Hamilton Heights school custodian arrested on drug charges

By JEFF JELLISON

Jasper

Officers from the Hamilton County Sheriff's Office arrested a Hamilton Heights School Corporation custodian on theft and drug related charges on March 10, 2015.

Arrested was Nancy Teresa Jasper, age 52, of Cicero, who was employed as a

night custodian at Hamilton Heights Primary School.

Hamilton County Sheriff Deputies became involved after a School Resource Officer took a report of the theft of student medications from a locked medicine cabinet in the nurse's office at Hamilton Heights Primary School in early March. Further investigation into the theft uncovered the additional thefts of medication from at least three students at the Primary School over the course of a two week period. Jasper, who was on-duty during the

times of the alleged thefts, was arrested while working at the school. Deputies stated Jasper was in possession of narcotics and amphetamines allegedly stolen from the nurse's office as well as a key to the medicine cabinet when she was taken into custody.

Hamilton Heights Superintendent Dr. Derek Arrowood said, "The employee is currently on unpaid leave until her termination can be decided upon by the school board. It is a sad situation. It's unfortunate when employees in a school violate not

only the community's trust, but the school's trust. It's very frustrating when one employee makes an egregious mistake that gives the rest of the school corporation a black eye."

Jasper was initially charged with five counts of misdemeanor Theft, and two counts of Level 6 Felony Possession of a Controlled Substance. Jasper was taken to the Hamilton County Jail where she later was released on a \$7,500 bond.

Noblesville Schools names the 2015... Innovative Teachers of the Year

Noblesville Schools has named four educators as 2015 Innovative Teachers of the Year. The teachers were nominated by their peers and were then selected for the honor by a committee of teachers and administrators.

The winners are:

- Lauren Caldwell, kindergarten at Hazel Dell Elementary
- Jessica Homan, media specialist at Noble Crossing Elementary
- Kelly Geiselman, 7th grade social studies at Noblesville East Middle School
- Kayti Hahn, art teacher at Noblesville High School

One teacher was chosen to represent each academic level:

Hahn

Caldwell

Geiselman

Homan

(grades K-2, grades 3-5, grades 6-8 and grades 9-12) and selection focused on teachers who best exemplify Noblesville Schools' mission and vision. The teachers selected are regularly demonstrating new and exciting ways to connect with their student learners through innovative techniques that sparks curiosity and empowers students.

Some examples include:

- Lauren Caldwell provides student-led problem solving opportunities in her classroom and is creating a learning environment using digital tools that connects her kindergarten students to the larger world in which they live.

Sobriety checkpoint to be conducted this weekend

A sobriety checkpoint will be conducted in Hamilton County on the night of Saturday, March 14th and the early hours of Sunday, March 15th.

The Hamilton County Traffic Safety Partnership (HCTSP) is a consortium of law enforcement agencies in Hamilton County working to increase the usage of seatbelts, to combat aggressive driving, and to decrease impaired driving with the overall goal of creating a safer Hamilton County. The HCTSP is comprised of the Hamilton County Sheriff's Department, Fishers Police

Department, Carmel Police Department, Noblesville Police Department, Westfield Police Department, and Cicero Police Department, with the assistance of the Indiana State Police.

Impaired driving is one of our nation's most frequently committed violent crimes. Just in Indiana in 2012, alcohol-related traffic crashes killed 158 people (up from 140 in 2011), accounting for approximately twenty percent of all fatal crashes, and injured another 2,112 people.

Stacked Pickle to be part of new Monon Marketplace

By JEFF JELLISON

WKRP Indy announced today Greenwalt Development has signed a lease with the Stacked Pickle restaurant group to occupy 4,500 square feet of dining space and a large outdoor dining area in the Monon Marketplace, which will be located on State Road 32 just west of U.S. 31.

A news release issued by Greenwalt Development quoted The Stacked Pickle's owner, former Indianapolis Colt Gary Brackett saying, "I am extremely excited about bringing Stacked Pickle to Westfield. When thinking about our offering of food and drinks I envision being able to service places like Westfield that embodies

everything we look for in selecting a site. The City has really done a great job developing Grand Park and we are excited to give the families that attend the park another dining option."

Curt Whitesell of WKRP Indy, the firm hired to market the Monon Marketplace, stated "The Stacked Pickle was one of the early tenants in and Gary Brackett saw the potential for that area quickly. We hope that having the Stacked Pickle and bakery announcement coming soon; will only encourage other retailers to take the leap."

