# Noblesville to host NCAA D1 Men’s Golf Championships regional site

For the next three days, Noblesville will play host to some of the best collegiate male golfers in the nation. The Sagamore Club, 10900 Golden Bear Way, is one of six regional sites participating in the 2015 NCAA Division I Men’s Golf Championships.

The 54-hole regional tournaments will be conducted May 14 through 16. Noblesville’s regional, which is hosted by Ball State University, has 14 teams (including Alabama the 2014 NCAA DI men’s golf national champion) and five individuals not on those teams. The low five teams and the low individual not on those teams from each regional will advance to the finals. The finals will be conducted May 29

through June 3 at The Concession Golf Club in Bradenton, Fla.

“We graciously welcome all of our out-of-town guests and wish each golfer the best of luck in their pursuit of college golf’s greatest trophy,” said Noblesville Mayor John Ditslear. “Noblesville is home to a number of exceptional private and public golf courses and we are proud to showcase The Sagamore Club as one of six regional sites across the nation.”

Teams participating in Noblesville’s regional are: University of Illinois; University of Oregon; University of California, Los Angeles (UCLA); University of Alabama;

Southern Methodist University; University of Nevada, Las Vegas (UNLV); Virginia Tech; Georgia Southern University; University of Colorado; New Mexico State University; East Carolina University; Marquette University; Alabama State University; and University of Pennsylvania.

Individuals include: Chris Selfridge, University of Toledo; Jose Montano, Xavier University; Evan Bowser, Oakland University; Jose Pablo Segurola, Indiana University-Purdue University at Indianapolis; and Johnny Watts, Ball State University.

Viewing of the tournament is open to the public.

## Cicero, Jackson Twp. adopt new comprehensive plan

The Town of Cicero and Jackson Township have a new comprehensive plan. The Jackson Township Advisory Board adopted the new combined plan on March 30, 2015, followed by the Cicero Town Council on April 7, 2015. A comprehensive plan serves as the primary guideline for future local decisions on development and redevelopment. It is also anticipated that the Town and the Township will use the Comprehensive Plan as the basis of future grant applications.

Planning Director Paul Munoz said, “This Comprehensive Plan is simply guidelines by which the Town will focus their efforts for future growth. The Plan Commission will use the plan to update the zoning ordinances to facilitate and promote the growth the residence want to see. It includes both a future land use plan and a transportation (thoroughfare) plan. The future land use plan shows the general location for new development and identifies redevelopment and infill opportunities. The thoroughfare plan classifies public roads in the jurisdiction and identifies other transportation considerations, including trails.”

The plan emphasizes Downtown Cicero as the heart of the community, and recommends stepping up efforts to preserve historic structures and improve the appearance, something the new Main Street group will be involved

## Mayor names Greg Wyant as new Noblesville Fire Chief

Noblesville Mayor John Ditslear has announced that Greg Wyant will serve as the new Noblesville Fire Chief following the retirement of Ken Gilliam. Wyant, who currently serves as assistant fire chief, will assume his new role on Friday, May 22.

“For the past 20 years Assistant Chief Wyant has served the fire department proudly, risen through the ranks and become a leader within the department,” Ditslear said. “We didn’t feel the need to do a national search because we are fortunate with the talent we have in-house here in Noblesville. For the past five years, Greg has worked alongside Chief Gilliam and will provide a familiar, stabilizing voice as we transition.”

Wyant, 47, began working for Noblesville Fire Department in 1994.

“I am honored. The consequences of this job are big. It is a lot of responsibility and I don’t take that lightly. It is a position that only a small group has held in Noblesville and I’m really proud to be joining those men. I’m very happy the mayor and chief feel I have the capabilities to do this job,” Wyant said.

Born at Riverview Health, Wyant has lived in, out and around Noblesville most of his life. He attended elementary and middle school at Hamilton Heights and graduated from Hamilton Southeastern High School in 1986. Wyant joined the U.S. Navy on Jan. 12, 1987 and served six years as an engineer with tours on the U.S.S. Forrestal and U.S.S. Detroit. He served a year-commitment in the Red Sea during Operation Desert Storm.

