I'll get over it...Soon I hope

By JANET HART LEONARD
In October I got a flu shot. This past week, I got the flu.

I was at work when out of the blue, it hit. I got that achey feeling like I had been hit by one of our dealership's dualy, diesel, cab and chassis F 350's with a stake bed.

If you don't know, that is a big truck.

I left work and dragged my shadow home.

How sick was I? I cancelled a hair appointment. Making it worse was knowing my stylist was headed on vacation. Yikes! I was really sick.

When I got home I opened up the medicine cabinet. Mucinex. Ricola cough drops. Acetaminophen. Rice bags. Yes, rice bags heated in the microwave oven to relieve the chills. My body had a wind chill factor.

I found my comfy pajamas and afghan that my mom crocheted for me. I needed all the comforts of home. I curled up in bed for fifteen hours. I thought I'd feel better. I was wrong.

My husband brought me some chicken noodle soup. The next day he made me French Toast. Nothing like comfort food and a wonderful caretaker to help you feel better.

I coughed until I thought I couldn't cough any more. But I did. I was exhausted.

It's been three days and I am lying on the sofa with my iPad on my stomach as I write this. I could have probably written to Don and Jeff Jellison and begged off writing for this week's column. But neither snow nor sleet nor the flu will stop me.

I wish I could be funny or witty or have heartwarming thoughts but this week I can't.

Just a few days ago, Chuck and I had discussed that we had escaped being sick this winter. There were snow flurries this week and so It seems that winter and the flu have lingered a bit longer this year. I'm over the lingering stuff. Now I just want to be over the flu.

About that shot I got in October? I'd like a refund.

Carmel remains cutting edge

By MARY SUE ROWLAND

In community building, best practices with cutting edge decisions continue to add to the vision Carmel has set in place. Arts and Design Districts, the Carmel City Center and more has transformed a small town into a major city with more amenities than anyone can count.

Mayor Brainard is a realist when considering options for his community and

gives the opportunity to build and keep a great community thought and effort. He has said, "How do you compete with San Diego and Silicon Valley for the best and brightest in the workforce? We don't have mountains, oceans or a great climate but neither did Paris, France. They did just fine because they built a beautiful city".

Recently the Carmel City Council approved an expenditure of \$698,050.00 honor 15 community arts organizations without a single descending vote. The City of Carmel has an Arts Fund equal to 1% of the city's annual budget. Last year, the city granted \$632,335.00 to 13 arts organizations. Besides the obvious advantages of the arts in building tourism and quality of

life, the commitment may be closer to building solid economic development.

From the National Governors Association in 2013, a report called "New Engines of Growth" which included five roles for arts, culture and design in community building. One of the first sections talks about overcoming community challenges using arts, culture and design. Certainly all communities have challenges but not all communities understand the way to fix the problems or to utilize existing resources. The report in the executive summary states that concerns over job creation, smart elected officials are calling on the role of the

arts, culture and design and how it can play a role in creating jobs and boosting economies in the short run and an innovation based economy in the long run.

The government of Carmel has "read the book" or maybe even "written the book" on using resources and investing in their community with results. The Arts and Design District is more than it might appear. The arts is more than building audiences and more about building an economic sound base for the community. Carmel has accelerated innovation, build human capital and revived distressed areas. If the arts did not work to help build a great community then there would be no reason to invest in the community and the people who work hard each day building an arts program. That fact is the investment and hard work does pay off and Carmel is the proof.

Here are this year's recipients: Actors Theatre of Indiana, \$145,000; Booth Tarkington Civic Theatre, \$190,000; Carmel

Arts Council \$13,000; Carmel Community Players \$14,000; Carmel Symphony Orchestra \$200,000; Central Indiana Dance Ensemble \$11,000; Gregory Hancock Dance Theatre \$42,000; Indiana Ballet Conservatory \$18,000; Indiana Symphony Society \$7,500; Indiana Wind Symphony \$12,000; Indianapolis Children's Choir \$3,700; Indianapolis Symphonic Choir \$12,000; International Talent Academy \$14,000; Museum of Miniature Houses \$12,000; Young Voices Inspire \$2,750.

In 2009, the Indiana Arts Commission designated 6 Cultural Districts. The 6 Cultural Districts are Tippecanoe Arts Cultural District, Carmel Arts and Design District, Bloomington Entertainment and Arts District, Columbus Arts District, Nashville Arts and Entertainment District, Madison Arts and Cultural District. These 6 Cultural Arts Districts just may be on to something.

