The County Line

New road to connect 146th, southbound Keystone

By FRED SWIFT

When the state highway department completed the massive and complex reconstruction of U.S. 31 at 146th Street, motorists no longer had a direct way of getting from 146th onto the Keystone Parkway southbound to Indianapolis.

To remedy this problem the Hamilton County Highway Department is planning a new access road. Since 146th Street which separates Carmel

and Westfield is a county highway, the county commissioners have taken on the responsibility for providing access to and from it.

The project due for construction in 2018 will cost about \$12 million because it involves a major bridge over Keystone. Federal money will pay for a third of the cost. The new access will extend the current Lowe's Way south then bridge Keystone and enter the highway about a half-mile south of 146th.

A second phase of the project will eventually allow traffic to connect to Range Line Road at a point near the former Lotus Garden restaurant. This

portion of the plan is several years off, according to highway director Brad Davis.

Davis says the city of Carmel in which most of the work is to be done, is fully aware and in agreement with the plans. The city is not participating in the funding of the first phase of work for which design work starts soon.

The access to Keystone should be popular with commuters and others who drive 146th and wish to turn south toward Indianapolis. Several years ago, before completion of the state's rebuilding of U.S. 31, county officials built the exit ramp from northbound Keystone to 146th, known as Lowe's Way.

Noblesville Parks and Recreation announces...

September, October programming

As the season begins to turn, the Noblesville Parks and Recreation Department has announced its programming opportunities for September and October. Classes are available for all ages and include a variety of topics from education to cooking to health and wellness.

"I'm really excited to start the fall season of programming at Noblesville Parks. As the weather gets cooler, thoughts turn to sports and outdoor activities," Recreation Director Nichole Haberlin said.

Classes also are available for time in the outdoors with Master Naturalist Karen LaMere. LaMere will offer nature hikes, bird watching, local natural resources and even an edible plants class.

"Fall is a great time to get out in nature – birds are migrating, leaves are changing, insects are hibernating and reptiles and amphibians are moving to hibernating ground. All of the activities are hands-on – things to look at, touch and hold, taste and smell," LaMere said.

Turn to Page 3 to see programming for September and October.

Millers and Huskies get together for an...

All-county clash

Carmel Police offer vacation checks

The Carmel Police Department has created a new way for Carmel residents to request a vacation check. A vacation check is available when residents are away from their residence for any period of time. When possible, officers can walk the perimeter of the residence and check the doors and windows for security purposes. An electronic Vacation Check Request form has been placed on the city website under Community Resource Programs/Neighborhood Crime Watch. The direct link is <http://www.carmel.in.gov/index.aspx?page=759>. This form will help ensure that pertinent information is captured efficiently and in the same manner for each request. Once the resident submits the online form, the information will be transmitted directly to an electronic roll call program for officers to read. Carmel Police anticipate an in-

crease in vacation checks due to this added electronic feature.

Procedure:

- Resident submits a Vacation Check Form
- If residents don't have internet access, officers or the front desk personnel can enter the information for them.
- If a resident needs to change the details of their submitted request, they will need to contact the Carmel Police Department front desk personnel (317-571-2500) during normal business hours (Mon-Fri 8:00 a.m. to 6:00 p.m.)

The Carmel Police Department is constantly looking for ways to better serve our community. This program is just one example of how our police officers work with the community to make the city of Carmel a safe and secure place to live and work.

Youree explodes as...

Millers defeat Huskies

By DON JELLISON
Reporter Editor

He wasn't the whole game. Not by any stretch. One player alone doesn't win the type of football battle two Hamilton County backyard rivals, Noblesville and Class 3A No. 6 Hamilton Heights, put on Friday evening at the Husky Dome in Arcadia.

But, for a second consecutive week Noblesville senior running back Jarel Youree put on quite a show while leading Coach Lance Scheib's Millers to a 35-9 victory.

Youree, who scored two touchdowns, carried the ball 18 times for 171 yards. He had a couple of boomers, too, once rushing 78 yards for a score and later rushing 26 yards for a touchdown.

The two teams battled to a 7-7 first quarter stand sill and then Noblesville took charge a little by scoring twice in the second quarter.

A one-yard spurt by quarterback Luke Mellow with 36 seconds left in the first half enabled Noblesville to enter halftime with a 21-7 advantage.

"That was a big touchdown," said Heights coach Mitch Street. "But our problem was the mistakes we made....the penalties; the dropped passes, and the passes which missed.

"The way we ran the football tonight, I would have thought we had a chance to win the game," Street added.

Hamilton Heights ran for 200 yards, keyed by the rushing of Clayton Cowan, 24 carries for 95 yards, and Jesse Brown, four carries for 77 yards. Brown scored Heights' TD on a 62-yard run in the first quarter.

Noblesville pulled away from the 21-7 first half lead by blanking Heights, except for a safety when Youree was tackled in the end zone, in the second half.

"We weren't as crisp or focused tonight," said Scheib. "We didn't finish drives.

"Our defense settled down and played well."

Mellow had a good night passing the football hitting on 10-of-20 for 128 yards. Jackson Thurman had three catches for 64 yards and JD Scheib three for 41. Both Thurman and Scheib caught touchdown passes. Scheib had another catch which set up a touchdown.

Heights quarterback Ethan Jones was 8-of-23 for 100 yards. Sterling Weatherford led the Huskies in catches with four for 79 yards.

