Beer garden and karaoke finalists announced...

# Noblesville Street Dance is Saturday

One of Noblesville's favorite summer events is this weekend. Noblesville Main Street will hold the 24th annual Noblesville Street Dance on the historic courthouse square on Saturday, July 11, from 4 p.m. – 11 p.m. Admission is free and the event is open to the public. Riverview Health and the City of Noblesville will serve as the title sponsors of this year's event.

At 5 p.m. the dancing begins. Noblesville DJ Gene Ott will start the evening on the main stage to get the crowd moving. Back by popular demand will be The Bishops who will take the stage at 7:30 p.m. and perform until 11 p.m., playing dance hits from the '70s up to today's number one hits.

A favorite in downtown Noblesville, Copper Still will once again host a beer garden for patrons 21 and older on 9th Street during the event. Identification will be required for admittance.

This year's event will feature karaoke with The Bishops starting around 8:15 pm on the main stage. Two preliminary competitions were held and local singers Josh Rodkey and Kristen Moore will face off for a cash prize to be awarded at the Street Dance based on crowd response to each performance.

In addition to all of the fun activities that attendees have come to expect, many are returning favorites: a marketplace full

## Noblesville boy injured in traffic accident

A 13-year-old boy was injured in a traffic accident Wednesday afternoon in Noblesville.

At approximately 2:11 p.m., police officers and firefighters from the Noblesville Police & Fire Departments responded to the intersection of 14th and Hannibal streets in reference to a report of a motor vehicle crash involving a USPS vehicle and bicyclist. Officers and firefighters arrived on the scene a short time later and began to investigate.

Based on witness statements and evidence at the scene, it appears that a juvenile riding a bicycle was traveling northbound on 14th Street when he pulled out into the path of a 1993 GM, USPS mail delivery vehicle that was traveling eastbound on Hannibal Street. At this particular intersection, 14th Street is regulated by stop signs and Hannibal Street traffic has none. The posted speed limit on Hannibal Street is 25 mph.

The bicyclist is identified as a male juvenile, 13, of Noblesville. He was transported by ground ambulance to

After Indy Fuel purchase...

## Forum to become "Fuel Tank in Fishers"

Hockey fans who live in Hamilton County soon won't have to travel far if they want to see a pro team in their favorite sport.

The Indy Fuel will be making its new home base in Fishers. The Forum in Fishers has been acquired by Indiana Ice Arenas, which is an affiliate company of the Fuel. The deal closed on July 1. The Forum will now be known as the "Fuel Tank in Fishers."

The Fuel had been playing their games at the Indiana Farmers Coliseum (formerly the Pepsi Coliseum) at the Indiana State Fairgrounds. In a news release on the Fuel's Web site, the team's CEO/COO Sean Hallett said it is "thrilled to announce our ownership" of what is now the Fuel Tank.

"We believe this investment in youth and adult hockey underscores the Fuel's commitment to growing the game at a grassroots level and aids in our ability to achieve our stated goal of doubling the participation in youth hockey in Central Indiana," Hallett said on the Web site.

The Fuel is a member of the East Coast Hockey League (ECHL), and is a AA affiliate of the Stanley Cup champion Chicago Blackhawks. The Fuel is one of seven teams that plays in the north division of the ECHL's Eastern Conference.

With the change of ownership, the new Fuel Tank will also see renovations. Plans include increasing parking, building more

office space, the addition of a pro shop, and a fitness center that not only the Fuel players will use, but memberships to the public will be offered as well.

The Forum at Fishers was opened in 1997, and is located at 9022 E. 126th St. It offers public ice skating sessions and lessons, figure skating lessons and adult and youth hockey leagues.

Photo courtesy Fishers Fire Department

Fishers firefighters responded to a fire in the Bristols neighborhood (near 126th Street and Brooks School Road) on End Zone Drive over the weekend on a report of a garage fire. A family of five made it out of the residence safely with one minor injury to a home owner. The garage was heavily involved with fire extending into the kitchen. Firefighters made an aggressive stop before the fire moved into the upstairs part of the house. The fire is under investigation but fireworks are a possible cause.

U.S. 31 update...