Indianapolis Chamber Orchestra names Music Director

Kraemer

The Indianapolis Chamber Orchestra Board of Directors is pleased to announce the appointment of Matthew Kraemer as Music Director and Principal Conductor. Kraemer's selection was the result of a comprehensive international search process which included Board, staff, and musicians' input. Board President T.J. McGovern says of the selection, "Matthew

Kraemer will bring a cutting-edge voice to the Indianapolis Chamber Orchestra and lead our Intimate concert experiences, Classic repertoire, and Original programming into a new era."

An Indiana native and graduate of Butler University, conductor Matthew Kraemer is recognized for his "musical sensitivity" and "energized sense of interpretation."

Kraemer says of his application for the position that "the Indianapolis Chamber Orchestra is a dynamic organization comprised of superb musicians providing its audience an impressive variety of music and concert formats. This position would undoubtedly be highly attractive to any

conductor, but I am also drawn to the ICO because of my sincere affection for the rich and varied repertoire available to chamber orchestra."

Appointed Music Director of the Butler County (PA) Symphony and the Erie (PA) Chamber Orchestra in 2012, Kraemer has reinvigorated both ensembles with innovative programming and elevated artistic standards. His active guest conducting schedule has included appearances with many of the nation's finest orchestras.

The search for a new music director began in July of 2013, triggered by the announcement of Maestro Kirk Trevor's imminent retirement in May 2015. The

search culminated in three finalists who were invited to appear with the ICO during the 2014-2015 season. Each finalist was asked to program and conduct a concert, while having the opportunity to interact with the musicians and the community.

Indianapolis Chamber Orchestra Vice President of Audience Development and owner of Meridian Music Craig Gigax says, "I'm thrilled about our new Music Director. He represents a new beginning to the ICO and Indianapolis, and will bring energy, ideas, relationships with soloists, and an innovative vision."

Clothed in His righteousness, we are beautiful

By LEANN WILSON

In re-reading last week’s devotion I noticed an error that needs correction. I inadvertently referenced Ezekiel 32:19 when I said in heaven no one beauty surpasses another. However Ezekiel 32 is actually the prediction of the destruction of Pharaoh and Egypt (which is additionally a representation of the unconverted) which will take its place in Sheol amongst other fallen nations. It is in Ecclesiastes 3:11 that scripture tells us God has made everything beautiful in His time. Our time on earth is filled with an ever changing succession of seasons. Each season having been appointed by God is good in its time, yet we longingly look back to seasons past or look in anticipation for a future season, never really finding full and complete satisfaction in any one season. We fail to grasp that the soul will not be satisfied until we awake in glory in the likeness of the Lord and behold the face of righteousness (Psalms 17:15). There is a season coming in glory when we, the saints who have faithfully followed Christ, will see God face to face. And we will be seen, clothed in “the garments of salvation” and covered “with the robe of righteousness” Isaiah 61:10 (KJV). Yes, we do wear the righteous robe because of Him while in the here and now but we have a tendency to play in the dirt. Oh but soon and very soon we will be in the throne room of God face to face with Him, a pure and Holy God who will not dwell with the sinful (Psalms 5:4), here we are clothed in garments acceptable for the royal court and the coming marriage feast (Matt 22:1-14). Clothed in garments tailored by the righteousness of God Himself; it is His righteousness that make us precious and acceptable in the sight of God. It is His righteousness that justifies us before God sparing us from the judgement wrought by sin! By His providence and divine majesty He has clothed us in the beauty of complete holiness; it is due of His mercy that the sinner saved by grace will not suffer the second death thereby escaping permanent separation from God and the lake of fire (Rev 21:8). And this only by the blood of the lamb! “Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.....He was oppressed, and he was afflicted, yet he opened not his mouth: he is brought as a lamb to the slaughter, and as a

