INDOT to conduct public hearing about...

New interchange at I-69, 106th Street

The Indiana Department of Transportation (INDOT) will conduct a public hearing Thursday, Sept. 10 to announce plans to construct an interchange at 106th Street and Interstate 69.

The hearing begins at 6 p.m. and takes place at the Fishers City Hall Auditorium, One Municipal Drive, Fishers, Indiana 46038.

INDOT is coordinating with the City of Fishers and Hamilton County as partners on this project. The interchange configuration will be a two-lane, oval-shaped roundabout centered over the I-69 centerline. The existing 106th Street structure over I-69 will be totally removed as part of this project and replaced with two one-way struc-

tures (south structure and north structure). The north bridge will provide a variable six foot to eight foot wide sidewalk along the north side of 106th Street for the entire project length, with crosswalks across 106th Street at Crosspoint Boulevard and USA Parkway.

Construction along I-69 will include new bridge piers in the median and new bridge abutments to the outside of mainline I-69. No roadway work is proposed for existing mainline I-69, and all roadway work along I-69 will be limited to construction of the ramps for the new interchange.

The project will acquire approximately 10 acres of right-of-way and will impact approximately 0.6 acre of wetlands. No impacts to floodplains, streams, forests, or endangered species are anticipated.

The purpose of the proposed project is to increase operational efficiency along the I-69 corridor in Fishers by:

- Reducing congestion at the existing I-69 interchanges with 96th Street and 116th Street
- Improving traffic safety within the project study area
- Providing direct access between I-69 and 106th Street to serve existing land uses and growth patterns

The environmental document and related project documentation are available for viewing at the following locations:

- Hearings Examiner, Room N642, Indiana Government Center North, 100 North Senate Avenue, Indianapolis,

Bats slowing park construction

By DON JELLISON
Reporter Editor

The under-construction Federal Hill Commons in Noblesville is driving Parks Director Brandon Bennett, shall I say, a little "batty."

There may be brown bats in the park area, which will slow down construction of Federal Hill Commons.

"We don't know if they (the bats) are there, but if they are their season won't end until mid-September," Bennett said. "That will delay our work a week or two."

Bennett said a study to find the bats would be too costly, and that the delay is not that big of a deal.

"There are lots of things we can still do," he said, "like beginning to move the power lines, which is a big job."

OK, what happens if the park is built and the bats come back next year, flying around the amphitheater, or the market place or the splash area?

"They won't come back," Bennett answered. "They'll find different habitat."

Bennett, working with local Eagle Scouts, will help the bats find new homes. Several new habitat areas are being built along White River.

Federal Hill Commons is a 6.5 area piece of property being built on land which sits on the northeast corner of the intersection of State Road 19 and State Road 32.

Boys & Girls Club 2015 Alumni Celebration Luncheon

Reporter photo by Richie Hall

The Boys & Girls Club of Noblesville conducted its 2015 Alumni Celebration Luncheon Tuesday at the BGCN Community Center. Many of the club's alumni joined city dignitaries to enjoy a catered lunch from Olive Garden, speeches from board president Chuck Townsend and racing legend Derek Daly and see the presentation of the club's three awards. One of those was the Founders Award, which was presented to Dick Davis (center right, in yellow shirt, receiving the award from Townsend). Davis was a board member from 1988 to 2010, during which the club expanded by constructing the Community Center, renovating the existing Club building and buying 20 acres that would become Camp Crosser. Davis was chose as Board Member of the Year in 1993 and 2004.

Noblesville Schools launches community survey

Noblesville Schools announced today that they are launching a community-wide survey to seek feedback on a variety of issues.

Through the survey results the district hopes to better understand how their current performance is perceived, and also to gain important insight into community expectations for the future.

Part of the survey will ask about the district’s current operating referendum, which covers the shortfall of state funding and draws to an end soon. The school board is considering a vote next year to continue the referendum.

The survey also seeks input on topics like district leadership, communications, learning culture, finances, facility management and more.

While the district has sought survey input from parents on specific topics, this is the first time in over five years that a comprehensive survey has been done across the Noblesville community.