Greg Wyant has moved up the ranks at the Noblesville Fire Department, and is now the Noblesville Fire Chief. Wyant was the assistant fire chief to former chief Ken Gilliam, who announced his retirement this week.

## Community Health makes major Indianapolis investment

Community Health Network is making a major investment in Indianapolis with two new large building projects totaling more than a quarter of a billion dollars. The first will include a \$175 million development with a new hospital on the campus of Community Hospital East and a new \$60 million cancer center at Community Hospital North. Both projects will break ground this year.

“As healthcare continues to evolve, Community Health Network will strive to provide access to quality care with

an emphasis on the overall patient experience,” said Bryan Mills, president and CEO of Community Health Network and a Noblesville resident. “At Community Hospital East, we realized building a new hospital for the future was, in the end, a better avenue than renovating antiquated buildings meant for a different time in our history. At Community Hospital North, increases in patient volume dictated the need for a new cancer center. Our commitment to Indianapolis remains strong.”

The Community Hospital East project changes in scope from the original plan announced last fall. That plan called for major renovation of the decades-old hospital. The redesigned plan calls for the construction of an entirely new hospital, which will take Community East into the future for many years to come. The project includes demolishing four buildings on the campus, building the new hospital

# Two road closures begin Monday

Two bridge rehabilitations in northern Hamilton County will result in road closures starting Monday.

The road is scheduled to be closed to traffic through Aug. 1. The signed detour will consist of Devaney Road, 266th Street, and Gwinn Road. Beck’s Hybrids’ facilities will be accessible from the east via Gwinn Road.

Also, 266th Street between Lower Road and Ray Parker Road will be closed for the replacement of Bridge #70, 266th Street over Bear Creek. in. The major community facility recommendation is the construction of a new town hall in the downtown. In addition more programming downtown is recommended, such as outdoor concerts and farmers markets, to help downtown businesses and to bring the public downtown. Construction of an outdoor amphitheater is also recommended.

Recreation plays a big role in the community’s future, including more town-controlled access to the waterfront and a redeveloped Red Bridge park with public access to the water. As part of the recreation focus, issues with Morse Reservoir’s water quality and quantity must be solved, and Munoz says partnerships are crucial. "We need to educate residents about the importance of preserving our greatest asset." In addition to the community park system and the reservoir, recreational opportunities include a complete bicycle and pedestrian network that results in a healthier, more active community. This network will tie into other community trail systems.

The Comprehensive Plan states that Cicero/Jackson Township is best poised for economic development in the form of tourism, with expected overflow from neighboring Grand Park in Westfield and the County’s Strawn-Koteewi Park as it continues to develop, adding to the attraction of Morse Reservoir. In addition, the proposed US Bicycle Route 35, part of a national bicycle tourism network, is set to go through the township along SR 19.

Indianapolis City Planning Consultant K.K. Gerhart-Fritz, who has been working with the community for 2 years to develop the plan stated that, "The Action Plan portion of this document spells out responsibilities and time frames and requires a level of commitment by government officials and the use of their powers never before taken advantage of. New partnerships will have to be formed and existing partnerships strengthened, because this plan cannot and should not be implemented by local government alone. For this plan to succeed the whole community must pitch in and embrace a pro-active spirit."

tower housing inpatient and procedural rooms and moving its Family Medicine Center from 10th and Mithoeffer to the campus at 1500 N. Ritter. In 2016, a new emergency department, to be located at the back of the hospital, will be built. The redevelopment project is expected to be completed two years sooner than the original plan—and with virtually no disruption to patient care.

"We believe construction of a new hospital will bring dramatic, positive change to the east side," said Mills. "The new campus will provide the space our East employees need to deliver innovative healthcare in the most efficient manner. Community Hospital East will become a new modern structure that will be a pillar for the east side of Indianapolis."

Community Health Network will be expanding oncology services with the new cancer center on the campus of Community Hospital North. The \$60 million, three-story, 104,000 square foot facility will be built south of Community Heart and Vascular Hospital along Shadeland Avenue. It will also be connected to Community Hospital North.

