The County Line...

A look back over the year's top stories

By FRED SWIFT

As 2014 comes to a close it is interesting to look back over the year and recount the major news events of the past 12 months. Some have already faded from memory for many of us. But, here are my picks for the Top 10 that made perhaps the most impact on the largest number of people.

Number 1: The wicked winter of '14. Polar Vortex became household words as Hamilton County experienced nearly constant cold and snow from Christmas til early March. As bad as it was we were lucky to avoid massive power outages, impassable roads or major fires that some areas experienced.

Number 2: The opening of the Noblesville Regional IVY Tech Campus brought more educational opportunities to the county. A wonderful example of cooperation between governing bodies of the county, city, schools and

school in relatively short order.

during the year four communities in the county were named in national publications as being among the best places in America to live, work or raise of life.

Number 4: General elections were held this year with the most interest but least participation in the May primary where county, township and some municipal officials were essentially chosen. Incredibly, only about one in ten eligible voters took the trouble to vote in May, and fewer than three in 10 in November.

Number 5: Probably the most vicious crime of the year was the a robbing and beating of Arcadia resi-Bud Moore. The 94dent year old veteran of WW2 was attacked in a home invasion. The crime shocked the community cost the town marshal his job. Moore survived and two suspects were arrested.

Number 6: A drug raid on a Carmel doctor's office resulted in a dozen arrests including the doctor, Larry Lay.

state enabled the establishing of the The case dragged on for months and is awaiting at February 2015 hearing on Number 3: At one time or another motions to dismiss all charges.

Number 7: The multi-million dollar expansion of Noblesville High School was completed for the school year. The expansion, undertaken due a family. Noblesville, Carmel, Fishers to rapidly increasing enrollment, came and Westfield were all cited for quality after a decision to keep one high school and the approval of a referendum to finance the improvements.

> Number 8: Highway construction caused headaches for many residents as U.S. 31 and other roads underwent major reconstruction in an effort to accommodate an ever-increasing traffic volume. Some of the road projects as well as new ones will continue in 2015.

> Number 9: The study and debate of public transportation plan lasted most of the year. The state legislature approved the option for a local referendum on funding for a commuter bus system from various locations in the county to downtown Indianapolis. During the debate, a light rail proposal was dropped.

Rep. Cook joined State Rep. Donna Schaibley (R-Carmel), also sworn in by Justice Rush, as the newest members of the 119th General Assembly.

Schaibley (R-Carmel) will serve House District 24. Rep. Schaibley was joined at the ceremony by her husband, John, and sister Jo Ann Thompson.

"It is an honor to serve House District 24 at the Indiana Statehouse," said Rep. Schaibley. "Being sworn in days before Christmas was such a memorable experience for me and my family. While I have a lot of work to do in preparation for the start of session, I look forward to diving in and addressing the most important issues facing our community."

Rep. Schaibley graduated from Purdue University with a Bachelors of Arts degree and served as a substitute teacher for many years. She remains active in her community and currently resides in Carmel with her husband and two children.

Remember the time...?

By JANET HART LEONARD

On Christmas Day I waited patiently line in for

my Christmas ham...at Hardees. Yes, Hardees. You see I had just gotten off a plane from Tampa and I was picking up Christmas dinner for my mother and I. My kids were with their in-laws. My

refrigerator was bare since Chuck and I had been visiting our Tampa Family for ten days. My Mom is no longer able to cook a big dinner. Mom doesn't like Chinese food so our choices were limited.

Chuck had taken me to the airport about 8:00 a.m. that morning. As we walked inside, it was eerily quiet and there were no lines. Well, there was a large line at SunCountry Airlines. I told Chuck "Honey, I bet all those people are Cubanese and are headed to Cuba. He looked at me and laughed. He knew I was using a "Janetism" to break the stress since we both were feeling anxious about being apart for a few days. I needed to get back to work for the end of the year car sales event. He needed to stay behind and put away all the Christmas decorations and of course play a little golf. I was feeling guilty about the decorations and he was feeling guilty about the golf.