sheep before her shearers is dumb, so he openeth not his mouth” Isaiah 53:4-5-7 (KJV).
In exact fulfillment of Zechariah 9:9 Jesus rode into Jerusalem on the colt of a donkey with the crowds waving palm branches and crying “Hosanna” (John 12:12-19), “Hosanna to the Son of David: Blessed is he that cometh in the name of the Lord; Hosanna in the highest” Matt 21:9. Then in only a few short days following this first Palm Sunday Jesus brings the work of salvation to completion. It was finished according to God’s providential plan, with Jesus praying “not my will, but thine, be done” (Luke 22:42) he was “obedient unto death, even the death of the cross” Phil 2:8 (KJV). But death held no sway over our Lord; He overcame that grave and rose in glory. Evermore, He holds the keys to death and hell itself! With sinful man now reconciled to God, He presents those who belong to Him holy and blameless (Col 1:22) before the Almighty God clothed in perfect righteousness- exquisitely fitted when seen through the perfecting blood of the suffering Messiah – the best robe for the prodigal Son. This is a garment we could never fit to ourselves, we ourselves could not make a robe that fits this well as our tailoring is more than faulty for we are all as unclean things, and all our righteousness is as filthy rags (Isaiah 64:6). We are clothed in garments without wrinkle, without spot (Eph 5:27) because of Christ and His atoning sacrifice. Made righteousness by the blood that cleanse from sin. Behold the beauty clothed in his righteousness!
There is a season coming in glory that will last an eternity when we *will* behold His face in righteousness and we *shall* be satisfied (Psalms 17:15). This is the eternity set in our hearts by God which the soul longs for (ECC3:11 & Psalms 63:1-20). It is more than a duration of time. It is a time spent in infinity embraced by, consumed by, perfect goodness and boundless love! Therefore the ambassadors of Christ beseech thee “...be ye reconciled to God. For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him” 2 Cor 5:20-21 (KJV). You need only believe with the heart and confess with the lips “I believe that Jesus Christ is the Son of God” (Acts 8:37) “for with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For the scripture saith, Whosoever believeth on him shall not be ashamed” Rom 10:10-11 (KJV).
“Death is swallowed up in victory. O death, where is thy sting? O grave, where is thy victory?” (1 Cor 15:54-55). “Thanks be to God, which giveth us the victory through our Lord Jesus Christ” (1 Cor 15:57)

Easter Recipe

“Through THE GRAPEVINE”

By LADONNA GREEN

EASTER STORY COOKIES
"To be made the evening before Easter."
You'll need:
1 cup whole pecans
1 t. vinegar
3 egg whites
pinch of salt
1 cup sugar
zip lock baggie
wooden spoon
tape
Bible
Preheat oven to 300 degrees.(don't wait till you're 1/2 done with the recipe).
Place pecans in baggie and let children beat them with wooden spoon in to pieces.
Explain after Jesus was arrested He was beaten by Roman soldiers. Read John 19:1-3.
Let each child smell the vinegar. Put 1t. into mixing bowl. Explain that when Jesus was thirsty on the cross, He was given vinegar to drink. Read John 19:28-30.
Add egg whites to vinegar. Eggs represent life. Explain that Jesus gave His life to give us life. Read John 10:10-11.
Sprinkle a little salt into each child's hand. Let them taste it and brush the rest into the bowl.
Explain that this represents the salty tears shed by Jesus' followers, and the bitterness of our own sin. Read Luke 23:27.
So far, the ingredients are not very appetizing. Add 1 cup sugar. Explain that

the sweetest part of the story is that Jesus died because He loves us. He wants us to know and belong to Him. Read Ps. 34:8 and John 3:16.
Beat with mixer on high speed for 12-15 minutes until stiff peaks are formed. Explain that the color white represents -in God's eyes- the purity of those whose sins have been cleansed by Jesus. Read Isa. 1:18 and John 3:1-3.
Fold in broken nuts. Drop by teaspoon on wax paper covered cookie sheet. Explain:
each mound represents the rocky tomb where Jesus' body was laid. Read Mt. 27:57-60.
Put the cookie sheet in the oven, close the door and turn the oven OFF. Give each child a piece of tape and seal the oven door. Explain that Jesus' tomb was sealed. Mt. 27:65-66.
GO TO BED! Explain that they may feel sad to leave the cookies in the oven overnight. Jesus' followers were in despair when the tomb was sealed. Read John 16:20 and 22.
On Easter morning, open the oven and give everyone a cookie. Notice the cracked surface and take a bite. The cookies are hollow! On the first Easter, Jesus' followers were amazed to find the tomb open and empty. Read Matt. 28:1-9.
I just want to share this story with you as we prepare to celebrate the resurrection of Jesus.

Guerin Catholic fans adopted the theme of a “gold out” at the state finals. These young Golden Eagle fans were all to happy to show off their gold, with a little bit of purple for good measure.