Construction of the Monon Marketplace is expected to begin in April with occupancy by fall of 2015.

Obituary

Florence M. Johnson

February 6, 1932 - March 6, 2015

Florence M. Johnson, 83, of Noblesville, was peacefully called home to be with her Lord and Savior on Friday, March 6, 2015 at Prairie Lakes Health Campus. She was born on February 6, 1932 to Victor and Myrtle (Branscomb) Hall in Beckley, West Virginia.

Florence worked for Hamilton County Welfare for over 20 years before retiring in 2001. Strong in her faith, she was a member of Christ Community Church and enjoyed serving in the food pantry and planting flowers at the church. She loved gardening, and loved her family. Not only was Florence the best mother and grandmother in the world, she was a selfless and devoted sister and aunt. Her memory will be cherished by those who knew and loved her.

Florence is survived by her daughter, Julie Bower of Fishers; brother, Wendell (Alma) Hall of Lexington; grandchildren, Megan (Jack) Close of Fort Wayne, and Chelsea Reynolds of Boston; four nieces and three nephews; and several great-nieces and nephews.

In addition to her parents, she was preceded in death by her brothers, Jack & Lee Hall; and sister, Virginia Johns.

Services will be held at 2:00 pm on Saturday, March 14, 2015, at Randall & Roberts Funeral Home, 1150 Logan Street, in Noblesville, with visitation beginning at 12:00 noon until the time of service. Rev. Mark Fidler will officiate. Burial will be at Oaklawn Memorial Gardens in Indianapolis.

Memorial contributions may be made to Christ Community Church Noblesville, 772 North 10th Street, Noblesville, IN 46060.

Condolences: www.randallroberts.com.

TEACHERS

From Page 1

The winners were presented a laser engraved award made by Noblesville High School students and a \$250 professional development grant. Their names will also be engraved on a plaque displayed at the district administrative headquarters.

The announcements were made as part of the district Miller Shift Learning Showcase event, where faculty and students displayed over 70 interactive accomplishments aimed at highlighting the Miller Shift learning experience. Miller Shift is Noblesville Schools’ unique approach to 21st Century education where active and engaged students select, plan, research, and communicate about real-world projects so learning is deeper, collaborative and relevant.

Noblesville Schools employs approximately 650 teachers.

- Jessica Homan has created “makerspaces” in the school library to encourage creative thinking and has launched a Kindle digital reading program, student computer coding clubs and a school-wide genius fair.
- Kelly Geisleman is seen as a leader by her peers and is a go-to resource for ideas and assistance regarding classroom technology use, creative student engagement practices and successful student-centered learning experiences.
- Kayti Hahn is bringing innovative approaches to the classroom and creating a larger audience for her students’ work by incorporating digital media interaction into student exams and launching public student art shows in downtown Noblesville.

CHECKPOINT

From Page 1

About 1000 people are convicted of an impaired driving offense annually in Hamilton County alone, and nearly 200 of those are repeat offenders. In 2012 in Hamilton County, for example, the State filed 1004 charges of operating while intoxicated. Of these, 158 drivers had prior convictions for operating while intoxicated within the last five years.

To combat this crime, the Hamilton County Traffic Safety Partnership will be setting up sobriety checkpoints around Hamilton County to aggressively deter, detect, and arrest those drivers who make the decision to drive impaired. Sobriety checkpoints have proven successful in both raising awareness of impaired driving and reducing the likelihood of a person driving after they have been drinking.

In order to raise awareness of the prevalence of impaired driving in our community and the efforts of the Partnership to combat the crime, the Partnership maintains a webpage at <http://www.hamiltoncounty.in.gov/topic/?topicid=36&structureid=26>.

At a sobriety checkpoint, law enforcement officers evaluate drivers for signs of alcohol or drug impairment at a specified point along the roadway, often depending upon the support of local property owners for the use of appropriate land. Checkpoint sites are selected based upon analysis of available crash and impaired driving arrest data and a consideration of officer safety.

Vehicles are stopped in a specific sequence, such as every other vehicle, every third vehicle, every fourth vehicle or by stopping three, four, or five cars in succession and allowing other traffic to proceed while checking the stopped vehicles. The planned sequence in which vehicles are stopped depends on the number of officers available to staff the checkpoint, traffic congestion, and other safety concerns.

