Arcadia Marshall submits resignation after...

Concerns over handling of Moore investigation

By JEFF JELLISON

Arcadia Town Marshall Bill Hickrod has submitted his resignation after Arcadia residents expressed concern over Hickrod's handling of the robbery and beating of 94 year old Herschel "Bud" Moore.

Hickrod's resignation came after the Hamilton County Sheriff's Department announced two arrests had been made in the case.

The robbery and beating took place in Moore's Arcadia home when two masked men, later identified by police as Justin Wayne Lawson and Joseph Michael Lowe, tied up and beat the World War II Purple Heart recipient that spent nine months in a prisoner of war camp. The suspects took a large sum of money and ransacked the residence. Moore was able to free himself and call for help after the suspects left the residence.

During a news conference on Monday Moore's grandson, Kane Hutchinson, said the family appreciated the Sheriff's Department's involvement in the case.

Arcadia officials confirmed a special Town Council meeting will be conducted at 10 a.m. Friday regarding Hickrod's handling of the investigation and his resignation.

Hickrod has served as Arcadia's Marshall since early 2012. Prior to being appointed Marshal, Hickrod served approximately 20 years on the Fishers Police Department.

Small gathering listens to....

Sheridan Town Board candidates

By DON JELLISON
Reporter Editor

The underlining theme for most of the questions which were asked at the Sheridan Town Board candidates forum Tuesday evening hit on three key points.

*Sheridan wants to keep its identify of a small town community.

*Sheridan wants to fight off any grab of territory from surrounding bigger communities such as Noblesville and Westfield

*But, Sheridan badly needs increased revenues for its streets; its utilities; its schools. In order to do that, the town will need to grow.

That is the juggling act for the future of two of the three Town Board members who answered questions at the Sheridan Community Center last evening in a forum sponsored by the Sheridan Chamber of Commerce.

The top two vote getters in the upcoming November election will help make those decisions.

All three candidates are running for two at- large seat. They are:

Steve Fisher, the only member of the trio who currently is on the Town Board.

Sheryl (Sherry) Peters, a local registered nurse.

Jeremy Somerville, a Westfield police officer.

Fisher and Somerville are Republicans; Peters is Democrat.

Somerville, the father of four girls, spent his younger days in the small community of North Judson. He said he wants his family to have the same opportunity of growing up in Sheridan.

"Finding a balanced budget is important," Somerville said. "We need to increase our revenues in Sheridan by seeking grants and the distribution of TIFF money".

Peters moved to Sheridan in 2007 and currently is a registered nurse. She has experience both as a small

The Monday "special section" was still another example of The Hamilton County Reporter being the No. 1 source of late-breaking news in Hamilton County. Monday is the day each week when we do not publish. But, when breaking news is the order of the day, you will see The Reporter spring into action, providing the latest, best news coverage of any media in Hamilton County.

The "special section" on Bud Moore was our seventh such Monday publication in less than a year of being in the business.

Our "special sections" are different than the other guys' web pages. With us, nothing extra to pay for. No puzzle questions to answer before you ever get to the story folks are waiting to read.

Theineman plans 18,000 square foot office... Construction company announces plans for headquarters in Westfield

Westfield's business sector is growing again, this time as the headquarters for a leader in the construction industry.

Thieneman Construction announced plans to begin construction on phase one of its corporate headquarters, in what will be a combination of 18,000 square feet of office space and 12,500 square feet of warehouse. The plan also includes capacity to build an additional 30,000 square feet based upon the company's growth needs.

"We're happy to have Thieneman Construction call Westfield home," said Mayor Andy Cook. "Westfield's business sector continues to grow stronger every day. This is just one more step in the right direction to being more competitive in Indiana's economic development."

Thieneman Construction was founded in 1999 in Lake County, Indiana by Kenneth Thieneman. The company specializes in the construction of water and waste water treatment plants in Central and Northern Indiana, as well as the Chicago market. The company expects to generate approximately \$35 million in revenue this year.

