Paving begins on State Road 19 after Labor Day

A contract to resurface four miles of State Road 19 between 206th and 241st streets is scheduled to begin after Labor Day (on or after Sept. 8).

The Indiana Department of Transportation (INDOT) has contracted Rieth-Riley Construction to repair damaged pavement, pave a new asphalt surface and replace curb

ramps on the section of highway for \$1.2 million.

Motorists should be alert for road construction signage and drive cautiously through the work zone. Flaggers will be used to direct traffic around work sites, and drivers should be prepared for slow or stopped traffic.

All work on the project is expected to be complete in November.

Tips for Driving Safely in Work Zones

Stay alert and minimize distractions: Don't text, talk or adjust controls.

Expect the unexpected: Normal speed limits may be reduced, traffic lanes may be changed, and workers may be nearby.

Slow down: Speeding is the major cause of work zone crashes.

Don't tailgate: The most common work zone crash is the rear-end collision.

Pay attention to signs: Warning signs help keep you and other drivers safe.

Schedule enough time to drive safely: Expect delays and leave early.

Noblesville Schools receives zoning change for buildings

Reporter photos by Richie Hall

Noblesville Schools, earlier this week, received a change in zoning from the Noblesville Common Council. The change was for a church and a house, both on Field Drive, in order for Noblesville Schools to develop two programs. Both properties are owned by Noblesville Schools.

The church building (above) will be rented out to The Crossing, an organization for non-traditional students throughout Hamilton County. Noblesville Schools plan to use the house (right) for special needs students to practice life skills.

Forest Park to host NHS Alumni 11th annual golf outing

The Noblesville High School Alumni Association announces that the date of the golf outing has been changed this year to take place over the Miller’s Homecoming weekend. This year’s golf outing will take place on Sept. 20 at Forest Park beginning at 1 p.m.

The Alumni Association has chosen to play at Forest Park because of the history the course represents. The first golf course in Noblesville was the course where many alums learned to play golf. The Alumni Association golf outing offers one of the lowest fee’s for golfers to participate, the cost is only \$65 (dinner & prizes included). All proceeds from this event go towards scholarships offered every year to N.H.S. graduating seniors.

The Alumni Association encourages its alums to attend the Millers Homecoming game on Friday night, head to the Elk’s Club afterwards where they can gather, and then finish the weekend by playing golf on Sunday. The golf outing is a great way to catch up with fellow alums. There are still openings to play. To play, please contact - John Kennedy at (317) 502-7317.

HCTSP to conduct Sobriety checkpoint in Hamilton County Aug. 29-30

The Hamilton County Traffic Safety Partnership (HCTSP) will be conduct a sobriety checkpoint on the night of Saturday, Aug. 29 and the early morning hours of Sunday, Aug. 30.

At a sobriety checkpoint, law enforcement officers evaluate drivers for signs of alcohol or drug impairment at a specified point along a roadway, often depending upon the support of local property owners for the use of appropriate land. Checkpoint sites are selected based upon analysis of available crash and impaired driving arrest data along with a consideration of officer and driver safety.

During a checkpoint, vehicles are stopped in a specific sequence, such as every other vehicle, every third vehicle, every fourth vehicle, or by stopping three, four, or five cars in succession and allowing other traffic to proceed while checking the stopped vehicles. The planned sequence in which vehicles are stopped depends on the number of officer available to staff the checkpoint, traffic congestion, and other safety considerations.

Upon making contact with a driver stopped at a checkpoint, the officer advises

the driver of being stopped at a Hamilton County Traffic Safety Partnership sobriety checkpoint and asks for the driver’s license and vehicle registration. If in the course of the contact with the driver the officer detects that alcohol may be involved and the driver may be impaired, or if some other issue arises, then the vehicle is directed into a pull-off area for further investigation. This further investigation may involve Standardized Field Sobriety Tests (SFSTs). If, on the other hand, all looks right during the initial contact, the driver is usually released in less than two minutes.

The HCTSP is a consortium of law enforcement agencies in Hamilton County working to increase the usage of seatbelts, to combat aggressive driving, and to decrease impaired driving with the overall goal of creating a safer Hamilton County. The HCTSP is comprised of the Hamilton County Sheriff’s Office, Fishers Police Department, Carmel Police Department, Noblesville Police Department, and Westfield Police Department with the assistance of the Indiana State Police.

U.S. 31 update...

Temporary stoppages at off-ramp to SR 32 today

Between 9 a.m. and 3 p.m. tomorrow, Aug. 28, crews plan to perform work on the off-ramp from northbound US 31 to SR 32 that will require several temporary stoppages of up to 15 minutes each. During these stoppages, motorists will be directed to use US 31/196th Street.

City of Westfield closure at 161st Street/Oak Ridge Road begins on or after Aug. 31

The City of Westfield plans to close the intersection of 161st Street/Oak Ridge Road on or after Monday, Aug. 31, for the construction of a roundabout. This new roundabout is expected to open in early November. Detour signage will guide motorists around this closure. For questions about this project, please contact the City of Westfield at [317-804-3000](tel:317-804-3000).

