# What does light have to do with darkness?

By LEANN WILSON

“Do not be unequally yoked together with unbelievers. For what fellowship has righteousness with lawlessness? And what communion has light with darkness? And what accord has Christ with Belial? Or what part has a believer with an unbeliever? And what agreement has the temple of God with idols? For you are the temple of the living God. As God has said: *‘I will dwell in them And walk among them. I will be their God, And they shall be My people.’* Therefore *‘Come out from among them And be separate, says the Lord’* 2 Cor 6:14-17 (NKJV).

It is that time of year again. For generations Halloween has been celebrated by modern man. Oft reported as merely a fun time for children with no real meaning or implication. A great excuse for a party and, if you are so inclined, a good reason to scare people. I myself can think of little else that warms the heart more than a happy laughing child and I am certainly not above bribing a little one into a smile and hug with candy. However upon taking a closer look at the origins of the night I can find no redeeming factor that would justify a Christ Follower celebrating Halloween – What does light have to do with darkness, come out and be separate!

While All Hallows Eve may be the traditional name Samhain is the original Celtic festival. Samhain means summers end. The pagan festival dates back somewhere between 2000 and 2500 years ago. It was a harvest festival and a time during which the dead were honored. Festivities of the high holy feast day began at sundown on October 31 marking the end of the Celtic year and concluded at sundown on November 1 having ushered in the new year. It was during this time that the realm of the living could connect with the realm of the dead, the natural could mix with the supernatural and spirits both good and evil could roam about in the dark of the night. Gourds or turnips were carved into lanterns and treats and gifts were set out to welcome the spirits of loved ones while appeasing the wandering evil spirits. They dressed in costumes to scare the spirits away from themselves and their children, and built sacred bonfires where burnt offerings from the year’s harvest were offered unto their gods of which there were several hundred. There were Celtic gods and goddesses for poetry, charms and incantations; gods for the forest, gods for rivers. There were fairy gods and fertility gods, war gods, wealth gods and gods of the agriculture. There was even a god for the wheel. Some of their gods and goddesses were married to each other.

There is controversy among scholars about where the Celtic people originated from, but regardless they are thought to have either evolved into or conquered and settled the British Isles. The ancient people and culture were widespread throughout Northern Europe. They practiced Druidism, a Celtic Paganism with learned priests who were called Druids. Druidism is a nature based religion with worship centering around the created not the Creator. They practiced Mysticism and divination, they were wizards and magicians and believed in a type of re-incarnation where the soul could live in another body or even in the body of an animal. There is evidence that they did practice human sacrifices of both criminal and innocent people who were burnt alive in wicker cages or killed in the attempt to divine the future as it was thought that the dead held the secrets of what was to come. Some say they would sacrifice only willing volunteers who offered themselves up in order to obtain a blessing from one of their gods for their people.

This ancient people and their practices is the basis for modern day Wicca, paganism, and modern druidism or revival druidism. It is from these roots that the modern day celebration of Halloween has risen. What does darkness have to do with light – come out and be separate – this is a completely pagan practice with both complex meaning and implications for modern culture. Without having delved too deeply here into specific festival practices the brief overview does illustrate how over the stretch of time the celebration festivities have remained intact with little change. Attempts at Christianizing the feast day and commercialization do not negate the Pagan roots. First ventures at Christianization of the holiday occurred around 600 AD with the creation of All Saints Day. A day to celebrate dead saints, it was created in an effort to convert pagans to Christianity. Then around 1000 AD All Souls Day was established as a day for faithful Catholics to pray for their dead in Purgatory. However, commercialization with its pagan money god remains the most successful *proselytizer* of the multitude into its religion.