The Westfield location will also provide an office for Thieneman Homes, a residential builder led by Shannon Thieneman. Thieneman Construction currently has 16 full time employees at its Westfield office, and expects to add 28 employees there over the next 10 years. The expected annual average salary for those additional full time employees would be \$70,000.

"We are excited to share our company's plans with the City of Westfield, and to further enhance our local presence by adding jobs and improved real estate to the US Hwy 31 and SR 32 corridor. We look forward to the opportunity to helping improve the city where we have chosen to raise our children," said the Company's founder and President, Ken Thieneman.

Clara A. Hunter

February 21, 1938 - October 19, 2014

Clara A. Hunter, 76, of Noblesville, passed away on Sunday, October 19, 2014 at Riverwalk Village. She was born on February 21, 1938 to Ralph and Doris (Lessig) Hunter in Kokomo, Indiana.

Clara worked as the head of housekeeping for various nursing homes and had also worked for Firestone Industrial Products. When she was healthy, she was a song leader, and helped clean Strawtown Community Church, where she was a member. Clara was very crafty, she enjoyed making jewelry, was a seamstress, and did many other types of crafts. She loved going to garage sales and taking care of others. Her favorite snack was Peanut M&M's and TAB Cola.

She is survived by her children, Ruth (Lee) Harber, Samuel W. (Leslie) Bellamy, and Lori D. Johnson; grandchildren, Cayla & Samuel Bellamy, Brant Thompson, Brittany (Matt) Fullen, Joshua Harber, Anna (Troy) Bledsoe, and Michael Harber; great-grandchildren, Lane Bledsoe and Victoria Fullen.

In addition to her parents, she was preceded in death by her son, Mark A. Bellamy; and great-granddaughter, Lilian Bledsoe.

Services will be held at 12:00 noon on Friday, October 24, 2014, at Randall & Roberts Funeral Home, 1150 Logan Street, in Noblesville, with visitation beginning at 10:00 am until the time of service. Pastor Rick Huffman will officiate. Burial will be at Crownland Cemetery in Noblesville.

Memorial contributions may be made to American Kidney Fund 11921 Rockville Pike, Suite 300 Rockville, MD 20852.

business owner and in as a real estate salesperson.

Fisher, running for re-election, talked about some "wobble room" in the budget but also predicted budget cutting is ahead. He is active in the community as a youth coach.

Peters said following the comprehensive plan of the town is important.

Fishers said lots of work has been done with that plan.

All three candidates said they believe pulling business into Sheridan is important.

The candidates were asked how Sheridan can become a more friendly community.

"Signage," answered Peters. "We have good schools, churches, a Chamber to help us do that."

Somerville talked about the close net community Sheridan is.

"We need to control growth, but we're not landlocked like some of the communities around us," Somerville said. "If a business needs a thousand acres to grow, we have it here in Sheridan."

"Remaining a farm type community with controlled growth is important," said Fisher. "We need to secure our borders. Hiring Mr. Dave Mundy as our school superintendent was important."

Somerville said there are three paths Sheridan should follow: 1, must do; 2, should do; 3, can do.

Unfortunately, there was only a small group of concerned citizens who attended the forum.

Sheridan moms and other caregivers assist their children with the story hour craft project during a recent story time program at the Sheridan Public Library.

Story Hour at the Sheridan Public Library

The Sheridan Public Library is announcing an additional story hour for community children. Beginning on Friday, November 7, 2014 the library will be offering a program for children ages 3, 4 and 5 starting at 11:00 am. The Friday morning story and craft program will be a repeat of the library's normal Wednesday afternoon program.

According to library director Steve Martin, "We have heard from many of our parents that their children often like to take naps after lunch so they cannot be here for

the regular Wednesday 1:15 pm story hour programs. By adding an additional story hour in the later morning on a different day we hope to be able to bring additional children to our library for story hour. We have talked of doing this before and now the time has finally come to do it."