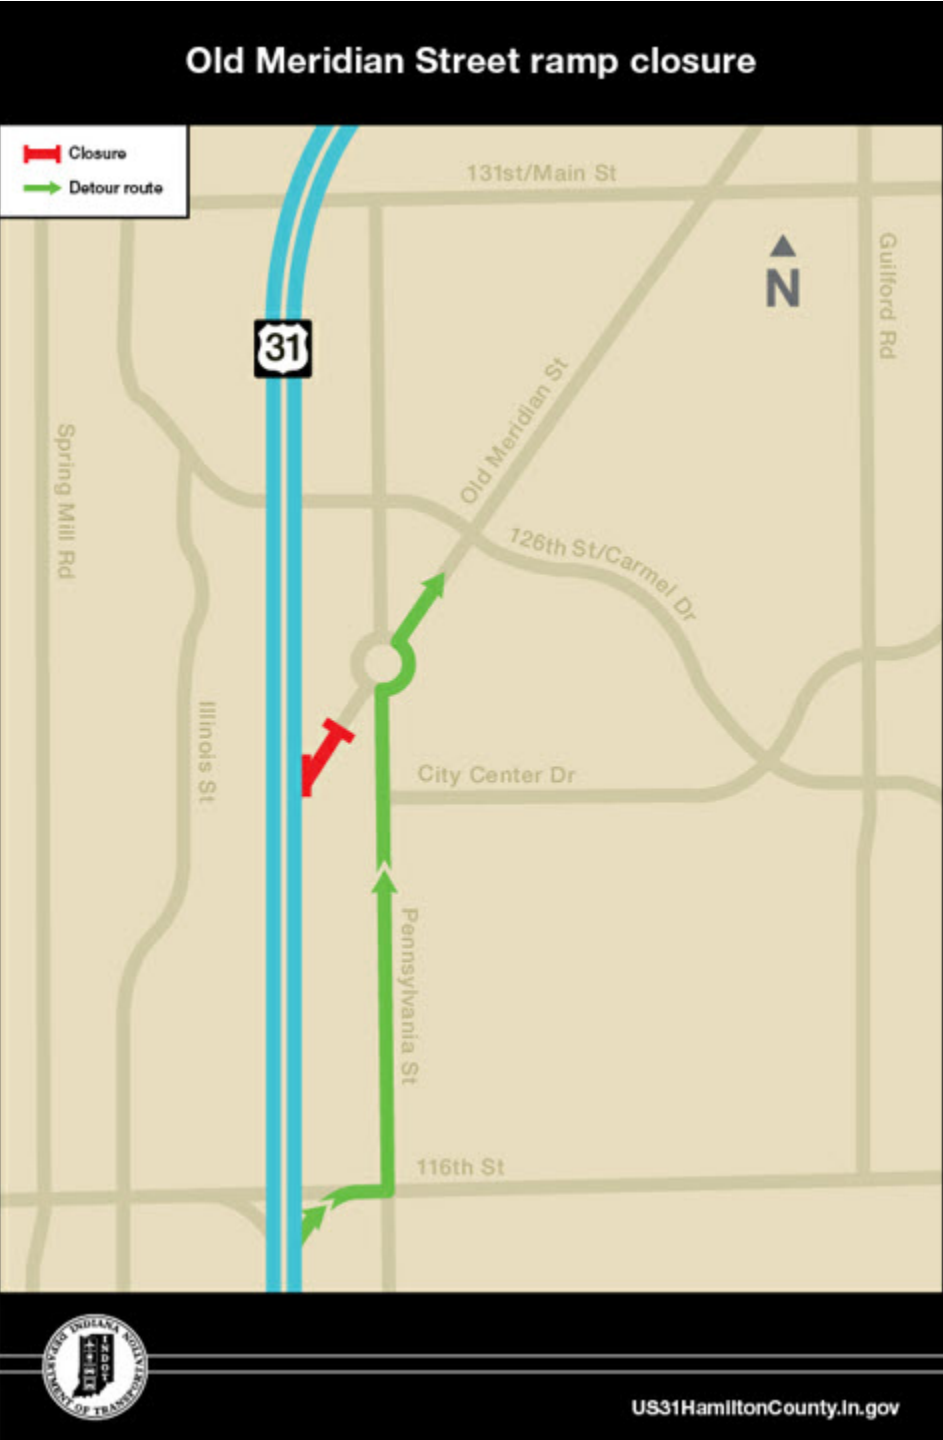

Traffic shift between 103rd & Old Meridian streets

On or after Friday, July 10, crews plan to shift traffic on US 31 to the new pavement (outside lanes) between 103rd and Old Meridian streets. Once traffic on US 31 is shifted, construction will begin on the new inside lanes.

