Fishers Redevelopment Commission releases request for proposal

The Town of Fishers Redevelopment Commission (FRC) announced a call for applicants to submit a plan for acquisition and development of a parcel on Maple Street in the Nickel Plate District. The parcel is currently owned by the FRC and is part of the plan to continue the redevelopment of downtown Fishers.

“The RFP parcel while small, represents a big step in the next phase of redevelopment in the Nickel Plate District,” said Tom Dickey, Fishers’ Director of Community Development. “An important part of our strategy has been to set the stage for smaller-scale redevelopment opportunities like this. We look forward to seeing the Maple Street area transform over time with better access to existing businesses and new development occurring there.”

The FRC currently owns the .25 acre parcel at 11634 Maple Street with an existing structure that must be demolished. The FRC will consider any mix of uses that furthers the goals and policies of the redevelopment and economic development initiatives, including mixed-use development containing commercial and residential uses. Proposal responses should be submitted no later than noon (EST) on Friday, November 14, 2014.

Town officials are requesting a construction schedule along with the proposal that includes a completion date by the end of 2015. For more information or for a copy of the RFP, please visit www.fishers.in.us

Recent awards launch helping HAND

The State of Indiana awarded \$350,000 in Community Development Block Grant funds (CDBG) to assist low-income homeowners in need of repairs. The investments will assist seniors with home accessibility modifications, provide necessary weatherization and exterior improvements for eligible families. “These projects tend to have an impact on the whole community as the upkeep and improvement in one home is really an investment in the neighborhood,” explains Nate Lichti, Executive Director of HAND.

HAND’s Board of Directors announced its intention of starting the Home Repair program after conducting a comprehensive needs assessment in 2013. Every community in Hamilton County expressed a need and a desire to assist homeowners with repairs, especially in anticipation of the growing demand from seniors for modifications to make their homes accessible. Another grant, recently announced, from the Central Indiana Senior Fund a CICF Fund, will also be used to assist 15 Seniors with home modifications.

The home repair program – Helping HAND – already has 25 applicants from throughout Hamilton County and many budding partnerships to help stretch and expand the program’s impact. “There are so many potential community partners interested in supporting this initiative, the generosity and support in Hamilton County is terrific,” reports Lichti.

Notably, Habitat for Humanity of Hamilton County is engaging volunteers in the revitalization of neighborhoods, and the City of Noblesville has convened several meetings with organizations and churches also doing this work. HAND hopes to complement these efforts by providing capital to help purchase materials for volunteer driven projects.

Helping HAND received early support from the Legacy Fund Community Foundation, a CICF Affiliate, the Sheridan Fund, a fund of Legacy Fund, and Lake City Bank, each contributed up-front support that enabled HAND to compete at the state for the funds. “It’s really an example of ways we can leverage local investment,” explained Lichti.

Earlier in the year, the County Commissioners pledged county-administered CDBG funds to complete repairs in Noblesville, Fishers, Westfield and Carmel. These funds have not been completely allocated because HAND really needed the state funding to make the program viable. HAND expects to manage approximately 20 home repairs a year when the program really gets running, and they will continue to develop partnerships to enhance and improve its impact.

The community can learn more about Helping HAND and view paintings donated by Thorpe Creek Elementary in Fishers at an open house hosted at HAND’s office at 347 S. 8th St., in Noblesville on Friday, Nov. 7 between 4 and 7 p.m.

building this department,” said Lloyd. “He was able to purchase a lot of new equipment. It is a shame this has happened.”

Cook, the Council President, opened the meeting announcing that a decision by the Council, would be made in open session during this meeting.

And, it was.

Hickrod, in his letter to the Council, wrote that he will resign on Dec. 31, 2014.

“There are cases pending that Hickrod will need to be a part of,” said Cook. “He also will be working training the new Marshal. He has a two-week vacation coming, but he’ll be around here the rest of this year.”

Councilman Shrock, a long time, now retired law official and formerly the Arcadia Marshal, read a poem in support of law officials.

Councilman St. Louis said he accepted the resignation with reservation.

St. Louis is heading a move to form a crime watch in the Arcadia community.

“People in a small town like Arcadia tend to not get involved, they stay within themselves,” St. Louis said. He moved to Arcadia 27 years ago.