“A lot has changed in our district and the Noblesville community since the last time we did a survey of this type,” said Dr. Beth Niedermeyer, superintendent of Noblesville Schools. “This feedback will provide us critical guidance for future strategic planning, communications and budgeting. I encourage all residents to make sure their voice is heard.”

The Noblesville community is invited to participate by going to www.nobsurvey.com. The survey will be available until August 30, 2015 and should take 10 minutes or less to complete.

Boys & Girls Clubs announce launch of Alumni & Friends Club

At the end of the Boys & Girls Club of Noblesville’s 2015 Alumni Celebration Luncheon, it was announced that the Boys & Girls Clubs of America was launching its new Alumni & Friends Club.

The Alumni & Friends Club gives club alumni the chance to support the clubs and help current club members. More information on how to join and help is at www.bgcalum.org.

Those that attended the luncheon also got to see a video announcing the Alumni & Friends Club launch. A link to the video is here: https://youtu.be/mokT02_bAO4

Coxhall Gardens reopens after body discovered in restroom

Coxhall Gardens, a Hamilton County park located in Carmel, has reopened following an investigation of a body found in the park early on Tuesday.

Hamilton County Sheriff’s Office deputies responded to the park on 116th Street shortly after 7:30 a.m. on a report of a welfare check after a park employee discovered a male body in a restroom.

Sheriff’s Office investigators and deputies closed the park throughout the morning while investigating the incident. The preliminary investigation indicates a male subject died from an apparently self-inflicted gunshot wound. Investigators do not suspect foul play and would like to reassure the public that there was no sign of an attack or other suspicious activity.

The name of the 41 year old male victim has not been released pending notification of family.

The low back pain seminar will take place at Riverview Health in the Krieg DeVault Conference Room, located in the lower level of the Women’s Pavilion. A light dinner will be served. The program is free, but registration is required. Register at riverview.org or call [317.776.7999](tel:3177767999).

When completed, the park will be a showcase to Noblesville’s west side gateway to the city. Much has been eliminated from the original plan by the City because of slices in the budget.

Construction was scheduled to start in July. It actually has gotten underway in August. Two buildings have been demolished on the southwest side of the property and now located there are fenced in equipment and supplies.

One thing the Parks Department, and the City, do not want is a sign, “Welcome to Bat City.”

Jury duty scam rears head again

Once again, a scam involving the threat of arrest for missing jury duty is hitting central Indiana, including Hamilton County. In an even more interesting twist, the callers may be using names of courthouse employees and Sheriff's Office deputies to lend credence to the calls.

The scam works like this: A victim answers the telephone and the caller says a warrant is being issued for not appearing for jury duty (or paying taxes or another offense). The caller may give the name of a courthouse employee, a deputy, or a name similar to an employee. Caller ID may even show the call originating from a local number as these ID's are easy to fake with current technology. The caller then states the victim can avoid the arrest by paying a fine submitted by wire transfer or pre-paid credit card. Pressure is put on the victim to pay quickly in order to avoid jail time since once paperwork is submitted the arrest is imminent. The caller may even provide another telephone number to call to verify the offense and pending arrest.

As a reminder, arrest warrants in Hamilton County are not served over the telephone. If you are ever in doubt that you are speaking with an official county employee, hang up the telephone, research the appropriate number, and contact the agency directly. Do not call a number given by the person on the telephone as it probably is not a correct number. If you owe money to the county or to any government agency, contact the office directly to determine how the money should be paid. Most government agencies do not use wire transfers or pre-paid credit cards. It is almost impossible to track or recover money if the victim falls for the fraud.

If you receive one of these scam phone calls, or one similar to it, please report it to the appropriate law enforcement jurisdiction. Hamilton County Communications at [317-773-1282](tel:317-773-1282) can direct you to the appropriate agency to determine if a report should be filed.

Motorcycle crash claims life of Carmel man

A Tuesday morning motorcycle crash claimed the life of a Carmel man near the intersection of 106th Street and U.S. 31.

At approximately 9:56 a.m., Carmel Police responded to an accident involving a motorcycle near that intersection of 106th Street and US 31. Officers arrived and found one vehicle involved in the crash.

Based on preliminary information, it appears that a blue 2015 Yamaha motorcycle operated by Matthew Smith, 27, Carmel, was traveling southbound on US 31 near 106th Street. The driver collided with the curb on the west side of the roadway. During the collision, Smith was ejected from the motorcycle and died at the scene as result of his injuries.