Traffic will also be shifted on 106th and 116th streets. Both streets will be reduced to one lane in each direction across US 31 with additional turn lanes. Motorists will notice extended left-turning distances to and from US 31 and should pay extra attention when driving in the area. Signage and pavement markings will indicate new travel paths and lane designations for the temporary configuration. While lane configurations will be different in this area, all turning movements will remain open.

Carmel Drive/126th Street is now open to traffic across US 31, and the Main Street roundabout interchange at US 31 is expected to open to its permanent configuration with two lanes in each direction before the US 31 traffic shift.

**Old Meridian Street Ramp Closure**  
Beginning on or after Monday, July 13, crews plan to close the slip ramp from northbound US 31 to Old Meridian Street to allow for storm sewer installation and pavement work. This closure is expected to last approximately 30 days. Access to all businesses will remain open. See the map below for a view of the detour route, which directs motorists to 116th Street and Pennsylvania Street.

A new football season...

# Change is the new buzz word

By **DON JELLISON**  
**Reporter Editor**  
Are you ready for some football? Some Hamilton County high school football?

The start of the 2015 season is just a little more than three weeks away. Non-contact practice will begin on Aug 3, with contact workout set for Aug 6. Opening games will be played on Aug. 21.

One word (change) will describe the Hamilton County season.

Hamilton Heights will play in the Hoosier Conference. Sheridan will play in the Hoosier Heartland Conference, which will end its season with a playoff game.

There is a new man pulling the strings at one of the state’s top football programs. John Hebert will move from assistant to head coach of the Greyhounds.

Westfield will begin its season in the Shamrocks’ new football stadium, one of the finest in the state.

Nearly every school will have a change on their schedules. Among the eight schools, only Noblesville will play exactly the nine opponents the Millers faced in 2014.

Sheridan, playing in the new Heartland Conference, has replaced Shenandoah, Clinton Prairie, North Knox and Linton-Stockton with North White, Eastern and Taylor. The playoff game in Week 9 is new to Sheridan’s schedule.

Hamilton Heights, playing in the new Hoosier Conference, has replaced Maconaquah, Eastern, Taylor and Peru, all from the old Mid-Indiana Conference, with Mt. Vernon, West Lafayette, Culver Academy and Twin Lakes.