Upon making contact with the driver, the officer advises them that they've been stopped at an HCTSP sobriety checkpoint and asks for the driver's license and the vehicle's registration. If, in the course of the contact, the officer detects that alcohol may be involved and that the driver may be impaired or if some other issue arises, then the vehicle is directed into a pull-off area for further investigation. Further investigation may involve the Standardized Field Sobriety Tests (SFSTs). On the other hand, if all looks right during the initial contact, the driver is often on his or her way in less than two minutes.

Officers staffing the sobriety checkpoints work on an overtime basis paid by grant funds from the National Highway Traffic Safety Administration through the Indiana Governor’s Council on Impaired and Dangerous Driving.

Sobriety checkpoints are legal in 39 states, including Indiana, and the District of Columbia. In 1990, the U.S. Supreme Court ruled that, if conducted properly, sobriety checkpoints do not constitute an illegal search and seizure. In the 2002 case of State v. Gerschoffer, the Indiana Supreme Court found that sobriety checkpoints are constitutional when conducted properly. Members of the Hamilton County Prosecuting Attorney’s Office work with the Partnership to ensure that each checkpoint meets constitutional requirements.

Should you have any questions regarding these sobriety checkpoints, please contact Chief Deputy Prosecuting Attorney [Andre Miksha](#) at 317-776-8595.

Founder of Gear Going Global...

IUPUI freshman wins National Jefferson Award

Wesley Boone, founder of Gear Going Global, was selected as the Jefferson Awards Foundation's national LEAD360 winner. In the first phase of the JAF LEAD360 challenge, Boone was selected along with 14 other finalists from 5000 applicants for a winning "Big Idea." Boone competed in the Health & Wellness category. After a social voting component online, Boone was one of three finalists invited to the JAF national gala in New York City Wednesday, March 6th where he was announced the overall winner. He received a JAF medal and a two-week international trip with Rustic Pathways.

Boone, a 2014 graduate of North Montgomery High School and a current freshman at IUPUI, began Gear Going Global as a junior in high school after watching the WFYI documentary Power to the People about Hoosier linemen who traveled to Guatemala to establish electricity for three remote villages. He was distressed after seeing kids trying to play soccer with trash and rocks. Boone who has played sports since he was young wanted them to be able to experience the same joy. Through Gear Going Global, Boone collects new and gently used sports gear and sends it to children in developing countries. In two years he has sent 22 shipments of sports gear to children in over 13 developing countries. To help distribute the gear internationally, Boone partners with other nonprofit organizations that are already traveling to developing countries.

Besides fulfilling Gear Going Global's mission, Boone hopes that other kids his age will be inspired to make a change in the

world according to their own passion despite their resources. "Even if they are just one person, they can make an impact" Boone said. "It all starts with them changing their perspective from what they can get to what they can give. Everyone can be a leader in some capacity." Boone's website is www.geargoingglobal.org.

Don't let a "quick fix" undermine your efforts to be healthy

By SHARON MCMAHON

"Everything is hard before it is easy."
- Goethe

When I read/hear/view about all the wonderful "weight loss" programs that abound in our Western society today, I am saddened by the number of people who literally buy in to the multi-billion dollar industry which frequently promises miraculous results, and in a very short time of course! To the best of my knowledge (and in my Christian belief) authentic miracles are recorded only in the Holy Bible. And to the best of my memory (although I am not a biblical scholar!) weight loss is not recorded as one of those miracles...

That brings me to the topic of this article. We have become a society which expects, and even demands, instant results. From the growing/preparation of our foods - having the "dream home" - to wrinkle removers and everything in between, we want it *now*. Generally, the effects of smoking, eating poorly, a sedentary lifestyle and inactivity take a while to actually become visible. Yet the general population expects remarkable results in a short period of time. Lose 20 lbs. in a month - sure! Nine inches off the hips in a matter of weeks - why not!

It seems to me, with the number of fitness centers, weight-loss programs,

workout DVD's, and the high-tech fitness equipment available, that 70% of Americans should not be overweight. ¹ Let's take a look at some of the possible reasons why this might be the case. Grocery "super stores" are filled to the brim with many aisles of processed, sugar-heavy, chemical-laden items. The next time you are tempted to toss one of these items in your cart, be sure to check out the expiration date. The further out the date, the more wary you should be of that particular "food" product. Additionally, if you live in any area of the country that claims to be a city or town, you don't have to travel far to access a "fast food" establishment. Although it is true that some of these provide salads and some pseudo-healthy alternatives, too many of us frequent them far too often.

