After reaching deal with North Central Coop...

HAND purchases historic grain elevator

This week HAND (Hamilton County Area Neighborhood Development) reached an agreement with the North Central Coop (NCC) to purchase the site of the Historic Grain Elevator in downtown Noblesville. HAND is engaged with neighborhood residents and city officials in a planning effort to determine the highest and best use for the site. "Place-making can have a huge impact on the psyche of a community, and public input on a major property is our number one priority," reports HAND's Executive Director, Nate Lichti.

"We were approached by numerous individuals and constituents when the demolition commenced late last year. It took us awhile to build a critical mass, but we are confident the effort will pay off," says Lichti. "This is a serious endeavor, but it is worth the risk given the potential impact we can have in the Southwest Quadrant."

The Executive Director of Visit Hamilton County, Brenda Myers, agrees. "As tourism and community development specialists, we always go by the goal of 'great places to live are great places to visit and invest.' This project is a perfect example of that mission."

The wooden structure sits just six blocks south of the historic courthouse and towers over downtown Noblesville and the Model Mill. The history of the Grain Elevator relates closely to the entire history of Noblesville. The construction of the elevator contains so much lumber because it was built using 2x8 boards that were stacked 85 feet tall.

Over 100 individual signed a petition supporting HAND's campaign to conduct the redevelopment study, including several from the Noblesville Preservation Alliance.

HAND has made a deal with the North Central Coop to purchase the site of the historic grain elevator in downtown Noblesville. The elevator's history relates closely to Noblesville's history.

Emily Compton, a proud member of the alliance, says, "People living, working and playing in Old Town will make our city better, more desirable, safer and more profitable for everyone."

The elevator provided the first opportunity for Noblesville to boom when it was built in 1904 along the railroad tracks. Spurring growth in the agricultural industry in Hamilton County led to the establishment of a strong community. Noblesville High School uses "The Millers" as their official mascot, a reputation which Noblesville alumni take very seriously.

Functionality and accessibility the main topics...

Riverview Health asks for community input on hospital expansion

Riverview Health is working on a long-term growth strategy to improve the functionality and accessibility of its main Noblesville campus, which involves collaborating with several architectural design firms. The strategy will include immediate needs for additional outpatient services.

As a county-owned organization, Riverview Health is asking for the input of the community through a public survey to help guide architects during the design and planning process.

To fill out the survey, go to www.riverview.org/publicsurvey.

On its Web site, Riverview said the collaboration with design firms is with the purpose of developing "a long-term site strategy to achieve" certain goals over the next five to 10 years. The site lists three priorities it wants to address right away: "Provide additional outpatient space for physicians and patients, determine how to improve parking to best serve the needs of our patients, develop a clear entrance for patients to enter the main campus building." The priorities must account for visibility, accessibility, connectivity and consistent branding, the release on the Web site said.

INDOT to conduct public hearing on new I-69 interchange at 106th Street

The Indiana Department of Transportation (INDOT) will conduct a public hearing Thursday, Sept. 10 to announce plans to construct an interchange at 106th Street and Interstate 69.

The hearing begins at 6 p.m. and takes place at the Fishers City Hall Auditorium, One Municipal Drive, Fishers, Indiana 46038.

INDOT is coordinating with the City of Fishers and Hamilton County as partners on this project. The interchange configuration will be a two-lane, oval-shaped roundabout centered over the I-69 centerline. The existing 106th Street structure over I-69 will be totally removed as part of this project and replaced with two one-way structures (south structure and north structure). The north bridge will provide a variable six foot to eight foot wide sidewalk along the north side of 106th Street for the entire project length, with crosswalks across 106th Street at Crosspoint Boulevard and USA Parkway.

Construction along I-69 will include new bridge piers in the median and new bridge abutments to the outside of mainline I-69. No roadway work is proposed for existing mainline I-69, and all roadway work along I-69 will be limited to construction of the ramps for the new interchange.

The project will acquire approximately 10 acres of right-of-way and will impact approximately 0.6 acre of wetlands. No impacts to floodplains, streams, forests, or endangered species are anticipated.

