County has growing need for affordable housing

By FRED SWIFT

Although the general public doesn't hear much about it, from federal subsidies to county grants. there is a growing need for providing affordable housing and related services for the lower income families in Hamilton County. In what is considered the state's wealthiest county, there is real need for housing because, contrary to popular belief, there are many folks who might be classified as the working poor or in many cases retired people from an office in the Noble Manor apartment complex on with very limited income.

Trying to supply homes for these folks are such agen-

ID Castings death ruled accidental

Hamilton County Coroner Thurl Cecil has ruled Thursday's death of ID Castings employee Anthony Brock as an accidental death.

Cecil's report indicated Brock, a maintenance worker for ID Castings on the south side of Noblesville, was preparing to fix a water leak inside the plant. The report stated Brock was operating a straight boom arial platform when he became trapped between a steel catwalk and the railing of the plat-

Arcadia receives grant for Blight Elimination Program

Press Release

Lt. Governor Sue Ellspermann announced today that two Indiana municipalities received Hardest Hit Fund Blight Elimination Program (BEP) awards in a second round of funding. The combined awards total approximately \$2.9 million to help eliminate blighted and abandoned homes in those communities. Arcadia and Fort Wayne were successful applicants in this round of funding.

The Blight Elimination Program provides an opportunity for local units of government in all 92 Indiana counties to compete for funding to eliminate blighted, vacant and abandoned homes in an effort to decrease foreclosures. The program has made a total of \$75 million available for blight elimination.

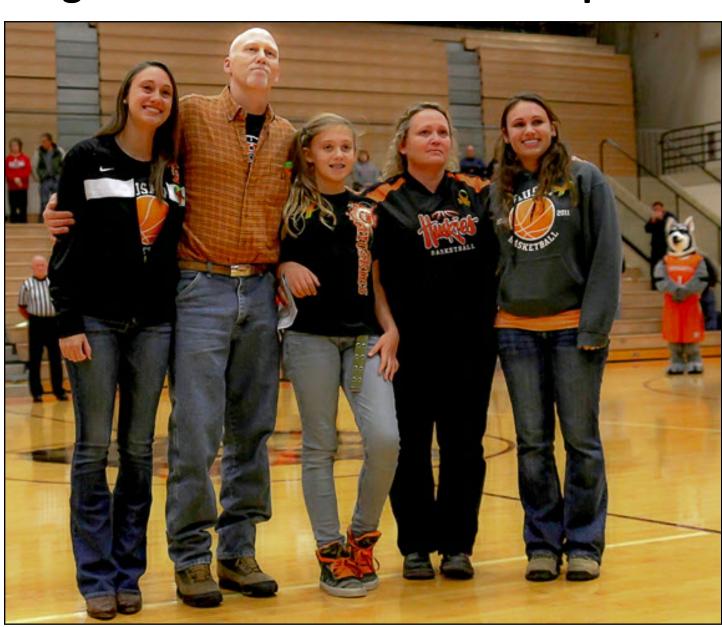

"The Blight Elimination Program is allowing communities throughout Indiana to address long-standing problems with blighted and abandoned homes," said Lt. Governor Sue Ellspermann. "This second round of funding provides an even larger impact, providing communities with an opportunity to obtain and remove structures that would otherwise continue to negatively impact neighborhoods."

The Town of Arcadia was awarded \$18,000 to acquire, demolish and facilitate an end use of one blighted residential structure located in Arcadia. With the blighted structure located on Main Street, town officials believe that demolishing the property will promote a healthy environment and community morale.

"Cities across Indiana have been struggling with the damaging effects caused by vacant and blighted properties and will soon see the benefits of these federal funds," said Sarah Bloom Raskin, Treasury Deputy Secretary. "Removing blighted properties is important in the fight to reduce foreclosures and we look forward to continuing our partnership with the State of Indiana to help stabilize hardest hit communities."

Division Two, which consists of Allen, Hamilton and St. Joseph counties, boasts 100 percent participation. In the first round

Fishers announces new City Controller

The Town of Fishers has named Oscar Gutierrez as the City Controller, a new position created in accordance with the governing of a second-class city, per state law. Gutierrez, who started on Monday, Nov. 17, brings leadership and a history of responsible fiscal policy to the Fishers

"Improving government services is a top priority for Fishers and we are very excited to have a public servant of Oscar's caliber on board," said Scott Fadness, Fishers Town Manager and Mayor-Elect. "His leadership and knowledge will play a vital role in advancing the already solid financial health of Fishers."

