CHRISTMAS

From Page 1

The group of kids and parents met at the sheriff’s office at 9 a.m. Saturday morning for donuts and orange juice. They were then paired up with a sheriff’s office employee to convoy down to the Fishers Target store in sheriff’s cars.

4 year old Mia Mejia of Noblesville was paired up with Capt. Dennis Quakenbush. A very shy Mia said “My favorite part was the ride in the police car.” Mia and her two brothers Owen (9) and Eli (6) participated in the program this year. Mia spent part of her money on herself and also bought gifts for her brothers.

Deputy Todd Green and his family have headed up the Shop for Kids program implemented by the Sheriff’s office six years ago. Green said that each of the kids were given \$125.00 to spend however they wanted. The only stipulation was that the gift had to be for the child or was going to be a gift to a family member from the child.

Green and his family start planning the event in October. Two fundraisers were held this year in cooperation with Logan’s Roadhouse in Noblesville. Monetary donations are also taken year round. “This year the local businesses really kept the program afloat” said Green.

Sheriff Bowen, his deputies and staff want to thank Target, Logan’s Roadhouse and the many business and private donations that make this program possible each year.

clothes and stay in their budget. Even the boys enjoy shopping. I still do not understand all the Wii’s and Xbox’s and Play Stations. Yes, they know what they are getting for Christmas but they have fun shopping as a family. My son and son-in-law enjoy staying home and letting their wives pick out their gifts. What we don’t find in the stores I find online. Amazon.com is my favorite.

I wrap as much as I can in ONE box for each person. Wrapping is a lot easier. I use fancy paper and ribbon and bows.

All of this has taken a lot of the pressure off of me. I am less stressed and not so overwhelmed. Actually, it’s now more than a week away from Christmas and for the first time I have everything wrapped, baked, and decorated. So can I relax?

I just happened to mention to my kids that my wrapping was done and guess what? I am now wrapping the gifts that they bought for my mother to give them. She also gives them a budget and lets them shop. Now I have 10 more gifts to wrap. I’m not telling them that my baking is done.

Celebrate Christ's birth, as we are precious in His sight

By LEANN WILSON

Death is only what happens to the body when the spirit soars.

To the heights of the Most Holy.
Flesh jealous for the soul that ascends on high.

To wonder a pilgrim no more.
Nay, no shadow to cast.

Through the gate of pearl. Down the streets of gold.

A knee touches down before His throne.

A lamb stands before the judge.

Behold the hands the held the

nails.

"Precious in the sight of the LORD *Is* the death of His saints" Psalms 116:15 (NKJV).

As created beings we sunk down into a pit of despair without hope for our souls upon death when Adam and Eve fell from the grace of God, "For as in Adam all die" (1 Cor 15:22 NKJV). But according to His plan, in the might of His sovereignty, and with a wondrous love beyond measure, He provided a means of reconciliation (Rom 5:8-11). For "Length of days for ever and ever" (Psalms 21:4 NKJV) will those who are His live with the LORD. While our time on earth and in the flesh is as a "vapour, that appeareth for a little time, and then vanisheth away" (James 4:14 KJV) our time with Him will be indiscernible, as those who are His will live in a perpetual time that can't be tracked. With no markings of the minutes or hours, those that are His will live in the always and forevermore

in a perpetual world without end in the presence of the great I AM. "And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain" (Rev 21:4 NKJV) where "no eye has seen, nor ear heard, nor the heart of man imagined, what God has prepared for those who love him" (1 Cor 2:9 ESV). But without the birth, there would have been no sacrificial death on the cross which was the instrument of reconciliation "For it pleased *the Father that* in Him all the fullness should dwell, and by Him to reconcile all things to Himself, by Him, whether things on earth or things in heaven, having made peace through the blood of His cross" (Col 1:19-20 NKJV). Only through the shedding of His blood could the debt of sin be paid (Lev 17:11, Heb 9:22)

"Therefore the Lord Himself will give you a sign: Behold, the virgin shall conceive and bear a Son, and shall call His name Immanuel" (Isaiah 7:14 NKJV) which is translated "God with us" (Matt 1:23 NKJV). More than 700 years before the birth of the Christ child, Isaiah prophesied that God would leave the throne of Heaven to be born in the flesh. Just as predicted, The Holy Spirit comes upon the virgin Mary and she conceives the Holy One who will be called the Son of God (Luke 1:35).

