No criminal charges to be filed...

Investigators release details on Westfield stage collapse

By JEFF JELLISON

The Westfield Police Department and Hamilton County Prosecutor’s Office on Tuesday announced no charges will be filed in a Westfield High School stage collapse that occurred on April 23 during the American Pie musical, which injured 17 students.

An investigation conducted by the Westfield Police Department, assisted by the Indiana State Police and other State agencies, revealed the cause of the collapse was due to the stage not having support beams underneath it because of an earlier redesign performed by a school employee with the help of students.

In a media release, the Westfield Police Department stated, at the conclusion of the investigation Westfield Police Department met with the Hamilton County Prosecutor’s Office and presented findings of the investigation.

Chief Deputy Prosecutor Andre Mishka, in a letter to Westfield investigators, stated, “It was determined that while the result of the stage construction was catastrophic, the failed construction and maintenance of the stage did not rise to the level of criminal culpability therefore, the Hamilton County Prosecutor’s Office has declined to file criminal charges against individuals involved in the stage construction and maintenance, recognizing that civil reme-

dies for what appear to be breached duties of care may be available to those injured.”

Following the collapse, Westfield Washington School Corporation launched an internal investigation involving a forensic engineer and a criminologist.

Westfield Washington Superintendent Mark Keen, during a press conference, stated, “We’re going to do what we think is the right thing. We think our parents deserve that and we think the students involved deserve that, so we’re going to do everything we can based upon the information we get out of our investigation. This is not going to be, ‘They’ll forget about it in three weeks and it’s going to go away.’”

Today, Mayor Scott Fadness announced leadership changes expected to take place over the next couple months.

Leah McGrath has accepted a Deputy Mayor position and Tom Dickey, the Director of Community Development, is leaving the organization to re-join the private sector.

“Anytime someone with Leah’s proven track record joins the team, it brings a wealth of opportunities,” said Mayor Fadness. “I look forward to her leadership and collaboration as we move the City of Fishers forward.”

McGrath is a veteran communications and public policy specialist. She spent the last four out of five years with the Indiana Association of Cities and Towns, where she most recently led the government affairs team as Director, serving as a public policy liaison and advocate for municipal issues at the State of Indiana and Indiana General Assembly. Her 15-year career has included stints in public relations and marketing research, in addition to her municipal work.

“It is an exciting time to be in Fishers, as we enter the next phase of planning for how to mature and continue as a smart and vibrant community,” said McGrath. “As a resident of Fishers, I am especially honored and grateful for this opportunity to serve. I look forward to joining Mayor Fadness and the exceptional team of professionals at the City of Fishers.”

McGrath is expected to join the team in July. Her attention will be on the

Westfield receives ‘Excellence in GIS’ award

Westfield’s informatics department has been recognized by the Indiana Geographic Information Council for its work to educate the public about development within the city. The team has received an Excellence in GIS Award for spearheading Westfield’s “What’s Happening Here” campaign.

The “What’s Happening Here” program places public notice signs with QR codes at sites where some type of development has been proposed to occur. Residents can scan the codes and find out more information about the project, including zoning requests, site data and contact information for the planner assigned to the project.

“GIS is a great way to make sure our residents have accurate information at their fingertips regarding development going on the community,” said Westfield GIS Coordinator Leane Kmetz. “We’re very excited

to receive this recognition from the IGIC,” Kmetz said.

Kmetz works closely with economic development, planning and zoning staff to keep the community informed.

“We are always looking for ways to provide better information to support and encourage Westfield’s robust economic development environment,” Economic and Community Development Director Matt Skelton said.

“The development world does not clock in at 8 a.m. and out at 5 p.m. It just makes sense to have the city’s information gateway available whenever the community needs it,” Skelton said.

The Excellence in GIS Awards recognize organizations for their use of geospatial technology to improve services for Indiana’s citizens. More information can be found at www.igic.org.

Law Enforcement Torch Run to raise funds for Special Olympics

Officers and employees of the Hamilton County Sheriff’s Office will once again join forces with other law enforcement agencies in support of Special Olympics, a philanthropy of law enforcement agencies around the world. On May 29, the annual Law Enforcement Torch Run will take place with officers from many local agencies running from various points around the county to meet at the courthouse at noon. Our local Special Olympians will join the officers there for a lap or two around the courthouse.

Special Olympics Indiana is a non-profit organization that provides year-round sports training and athletic competition in more than 20 Olympic-type sports for children and adults with intel-

lectual disabilities, reaching more than 11,000 athletes throughout the state of Indiana. Special Olympics Indiana is part of the international network of accredited Special Olympics Programs that reaches more than 4 million athletes with intellectual disabilities worldwide.