The purpose of the proposed project is to increase operational efficiency along the I-69 corridor in Fishers by:

- Reducing congestion at the existing I-69 interchanges with 96th Street and 116th Street
- Improving traffic safety within the project study area
- Providing direct access between I-69 and 106th Street to serve existing land uses and growth patterns

The environmental document and related project documentation are available for viewing at the following locations:

- Hearings Examiner, Room N642, Indiana Government Center North, 100 North Senate Avenue, Indianapolis, Indiana 46204-2216, Phone # (317) 232-6601 (8am to 5pm)
- Fishers Public Library, 5 Municipal Drive, Fishers, Indiana 46038; (317) 579-0300

INDOT website at <http://www.in.gov/indot/2704.htm> Greenfield District Page

The tentative timetables for construction will be discussed during the formal presentation. The proposed maintenance of traffic plan will be presented as part of the formal presentation. Public statements for the record will be accepted as part of the public hearing procedure. All verbal statements recorded during the public hearing and all written comments submitted prior to, during and for a period of two (2) weeks following the hearing date, will be evaluated, considered and addressed in subsequent environmental documentation. Written comments may be submitted prior to the public hearing and within the comment

the Innovations class at NHS, a unique entrepreneurial experience for students who pursue their own real-world learning projects through collaborations with professionals. Wettrick serves as a mentor and facilitator for those student-led projects, which vary from product development to public policy initiatives to community outreach efforts.

“Don is the embodiment of our innovative culture at Noblesville Schools, which prepares our students for the world of tomorrow by providing authentic experiences designed to engage and challenge them,” said Jeff Bryant, principal of Noblesville High School. “He is a passionate educator who pushes his students to reach beyond

their preconceived notions about what learning can look like and what they can accomplish. We are thankful for the inspiration he provides our students and our teaching community, and congratulate him on this honor.”

In addition to his teaching role with Noblesville Schools, Wettrick is also the author of an innovation book, and serves as an educational innovation consultant and speaker. He has been an educator for 18 years and has degrees from Ball State and Indiana University.

Wettrick will be recognized for his accomplishment at Centric’s annual Day of Innovation conference in October.

Project Lifesaver’s Summer Bash and Car Show scheduled for Sept. 12

Hamilton County Project Lifesaver will hold its Summer Bash and Car Show from 9 a.m. to 2:30 p.m. Saturday, Sept. 12 at the Hamilton County 4H Fairgrounds. The annual event is the primary fundraiser for Project Lifesaver and includes activities for the entire family. Music, StatFlight Air Ambulance, and vendors along with games and activities are all part of the fun-filled day that benefits clients of Project Lifesaver. Big Hoffa’s BBQ will provide food during the event that also features a Custom Car and Bike Show. Registration for the Car and Bike Show can be made at 317-776-6757.

Project Lifesaver, an organization associated with public safety agencies in Hamilton County, assists in locating individuals who are prone to wandering or elopement due to disability or medical diagnosis. Among Project Lifesaver clients are those with Dementia, Alzheimer’s, Autism, Down Syndrome, and other similar conditions that increase the potential for wandering from safe locations. Proceeds for the Summer Bash enable Project Lifesaver to provide a wristband style silent radio transmitter and replacement batteries at no cost to clients. Using specialized equipment, public safety officers can quickly and efficiently locate clients. In more than 3,000 searches nationwide, Project Lifesaver clients have reported no serious injuries or deaths with an average rescue time of under 30 minutes.

Project Lifesaver is a nonprofit organization that relies on grants, donations, and fundraising efforts so there is no cost to clients or taxpayers. For information on enrolling a loved one, or to become active in Project Lifesaver, call 317-776-6757 or project.lifesaver@hamiltoncounty.in.gov.

Noblesville Fire Department to support the White River Celebration

Noblesville Main Street is proud to announce the addition of the Noblesville Fire Department as one of the collaborating partners in this year’s 2nd Annual White River Celebration which is scheduled for Saturday, Sept. 12, 2015.

The White River Celebration kicks off at noon and will also feature live music, the Bridge Fair includes art and creative activities for families to try, live music, food, and a beer garden hosted by Courtney’s Kitchen. All booths will highlight the White River. Schwartz’s Bait and Tackle, located nearby at 118 Cicero Road, will also feature family fishing including the use of a rod and reel, bait, and instruction starting at noon and ending at 4 p.m.