Sunday, April 5 @ 1:00 p.m.
Sheridan’s Biddle Park

Post 67

Star of the Game: Matt Holba scored 29 points, pulled 14 rebounds and tied a state record with four blocked shots.
Guerin’s final record: Won 22, Lost 8.

EAGLES

From Page 6

The six-point leads that both teams had in the fourth period were actually the largest leads of the game. Neither team led by more than three in the first half. When Holba opened the third quarter with a 3-pointer, the 30-26 advantage Guerin Catholic had became the game's biggest lead.

The Panthers scored eight consecutive points to jump ahead 34-30, with two 3-pointers part of that run. Griffith then moved ahead 37-32 when Anthony Quintero hit - guess what? - another '3.' Quintero set a record for highest 3-point field goal percentage in a 3A championship game, as he drained four of five attempts, an .800 percentage.

That was one of three records set, and another tied in the contest. The two teams combined for highest 3-point field goal percentage in a 3A final, shooting at a 42.9 percent clip (15-35). The Panthers were 9-of-21 from beyond the arc, while Guerin was 6-of-14.

The finalists also set a new mark for combined blocked shots with nine. The Golden Eagles blocked five, while Griffith blocked four. Holba tied the individual block record with four.

The 3A game was an exciting way to open the state finals night session, as the two morning games were blowouts: Barr-Reeve beat Marquette Catholic 65-50 for the 1A title and Park Tudor sailed past Frankton 73-46 in the 2A final.

Only the 4A game could top the Guerin-Griffith showdown: Homestead rallied from 10 points down in the fourth quarter to edge Evansville Reitz 91-90 in overtime. Caleb Swanigan, one of the candidates for Mr. Basketball, scored 20 points and grabbed 14 rebounds.

But after his performance in the 3A final, Holba likely inserted himself into the Mr. Basketball conversation. He certainly had Mr. Basketball numbers, scoring 29 points, grabbing 14 rebounds, and of course those four blocked shots.

Munson scored 12 points; both he and Godfrey hit two 3-pointers. Lindley had six points, four assists and four steals.

The Golden Eagles finished their season at 22-8, matching their win total from last year.

Guerin Catholic's Matt Labus won the Trester Mental Attitude Award for Class 3A boys basketball Saturday following the completion of the state championship game. Labus is pictured with his parents Deirdre and Theodore Labus, and with Quinn Buckner, former Indiana University and Milwaukee Bucks standout.

Three sports athlete, first in the classroom...

Matt Labus wins Trester Award

By RICHIE HALL
Reporter Sports Editor
Is there anything Matt Labus can't do?
There's certainly many things the Guerin Catholic senior can do. Play three sports, excel in academics, be a community leader, and hit the occasional game-tying 3-pointer.
Labus was awarded the Arthur L. Trester Mental Attitude Award following the completion of the Class 3A state championship boys basketball game, which the Golden Eagles won over Griffith 62-56. The award is annually presented to a senior participant in the state finals who best

demonstrates mental attitude, scholarship, leadership and athletic ability. The award is named after the IHSAA's first commissioner, who served from 1929-1944.
Labus has been a consistent representative of Guerin's athletic program, also playing football in the fall and baseball in the spring. He is the captain of both teams. Labus has proven himself to be the consummate team player, never focusing on individual stats, but doing what his team needs him to do.
"My role on the team is not to score, but I got to be a leader since I'm a senior," said Labus. "I've been playing for three years now on varsity. And I know all these guys

look up to me. I look up to all these guys too. "We're a big family and we've been playing like that for the past few weeks."
In the classroom, Labus ranks first in his class of 189 students with a 4.3 grade point average. He also volunteers in his community, and is a member of many organizations, including the National Honor Society, Students Against Destructive Decisions, and Student Life Community, to name a few.
Labus is the son of Theodore and Deirdre Labus of Westfield. He is undecided on his college choice, but plans to study pre-med.

Royals ready for challenge

Brian Reddick/File photo

Hamilton Southeastern junior Carter Poiry will be a pitcher and designated hitter for the Royals this season.

By DON JELLISON
Reporter Editor

Scott Henson has seen his Hamilton Southeastern baseball Royals have a good run in his first two seasons leading the team. HSE won the sectional championship in Henson's first season. Last year the Royals lost in the sectional championship game to a Noblesville team which went on to win the state title.