Accident reconstructionists from the Carmel Police Department are investigating the crash. The intersection of US 31 and 106th Street was temporarily closed during the investigation.

At this point of the investigation, the exact time of the accident is unknown. Carmel Police Department asks that if anyone has information or was a witness to this crash contact the Carmel Police Department at [317-571-2500](tel:317-571-2500).

In a separate incident, Carmel Police responded to a vehicle vs. motorcycle accident in the area of West 96th Street and Hazel Dell Parkway early Saturday morning.

At approximately 12:20 a.m., Robert Middleton, 43, Indianapolis was traveling westbound on 96th Street in a 2012 Dodge Charger when he collided with motorcyclist Rick Hubbard, 50, Indianapolis, who was stopped on his 2014 Harley Davidson motorcycle at a red light.

Hubbard sustained minor injuries to his head and was taken by Carmel Fire Department ambulance to 86th Street St. Vincent Hospital where he was treated and released. During the course of the investigation, Middleton was arrested for Operating While Intoxicated (Endangering a person-Class A Misdemeanor). Middleton was later transported to the Hamilton County Jail and bond was set at \$2,500.

Heartland Food Products acquires Splenda

Carmel-based Heartland Food Products Group announced on Tuesday that it will acquire Splenda, the well-known artificial sweetener, from Johnson & Johnson, according to numerous reports.

The deal's financial terms were not publicized. Splenda was approved by the Food and Drug Administration in 1998, and began to be sold in the U.S. the following year. A report on the Bloomberg financial news Web site said that the acquisition will bring 100 jobs to not only Heartland's Carmel corporate office, but also to the company's manufacturing plant in Indianapolis, as well as its distribution center.

Westfield at Southport...

Showdown of powerhouses

By DON JELLISON
Reporter Editor
Westfield, ranked No. 4 in Class 5A of the coaches poll, arguably will get its first real football test of the 2015 season. The Shamrock are coming off a 38-21 win over Harrison.

Same can be said of Southport, the team which will host the Shamrocks this week. The Cardinals, ranked No. 11 in 6A, last week opened with a 27-21 win over Roncalli.

In the only meeting between the two schools, Southport beat Westfield, 37-26, last season.

Southport got the job done over Roncalli last week with a strong aerial game, highlighted by the passing of quarterback Luke Johnson, who threw for 283 yards.

“Southport is very good,” said Westfield coach Jake Gilbert. “They have an excellent quarterback and receivers. It’s an explosive offense. They have a new and inexperienced defense. Very similar to us.”

The Cardinals also have a strong defensive end in Kyle Williams and a good junior linebacker in Jalen Mathis.

Southport won the sectional and finished 9-3 last year. The Cardinals’ only losses were to Terre Haute South and Columbus North during the regular season and to Center Grove in the regional.

Westfield, after going 12-2 and losing to Cathedral in the State Finals, went 7-5 and won a second consecutive sectional last year.

Westfield played last week in front of a full house at the New Rock, dedicating Riverview Health Stadium with the win over Harrison.

“I was pleased with our play overall,” Gilbert said. “Things got a little crazy when we subbed in the fourth quarter. We got a ton of kids into the game.

“I thought our guys were extremely focused, considering we were opening the new stadium and playing in front of a standing room only crowd (estimated between 5,000 and 6,000). It was an awesome night,” Gilbert added.

Westfield, which has a big junior class this year, had only two returning starters on defense to play against Harrison.

Westfield’s Evan Manley was the leading receiver for the Shamrocks in their game with Harrison last Friday. Manley had seven catches for 97 yards.

Harrison gained 150 yards rushing and 68 yards passing, most of which came in the fourth quarter when the Raiders scored two of their three touchdowns.

Westfield on offense was led by its veteran quarterback, senior Ryan Pepiot, who

connected on 19-of-25 passes for 229 yards. Evan Manley was the leading receiver with seven catches for 97 yards. Max McCool pulled in five for 54 yards.

Westfield put up a balanced ground game, led by Nate Froelich with 13 carries

for 56 yards. Jonathan Swidan carried eight times for 47 yards and Pepiot nine times for 42 yards.