The two weekly programs will be identical in terms of stories read and craft projects completed. While the library is trying to reach out to new participants, parents are encouraged if they want to bring the same children to both story time programs.

The library's new children's librarian Georgia Arnett says "I am looking forward to having a lot of new faces in my program on Friday mornings. We have a lot of great stories to read and crafts to complete." In addition to the craft and story, the children will be given a snack to enjoy. Story time programs generally last about one hour. Pre-registration for the programs is not required and parents or care-givers are encouraged to stay in the room to assist the younger ones with their craft project. Story time is open to children ages 3, 4 and 5 and

while most will be from the Sheridan community, children from any local community may participate.

The Sheridan Public Library is located at 103 West First Street in beautiful uptown Sheridan, just on the country side of Hamilton County. Story times are scheduled for 1:15 pm on Wednesday and 11:00 am on Friday. Story times will not be held on any day the Sheridan schools are closed for vacation of bad weather. For further information, please call the library at 317-758-5201.

Senior Citizens Organization hosts monthly birthday parties

The Senior Citizens Organization hosted one of its monthly birthday parties last Saturday.

The organization, located at 18336 Cumberland Road in Noblesville, saw 100 members attend the party. Members honored are those in their 50's, 60's, 70's, 80's, 90's. Occasionally, an honored member is 100 or more. Each honoree invited three special friends. Phyllis Linenberger announces each birthday person who then in turn announces the names of their special guests.

A buffet is served and is generally a pot luck with the Center providing the main dish of meat. However, at Saturday's party, Care Concern, a Hospice Center from Kokomo, brought a huge lunch as a donation to the members.

The buffet is then served and followed by entertainment. Singer Scott Strange provided that last week.

Open House on Saturday

The Senior Citizen Organization is having an Open House from 1 to 4 p.m. Saturday, Oct. 25th at its main building, 18336 Cumberland Road, Noblesville.

Some members will be available to demonstrate playing various card games. There will also be tours of the Center and anyone wishing to see the Recycle Center in the rear of the building. Refreshments will be served and the event is open to the public. Membership applications will be available as well.

"A DEALER FOR THE PEOPLE"

Local DAR chapter honors veterans

By SHARON MCMAHON

The Horseshoe Prairie Chapter of the the National Society Daughters of the American Revolution is initiating a special project to recognize and honor veterans of WWII and the Korean War who are now residing in senior living facilities in Hamilton County.

"As many of our veterans of these two Wars are leaving us, and we are so appreciative of their service, we wish to reach out and let them know how special they are to us and how deeply grateful we are for their military service," stated Sharon McMahon, Chapter Historian and public relations spokesperson for the Chapter. Horseshoe Prairie Chapter Regent is Amanda Mizell and the Chapter currently has 68 members.

A Chapter committee has been formed to contact local senior living facilities to identify veterans of these two Wars and issue a certificate of appreciation to them.

"We are reaching out to the facility activity directors in order to personalize the veterans' certificates" stated McMahon. The certificates will be presented to the veterans at their senior living centers between now and the middle of November in conjunction with the celebration of Veterans Day.

"As 2015 marks the 50th Anniversary of the Vietnam War, the NSDAR is planning to recognize and honor those veterans as well. The Horseshoe Prairie Chapter will begin working on special Vietnam veteran commemorative projects very soon," McMahon said.

The Daughters of the American Revolution is a nonprofit, nonpolitical volunteer women's organization dedicated to preserving American history and whose mission is to promote historic preservation, education, and patriotism. For more information about DAR, visit www.dar.org.

Cicero Edward Jones office supports Toys for Tots drive

Corey Sylvester, a local Edward Jones financial advisor, is supporting the annual Toys for Tots program by using his office as a drop-off location for this year's toy drive. Local residents may help needy children in the area by bringing in a new, unwrapped toy to the office, 120 W. Jackson Street in Cicero, during regular business hours beginning now through Dec. 17, 2014.