“Someone said to me that following the Bud Moore incident they don’t feel safe living in Arcadia,” said St. Louis. “Arcadia is a very safe community. People here ought to live on the south side Indianapolis to see what an unsafe community is like.”

Cook said a search for a replacement will and has begun immediately. He talked about qualification for the position.

“It’s not going to be easy to find someone,” Cook said. “Anyone interested, we have applications available here at Town Hall.”

What led to the protest against Hickrod was his handling of the Moore incident. Arcadia residents were upset because Hickrod, who was the first officer on the scene after 911 calls, failed to immediately sweep the home for evidence.

William Hickrod will stay on as Arcadia Town Marshal until Dec. 31.

“He made a mistake,” said St. Louis. “But, arrests have been made.”

Police have arrested Joseph Michael Lowe, 26, Indianapolis, and Justin Wayne Lawson, 27, Cicero.

Hickrod said he resigned because of the criticism he received.

“I’m not perfect,” said the Marshal. “I’ve made mistakes before and I’m sure I will again,” Hickrod said.

“He told us he was resigning because he wants to spare the Council from having to field complaints or to address the situation,” Cook said. “He wants what is best for the town.”

“We hope to have a replacement by Dec. 31,” Cook added.

William Hickrod’s resignation letter

Editor’s Note: The following is a copy of William Hickrod’s resignation letter sent to Arcadia Town Council members William Cook, Maurice St. Louis and Glen Shrock.

I, William R. Hickrod as of this day will give formal notice to the Town of Arcadia, and all parties named above in this letter, that I will resign as the Town Marshal on Dec. 31, 2014.

I will remain on duty with the Town Council approval to help the new marshal with the day to day paper work; the monthly Council report, and all reports that will need to go to the prosecutors office.

I, William R. Hickrod, also have court cases pending that need my attention.

I would like to thank the Town Council and all the people of Arcadia for the opportunity to serve as the Town Marsha for the last two years.

Learn about different types of stretching

By SHARON MCMAHON

“People often say that motivation doesn’t last – well neither does bathing. That’s why we recommend it daily.”
Zig Ziglar

This week’s article is actually “part two” of my most recent column about flexibility and how important it is to our health and quality of life. The way that most people look at stretching activity reminds me of the old Rodney Dangerfield quote “I don’t get no respect” because that is how most of us look at an activity often considered rather boring and unnecessary. In my last column I mentioned that most professional and Olympic athletes have something in common regarding their fitness regimen – regardless of the sport. That

something is stretching and flexibility training. Without it, no amount of strength, speed or agility can make up for that loss. I used this week’s quote because I wanted to focus on the importance of a stretching routine daily...we have discussed that stretching is one point of the triangle of fitness, with aerobic conditioning and strengthening as the other two points. The middle of the triangle holds the key – nutrition which is the fuel for our bodies. As I indicated in my last column, I would like to cover some different types of stretching and how these benefit our well-being. **Dynamic stretching** means that a stretch is performed by moving through a challenging but comfortable range of motion repeatedly, usually 10-12 times. This type of stretching should not be confused with old-fashioned ballistic stretching. Dynamic stretching is controlled, smooth, and deliberate, whereas ballistic stretching is uncontrolled, erratic and jerky. **Passive stretching** means you are using some sort of outside assistance to help you achieve a stretch. This assistance could be your body

weight, a strap, leverage, gravity, another person, or a stretching device. With passive stretching you relax the muscle you are trying to stretch and rely on the external force to hold you in place. **Active stretching** means you are stretching a muscle by actively contracting the muscle in opposition to the one you’re stretching. You do not use your body weight, a strap, or other stretching device. Active stretching can be challenging but is generally considered lower risk because you are controlling the stretch force with your own strength rather than an external force.¹ Most of the stretches you see and do are likely static-passive stretches, the most common and the easiest to perform. If executed with good technique, these stretches are effective in improving flexibility and range of motion. In the FlexAbility classes that I teach, we begin by practicing standing stretches which focus on both lower and upper-body range of motion. We move on to seated stretches, which incorporates primarily core stretches and includes some lower body movement. We

end our class session in a prone position on mats and focus on lower body extremity stretching, followed by a full-body relaxation pose which both relaxes and energizes. I would like to remind my readers that your balance, range of motion, and flexibility are critical to your health and well-being. Make time every day for at least ten minutes of stretching - make time for *you*!