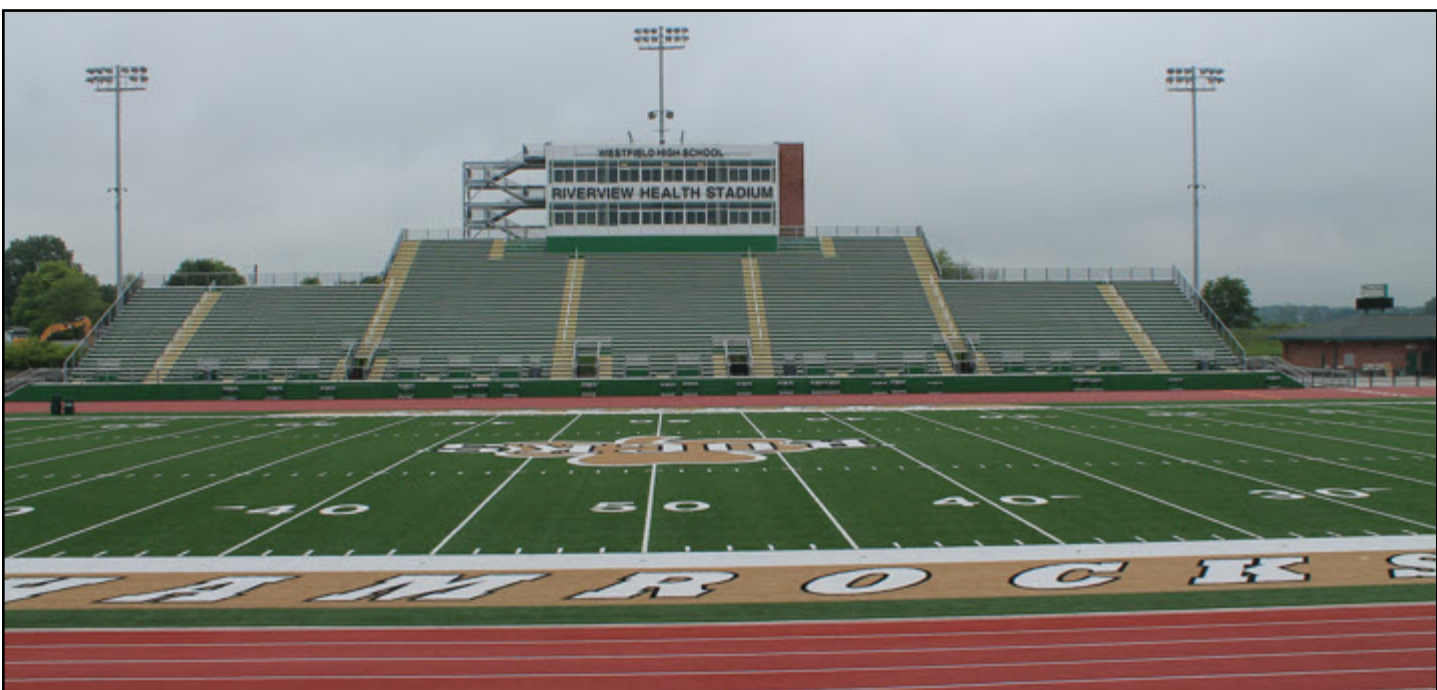

Three of the county teams will face out-of-state opponents.

Hamilton Southeastern has replaced Cathedral with Columbus Hartley (Ohio).

Carmel, instead of facing Louisville Trinity, will take on LaSalle (Ohio) in a game to be played at the University of Cincinnati. That’s the only change on Carmel’s schedule.

Guerin Catholic will play Marmion Academy out of Illinois instead of meeting Terre Haute South. The Golden Eagles also have replaced Culver Academy with Bowman Academy in the final regular season game of the year.

Westfield will meet Brebeuf instead of Indianapolis Washington and Fishers will play Cathedral, replacing Indianapolis Tech.

Reporter photo by **Richie Hall**

Westfield’s new football stadium will undoubtedly turn heads during the 2015 season. The Shamrocks will play their first game at the new Riverview Health Stadium on Aug. 21, hosting Harrison.

## FOOTBALL COVERAGE STARTS TODAY

The Hamilton County Reporter today kicks off Hamilton County’s best high school football coverage. The most experienced sports writing team in Hamilton County will follow the county’s eight schools throughout the gridiron season.

Today marks the start of what will be wall-to-wall coverage during the preseason, the regular season and the post-season.

In a head-to-head county and Hoosier Crossroads Conference showdown, Westfield will meet Hamilton Southeastern at Lucas Oil Stadium on Sept. 18.

## Bats hold off Indians for 3-2 victory

Close games have been the theme of the season series, and the Louisville Bats (43-44) edged the Indianapolis Indians (51-36) on Wednesday night, 3-2. It marked the seventh time in 14 meetings the two clubs were separated by just one run.

The Bats did all their scoring in the first and third innings. Brennan Boesch singled home a pair of runs, while an error by second baseman Alen Hanson allowed the third run to cross. John Bowker led off the seventh inning with a home run for the Tribe, and Keon Broxton would later break home on an error in the inning. Indianapolis would have the tying run in scoring position on two different occasions, but could not level the score.

Four county golfers in Indiana Open's top eight...

Hildebrand takes command

As golfers prepare for a busy final day of the Indiana Open at Brickyard Crossing Golf Course today, Hamilton County can now claim four of the top eight positions after Wednesday's second round.

Hildebrand

Vincennes' Adam Schenk currently sits in second place with a six-under 138. Right behind him is former Noblesville and Ball State star Eric Steger, who is five-under with a 139. Steger had another solid outing on Wednesday, shooting a two-under 70 for his second round. That total included five birdies.