A dream matchup:

Guerin will host LCC

By DON JELLISON
Reporter Editor

This game, you’ve got to admit, is a matchup made in Football Heaven.

Lafayette Central Catholic, ranked No. 1 in 1A of the coaches poll, Friday will travel to Guerin Catholic, where the Golden Eagles are No. 5 in Class 3A.

Also, this anticipated battle follows Guerin’s 17-7 win over Central Catholic last year, a victory which followed eight consecutive thrashings by the Lafayette school.

Both schools have been successful as of late.

Guerin Catholic has won back-to-back sectional championships, last year’s title a 9-4 season under first year coach Tom Dilley.

Lafayette Central Catholic finished 10-4 last season, losing in the semi-state. Before a 9-2 record and a blanking in the post-season the year before, Central Catholic had lost only one game while winning four straight state crowns.

In Guerin’s season opener last week, the Eagles beat Martinsville, 26-9, for the first time in four years. Lafayette Catholic started its season with a 50-6 pounding of Delphi.

“We are proud of our players and their efforts last week,” Dilly said. “Now we are focused on our next opponent, Lafayette Central Catholic.

“LCC is a very good football team,” Dilley continued. “They return a lot of experience from a good 2014 team. They are extremely well coached in all three phases of the game and play with great effort. They are athletic and physical and execute at a high level.

“We must play our best to be successful,” Dilley added.

“Our offensive line turned the tables on Martinsville last week,” Dilley said.

Dilley said his first-year quarterback, junior Elliott Charlebois, played well. He was 8-of-19 through the air for 117 yards. Jack Freudenthal, a senior wide receiver, had two catches for 52 yards.

“Charlebois has worked hard. He made some good plays,” Dilley said. “He had a

Brennan Thieneman carried 12 times for 92 yards to lead the rushing game and Carter McGinnis had 12 carries for 60 yards. McGinnis was injured and will be replaced by Sam McDaniel, who carried five times for 35 yards.

For Lafayette Catholic, the spread offense is led by the return of quarterback Avery Denhart, who tossed for 2,077 yards and 25 touchdowns last season. Running back Jackson Anthrop had 25 touchdowns and 1,917 yards in 188 carries.

“There are no breaks in our schedule,” said Dilley.

Head to head big matchup...

Carmel travels to Ohio

By DON JELLISON
Reporter Editor

One of Indiana’s best will collide with one of Ohio’s best when Carmel travels to the University of Cincinnati gridiron on Saturday (6 p.m.) to face LaSalle.

The Greyhounds, under new head coach John Hebert, are ranked No. 2 in Indiana following a season-opening 28-7 victory at Hamilton Southeastern last Friday.

LaSalle will play its season opener against Carmel in what will be the first football meeting between the two schools.

“LaSalle is a very talented team that will pose major challenges for our defense’s ability to stop the run and prevent big plays,” said Hebert.

“Running back Jeremy Larkin, University of Cincinnati commit, is a leading candidate for Ohio’s Mr. Football. Their punter is an Ohio State commit and they have two offensive linemen with multiple D1 offers,” Hebert concluded.

Carmel has quite an offense of its own, the Greyhounds having roll for 223 yards rushing and 127 yards passing against Southeastern.

Quarterback Michael Viktrup threw for two touchdowns and ran for a third against the Royals. He was 13-of-21 through the air, hitting with Kurt Rafdal and Ethan Mer-

riweather for TDs. On the ground, Viktrup carried seven times for 59 yards.

Leading Carmel’s ground punch was 178-pound senior Tobias Watkins with 20 rushes for 93 yards and a TD and 180-pound senior Stephen Watts with 10 rushes for 55 yards.

“We played very well with special teams throughout the game,” said Hebert. “Our punt and kickoff units were very efficient and our punt return unit scored a touchdown that was called back due to a penalty. We need to clean up our play and reduce penalties.

“Offensively, our line performed well and Watkins and Watts ran very hard. Viktrup made some big plays, but needs to improve at executing our game plan.

“Defensivley we were very good on third downs, allowing only four conversions out of 15,” the Carmel coach added.

