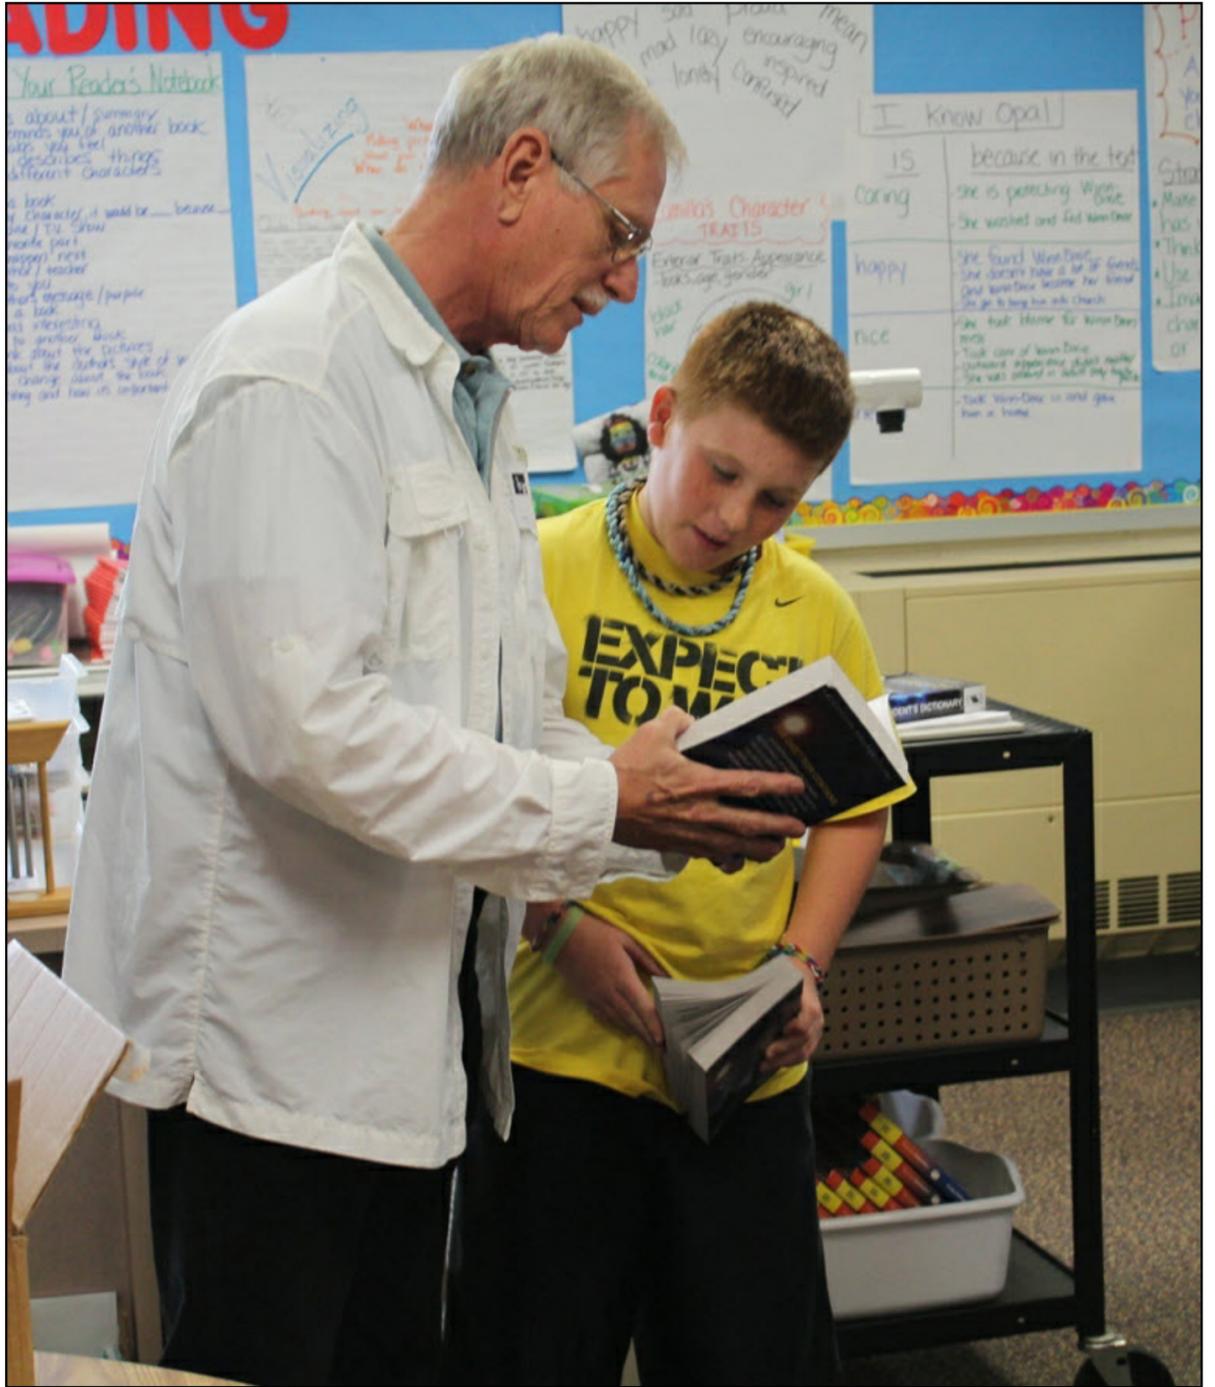

Members of the Noblesville Rotary visited North Elementary School on Friday for what has become an annual tradition: Giving out dictionaries to the school's third graders.

The Rotary participates as part of The Dictionary Project, which is a national organization dedicated to helping children learn by donating dictionaries. "

"It's very rewarding," said Stephani Carnevale, treasurer of the Rotary and Dictionary Project Chairwoman. "It's really kind of gratifying. Even in the age of iPods and iPads, they still love having this book. They say, 'Can we take them home?' and we say 'They're yours! We're giving them to you,' and they can't believe it."

Sheridan Pinners: Ruth Ann Hines, Christi Vauter, Tina Vawter, Nancy Lindenmayer, Connie Wilson, Susan Beck, Norma Hobson and Jennifer Groce.

## Sheridan Pinners offer crafting and fellowship

On the first Monday of each month, 10 to 25 Hamilton County women gather in the Sheridan Public Library Community Room for crafting and fellowship. Sheridan local Tina Vawter first organized the group in 2012 after she and some friends discussed wanting to create some of the items they had “pinned” on the popular social networking website, Pinterest. Tina found a common thread among her friends – they pinned many projects but found it difficult to set aside the time to complete the crafts. The group originated as a Facebook group with 5 members. Today, the Sheridan Pinners Facebook group has 135 members and

anywhere from 10 to 25 of those members will attend the monthly meet-up.

Sheridan Pinners has created everything from burlap wreaths and knitted fingerless gloves to Mason jar candle holders and vintage dish cake stands. Each month, group members post ideas for the following meeting in the Facebook group and members sign up to participate or pass until there is a craft they are interested in creating. Typically, one member will teach the craft for the month while another will bring Pinterest-inspired treats for the group.

While the group is named Sheridan Pinners, women from all over Hamilton County attend - and there is a

variety of ages present at the meetings as well. The group has fun creating items for themselves, their homes or to give as gifts - the fun they have together is just an added bonus.

If you're interested in joining Sheridan Pinners or attending our next meet-up, search Sheridan Pinners on Facebook. The Sheridan Pinners meet at 6:00 pm on the first Monday of each month at the Sheridan Public Library. The library is located at 103 West First Street in beautiful uptown Sheridan, just on the countryside of Hamilton County. We would love to have you join us!

Melloh is game-winning star as...

# Millers win on the road in OT

With Toks Akinribade, the top running back in the Hoosier Crossroads Conference, in their backfield, one might have thought Brownsburg would go for two following scoring first in the overtime in a wild shootout with visiting Noblesville last evening.

Brownsburg didn't, electing to kick the extra point to take a 35-28 advantage.