Carmel's Isaac James (13) follows a block by Beau Plumlee (73) during the Greyhounds' sectional football game at Noblesville. The No. 1-ranked Greyhounds won 28-6 to advance to the final of Sectional 4.

After first-half battle...

Carmel's "D" takes charge

By DON JELLISON
Reporter Editor

Upset-minded Noblesville gave the No. 1 team in the land all it could handle, and then some, in the first half before Carmel's great defense responded in the final two periods to give the Greyhounds a 28-6 Class 6A, Sectional 4 victory Friday evening at Hare Chevrolet Field in Noblesville.

Noblesville, as it needed to do, jumped out to a 6-0 lead on a pair of early field goals by junior Andrew Little. Those two boots came in the first 12:04 of the game, and Noblesville didn't score again.

Carmel scored in the second quarter to take a 7-6 halftime lead and the Greyhounds went up 14-6 early in the second period. But, it wasn't until midway in the third period when Carmel made a defensive stand and then scored on a 80-yard run by Chris Perkins did the Greyhounds really take over the football game.

Down just by the eight points, Noblesville drove to inside Carmel's 30 when outstanding defensive plays by first Alex Akins and then by Cameron Hunt choked off the Millers' drive. On the next play, Perkins broke it for 80 yards, giving Carmel a 21-6 margin and the Greyhounds were all but home safely.

"That was a huge defensive stand," said Carmel coach Kevin Wright. "Our defense was really good tonight. We've had a defense all season which bent a little but didn't break. That's the way it was tonight."

Carmel held Noblesville to 79 yards rushing and 89 yards passing.

Noblesville coach Lance Scheib agreed with Wright that the defensive stand Carmel

put on, followed by Perkins' run, turned the game around.

"We were right there," said Scheib, "down by eight and driving for a touchdown. Then, Perkins made the long run."

Wright was not happy with how his Greyhounds performed in the first half.

"We asked our kids to come up and be focused," said Wright. "So, what happens? We put the ball on the ground; we made penalties, and we missed a field goal. We just didn't play well, but then our kids answered the bell in the second half."

Carmel, just as the Greyhounds have done all season, had too many offensive weapons. Perkins finished the game with 184 yards rushing in 20 carries; Shakir Paschall 123 yards in 32 trips and Isaac James 74 yards in 13 carries.

The Greyhounds rushed the ball 57 times for 392 yards. That's an average of 6.9 yards per carry. All four Carmel touchdowns came on the ground. James put the football in the air just seven times and completed two.

"That's what we do; run the football," said Wright. "That's who we are."

Carmel uncorked that ground attack, even though Noblesville was cramming the box with eight defensive players.

But, when all was said and done, it was Carmel's defense which led the Greyhounds to a 10th straight win, a victory which will send Wright's team to a sectional championship home game with Fishers next week. The Tigers defeated city rival Hamilton Southeastern, 21-0, in order to advance.

Scheib said he was proud with the way his Millers took it to Carmel, and was disappointed that the season had ended for his senior loaded (37 seniors) football team.

"We wanted to keep winning because this season has been a joy coaching this team," said the Noblesville coach.

"I asked our players to play every play, and they did," Scheib added.

While Carmel's game was its running game, Noblesville did best through the air. Carl Hardy was 10-of-15 throwing the ball for 58 yards and Luke Melloh was 4-of-7 for 31 yards. Six different Millers caught passes, led by Josh Donham with four catches for 33 yards. Austin Stapleton caught a 25-yard bomb.

Little kicked his first field goal, a 23-yarder, with 7:49 left in the first quarter. His second, a 26-yarder, went through the bars with 11:56 remaining in the second period.

Carmel finally got on the board with 3:58 remaining in the first half, the Greyhounds driving 35 yards in 11 plays with James scoring on an eight-yard run and Nick Stacy booting the extra point.

Carmel added two touchdowns in the third frame, both by Perkins. He went eight yards for the first and then 80 yards for the second. Stacy booted a pair of PATs, and the Greyhounds led 21-6.

