Sitting on top a field of gold makes it much easier to build a polished rock.

That has been Westfield Schools' situation in building its new football stadium, which is one of the finest football plants in the state.

Cost of the project is \$7.5 million, a majority of that money coming from the sale of ground where Westfield for years has played football, and baseball.

The sale was for 14.1 acres at US 31 and State Road 32, perhaps the most desirable intersection in Hamilton County.

"The property was sold to a developer and then some of the land was sold by the

field Schools business manager Nick Verhoff.

Bingo, a new football stadium at Westfield.

But, the secret of pulling off the "Build the Rock" campaign was more than just selling real estate. All along the way Westfield has stressed that this will be a stadium for the community.

"Our plan was to use the sale of the land of the site of our old baseball and track/football stadium, special funding from the City, a brick paver campaign and naming rights of parts of the new venue.

"We created a team of about 12 individuals who worked together to find donors/sponsors for this project," Davis continued. "We have been overwhelmed by the outpouring of support and our model is Luce, Dr. Mark Keen, Nick Verhoff, Chris working well. We have sold the land, se-

"Our model has currently secured approximately \$190,000 per year for the next five years and has the potential of approximately \$300,000 per year. The model will then be in place for a future renewing revenues source for the corporation.

We are blessed to have a community that is supportive and visionary to see that our student athletes and community has the needed resources to have success," Davis added.

### **Carmel Fire Department getting renovated facilities**

#### By FRED SWIFT

It's always nice to get a gift, and it isn't often that a city gets a multi-million dollar gift. But, the City of Carmel, and more specifically the Carmel Fire Department, is in the process of receiving three gifts in the form of new, and newly renovated fire department facilities.

Clay Township in which Carmel is located is building one entirely new fire station, expanding and renovating gust 5 at the site of the entirely new station on Main Street a second building and constructing a new training and maintenance facility.

Total cost is about \$7 million which will be paid without a property tax increase because the township is paying off a previous bond issue this year, and will simply keep that bond retirement rate in effect to pay off debt incurred by the new construction. Available cash of about \$400,000 in the township account will go with a \$6.535 million bond issue to meet costs.

Doug Callahan, township trustee and former Carmel fire chief, said the projects that he and his township board have planned are being done to enhance public safety for the community of which the township is a partner. The township board members are Mary Eckard, Matt Snyder and Paul Bolin.

Groundbreaking is set for 8:30 a.m. Wednesday, Aueast of Gray Road. The site was cleared of the old structure known as Station 4 earlier this summer.

The original Station 4 was built 35 years ago and had suffered some deterioration and become too small for current needs.

Station 3 near 106th and Keystone, built 42 years ago, is being renovated and expanded.

#### 4-H Results

The Reporter will begin publishing 4-H results today. You can find the first set of results today on Pages 9-16.

Another entirely new structure for equipment maintenance and training of personnel will be built at 106th and Gray Road.

Carmel and Clay Township have comprised a fire district for many years with the township paying for service by contract from the city. The township has no legal obligation to build new facilities, but has done so several times in the past in order to maintain better fire protection district-wide.

naming opportunities for a variety of WHS athletic facilities including football/track stadium, football playing field, track, press box, entry plaza, scoreboard, locker rooms concession stands, conference room, hospitality room, scoreboard advertising, individual locker sponsor, plaza entry bricks, varsity basketball gym multipurpose instructional facility, Monon baseball field and Monon softball field.

There are lots of bells and whistles, such as the press box, hospitality room, conference room and elevator to the upper level.

What might seem like a bell and whistle is the dressing room. Westfield has never had a dressing room at its football field. In the past, home and visiting teams had to dress at the Westfield Intermediate School cafeteria and gym.

The new stadium will be used for more than just football.

"Presently there are over 40 events held in the current stadium in the fall and with the new artificial surface we anticipate hosting over 100 events," Davis said.

The stadium will seat 5,000 football fans

Streets and roads leading into and out of the stadium parking area will provide traffic flow into the Grand Junction area, a real positive for community development.

### New flashing yellow signal activated at 146th and Herriman

Hamilton County has activated a new

LEFT TURN YIELD **ON FLASHING** YELLOW ARROW

traffic signal featuring flashing yellow left-turn arrows at 146th Street and Herriman Boulevard.