"With the holiday season around the corner, we are all getting ready for the festivities," Sylvester said. "And as this is the season of giving, now is a great time to remember the less fortunate in our community."

Carmel Emergency Responders wear pink for breast cancer awareness

This week, the Carmel Fire Department and the emergency workers at Carmel St. Vincent Hospital will be swapping out their blue duty shirts and scrubs for a cause. The emergency responders will be joining firefighters all across the country by wearing pink and black t-shirts to promote breast cancer awareness and prevention.

This will be the fifth year the fire department and ER workers have worn specially designed t-shirts during October, which is national Breast Cancer Awareness month. Breast cancer remains the second-leading cause of cancer death in women. The American Cancer Society estimates about 40,000 women will die from breast cancer this year alone.

Carmel Fire Chief Matt Hoffman says this campaign hits close to home for many firefighters. "Every day firefighters take the

risk of exposure to carcinogens and other cancer causing chemicals when responding to fires. Taking time to acknowledge emergency responders who have been affected by any type of cancer helps remind us of the inherent dangers we still face."

Hoffman adds that firefighters are eager to get behind a cause that has directly affected so many of them either through direct diagnosis, or immediate family members currently fighting with cancer. "This is just one way we can show our support for those who are battling daily with the effects of cancer. We hope it gives us the chance to talk to the public about prevention and awareness when they see us out in our shirts this week."

For more information on breast cancer and other types of cancer, visit the American Cancer Society at www.cancer.org.

Riverview Health remains penalty-free on readmission rates

Riverview Health is pleased to announce it is, once again, penalty-free on its 30-day readmission rates for serious health conditions, according to the Centers for Medicare and Medicaid Services (CMS).

"Providing excellent patient care is our primary goal, and with that comes achieving low readmission rates, which is certainly not easy," said John Paris, MD, chief medical officer at Riverview Health. "It takes a collaborative effort from everyone involved to ensure each of our patients receives the best care possible, not just in the hospital, but also once they return home. We applaud our physicians and staff for their efforts to provide our community with excellent care."

The CMS hospital readmission rate evaluation is part of the Hospital Readmissions Reduction Program that started in 2012, which penalizes hospitals for excess readmissions. The program was designed to improve care and optimize the health-care system.

According to a recent report from Kaiser Health News, "Medicare is fining a record number of hospitals—2,610—for having too many patients return within a month for additional treatments. Even though the nation's readmission rate is dropping, Medicare's average fines will be higher, with 39 hospitals receiving the largest penalty allowed."

ELSA breaks ground on Elwood facility

Press Release

Last week, ELSA Corporation broke ground on a 131,000 square foot expansion of their Elwood Indiana facility. ELSA Corporation will be investing \$42 million in the expansion which when completed will create 54 jobs.

Below is the text of Mayor Ron Arnold's remarks at the ELSA Corporation groundbreaking:

"I am honored and extremely pleased to be here this afternoon for the groundbreaking of ELSA's new expansion.

This is a very important event for our community, and I want to thank ELSA, and its parent company, Sakamoto Corporation, for renewing its commitment to Elwood and its citizens. The \$42 million investment to build a 131,000 square foot addition to the ELSA facility and to hire 54 additional employees is a tremendous boost to our city. Thank you very much!

In 2012 I was the first Mayor of Elwood to make a business trip to Japan, and I did so with the main goal of visiting the Sakamoto Corporation to express my personal thanks to the company for all it has done for our community over the years. I returned to Japan in 2013 to once again visit the parent company in Ohta City to express my personal interest and support for the firm to place future investments back in Elwood.

On each of those trips I was warmly received by the Sakamoto family, and had the chance to get to know the Sakamoto brothers, Masataka and Kiyokazu, their wives, and their father. They extended terrific hospitality to me both times, and I look forward to trying to show them similar kindness on their future visits to Elwood.

Again, thank you Sakamoto Corporation and ELSA for this very important investment in our community!"

