White River area to come alive with...

New riverfront district

The City of Noblesville aims to attract dining, entertainment and cultural establishments near the White River by creating the Riverfront Redevelopment District, which was approved at the Noblesville Common Council meeting last evening.

“Establishing the district costs the city no money but provides an additional economic development tool to further the revitalization of downtown,” Mayor John Ditslear said.

The Riverfront Redevelopment District designation is a way to increase retail and tourism activities, which will

strengthen the economic vitality of the riverfront area – the historic downtown square to the east and Federal Hill Commons to the west. The area extends 1,500 feet from each side of the buildable bank of the White River.

“The creation of the Riverfront Redevelopment District will help further the City of Noblesville by removing barriers for development,” said Alaina Shonkwiler, Noblesville economic development specialist. “Through the creation of this district, the city will be able to attract additional development opportunities, expand the tax base and create more opportunities for the people of Nobles-

ville, Hamilton County and surrounding areas to enjoy the various venues present in this proposed redevelopment district,” Shonkwiler added.

Traditionally, Indiana communities are limited on the number of alcoholic beverage licenses and state legislated quotas are determined by the population of the most recent U.S. Census. Those licenses also are bought and sold on the open market, which can drastically increase their cost.

Noblesville High School graduates Class of 2015

Photos by
Bret Richardson

Noblesville High School celebrated its 134th commencement ceremony Tuesday in a new venue: The Pepsi Coliseum at the Indiana State Fairgrounds (right). While it may have been different, it also allowed for some nice changes: Much more room, a cooler environment, more tickets and room for family members, and mutiple big screen with TV cameras, which even the graduates themselves (above) looked at.

More photos from the graduation can be seen throughout today's Reporter.

Fun for all ages... 24th annual Noblesville Street Dance

One of Noblesville’s favorite summer events will be here soon! Noblesville Main Street will hold the 24th annual Noblesville Street Dance on the historic courthouse square on Saturday, July 11, from 4 p.m. – 11 p.m. Admission is free and the event is open to the public. Riverview Health and the City of Noblesville will serve as the title sponsors of this year’s event.

At 4 p.m. the dancing begins. Noblesville DJ Gene Ott will start the evening on the main stage to get the crowd moving. Back by popular demand will be The Bishops who will take the stage at 7:30 p.m. and perform until 11 p.m., playing dance hits from the ’70s up to today’s number one hits.

“Main Street is proud to welcome The Bishops back for another great performance. In addition to the many crowd favorites they play, this year will feature karaoke with a live band shortly after 8 p.m.,” explained Chris Owens, Noblesville Main Street executive director.

Main Street is holding two preliminary competition nights of karaoke at Syd’s Bar & Grill, and the winners from those two nights will have the chance to sing and compete for a cash prize on stage during the Street Dance accompanied by The Bishops. Further information is forthcoming about this new feature.

In addition to all of the fun activities that attendees have come to expect, many are returning favorites: a marketplace of retail vendors, a beer garden area is planned

and Wafford Theater is presenting a FREE showing of the movie *Paddington* at dusk on the lawn behind the Judicial Center. Bring your blankets and chairs and enjoy. The Kids Zone will be open from 4 p.m. – 8:30 p.m. with games, prizes and activities for kids. The Classic Car Show will feature vintage autos from around central Indiana. Car show awards will be given out at approximately 8:15 p.m. in three categories: People’s Choice, Mayor’s Choice and Best of Show.

Come and sample great food and beverages from several food vendors at the event, which will feature delicious treats prepared by local Noblesville restaurants. Or, kick back, relax and watch the show while enjoying dinner at your favorite downtown restaurant.

Noblesville Main Street would like to thank this year’s title sponsors, Riverview Health and the City of Noblesville, and thank also additional sponsors: Primrose School of Noblesville, Logan Street Signs & Banners, Saxony, Alexander’s, Wafford Theater, Burtner Electric & Lighting and Hamilton County Tourism.

Volunteers are needed to help at the event and Main Street is accepting applications for food, business showcase and marketplace vendors, as well as exhibitors for the Kids Zone. Applications are available on the website, noblesvillemainstreet.org, or for more information, contact Noblesville Main Street at [\(317\) 776-0205](tel:3177760205).

Three arrested after robbery at Noblesville CVS

Three people were arrested after allegedly robbing the CVS Pharmacy in southern Noblesville on Monday afternoon.

At approximately 1:58 p.m., police officers from the Noblesville Police Department responded to a report of a robbery at the CVS Pharmacy located at 14835 Sunny Dell Lane in Noblesville. Officers arrived on the scene a short time later and began to investigate.

