night before. No other newspaper which distribute in Hamilton County can do that because no other newspaper has our early morning deadline.

Don't you hate it when picking up the morning newspaper and you can't find who won the games the night before? Many games are played on the west coast, and, therefore the games end too late for newspapers in this area to publish the results.

Not in The Reporter. You can count on Reporter sports editor Richie Hall having those scores in your computer even before you're ready for your morning coffee.

Some folks talk about a local newspaper should be local. No state news. No national news.

Nobody believes in a local newspaper being local any more than I do. But, if you've covered everything locally, what's wrong with slapping on another page or two with some state and national news.

We're not living in the world in which our parents lived.

I know, there always is this web-site or that web-site or some other social media in which NBA scores can be found. Some will charge you for that service.

But, we assume that when you turn on your computer at 5 a.m. (and some do) that you have done so because you want to read the stories that we at The Reporter write about.

Including NBA basketball. Including NBA basketball games played on the west coast.

HAPPY HALLOWEEN

Noblesville Police offer safety tips

The Noblesville Police Department would like to remind residents that the official designated hours for Halloween this year in the City of Noblesville will be from 5:30 p.m. to 8:30 p.m. tonight.

Officers from the Noblesville Police Department will be paying particular attention to motorists who are not obeying traffic laws in and around residential areas where children will be expected to be walking. We would urge all motorist to exercise due care as children sometimes make sudden or unexpected movements such as darting between parked vehicles and crossing streets in locations that are not properly marked, illuminated or designated for pedestrian crossing.

We would also like to remind citizens to observe a few safety tips that will help to make this an enjoyable evening for all.

- Parents:**
- Make sure an adult or older responsible youth will be supervising the outing for younger children.
 - Instruct your children to travel only in familiar areas and along an established route.
 - Teach your children to stop only at houses or apartment buildings that are well-lit and never enter a stranger's home.
 - Tell your youngsters not to eat any treat until they return home.

- Establish a return time.
- Review all the appropriate trick-or-treat safety precautions, including pedestrian/traffic safety rules.
- Remind children to walk on sidewalks, not in the street. If no sidewalk in available, have children walk on the left side of the road, facing traffic.
- Remind children to walk, do not run. Be careful crossing yards and lawns where unseen objects or uneven terrain can present tripping hazards.

- Costumes and Face Design:**
- Only fire-retardant materials should be used for costumes. Costumes should not be so long that they are a tripping hazard. (Falls are the leading cause of unintentional injuries on Halloween.)
 - If children are allowed out after dark, outfits should be made with light colored materials. Strips of reflective tape should be used to make children more visible.
 - Avoid masks that may obstruct a child's vision. Use facial paint instead.

- Motorists:**
- Watch for children darting out from between parked cars.
 - Watch for children walking on roadways, medians, and curbs.

Trick or Treat hours			
Noblesville...	Oct 31 5:30-8:30	Westfield.....	Oct 31 5:00-8:00
Cicero.....	Oct 31 6:00-8:30	Carmel.....	Oct 31 5:00-8:00
Sheridan.....	Nov 1 6:00-9:00	Fishers.....	Oct 31 6:00-8:00

- Enter and exit driveways and alleys carefully.
 - Travel at a reduced speed (10-15 mph below the posted speed limit) especially in residential areas where it is obvious that children will be walking.
- Residents:**
- Leave your exterior lights on near your front door if you are participating in handing out candy. Parents/children will use this as a means to identify your willingness to participate.
 - Secure any pets (outside and inside) that may become startled because of the costumes, noise, or overall increase in activities on that evening.
 - Make sure that children have a clear path to and from your front door. Decorations or other Halloween displays can sometimes impede or present a tripping hazard for unsuspecting children.
- Additional Considerations:**
- Carrying flashlights will help children see and be seen more clearly.
 - When in doubt about a specific treat that your child has brought home, simply throw it away. It is not worth the risk!
 - Contact the Noblesville Police Department immediately if you suspect that your child's candy/treat has been compromised in any way!
- It is our hope that these few tips will help everyone to have a safe and enjoyable evening. If you should have any additional questions or concerns, please feel free to contact Lt. Bruce Barnes at the Noblesville Police Department at 776-6340 ext. 1261.