According to statistics in 2013, 98% of American children and 68% of American adults celebrated Halloween spending \$6.9 billion with the #1 costume being that of a witch, followed by Batman then that of a Vampire. Not long ago I heard the story of a Haitian missionary worker who was visiting with a Pastor friend here in the US. The friend had taken Mr. Missionary to a local Wal-Mart and to Mr. Missionary’s shock and dismay he was confronted on all sides with Halloween paraphernalia. Macabre masks and evil clowns. Tombstones, ghouls and ghosts equipped with demonic moans and evil laughs. Every imaginable evil depicted in plastic. This is exactly what they have been trying to eliminate in his country – the worship of darkness and evil. What does light have to do with darkness, come out and be separate! The evil one’s greatest trick has been convincing the masses he does not exist – he’s just a myth. For those that are convinced it is mere fantasy, even make believe has a real effect on the heart and we good Christian parents seem to have no problem exposing our very pliable youth to this potter’s hand all in the name of fun! Your precious princess with her fairy wings or your brave little superman will one day grow older having grown weary of the cute side she or he will most assuredly move on to bigger and darker play. What does light have to do with darkness, come out and be separate! Halloween will undoubtedly always be associated with the celebration of the dead and the darkness no matter how you try to sanitize it. And with so much real evil in the world – ISIS terrorists beheading and torturing the innocent with no respect for youth, old age, gender or innocence. A black mass held openly in an Oklahoma Civic Center and beheadings here in the US. Christian brethren suffering real persecution across the world, in some places being physically purged by any manner possible from the home towns where they have lived for thousands of years while governments do nothing. Two 12 year old little girls under the alleged influence of the Slender Man character stab a “friend” 19 times as a sacrifice to satisfy the ghastly

ghoul – why do we want to celebrate the darkness?

“Then I saw that wisdom excels folly As light excels darkness” Eccl 2:13 (NKJV). His Word expressly forbids involvement in witchcraft, soothsaying, divination or interaction with the dead (Deut 18:9-14, 1 Chron 10:13-14, Lev 19:31). We as obedient children are to “Prove all things; hold fast that which is good” and “Abstain from all appearance of evil” 1 Thess 5:21-22 (KJV). Having once been darkness, we are now “light in the Lord” so we walk as children of light (Eph 5:8). We are redeemed, paid for with the blood of Christ and as such are to live holy, set apart, lives. We “walk worthy of the Lord, fully pleasing Him” Col 1:10 (NKJV). What does light have to do with darkness, come out and be separate! Darkness, the absence of light, is used metaphorically throughout the Bible to represent the things that are not of God such as idols, sin, evils or worldly ways. It is not enough to just recognize darkness. As a Christ follower your eyes have been opened in order to turn from darkness to light (Acts 26:18). “Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness; Who put bitter for sweet, and sweet for bitter!” Isaiah 5:20 (NKJV). Why would we as followers of Christ celebrate death, the tomb, and the dead and demons roaming the earth. We don’t celebrate death as death cannot praise God, the living man praises God (Isaiah 38:18-19).

A little compromise, a little yeast – “Do you not know that a little leaven leavens the whole lump?” 1 Cor 5:6 (NKJV). Rather than being separate, set apart, we confound good and evil preferring our own reasoning and pleasure over obedience to God as “All the ways of a man *are* pure in his own eyes, But the LORD weighs the spirits” Prov 16:2 (NKJV). We have been lulled asleep by political correctness and seeker sensitivity and as a result have allowed the world and its celebrations to creep into the Christian family and in many cases the world’s ways have been brought into the church. What one generation tolerates the next generation will accept. What one generation accepts the next generation will embrace. What one generation embraces the next generation

will celebrate. What one generation celebrates the next will worship! And then the persecution. The scoffers will scoff and the world will act as the world does. We do the “will of God. For we *have spent* enough of our past lifetime in doing the will of the Gentiles--when we walked in lewdness, lusts, drunkenness, revelries, drinking parties, and abominable idolatries. In regard to these, they think it strange that you do not run with *them* in the same flood of dissipation, speaking evil of *you*” 1 Peter 4:2-4 (NKJV).

God has called His children to obedience. He has given you free will to choose to or to choose not to in regards to what you celebrate and how you celebrate it. But, keep in mind winning the topical discussion over the celebration of Halloween is not worth starting a war of words (“Remind *them* of these things, charging *them* before the Lord not to strive about words to no profit, to the ruin of the hearers” 2 Tim 2:14). Rather let the Holy Spirit guide you into all truth and “Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth” 2 Tim 2:15 (KJV). Come to a determination on the matter and stand by it. Know what you believe and why you believe it then be prepared to “always be ready to *give* a defense to everyone who asks you a reason for the hope that is in you, with meekness and fear; having a good conscience, that when they defame you as evildoers, those who revile your good conduct in Christ may be ashamed.” 1 Peter 3:15-16 (NKJV).

Fun and pleasure do not give lasting satisfaction in life. This is found only in the Love of God.

*“The people who sat in darkness have seen a great light, And upon those who sat in the region and shadow of death Light has dawned.”* Matt 4:16 (NKJV)

Girls basketball schedule breakdown...

More games for this season's teams

There is a new game in town, kind of, and it all will begin Monday when nine Hamilton County girls basketball teams trot onto court around Hamilton County for the first official practice of the season.