Initial information from the caller alleges that a subject came into the store and presented a note to employees in the pharmacy. As a result, employees provided the suspect with items from the pharmacy and the suspect then reportedly fled the scene. Witnesses stated that they observed the suspect flee on foot towards the Kroger’s located just east of the CVS. The witnesses were then able to provide a vehicle description, license plate number and direction of travel. It was reported that the vehicle traveled south on Hazel Dell Road and then west on 146th Street.

At approximately 2:09 p.m., officers from the Carmel Police Department located a vehicle matching the description of the suspect vehicle in the area of Keystone Parkway and Carmel Drive. A total of four occupants were located in the vehicle and all were questioned by NPD investigators.

The following individuals have been arrested in connection with the robbery:

- Kenneth L. Scott Jr., 31, Indianapolis, charged with Robbery and Possession of a Controlled Substance;
- Kala Williams 26, Indianapolis, charged with Robbery and Possession of a Controlled Substance; and
- Daniel L. Holland, 24, Indianapolis, charged with Robbery.

All three suspects were transported to the Hamilton County Jail.

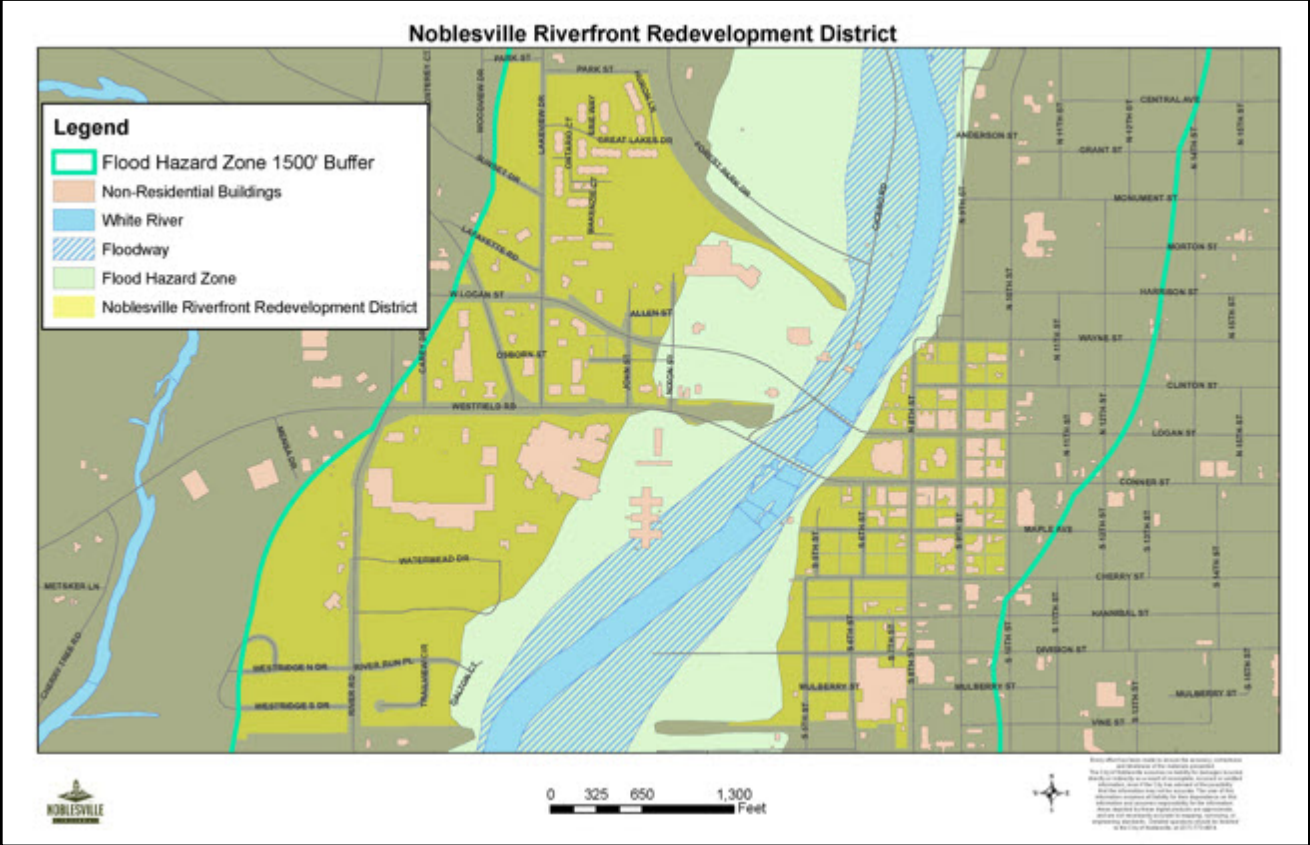

Anyone with information regarding the investigation is encouraged to contact the Criminal Investigation Division at [\(317\) 773-1300](tel:3177731300) or tips@noblesville.in.us.