Anyone interested in supporting the Special Olympics through the Law Enforcement Torch Run may contribute by check made to the Special Olympics and sent to the Sheriff’s Office or online at <https://www.firstgiving.com/fundraiser/HamiltonSheriff/undefined/fundraiser/HamiltonSheriff/2015-letr-county-torch-runs>. Donations are tax deductible and all proceeds stay in Hamilton County to support our local Special Olympians.

The criteria for consideration included strong demonstration of:

- Student-centered, inquiry-based “Miller Shift” classroom instruction
- Performance aligned with the district’s mission and vision
- Role-model behavior that other educators look to emulate

The announcement of the award was a surprise to Robinson, and was made in front of her peers as part of a high school faculty meeting. As part of the honor, she will be given a trophy, have her name engraved on a plaque at the district Educational Services Center, and is being gifted the use of a new

Corvette for the weekend, courtesy of Hare Chevrolet.

She will also be a special guest at the Noblesville Education Foundation’s first annual Miller Gold Awards teacher recognition ceremony and dinner reception held later in the month.

For the first time in approximately 30 years Noblesville decided to revive the tradition of naming a Teacher of the Year. Robinson will now be submitted by the district for consideration in the state level Teacher of the Year competition.

Earlier this year, the Indianapolis Jazz Foundation named Robinson Jazz Educator of the Year for the state of Indiana.

Travel tips for Memorial Day weekend

Memorial Day weekend traditionally starts off the summer travel season, and this season is shaping up to be the busiest in years. Lieutenant Tom Dujmovich, Commander of the Pendleton State Police Post, would like to remind all motorists that there will be extra troopers on the roadways this upcoming holiday weekend during the "Click it or Ticket" Campaign, to help insure safe family travel.

The AAA Hoosier Motor Club predicts 823,749 residents will travel 50 miles or more this holiday weekend, up from 781,896 last year. The increase is expected to be the highest volume for holiday travel since 2005. The reasons given for the increase in travel are lower gas prices and a stronger employment market.

With the expected increase in traffic, it's important that motorists follow the safety tips below:

- Obey all speed limits and always use your turn signals.
- Never drink and drive-If celebrating make sure to have a designated driver.
- Make sure everyone is buckled up and children are properly restrained in child seats.
- Always watch for and expect slowed or stopped traffic ahead, especially when approaching construction zones.
- When stopped in traffic be watchful of traffic approaching from behind and be ready to take evasive action if it appears traffic is approaching too fast to stop.
- If you're planning to travel a long distance, make sure you are well rested. A fatigued driver is as dangerous as an impaired driver.
- Avoid tailgating. Remember the two-second rule, and always increase following distance in construction zones.
- Leave early anticipating heavy traffic, and give yourself extra time to reach your destination.
- Remember to ALWAYS SLOW DOWN AND MOVE OVER for emergency, utility and highway service vehicles.

The Pendleton District covers the eight counties of Delaware, Madison, and Randolph; Henry, Wayne, Union, Rush and Fayette counties. Motorists are encouraged to report suspected impaired drivers by calling 9-1-1. Give a vehicle description, location, and direction of travel. Never follow an impaired driver.

The Greyhounds scored 151.5 points, with Hamilton Southeastern taking second with 139. The ever-improving Fishes team was third with 116.5 points.

"Coming in, we weren't sure how it was going to be because throughout the season it's been Fishers, or Warren (Central) has got us at the end," said Carmel coach Aaron McRill. The Greyhounds overtook the Royals towards the end of the meet, with a 1-2 finish in the 3200 run and a victory in the 4x400 relay sealing the win.

"It was great," said McRill.

Carmel picked up event wins from Rachel Dixon in the 400 dash, Kelsey Harris in the 800 run, Anna Schmitz in the 3200 run, Jessica Cowen in the 300 hurdles, Jill Sutton in the high jump and Cailyn Etgen in the long jump. The 'Hounds also took two relays, with Maddie Dalton, Diana Gorin, Kelsey Harris and Megan Kress winning the 4x800, and Dixon, Kelsey Harris, Haley Harris and Megan Kress finishing the meet with a 4x400 relay victory.

Southeastern had three event wins. Rachel Nichwitz defended the 1600 run, Meghann Cullen was a winner in the 100 hurdles, and Alyssa McDougal placed first in the discus.