Gutierrez most recently served as the controller for the City of Lawrence, preceded by experience in financial management with the Department of Defense—where he was awarded the Joint Service Commendation Medal and the Joint Service Achievement Medal for his contributions. In addition, he is a non-commissioned officer in the Army Reserves with eight years of active duty and 12 years of continued ser-

Gutierrez's impressive resume also includes:

of Division Two funding, \$6.3 million was awarded. Allen County received \$4.7 million

for 193 properties and St. Joseph County received \$1.5 million for 64 properties. The Blight Elimination Program funds will be drawn from the \$221.7 million Hardest Hit Fund money allocated to Indiana. In February 2014, the U.S. Department of the Treasury (Treasury) approved the use of \$75 million of Indiana's Hardest Hit Funds by Indiana Housing and Community Development Authority (IHCDA) for successful BEP applicants. The partnership between IHCDA and Treasury allows IHCDA to provide funding to local units of government to eliminate blighted properties in an effort to prevent foreclosures and offer a variety of end uses for the newly cleared parcels, such as green space or redevelopment. The Blight Elimination Program is not a grant program. The program is a loan program that allows IHCDA to make funding available to successful applicants. The loans will then be restructured as forgivable loans using Hardest Hit Funds.

The State of Indiana has been divided into six funding divisions. Any local unit of government wishing to apply for funds to eliminate blighted homes must do so to IHCDA by their division deadline. Applicants will apply for funds from the funding division in which their county is located. All application deadlines for divisions one, two and three

IHCDA estimates that approximately 4,000 blighted and/or abandoned homes in Indiana will be eliminated through the Blight Elimination Program. Interested local government officials should visit www.877GetHope.org/blight to learn more and apply.

INDOT gives tips for winter driving

INDOT wants you and your family to stay safe on the roads this winter. By following these tips, you'll be ready for winter driving. And don't forget: Ice and Snow, Take it Slow!

Winter Driving Safety

•Knowledge: Before leaving home, find out about the driving conditions throughout Indiana indot.carsprogram.org. Safe drivers know the weather, and their limits. If the weather is bad, remember: Ice and Snow, Take it Slow... or just don't go.

•Clear: Remove any snow on your vehicle's windows, lights, brake lights and signals. Make sure you can see and be

•Inspect: Check your vehicle's tires, wiper blades, fluids, lights, belts and hoses. A breakdown is bad on a good day and dangerous on a bad-weather day.

•Time: Leave plenty of time to reach your destination safely. It's not worth putting yourself and others in a dangerous situation just to be on time.

Caution: Slippery When Wet!

•First Snow or Ice: Drivers often aren't prepared for winter driving and forget to take it slow. Remember to drive well below the posted speed limit and leave plenty of room between cars.

•Black Ice: Roads that seem dry may actually be slippery and dangerous. Take it slow when approaching intersections, off-ramps, bridges or shady areas these all are hot spots for black ice.

•Limited Visibility: Stay attentive and reduce speed. Know what's going on around you.

•Four-Wheel Drive: On snow and ice, go slowly, no matter what type of vehicle you drive. Even if you have an SUV with four-wheel drive you may not be able to stop any faster, or maintain control any

better, once you lose traction. Four-wheel drive may get you going faster, but it won't help you stop sooner.

•Give INDOT plow crews room to work. It's a difficult job and they're on the road 24 hours a day to keep you safe. Stay back, slow down and watch for plows making sudden stops or turns.

"We're big and young," said Heady.

The X factor to all of this is 6-5 senior guard who in a year will be playing at Purdue. Ryan Cline, who averaged 16.3 points a game last season, may be the best basketball player in the state this season. Certainly, he is in the Mr. Basketball conversations.

"Cline is a lot better this season," Heady said. "He is bigger and stronger. He's able to create his own shot, and he couldn't do that a year ago. At 6-5, he'll do some rebounding for us. On defense, Ryan is our best defender."

His junior year, Cline stuck in 43 percent of his 3-point attempts (65-of-15) and he was nearly automatic at the charity line, canning 71-of-86 free throws.

Cline will be joined in the Carmel lineup by two other Greyhounds who have solid varsity experience. They are 6-6 senior Keegan Culp and 6-5 junior Preston Flamion. Culp, another outstanding 3-point bomber (35-of-80), averaged 8.1 points a game last season. Flamion scored at a 2.3 clip. Flamion was a role player for Heady last season.

The other two starting spots will go to Trenton Richardson, a 6-8 junior center, and Sterling Brown, a sophomore who will trigger the offense from the point

"Culp will be used on the wing," Heady said. "He's a good shooter who this season will need to do other things.

"This is a good group. We are young and it will take some time to gain experience at the varsity level.