Indianapolis Chamber Orchestra hosts free concert Thursday

The Indianapolis Chamber Orchestra is hosting a free concert 7 p.m. Thursday at Holliday Park, located at 64th Street and Spring Mill Road in Indianapolis.

Music lovers are invited to pack a picnic (or try the food trucks), bring a blanket and lawn chairs, and head to Holliday Park for a free evening of family fun.

Concert-goers will hear the Indianapolis Chamber Orchestra and meet the new ICO Music Director Matthew Kraemer.

RIVERFRONT From Page 1

Application for a license in the district is the same set forth elsewhere in the community.

The district designation provides the opportunity to allow an unlimited number of three-way and two-way licenses sold at the state designated purchase rate as opposed to the private market rate. This provides Noblesville new opportunities to increase the number of restaurants and nightlife that can be located in the district.

“This Riverfront Redevelopment District designation will put Downtown Noblesville well on its way to becoming a true dining destination and improve the visitor experience in an already vibrant downtown,” said Dave Pumphrey, owner of Copper Still Kitchen and Bar.

The proposed redevelopment district is another way the city is working to advance and expand downtown. Since Jan. 1, 2013, \$2,682,980.17 has been spent to improve the downtown area, including \$1,463,316 by the City of Noblesville for public infrastructure and \$242,816.62 in its façade grant program. The City of Noblesville anticipates spending \$9.7 million in the next two years in the redevelopment district for the Federal Hill Commons and BlueSky projects.

Max S. Haimes

July 19, 1928 - June 6, 2015

Max S. Haimes, age 86, of Plainfield, Indiana, formerly of Sheridan, passed away on Saturday evening, June 6, 2015, at Meadow Lakes of Mooresville. Born July 19, 1928, in Arkansas, Max was the son of the late Kenneth and Cecil (King) Childers, and was a 1946 graduate of Sheridan High School. On August 8, 1948, Max married the love of his life, Eileen L. (Edie) Haimes. She would precede him in death on November 22, 2014. Following graduation, Max worked with his father in the family construction business. He later decided to go to work for Farm Bureau Insurance for several years. Max decided to leave Farm Bureau, and with the help of his wife Eileen, and their sons, Kyler and Rodney, worked to establish the independent agencies of Ratcliff and Haimes of West Terre Haute; Arnold and Haimes of Plainfield and Clayton; and B.I. Haimes Insurance of Indianapolis. Truly a family endeavor, his brother in law, John Edie, worked with the company for many years. Max was dedicated to his family and to his profession, working tirelessly and never really “retiring”. He and Eileen loved to travel. Going to Alaska was definitely his favorite. Max loved the outdoors, going fishing and hunting whenever he could get the chance. Max was a past President of the Rotary Club of Plainfield. He is survived by his 3 sons, Kyler Haimes (Laura) and Tyler Haimes, both of Indianapolis, and Rodney J. Haimes of Plainfield; his 2 daughters, Beverly Grinstead (the late Gene Grinstead) of Sheridan and Sharon Natenberg (Steve) of Houston, Texas; 7 grandchildren and 8 great grandchildren. He was preceded in death by his parents; his wife Eileen; 1 brother, Jerry Childers; brother in law, John C. Edie; and sister in law, Georgianne English Edie. Services will be held at 3:00 PM on Thursday, June 11, 2015, at Kercheval Funeral Home; 306 E. 10th St.; Sheridan, Indiana, with visitation from 1:00 PM until the time of service. Burial will follow at Crown View Cemetery in Sheridan. Pastor Carol Fritz will be officiating. Memorial contributions may be presented to the Terhune United Methodist Church.