Henson is predicting the same kind of success this season, even through nine seniors are gone from last year's team. Included in that group were Brendan Burns to Ball State, Tre Gantt to Ohio State and Bryan Roberts to Wabash College.

"We have seven players returning who played large roles as either starters or pitchers," Henson said.

"This year we have a very deep pitching staff that can go as many as 10 deep, and only three of those 10 are seniors," Henson added.

This year's team features college commits in pitcher Tanner Sizemore (Hillsdale), first baseman Aaron McGee (Wabash Valley), pitcher and center fielder David Herrmann (Hanover), pitcher David Blanco (Lincoln Trail), pitcher Michael Pachmayer (Ball State) and three others who have offers but have not made a commitment.

"We will be tested early and often with our schedule, which was rated as the toughest in the state last year by Max Preps," Henson said. "Our schedule will be just as strong this season. We have dropped Terre Haute North and Lake Central and picked up the teams we will face in the Prep Super Series in Louisville, where we will play Nitro High School out of West Virginia (three D1 commits), Benjamin Logan out of Ohio (two D1 commits) and McHenry out of Illinois (two D1 commits). I really believe that McHenry is the best team I have coached against in my time here at Southeastern."

Henson said his team is strong throughout the lineup.

"On the mound quite possibly this is the strongest pitching staffs in recent memory with Sizemore, Blanco, Herrmann, Pachmayer and Carter Poiry, to name a few," said Henson.

"Defensively, we will be strong up the middle with the double play combo of juniors J.B. Washburn and Matthew Gorski. Andrew Bohm will move behind the plate,

a new position for him. Aaron McGee returns after leading the Royals in hitting and he brings his brother, Jon McGee, to anchor what could be a very potent offense."

The Royals will open on April 1, hosting Brebeuf.

Henson has released a probable starting batting order of junior Cole Jacobs in left, junior Jon McGee in right, junior Matt Gorski at second, senior Aaron McGee at first, junior Andrew Bohm as the catcher, senior David Herrmann in center, junior Carter Poiry as the DH, junior J.B. Washburn at short and junior R.J. Modesitt at third.

Fun year for Blackhawks...

Hoover will lead Sheridan

Brian Reddick/File photo

Sheridan senior Austin Hoover will be the leader of this season’s Blackhawks baseball team. Hoover will be one of the pitchers, will play catcher and is expected to be one of the Blackhawks’ big hitters.

By DON JELLISON
Reporter Editor

Sheridan baseball coach Matt Britt said this should be a fun season for Blackhawk fans.

“We have a good mix of experienced, veteran players and young talented players,” Britt said.

Sheridan will not open its season until following spring break. The Blackhawks will start with an April 14 opener against conference foe Tri-Central, the first game of a back-to-back loop series with Tri-Central.

“Our strengths will be up the middle defensively, speed on the bases, and the versatility of Austin Hoover,” said Britt.

Hoover, no question, is Sheridan’s leader.

“His ability to be a dominant pitcher (evident in a sectional semi-final win over Alexandria); his speed on the bases; his power at the plate and his defense as catcher makes Hoover a strong player,” Britt talked about his standout player.

“Jordan Kyriakopoulos and Sam Crail are both very talented middle infielders and Garrett Chesney’s biggest attribute is his defense in center field,” the coach added.

Kyriakopoulos is a senior veteran. Crail is only a sophomore. Chesney also is a senior.

Chesney, Hoover and Kyriakopoulos are the only seniors on the team.

Crail, sophomore Kyle Harwood and Hoover all return on the mound.

“This should be a fun Sheridan baseball team to watch,” Britt said.

Indy Fuel snap Stingrays’ streak with 3-2 win

In the third of three head-to-head meetings between the two teams this season, the Indy Fuel hung on for a dramatic 3-2 victory over the South Carolina Stingrays on Saturday at Indiana Farmers Coliseum. With the win, the Fuel improved to 27-29-4-5 overall this season and with 63 points, remain alone in sixth place in the ECHL’s North Division standings. Indy’s victory ended the Stingrays’ ECHL-record 23-game winning streak and league-record 13-game road winning streak.