Volleyball sectionals...

Millers beat Tigers in opener at The Rock

By RICHIE HALL
Reporter Sports Editor
The Westfield volleyball sectional got off to an exciting start Tuesday, with a tense four-set match between Noblesville and Fishers.

The Millers won 25-19, 21-25, 25-22, 25-17. With the victory, Noblesville advances to a Saturday morning semi-final with North Central. Match time is 11 a.m.
"This team has had a lot of pressure on them to get a win," said NHS coach Steve Hawthorne. "They haven't had a sectional win in at least four years. So they felt a lot of pressure, but I think they handled it pretty well."

The Millers were able to get points in strings when they needed them. For example, Noblesville scored the final four points of the first set. Kills by Christa Karns and Delaney Kluger got that rally started.
The Tigers turned the tables, however, at the end of the second set. Sydney Kemp's kill brought Fishers back to a 20-20 tie, and the Tigers ran out five of the next six points to even the match.

Fishers jumped out to 5-2 leads in both the third and fourth sets, but Noblesville came back both times. The Millers enjoyed a 23-19 lead in the third set before Fishers scored three straight points. But Noblesville got the last two, with a Josie Sanders kill securing the third set for NHS.

In the fourth set, the Millers put on a serving clinic. Noblesville hit six aces, including three in a row from Allie Phillips.
"Our serving makes a huge difference for us," said Hawthorne.

Noblesville led 22-14, but the Tigers made one last comeback, scoring four consecutive points. Disney Stallworth served an ace and Brooke Leonard hit a kill. But two kills from Kluger gave the Millers the match.

Karns and Ashley Birkhimer both hit nine kills for the Millers. Phillips handed out 18 assists, with Sam Newcomb dishing out 16. Newcomb served five aces, along with Phillips' three in a row. Austyn Everingham had 18 digs, while Karns and Victoria Dittmar both made three blocks.

Kemp and Maggie Markwood both had 12 kills for Fishers, with Markwood also making 14 digs. Ellie Adams had 18 digs. Ashley Bryan handed out 20 assists, Carlie Schneider served three aces, and Mallory Hernandez had 3.5 blocks.

"We executed the game plan really well, there were just some intangible things that Noblesville has that we didn't have with a young group this year," said Tigers coach Nate Thompson. Fishers finished its season at 17-14.

Volleyball action continues on Thursday with a big first-round match-up between Carmel and Westfield. The match starts at 6 p.m., followed by a match between Hamilton Southeastern and Zionsville.

‘Hounds-’Rocks match highlights Thursday action

By RICHIE HALL
Reporter Sports Editor
Expect big hits, big digs and overall a bunch of fireworks in the Thursday sectional match between Carmel and Westfield.
The Greyhounds and the Shamrocks met earlier this season, with Westfield pulling out a 3-2 victory on Sept. 15. The 'Rocks are 22-11 for the year, while Carmel, the two-time Class 4A state runner-up, is 25-7.
The match-up to watch will be between the No. 5-ranked Greyhounds' Carly Skjodt, one of the best offensive players in the state (although she's pretty good at defense,

too), and Westfield's Kari Losch, one of Indiana's top defensive players.
Skjodt has put down 392 kills this season, an average of 12.25 per match. Losch had made 427 digs, getting to 12.9 per match. Westfield's kill leader is Natalie Ravenell with 302 (9.2 per match), while Jamie Scherb has 396 digs for the 'Hounds (12.4 per match).
Hamilton Southeastern will come into The Rock with a 21-10 record, and another big hitter in Hayden Hubers. She has put down 367 kills, which gives her 11.8 per match. Gina Furlin has been delivering the ball well, with 509 assists (16.4 per match).