My main reason for returning on Christmas Day was to be with my mother. With her being 88 years old I never take time with her for granted. When I asked her what she wanted to have for Christmas Dinner she said, "let's just get a ham and cheese sandwich at Hardees." She even had a coupon." I paid \$4.98 for two sandwiches for our Christmas Dinner. And of course we watched Hallmark movies

On New Year's Day we will celebrate Christmas with our Indiana family. There will be a brunch with all the traditional favorites but Mom and I will always remember the time that Hardees catered our Christmas Dinner. It will never become a tradition but it sure will be a great memory and a great story to tell.

The Cupboard has recently completed a canned food drive. This event is where a lot of churches and the community bought canned goods to donate to Mama's Cupboard. All of the ladies thought the food drive was successful and want to send their thanks to all of the people who participated. All of the support they received is greatly appreciated. Shortly after the Prosecutor's filing, Winkler's defense attorney James Voyles, on December 19 filed a notice of insanity or mental disease defense.

Hamilton County Superior Court 3 Judge Williams Hughes conducted an initial hearing on Tuesday on both filings.

Chief Deputy Prosecutor Andrea Mishka explained his office is seeking life without the possibility of parole and a firearms enhancement.

Mishka stated Indiana law allows for the possibility of life without parole when certain aggravating circumstances exist.

Mishka explained committing murder by lying in wait is an aggravating circumstance according to Indiana law. Mishka also stated that if Winkler is convicted of murder and it is proven that Winkler was lying in wait to commit the murder, Winkler could face the possibility life imprisonment without the possibility of parole.

Mishka also explained that if Winkler is convicted of murder, and it is proven that Winkler knowingly and intentionally used a firearm that resulted in death or serious injury while committing the murder, Indiana law allows for 5-20 years additional sentencing.

Heights sets 2015-16 and 2016-17 school calendar

Hamilton Heights School Corporation has set its school calendars for the 2015-16 and 2016-2017 school years. The calendars, approved by the Hamilton Heights School Board at its December 23, 2014 meeting, set the first day of school for students at August 11, 2015 and the last day at June 2, 2016 and for the following year the first day of school for students at August 9, 2016 and the last day at June 1, 2017.

"The recommended revisions to the next two years' calendar were the result of careful review of data from the previous year and input from the leadership team comprised of parents, teachers and administrators," explained Dr. Derek Arrowood, Superintendent, Hamilton Heights School Corporation.

These calendars include a later start date including two week days of State Fair that students are not in session. In addition, Fall Break will consist of one week off following the last day of the first quarter; three days at Thanksgiving; two weeks for a Holiday Break following the last day of the second quarter and first semester; and two weeks for Spring Break the last week of May and first week of April. Six Flex Days have been worked into the calendar to be used in the following order: the first two days include a potential of a four-day weekend in February. The fifth and sixth Flex Days include the first two days of Spring Break. "These enhancements continue to allow us to utilize the positive aspects of a balanced calendar continuity to provide the best possible calendar for our students and teachers while helping to prevent us from going deeper into June due to weatherrelated school closings," added Dr. Arrowood.

Police also recovered from Winkler's home a handgun and ammunition believed to be used in the murder.

Kim was found dead in Windermere Park on November 1st. An autopsy report indicated Kim had been shot three times and his throat had been slashed.

During the hearing Voyles argued the sentencing enhancement of life without parole would not apply if Winkler was proven to be an individual with mental retardation. 'We haven't raised that issue, but we do have an insanity defense that will provide for a mental evaluation."

Based on the defense's notice of an insanity defense Judge Hughes ordered a mental evaluation to be conducted by two individuals appointed by the court. Hughes stated, one would be a psychiatrist and the second would be either a psychiatrist or a psychologist.

Winkler is schedule for a jury trial on April 7, 2015.

With a win at their own Christmas Tournament...

Golden Eagles are back on track

By RICHIE HALL

It had been a long month for the Guerin Catholic girls basketball team.

The Golden Eagles had to deal with injuries and illnesses, which certainly didn't help matters as they muddled through a seven-game losing streak. But as December ends, Guerin's team is getting healthy.

So how to celebrate? Hmmmm...how about winning your own tournament?

Sounds good to the Golden Eagles. They won both their games at the Guerin Catholic Christmas Tournament Saturday, overwhelming Broad Ripple 63-22 in the first round and holding on to beat Elkhart Central in a physical 40-35 championship game.