103rd Street closure and US 31 traffic shift on or after September 8

On or after September 8, crews plan to permanently remove access to/from US 31 at 103rd Street.

Also, on or after September 8, all US 31 traffic between 96th Street to just north of 103rd Street will be shifted to the east side of the roadway so crews can begin work on the new lanes of US 31 on the west side of the road. All turning movements to/from I-465 and 96th Street will remain available. Traffic will remain in this configuration through November.

When the traffic signal at US 31/103rd Street is removed, access from southbound US 31 to the eastbound and westbound I-465 ramps will become free-flowing from south of 106th Street.

As part of the final configuration of US 31, 103rd Street will become a cul-de-sac on either side of US 31, and nearby access to/from US 31 will remain available via I-465, 106th Street and 116th Street. The 103rd Street closure will not begin until after the City of Carmel opens 106th Street at Illinois Street (expected in early September).

Access to/from US 31 and St. Vincent Health/Heart Center will remain available via 106th Street. See the map illustration below for suggested routes to St. Vincent Health/Heart Center from northbound and southbound US 31 following the 103rd Street closure.

Maps of anticipated closures in Carmel and Westfield are available on the US 31 website. Click [here](#) to see the closures in Carmel, or [here](#) to see the closures in Westfield.

116th/Pennsylvania streets closure begins in September

Starting in mid to late September, IN-DOT plans to close the 116th/Pennsylvania streets intersection for approximately 60 days to construct a roundabout. During this closure, the signed detour route will include 106th Street, College Avenue and Old Meridian Street.

Making the choice is the biggest challenge

By SHARON MCMAHON

"It is our choices, Harry, that show what we truly are, far more than our abilities."

J.K. Rowling,
Harry Potter and the Chamber of Secrets

When I am sometimes asked about the biggest challenge that people face regarding a change in their eating plans, losing weight and becoming more fit, the answer is always the same; it is making the choice, the decision, for a lifestyle change. Particularly as we age it becomes more difficult, we get very comfortable with our life-

style although we express an interest in changing it. And, ultimately, the success comes down to one question – "How badly do you want this?" And often the answer is "Not badly enough" – to make the necessary changes, that is.

With each decade and even with each year that passes our habits become more ingrained, our beliefs and feelings about food and exercise are more difficult to change. One concern I frequently hear from clients is that they are afraid that their food choices will be greatly restricted by changing their eating habits to a healthier plan. Nothing could be further from the truth! While allowing for the plethora of packaged, processed, convenience foods staring at us from grocery shelves, the opportunities for wholesome, healthy items have never been more plentiful. However,

most of these items require – you guessed it – preparation! Actually combining fresh ingredients and enjoying the process as well as the outcome will not only foster weight reduction and better health, but you will actually enjoy the taste of your food much more as well. Heavily processed foods dull our taste buds, using additives like excess sugar and salt as well as preservatives and chemicals – items that were never intended to nourish our bodies.

Does it take more time to actually shop for fresh food, combining ingredients and savoring our accomplishment as we enjoy the taste – the answer is yes. We are often loathe to take time away from our social media pursuits so that we can spend more time on eating well, eating clean, and engaging in physical activity. And, back to the topic today, that is the choice that must

be made, so "How badly do you want it?" again becomes the question. Are you prepared to pass up the convenience items (I won't call them food...) and the drive-up windows? How about just say "NO" to those soft drinks? As far as a "special" treat occasionally – why not! Enjoy cake and ice cream on your birthday, a Christmas cookie or two – you get the picture. Will you take time away from electronic devices to walk every day, to practice stretching to keep your body flexible and balanced, to participate in some level of strength training to keep your muscles strong and toned? It is not required that we train at a competition level, but that we move our bodies as much as possible. The outcome does take work, sometimes sacrifice, and focus on the goal. Success is waiting for anyone who wants to live healthier, longer, and more productively. In 2015 we are so blessed and fortunate to have access to tremendous health care facilities, nutrition education, walking trails, and numerous other opportunities to stay healthy and fit. No one else can make the choices for you – and though I am tempted to ask the question one more time, I won't...you know both the question and the answer. If you are already there, congratulations, if you are working toward the goal but not quite there, kudos, keep it up. And if you are considering making those nutrition and fitness lifestyle changes, now is the time and you can do it!

Carmel is back playing in the Metropolitan Conference, along with Ben Davis, Warren Central, Lawrence North, Center Grove, Pike, Lawrence Central and North Central.

In the only conference game played last week, Center Grove defeated Warren Central 42-38. In non-conference games, Carmel defeated Southeastern 28-7, Ben Davis beat Tech 63-0, and Pike hammered Brownsburg 55-34. Lawrence Central lost to Cathedral 32-14, Lawrence North fell to Noblesville 55-50, and North Central was defeated by Fishers 28-0.

What is new this season, or what is differently arranged, are conferences for Sheridan and Hamilton Heights.

Sheridan will play in the Hoosier Heartland, a conference, which will consist of a five-team East Division and a five-team West Division. The ninth week of the season will be playoff week, first place teams meeting, second place teams meeting, etc.