The new cancer center will keep the facility name, Community Cancer Center North, and was designed with input from patients, physicians and staff. It will feature elements that create a home-like atmosphere. Patients will control their surroundings, including room temperature, lighting, entertainment, food choices, and privacy. The cancer center will also feature wellness facilities, quiet workspaces, public Wi-Fi, a knowledge center, and a nature garden.

"At Community, we understand that cancer is a life-changing experience for patients and their families," said Jianan Graybill, M.D., radiation oncologist and lead physician on the project. "Our new center was designed to allow them to carry on much of their usual routine and activities as possible while undergoing treatments. They may use the workspaces to conduct business or use Skype to keep distant family members updated."

The Community Hospital East project will break ground in July, followed by an early fall groundbreaking for the cancer center at Community Hospital North.

# WYANT

From Page 1

Wyant has a master’s degree in public management from Indiana University-Kokomo. He also has a Chief Fire Officers designation from the Center for Public Safety Excellence and graduated from the four-year National Fire Academy’s Executive Fire Officer program in 2009. Wyant was appointed by Gov. Mitch Daniels and reappointed by Gov. Mike Pence to the Indiana Board of Firefighting Personnel, Standards and Education and has served as chairperson the past two years. He also is active as vice chairman of the Hamilton County Leadership Academy.

"The view I have now compared to the view out of the front seat of a fire engine are very different yet very similar because the outcome is we are helping people, we are keeping this community safe," he said.

Wyant was hired by Gilliam in 1994 and has worked in an administrative role since 2004 including being the division chief of training.

"I have enjoyed working for Chief Gilliam; I couldn’t have asked for any better. To be able to succeed him is surreal," Wyant said. "Having served next to the chief for the past five years, we made changes as we went and those were joint ventures. I’m sure there will be changes in the future, but at this time I don’t anticipate any major ones. Our department is moving in the direction I envision it should be going."

Wyant lives in Sheridan with his wife of 20 years, Sheila, and their two children, Sam and Abby. In his free time, he raises cattle and enjoys being outdoors.

Gilliam, who will retire May 22, began working for the Noblesville Fire Department in 1974 and has served two stints as fire chief (1993-1995 and 2004-2015).

"Greg will do a fantastic job," Gilliam said. "I’ve told Greg, ‘I hope you’ve learned some things to do as chief and I’m sure you’ve learned some things not to do as chief by working with me.'"

Try 20 years. That would have been the old Rangeline Conference.

"I thought it was longer than that that they hadn't won one," said Austin Hoover, one of three seniors on the Blackhawks' team. He and his teammates finally got the

'Hawks their long-awaited Hoosier Heartland Conference championship, clinching the title on Thursday with a 6-2 victory over old rival Clinton Central at Kent Harris Field. Sheridan finished HHC play with an 8-2 record.

"For Sheridan, it's a great accomplishment, and I'm really proud of the kids," said 'Hawks coach Matt Britt.

His players agreed, with another senior, Garrett Chesney saying "it just feels great to win it."

The Bulldogs delayed Sheridan's clinching of the title by a day after beating them 5-1 Wednesday. The Blackhawks made sure there would be no repeat of that by scoring three runs each in the bottom of the first and the second innings. Things

went Sheridan's way immediately, as Jordan Kyriakopoulos (the third senior) hit a triple in the Blackhawks' very first at bat. He would later score.

"Yesterday we lacked a little bit, and we didn't come out ready to play," said Kyriakopoulos. "We were acting like it was given to us, and it was kind of a wake-up call. So we came out today and we played well as a team."

Jacob Chesney hit a two-run single in the first, and Sam Crail helped out in the second with a double that drove in two runs. Austin Hoover hit an RBI single in the second as well.

That was all the scoring Sheridan needed, as it turned out. The Bulldogs did score two runs in the top of the fourth, but that was all the 'Hawks would allow. Hoover pitched a complete game, striking out seven, allowing four hits and issuing no walks.

Hoover wound up 2-for-2; he hit a sixth-inning double. Crail scored two runs in addition to his two RBIs.

More hits, but fewer runs...

# Heights beaten by Eastern

Visiting Eastern and Hamilton Heights slugged it out Thursday evening in a Mid-Indiana Conference baseball game and Comets came away with a 9-6 victory.

“We hit the ball well for most of the night,” said Husky coach Rick Hawley.