After 40 years, Lutz's Noblesville store included as Salvation Army receives... Steakhouse is saying goodbye

By FRED SWIFT

Hamilton County says goodbye to a landmark restaurant on New Year's Eve. Lutz's Steakhouse on Road 32 midway between Noblesville an Westfield is closing after nearly 40 years as a popular dining spot for locals.

Originally it opened in the 1970s as Calloway's, it was the area's first upscale steak place and was immediately popular for business luncheons, attorneys meeting with clients, politicians, service club meetings and family gatherings.

The building's construction was a bit different from your average free-standing restaurant, it is a group of modular units fastened together. But, the average patron would probably not realize that. The interior is finished in wood paneling and appears spacious.

The steakhouse was part of the Eldon Palmer development now known as Pebble Brook with hundreds of homes surrounding a popular golf course. Dave and Nancy Lutz purchased the restaurant in 1983 and the name was changed. Dave Lutz died five years ago, but Nancy continued the operation.

The New Years Eve dinner hour is nearly booked to capacity as one last big night is scheduled. And, at midnight there will be special meaning when they sing 'Let not old acquaintances be forgot.'

HOLIDAY BASKETBALL UPDATE

A special report on all of Monday's tournament games

One for the memory books...

One for the memory books.

Noblesville's upset of Lawrence North in the semi-final round Saturday of the Noblesville Holiday Tourney was one of those games when Millers fans 50 years from now will pull out the scrapbook and remember: "Sure, I was in The Mill on night of Dec. 29, 2014 when that happened."

There may be more to come.

The 43-40 victory over No. 9 Lawrence North last evening has move Coach Brian McCauley's eager Millers into tonight's championship game of this outstanding 3rd annual event. Noblesville will play 6-1 Crown Point for the tourney championship at 7 p.m.

Crown Point did some surprising of its own last night by knocking off Guerin Catholic, 66-59.

Even more to remember, perhaps, for long-time Noblesville basketball fans is that the win last evening came in Noblesville's first game with Lawrence North since the 1996-97 season when the Wildcats defeated the Millers 60-47.

Winning against the 6-0 Wildcats no question became a signature victory to the McCauley's first year at Noblesville with a Miller team which now stands 7-1 on the year.

This victory was highlighted as in earlier Noblesville wins this season, the Millers controlling the tempo of the game against a lightning-quick LN team. Noblesville slowed down that quickness with patience on offense; outstanding defense, and a good effort on the boards.

"I'm really proud of this team," said McCauley. "They showed their toughness tonight. The kids showed patience on offense; limited their turnovers; made free throws and played solid defense."

A key stat to victory came in the turnover column, as the Millers were charged with just seven.

"Three or four of those were us throwing ay the basketball; not Lawrence North

John Kiser, shown here during Noblesville's game with Chesterton, scored 19 points, including two big free throws with 1:50 left, in the Millers' win over Lawrence North Monday in the semi-finals of Noblesville's holiday tournament. The Millers play Crown Point for the championship tonight.

taking it from us," said McCauley.

Another key stat was rebounding. Noblesville was outboarded 23-18, but that number could have been a lot worse against a taller, quicker-to-the-boards Lawrence North team.

Noblesville led 9-7 after one quarter and 20-14 at halftime. But, Lawrence North took a 31-30 edge into the fourth period and the battle for victory and advancement in the winners' bracket of the tourney was on hot-and-heavy.

There were so many huge plays down the stretch.

"They had us down by five points at one time," McCauley pointed out.

Noblesville took a 38-36 lead on a shot by Jake Mills with 4:15 remaining.

David Cory hit two free throws for a 40-38 advantage at the 3:41 mark.

John Kiser sank two free throws to give the Millers a 42-40 lead with 1:50 left.

Joey Brewer had his second consecutive Sean Wilson made the final score 43-40 double digit game, scoring 11 points.

Noblesville's overall 15-of-35 shooting and 6-of-17 from 3-point range wasn't Lawrence North's final two shots in the outstanding, mainly because of the Lawrence North quickness which forced hurried shots.

But, Noblesville was 7-of-9 at the Kiser, the junior forward, had a charity line. All of those attempts came in

Ranked Chesterton no match as...