Fishers' India Johnson had a great meet, winning the 200 dash and joining Brooklyn Banks, Paris Carver and Danielle Harrison for a blue ribbon in the 4x100 relay. Blake Inglis helped out with a win in the shot put and Emily Fletchall dominated the pole vault.

Karen Hubbard gave Westfield a big victory, winning the 100 dash in record time of 12.27.

Teams spread the wealth in top seeds

Kent Graham/File photo

Carmel's Isaac James is the top seed in the 100 dash at Thursday's boys track and field sectional.

By **RICHIE HALL**
Reporter Sports Editor

Carmel came oh-so-close to winning the boys track and field state championship last year, and the Greyhounds are going to give it another go this year.

The first step is sectionals, which Carmel hosts on Thursday. Other teams who are looking to make an impact in the post-season include Hamilton Southeastern, which has some fresh new talent in the field events, and Noblesville, with senior Jake Owens looking to advance in multiple races. Fishers, Westfield, Guerin Catholic and Hamilton Heights have teams and athletes worth watching as well.

The 'Hounds have top seeds in Isaac James (100 dash), Jalen Walker in the 300 hurdles, and Ben Veatch, who is seeded in the 3200 with a fast time of 8:53.40. Vince Laconi is rated first in the shot put, having thrown over 60 feet this season.

Owens is the 100 dash's second seed, with a time of 11.00 to James' 10.93. Owens holds the top seed in the 200 dash and 400 dash. His Miller teammate Eric Ferguson is the top seed in the discus.

The field events are where the Royals are likely to have a field day. Tiger Guillory, a senior out for the HSE track and field team for the first time, has easily jumped over 23 feet in the event and could be a state contender. Same with Francis Ehigbai, a Royal who is leaping over 6-9. Jordan Wright has the top seed in the 800 run

Westfield has the top seed in the 4x800 relay, with Carmel the top seed in the 4x100 and 4x400.

Fishers' Trevor Thompson is seeded first in the 1600 run. Heights' Michael Defoe is the first seed in the 110 hurdles.

Breaking Down The Meet

100 Dash Returning from last year's sectional scorers are Noblesville's Dontay Wells (6th) and Guerin Catholic's Nick Sarpa (8th) and Khalid Hunter (9th). No one in that group has a Top 3 seed time. Those times belong to Carmel's Isaac James (10.93), Noblesville's Jake Owens (11.00) and Hamilton Southeastern's Willie Humphrey (11.06). Hunter's and Sarpa's season bests are 11.13 and Wells has an 11.25.

110 Hurdles: Hamilton Heights junior Michael Defoe will enter the sectional with a 14.20 seed time. Two other hurdlers are under 15 second....Carmel senior Ryan Stoe-bick at 14.85 and Southeastern senior Aaron Brown at 14.92. Defoe was third behind a pair of seniors last year, while Stoe-bick and Brown finished fifth and sixth.

200 Dash: The field likely will be chasing Noblesville senior Jake Owens, who has the best seed time at 22.18. Owens was seventh behind six seniors last year. Next best seed times are owned by Fishers senior Josh Lloyd (22.46) and Guerin Catholic senior Nick Sara (22.54).

1600 Run: Look for a three-man battle among Fishers junior Trevor Thompson (4:20.94), Westfield sophomore Aaron Bennett (4:21.52) and Carmel junior Teddy Brown-ing (4:21.70). An alternate in this event is Ben Veatch, a Carmel junior who has been clocked at 4:16.51. Matt Sraders, who last year as a Southeastern junior was runner-up in the event, has a seed time of 4:34.82.

400 Dash: Top seeds are owned by Noblesville senior Jake Owens (48.56) and Fishers senior Josh Lloyd (49.01). In

the conversation are a pair of Carmel runners, junior Nick Ash at 50.49 and senior Tyrone Thomas at 50.51. Owens is the defending champion. A Westfield senior, Johnny Crawford, was fourth last season and this fall has been clocked at 51.50.

300 Hurdles: A freshman at the time, last season Carmel's Jalen Walker squeezed into a talented field by placing fourth. His seed time this season is 39.37, the best in the field. Noblesville junior Jalen Garner has a 40.09 and Southeastern senior Aaron Brown has been clocked at 40.14.

800 Run: The field, and it's a good one, will be chasing Southeastern senior Jordan Wright with a 1:55.18 seed time. One who is chasing will be Westfield junior Alec Hartman at 1:55.59. Another will be Guerin Catholic senior Christopher Bluish at 1:56.46. Wright was sixth last season. A strong contender in this event is Hamilton Heights senior Craig Schildmeier, whose seed time is 1:59.37. Schildmeier finished second last year, a notch ahead of Bluish.