“It was a game which had a tough play in the fifth inning where it was unclear whether the ball was caught. It appeared it was; then the umpire signaled that it wasn’t, and the ensuing confusion unfortunately resulted in a double play.

“Add to a couple other plays that didn’t go right, the game ended turning the wrong way. We did rally in the seventh, and had the tying runs aboard,” Hawley added.

Heights had 13 hits and Eastern finished with 11. The Huskies left 11 runners on base.

Aaron House, John Fisher, Jacob Hammel, Nathan Watson and Max Wahl each collected two hits for the Huskies. Christian McGill bashed a double.

Heights is now 6-15 overall and 1-5 in the conference. The Huskies were scheduled to host Madison-Grant today.

## Morton fans eight as Tribe edges Tides

Rehabbing Pittsburgh Pirates starter Charlie Morton struck out eight over seven solid innings, Gorkys Hernandez drove in two runs and the Indianapolis Indians defeated the Norfolk Tides 3-2 on Thursday night at Victory Field.

Morton (1-0) was tagged for 11 hits but navigated around most of the trouble to give up just one earned run (two total runs) to the visiting Tides (19-15). He tossed 68 of his 96 pitches for strikes with no walks as part of his fifth career win with the Indians (20-15).

Hernandez delivered his lone hit as the game-winner in the bottom of the fourth. He doubled down the right field line to score Elias Diaz and Mel Rojas Jr. and give the Tribe a 3-2 lead.

With his two-base hit, Hernandez has now reached base safely in 29 of 35 games.

Indians relievers Deolis Guerra and Blake Wood preserved the lead with three strikeouts over two perfect innings. Guerra struck out one in the eighth and Wood earned his league-leading ninth save with two strikeouts in the ninth.

# Carmel, HSE are defeated

Carmel and Hamilton Southeastern both stepped out of conference play Thursday and both ended up dropping baseball contests to teams which last year played in the Hoosier Crossroads Conference.

Carmel lost 12-5 at Harrison and Southeastern lost 4-1 at McCutcheon.

Carmel coach Dan Roman used four pitchers trying to stop Harrison. The Raiders pounded out 12 hits.

The Greyhounds collected eight hits, including two each from Matthew Chernoff, Sam Berry and Conner Cunningham. Berry, Cunningham and Jack Van Remortel each belted a double.

Southeastern had just one hit at McCutcheon, a RBI double by Owen Callaghan.

HSE’s Tanner Sizemore gave up just four hits.

Millers lose at Brownsburg....

# Westfield clinches HCC tie

Westfield won and Noblesville lost, and that combination has assured the Shamrocks of at least a tie for the Hoosier Crossroads Conference baseball championship.

While Westfield was winning over Fishers, 4-2, Noblesville was losing 11-4 in Thursday afternoon conference action at Brownsburg.

Westfield scored four runs in the top of the seventh inning to pull out the win at Fishers.

After a shaky start, Fishers pitcher Cameron Boyd retired 17 of the next 18 batters before running into trouble in the seventh. Bailey Partlow hit a leadoff home run in the seventh and then Boyd handed the ball off to the bullpen. That didn’t work and Westfield went on to add three more runs.

Jackson Bard, in relief of starter Noah Shanteau, was the winning pitcher and Jacob Robinson picked up the save.

Along with Bailey’s home run, Harrison Freed and Robinson each cracked a double for Westfield. All six of Fishers’ hits were singles.

At Brownsburg, the host Bulldogs jumped on Noblesville for four runs in the first. The Millers came back with two runs

in the second and Brownsburg added two more runs.

Alec Parker had three hits and drove in two Noblesville runs. Vincent Essig and Michael Carmosino each slammed a Noblesville double.

# The key is beating Southeastern

By **DON JELLISON**  
**Reporter Editor**

If any of the other six teams playing in the IHSAA softball sectional at Fishers want to stop another post-season challenge deep into the state tourney by Hamilton Southeastern, they'll have to do something they haven't done yet this season.

Beat the Lady Royals.

Southeastern reached the State Finals last year before falling to Bloomington South. Coach David Cook's HSE machine looks to be ready for a run down the same path this season.