There is a modern, proverbial adage, "if it sounds too good to be true, it probably is" and I do believe this in relation to the above topic. People are frequently derailed when they find they are unable to obtain their fitness goals in a short period of time, and/or stay consistent with the healthy lifestyle required to maintain their goal. Don't let the "quick fix" mentality undermine your efforts and determination to be healthy, fit, and energetic. You *can* do it!

Greatest need in Carmel, Westfield...

Kroger hiring at all Hamilton County stores

Kroger Central Division is seeking to hire hourly store associates for meat, produce, deli/bakery, general merchandise, customer service and store management in all Hamilton County stores. That includes two Noblesville stores, three Fishers stores, one Carmel store and both Westfield stores. The great need is the Spring Mill store in Westfield with up to 150 vacancies and the Carmel store with 144 vacancies. Both stores are being remodeled and expanded.

A Kroger hiring center is open now where interested applicants can apply, complete interviews and learn more information about exciting store opportunities. Instead of visiting the "Little Kroger" in Carmel, interested applicants can stop by the Kroger Hiring Center at 99 East Carmel Drive, Suite 130, Carmel, IN 46032 (*less than half a mile from the store*). The phone number for the store is 317-

574-0877, extension 2554 for the hiring center.

Included in the 300 new positions in Carmel and Westfield are several that are new to Kroger in the Indianapolis region, including: two executive chefs, six sous chefs and many other positions in our expanded deli bakery, meat and seafood and produce departments. A mixture of full-time and part-time positions will be available in all stores.

Kroger's Westfield store at 161st Street and Spring Mill Road is having a job fair Friday, March 13th, from 1 pm to 6 pm.

For additional information on employment opportunities with Kroger, please visit <https://www.kroger.com/topic/careers> and click on the "store jobs" link on the left side of the screen, then enter zip code for your community.

With JV, middle school games at Biddle Park...

Sheridan varsity softball games to be played at Grand Park

By JEFF JELLISON

Sheridan Community Schools has announced they are finalizing plans to change the location of middle and high school softball games.

Dr. David Mundy announced varsity home games for 2015 will be played at nearby Grand Park. JV and middle school games will be played at Biddle Park.

“When originally built the high school field was meant to be a temporary facility. Recently the opportunity came along for us to partner with the Town of Sheridan, Biddle Park and a couple other organizations to make improvements to one of the park’s softball fields,” said Mundy.

“Our goal is to improve the Biddle Park field to the quality of a sectional or conference tournament type of site.”

“I’d like to point out this could not have been possible without the willingness to help from the town and the recreation board, they have been great to work with.” continued Mundy.

Grand Park, located in Westfield, is one of the nation’s finest baseball and softball facilities. “The opportunity for our varsity team to play home games at Grand Park is huge.” Mundy is uncertain if games at Grand Park will be played on artificial turf or traditional dirt fields.

Moving varsity games to Grand Park is temporary. "Beginning with the 2015-2016 season all middle school and high school games will be held at Biddle Park.”

Holiday World’s Thunderbird takes its first flight

Press Release

Twenty water-filled test dummies got the ride of their lives today as they experienced the first flight of the nation's only launched wing roller coaster.

As this week's snow thawed, Thunderbird roared to life this afternoon and launched its first train 14 stories into the cloudless sky at 2:03pm, completing a full ride circuit on its first try.

"We've been joking that on this day when we usually 'spring forward' to Daylight Savings Time, we decided to launch forward," says Holiday World's president, Matt Eckert. "This is a huge milestone for us – Thunderbird is the greatest investment we've made since we opened in 1946. Our season begins in just seven weeks."

Thunderbird, Holiday World's first major steel roller coaster, features a zero-to-60

miles-per-hour launch in 3.5 seconds, followed by multiple inversions - including a 14-story Immelmann loop, Zero-g roll, barrel roll, and a loop soaring 125 feet in the air.

Continuing Holiday World's tradition of sending roller coasters through its thickly wooded and hilly terrain, Thunderbird at first soars and loops high in the air and then hugs the ground, with rapid-fire "near misses" such as a fly-through barn, stone chimneys, other rides, trees, and even the ground.

Holiday World opens for the season on April 25, with the premiere of Thunderbird. Splashin' Safari opens May 13. For more information about the parks and seasonal job opportunities, visit HolidayWorld.com or call 1-877-463-2645.