When Noblesville countered with a touchdown of its own, there was no question, no second guessing in the mind of Miller coach Lance Scheib.

"On the road, we wanted to win the game right then," Scheib said.

The Noblesville coach used the best running quarterback in the conference. Luke Melloh successfully ran the two-pointer and the Millers came away with a huge 36-35 victory.

Before scoring the two-pointer, Melloh ran three consecutive plays, scoring on the third try.

"Same play four straight times (including the two-pointer), Melloh running behind Brandon Knight," Scheib said. "Our offensive line did a great job tonight."

That it did. The Millers rushed the football 48 times and collected 222 yards. They also passed for 148 yards.

Melloh carried the ball 19 times for 96 yards. Hayden Stinnett led the Millers in rushing with 116 yards in 21 carries. Melloh rushed for two touchdowns and Stinnett for one.

Through the air, Carl Hardy completed 8-f-9 passes for 107 yards and Melloh 3-of-10 for 41 yards.

Brian McLean had four catches for 71 yards; Jarel Youree two for 11 yards; Joey Herron 1 for 43 yards and a TD, and Stinnett caught one ball for eight yards.

The defense, despite giving up 35 points, was outstanding in the victory.

"Their big back (Akinribade) is hands down the best and their quarterback is a stud," Scheib said. "Our linebackers did a great job, and also tonight, for the first time, we used Knight on defense."

The two teams fought back-and-forth throughout the evening. Noblesville led 6-0 after one quarter, 13-7 at halftime and 21-14 after three periods.

Noblesville almost pulled out the win in regulation play. Andrew Little just missed on a 35-yard field goal with two seconds left.

"He just did miss it," Scheib said. "It was a 35-yard try and the kick went 34 yards."

Stinnett got Noblesville's first touchdown, scoring in the first period on a five-yard run.

Noblesville went to the air in the second quarter. Hardy passed 43 yard to Herron. Little kicked the PAT.

In the third quarter, Melloh crossed the goal line on a one-yard run. Scheib went for two on this play and Youree zipped into the end zone.

Noblesville's defense got the Millers' fourth quarter touchdown. Hank Davis intercepted and returned the pigskin 34 yards for the TD and Little booted the extra point.

Following Brownsburg's go-ahead touchdown to open the overtime, the stage was set for Melloh and the junior quarterback did his thing, first on the TD run and then on the two-pointer.

Kent Graham/File photo

Noblesville's Luke Melloh, shown here in an earlier game, made the winning two-point conversion for the Millers in their 36-35 victory over Brownsburg Friday.

On defense, Austin Ginther had 7 tackles and 3 assists, Jake Owens 4 and 1, Nick Santos 4 and 2, and David Cory had 5 tackles.

It was a huge victory for the Millers, heading into a regular season finale next Friday with Avon at Hare Chevrolet Field. leaving Noblesville with a 5-3 record.

Fishers' Josh Lloyd takes a 72-yard punt return in for a touchdown during the Tigers' win over Westfield Friday.

# Tigers dominate Shamrocks, 38-7

By RICHIE HALL  
Reporter Sports Editor

The Fishers student section had an "easy" button on display Friday night.

Someone must have pushed it, because the Tigers had an easy win.

The Tigers jumped out to a 21-0 lead after the first quarter and never looked back, beating the Westfield 38-7 at Reynolds Tigers Stadium. Fishers improved to 6-2 overall, and remained in a tie for first place with Avon in the Hoosier Crossroads Conference standings. Both teams are 4-1 in the league. The Shamrocks dropped to 3-3 in the HCC and 4-4 overall.

There was no secret to the game: The Tigers played well in all aspects of the game. They scored points in every way possible, had several players step up offensively, and the defense was solid for the entire game.

"I thought our defense played great," said Fishers coach Rick Wimmer.

The Tigers started the game with a nice drive, scoring on their first series. Zach Eaton capped the drive with a 10-yard touchdown run. Anthony Beck made the extra point kick, his first on what would become a 5-for-5 night.

As the first quarter wound down, Fishers got two scores off of its defense. The Tigers forced Westfield into a three-and-out, and the Shamrocks punted the ball away. Josh Lloyd got a hold of it, and started returning

- and didn't stop until he reached the end zone. The total was 72 yards.