"Be silent, all flesh, before the LORD, for He is aroused from His holy habitation" (Zech 2:13 NKJV)! Sometime between 6-4 BC in the town of Bethlehem the savior was born. While we know Jesus was not born on December 25 this is the day that has become the acceptable day to celebrate the gift of the miraculous birth of God in the flesh - "For unto us a Child is born, Unto us a Son is given; And the government will be upon His shoulder. And His name will be called Wonderful, Counselor, Mighty God, Ever-

lasting Father, Prince of Peace. Of the increase of *His* government and peace *There will be no end*" (Isaiah 9:6-7 NKJV). To the shepherds in the fields of Bethlehem an Angel of the LORD carries the Good news (Luke 2:8-11). "And suddenly there was with the angel a multitude of the heavenly host praising God and saying: Glory to God in the highest, And on earth peace, goodwill toward men" (Luke 2:13-14 NKJV)!

Born in the flesh, fully man and fully God to make atonement for our sin so death would no longer have a hold on us for "if we died with Christ, we believe that we shall also live with Him" (Rom 6:8 NKJV). There is no mystery in death for those who belong to Christ for there is life in death. He was born on earth in order that we could be born again and have everlasting life (John 3:3-16 NKJV)! "**For God did not send His Son into the world to condemn the world, but that the world through Him might be saved**" (John 3:17 NKJV)! We are merely passing through this mortal world on our way home "for here we have no continuing city, but we seek the one to come. Therefore by Him let us continually offer the sacrifice of praise to God, that is, the fruit of *our* lips, giving thanks to His name" (Heb 13:14-15 NKJV). ".... God will redeem my soul from the power of the grave, For He shall receive me" (Psalms 49:15 NKJV). How precious we are to Him who says "**Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light**" Matt 11:28-30 (KJV).

Celebrate His birth and exalt His Holy name, He has come so we may have life!

Sheridan Children Christmas Party

By JEFF JELLISON

On Saturday approximately 100 local kids attended the annual Sheridan Children Christmas Party conducted at the town's Community Center.

During the event the children were able to make Christmas crafts, enjoy refreshments donated by local residents, visit with Santa and then choose a Christmas present from the several tables of gifts that filled the room.

Event coordinator, Bill Curl, a retired 29 year veteran of the town's police department, reflected on the past 30 years of being involved in the project. "Former Sheridan Town Marshall Jack Griffin handed this project over to me when he retired nearly 30 years ago. I love Christmas time and I want to continue Jack's mission of making sure Sheridan kids get Christmas presents." The project has also provided Christmas gifts for three to four less fortunate Sheridan families each year.

Curl said he is already working on next year's event. "We are making some changes in how donations will be handled." In the past supporters of the event channeled donations through the Sheridan Town Clerk's office. "We are in the process of establishing the Jack Griffin Memorial Christmas Fund at Farmers Bank. Next year cash donations can be made at the bank."

Millers defeat Peru by 11

Star of the Game: John Kiser had a double-double with 12 points and 13 rebounds.
Noblesville's Record: Won 3, Lost 1.
Next Up: Noblesville will play at Westfield on Friday and host Hamilton Heights on Saturday.

By DON JELLISON
Reporter Editor

Remember as kids those summer basketball games played on an outdoor court? First team to 40 wins. Or, was it first team to 20?

Whatever.

In a defensive struggle with Peru Saturday in The Mill, Noblesville was the first, and only, team to reach 30 and then the first, and only team, to reach 40 as Coach Brian McCauley's squad outslugged the visiting Tigers, 40-29.