Meanwhile, there is currently a four-way tie for fifth place at a three-under 141, with two young Hamilton County golfers among that list. Carmel's Jake Brown, who just completed his freshman year at Indiana University, had a consistent second round, shooting one-under 71 on Wednesday. Brown had four birdies on the day.

Graham McAree, a Hamilton Southeastern graduate who just finished his freshman year at the University of Indianapolis, soared into that fifth-place tie with a five-under 67 on Wednesday; he was one of two players to post that number, the best score of the second round. McAree drained six birdies in his second round effort.

Golfers will play 36 holes today to complete the 72-hole tournament. Action begins with the third round, which begins between 7:30 and 9:18 a.m. The fourth and final round of the event will start between 1 and 2:48 p.m.

## Renowned volleyball official heads IHSAA clinic

The Indiana High School Athletic Association is pleased to announce a special clinic designed for IHSAA volleyball officials featuring Joan Powell, a nationally renowned and highly sought-after skilled clinician and trainer in the sport.

Powell, a long-time high school teacher, coach and volleyball official from Colorado Springs, CO, will conduct a two-day clinic this Friday and Saturday at Lawrence North High School in Indianapolis.

The clinic is designed to improve the skill level, consistency and mechanics of officials. Powell will specifically focus on the role of the R2 (down referee or second referee), ball handling calls, and professionalism. Assisting her in the training will be local volleyball players from Lawrence North High School.

Powell has presented at multiple state association volleyball officials clinics and conferences, including the National Association of Sports Officials.

As a 32-year high school teacher and coach, her volleyball teams won three state championships. As an official, she has worked at all levels from high school matches for 10 years to multiple NCAA Division I, II, III semi-final and finals. Powell has been a vital part of the officials training programs at all levels across the country as well. She has served as president of the Professional Association of Volleyball Officials (PAVO), and is member of the National Association of Sports Officials (NASO) Board of Directors. She has also served on the NFHS Rules Committee and has attended the NFHS Rules Meeting for many years. In 2008, she

traveled with the Women’s National Team as their Team Leader to the Pan Am Cup, the World Grand Prix and to the Olympic Games in Beijing. She has been inducted into seven different halls of fame.

It is the goal of the IHSAA to continually work on improving the officiating skills, mechanics and consistency of all volleyball officials across the state. Officials attending the entire clinic (Friday night and all day Saturday) will receive credit for the clinic and two online rules meetings.

Individuals interested in registering should contact IHSAA Assistant Commissioner Sandy Searcy at [ssearcy@ih saa.org](mailto:ssearcy@ih saa.org).

## IndyCar... Compact Milwaukee schedule tests everyone

Verizon IndyCar Series drivers will practice, qualify and race on the same day in the ABC Supply Co. Inc. Wisconsin 250 at Milwaukee IndyFest presented by the Metro Milwaukee Honda Dealers.

"It means you have to get it right quickly," said defending race winner and reigning Verizon IndyCar Series champion Will Power of the non-stop action July 11-12 at The Milwaukee Mile.

Activity kicks off July 11 with a 75-minute Verizon IndyCar Series practice session at 6 p.m. (ET) along with practice and qualifications for the Indy Lights Presented by Cooper Tires. On July 12, a 45-minute morning Verizon IndyCar Series practice at 10:15 a.m. (ET) will be followed 2½ hours later by single-car qualifications to set the starting lineup for the 250-lap race that will take the green flag at 5:35 p.m. (ET). The Indy Lights race precedes the feature.

Team owner A.J. Foyt, who made 45 starts at The Milwaukee Mile, prefers the compact schedule. The ABC Supply Wisconsin 250 will mark the 113th Indy car race at The Milwaukee Mile.

"I'm glad to see it that way because it's cheaper on the car owners and makes things easier in some ways," said Foyt, whose accomplishments at Milwaukee include a pole while driving a upright dirt Indy car against a field of low-slung rear-engine Indy cars in 1965. "You save a lot of money, and the wear and tear on the car and on the crew. Also, you save on your tire bill because you don't use as many tires.