Celebrate St. Patrick’s Day early... Carmel Arts and Design District gallery walk this Saturday

Are you ready to get a jump start on St. Patrick’s Day fun? Wine and dine at one of the District restaurants, browse the new and exciting exhibits at the nine District galleries and explore all the unique things the District has to offer during the Second Saturday IU Health North Hospital Gallery Walk on **Saturday, March 14, 2015** from 5-9 p.m.

Join Irish Native **Rosaleen Crowley** in celebrating her Irish culture with “**Land of Mine: An Irish Journey through Art and Poetry**,” where she will share her paintings, poems and stories, display a miniature Irish Farmhouse and answer questions about her cultural heritage. After a quick history lesson, commemorate the evening with a **fun photo op** featuring **St. Patrick’s Day themed props and costumes**. A professional photographer will be on hand to take your photo and will e-mail them directly to you at a later date. These free activities will be located at 111 W. Main St., Suite 135 (next door to Auntie Em’s Frozen Custard & Cupcakes).

Additional features and activities taking place during the March Gallery Walk include:

A showcase of **fine art paintings** by new artist **Susie Gregory** at **ArtSplash Gallery** (111 W. Main St., Suite 140)

Exhibit of works by Lindsey Tull at **Inspire Gallery** (111 W. Main St., Suite 120). Lindsey's passion is capturing the beauty of the Midwestern landscape where she grew up, giving each piece her own creative interpretation

A special feature of first grade student Jamilyah's artwork "**Red Poppy**" at the **World’s Smallest Children’s Art Gallery** (40 W. Main St.). “Red Poppy” was a part of the recent Georgia O’Keeffe exhibition at the IMA and selected in a statewide competition for this honor.

Opening reception of "**Abstract**" at **Hoosier Salon** (22 N. Range Line Rd.)

Free samples of tasty treats made with their oils at **The Olive Mill** (10 S. Range Line Rd.)

Free caricatures by **Custom Eyes Design** (In Auntie Em’s Frozen Custard & Cupcakes 111 W. Main St., Suite 130)

Entertainment by harpist **Jan Aldridge-Clark** at Inspire Gallery (111 W. Main St., Suite 120)

Be a part of the **Scavenger Hunt** that will lead you to find select pieces of art in each of the participating galleries and businesses. Begin the hunt at the ArtSplash Gallery (111 W. Main St., Suite 140); follow the clues through the District, then turn in your completed clue sheet to receive a lucky charm. Collect a different charm at each Gallery Walk throughout the year to complete a whole charm bracelet by the end of the year. Your completed clue sheet will also enter you for a chance to win one of the following prizes:

Print from Roseanne Crowell of ArtSplash Gallery (\$30 value)

Guerin will open against Lebanon....

Eagles are 18-8; Tigers 9-15

By DON JELLISON
Reporter Editor

Pete Smith was disappointed when following the 2010-11 season Lebanon dropped Guerin Catholic from its schedule. Smith saw the series as a good one between two strong Class 3A programs, located in driving distance.

“The series was 1-1,” Smith said. “We’ve since inquired about playing each other, but with no luck.”

Guerin Catholic will meet Lebanon this Saturday in the opening game (10 a.m.) of the Greencastle Regional. Tri-West and West Vigo will play in the second game.”

Guerin’s Golden Eagles are 18-8 and ranked No. 11 in the final Class 3A poll. Lebanon, in a rare losing season for the Tigers, will bring a 9-15 record into the regional.

The second game matchup will have Tri-West, 20-4 and ranked No. 8, going against an unranked West Vigo team which is 14-12.

“It was no surprise to us that Lebanon won their sectional,” Smith said. “Although their record wasn’t great, they had played a better schedule than the other teams in the Frankfort Sectional.”

Lebanon, after losing five of its sixth final regular season games, won the sectional with wins over Western Boone 59-45 and Frankfort 53-50.

“I saw them play on television against Noblesville,” Smith talked about the Tigers. “In November we scouted Hamilton Heights at Lebanon and Lebanon got annihilated by Heights. Lebanon has improved a ton since then.

“They are a young team, even though they start a couple of seniors,” Smith added.

Lebanon is led in scoring by a 6-6 sophomore, Trevor Lakes, who is averaging 17.5 points a game. Next in the scoring column is sophomore Will Byrd at 6.4 and junior Kyle Williams at 6.2. Jordan Mount, a 6-2 junior and the grandson of Rick Mount, averages 5.0 points a game.