If Brown, Cline, Richardson, Culp and Flamion are in the starting lineup, as expected, first off the bench will be Liam Duncan, a three-year letterman who is 6-9, and Sam Oliphant, a 6-3 junior who lettered last year.

Two players on the varsity roster, 6-5 sophomore Britt Beery and 6-2 sophomore Ethan Merriwether, are with the state-bound Carmel football team and will miss the start of the basketball season. Also, Jacob Abrams, a 6-2 sophomore, is sidelined for Jan. 9, at Center Grove, 7:30 p.m. about a month due to an injury. Once Jan. 10, Westfield, 7:30 p.m. recovered, Abrams figures to work his way into the top eight.

Carmel also has added Warsaw, Pendleton Heights, New Albany and New Castle.

"All of those schools have good basketball programs," Heady said.

With the IHSAA allowing two extra Heady will put on the floor this season is games this season, Carmel will play 22 games; no tournament. Heady isn't sure that's good.

> "I'm okay with not playing a tourney," said the coach. "But, playing 22 games we will have five weekends of back-to-back, Friday-Saturday games. I would rather play a Tuesday game a couple of those weeks. Tuesday, Friday, Saturday would be more like what we face in the sectional.

> Carmel had its two-year run as state champion ended last year when losing to Hamilton Southeastern in the finals of the sectional. The Greyhounds' only other loss was to Cathedral.

> The Greyhounds will enter this season ranked No. 1 in the state.

> "I didn't say that," said Heady. "We're young and it will take some time?

Cyan Cosby scores 20 points...

Big third quarter propels 'Blazers to 1st win

By RICHIE HALL

Reporter Sports Editor

The third quarter had often been the problem quarter for the University girls basketball team during the early season.

C. Cosby

But after a little pep talk from the coaches, the Trailblazers reversed that scenario. Their reward was University's first win of the season, a 43-24 victory over Traders Point Christian Academy. The 'Blazers are now 1-3 for the year.

"It feels great," said UHS coach Stac-

ey Summitt-Mann. "These girls are working really hard. We have a tough opening schedule, so to be on our home floor, winning in front of our crowd, it's a really good feeling."

University led 22-14 at halftime, making four 3-pointers along the way. Cyan Star of the Game: Allie Towriss was all over the stat line, with 11 rebounds, four points, four steals and two blocks.

University record: 1-3. Next Game: University plays at Brebeuf Jesuit on Tuesday.

It was like a switch flipped on, and University blasted off on a 15-2 run. Six different players scored during that time, with Reilly Small and Cosby starting it off with a 3-pointer each.

Everything was working, including the defense. Honor Cosby and Allie Towriss both scored off steals late in the period, which ended with University ahead 37-24.

"I think our team played a different defense than we do usually," said Cyan half, with Hannah Lee Cosby. "We were really aggressive this game."

Mustache Dache at Grand Park this morning

Things are about to get hairy. Really

The Mustache Dache is the world's largest mustache themed running race series, with 25+ U.S. cities, and the series will stop in Westfield on Saturday at 10 a.m. at Grand Park.

The Mustache Dache® benefits Movember (MOVEMBER.COM), the leading worldwide charity for raising funds and awareness for men's health and prostate cancer initiatives. The symbol for the men's health movement is the mustache. The month of November is when the world puts a spotlight on the movement and growing the mustache. It follows the month of October, which is focused on women's health, with the color pink in schools, communities and even the NFL.

Athletes will be running in honor of a father, brother, uncle, grandfather or friend. Men are encouraged to grow a 'stache, and women and children can paint one on for the day! Check out MUSTACHEDACHE.COM for all the details. Join us for 3.1 miles of fun, costumes, contests and awards. Every runner receives an official Mustache Dache® t-shirt and finisher medal, and gets an invitation to our Mustache Dache after party.

Royals beat Bearcats, stay perfect

Star of the Game: Madi Taylor scored 10 points, grabbed 10 rebounds and drained three 3pointers.

Southeastern record: 4-0. Next Game: The Royals host Brownsburg in a Tuesday conference game.

Hamilton Southeastern rolled its record to 4-0 on Friday, using a big second quarter to cruise past Muncie Central 54-37 at the Royals' gym.

Southeastern outscored the Bearcats 18-5 in that period; that gave the Royals a 29-13 lead. HSE was able to maintain that advantage for the second half.

Four Royals scored in double figures, with Bre Lloyd leading the way. Lloyd scored 15 points and dished out five assists. Taylor Graham and Elaina Ededuwa each had 12 points; Ededuwa also pulled down six rebounds. Madi Taylor had an outstanding game: She totaled 10 points, including three 3-pointers, and reached a double-double with 10 rebounds. Megan Walton handed out four assists.