Alex Akins led Carmel in defensive points with 15 on six tackles and three

Royals win, set up showdown with Avon Thursday

The Hamilton Southeastern boys soccer team beat Brownsburg 2-1 on Tuesday.

Sophomore Matt Kuster scored both goals for the Royals and junior Eli Quivey assisted on both. HSE is now 2-1 and travels to Class 2A No. 1 Avon next Tuesday.

Noblesville hosted Avon on Tuesday, falling in a tough game 2-1.

Payton Mathis had eight saves as goalkeeper for the Millers. Noblesville scored when Tyler Cassidy's assists bounced off of the Orioles' own defender.

Noblesville had a total of seven shots on goal.

Westfield earned its second consecutive victory tonight 4-2 over Pendelton Heights in the Shamrocks' home opener.

Gus Pippin scored two goals in 15 seconds just before halftime to get the team rolling. KJ Clardy added two more in the second half to seal the victory. The Rocks are right back at it tomorrow night at 2A No. 13 Harrison.

Carmel, ranked sixth in 2A, blasted Ben Davis 6-1 on Tuesday, improving to 3-0.

Evan Shaw, Andreas Roselender, Ethan Abbott, Joel Hudson and Charles Price and Breno Pecora all scored a goal for the Greyhounds, with Roselender, Abbott, Ethan Lee and Zach Lewis making one assists.

"I was very proud of the effort and teamwork tonight," said 'Hounds coach Shane Schmidt. "I felt we moved the ball and our spacing was much better and continues to improve each game.

Carmel plays at 2A No. 7 Center Grove on Thursday.

Fishers, ranked No. 9 in 2A, upset 2A No. 2 Zionsville 5-2 on Tuesday.

Cole Bennett, Zimmermann, Max Justin Brooks and Nick Lawrence all scored goals for the Tigers.

Girls soccer...

GC frustrated by Cathedral

The Guerin Catholic girls soccer team fell to Cathedral 1-0 on Monday.

The Class 2A No. 11 Golden Eagles had nearly four times the shots on goal, with 11 to the Irish's three. Lauren Rice had six shots alone. Cathedral, No. 16 in 2A, made five saves to GC's three.

"Guerin Catholic showed superiority by completely dominating the game, but somehow wasn't able to find the back of the net," said Golden Eagles coach Rainford Hunter. "Lauren Rice had a great game, but was constantly being triple teamed by the Cathedral players. She had six of the Guerin Catholic eleven shots on goal. Cathedral bunkered down after they scored and Guerin Catholic wasn't able to penetrate their defense."

Carmel, ranked No. 2 in 2A, cruised past Ben Davis 5-0 in a Metropolitan Conference game on Monday.

Jessica Cowen scored two goals for the Greyhounds, with Macy Miller, Maddie Ellery and Ashley Witucki each scoring one. Chandler Backes handed out two assists, with one each for Anna Denkmann, Cowen and Elizabeth Hargis.

Celene Funke had one goalkeeper save.

"Everyone got some valuable play time in preparation for our Carmel High School Invitational which will be played Saturday," said 'Hounds coach Frank Dixon. Carmel will take on 2A No. 1 Fishers at 9 a.m.

Carmel's junior varsity gold team lost to Noblesville 1-0 on Monday.

Young Lady Miller cross country team wins at Harrison

The Noblesville girls cross country team won a five-team meet at Harrison on Tuesday. The Millers scored 33 points, followed by West Lafayette 41, Benton Central 79, Harrison 91 and Frankfort 134.

Abi Little led Noblesville with a second-place finish, clocking in at 18:57.

"The coaching staff is ecstatic with this evening's performance," said NHS coach Dennis Scheele. "Six of the 10 girls are freshman. There are no seniors in the top 10."

West Lafayette's Lauren Johnson won the race in 18:23.

Noblesville results are as follows:

2. Abi Little 18:57, 5. Ciera Baldwin 19:56, 7. Kat Dombroski 20:17, 8. Aubrie Deal 20:23, 11. Susanna Sharples-Gordon 20:43, 13. Aubrey Swart 21:00, 19. Maria Anderson 21:37, 21. Abbey Klinker 21:51, 24. Grace Brisco 22:11, 26. Katherine Sandys 22:17.

Freshman football...