Carmel's fourth and final touchdown came with only 1:28 left in the game on a four-yard run by Paschall. Stacy added the final point.

Sheridan settles for 75 points

Coach Bud Wright said he wasn't sure if the points put on the board in Sheridan's 75-20 Class 1A sectional game with Tindley last evening were the most ever scored by the Blackhawks in a sectional game.

"I will have to go back and look," said the Hall of Fame coach who has coached in a bunch of sectional games.

"We could have scored more," Wright added. "We played everyone. Our varsity played in just one series in the second half."

Sheridan now will hosts Clinton Central in Round 2 next week. The Bulldogs last evening had a first-round bye.

Sheridan had an outstanding offensive performance against a Tindley team playing only its third year of varsity football.

Sheridan ran for 455 yards in 44 carries, with seven different Blackhawks carrying the football. The Blackhawks also hit on 5-of-6 passes for 72 yards and three touchdowns.

Austin Hoover, as usual, led the way, even though he carried just 15 times. Hoover finished the night with 170 yards rushing.

Then came K.J. Acevedo with 73 yards in six trips; Kenny Burnell 67 in seven carries; Jacob Cheseny with 60 yards in three attempts, and on and on for Sheridan.

The outcome was never in question. Sheridan put 28 points on the board in the first quarter and 49 in the first half.

Jake Chesney scored Sheridan's first four touchdowns. He ran for 46 yards; caught a 71-yard pass from Garrett Chesney; caught an 18-yard pass from Garrett and completed the first quarter fireworks by catching a 28-yard pass from Garrett.

Hoover took over in the second quarter, running 35 and 7 yards for touchdown. Kenny Burnell scored from the two.

In the third quarter, Hoover scored again, this time from the 11, followed by an eight-yard TD romp by Acevedo.

In the fourth quarter, it was Robert Burnell scoring from the 11 and Acevedo on a 47-yard romp.

Katie Hybarger booted seven extra points Hunter Pflugh and Chandler Harvey each kicked one.

Fishers by great defense

Teams don't win football games without scoring, but it was the Fishers defense which had Coach Rick Wimmer cracking smiles following the Tigers' 21-0 victory over city rival Hamilton Southeastern in the first round of Class 6A, Sectional 4 Friday evening at Reynolds Tiger Stadium.

"The defense was great," said Wimmer, after his team won and advanced to the championship game of the sectional next week against No. 1 ranked and undefeated Carmel at Carmel. "Our defense got three (HSE) turnovers and intercepted two passes," said Wimmer. "Our guys did a great job of tackling tonight."

While pitching the shutout, Fishers allowed the Royals just 72 yards rushing and 43 yards passing. The Fishers offense was very good, too. The Tigers rushed for 218 yards and passed for another 134 yards. Two big offensive punches throughout the season for Fishers carried their attacks

into the playoff game last evening. Maurice Campbell rushed for a pair of touchdown and Zach Eaton also scored on a quarterback keeper. "Our guys really tackled well," Wimmer continued. "And, we had some big plays from our special teams." It was Fishers' second win of the season over Southeastern, the first time the Tigers have beaten the Royals twice in the same season. Wimmer said he was frustrated with the team's start, but that the Tigers warmed up to the occasion in the second half, scoring touchdowns in each of the final two periods. With the victory, Fishers moved to 7-3 on the year. Southeastern closed its season with a 4-6 record. Campbell had another gigantic game, carrying the football 34 times for 168 yards and the two touchdowns. Eaton ran nine times for 35 yards and the one TD. Eaton was 10-of-19 through the air. He hit Simeon Foster three times for 65 yards;

Jordan Hernandez four times for 29 yards and Chris Thomas twice for 33 yards. Southeastern's offense simply didn't get much against the Fishers defense. Aaron Matio was held to 49 yards in 17 carries. Carter Poiry hit on 9-of-18 passes for 43 yards. Kyle Schrank and Matio each caught three passes. Fishers had just a 7-0 lead at halftime. Campbell carried for

seven yards to get the Tigers on the board with 2:56 left in the first quarter. In the third quarter, Eaton scored on a one-yard quarterback keeper. Campbell struck again in the fourth quarter, going the final four yards with 3:22 remaining in the game. Anthony Beck booted all three extra points.