More tips from the Indiana State Police

- The Indiana State Police would like to remind parents of a few safety tips to observe during the Halloween holiday. Parents and children will be out in full force this week trick-or-treating and the Indiana State Police would like to remind parents that observing just a few rules will help can make the evening both fun and safe.
- Costume Tips**
- Keep costumes short to prevent trips and falls.
 - Try make-up instead of a mask. Masks often obstruct a child's vision, which makes tasks like crossing the street and going up and down stairs dangerous.
 - Make sure children wear light colors or put reflective tape on their costumes.
- Trick or Treating**
- Make sure older children trick-or-treat with friends. Together, map out a safe route so parents know where they will be.
 - Instruct children to stop only at familiar homes where the outside lights are on.
 - Encourage children to trick-or-treat while it's still light out. If children are out after dark, make sure they have flashlights and travel on well lighted streets.
 - Remind children not to enter the homes or cars of strangers.
 - Follow your communities trick-or-treating hours.

- Treats**
- Remind children not to eat any of their treats until they get home.
 - Check out all treats at home in a well-lighted place.
 - Only eat unopened candies and other treats that are in original wrappers. Remember to inspect fruits for anything suspicious.
- Additionally, many communities, schools and churches offer children safe alternatives to trick-or-treating designed to keep children safely within parents' view. Some hospitals and schools allow children to trick-or-treat by going from room to room virtually eliminating the dangers associated with being out walking on the street after dark.
- Motorists are reminded that they should also do their part in making Halloween safe for children. Make sure to drive cautiously including driving below the posted speed limit while in town during trick or treat hours.
- Avoid talking on a cell phone or other distracting activities. Remember, excited children may dart out into traffic at any time without warning. Drive with your headlights on even during the daylight trick or treat hours so your vehicle is more visible to children.
- Have a happy and safe Halloween.

Westfield Fire Department puts twist on trick or treat

It's Halloween in Westfield, and once again kids of all ages will be dressing to impress. But in Westfield that group wearing firefighter outfits may not be trick-or-treaters in costume; they're the real deal.

The Westfield Fire Department will again be doing its popular Reverse Trick or Treat, helping to bring some Halloween cheer to kids in neighborhoods all over the city.

"People like to stop by the fire stations on Halloween, but sometimes those stations are out of the way," said Westfield firefighter Steve Lamp. "So, we decided to start going to them instead of making them coming to us."

All three stations in Westfield send out a truck equipped with candy and firefighters. As the trucks make a main path through the neighborhoods, firefighters make stops to hand out sweets to kids in the area. The goal is to get to as many subdivisions as possible during the city's three hour window for trick-or-treating.

"It's always a good time," Lamp said. "You get to see the kids and they're all so happy and enjoy it."

Asked whether any of the youngsters try to climb aboard the engines for a look around, Lamp lets out a chuckle.

"I think they're more interested in the candy," he says.

Trick or treat hours for Westfield are 5 to 8 p.m., October 31.

Carmel-Fishers rivalry warming

By DON JELLISON
Reporter Editor
Fifty years or so from now when you and

I are looking down from that big press box in the sky to Reynolds Tiger Stadium in Fishers or trying to climb all those stairs at Carmel Stadium, things will be different when the Tigers and Greyhounds go to war on the football field.

By then, it will be a full-blown rivalry between Carmel and Fishers. The two teams, likely, will be playing during the regular season, although Carmel AD Jimmy Inskeep will find it difficult juggling Carmel’s schedule and playing Fishers, Southeastern and Noblesville and at the same time playing a seven-game MIC Conference schedule. The IHSAA, perhaps, will allow for more than a nine-game regular season schedule. After-all, the IHSAA this upcoming season is allowing boys and girls basketball teams to play two extra games.

Count on it, the rivalry will be hot 50 years from now.

It is amazing how far Rick Wimmer has taken the Fishers football program in eight short years. Wimmer has taken the program to a point where tonight Fishers will be on an equal level to compete with one of the state’s oldest and most successful football program in the state.

It was a great story on how HSE continued to win with half the students after Fishers was born. Even more amazing was how that new high school, that second high school, started to win big time, especially in football.

One of the jobs now-retired Fishers Athletic Director Jon Miles did while helping Fishers High School begin was selecting coaches. Miles did his job well. No better example than hiring Wimmer.

The Tigers went 1-10 that first season. They didn’t win a game until Fishers defeated Kokomo in the first round of the sectional. In the second round, Fishers lost to Carmel 41-0

Two years later, Fishers won the state championship. That is remarkable for a start-up football program.

Fishers and Carmel have never met in a regular season football game. The Tigers and the Greyhounds have squared off four times in tourney play. (Check out the series results elsewhere in today’s sports section). Fishers lost one of those games by a 7-0 margin. The year Fishers won the state, the Tigers slipped to a 17-14 win over the Greyhounds.

The series has been played with some great coaches. Wimmer is one of the best in the state. Mo Moriarity coached the first two games in the series for Carmel. Kevin Wright has coached the last two.

Although it will be tough to top the 7-0 game won by Carmel in 2009 and the 17-14 game won by Fishers in 2010, tonight’s game at Carmel may be the best-yet in the series.