In girls basketball, the IHSAA allows for practice to begin on Oct. 27. Girls games can be played on Nov. 10.

What is new about girls basketball this season is number of regular season games allowed. Teams can play 22 games with no tourney; or 20 games with one tourney; or 18 games with two tourneys.

First team out of the gate will be Hamilton Heights when the Lady Huskies open at home on Nov. 10 against Tri-Central.

Most teams will start the next night, Nov. 11. Fishers will begin at Anderson; Hamilton Southeastern at Lawrence Central; Noblesville at Indianapolis Tech; Sheridan at Speedway, and University at Park Tudor.

Carmel's first game is Nov. 13 at Roncalli. Westfield will begin at home against Western Boone on Nov. 14, and the last Hamilton County team to start will be Guerin Catholic on Nov. 20 at home against Cathedral.

Because of the increased number of games allowed and also because the Hoosier Crossroads Conference has changed with the departure of the three Lafayette schools, there will be many changes in schedules.

Here is a look at what is ahead for local teams.

Carmel Lady Greyhounds

Coming off an 8-12 season, Carmel has a new coach. He is Tod Windlan, the former Hamilton Heights mentor who spent last season at Warren Central.

Carmel will pay 20 games and a tourney. The Lady Greyhounds will compete in the Jan. 2 Bedford North Lawrence Tourney, which also will include Castle, Jasper, Seymour and the host Lady Stars.

New opponents for the Greyhounds will be Roncalli, Westfield and Brownsburg. No longer on the schedule are Terre Haute South and Terre Haute North

Cross country semi-state...

‘Hounds sweep on their own course

It was home-course advantage for the Carmel cross country teams on Saturday, as the Greyhounds won both the girls and boys team titles at their own semi-state, which took place at Northview Church.

The Carmel girls had four of the top 11 runners on their way to the championship, scoring 40 team points. Hamilton Southeastern earned a spot by placing sixth, squeaking past Noblesville for the final team place at state 167-171. The top six teams advance to state. The Millers did have two individuals qualify for state.

Haley Harris led the way for the Greyhounds by taking fourth, with Megan Kress seventh, Stacy Morozov 10th and Kelsey Harris 11th. The Royals' top two were 12th-place Rachel Nichwitz and 13th-place Courtney Pfanstiel.

Freshman Abigail Little finished 14th to ensure her place at state, with Abby Crouch coming in 19th. Two other Hamilton County individuals qualified for the big meet: Westfield's Devon Leahy was 16th and Fishers' Corinne O'Leary placed 31st, getting the 10th individual spot. The top 10 individuals not on an advancing team also make it to state.

In the boys' race, Ben Veatch ran away with the individual title for the Greyhounds, leading his team to state in the process. Veatch finished the race in 15:10.7. Teddy Browning was 10th and Thomas Revard placed 12th.

Fishers finished fourth and Southeastern placed sixth, also earning state berths. Trevor Thompson had an outstanding race for the Tigers, taking fifth. Royals freshman Gabe Fendel led his team by placing 16th.

Volleyball sectionals...

The Carmel volleyball team won its third consecutive sectional Saturday at Westfield. The Greyhounds were four-set winners over Hamilton Southeastern in the semi-finals, then defeated Noblesville in straight sets for the title.

Greyhounds defend title with hard-fought wins

It wasn't as easy as it had been for the Carmel volleyball team to win the sectional this year.

And that's fine with the Greyhounds. Carmel needed four sets to beat Hamilton Southeastern in Saturday's semi-final at the Westfield sectional, then defeated Noblesville in three sets in the championship

match. The win marks the third consecutive sectional trophy for the 'Hounds.

In the semi-finals, Carmel got past the Royals 25-13, 25-27, 25-11, 25-21. The Greyhounds dominated the first and third sets, but Southeastern gave them a battle in the second and fourth sets.

"The last two, the path has been different," said Carmel coach Rich Coleman. "We played a great Westfield team (in the first round), we played a great HSE team. In

the other couple years, we had maybe a quote-unquote easier path. HSE and Westfield kind of took each other out every year. So our path was really, really difficult."

Noblesville gave Carmel a challenge as well, jumping ahead 15-11 in the first set. The Greyhounds scored five consecutive points after that, and soon had the first set 25-18. Carmel ran out the next two sets 25-10, 25-9.

Coleman said the first two matches prepared them for the championship, as they made his team play hard to get through the sectional.

"When the girls are motivated, and when the girls feel the energy and passion that they do about playing volleyball, we're pretty good," said Coleman.