Ann Lloyd

August 23, 1932 - June 5, 2015

Ann Lloyd, 82, of Westfield, passed away on Friday, June 5, 2015 at The Hearth at Windermere in Fishers. She was born on August 23, 1932 to Jonathon and Ellen (DuPuis) Cockley in Peru, IN. Ann was the Executive Director for the Hamilton County Republican Party for many years. She loved politics, and was awarded the Sagamore of the Wabash in 1987 from Governor Orr. She also enjoyed crossword puzzles and was an avid artist. She is survived by son, Stephen (Susan) Sgroi; daughter, Stephanie (Roger) Boyer; stepson, David (Leal) Lloyd; and grandchildren, Rachel Sgroi, Alyssa Boyer, and Daniela Boyer. In addition to her parents, she was preceded in death by her husband, David Lloyd, who passed away in 1994. Visitation will be Thursday, June 11, 2015 from 4:00 pm to 8:00 pm at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road in Fishers. A private graveside service will be held on June 12, 2015. Condolences: www.randallroberts.com.s

Yield before turning left at two new flashing yellow arrows

Indiana Department of Transportation contractors are scheduled to turn on modernized traffic signals on Friday, June 12, weather permitting, at the intersections of State Road 37 with 126th and 131st streets. Drivers may encounter congestion while the signals operate on a default setting until technicians can install new timing sequences, including the flashing yellow left-turn arrows. Once the flashing yellow arrows are activated, signs mounted alongside the signals will advise drivers: “Left turn yield on flashing yellow arrow.” National research has shown that the flashing yellow arrow signal is more intuitive for drivers, results in fewer crashes and moves traffic more efficiently at intersections. The signals have already been adopted by most states. Flashing yellow arrow signals allow left-turning traffic to yield the right-of-way to oncoming traffic and pedestrians and turn when a suitable gap is available. This type of signal improves intersection efficiency by using cross-traffic gaps to allow more left turns. INDOT installed the first flashing yellow arrow signals in Indiana in 2013 and plans to replace most of its five-section or “doghouse” left-turn signals with the new national standards featuring a flashing yellow arrow. More information about the flashing yellow left-turn arrow signal is available on INDOT’s Web site at <http://www.in.gov/indot/3202.htm>.

State Fair to highlight different elements of agriculture

The Indiana State Fair is the greatest showcase of the past, present and future of Hoosier agriculture and the Indiana State Fair Year of the Farmer presented by Dow AgroSciences proudly dedicates your Great Indiana State Fair to the farmers who make it happen. To honor and celebrate those who have committed their lives to innovation in agriculture, each day of the 17-day Fair will highlight a different farmer/farm family who represents a different element of Indiana agriculture. These farmers, who were selected in collaboration with Indiana agriculture stakeholders, will be featured on daily highlight sheets for the Fair as well as participate in various events and exhibits all around the Fair. "Farmers are the heroes of modern agriculture, and the people on this list are amazing role models for this essential industry," said Rajan Gajaria, Vice President, Latin America and North America, Dow AgroSciences. "There is amazing variety in Indiana agriculture, which gives fairgoers a unique opportunity to learn more about the farmers who feed us all." Below are the farmers/farm families, the segment of agriculture they are repre-

Local DAR chapter hosting Vietnam War ceremony June 14

The Horseshoe Prairie Chapter, National Society Daughters of the American Revolution, will present a ceremony on June 14, 2015, 2 p.m. at the Hamilton County Judicial Center to recognize and honor veterans on the 50th anniversary of the Vietnam War.

We invite you to join us as the official Commemorative Flag is flown at the Judicial Center on that day to recognize the many men and women who served there. A short ceremony will be presented featuring local dignitaries Sen. Luke Kenley, Rep. Kathy Richardson, Hamilton County Commissioner Mark Heirbrandt, Noblesville Mayor John Ditslear, and officials of the Horseshoe Prairie Chapter. Honor Guards from the Noblesville Veterans of Foreign Wars (VFW) and American Legion Post 45 will present as well.

Congress passed legislation authorizing the Secretary of Defense to establish The

United States of America Vietnam War Commemoration with its primary mission to thank and honor Vietnam veterans and their families. The Horseshoe Prairie Chapter has been selected as a Commemorative Partner. Chapter Regent Amanda Mizell will offer remarks at the ceremony.

Please join us as we raise the Flag of Commemoration for our Vietnam veterans, read the names of Hamilton County service personnel who lost their lives in Vietnam, and pay tribute to all those Vietnam veterans who served there. Special displays will highlight Hamilton County's soldiers who died while serving in Vietnam.

"You are in many ways turning back the pages of history and righting a wrong for some of the veterans and families by simply saying "thank you for your service and sacrifice." - Yvonne Schilz, the United States of America Vietnam War Commemoration Chief, Commemorative Partner Program & POW/MIA Liaison.

Sheriff's Office offering... Car seat education, inspection/installation

With summer travel season coming, the Hamilton County Sheriff's Office wants area residents to know that we have three certified car seat technicians ready to assist with child safety seat questions. Car seat education and safety checks are a free service for the community. Using the appropriate seat for a child as well as properly installing a car seat is not difficult but does take some research and knowledge.