Fans knew at the end of the first quarter that they were in for this kind of defensive classic. Noblesville, on three buckets by Jake Mills and a fourth by John Kiser, led 8-0 at the end of the quarter.

But, in the second quarter Noblesville scored only three points, all on free throws by Kiser. Peru found its offensive act and took a 14-11 advantage to halftime.

Noblesville started to take control with a 17-8 run in the third quarter and then outscored the Tigers 12-7 in the final period.

This Noblesville team, with two victories over IPS schools and the win last night over Class 3A Peru, coupled with a loss to Fishers, still is waiting to prove just how good it might be this season. But last evening, the Millers proved how tough they can be as they ground out the victory in a head-knocker type of battle.

"I thought our guys really showed a lot of toughness through the game," McCauley said after the smoke had cleared The Mill.

"John Kiser, Jake Mills and Sean Wilson all played well offensively in the second half," McCauley added.

Mills led all scorers with 14 points; Kaiser netted 12 and Wilson finished with nine.

Wilson hit a pair of 3-pointers; Mills scored five points and Kiser canned a pair of shots to lead the way as Noblesville came out of halftime with an offensive show.

But, it was Noblesville's defense which deserved the trophy on this evening, holding Peru to quarters of 0, 14, 8 and 7 points.

"David Cory, McGwire Plumer, Joey Brewer and Joey Herron all played very well defensively," McCauley said.

So did Kiser, who in the second half took over the job of handling Peru's Seth Adelsperger. The 7-foot Tiger center scored 10 points in the first half and zero points in the second half.

Herron did a nice job off the bench, coming in and hitting a shot and pulling five rebounds. His two points were the only scoring from the bench.

Jake Mills scored 14 points for Noblesville in its 40-29 victory over Peru Saturday night at The Mill.

Another plus was Noblesville's ball-handling. The Millers were charged with just nine turnovers.	Sean Wilson	2-5	3-4	9	1	Score by Quarters:

Star of the Game: Grant Weatherford scored 12 points, yanked eight rebounds and passed out five assists.
Hamilton Heights Record: Won 4, Lost 2.
Next Up: Heights will host Western in a Mid-Indiana Conference game next Friday.

Four Huskies scored in double figures and 10 Heights players got into the scoring column as Coach Chad Ballenger’s Hamilton Heights team rolled to a 77-61 victory over Tri-Central Saturday in the Husky Dome.

The game wasn’t even as close as the final 16-point margin appeared. Tri-Central outscored Heights 24-8 in the fourth quarter.

The issue was settled as the opening period as the Huskies zipped away to a 29-9 advantage. Heights led 45-22 at halftime and 69-37 after three quarters.

The winners hit 28-of-60 shots overall; were 10-of-24 from 3-point range and canned 11-of-13 free throws.

Heights’ leading scorer was Garrett Paull with 15 points, followed by Kurry Miller and Jadon White with 14 points each and Grant Weatherford with a dozen points.

Paull, the 6-6 senior who on Friday had a scoring-rebounding double-double in a victory over Lewis Cass, was on fire from the field last evening. He hit 6-of-7 shots, including a 3-for-3 night from 3-point range.

White was 4-of-9 from long range.

Weatherford led Heights on the boards, pulling eight of the Huskies’ 32 rebounds. Weatherford also had five assists and two steals.

The decision was Hamilton Heights’ ninth consecutive victory over Tri-Central.

Heights, with the victory, moved to 4-2 on the year and looking forward to a big upcoming weekend when the Huskies host Western in a key Mid-Indiana Conference game on Friday and then play at Noblesville on Saturday.

Golden Eagles win at Muncie Central...

Defense helps Guerin Catholic stay unbeaten

The Muncie Central Bearcats controlled the tempo and held Guerin Catholic's boys basketball team to their lowest offensive output of the season.