Carmel will run the football behind, a huge and talented offensive line of junior Simon Pachciarz (245) senior Ryan Moriarty (265), senior Nate Thompson (225), junior Cayden Cronnin (279) and senior Matt Anton (255). The backfield trio of Isaac James, Shakir Paschall Chris Perkins is outstanding.

Fishers has one of the state’s best running backs in Maurice Campbell. He has carried the pigskin 243 times for 1434 yards and 18 touchdowns. Fishers isn’t as big as Carmel up front, but the Tigers are good with senior Luka Skudrzik (225) junior Titus Martin (270), senior Matt Hafley (236), junior Gavin Laffoon (228) and junior Chase Bowser (242).

There are a couple of differences when you look at these two powerhouse teams.

*Southeastern’s passing attack is very good. Carmel, simply, doesn’t throw the ball as much.

Fishers junior Zach Eaton has thrown for 1422 yards and 11 touchdowns and has been intercepted just three times in 208 tosses.

*While Fishers’ defense is very good , allowing an average of just 16 points a game, Carmel is giving up just 11.9 points a game.

So, folks, here we go. The series will heat up tonight, but nothing like it will become years from now.

The ‘Hounds-Tigers series

Following are the results of the Carmel-Fishers series, as taken from the pregame media release by Carmel High School athletic director Jim Inskeep.

October 27, 2006
Carmel 41, Fishers 0
Sectional Semifinal played at Fishers
Weather: 52 degrees rain

Class 5A, No. 4 Carmel led by 34 points at halftime. The Greyhounds (9-2) were led by junior running back Aaron King who had 162 yards rushing. Senior Kyle Collis stepped in for injured sophomore Kurt Freytag and ran for 97 yards in nine carries. Carmel finished with 30 yards rushing. King scored on an 80-yard run. Fishers was held to 33 yards rushing on 29 carries.

October 30, 2009
Carmel 7, Fishers 0
Sectional Semifinal played at Fishers
Weather: 58 degrees, rain

Class 5A, No. 1 Carmel stopped a 77-yard drive by No. 10 Fishers in the last minute to secure the victory. Carmel junior Devin Brinson rushed for 98 yards in 20 carries, including a 15-yard run in the second quarter to cap a 10 play, 62-yard drive. The game was played in a driving rain storm in the first half and strong winds in the second half. Fishers took the ball for their final drive at their own 10 with 3:55 to play. The drive stalled when Justin Todd knocked down a pass on fourt and five with 20 seconds left. There were 14 punts in the game.

October 29, 2010
Fishers 17, Carmel 14
Sectional Semifinal played at Carme
Weather: 53 degrees, overcast

Fishers dominated field position in the first half while charging out to a 14-0 halftime lead. Fishers quarterback Orris threw for 194 yards on 13-of-22. Carmel scored on the first drive of the second half to close the gap to 14-7 on a Devin Brinson two yard run. Fishers answered with a 35-yard field goal to start the fourth quarter. Carmel countered on the next drive with a nine-yard TD run from Brinson, making it 17-14 with 5:25 left in the game. A fake put run on fourth down was enough for a Fishers first down, and the Tigers ran out the clock. Fishers went on to win the state championship with a victory over Lawrence Central.

November 1, 2013
Carmel 35, Fishers 20
Sectional Championship Played at Carmel
Weather: 45 degrees, clear

Class 6A, No. 6 Carmel ran for 385 yards in racing to a 35-7 lead in the third quarter as the Greyhounds defeated No. 5 Fishers. The Tigers scored on the second play of the game as Indiana University recruit J-Shun Harris caught a screen pass from Connor Christiansen and went 72 yards. The Greyhounds scored 28 straight points before half. Fishers mounted a comeback in the fourth quarter, pulling to within 35-20 but a goal line stand at the one by Carmel in the closing minutes closed the door. Carmel was led by Shakir Paschall with 22 carries for 209 yards and three touchdowns. Isaac James ran 18 times for 135 yards and a touchdown.

Portage’s Randy Parker will be Honored as Top Soccer Official

Randy Parker of Portage is the recipient of the 2014 Interscholastic Athletic Official Association Award for excellence in the sport of soccer. Randy will be honored in a special ceremony at Saturday’s state final tournament.

Each year, the Indiana High School Athletic Association, in cooperation with the National Federation of Interscholastic Officials Association, recognizes and honors an outstanding official in 11 sports during the school year.

A member of the Lake County, Calumet, and Hoosier Athletic Officials Association, Randy has officiated 21 sectionals, 20 regionals, six semi-states, and four state finals (1999, 2000, 2012, and 2013) over the course of his 21 year career in soccer. He is also a licensed official in basketball and football and worked the 2001 Football State Final.