After a tight-checking start to the first period, the Fuel grabbed a 1-0 lead at 16:30 of the opening frame when Chris DeSousa wedged home a power-play score on feeds from Garett Bembridge and Mike Duco. After South Carolina’s Jordan Binkley tied things up with his first professional goal at 19:50 of the first, back-to-back Indy tallies, from Justin Holl and Bembridge at 5:24 and 14:15 of the second, gave the Fuel a 3-1 edge. Stingrays captain Andrew Rowe made things interesting with his 16th of the season at 18:43 of the middle frame, but after a scoreless third, the Fuel emerged 3-2 winners.

Mac Carruth made 35 saves in victory for the Fuel while Keegan Asmundson made 20 stops in defeat for South Carolina in the Minnesota native’s professional debut.

Next up for the Fuel, it’s a Wednesday showdown vs. the Toledo Walleye with the opening faceoff set for 7:05 pm on “April Fool’s Day” at Indiana Farmers Coliseum. Celebrate Nitro’s penchant for shenanigans as the first 2,000 ticket holders through the gates will take home an Indy Fuel whoopee cushion! For tickets, visit any Ticketmaster outlet, www.Ticketmaster.com or swing by the Indiana Farmers Coliseum box office during regular business hours, Monday through Friday from 10:00 am to 4:00 pm.

Television coverage of Wednesday’s game begins at 7:30 pm on HTSN with Fuel broadcaster Tony Brown providing the play-by-play and full radio coverage starts with the “Jose Cuervo Pregame Show” at 7:20 pm over the air on CBS Sports 1430 WXNT-AM, online at www.cbssports1430.com and on smart-phones everywhere via the free “TuneIn” Radio app with Jim Mirabello on the call.

2 teams headed to Tennessee...

Perry gives a scouting report

By DON JELLISON
Reporter Editor

A long time friend is Perry Williams of Hamilton County Television fame. Perry played for Howard Insurance back in, like they say, the old days. He also coached on Howard Insurance teams. He was my right hand buddy in lots of Babe Ruth activities across the state.

Perry is a huge baseball fans, and, I might add, a stat nut. He knows everything you want to know about baseball, including baseball in Tennessee, where Perry spent a few years of his life.

So, with Noblesville and Fishers playing in high school tourneys in Tennessee this week and HCTV doing some of those games, I asked Perry to share with me some of his Tennessee stats.

Perry began by passing along a schedule of Noblesville and Fishers games.

Thursday, April 2

7:30 p.m., Noblesville at Farragut. With a 35-13 record, Farragut won the state championship last season. They are 8-2 this season.

Friday, April 3

10 a.m., Fishers vs. Goodpasture at Bearden High School. Last season Goodpasture was 37-8 and was third in the state. They are 4-4 this season.

12 noon, Fishers at Bearden. Bearden was 24-15 last year and is 8-1 this season.

12:30, Noblesville vs. West Nashville at Grace Christian. West Nashville is 2-6.

3 p.m., Noblesville at Grace Christian. Class A state runner-up last year with a 27-13 record, Grace Christian is currently 6-2.

Saturday, April 4

10 a.m., Noblesville at Brentwood Academy. Brentwood was 29-8 last year and 2-6 so far this season.

10 a.m., Fishers vs. Sycamore at Farragut. Sycamore was 23-13 last year and is 4-3 this season.

12:30 p.m., Fishers vs. Station Camp. Station Camp was 22-13 last year and 5-5 this season.

Following are some notes Perry came up with.

Grace Christian returns seven starters from last year's team. They return their entire pitching staff, which had a combined 1.90 ERA. Luke Shepherd is a power-hitting lefty. Justin Shaw pitched the state championship game as a sophomore last year.

Knoxville West is led by pitcher/first baseman Sam Springer, who is being recruited by several D1 schools. The Rebels return every position on the field Senior Grayson Goble hit .340 last season.

Playing for Farragut is junior shortstop Duncan Pence, a University of Tennessee recruit, and senior second baseman Chase Fullington, a North Carolina commit.

Brentwood Academy lost only three starters from last season. A great small-ball team which plays station to station. Pitching is strong.

Bearden returns six starters from last season's district 4A, 2nd place team. Brock Vaughn is a three-year starter who hits for average and power. He's a catcher and first baseman.

Sycamore has five starters to rebuild from one of the school's most successful team. Robert Newton is a three-year starter at third. Outfielder/pitcher Bailey Baker was all-sate last year and hit .431 as a sophomore.

For you fans headed for Tennessee, look up Perry. He'll be there.

If you're not going, follow your favorite team with Hamilton County TV.