“We will not take Lebanon lightly,” Smith said.

Guerin is coming off a romp in the Brebeuf Sectional with wins over Herron 80-68, Brebeuf 55-37 and Marshall 58-39.

“I really knew our team could play well this season,” said Smith. “The second half of the Brebeuf game was a good indication of that. The team really focused well and made the adjustments in the second half. The Marshall game was pretty anticlimactic. Our guys were not going to have a letdown,

HSE’s young stars share spotlight...

Tigers, Royals dominate

One of the fun things about the outdoor sports season is seeing new kids take the spotlight. That’s what three Hamilton Southeastern young stars did at the Hoosier State Relays qualifying meet at Anderson University.

Freshman Camille Christopher won the 60 dash and sophomore Breanna Wright and freshman Mia Mackenzie were 1-2 in the 60 hurdles.

The meet was dominated by Southeastern and Fishers athletes.

“It was a good start to our season,” said Southeastern coach Julie Alano. “Currently six individuals and three relay teams are in qualifying positions.”

Freshmen Angela Perry and Christopher teamed up with juniors Alexa Jenkins and Denee McKinney to place second in the 4x200 relay.

“Wright and Mackenzie ran with Bre Lloyd and our only returner from last year’s state runner-up 4x400 relay, Ashley Mager, for a second place in that event,” said Alano.

Fishers also had a great meet.

“Blake Inglis broke her own indoor school record while winning the shot put,” said Fishers coach Andrew Belloli.

“Our 4x200 relay team broke the indoor school record while placing first. That foursome included Paris Carver, Brooklyn Banks, Salynda Berndt and India Johnson. Emily Fletchall tied her own indoor school record to win the pole vault.

“Overall, it was a great start to what promises to be an exciting season,” said Belloli.

In the boys competition, Hamilton County winners were Fishers senior Josh Lloyd in the 60 dash; Hamilton Southeastern sophomore Ben Wagoner in the 3200; Southeastern junior Ethan Bray in the pole vault; and Fishers senior Tres Carver in the long jump.

Also, in the 4x400 relay, Fishers place first with junior Nathan Greiling and Keyshawn Burrell and seniors Simeon Foster and Josh Lloyd.

On Wednesday, the Fishers girls team won the Whiteland HSR Qualifier at the University of Indianapolis. The Tigers were led by Emily Fletchall, who shattered her own indoor school record to win the pole vault (11’3”). Danielle Harrison won the 60 meter dash (8.08), and teamed with Salynda Berndt, Maryna Clark, Kayla Crose to win the 4 x 200 Meter Relay (1:48.34). The girls are back in action this Saturday at the HCC Indoor Invitational at Wabash College.

and Marshall was not a very good team. Now that I have watched the film, Marshall really played tough, and we defended them very well.”

Guerin has played well down the homestretch. The Eagles have won six of their last seven games, losing only to Pendleton Heights in overtime.

Nick Schneider earned a start in the three sectional games and made the most of the opportunity.

“Schneider really battled and ran the floor well,” said Smith.

“Matt Holba played like a warrior. Cameron Lindley is making better decisions than he was earlier in the season. He also got on the defensive boards.

“Matt Labus was vintage Matt Labus, taking charges, grabbing 50-50 balls and leading the defense.

“Matthew Godfrey was a sparkplug off the bench, particularly offensively, as were Alex Mazanowski, Calen Cunningham and Brian Matthews.

“And, although Christian Munson didn’t shoot the ball as well as he’d like, he really did a great job in our press-breaker offense all three games.”

Holba, the 6-6 senior, is close to averaging a double-double. He is scoring at an 18.9 clip and he is averaging 9.7 boards a game.

Munson also is averaging in double figures, scoring at a 15.2 clip.

“I can tell you we’re excited to finally play Lebanon again,” Smith added.

The second game will have Tri-West, based on rankings the favored team in the regional, taking on West Vigo.

In the championship game of the sectional, Tri-West defeated No. 6 Danville, 49-48, a team which beat Tri-West twice, 64-57 and 61-60 in overtime, during the regular season. Tri-West only losses have been the two to Danville and to Brownsburg 71-45 and Mooresville 77-64.

West Vigo lost its last four games of the regular season and then won the sectional with a 72-59 win over Northview, a 52-49 double-overtime over Owen Valley and a 58-56 double-overtime victory over Brown County.

“It has become our team motto, sort of, that our biggest challenge is to value the basketball and not give up the baseline defensively,” said Smith. “Our guys are getting it better now.