Parker was selected for this honor by a committee representing the official’s associations. In Indiana there are 26 associa-

tions made up of men and women who give up much of their personal time to assist in providing wholesome, worthwhile, and healthy activities for the student athletes in our state. Statewide, there are more than 8,000 officials licensed by the IHSAA in 11 sports.

Randy is a 1973 graduate of Indiana University Northwest where he earned a degree in computer programing. He is a reset merchandiser for Pepsi in Munster. Parker has been married to his wife, Millie, for 35 years and is also a volunteer for the Valparaiso Boys and Girls Club and the Paul Danko 3 on 3 Tournament in Merrillville.

IndyCar reveals 2015 Verizon IndyCar Series schedule

INDYCAR announced the 2015 Verizon IndyCar Series schedule today featuring 17 race events, two new race venues and a total of six ABC and 13 NBCSN event broadcasts. The diverse calendar of events - which features six ovals, six road courses and four temporary street circuits - includes a total of 13 markets making a return to the calendar from 2014.

"The Verizon IndyCar Series calendar represents another step forward in our strategy to grow the series," said Mark Miles, CEO of Hulman & Co., the parent of INDYCAR and the Indianapolis Motor Speedway. "There were several factors that led to the positive momentum we experienced in 2014 and we will continue to execute on those initiatives - continuity in our broadcast schedule, strategic growth of our schedule and improvements to how we promote our events. The continued support from our television partners at ABC and NBCSN, and the ongoing collaboration with promoters, teams and sponsor partners gives us a lot of confidence about our future."

The season opens with the series' first visit to Autódromo Internacional Nelson Piquet in Brasília, Brazil (March 8, NBCSN) and will be followed on the calendar by INDYCAR's North American opener on the Streets of St. Petersburg (March 29, ABC), its debut at New Orleans' NOLA Motorsports Park (April 12, NBCSN) and a return to the streets of Long Beach (April 19, NBCSN) and scenic Barber Motorsports Park (April 26, NBCSN).

"It's great to see the Verizon IndyCar Series going back to Brazil and expanding internationally," Andretti Autosport team owner Michael Andretti said. "Having a presence outside of the U.S. is important for the health of the series and a necessary part of growing the visibility and awareness opportunities in our industry."

Sonoma Raceway will host the Verizon IndyCar Series' season finale (Aug. 30, NBCSN), marking the first time an Indy car championship will end the season on a road course, dating back to the 2007 Champ Car finale at Mexico City.

"Sonoma has always been a great circuit for the Verizon IndyCar Series," said Scott Dixon, a three-time Verizon IndyCar Series champion and Indianapolis 500 winner. "People always ask what my favorite track is and I often say 'the last one I won at' so it's perfect for me and Team Target. It's a very technical and challenging track and the site of the biggest Target weekend each season from a partnership perspective."

The Month of May at the Indianapolis Motor Speedway will kick-off again with the Angie's List Grand Prix of Indianapolis (May 9, ABC) and will be followed by Indy 500 qualifications (May 16-17, ABC) before the month culminates on Memorial Day weekend with the 99th Running of the Indianapolis 500-Mile Race (May 24, ABC) on the famed 2.5-mile oval. Carb Day activities on May 22 will be broadcast live by NBCSN.

Pocono Raceway (Aug. 23, NBCSN) returns to the Verizon IndyCar Series schedule at the tail-end of a summer four-race oval swing that is highlighted by a return to Auto Club Speedway (June 27, NBCSN) as well as short oval events at the Milwaukee Mile (July 12, NBCSN) and Iowa Speedway (July 18, NBCSN).

"Returning to Pocono in 2015 is great news," said Tony Kanaan, 2004 Verizon IndyCar Series champion and former Indianapolis 500 winner. "The 'Tricky Triangle' is a very challenging racetrack for us and it provides great racing and excitement for the fans. Continuity is the key word to rebuild our fan base for that region and INDYCAR and Pocono are working very hard and thankfully making it happen. I'm obviously happy to be able to return in 2015 and finish the strong race we had in 2014."

The Detroit Belle Isle Grand Prix returns as a double-header event (May 30-31, ABC) and is followed on the calendar by a night race at Texas Motor Speedway (June 6, NBCSN). The race on Streets of Toronto has moved (June 14, NBCSN) to accommodate the Pan American Games, and Mid-Ohio Sports Car Course (Aug. 2, NBCSN) returns to its familiar date on the calendar.

All races will be broadcast on radio by the IMS Radio Network through its affiliates, including SiriusXM Satellite Radio.