According to the National Highway Traffic Safety Administration (NHTSA), a child under the age of 13 is involved in a crash every 34 seconds in the United States. Correct car seat usage reduces the risk for death to infants by 71% and for toddlers by 54%. However, one study by NHTSA shows that 72% of car seats are

not used correctly. As times have changed, so have car seats and the evolution of child safety seats is not always easy to keep up.

According to a 2012 NHTSA survey, the following are the five most significant and commonly observed mistakes made by parents and caregivers when using and installing car seats and booster seats:

1. Wrong harness slot used - The harness straps used to hold the child in the car seat were positioned either too low or too high;
2. Harness chest clip positioned over the abdomen rather than the chest or not used at all;

Cicero asking residents to take survey

The Cicero/Jackson Township Plan Commission, Town of Cicero and Cicero Parks Department are asking for your input. The completion of the recent Comprehensive Plan for the area has identified key areas of Cicero that the community would like to see addressed. The Town would appreciate your input in helping to provide the resources and amenities locally that would improve the quality of life in Cicero.

A redevelopment committee has been formed to identify potential end uses for areas within Cicero. The short survey below will allow the committee to identify key components that the residents want to see.

Sheriff's Office is... Recruiting for Reserve Deputies

The Hamilton County Sheriff's Office is currently accepting applications for the position of Reserve Sheriff Deputy. The Reserve Division is a group of unpaid volunteers empowered to assist full-time Sheriff's Office staff with upholding the law and preserving peace. The Sheriff's Office seeks qualified individuals who meet the high standards required to become part of one of the finest law enforcement agencies in Indiana and who are committed to serving the residents of Hamilton County. Reserves come from a variety of backgrounds and experiences as they enter a second career in the field of law enforcement.

The Reserve Division consists of two distinct classifications. Road Qualified Reserves perform patrol duties, similar to Merit Deputies, in addition to special details and other assignments. These Reserves are expected to work a minimum of 24 hours each month, mostly supplementing the Patrol Division, in addition to regular training. Auxiliary Reserves also work a minimum of 24 hours each month on special details such as court services, charity events, inmate security, and special assignments as well as supplementing Sheriff's Office staff. Reserve Deputies work alongside full-time staff in almost every aspect of the Sheriff's Office.

Both Road Qualified and Auxiliary Reserves must attend a 600 hour Reserve Academy sponsored by the Sheriff's Office. The academy will run from January through September 2016, meeting Tuesday and Thursday evenings and every other weekend at the Sheriff's Office in Noblesville. Road Qualified Reserves will then complete a field training experience under

- the guidance of merit personnel. All Reserve Deputies must meet the same annual training standards as full-time deputies after completing their initial training.
- Minimum qualifications for Reserve Deputies are:
1. US Citizen or US citizenship by time of appointment
 2. Valid Driver's License with no more than six (6) active points
 3. No felony convictions or domestic violence convictions
 4. Legal ability to possess a firearm
 5. High School or equivalency diploma
 6. Ability to read and write English
 7. No Operating While Intoxicated convictions in last five (5) years
 8. No dishonorable or undesirable discharge from military
 9. No illegal drug use in last three (3) years
 10. Pass all portions of the selection process, including a background check, physical fitness assessment, medical, psychological, and drug screening, and multiple written and practical exams during the Reserve Academy
 11. Reside in Hamilton County or one of the adjacent counties
 12. Must be at least 21 years of age (no upper age limit)

While becoming a Reserve Deputy is a large commitment, the benefits of serving the residents of Hamilton County more than make up for the time and effort. For more information and an application, contact Deputy Jeff Larkin at Thomas.Larkin@hamiltoncounty.in.gov or (317)773-1872. Applications are due by August 31.

CAR SEAT

From Page 4

3. Loose car seat installation - The restraint system moved more than two inches side-to-side or front to back; anything more than one inch is too much.
 4. Loose harness - More than two inches of total slack between the child and the harness strap; there should be no slack.
 5. Seat belt placement was wrong - Lap belt resting over the stomach and/or shoulder belt on the child's neck or face.
- Child safety seat installation and inspection is a free service by the Hamilton County Sheriff's Office but an appointment is necessary. Our technicians will educate parents on the following:
- Selection—is the car seat right for the child's height, weight, and development? Does it fit in the car? Is it easy to use correctly each and every time it is installed?
 - Direction—should the child be forward or rear facing?
 - Location—is the seat in the correct location in the car?
 - Installation—is the seat secured correctly?
 - Harnessing—is the child strapped in the seat securely?