Once the flashare activated, signs mounted beside the signals will advise

drivers: "Left Turn Yield on Flashing Yellow Arrow".

A flashing yellow arrow for left turns at an intersection means that motorists should slow down and use caution when turning, and must yield the right-of-way to oncoming traffic as well as to any pedestrians who may be crossing the intersection.

National research has shown that the flashing yellow arrow signal is more intuitive for drivers, results in fewer crashes and moves traffic more efficiently at an intersection. Hamilton County plans to replace most of its left-turn signals with the new national standard featuring a flashing yellow arrow as the old signals reach their ing yellow arrows scheduled life expectancy.

For more information about the flashing yellow left-turn arrow signal is available on Hamilton County's web site at http://www.hamiltoncounty.in.gov/238/Fla shing-Yellow-Signal-Upgrade. Questions and concerns about the new signage and/or signals should be addressed to the Hamilton County Highway Department with contact information available on the above web site.

### Girls golf previews...

# Veteran Gehlhausen set to lead Huskies

#### By RICHIE HALL **Reporter Sports Editor**

With three returners - including one of the summer's

top junior golfers - the Hamilton Heights girls golf team is setting high expectations for its upcoming season. The Huskies also have a new coach, Kim Drake. He will lead a group of six girls on this year's squad, which begins its season right out of the gate with two 18-hole invitationals. Heights will play at the Plainfield Invitational on Monday, then travel to Stoney Creek in Noblesville for the HSE Invitational, where the Huskies will see several Hamilton Coun-

Gehlhausen

ty teams. The leader of this year's team is a seasoned veteran: Caitie Gehlhausen. The junior has been one of the county's top golfers since she was a freshman and has made consistent progress in her first two years. Gehlhausen qualified for regionals as an individual in her sophomore year.

Drake noted that Gehlhausen "has had a very successful summer tournament season. She finished in third place well. overall out of 57 girls in the Master's Summer Tour."

Another junior returning is AireAnna Stretch, who basketball fans might recognize. But while she plays

hoops, Stretch has also been working on her golf game. Heights roster: Drake said she "has played in a number of the Hamilton Kate Biggs, Caitie Gehlhausen, Sydney Lucas, Elise Mc-County summer tour events" over the summer, and said Ferran, AireAnna Stretch, Lexi Tucker. Stretch "is athletic and hits the ball very well."

Also back is sophomore Sydney Lucas. Drake noted Heights schedule her athleticism as well, and said that Drake "hits the ball very consistently."

After that, Drake said that the team is "lacking in 4: HSE Invitational, 8 a.m. at Stoney Creek experience," but said the three other girls on the team - Lexi 6: Western Boone, 4:30 p.m. at Cool Lake Tucker; Kate Biggs and Elise McFerran - are athletic, hard-working and showing improvement.

"We need to shore-up the four and five spots and Park hopefully get some decent scoring from those positions," said Drake.

Should that happen, it could be a good season for the 15: Lapel Invitational, 1 p.m. at Edgewood Huskies. Drake hopes for Heights to be competitive in the Hoosier Conference, which it joins this year. The conference meet is Sept. 12 at the West Lafayette Elks Club, with Lafayette Central Catholic the host.

A week after that, it's on to sectionals at Edgewood. Drake said the team is looking to move beyond that level nicipal 'with at least one of our players if not more."

"Caitie's individual goal is to go all the way to State," said Drake.

### Tribe escapes with series split, sole possession of 1st place

Alen Hanson hit a two-run homer and four Tribe pitchers combined for just one run as the Indianapolis Indians edged the Columbus Clippers, 2-1, to regain sole possession of first place in the International League West division.

The Indians dropped the first two games at Huntington Park before rallying to win both Wednesday and Thursday for a series split against their division rivals.

Starter Wilfredo Boscan (7-3) went six one-run innings for his third straight win. Bobby LaFromboise and Josh Wall combined for the seventh and eighth and Blake Wood closed the ninth for the second consecutive day for his 23rd save.

Hanson lifted his home run in the top of the third. Keon Broxton went 3-for-4 to extend his on-base steak to 23 games. It's the longest active streak in the IL.