Southeastern is 17-2 overall and the Lady Royals have not lost a game to any of the other six teams which will play at Fishers. Southeastern has drawn Carmel in the first round.

Back on March 30 Southeastern defeated Carmel 3-1 at the Lady Greyhounds' Cherry Tree complex. It was Southeastern's second game of the season and the season opener for Coach Emily Good and the Greyhounds.

Since that time Southeastern has lost only to Avon 9-6 and to New Palestine 2-0 in nine innings. Southeastern will carry a 13-game win string into a tourney at Shelbyville on Saturday. Carmel has put together a 15-5 record. The Greyhounds' losses

have been to Southeastern, Lebanon 14-8, Noblesville 6-5, Pendleton Heights 3-2 and to Fishers 4-2. Noblesville and Fishers, of course, are teams Carmel could face in the sectional.

Noblesville, which has drawn a first-round sectional bye, is 13-4 to this point in the year.

Noblesville certainly is one of the sectional favorites. The Millers lost the 6-5 game to Southeastern. Their other three losses were to Franklin Central 6-1, Cathedral 9-4 and to Pendleton Heights 8-6.

The opening game of the Fishers Sectional will match another hot team, the host Fishers Tigers, going against one of only two teams which will enter this sectional with a losing record, Zionsville. Fishers is 12-4; Zionsville is 8-13. Fishers and Zionsville have not yet played. They will meet on May 19. Fishers has lost to Noblesville 8-4 and to Southeastern 3-0 in eight innings but earlier this week the Tigers knocked off Carmel 4-2.

The other Fishers Sectional team with a losing record is North Central at 5-17. The Lady Panthers will meet Westfield, a 10-10 club. Westfield can be dangerous, as proven in a 3-2 loss to Fishers earlier this week.

But, as demonstrated every year in this sectional, any team can pull out a victory in

3A sectionals at Heights and Guerin.....

# Tough fights for local teams

By **DON JELLISON**  
**Reporter Editor**

Can you spell "upset?"

It may take more than a spelling lesson to bounce heavily-favored Yorktown from the Class 3A softball sectional at Hamilton Heights.

Yorktown will open the tourney playing Blackford. Hamilton Heights will meet Muncie Central in the second game, and Delta has drawn a bye.

Currently 17-5, Yorktown has defeated the other four teams in this sectional. The Tigers have victories over Muncie Central 9-2, Delta 3-0, Hamilton Heights 7-4 and Blackford 14-5.

Yorktown's only losses on the season have been to Elwood 1-0 in 10 innings in a season opener, 13-12 to Shelbyville, 7-5 to Fishers and 8-2 to New Palestine.

The Blackford team which first will tackle Yorktown is just 6-12. The Bruins are 1-1 against sectional foes, with a 10-5 win over Muncie Central and the loss to Yorktown.

Hamilton Heights, which will meet Muncie Central in Game 2, is having a good season and appears certainly to be in a strong dark horse position to challenge Yorktown. The Lady Huskies are 10-7 overall. They are 5-5 at Heights, where the sectional will be played, and 5-2 on the road.

The Lady Huskies have lost to Yorktown and also has lost to Delta, 1-0.

Heights has won five straight, the Huskies' last defeat being to Yorktown on May 2.

Muncie Central is just 2-19. The Bearcats' only wins have been over Marion 5-4 and over Randolph Southern 13-4.

Hamilton County has two Class 3A teams and will be hosting two Class 3A sectionals. The other is a five-team tourney at Guerin Catholic.

Guerin and Chatard, who will meet in Game 2 at Guerin, figure to be the sectional's favorites.

The host Golden Eagles are 10-10, but have lost to Chatard 8-5. Guerin Catholic has defeated Brebeuf 15-0 and has not played Herron or Marshall. Herron will face Brebeuf in the sectional opener. Marshall has drawn the tourney bye.

## IHSAA announces 31st softball state tourney pairings

Three hundred seventy-three teams were drawn and placed into brackets Thursday morning for the start of the 31st Annual IHSAA Softball State Tournament Series which begins in 11 days.