Millers 'Control' 64-50 win

By DON JELLISON

Reporter Editor

Sparked by a 3-point explosion by senior guard Jake Mills, Noblesville outscored Chesterton 23-12 in the third quarter and then played cat-and-mouse basketball the rest of the way to upset Trojans, 64-50, in the opening round of the Monday Noblesville Holiday Tourney in The Mill.

Chesterton came to Noblesville with a

6-1 record and ranked 19th in the latest Class 4A poll.

Noblesville led 15-9 after one quarter and 26-19 at halftime and then put away Chesterton when Mills drilled five 3pointers in the third period.

"The third quarter was an outstanding quarter for us," said Noblesville coach Brian McCauley.

"Chesterton hit a 3-pointer right before halftime to cut the margin to seven, but Mills opened the third quarter with a 3-point shot. They had to chase us after that, and we were able to kick-out the ball to Mills. We had good spacing, and that helped."

Mills, who finished with 18 points (on six 3-pointers) led Noblesville's scoring with 18 points, followed by Sean Wilson with 16, John Kiser 12 and Joey Brewer with 10 points.

Brewer, the Millers' 6-3 forward-center, hit 4-of-4 shots, including a pair of attempts from 3-point range.

"Brewer hit some key shots today," said McCauley.

Noblesville did a great job shooting the basketball, hitting 9-of-17 shots from long range and sticking in 15-of-16 free throws.

As Chesterton tried to play catch-up basketball, the Millers went to the line 12 times in the fourth quarter and connected on 11 of the charity attempts. Wilson was 5-of-6 and off the bench McGwire Plumer stuck in 4-of-4 and Rayn Ogden canned 2-of-2

As has become a trademark of this

controlled the tempo of the basketball game. The Millers showed patience in their shooting, and while handling the ball Noblesville turned it over just 11 times

As McCauley pointed out, Noblesville got the early lead and after that Chesterton had to play the Millers' game.

Brewer, Mills and Wilson all hit 3pointers in the first quarter as Noblesville zipped to the 15-9 lead. Kiser led the way in the second frame with three buckets.

Wilson had an outstanding game, dishing out six assists along with his 16point scoring performance.

Kiser led Noblesville on the boards with eight rebounds and Wilson pulled five.

Noblesville finished with a 23-16 McCauley-coached team, Noblesville advantage on the boards. That along with a

20-of-35 shooting night overall from the field and the sizzling shooting at the charity line never really allowed Chesterton in the game.

Noblesville Turnovers: 11

After beating New Haven...

Guerin falls to Crown Point

By DON JELLISON **Reporter Editor**

Many local basketball fans attending the

3rd annual Noblesville Holiday Basketball Tourney Saturday at The Mill were hoping for one of two happenings.

*Guerin Catholic and Noblesville, two teams located in Noblesville, meeting in the championship game.

*Guerin Catholic, in the championship game, getting revenge from its only loss of the season, that being to Lawrence North a week ago.

The Golden Eagles today will meet Lawrence North at The Mill, but not in the championship game. They will play in the 1 p.m. consolation game after Guerin Catholic was beaten 66-59 last evening by Crown Point and Lawrence North was upset by Noblesville.

"We let them (Crown Point) back in the game in the second quarter and then struggled with our shooting after that," said Guerin coach Pete Smith. "We faced some tough (individual) matchups out there tonight."

Crown Point held Guerin scoring ace Matt Holba to 16 points on 6-of-20 shooting and a 0-for-6 day from 3-point range.

"Obviously, they knew Holba, having seen him play at Chesterton (before moving to Guerin his junior year last season)," Smith said. "We had trouble getting Matt through the offense tonight. Crown Point took him out of his area."

Christian Munson led Guerin's scoring with 19 points. Also in double figures was Matthew Godfrey with 12.

Guerin Catholic's day started much better when the Eagles opened tourney play with a 54-43 victory over New Haven.

Stars of the Games: Matt Holba with 23 points and 11 rebounds against New Haven and Christian Munson with 19 points in the loss to Crown Point. Guerin Catholic Record: Won 8, Lost 2 Next Up: Tourney's third-place game today with Lawrence North at 1 p.m.