It was the first time in six games Coach Pete Smith's squad was held to less than 70 points. However Guerin Catholic's match-up zone defense forced the host's to 38 percent field goal shooting as the 3A No. 1-rated Golden Eagles won 64-54 Saturday night in the Muncie Fieldhouse.

Guerin Catholic trailed late in the second quarter 24-21 but senior Matt Labus scored the final four points of the quarter to give the Golden Eagles a narrow 25-24 halftime lead. Labus, who finished with 10 points, scored four of the first six points in the third quarter as Guerin Catholic stretched their lead to 38-33 as the teams headed into the fourth quarter. "Matt was really more of a key defensively tonight, but his offense was an added boost to us," said Coach Smith afterwards.

The Golden Eagles ran out to a 55-41 lead before poor free throw shooting in the fourth quarter kept Muncie Central (3-2) in striking range. However Christian Munson connected on 7-of-8 free throws in the final stanza on his way to a game-high 21 points,

Panthers complete weekend sweep...

NC wins big over HSE

Hamilton Heights native Doug Mitchell left Hamilton Southeastern Saturday evening after sounding a weekend warning to teams in this Class 4A sectional area.

His North Central Panthers may be the "team to beat" come sectional time.

After knocking off No. 1 ranked Carmel on Friday, North Central handled defending sectional champion Hamilton Southeastern, 68-51, at HSE Saturday evening.

This victory came easier than North Central's win against Carmel. The Panthers led 20-18 after one quarter and 38-29 at halftime and once had a 68-45, 23-point lead over a struggling Southeastern team.

Three Panthers scored in double figures, led by Wes Stowers with 16 points. Tyrie Johnson netted 15 and Kris Wilkes finished with 14 markers.

North Central hit 23-of-51 shots, including 9-of-22 from 3-point range, but was just 13-of-25 at the charity line.

NC now is 5-0 on the year.

Southeastern suffered its fourth straight loss since opening the season with an overtime win at Lake Central.

The Royals hit just 16-of-53 shots and were only 3-of-16 from 3-point territory.

Zach Gunn had another big night for HSE, scoring 14 points and completing a double-double with 14 rebounds. Greg Miller had seven boards as Coach Brian

Hamilton Heights coach Scott Fernung tries to rally his troops during the Huskies' Saturday afternoon game with Peru.

Still kids growing up...

Huskies drop close battle

By DON JELLISON
Reporter Editor

It might be interesting for fans of the Hamilton Heights girls basketball team to dream ahead and little and predict how many of the close games lost by this young squad, the Huskies will win a year from now.

Heights dropped another one of those close decisions Saturday at the Husky Dome, falling 70-61 to Peru in a Mid-Indiana Conference game.

It was what has become a typical game for the Lady Huskies this season. There are times when this young group plays well. There are other times.

You might expect that. There is one senior, Caitlyn Hays, on the team. Coach Scott Fernung starts Hays along with two freshmen and two sophomores.

Star of the Game: Heights freshman Kayla Kirtley scored 20 points.
Heights Record: Won 2, Lost 7.
Next Up: Dec. 16 at Western Boone

Heights was in the Saturday battle all the way. Once, early in the fourth quarter, Peru grabbed a 10-point lead. The Huskies cut that to four points.

With 39.8 seconds left, Heights was within five points, 64-59, on a 3-pointer by one of the freshmen, Lexi Branham.

“Our youth showed again today,” said Fernung. “We have our ups and downs.”

“We’re scoring enough points, in the 60s. But we are not getting enough defensive stops.”

Heights’ true chance of winning this game came when 6-3 junior Taylor Boyd

fouled out with 6:07 remaining. Boyd is improving quickly, but fouling still is her problem. The Huskies play much better when Boyd is blocking shots and scoring and not sitting on the bench.

“Losing Boyd was the difference today,” Fernung said. “This is the third straight game she’s had foul troubles.”

The Huskies’ biggest woes of the game were at the defensive end of the court. Peru stuck in 17-of-22 free throws, and that was a huge difference in the final outcome.