"We were actually going for a block on that, but Josh made a couple guys miss early, and then got some blocks later down the field, and that was certainly the big play," said Wimmer.

R.J. Potts made another big play just a few seconds later. He intercepted Westfield's first pass of its new drive, and took it 22 yards into the end zone. Just like that, the score was 21-0 Fishers.

Eaton was responsible for both of the Tigers' second-quarter touchdowns. He threw a 15-yard pass to Gino Castellani with 4:17 left in the half, then snuck the ball in from the 1 at the 30-second mark. Eaton had an efficient night, completing nine of 13 passes for 117 yards.

"Zach's really helped us as a quarterback in balancing our offense," said Wimmer.

Beck nailed a 30-yard field goal in the third quarter, the only points of that period.

Maurice Campbell was again the Tigers' leading rusher, with 126 yards in 21 carries. Wimmer noted that this was the seventh straight game where Campbell has gained more than 100 yards, and said that "speaks volumes" about Fishers' offensive line.

Westfield got on the board midway through the fourth quarter, as Ryan Pepiot took the ball in from 14 yards. Nick Dowd made the extra point kick. Pepiot finished with 127 rushing yards on the night.

"All credit to those guys," said Shamrocks coach Jake Gilbert. "I thought they really came to play. They were more ready to play than us. They pounced on us early, 'O,' 'D,' and special teams."

Fishers travels to Zionsville next week to finish HCC play. This was Westfield's last conference game of the season; the Shamrocks host Indianapolis Washington next week.

Westfield's Elvin Caldwell (far right) tries to break away from the Fishers defense.

No doubt about who is No. 1...

# Carmel tops Warren, 17-10

No question, at least for the present, as to who is the best high school football team in Indiana. Coach Kevin Wright's Carmel Greyhounds settled that debate last evening at Warren Central as still-undefeated Carmel defeated previously-undefeated Warren Central in a typical 17-10 barnburner between the two MIC rivals.

Carmel put 14 points on the board in the first quarter; went to halftime with a 14-10 lead and then shutout the explosive Warriors in the second half.

The only scoring in the second half was a 30-yard field goal by Carmel's Connor Coghlan.

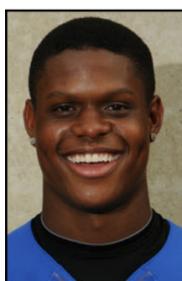

It was a great defensive show by Carmel, holding Warren Central to 226 yards of total offense.

Parker

Burgess

Hunt

It was a defense led last evening by junior linebacker Cameron Hunt with 10 tackles and senior linebacker Ryan Smith with eight tackles. Hunt also recovered a fumble and Luke Parker intercepted a pass. Logan Burgess recorded a quarterback sack.

Warren Central's only TD of the game came on a nine-play, 70-yard march in the second quarter. Also in that second period, the Warriors kicked a 28-yard field goal.

Carmel also turned in a great offensive game, doing most of its damage in the first quarter.

Penalties/Yards	5-31	3-20	Receiving: Pearson 1-81, Walker 1-0.			
Score by Quarters:						
Carmel	14	0	0	3	-17	

An 81-yard pass from Isaac James to Collin Pearson with 4:56 left in the first quarter put Carmel on the board. Nick Stacy kicked the extra point.

The Greyhounds got what proved to be the winning points when with 29 seconds left in the first quarter Chris Perkins went over right guard for five yards and the TD. Stacy added the PAT.

With quarterback Michael Viktrup sidelined with an injury, James filled the position. He attempted just seven passes and

completed two. One of the passes was good for a touchdown. Another was intercepted.

Carmel ran the football, carrying 44 times for 165 yards. Perkins led the way with 50 yards in 13 carries. Shakir Paschall carried 15 times for 40 yards and James added 41 yards on 13 carries.

With the victory, Carmel clinched at least a tie in the MIC. If the Greyhounds finish their regular season with a victory against Lawrence Central next Friday, Carmel will win the conference outright.

4-game win string ends as...