Noblesville got on the board first when Melloh threw 26 yards to Thurman with

Reporter photo by Brian Reddick

Noblesville's Jarel Youree had another huge game for the Millers Friday night, helping them to a 35-9 victory at Hamilton Heights. Youree scored two touchdowns and ran for 178 yards.

9:58 left in the first quarter. Andrew Little booted the PAT.

Heights came right back, scoring two minutes later on Brown's 62-yard run. Henry Magdun kicked the extra point.

Noblesville scored twice in the second period. Youree ran 78 yards. Then Melloh scored the late TD. Little tackled on two more PATs.

Noblesville scored late in the third quarter on a 26-yarder by Youree and a PAT kick by Little.

The Millers' final TD came with 5:11 left in the game, a three-yard pass from Melloh to JD Scheib.

Hamilton Heights scored a safety against the Millers when Tyler Anderson caught Youree in the end zone.

Noblesville, now 2-0 on the year, will host Fishers in a Hoosier Crossroads Conference opener on Friday. Hamilton Heights, 1-1, will travel to Lewis Cass.

Westfield turns tables on Southport...

Pepiot-to-Manley score wins it for ‘Rocks

Turnabout is fair play, and Westfield was more than happy to put that old saying into practice on Friday at Southport.

With 6.7 seconds left in the fourth quarter, Ryan Pepiot threw a 40-yard pass to Evan Manley, who scored the game-winning touchdown for the Shamrocks. William Harrison made his fourth extra-point kick of the night soon after, and that put the exclamation point on a 40-36 win for Class 5A No. 4 Westfield over the 6A No. 11 Cardinals.

This was the second time the two teams played each other. Last year, Southport came to Westfield's place and won 37-26. This year things turned out differently, and the 'Rocks are now 2-0.

It was a back and forth game throughout. Pepiot answered the Cardinals' first touchdown score with a quarterback sneak into the end zone midway through the first quarter. Jackson Garrett began the second period with an interception return touchdown, and Pepiot and Manley teamed up for a pass play score minutes later.

Southport held a 21-20 lead at halftime, but Westfield shut out the Cardinals in the third. Johnny Swidan helped out with an eight-yard touchdown run.

In the fourth quarter, Harrison kept his team ahead by making two field goals. The Shamrocks' 33-28 lead held until there was 1:20 to play, when Southport scored and made a successful two-point conversion. But Westfield had the last word on Friday.

Pepiot had an outstanding game, totaling 265 yards on 23 of 40 passes. Manley caught six for 95 yards, while Lucas Schultz also had six receptions, for 66 yards. Brandon Karsnick led the rushing with 83 yards in 14 carries.

Next up for the 'Rocks is a game at Zionsville, which is tied for eighth in the 5A coaches poll.

Defense sparks...

Tiger victory over Pike

Not at all meaning to slight the offense in any way, Fishers coach Rick Wimmer did a lot of talking about his defense following the Tigers' 20-8 victory at Pike last evening.

"They passed for 311 yards against us," Wimmer said, "but we held them to 54 yards rushing. That's good against that type of offense. Their only touchdown came when we messed up a punt. We gave them a safety in the fourth quarter."

As a result, Fishers moved to 2-0 on the year while looking ahead to next Friday and a Hoosier Crossroads Conference opener at Noblesville.

"Our defensive line really played well," Wimmer continued. "Our defensive ends did a good job, too. Our defense kept things in front of them."

Fishers jumped out to a two touchdown advantage in the opening quarter.

"We scored twice, but missed both extra points," Wimmer pointed out. "We moved the football, but we didn't always have real good balance."

Still, it was a Fishers offense which hit Pike for 313 yards. The Tigers rushed for 161 yards and passed for 152.

Fishers' defense spent time on the field. Pike got off 71 plays and gained 365 yards. Fishers ran 62 plays.

Fishers had a solid 1-2 running punch with Jeremy Chinn carrying 21 times for 84 yards and Jermaine Huddleston 16 times for 67 yards.

The quarterback, Zach Eaton, had another outstanding game. He hit on 9-of-17 passes and he also rushed six times for a total of 17 yards.

Keyshawn Burrell gave Eaton a big lift with seven catches for 131 yards.

Fishers scored quickly, moving 62 yards in six plays and getting on the board with 9:21 left in the first quarter on a five yard pass from Eaton to Burrell.

The Tigers scored again in the period when with 7:06 remaining Chinn zipped 22 yards into the end zone.

Pike's only touchdown came in the third quarter, a 22-yard pass from quarterback Derek Hawthorne to Kendall Sprowl.

Fishers got back that touchdown in the fourth quarter with 11:01 left in the game. Eaton carried one yard on a quarterback keeper. Eaton then passed to Mason Davis for the two-pointer.

Volstad sparks Tribe, snaps three-game skid

Starter Chris Volstad doubled twice, drove in four runs and pitched seven innings of one-run ball to power the Indianapolis Indians to an 8-1 win over the Louisville Bats Friday night at Slugger Field.

Volstad sparked an offense that rebounded from one run in the last 21 innings against Louisville to score eight runs tonight. The right-hander finished 2-for-4, and along with batting .333 overall this year, now has five hits in his last 11 at-bats.

On the mound, Volstad cruised to his team-best 11th win and fourth straight victory on the road. He tossed 6 2/3 shutout innings before three consecutive singles plated his lone run on the night.

Elias Diaz went 3-for-5 with two runs, two RBIs and a solo homer.

Travis Snider collected two more hits and scored twice, improving his Triple-A totals to a .407 batting average with five runs in eight games for the Tribe.