Golden Eagles re-group in 2nd half, beat Tigers

By **RICHIE HALL**
Reporter Sports Editor

It took a little bit of time for Guerin Catholic to get the lead in its first-round sectional game with Lawrenceburg Friday at the Eagles' Nest.

The Tigers scored first, then held a razor-thin advantage going into halftime. But the Golden Eagles figured it out, and played a much better second half to win 28-13.

Guerin will travel to Batesville next week in the Class 3A Sectional 30 semi-finals.

For Tom Dilley, who got his first post-season win as the GCHS coach, it was as easy as going back to fundamentals.

"Everybody has a tendency when things aren't going well to start reaching and trying to play outside of yourself and do more than you're supposed to," said Dilley. That included better technique and hitting on defense, and getting a few more first downs so the defense didn't have to stay on the field so much.

"I think it's critical, and I think it helps to have a team with a lot of seniors, especially good quality young men seniors, take a deep breath, focus on fundamentals

instead of worrying about things that have happened or what might happen down the road, just play this play, things will be all right," said Dilley.

Lawrenceburg scored first when Zach Steuer ran in from two yards, capping an eight-minute long drive that ate up all of the first quarter. It was back and forth after that, but Guerin Catholic got some momentum when it made a big defensive stop, denying the Tigers on a 4th-and-2 at the Golden Eagles 23. Dilley called that "a key stop."

Guerin took advantage, using the arm of Matt Labus to get down the field. Labus completed all five of his passes in GC's drive, which culminated with a 13-yard touchdown throw to Brian Matthews. Lawrenceburg blocked the extra point kick, which meant the Golden Eagles had to go to halftime behind 7-6.

				Receiving: Matthews 7-142, Isaac Fettig 3-64, Cody Brazill 2-17.			

But Guerin Catholic had some confidence now both ways. Another score began to materialize when Josh Broadbent intercepted a Tiger pass. The Golden Eagles made it into Lawrenceburg territory, and Labus zoomed in 34 yards to score.

Finally, Guerin had the lead, and Dax Schnase helped out by catching a two-point conversion pass.

The Golden Eagles scored twice in the fourth quarter, with Labus the contributor to both. He ran in another touchdown from 15 yards, and after the Tigers scored on a pass play, Labus answered immediately by

finding Matthews for a 34-yard TD throw. Caleb Quick made both extra point kicks.

"It shouldn't be this way, but when we did get up a score, everybody kind of relaxed and started playing more like ourselves," said Dilley, who said that his team has "to be able to overcome that mentally."

Labus was 12-for-21, compiling 223 yards. Matthews caught seven of those passes for 142 yards. Evan Hansen was Guerin Catholic's leading rusher, with 44 yards in seven carries.

Huskies win on 2-pointer

It was like two heavyweight boxers standing in the middle of the ring and slugging it out.

Except, on this night, it was two powerhouse football teams sanding in the middle of a gridiron.

In a classic Class 3A, Sectional 30 matchup, Hamilton Heights edged host Indian Creek, 28-27.

Last man standing won the battle. Heights had the football at the end, and Coach Mitch Street's Huskies won the game, first on a last-minute drive and then with a two-point conversion.

"Two good football teams," said Street. "Our young kids are growing up."

Jones

Jesse Kerfoot, a doubtful starter during the week because of an injury, ended a Heights touchdown drive in the final four minutes by scoring from the one.

Street elected to go for two, and the victory, by running the two-point conversion. Quarterback Ethan Jones, on a pass option, scored the winning two points.

Jones, who missed the Huskies' first five games this season, had a super night, connecting on 17-25 passes for 244 yards ad one touchdown. The TD toss was a 52-yard bomb to Grant Weatherford.

Indian Creek's outstanding running back, Dokkan Egenolf, led a torrid running game by his team, carrying the pigskin 28 times for 220 yards

Weatherford

Hamilton Heights took a 14-7 lead in the first quarter. Kerfoot got the Huskies first touchdown on a one-yard run and Cameron O'Malia kicked he extra point. After Indian Creek tied the game at 7-7, the Huskies scored again, this time on a 14-yard run by Jones and another PAT kick by O'Malia.