'Rocks come way back to get season-opening victory

On a crisp, bright Monday hearkening the arrival of the autumn, the Westfield freshman football team was ready to begin its journey on one of fall's great rites of passage: Football season.

Taking on the visiting Raiders of Harrison High School, the young Shamrocks were anticipating a great battle. Upon the kickoff, the freshman team showed its anxiousness for starting the season. By the end of the first quarter, the score was in Harrison's favor, 22-0; however, this did not dampen the Shamrocks' unbreakable resolve, as they came back to win 35-34.

Led on offense by the running of player of the game Dorian Henson, the young Rocks scraped and clawed their way back into the game. A dual quarterback system featuring Pat Beam and Cameron Frye contributed to the passing game, finding receivers Collin Caldwell, Owen McGraw, and Zach Collins for multiple completions. The biggest offensive play came on a late deep pass to Kyle Pepiot, who warded off the threats of would-be tacklers and found his way into the end zone for the go-ahead touchdown.

Led by Pepiot, the defense played a hard-nosed game against a tough Harrison running game. Forcing two turnovers, the defense placed the Rocks' O in a great position for the majority of the night.

Frye was calling the shots on field at middle linebacker and found his way into the Raiders' backfield multiple times. Caldwell provided a huge play for the defense when from his defensive end spot, he stuffed a run into the backfield, changing the course of potentially game-altering Harrison drive.

Alex Bales made his debut as the Rocks' kicker for a game of perfect execution in the PAT department. He also served as the punter and kickoff specialist, where he pinned Harrison deep in their own territory on a majority of kicks. Sam Lupear provided great snaps to Bales all night. It was Bales' last PAT that set the Rocks over the edge. Overcoming tremendous pressure, the frosh kicker put the ball between the uprights for the go ahead.

Having won a barn-burner of a victory, the frosh Rocks are now 1-0 and will be coming off a short week to play against the Cardinals of Southport, this Saturday.

Girls golf...

Royals edge Tigers for Mudsock trophy

In a close Mudsock girls golf meet, Hamilton Southeastern edged Fishers 160-161 Monday.

Ciara McAree and Phoebe Cha each carded 39s for the Royals, with Chelsea Morrow shooting 40. Other HSE scores were Phyllis Cha 42, Haleigh Gray 43, Esther Bahn 44, Nicole Dillow 45 and Jen Dixon 46.

"I am proud of our girls for fighting the entire round," said Royals coach Steve Guenin. "We were streaky a few bad holes and a few good ones. We will continue to work on our consistency and cleaning up our games. Fittingly, seniors Ciara McAree and Phoebe Cha led the way in their last Mudsock match."

The Tigers had the meet medalist in Morgan Lewis, who shot a 37. Also scoring for the Tigers were Kate Alt 40, Anna Del-Prince 42, Grace Brooks 42, Kennedy Brooker 43, Brooke Wilson 44, Sophia Chaille' 46 and Mary McGuire 48.

On Tuesday, Southeastern played a three-team meet with Noblesville and Western at The Hawthorns. The Royals won with a 171, with the Millers carding 183 and the Panthers 185.

McAree led the way with an impressive two over par 38. Phyllis Cha played well for the second night in a row with a 43. Phoebe Cha shot 44, Gray 46, Morrow 49, and Dillow 53.

Noblesville was led by Peyton Gigante's 41, followed by Sarah Hayes 46, Brooke Gigante 47, Melissa Baker 49 and Taylor Keating 55.

Carmel won a three-team meet with Roncalli and Warren Central Monday at Smock Golf Course.

The Greyhounds carded 159 to the Rebels' 196 and the Warriors' 289. Senior McKenzie George was medalist with a 37. Angie Kavanaugh shot 40, Rani Hecht and Bella Layman both shot 41, Libby McGuire shot 42 and Claire Heger shot 44.

"This was the first Varsity match for Libby and Claire," said Carmel coach Kelly Kluesner. "All the girls played extremely well in windy conditions on a challenging course. Job well done."

Carmel's junior varsity team was a 170-242 winner over Brebeuf Jesuit Monday.

Nina Hecht and Alex Waples were co-medalists for the Greyhounds with 41s. Erin Evans scored 42, Mattie Tom 46 and Ella Woods 53.