If you would like to make an appointment to have your child's car seat checked, call [317-773-1872](tel:317-773-1872). Be prepared to give the following information:

- Make, model, and year of the primary car
- Make, model, and year of the car seat (seats have expiration dates)
- New or used seat
- Child's age, height, and weight

Westfield to conduct special census

Westfield's city council voted to move forward with a special census Monday evening, in an effort to track the community's rapid growth for funding purposes.

2014 population estimates from the U.S. Census Bureau show that Westfield's growth outpaced that of all other Hamilton County communities since the 2010 census, with the city's population increasing 17.4 percent to a total of 35,297.

"So much of how we receive funding from state and federal agencies is tied to per capita calculations," Westfield Mayor Andy Cook said. "With so much growth happening so quickly in our city, we want to make sure we have the most accurate information available when it comes time to seek dollars for our community."

The estimated total cost of the project is \$625,000, with an expected increase in annual revenue of \$330,000 every year. The census will begin in July.

Residents will be updated on the progress of the census via the city's social media channels, namely Facebook, Twitter and Nextdoor.

Carmel's Helena Ma receives STEM scholarship

Golf sectionals...

Royals, Shamrocks win titles

By **RICHIE HALL**
Reporter Sports Editor

Hamilton County had five boys golf teams advance to regionals after their performances in Monday's sectional round.

Up at Purgatory Golf Club, Hamilton Southeastern defended its sectional title, shooting a 302. Host Noblesville was second with a 308, and also had the individual medalist in Josh Keating. Meanwhile, Fishers earned its first-ever spot in a regional by placing third.

Consistency was the name of the game for the Royals. Cedric McAree led HSE with a two-over par 74, with Nick Kuster carding a 75. All five of HSE's scores were within one shot of each other, and Royals coach David Young said "that's the most consistent that we've been all year."

"Not our best score of the year, but second-lowest," said Young. But overall, our best day out on the course. Course management was on today. They knew what to do. They played simple golf, fairways and greens."

Keating carded an even-par 72 to lead the Millers, and the field. Keating drained three birdies on the way to his medalist performance.

"It's the first big thing I've won," said Keating. "I played excellent. Other than a few shots (that were) a little bit wild with the driver, I felt like I was pretty consistent with everything."

So were his teammates. Noah Lodin added a 77 and Mitchell Compton scored 78.

"Just so proud of Josh and the job that he did today," said NHS coach Gary Sewell. The coach noted that this week's 308 "was better than we played last week

with 311, so all in all you just can't be upset about that."

Jackson Brooker led Fishers, with his 76 helping the Tigers gain their spot at the Muncie Central regional, which takes place Friday at The Players Club in Yorktown.

Meanwhile, Westfield ruled at the Golf Club of Indiana, regaining the sectional championship that it had won two years ago. The Shamrocks held off defending champion Carmel, 300-304.

Both teams were remarkably consistent. Thomas Lewis carded a 74 for Westfield, with Andrew Lewis and Keith Ponsler adding 75s.

"Everyone played all right," said Ponsler. "I think we could've played a little better. I know (Andrew's) a little upset with this round. But we're all happy, we're happy we could get the win. We're on to regionals."

"I played all right," said Andrew Lewis. "Could've been better."

Jeff Doty and Michael Walters both had 75s for Carmel, with Kevin Stone adding a 76.

"The Hounds played well today in what many consider to be Indiana's toughest sectional," said Greyhounds coach Richard Reid.

In an unusual move, four teams advanced out of this sectional. After Westfield and Carmel, Brebeuf Jesuit and Zionsville also received tickets to the Lafayette Jeff regional, which is Thursday at Battle Ground Golf Club. There was a scoring discrepancy that caused quite a bit of debate, and eventually the IHSAA reported on

Great year in 2015...

Hamilton County Softball Report

By PERRY WILLIAMS

Hamilton County softball came to an end last Saturday, with the Noblesville Millers falling to Lake Central 4-3 Class 4A Semi-State and Hamilton Heights losing 4-2 against South Bend St. Joseph in the 3A Semi State.

Still, it was a great season by both teams. In fact, of Hamilton County's nine teams, only two had losing seasons: Guerin Catholic was 11-13 and University 0-13.

Guerin finished with losing season after losing the first seven games, but bounced back to finish the season 11-6 with two strong sophomores, Megan Collins and Sara Miller, leading the way. Miller had a great all around performance along with Collins' hitting and her ability to steal bases once she got on base will give coach Ed Collins a good start for 2016.