Grant Weatherford, on his 52-yard catch, gave the Huskies a 20-7 lead in the second quarter. O'Malia missed the PAT.

Indian Creek scored before halftime and went to intermission trailing 20-14.

The hosts scored again in the third quarter, tying the count at 20-20.

In the fourth quarter, Indian Creek took a 27-20 lead. Egenolf scored all four Indian Creek touchdowns.

That set the stage for Kerfoot's TD dash with a minute left in the games and Jones' two-point game winning conversion.

Fuel pull into victory lane, top Mavs 5-1

In the first and only meeting between the two teams this year, the Indy Fuel defeated the Missouri Mavericks by a 5-1 final score to register the team's first-ever regular season ECHL win on Friday at the Fairgrounds Coliseum. With the win, the Fuel improved to 1-1-1-1 on the season and with four points, climbed into third place in the ECHL's North Division standings.

The Fuel broke the ice at 5:59 of the first period when Indy leading scorer Robert Czarnik wired home a power-play wrist from the left circle, assisted by Nick Jones and Rhett Bly, to make it 1-0 Fuel. Less than three minutes later, Missouri forward David Rutherford leveled the score at one thanks to feeds from Jared Brown and Colten Hayes.

After a scoreless second period, the Fuel offense ignited in the third, as Indy captain Mike Duco throttled the eventual game-winning goal past Missouri goaltender Mike Clemente at 8:17 of the period, followed by three more goals, from Justin Holl, Rhett Bly and Patrick Cullen, respectively, to deliver the Fuel their first win in franchise history.

Indy goaltender Cody Reichard picked up the win in his second start and third appearance for the Fuel this year, as the former Miami University RedHawk stopped 15 of the 16 shots he faced while Clemente took the loss, allowing five goals on 28 shots faced.

Next up for the Fuel, it's a Saturday road trip to Southern Indiana to face the Evansville IceMen. Full coverage of Saturday's game begins with the "Jose Cuervo Pregame Show" at 8:00 pm on CBS Sports 1430 AM with Fuel broadcaster Tony Brown providing the play-by-play.

In 2014-15, the Indy Fuel, the proud "AA" affiliate of the NHL's Chicago Blackhawks and AHL's Rockford IceHogs, drop the puck on their first season in the ECHL. Season ticket packages for the Fuel's inaugural campaign are available now starting at just under \$12 per game! To reserve your seats, contact the Fuel today at (317) 925-FUEL or visit www.indyfuelhockey.com for more information. Be sure to follow the Fuel on Twitter @IndyFuel and don't forget to 'Like' the official "Indy Fuel" fan page on Facebook.

Fishers falls in state doubles, Carmel plays today

The Fishers team of Jackson Barrett and Andrew Block lost in the quarter-finals of the IHSAA doubles tournament Friday at Park Tudor.

Barrett and Block fell to Bloomington North's Mac Rogers and Zach Wisen 4-6, 6-3, 6-0. The BN team will take on Carmel's Matt Quammen and Radha Vishnubhotla in today's 10 a.m. semi-finals.

In the other semi-final, Adam Richter and Alex Wisniewski of Munster will play Keaton Akers and Justin Newton of Terre Haute North. The semi-final winners will meet at 2 p.m. for the championship. All matches are at Park Tudor.

Royals win Game 3 of World Series, lead 2-1

The Kansas City Royals beat the San Francisco Giants 3-2 to take a 2-1 lead in the World Series.

The Royals got on the board in the top of the first inning after Lorenzo Cain batted in Alcides Escobar. That lead became 3-0 in the top of the sixth, when Alex Gordon scored Escobar on a double, and Eric Hosmer batted in Gordon with a line drive.

The Giants answered back in the bottom of the sixth, as Michael Morse doubled home Brandon Crawford. Morse later scored when he was batted in by Buster Posey.

Escobar's two runs came on a 2-for-4 hitting night; he was the only player with two hits on the night.

Jeremy Guthrie got the win for the Royals, with four hits in five innings of work. Greg Holland threw a perfect ninth inning to earn the save. The Giants' Tim Hudson took the loss, despite four hits in five-and-two-third innings. Hudson threw two strikeouts.

Game 4 takes place tonight at AT&T Park in San Francisco.