3200 Run: Going by seed time alone, it going to be hard for the field to catch Carmel junior Ben Veatch. He is seeded at 8:53.40. After that comes Southeastern freshman Gabe Fendel at 9:31.67, Westfield junior Sam Henthorn at 9:35.13 and Fishers sophomore Josh Roth at 9:39.28. Veatch made himself known when last season he won this event in 9:05.00.

Discus: The battle could be between two juniors, Noblesville's Eric Ferguson with a 154-04 season best and Lebanon's Kyle Williams at 154-00. Hamilton Heights senior Joel Boser is a strong third on the list with a 153-09. Boser placed third last year.

Shot Put: It appears that the 1-2 punch of Carmel's Vince Laconi and Jake Herr has passed up the discus and given full focus to the shot put. Laconi has a season-best 60-5-00 and Herr has a best of 54-0. No other shot putter has been in that class. Laconi is the defending champion with a 54-6.25 toss and Herr placed second with a 51-11.50 sling.

Long Jump: Arguable, there are three long jumpers at the top of the class. They are Southeastern senior Tiger Guillory at 23-9, Carmel senior Isaac James at 22-9 and Fishers senior Tres Carver at 22-8.50. James is the defending champion and Carver placed second. Guillory came from nowhere to lead the pack entering the sectional

High Jump: Two Southeastern seniors lead the pack, Francis Ehigbai at 6-9.50 and Devin Lloyd at 6-5. A close third is Fishers junior Noah Rogers with a 6-4 leap. Rogers finished third in last year's event.

Pole Vault: The meet record is 15-1. Southeastern junior Ethan Bray has cleared 16-3 and Carmel sophomore Ryan Ripe has been 14-4. Another Carmel sophomore, Mitch Lipe, has been 14-0. Bray is the defending champion, having won the event last season with a 14-7 vault. Barring a huge upset, Bray appears to be the No. 1 vaulter this season.

Zionsville, Millers have lots to decide....

They'll play in sectional opener

By DON JELLISON
Reporter Editor

This week Noblesville and Zionsville, along with Brownsburg, will decide which team will win, lose or tie in a battle for second place in the Hoosier Crossroads Conference.

Then, next week, in the opening game of the Zionsville Sectional, Noblesville and Zionsville will meet to determine which of the two will play conference champion Westfield in the second round of the sectional.

Westfield, perhaps fitting for the team which won one of the toughest conference races in the state, drew a first round bye in the seven team Zionsville Sectional, one of the toughest 4A sectionals in the state.

That's the top bracket for fireworks at Zionsville.

In the bottom bracket, Carmel will take on Hamilton Southeastern and Fishers will play North Central.

The sectional draw will add a little interest to the Carmel Invitational this weekend. Both Carmel and Westfield will play in that tourney and could advance to the championship game. All games in the Greyhound Invitational, for the first time ever, will be played outside of Carmel, at Grand Park in Westfield. First round battles Friday in the double-elimination tourney will have Westfield playing Park Tudor; South Dearborn taking on Chesterton; Michigan City meeting Martinsville; and Carmel entertaining Elwood.

Back to the sectional, it should be a great one with all first round battles, except for one, being repeats of regular season play.

Noblesville, which enters a season ending three game series with conference foe Avon with a 17-9 record, won a three-game series from Zionsville back on April 21-22-23. The Millers lost at Zionsville 10-0 in the opener; defeated the Eagles 6-0 at Dunker Field in Noblesville and won the

rubber game with a 3-2 thriller at Zionsville. The Eagles currently stand 18-7 overall.

Both teams, of course, played Westfield during the season. Noblesville lost its series with the Shamrocks, falling 2-1 and 9-6 and winning the finale 6-3. Zionsville, very early in the season, beat Westfield 3-2 and 8-7 and lost 5-3 to the Shamrocks.

Westfield has a 19-6 record.

The two games in the bottom bracket will be matches between Hoosier Crossroads and MIC teams.

Hamilton Southeastern, from the HCC, has defeated Carmel, from the MIC, 6-1. HSC is 11-14. Carmel is 14-10.

In the only sectional first round game which won't be a rematch, North Central, from the MIC, will face Fishers, from the HCC. North Central has an 8-7 record. Fishers is 3-12, but eight of the Tigers losses were by one run.

Heights, Guerin, Sheridan....

Tough sectional roads ahead

By DON JELLISON
Reporter Editor

Hamilton Heights, which plays a tough schedule for a 3A during the regular season, seems to always find the toughest path to follow come sectional time. It's no different for the Huskies this year as they head for the Yorktown Sectional.