Hamilton Heights another 3A school finished the season with trip to Semi State. The Huskies finished the season 17-11. Next season they will be playing for the first time in four years without Morgan Burtron, but don't shed any tears because retuning will be Ashley Roberts, and out-standing hitter and pitcher, along with freshman Jessica Kaurich, who had an out-standing tournament with three home runs. Look for coach Landi Lockwood to make another run in 2016 State Tournament with the talent coming back.

Another 17-11 team, the Sheridan Blackhawks, was a runner-up in its 2A Sectional. The Blackhawks were led in hitting by freshman Cassie Vargas, one of the top hitters in Hamilton County. Coach Joe Grant's challenge for next year will be replace Paige Forrester's pitching. The hitting looks good with Vargas, junior Payton Buckner and freshman Lauren Railer returning next season

Hamilton County has five 4A teams that play in the same Sectional each year. All five play each other in the regular season which are always great games but come Sectional time you can throw the records out the window. All five teams finished the season with winning records with Westfield making the biggest turn around in wins. The Shamrocks finished 16-12 after finishing 11-40 in the last two seasons. The Shamrocks, under first year head coach Dan Runge, counted on good senior leadership along with a very talented group Freshman.

The big hole to fill next season outside of the seniors will be freshman pitcher Madison Seigworth, whose family moved out of

state after the season. Seigworth handled most of the innings pitched this season for the Rocks. Freshman Dory Thompson and sophomore Cassidy Ferrer pitch and may see time in the circle next season.

Fishers closed the season 17-6 but will return one of the top pitchers in the county in Gabbi Schnaiter. Hitting will be plus next season with freshman Briona Rance, sophomore Alyssa Chavez and sophomore Aliyah Guillian all hitting over .325 this past season.

Carmel, 21-9 for the season, is no stranger to success. The Greyhounds will miss seniors Maddy Griffin, Whitney Foyer, Adrienne Jones, and Riley Tejcek but returning will be Celene Funke, one of the top offensive and defense players in the county, Karley Combs, Julia Ranney, Darby Roberts, and Kristyn Eckl, who is one of the most dominating pitchers in the state on any given night. Coach Emily Good, with talent she has coming back, will just reload and make another run to the State Finals.

The most successful program in Indiana over the last five years has to be David Cook's Hamilton Southeastern Royals, who finished the 2015 season at 22-3. The Royals lose many talented seniors like Madi Maloof (Hamilton County's top hitter), Ashley Scurlock, Shelby Mager, Ashly Rohr, Maggie Armstrong, and Kayla Kocal. Coach Cook, much like any top tier team just reloads. The good thing for the 2016 HSE team will be Savanna Copeland, who is an outstanding hitter and pitcher. Copeland is one of those type players that can do it all for you in a game.

Last but not least: The Noblesville Millers 2015 Sectional and Regional champs. When you play in a Softball Sectional like Sectional 8 with Carmel and Hamilton Southeastern, it is hard for the other teams to win. This season the Millers accomplished that goal with great Senior leaders like Zoe Schafer, Cassie Neal, and Aly Compton, three players that have met so much to this program for the last three years. Underclassmen like third baseman Maddie Moore and shortstop Grace Smith, Kimi Box and Karley Blankenship. The real question mark had to be pitching with only sophomore Brooke Herron returning and two transfers, senior Sammi Minton and junior Kristen Melloh. Early in the season during a game against Fishers, Melloh came in for the final four innings and Coach Mike Ramsey realized that he had a trio of pitchers that would help him win 20

Hamilton Heights' Ashley Roberts was one of the key players for the Huskies in their historic 2015 softball season.

games. The Millers are losing outstanding Seniors, but have great core of players coming back led by Moore at third base.

Broadcasting on HCTV Softball games and watching another 15-20 as a fan, I

would say softball in 2015 was good one, but look out in 2016. Many great players will return in Hamilton County. Who will be that team that surges to another State Championship for Hamilton County?

Remember the days before the 3-pointer??

Likely, Ackles & Rodgers do

By **DON JELLISON**
Reporter Editor

Every time names such as Ronnie Ackles and Chris Rodgers come up, we all have to wonder. Wonder just how many points Ackles and Rodgers might have scored had they had the benefit of the 3-point shot.