The Royals received votes in the final poll of the year.
Zionsville is 15-13-1 - a power outage in the Eagles' first match of the year against Park Tudor forced the contest to be stopped after the teams split sets. Logan Manusky has 233 kills for the Eagles (8.0 average), with Allie Murphy handing out 716 assists (24.7 average).
In other sectionals, Hamilton Heights will travel to Delta for Class 3A Sectional 24. The Huskies face Wapahani in the semi-

finals, at 11 a.m. Saturday. Heights is 18-11 on the year.
Sarah Sipe has been strong on offense for the Huskies with 263 kills (9.1 average) and 43 aces this season. Mallory Morphew has 452 digs (15.6 average).
Wapahani is 20-8 and ranked No. 10 in 3A; the Raiders are playing up a class due to the success factor. Addie Reynolds has 354 kills (12.6 average) and 107 aces to lead the offense.

Says Kevin Wright...

Millers, ‘Hounds are rivals

By DON JELLISON
Reporter Editor

You might be able to take the boy out of the county, but not the county out of the boy. Hello, Carmel football coach Kevin Wright.

Except for a few years coaching outside the state, Kevin Wright has been a Hamilton County guy. He grew up in Sheridan playing football for his now Hall of Fame coach father, Bud Wright. Bud, of course, is in his 49th season coaching at Sheridan. Bud Wright played his high school football at Sheridan.

Kevin Wright later coached at Noblesville and for five seasons he has been the head football coach at Carmel.

Wright will bring his No. 1 ranked, undefeated Greyhounds to Noblesville this Friday, facing the host Millers in a first-round playoff game.

It will be Carmel’s first trip to Noblesville since the Greyhounds defeated the Millers, 28-7, in a sectional game in 2007. The last time the two teams met was in 2008, when Carmel defeated Noblesville, 41-0, in a sectional game.

Carmel has defeated Noblesville nine consecutive times, dating back to a Miller 27-12 sectional win in 2000. That game was the second of two played by Noblesville and Carmel in 2000. The Greyhounds won the regular season matchup, 23-20.

Kevin Wright is a guy who believes Noblesville and Carmel should face each other every season. In fact, he may be the only person from Noblesville or Carmel who

The Hamilton County Reporter will publish its post-season football special section on Thursday. Follow your favorite team throughout the playoffs by reading The Reporter.

believes the game still can be a rivalry, a rivalry which at one time was the best in Hamilton County.

“The rivalry between Noblesville and Carmel has been big for a long time in every sport,” Wright tries to make his point. “We haven’t played for awhile in football, but I have been to basketball, baseball and soccer games and the rivalry is still as heated as it was during the seven years I spent as coach at Noblesville.”

The problem, many will tell you, concerning Noblesville and Carmel meeting on the gridiron is that the Millers haven’t been able to compete with the Greyhounds.

Lots of touchdowns have been scored since Noblesville last defeated Carmel in 2000. Noblesville hasn’t defeated Carmel in a football game at Noblesville since a 28-7 victory in 1997.

And, history will tell you that Noblesville hasn’t exactly had lots of success in what the Millers are being asked to do Friday, that beating Carmel in the playoffs.

Carmel, down through the years, has the best won-lost post-season success in

Hamilton County Post-Season		
School	Sectional	Tournament
Carmel	68-10-.872	106-30-.779
Sheridan	54-15-.783	92-25-.786
Guerin	16-5-.762	18-8-.692
Fishers	12-6-.667	15-7-.682
Heights	40-22-.645	43-30-.589
Southeastern	40-22-.645	51-33-.607
Westfield	31-23-.574	36-30-.545
Noblesville	22-27-.449	25-32-.439

Hamilton County. Noblesville has the worse record.

With Noblesville, not just with one or two teams or one or two coaches, flat out hasn’t been able to win in the post-season. Not for a long, long time.

Wright doesn’t expect his Greyhounds will come to Noblesville on Friday and cakewalk past the Millers. He has lots of respect for Noblesville coach Lance Scheib and his staff and Wright believes this is a good Noblesville team.

“I watch Noblesville and I a very impressed with this year’s team,” said the Carmel coach. “They have been so close to winning multiple big games. Their record is deceiving, in my opinion, since all four losses have gone to the wire and were games they could have won.”