Hamilton County's other 3A team, Guerin Catholic, will play at the Chatard Sectional and the county's only 2A club,

Sheridan, will be in a tough seven-team shootout at Eastern.

At Yorktown, Hamilton Heights is in the first game, which means the Huskies will have to play three in order to win the sectional. The opponent, Yorktown, is the favored team to win the sectional the Tigers are hosting.

Yorktown is 18-3 overall and a perfect 10-0 at home entering its final three games of the regular season. Their only losses have been 1-0 to Delta, 5-4 to New Castle and 5-4 to New Palestine.

Delta, a sectional opponent, was beaten by Yorktown, 5-2, in the second game of the double-header. Yorktown also split with New Palestine, winning 4-3. Yorktown has won eight straight games since losing to New Palestine.

Hamilton Heights is 7-12 overall, entering a game last evening at Peru. The Huskies have not faced any of the other teams in the Yorktown Sectional.

This sectional is a tough mix. Muncie Central will face Delta in the other first round game. Blackford drew a first round bye and will play the Heights-Yorktown winner.

Muncie Central owns an April 27 4-3 victory over Delta at Muncie.

Delta, along with losing to Muncie Central by a run, had the double-header split with Yorktown.

Only Blackford appears not to be in the mix. The Bruins are 4-20.

The 3A sectional at Chatard has some very good teams, including Guerin Catholic and Guerin's first round foe, Brebeuf.

Guerin's Golden Eagles are 13-8, but have lost to two of the three sectional teams they have faced. Guerin lost to Chatard 7-1 early in the season and lost to Brebeuf 7-2 in mid-April. Just before losing to Brebeuf, Guerin defeated New Palestine 8-3.

Brebeuf is 14-7, including that 7-2 win over Guerin Catholic. The Braves have played their best baseball at home, going 7-0. They are 6-6 on the road and 1-1 on neutral sites.

Host Chatard, which opens against Marshall, has a strong 14-4 record against a good schedule. The Trojans are 12-2 at home. They have beaten sectional foes Guerin 7-1 and Herron 23-0 and lost 3-0 to Brebeuf.

Marshall is only 1-7 for the season. New Palestine, a club with a 15-10 record against a good schedule, will face Herron, which is 8-3 but lost to Chatard 23-0 in a season opener.

Sheridan, one of Hamilton County's big surprise teams this season with an 18-7 record, appears to be positioned well in the Class 2A sectional at Eastern.

The Blackhawks drew a first-round bye and will face the winner of the Elwood-Taylor game. Sheridan's only games against a sectional foes resulted in a 12-2 loss to Tipton and a 10-0 loss to Eastern.

Taylor has a decent 12-10 record and the Titans own a 13-3 win over Tipton. But, Taylor has lost to Eastern 11-1. Elwood is just 4-15 and has lost to Madison-Grant 7-1 and to Alexandria 9-0.

In the bottom bracket of this sectional, Tipton will face Madison-Grant and Eastern will take on Alexandria.

The bottom bracket will match two strong teams against each other and two teams with not very good records against each other.

Eastern, 18-6, will take on Alexandria, 18-7. The two didn't meet during the regular season. Alexandria has beaten Elwood 21-2 and 9-0, lost to Taylor 3-2 and defeated Madison-Grant 9-0. Eastern has beaten Tipton 8-0, Sheridan 10-0, and Madison-Grant 11-5.

Madison-Grant is 6-13 playing a Tipton team with a 3-16 record. They did not meet during the regular season.

Offense stalls while Morton deals in 3-1 loss

Charlie Morton struck out nine over 6 1/3 innings but the Indianapolis Indians' offense converted its 10 hits into just one run in a 3-1 loss to the Pawtucket Red Sox on Tuesday night at Victory Field.

Morton (1-1) retired five of his first six batters with a strikeout, including all three faced in the top of the second inning. The right-hander allowed just two runs tonight and wrapped up a two-game rehab assignment for the Pittsburgh Pirates with a 2.03 ERA and 17 strikeouts over 13 1/3 innings.

Alen Hanson tripled and scored to give the Indians (22-18) a 1-0 lead in the first but Humberto Quintero tied the game with a sacrifice fly in the top of the fifth.

The Red Sox (23-17) took the lead in the seventh when Quintin Berry lifted their second sacrifice fly and Quintero crossed one batter later on a wild pitch.

Pawtucket starter Brian Johnson improved to 5-2 with one run on eight hits in six innings of work. Reliever Zeke Spruill worked the ninth frame to earn his second save.