“Additionally, when we’re not shooting well we need to focus on getting stops at the other end. We did that overall pretty well in the sectional.”

Hamilton County Reporter Wrestler of the Year Austin Holmes, Hamilton Southeastern

Brian Reddick/File photo

Austin Holmes had a spectacular sophomore year as a Hamilton Southeastern wrestler, and he followed it up with another strong season in his junior year. For his continued, consistent excellence on the mat, Holmes is this year’s Hamilton County Reporter Wrestler of the Year.

Holmes’ numbers speak for themselves. He compiled a 44-5 record for the season, and finished fourth in the state at 113 pounds for the second year in a row. Along the way, he picked up every important championship, winning the Hamilton County meet (wrestling up at 120 pounds), the Hoosier Crossroads Conference meet, as well as sectional, regional and semi-state titles.

IBCA/Subway girls all-state honors set

Fifteen seniors and 15 underclass girls basketball players have earned IBCA/Subway "Supreme 15" All-State honors for 2014-15, it was announced Wednesday.

In a new level of awards, the IBCA also named 30 Large School All-State players (15 seniors, 15 underclass) and 30 Small School All-State players (15 seniors, 15 underclass).

The "Supreme 15" is the top honor awarded, and players were voted to that group without regard to school size. The Large School and Small School all-state teams are secondary accolades -- the Large School group including players from Class 3A and Class 4A schools and the Small School group including players from Class A and Class 2A schools. Players who make the Supreme 15 are not considered for Large School or Small School honors.

In addition, 76 more seniors and 87 more underclass players were selected honorable mention all-state. The honorable mention laurels are awarded without regard to school size.

Those voted to the IBCA/Subway Supreme 15 Senior girls' team are: Jenna Allen, Bedford North Lawrence; Lamina Cooper, Lawrence North; Jordan Frantz, NorthWood; Victoria Gaines, Merrillville; Darby Maggard, Fort Wayne Canterbury; Dominique McBryde, Bedford North Lawrence; Michal Miller, Michigan City; Adrianna Murphy, Fishers; Tiara Murphy, South Bend Washington; Ali Patberg, Columbus North; Madeline Raster, South Bend St. Joseph; Zuriel Sanders, Evansville Central; Tori Schickel, Evansville Mater Dei; Stephanie Sherwood, Evansville Memorial; and Brittany Ward, Pike.

Those voted to the IBCA/Subway Supreme 15 Underclass girls' team are: Camryn Buhr, Penn; Lindsey Corsaro, Roncalli; Dana Evans, Gary West; Ae'Rianna Harris, Lawrence North; Tyasha Harris, Heritage Christian; Holly Hoopingarner, Greenwood; Karissa McLaughlin, Homestead; Katelyn O'Reilly, Noblesville; Destiny Perkins, Richmond; Jayla Scaife, Muncie Central; Sydney Shelton, Mt. Vernon (Fortville); Kristen Spolyar, Lebanon; Emily Sullivan, Evansville Memorial; Madison Wise, Greenfield-Central; and Jackie Young, Princeton.

The IBCA/Subway All-State teams are selected through a process organized by the Indiana Basketball Coaches Association and presented by Subway Restaurants of Indiana. All IBCA-member head coaches have the opportunity to nominate top players from schools in the traditional regional structure of the non-class tournament format. Representatives from each of those 16 regional areas, plus six district representatives (two each from IHSAA Districts 1, 2 and 3), then meet to review those nominations, vote and finalize the selections.

Subway Restaurants of Indiana once again is making a financial contribution to the IBCA Scholarship Fund as the presenting partner of the IBCA all-state teams. As part of the partnership, Subway also will provide plaques to Supreme 15 honorees and certificates to players receiving Large School All-State, Small School All-State or honorable mention all-state recognition. Those items will be available to each recipient's coach at the annual IBCA Clinic in April, allowing her coach to present the award to each player.

Kent Graham/File photo

Fishers senior Adrianna Murphy and Noblesville senior Becca Bergman received honors from the IBCA on Wednesday. Murphy was named to the IBCA/Subway girls Supreme 15, while Bergman was selected to the Senior Large School All-State team.

The IBCA thanks Subway Restaurants for being a partner in this annual project.

The complete 2015 IBCA/Subway Senior All-State and 2015 IBCA/Subway Underclass All-State teams for girls basketball are listed below.