Ackles, a former Jackson Central great, and Rodgers, who graduated from Sheridan just before birth of the 3-pointer, are two of four former Hamilton County Basketball All-Stars who Sunday will be inducted into the Hamilton County Basketball Hall of Fame. The other two are Jenny Horn Claypool, who had a sensational career at Noblesville, and Jess McKinney, who sizzled the nets at Hamilton Heights.

A fifth inductee is this year's Hall is a "contributor" to Hamilton County basketball, Scott Gregg, the golden voice

at Carmel High School athletic events, plus a lot of PA jobs working state tournament for the IHSAA.

The induction ceremony will be held at the Hamilton Heights auditorium this Sunday, starting at 1 p.m. A \$10 contribution to the Hall will include a ticket for the program and light refreshments. Tickets can be purchased at the door.

Back to the 3-point shot. Not dating back to those days, I asked former Noblesville Hall of Fame coach Dave Nicholson just when the 3-pointer was added to high school basketball.

"The first season was 1987-88," Nicholson informed me. "Players had not worked on the 3-point shot much before it came into play and most coaches saw that shot as too far out. Therefore, it was considered a bad shot."

Nicholson, even today, isn't a big fan.

"I still think too many 3's are taken by most teams," said the coach. "The field goal percentage has gone down a lot since the 3-point shot came in. Of course, if you take 10 3-pointers and make 3, that equals 9 points. You would

have to shoot almost 50 percent from inside the 3-point line to equal 9 points."

Nicholson said his first good 3-point shooter was Jason Whitely, who graduated in 1989 and shot of 40 percent.

"That was good shooting," said Nicholson.

Ackles played long before the 3-pointer, having graduated in 1962. He scored 1,052 career points. He had a season high of 430 points and once in a game Ackles netted 45 points.

Rodgers graduated at Sheridan in 1980, just before the 3-pointer came along. His career total was 1,426 points, and, yes, Chris was a long-range bomber.

McKinney, with the advantage of having the 3-point weapon, finished with 1,426 points at Hamilton Heights.

Jenny Horn Claypool, while playing at Noblesville, became one of Hamilton County's all-time greats. She started in 70 straight games and at that time held school records of 34 points and 30 rebounds in a game.

Sunday will be another great days in the history of Hamilton County basketball.

All-star county players have solid games at Richmond

Carmel's Ryan Cline scored 13 points and Guerin Catholic's Matt Holba added 12 points to help the Indiana Boys All-Stars to a 118-79 victory over the Indiana Junior Boys, also Monday at Richmond.

Cline drained three 3-pointers, also grabbing five rebounds, handing out three assists and making one steal. Holba had nine rebounds, two blocked shots and one assist.

In the girls game, Noblesville's Alexis Shannon scored six points and her Miller teammate Katelyn O'Reilly added four for the Indiana Junior Girls team, as it fell to the Indiana Girls All-Stars 78-63 Monday at Richmond.

Shannon scored all of her points from the free throw line, and also made one steal and grabbed one rebounds. O'Reilly had four rebounds and one assist.

Gross wins Sheridan Horseshoe League's second tournament of the year

The Sheridan Horseshoe League recently held its second tournament of the year.

Several of central Indiana pitchers competed. Phil Gross of Plainfield won the event with a handicap score of 687. Other top finishers were Sam Gibbon of Noblesville, second with 623. Sheri Richards and Rick Downs of Lebanon finished third and fourth respective with scores of 604 and 575. Sheridan's next tournament will be held July 5, and is open to the public.

Indians overcome deficit to win fifth straight

A three-run sixth erased a deficit and helped send the Indianapolis Indians to their fifth consecutive victory on Tuesday night, 5-4. The Tribe trailed the Rochester Red Wings 3-2 entering the sixth, but a two-run single by Elias Diaz put Indianapolis on top for good.

The Tribe's rally in the sixth occurred with two outs, and was kick started by a pair of singles by Brent Morel and Steve Lombardozzi. A walk to Tony Sanchez loaded the bases before Diaz's single. Mel Rojas Jr. salted the lead when he drove home Sanchez following Diaz's at-bat.

Morel helped lead the charge offensively; he collected three hits, scored two runs, and hit his third home run of the season. His solo homer in the fourth cleared the scoreboard in left field and landed in the parking lot beyond the wall.

Wilfredo Boscan (3-2) battled through five innings to receive the win. John Holdzkom returned from the disabled list and struck out the side in the seventh; while Blake Wood converted his league-leading 16th save of the season. Taylor Rogers (5-4) took the loss for Rochester (31-26).

The Indians (37-23) are 11-2 in their last 13 road contests, and their current seven-game trip wraps up Wednesday afternoon before they head home Thursday for a seven-game homestand.