Carmel's seniors have extra motivation, of course. Carly Skjodt, one of the best players in the Midwest, understands that every match counts in her senior year.

"We're playing together, for each other, for the staff and just for ourselves," said Skjodt.

In the match against Southeastern, Skjodt had 15 kills and 26 digs, while Carly Cason and Lauren Gold both had nine kills. Morgan Seaman handed out 41 assists. Jamie Scherb made 28 digs and McKenzie Kiesle had 4.5 blocks.

As for the Royals, Hayden Hubers had 15 kills, with Ellie Leonard hitting eight. Gina Furlin dished out 31 assists and Jordan Dixon made 13 digs.

"I'm proud of the fact that we came back," said HSE coach Jason Young. "Carmel's very good and they punched us pretty hard in Game 1 and Game 3. Rather than staying down, we got back up off the mat and we battled against a team that, like I said, is nationally ranked."

Against Noblesville, Skjodt had 10 kills, while Cason and Madeline Armstrong both had six. Seaman provided 21 assists, Scherb had 17 digs and Megan Flatley 11. Armstrong also served four aces.

"It was good," said Flatley. "We were definitely more prepared for this game because we started off with such a competitive team like HSE."

Carmel hosts Harrison in the regional on Tuesday, which means its seniors get one more match on their home court.

"It's really exciting, just playing on my home court one more time," said Skjodt.

"I wouldn't trade this team for anything and I wouldn't trade this last match for anything," said Flatley.

Josie Sanders led the Millers with five kills, with Allie Phillips dishing out nine assists. Austyn Everingham had 13 digs, with Sam Newcomb making 10.

Last year and the year before we didn't have as many losses, or as many tough times to go through. So then when we get farther down the road it'll help us in the end.

"We had a great season," said Millers coach Steve Hawthorne. "Obviously it was our goal to get to the final. We had a good plan. When we executed the plan, it was working. Carmel's a good team, they're a very disciplined team, they played with a lot of experience, they've been to this position several times in the last several years and that experience came through."

In the semi-finals, Noblesville beat North Central 25-10, 25-12, 25-14. Ashley Birkhimer hit nine kills, with Newcomb handing out 15 assists. Everingham and Spencer Grant served three aces each, with Everingham also making 12 digs. Amy Hayes had three blocks.

OTHER SECTIONAL RESULTS

At New Palestine, Guerin Catholic advanced to the final by beating Marshall 25-4, 25-8, 25-6 in the semi-finals. The Golden Eagles fell in the championship to Brebeuf Jesuit 25-23, 25-21, 25-18.

At Delta, Hamilton Heights fell in four sets to Wapahani in the semi-finals, 22-25, 25-19, 25-14, 25-15.

At Indiana School for the Deaf, University lost to Tindley in the semi-finals, 25-20, 27-25, 25-14, 25-17.

Guerin boys back to 1A state...

Carmel, Fishers girls soccer reach 2A soccer final

Turner

Hohlt

Two Hamilton County teams will square off next Saturday for the Class 2A girls soccer state championship. The runner-up last year, Fishers returns to state after winning the South Bend St. Joseph semi-state, while Carmel won the Evansville Harrison semi-state. The Tigers and the Greyhounds will play at 6 p.m. at IUPUI, the site of all the state soccer championships.

Fishers needed overtime to get past Fort Wayne Carroll 1-0 in the championship game. Kennedy Turner scored the Tigers' goal with 4:07 left in the first overtime period, and Fishers was able to hang on through that and the second overtime to defend its semi-state title.

In the semi-final game, Fishers was a 5-0 winner over Lake Central. The Tigers scored four goals in the first half: Two by Turner and one each from Kylie Hohlt and Brady

Backes

Soderstrom

Riley. Julia Calvert added a second-half goal.

Carmel had a little easier time winning in Evansville. The Greyhounds defeated Castle 3-0 in the championship game. Katie Soderstrom scored two goals for Carmel, with Lucy Lyon adding one.

In the semi-final, the 'Hounds took care of MIC rival Center Grove 2-0, scoring both goals in the first half. Chandler Backes and Sam Eastes had one goal each.

GC BOYS BACK TO STATE

Guerin Catholic needed overtime to win the 1A LaVille semi-state, beating Argos 3-2 in the championship. Khalid Hunter got the goal with 4:42 left in the second extra period, off an assist by Jacob Cloran.