# Chatard runs past Guerin

It was a game of two different halves, but Chatard did enough damage in the first half to handle Guerin Catholic, 42-13, Friday evening at Lawrence Central High School.

The Trojans led 28-6 at halftime. Guerin Catholic was outscored just 14-7 in the final two periods.

It was a game in which Chatard dominated with its great running attack. Guerin Catholic's defense couldn't stop the Trojans on the ground. Chatard carried the football 66 times for a total of 486 yards. Three Trojans each carried the pigskin for 80 yards or more.

On the other side of the football, Guerin carried 21 times and came away with just 18

Labus

Shinaver

Bulger

yards. Included in that total was quarterback Matt Labus being sacked for 36 yards. Trace Bulger was Guerin's top producer with 42 yards in eight trips.

Guerin Catholic did better through the air. Labus connected on 10-of-17 passes for 177 yards and both of the Golden Eagles' touchdowns. Arion Shinaver had four catches for 99 yards and a touchdown and

Brian Matthews four receptions for 54 yards and a score.

Down 14-0, the Eagles got on the board in the second quarter when Labus threw 39 yards to Shinaver. A two-point conversion failed.

Guerin Catholic's second touchdown came in the third quarter, this time Labus

hitting Matthews for 15 yards and the TD. Caleb Quick booted the extra point.

The loss snapped a four-game Guerin win streak. The Golden Eagles will take a 5-3 record into a regular season finale next Friday at Culver Academy.

Fireworks from Jones & Weatherford...

# Huskies explode at Western

Ethan Jones hit on 13-of-17 passes for 249 yards and Grant Weatherford caught five of those passes for 115 yards and scored three touchdowns as Hamilton Heights ran its winning streak to four straight and its season record to 6-2 while rolling to a 42-12 Mid-Indiana Conference victory Friday evening at Western.

"It was one of our better games this season," said Heights coach Mitch Street after all the smoke had cleared.

"Ethan Jones played very well. Western has a defense which pressures quarterbacks and Ethan handled that well."

The Huskies, after a slow first half, took charge of the game in the second half, outscoring the Panthers 21-0. Heights led 14-0 after one quarter and 21-12 at halftime.

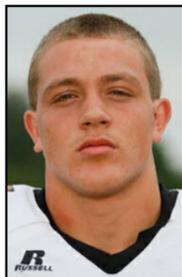

"We played some good football in the second half," said Street.

"Grant (Weatherford) was just being Grant," Street added.

Weatherford scored on a 36-yard run; on a 31-yard pass from Jones, and on a 64-yard run on an intercepted pass.

The Huskies had a balanced offense, running for 213 yards and passing for 249.

Nathan Roth, filling in for injured Jesse Kerfoot, carried the pigskin 11 times for 64 yards. Jones ran 11 times for 66 yards and Weatherford picked up 57 yards in seven carries.

# Royals fall to Cathedral

Hamilton Southeastern took on Class 5A powerhouse Cathedral on Friday, falling to the Irish 31-17 at Reynolds Royals Stadium.

Southeastern is a 6A school, but the Irish are the kind of team that could challenge any big school. Cathedral won the 5A state championship last year, and in fact, if the Irish win a regional this season, they'll get bumped up to 6A by the IHSAA's success factor.

The Royals, now 3-5 on the season, started well against Cathedral, scoring the first touchdown of the game when Kyle Schrank caught a 19-yard pass from Carter Poiry. The Irish answered with a first-quarter touchdown of their own, then scored 17 unanswered points in the second period to take a 24-7 halftime lead.

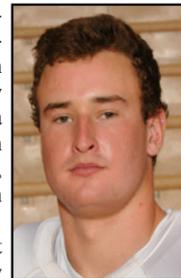

Poiry made a 10-yard rushing touchdown in the fourth quarter, while Brady Hoffman kicked a 39-yard field goal in the third quarter, and also made both extra-point kicks.

The Royals went to the air, with Poiry making 14-of-35 passes for 211 yards. Chris Ford caught five passes for 106 yards. Cathedral held HSE to 38 rushing yards, with Aaron Matio getting 32 of those yards.