Good point.

Noblesville, a 5-4 team, is 27 points shy of being an undefeated team.

Another point. Carmel, an undefeated team, has won five games by a touchdown or less.

“Noblesville starts 18 seniors, 14 of which, I believe, started as sophomores, so they have been the cornerstone of the success,” Wright continued. “They are bigger, faster and stronger than any NHS team I’ve seen in years.

“Offensively they are balanced. They are big up front, led by Brandon Knight, who is one of the best linemen I have seen on tape this year. They have good skill players. I really like what they do with Jarel Youree. By moving him around they are able to get the ball to him in different ways. They play two quarterbacks who both are very good players and have different strengths.

“Defensively, they use an attacking 3-5 scheme which we have not seen this year.

“They are physical and play hard, led by Donovan Lynch, their linebacker.

“The game is on the road and we will have to be focused and ready for what I am sure will be a very physical, emotional football game,” Wright added.

Sounds like a rivalry to me!

Carmel, Fishers doubles teams play at state this weekend

Six doubles teams will be playing for a state championship in the IHSAA doubles tournament this weekend, and two of them are Hamilton County teams.

Fishers seniors Jackson Barrett and Andrew Block will take on the Bloomington North team of freshman Mac Rogers and junior Zach Wisen in a Friday afternoon quarter-final match at Park Tudor. In another quarter-final, Munster's team of sophomore Adam Richter and senior Alex Wisniewski will play Pendleton Heights seniors Sam McKinney and Mitchell Staley.

Carmel seniors Matt Quammen and Radha Vishnubhotla received a bye into the semi-finals, and will play the Fishers-Bloomington North winner at 10 a.m. Saturday, also at Park Tudor. Terre Haute North seniors Keaton Akers and Justin Newton will play the Munster-Pendleton Heights winner in the other semi-final.

The championship match takes place at 2 p.m. at Park Tudor.

Soccer teams hitting the road Saturday...

‘Hounds, Tigers must win semi-states to meet

By RICHIE HALL
Reporter Sports Editor

The potential is there for the Carmel and Fishers girls soccer teams to meet in the Class 2A state championship.

But neither team is thinking about that at all. First, the Greyhounds and the Tigers must win semi-state titles. Fishers is playing in the north semi-state at South Bend St. Joseph, while Carmel travels to Evansville Harrison for the south semi-state.

All semi-state games, in both classes of boys and girls soccer, take place on Saturday.

The No. 6 Tigers (13-1-6) will play Lake Central (11-3-1) in the 10 a.m. game at St. Joseph's. That will be followed by a noon game between No. 12 Fort Wayne Carroll (18-2-1) and No. 18 Goshen (18-1-1). The championship is set for 7 p.m.

Both Evansville Harrison games are scheduled for 10 a.m. The No. 2 Greyhounds (16-1-3) will take on MIC rival No. 8 Center Grove (18-3-1), while East Central (16-2-2) and Castle (13-5-1) play at the same time. The championship is set for 6 p.m.

In Class 1A boys soccer, Guerin Catholic returns to LaVille in an attempt to defend its north semi-state championship - and of course get a chance to make it back to the state finals.

The No. 1-ranked and defending state champion Golden Eagles (19-2) will take on No. 8 Fort Wayne Blackhawk Christian (10-7-4) in the noon game. This follows a 10 a.m. contest between No. 11 Argos (17-3-1) and undefeated Hebron (19-0). The final is set for 7 p.m.

The southern semi-state takes place at Floyd Central, and features No. 4 Providence (14-5-2) against co-No. 9 Oldenburg Academy (16-3-1) in the 10 a.m. game, followed by No. 2 Tri-West (18-0-1) and No. 5 Gibson Southern (19-1) in the noon contest. The championship at FC also is set for 7 p.m.

All state championships take place Nov. 1 at IUPUI.□