Sectional action runs May 25-30 with the 64 survivors moving into a one-game regional round on Tuesday, June 2. From there, 32 teams will square off in four-team semi-states on Saturday, June 6, with the four state championship games scheduled for Saturday, June 13 at Ben Davis High School in Indianapolis.

Two defending state champions are among the top-ranked teams in the [most recent polls](#) from the Indiana Coaches of Girls Sports Association (ICGSA). Class 3A No. 1 Leo will host Garrett in the Sectional 22. In 2A, top-ranked South Spencer, will take on Evansville Mater Dei in Sectional 48 at Forest Park. Other No. 1 teams include Class 4A Penn which drew a bye and will take on the South Bend Washington-South Bend Riley winner in Sectional 3 at South Bend Adams. And Class A's Covington will play North Vermillion in Sectional 53 at Rockville.

Among the other defending state champions, Class A's North Miami, ranked second this week, will meet host North White in Sectional 50. And Class 4A's Bloomington South will host East Central in Sectional 14.

Also of note, Tecumseh secured its state record 12th consecutive sectional championship a year ago and will look to extend that run against Northeast Dubois in Sectional 64 at Wood Memorial.

Games and playing schedules will be added to the MaxPreps.com brackets later today (linked below) but due to possible weather postponements and other conflicts this time of year, it is advised to check with the host school for precise schedules.

## HSE’s Beegle helping Uindy to NCAA lead

Halfway through the year's biggest tournament, the University of Indianapolis women's golf team has opened up a hefty 16-stroke lead through 36 holes at the 2015 NCAA Division II Championships. After earning a slim one-shot edge with an opening-round 307 Wednesday, the Greyhounds carded a 299 Thursday to create some space at the top of the leaderboard.

With four Greyhounds shooting +5 or better Thursday, junior **Brooke Beegle** (Fishers, Ind./Hamilton Southeastern) turned in the low card. Her one-over 73, which matched the lowest score by any golfer on the day, moved her into a four-way tie for third in the 71-golfer field.

Locked into that same tie is teammate **Chanice Young** (Evansville, Ind./Reitz). Competing in her final collegiate tournament, the senior out of Evansville, Ind., carded a second-round 74 to sit at +6 through 36 holes.

Held at The Meadows Golf Course in Allendale, Mich., the tournament continues Friday with third-round action, followed by the fourth and final round Saturday. The Greyhounds are not only in search of their first women's golf national championship but are also chasing the first-ever team national title for any UIndy athletics program.

The Hounds will start round three on hole No. 1 Friday morning, teeing off between 9:40 a.m. and 10:20 a.m. ET.

## ELEVEN

From Page 11

Indy Eleven earned its first competitive win in club history by defeating then-USL PRO side Dayton Dutch Lions 5-2 at “The Mike” in the second round last May 28 before falling to Major League Soccer’s Columbus Crew on June 17 in the third round, a heartbreaking 1-2 added extra time loss that was contested at the University of Akron. The first round of the tournament kicked off last night, with two winners from play-in games as well as 40 amateur teams squaring off across the nation. The second round will commence next Wednesday, May 20, with the winners of last night’s first round games taking on teams 21 clubs from the United Soccer League (USL).

In the event of an Indy Eleven victory in the third round, the “Boys in Blue” will then advance to take on one of 17 MLS clubs in the fourth round on either June 16 or 17. The drawing for potential fourth round matchups and hosts will be determined by U.S. Soccer following the playing of next week’s second round.

The US Open Cup is one of the nation’s oldest tournaments, dating back to the inaugural competition in 1914. It has been played annually since, with a winner crowned each year. What’s at stake is \$250,000 for the winner (\$60,000 for the runner-up) and one-of-four spots for American teams in the 2016/17 CONCACAF Champions League. The team that advances the furthest from each of American soccer’s lower divisions, including the NASL, will also earn a \$15,000 cash prize.

PUBLIC NOTICE

Pursuant to IC 5-14-1.5-5 (a) the Hamilton County Airport Authority will meet in a Public Session at 8:00 a.m. on Wednesday, May 27, 2015 at the Indianapolis Executive Airport, 11329 East St. Rd. 32, Zionsville, Indiana 46077. The purpose of the meeting is to review plans for Beck’s Superior Hybrids Corporate Hangar.