At the offensive end, the Huskies displayed a balanced offensive attack which was tough to stop.

Kayla Kirtley, a freshman, led the scoring with 20 points and also in double figures were Hays with 14 and Branham with 10. Ashton Runner notched eight points

and Boyd finished with seven. Hays canned four 3-pointers.

Welch scores 23 at Bankers Life....

Sheridan wins 7th game

Sophomore standout Brittany Welch and her Sheridan Lady Blackhawk teammates rolled into Indianapolis Saturday afternoon and lit up the big house.

Playing against an opponent from Clinton, Illinois, Welch poured in 21 points as Sheridan posted a 49-38 victory at Bankers Life Fieldhouse.

“Welch kept us in it early when we were struggling and the rest of the team picked us up in the second half,” said Sheridan coach Jeff Buckner.

The win was Sheridan’s third straight and moved the Blackhawks to 7-2 on the year.

“We struggled shooting free throws (7-20),” Guenther continued. “Audrey Reed and Rebekah Hopper hit 3’s in the fourth quarter to create some space. Payton Buckner picked up a key charge that really gave us a lift.

“We were able to turn them over. We played well in the fourth quarter and made it difficult on them on the offensive end,” the coach added.

Welch hit 10-of-23 shots and had eight steals, three rebounds and an assist.

Katie Hybarger and Faith DeVaney led Sheridan on the boards, each with five rebounds.

Sheridan trailed 23-21 at halftime before outscoring Clinton 28-15 in the second half.

Fuel show grit in shootout loss to Everblades

In the third of three head-to-head meetings between the two teams this season, the Indy Fuel climbed out of a 3-0 hole but ultimately fell in a shootout to the Florida Everblades on Saturday at Germain Arena in Estero, Florida by a final score of 5-4. With the shootout loss, the Fuel improved to 5-12-2-3 overall this season and with 15 points, remain alone in seventh place in the ECHL’s North Division standings.

The Everblades stormed out of the gate on Saturday and tallied three first period goals, from Adam Brace at 3:45, Mike Aviani at 4:09 and Brace again at 11:47 on the power-play, to take a 3-0 lead into the first intermission.

In the middle frame, the Fuel scrambled all the way out of a three-goal deficit and collected back-to-back-to-back tallies from Pete Massar less than one minute into the frame, Justin Holl on the power-play at 10:46 and Massar’s second of the game, a sizzling one-time finish at 14:28, to level the slate at 3-3 heading into the third.

In the final stanza the ‘Blades and Fuel scrapped to a mostly scoreless period before former Harvard Crimson captain Dan Ford rifled home his first career professional goal at 16:32 of the frame to deliver the Fuel their first lead of the weekend at 4-3. A late Brace power-play score at 19:03, the Everblades’ leading point man’s third of the night, forced overtime and eventually a shootout where Florida skated away 5-4 winners after potting two tallies to the Fuel’s none.

Eric Levine surrendered three first period goals on 20 shots faced in his second straight start in net for the Fuel before Cody Reichard entered in relief at the start of the second period and turned aside 26 of the 27 Florida shots he faced the rest of the way. Meanwhile, Everblades goaltender Allen York was solid in victory, stopping 28 of the 32 pucks he faced including all four Fuel attempts in the shootout.

Next up for the Fuel, it’s a Monday showdown at the Amway Center in Orlando, Florida vs. the Orlando Solar Bears with the opening faceoff set for 7:00 pm. Full radio coverage begins with the “Jose Cuervo Pregame Show” at 6:45 pm on CBS Sports 1430 WXNT-AM, online at www.cbssports1430.com and on smartphones everywhere via the free “TuneIn” Radio app with Fuel broadcaster Tony Brown providing the play-by-play.

Royals race strong at Homestead

The Hamilton Southeastern swim teams competed in the Homestead Invitational on Saturday.

The Royal girls finished a close second to Chesterton, 614-566. Southeastern swept all three relays, and got victories from Robyn Clevenger in the 50 freestyle and Natalie Mudd in the backstroke.