Southeastern hosts Brownsburg next Friday to complete Hoosier Crossroads Conference play.

Sheridan matched touchdowns with southern powerhouse Linton-Stockton most of the first half, but the Blackhawks didn't score after halftime and fell to the Miners 29-14.

It was a battle of ground attacks, and Linton-Stockton won it. The winners rushed for 252 yards and Sheridan rushed for 155 yards.

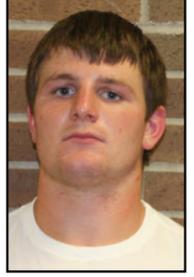

The game was played in a light rain and on a sloppy field.

Sheridan got on the board in the first quarter on a pass play, Garrett Chesney throwing to Jake Chesney for 15 yards and the TD. Katie Hybarger booted the extra point.

The Blackhawks' second and last touchdown of the night came in the second quarter on a two-yard run by Austin Hoover. Hybarger added the PAT.

G. Chesney

Hoover

After leading 21-14 at halftime, Linton-Stockton's final score came in the final minute of the game.

Hoover carried the football 36 times for Sheridan and gained 132 yards.

Garrett Chesney completed 6-of-4 passes for 74 yards. Jake Chesney had four of the receptions for a total of 55 yards.

Sheridan will end its regular season on the road next Friday in a game at Tri-Central, a game which will decide the final outcome in the Heartland Conference.

From Page 7

Weatherford also had three punt returns for 41 yards.

Weatherford got the Huskies on the board with 9:57 still left in the first quarter on a 36-yard run. Still in the first period, Cayman Lutz caught a 68-yard touchdown pass from Jones.

Weatherford caught a 31-yard pass from Jones in the second quarter.

In the third period, Cameron O'Malia booted a 20-yard field goal and Jesse Brown scored a touchdown on a six-yard pass from Jones.

Heights added two more touchdowns in the fourth frame, one on a 35-yard run by Roth and the other on Weatherford's pass interception.

The Huskies will close the regular season next Friday hosting Peru in a conference game. Heights still trails Lewis Cass by one game in the conference.

### Girls soccer sectionals:

# County sure of one champion

By DON JELLISON  
 Reporter Editor

Hamilton County is assured of at least one girls soccer sectional champion today. The Mudsoc twins, Hamilton Southeastern and Fishers, are scheduled to meet today in Class 2A, Sectional 16 at Noblesville at 4 p.m.

**Celene Funke**  
Carmel

Hopefully, two other county teams will advance to the regional. In another Class 2A finale, Carmel will take on Zionsville at Zionsville in Sectional 17 at 8

**Chandler Backes**  
Carmel

**Amanda Shaw**  
Carmel

p.m. and host Hamilton Heights will entertain Tipton in Class 1A, Sectional 40 in a matchup scheduled for 7 p.m.

Carmel will be led by its outstanding goal keeper Celene Funke into a rematch

with Zionsville. The Lady Greyhounds edged Zionsville, 1-0, during the regular season.

Carmel is 13-1-3 on the season, beaten only by Noblesville 1-0, and tied by Fishers 2-2, Guerin Catholic 0-0 and by Medina, Ohio 0-0.

The Greyhounds have outscored their opponents 43-5, with Funke allowing just four goals. Amanda Shaw and Chandler Backes are Carmel's leading scorers with nine goals each.

**Abby Hardacre**  
Heights

Zionsville has a 10-4-5 record. One of the Lady Eagles' losses was to Carmel, 1-0.

Hamilton Heights is 14-2-1, beaten only by Center Grove 5-1 and by Westfield 3-0 and tied by Marion 2-2.

Heights has one of the state's high-powered offensive teams. The Lady Huskies have outscored their opponents 96-16.

Three Lady Huskies have each scored 20 goals, Sierra Welch, Amanda Freeman and Abby Hardacre. Freeman earlier this week became Heights' all-time career scoring leader.

Hamilton Southeastern, in the annual Mudsoc battle with Fishers, defeated the Lady Tigers, 1-0, back on Sept. 10.

HSE has a 12-2-3 record. Fishers is coming off a victory over Noblesville.