The defending state champion Golden Eagles scored in the first

half, with Argos tying the game in the first minute of the second half. Luke Bestard put GC back in front with a goal in the 56th minute, but Argos tied it up again, scoring with 8:27 to go.

Hunter

Bestard

Guerin Catholic defeated Blackhawk Christian 4-1 in the semi-finals. Blackhawk Christian scored first, but Bestard immediately answered that with a goal. The 1-1 score held into halftime, but the Golden Eagles opened things up in the second half. Hunter scored twice, and Matt Quinn got Guerin's fourth goal.

The Golden Eagles will play Tri-West in next week's 1A state finals, which are set to begin at 10:30 a.m.

Evansville IceMen edge Indy Fuel 4-2

In the first of ten meetings between the two teams this season, the Indy Fuel were defeated by the Evansville IceMen on Saturday by a 4-2 final score at the Ford Center in Evansville, Indiana. With the loss, the Fuel fell to 1-2-1-1 overall this season and with four points, remain in a three-way tie for third place in the ECHL's North Division standings.

The Fuel seized the lead less than one minute into the action on Saturday as a faceoff in the Evansville zone sent a deflected puck through the legs of IceMen goaltender Cal Heeter just 42 seconds in with the tally credited to Indy winger Garrett Klotz.

In the middle frame, the IceMen equalized quickly, as Kevin Harvey slipped home his first of the year at

1:41 of the period, before Danny Hobbs smoked a right-circle one-timer through Indy goaltender Sean Bonar at 7:12 to claim the IceMen their first lead of the game at 2-1. The Fuel battled back late in the frame, however and tied the game at two when Rhett Bly knifed home his third goal of the season at 16:07, thanks to a creative feed by Matt White.

In the third period, the IceMen stormed out of the gate as Patrick Kennedy scored his first goal of the season in the period's opening minute to make it 3-2 Evansville. Then, in the frame's final minute, Kennedy bookended the period with an empty-netter to seal the win for the IceMen by a 4-2 final.

Bonar was steady in net for the Fuel, as the former Princeton

University standout stopped 24 of the 27 IceMen shots he faced in his second career appearance, while Heeter earned the win in net for Evansville with a 23 save performance.

Next up for the Fuel, it's a Sunday afternoon matinee vs. the Fort Wayne Komets on "Johnny Appleseed Day" at the Fairgrounds Coliseum in Indianapolis with the opening faceoff set for 3:05 pm. All youth ticket holders in attendance will receive a complimentary Applehead candy box. Tickets are available at all Ticketmaster locations and online at [www.Ticketmaster.com](http://www.Ticketmaster.com). Full television coverage of Sunday's game begins at 3:00 pm on HTSN with Jim Mirabello on the call and

radio coverage begins with the "Jose Cuervo Pregame Show" at 2:50 pm on CBS Sports 1430 AM with Fuel broadcaster Tony Brown providing the play-by-play.

In 2014-15, the Indy Fuel, the proud "AA" affiliate of the NHL's Chicago Blackhawks and AHL's Rockford IceHogs, drop the puck on their first season in the ECHL. Season ticket packages for the Fuel's inaugural campaign are available now starting at just under \$12 per game! ## Giants tie up World Series with 11-4 win

The San Francisco Giants found their stride in the later innings, and in doing so tied up the World Series.

The Giants beat Kansas City 11-4 in Game 4 of the series, which ensures a Game 6 at the Royals' stadium. Game 5 is tonight at San Francisco's AT&T Park. Kansas City scored all four of its runs in the top of the third inning, which give the Royals a 4-1 lead.

The Giants got one run back in the bottom of the third, but it was a dress rehearsal for the later stages of the game. Joe Panik doubled to start the bottom of the fifth inning, then went home on a Hunter Pence single. Pence later scored when Juan Perez hit a sacrifice fly, with KC center fielder Jarrod Dyson making an incredible catch to prevent any more runs being scored.

But the Giants added three more in the bottom of the sixth, with Pablo Sandoval hitting a two-RBI single, and Brandon Belt singling in a run. The San Francisco scoring reached a crescendo in the bottom of the seventh, when Gregor Blanco's bunt scored a run, then Panik (two RBI) and Pence hit doubles to drive in runs. Pence was 3-for-5, with Blanco, Panik and Sandoval each getting two hits. Pence had three RBIs, while Blanco scored three runs

As for Kansas City, Eric Hosmer and Salvador Perez both had three hits, with Omar Infante driving in two runs.

Yusmeiro Petit got the win, throwing the fourth, fifth and sixth innings for the Giants.