Sheridan will play in the East Division along with Tri-Central, Clinton Central, Eastern and Taylor. The Blackhawks will play their first conference game tonight at Clinton Central.

Only one team in the East won a season opener, Tri-Central knocking off Lapel 27-14. Sheridan lost to Western Boone 47-20, Clinton Central fell to Northwestern 26-13, Eastern falling to Oak Hill 46-21 and Taylor losing to North White 23-16.

North White is in the West Division along with Carroll, Clinton Prairie, Frontier and Tri-County. In Conference games last week, Carroll defeated Tri-County 34-20 and Clinton Prairie handled Frontier 52-16.

Hamilton Heights will play in the Hoosier Conference. The Hoosier also is a two division conference but the Hoosier doesn't have a playoff game to decide the championship.

Heights is in the East Division along with Northwestern, Tipton, Lewis Cass and Western. Last week, Heights beat Mt. Vernon 22-6, Northwestern defeated Clinton Central 26-13 and Tipton knocked off Madison-Grant 38-21. Lewis Cass lost to Pioneer 50-0 and Western fell to Frankfort 38-29.

Playing in the West Division of the Hoosier are Lafayette Central Catholic, West Lafayette, Benton Central, Rensselaer Central Twin Lakes and Delphi. In a conference opener, Central Catholic defeated Delphi 50-6. West Lafayette defeated Tri-West 43-23 in a non-conference game and losing non-conference games were Benton Central to North Montgomery 48-7, Rensselaer lost to Kankakee Valley 29-8, and Twin Lakes fell to Lafayette Jeff 35-28.

In the Hoosier Conference, there are two division and division champions, only in football.

"We discussed a playoff in Week 9," said Heights athletic director Kurt Ogden, "where the corresponding places in divisions play each other, but decided against it because there could potentially be situations where teams could play each other three times."

"All other sports, conference champions will be determined by conference tournaments," Ogden said.

Since Noblesville picks up Carmel in Week 2 next fall, Hamilton Heights will play Noblesville in Week 6.

"Noblesville was gracious enough to allow us to host two years in a row since we conceded Week 2 to allow Carmel and Noblesville to play each other," Ogden continued. "We have replaced Noblesville at Week 2 with Greenfield Central. Culver Academy agreed to a one-year contract this season in order for us to keep Noblesville on the schedule."

Bulldogs deal Royals season’s first setback

By **RICHIE HALL**
Reporter Sports Editor

The Hamilton Southeastern volleyball team was dealt its first defeat of the season Thursday, with the Class 4A co-No. 2 Royals falling to 4A No. 4 Brownsburg 28-26, 25-21, 25-14.

Southeastern led the first set 20-15 before the Bulldogs rallied, then were held off by Brownsburg in the second set. The Bulldogs then blasted through the third set, leading 21-8 before HSE made a run to cut the lead to 21-13. But a service ace won Brownsburg the match.

"Obviously we let the first set get away," said Royals coach Jason Young. "Set two, we didn't step on the floor the way we need to. Thankfully, it's early in the season. We got some time to fix that.

"But obviously Brownsburg's an outstanding team," the coach continued, noting that the Bulldogs took Cathedral, 4A's unanimous No. 1 team, to five sets.

"We've got to get to a point where we handle adversity a little differently," said Young. "And we will. We got time. It's August."

Hayden Huybers hit seven kills for HSE, with Caitlin Kane hitting six kills. The Royals are now 6-1 for the season, and get two tough matches against two strong 3A teams - No. 1 Providence and Western Boone, which has won a sectional championship in five of the last six years.

Southeastern's junior varsity fell 25-22, 21-25, 15-11, also dropping its first match of the year after winning the first three. HSE's freshman team won 25-9, 22-25, 15-8. Talia Trabue had a strong night offensively for the Royals freshmen, who are still unbeaten at 5-0.

Hamilton Heights picked up another Hoosier Conference win Thursday, sweeping Northwestern 25-19, 25-10, 25-15.

Sarah Sipe smacked 11 kills, had 10 defensive digs and served one ace. Kenna Burman had 14 digs and seven kills, while Ashlyn Bedwell provided 14 assists along with nine digs and three aces.

"Another great conference win for the Huskies," said HHHS coach Steve Ward.

Heights' junior varsity won in three sets, 25-6, 20-25, 15-9.

Noblesville fell to 4A No. 5 Avon in three sets Thursday, 25-21, 25-15, 25-20.

One swing downs the Tribe in 2-1 defeat

Locked in a scoreless draw in the bottom of the seventh, Juan Silva hit a two-run home run with two outs to lead the Louisville Bats (63-70) to a 2-1 victory over the Indianapolis Indians (77-56) on Thursday night at Louisville Slugger Field.

Silva had not homered in 221 at-bats between Louisville and Double-A Pensacola before his go-ahead round tripper. The seventh began with a walk to Hernan Iribarren, but a strikeout and pop-up followed before Silva put the Bats in front.

The Indians rallied with a run in the top of the ninth, and had the tying run at third base when the game ended.

Tyler Glasnow held Louisville to one hit in six shutout innings. He struck out five batters and issued just two walks. The effort lowered his earned run average with the Tribe to 0.81.