# Westfield JV football holds on for win over Avon

The Westfield Junior Varsity football team had a game of extremes swings in momentum and emotion. The team pulled together a 19-15 victory last Saturday against a good Avon JV football team.

The game started with a dominant performance by the Westfield Defensive unit. The game was started with two consecutive negative yardage plays, forcing the Orioles offense back to their own goal line. On the third play of the game, sophomore linebacker Justin Frey ripped the football way from the Avon running back in the end zone and scored his third defensive touchdown of the year. The juggernaut that was the Westfield Defense on this day, caused a second turn over on the Orioles second drive when sophomores Josh Tuffnell and Brian Skelton combined for a devastating

hit on the Avon running back that was then recovered by Joe Foster. On the third possession for the Orioles, they were again forced into the shadow of their own end zone and an errant snap resulted in a safety. In the first three attempts by the Avon offense, the Westfield DEFENSE scored a total of nine points. The half was drawn to a close with a field goal by Miles Clinkenbeard after a great drive engineered by quarterback Andy Sweet.

The second half started with the Rocks on offense, putting together one of their most dominant drives of the year, lasting a total of nine and a half minutes and driving a total of 70 yards lead by sophomore quarterback/running back/safety Caleb Sanburn. Unfortunately the drive ended with an interception in the Shamrock end

zone leading to the first Avon score. Later in the third quarter the Orioles returned another interception for a touchdown taking the lead from the Rocks 14-12.

The two teams traded punts for the majority of the rest of the second half and the Rocks were running out of time to mount a comeback. Things were looking bleak for the Rocks when Avon had the ball with under 4 minutes left, until the defense stepped up for a fifth and final time. Frey forced his second fumble of the day and sophomore defensive end Liam Jagow recovered the fumble and gave the Rocks one last chance. The offense did not squander this opportunity, completing a huge 3rd down conversion from Sanburn to sophomore receiver Josue Gonzales, and driving down the field to the Oriole one inch line. The teams trad-

ed blows on the goal line, gaining a yard and losing a yard until 4th and inches with 16 seconds remaining in the game. Sanburn took the snap, tried to sneak around the left side, but was met by 2 Avon defenders. The Oriole sideline erupted in jubilant celebration punctuated by a spectator running onto the field and garnering an unsportsmanlike penalty. Unfortunately for the Avon sideline, their excitement was premature. When Sanburn was hit by the two defenders, they caused a fumble. This fumble was recovered in the end zone by Tuffnell and the ROCKS WIN. This game showed the Rocks resolve and grit as they took adversity and bleak circumstances but had the confidence to fight to the end.

# Shamrock freshmen also beat Orioles

On Monday, the Westfield freshman football team returned to the confines of their home stadium, prepared to take on the visiting Orioles of Avon High School. The young 'Rocks knew that they would have to increase their physicality and heighten their sense of team unity to come away victorious from this game, and they did just that, winning with a final score of 21-14.

Offensively, the Rocks were led by player of the game Nate Froelich, who bowled his way down the field and found his way into the end zone for two of the three Westfield scores. The offensive linemen held stalwart all day, and opened up the rushing lanes for Froelich against

the Orioles' stout, run-stopping defense. Cameron Nance and Matthew Meyer also had a huge play in the game, as Nance connected with Meyer for a 35 yard touchdown reception.

Defensively, the Rocks showed great improvement and physicality from the previous week. Defensive stops and takeaways were the norm for this unit through the whole game. Kaleb Pettijohn stepped up to be player of the game, wrangling down any opposing ball carriers from his free safety position. Pettijohn also had some huge pass break-ups. Seth Tackett, as usual, found himself in the right place to come away with an interception that sealed the game

away from the Rocks. The linebackers and defensive line held Avon's rush heavy attack to a minimum, forcing two fumbles along the way.

Special teams played admirably, changing the field with punts, kickoffs, and great returns. The PAT unit was three for three.

This week, the Rocks will travel to Fishers to play their final Hoosier Crossroads Conference game of the season. This is one that you do not want to miss. The game will kick off at 6 p.m. on Monday.