"This was big time racing and the Lady Royals showed up with a very strong outing," said HSE coach Andy Pedersen. "Seed times had Chesterton the favorite by over 100 points and while the ladies did not get a win, they made it interesting slashing that margin to less than half. At this point of the season, fighting for wins is much more important than actually getting wins and this team was completely engaged from top to bottom with the task at hand today.

Southeastern's boys finished third. The Royals won the medley and 200 free relay, and Joe Young picked up first-place ribbons in the individual medley and backstroke.

"These boys really grew up today and this was an outstanding performance for our men," said Pedersen. "The guys won 2 of the 3 relays and were also led by some great individual efforts. Seniors Wilson Clark and Quinn Teague had one of the best meets of their careers and just kept fighting all meet long. We will take the 3rd place and the gained experience any day as this performance will certainly help us come tournament time."

Better first quarter, but second quarter struggle stops Pacers

By WHEAT HOTCHKISS

Courtesy nba.com/pacers

The Pacers got off to a better start on Saturday night, but a disastrous second quarter doomed Indiana (7-17) to a 95-85 loss to the Portland Trail Blazers (18-6).

Indiana has now lost eight straight games for the first time in five seasons. The Blue-and-Gold last lost eight in a row from Dec. 18-30, 2009.

Portland outscored Indiana 36-15 in the second quarter. Those 36 points were the most by a Pacers opponent in any single quarter this season. The Blazers shot a blistering 78 percent from the field in the quarter, making 14-of-18 attempts. The Pacers, meanwhile, were just 6-of-20 in the period (30 percent).

"We're just not playing good enough," Pacers forward David West said after the loss. "That's what Coach said. It just wasn't

good enough. We gave them too big of a second quarter and that was basically the ball game."

The second quarter spoiled the Pacers' best start in several games. Indiana won the first quarter, 23-22. The Blue-and-Gold had lost the first quarter in five straight games and six of seven contests, falling into a significant hole on many occasions.

Rodney Stuckey and Roy Hibbert led the attack in the first quarter. Hibbert, who had amassed just 10 points and five rebounds over the past two games, had six points and five boards in his first 8:26 of action. Stuckey scored seven points, including a layup that gave the Pacers the lead with 28 seconds remaining in the quarter, and also grabbed five rebounds.

But the good vibes from the first quarter didn't carry over. The Blazers opened the period with an 11-2 run, hitting 3-pointers

on back-to-back-to-back possessions, two by Wesley Matthews and one by Steve Blake. Portland reeled off another 8-0 run midway through the period and stretched their lead to 20 on Damian Lillard's layup just before the halftime buzzer.

"They made threes," Stuckey said of the quarter. "They got the lead up. And they never looked back. We took our foot off the gas pedal just for a short period of time, and that lead went up to 15, 16 points. (Against) a team like that, you can't do that."

The Blazers stretched their lead to as many as 29 points midway through the third quarter before Indiana mounted an admirable charge. The Pacers scored the final seven points of the third and the first five of the fourth to cut deficit to 11 with 9:43 remaining.

The Blazers, meanwhile, missed their 12 of their first 13 shots to open the fourth

quarter and managed just two points until 4:28 remaining in the game. But Indiana failed to take advantage, never getting closer than eight points.

C.J. Watson led the Blue-and-Gold with a season-high 23 points on 8-of-11 shooting (4-of-5 from 3-point range). Watson scored 12 of his 23 points in the third quarter. Stuckey added 14 points and set a new career high with 14 rebounds.

LaMarcus Aldridge had 19 points and 14 rebounds to lead the Blazers. Lillard added 18 points and four assists.

The Pacers will look to snap their skid on Monday night, when they host Kobe Bryant and the Los Angeles Lakers at Bankers Life Fieldhouse at 7:00 p.m. ET.

"We've got to figure it out," West said. "The games keep coming, and in a couple days we've got another chance to get a win."