Holba hit 10-of-18 shots, scored 23 point and completed a double-double with 11 rebounds. Munson also scored in double figures with 12 points and also dished out five assists.

'Our defense was good, but we again struggled shooting the ball," Smith said.

The Eagles were 22-of-55 overall and just 3-of-17 from 3-point territory.

Panthers take over in 4th quarter to beat Fishers

By RICHIE HALL

Reporter Sports Editor

Fishers liked where it was after three quarters of a battle with No. 2-ranked North Central Monday at the Panthers' Holiday Tournament.

The Tigers were trailing by only 41-36 going into the fourth period. But NC took control in that final quarter, outscoring Fishers 28-11 and getting a 69-47 victory. North Central advanced to its own championship game this afternoon, while the Tigers play Springsboro (Ohio) in the consolation game.

Fishers coach Joe Leonard said that his team was with the Panthers for three quarters. The Tigers were sticking to their game plan, and it was keeping them close.

"Our game plan was to move the ball a little bit, keep them in a stance, try to keep the ball out of their hands, take open shots if we had them," said Leonard.

"So for three quarters, we were with them," said Leonard. "And I told them in the locker room, they're a sectional opponent. We have to learn between now and then to be with them for four quarters. And I would take being down five points in the sectional with three minutes, not eight minutes left."

Star of the Game: Lance Dollison's 11 points and five rebounds led the Tigers. Fishers Record: Won 5, Lost 4. Next Up: The Tigers play Springboro (Ohio) at noon in the North Central tourney's consolation game.

Fishers led in 8-7 in the first quarter, after Lance Dollison hit a 3-pointer. After a Panther basket, Luke Wehner drained a '3' of his own to give Fishers an 11-9 lead.

North Central scored four points to end the period with a 13-11 lead, and would never trail again. But the Tigers wouldn't go away, keeping it close throughout the second and third quarters. Shawn Taylor had some good minutes in the second period, with six points. He helped keep Fishers within 28-23 at halftime.

The Panthers got up 38-28 in the third quarter, but a quick eight-point run the Tigers back to 38-36. Tyler Wolfe drained two 3-pointers that sandwiched another Taylor basket. A 3-pointer by Wes Stowers got North Central its five-point lead to enter the fourth quarter. Cameron Wolter cut that advantage to 41-38 with a basket, but the Panthers went on a 12-0 run over the next two minutes to take control of the game.

The 'Hawks were in control from start to finish. Twelve different players scored for Sheridan, with Brittany Welch getting a team-leading 23 points.

Katie Hybarger and Audrey Reed led the rebounds with five each. Reed also made seven steals, and both she and Welch had four assists.

Lady Royals fall to top ten Ohio team

By RICHIE HALL

Reporter Sports Editor Hamilton Southeastern's girls basketball team has played some tough Indiana squads this season.

Now the Royals can add one of Ohio's best to the list.

Southeastern took on Springboro, which is rated No. 10 on the MaxPreps Ohio girls basketball rankings, Monday at the North Central Holiday Tournament. The Royals led late in the fourth quarter before Springboro used a 15-4 run to hand Class 4A No. 8 HSE its second loss of the season by the score of 55-50.

The Royals will take on New Albany in the consolation game of the North Central tourney at 10 a.m. this morning.

"I think our biggest problem is, we take a six-point lead and we come down and shoot the basketball really quick out of a time-out," said Royals coach Chris Huppenthal. "We were supposed to do something and we didn't do it."

Southeastern led 46-40 with 3:40 left 35-34. in the game, but two quick scores got Springboro to within 46-45. Kelly

Star of the Game: Bre Lloyd led the Royals with 21 points.

Wurth, Springboro's best player, scored on a layin, then Courtney Hillis followed that up with a three-point play. Springboro soon took the lead on a putback, and used free throws to get its final margin.

The Royals trailed 11-7 after the first quarter, and 17-12 approaching the midway part of the second quarter, but came back to lead 27-24 at halftime. Bre Lloyd scored six points, both on a traditional 3-point play, and on a 3-pointer that proved to be the last basket of the half.

Southeastern led by as much as 33-26 in the third quarter, but a sudden sixpoint burst got Springboro back to within 33-32, and a 3-pointer put it back in front