“The Noblesville Fire Department is excited to partner with Noblesville Main Street, on Sept. 12 for the Duck Race,” said Todd Estes with the Noblesville Fire Department. “We are happy to interact with the public, by showing both the young and old our trucks. We hope that everyone will come out to enjoy the day and participate in the activities.”

The Noblesville Fire Department has partnered with our organization over the years and we have enjoyed hosting their annual chili cook-offs at the markets in support of the Fallen Fighter Memorial, rolling out equipment for “Touch a Truck” opportunities at events, as well as providing safety not only at events but playing a very active role in planning safe events,” said Chris Owens, executive director of Noblesville Main Street. “We know their presence will only serve to enhance this great community event.”

The event features the Annual Noblesville Main Street Duck Race, which will get underway around 5 p.m. with the winning duck receiving a guaranteed \$1,500 prize. Duck race tickets are currently on sale at all Noblesville Main Street events and at Courtney’s Kitchen, A Corner Cottage, Logan Village Mall and Noble Coffee & Tea.

ACADEMY

Now, those alumni and neighbors are a key part of this project. Deborah Jamieson, resident leader in the South West Quad, reported, “A neighborhood committee has set up monthly meetings with HAND to advice and be advised on the planning and development of the property. While the elevator is an eyesore in its present condition, properly restored, it could become an asset to the neighborhood and the entire city.”

HAND enters a critical stage of securing the funding necessary to deliver the vision while maintaining support of the community. In the terms of the agreement, HAND and the NCC have agreed to a purchase agreement that compensates the owner for a fair market value of the property. HAND has engaged local architects Darren Peterson and John Dierdorf to facilitate the design process, an essential step to obtaining zoning and the necessary financing.

HAND intends to pursue a mixed use development with a mixture of market rate and affordable apartments. Lichti says, “Downtown needs more rooftops, so this is

a great opportunity in the heart of the community to redevelop a blighted property. The housing provides customers for downtown businesses and affordable housing for workers at the Foundry and other local businesses.”

Negotiations have included a deconstruction plan from an out of state contractor who plans to salvage as much of the wood as possible. HAND has negotiated an agreement which leaves in place key portions of the historic grain elevator. The demo contractor is busy finishing up other summer projects, but will be back soon to finish the work on the concrete structures. The contractor pledges that a majority of the site will be cleared and maintained by winter.

HAND is partnering with the Noblesville Preservation Alliance and Hamilton County Historical Society to preserve a portion of this history. If you have artifacts, memories or photos that include this property, please notify Tracy at 317-674-8108 or Tracy@handincorporated.org. This collection may be displayed at future events or,

Barry Ray Owens

November 13, 1960 - August 29, 2015

Barry Ray Owens, 54, of Noblesville, passed away on Saturday, August 29, 2015 at his home with his wife and brother at his side. He was born on November 13, 1960 to Kenneth Baker and Nita Owens in Albany, Kentucky.

Barry was a 1979 graduate of Noblesville High School, joining the United States Army months before graduation. He spent the next 11 years serving our country and living around the world, his favorite post being Germany. Barry loved the military, and rejoined the Indiana Army National Guard, becoming a Staff Sgt. before his death. His civilian job of over 20 years was with Perfecto Manufacturing as a glass washer.

Barry spent the last 22 years with his wife and love of his life, Tamara Wallace Owens. Together they raised five of six children who were the joys of his life. Barry was also an overindulgent Pop-Pop to his 12 grandchildren.

In 1997, at Calvary Baptist Church in Noblesville, Barry fully dedicated his life to Christ and never looked back. Anyone who knew him felt the Holy Spirit in him. Even during his illness from Esophageal Cancer, Barry walked through Noblesville witnessing to people and inviting them to church. His goal was to reach 1000 souls before he passed. Barry never felt fear from the day of his diagnosis until his death. He accepted his cancer, and followed the will of God. Barry was an inspiration to all who knew him, earning the name "Superman". He played a very active role in his illness and care. Barry chose how, where, and with whom he would pass, doing it his way. He requested his wife be his primary caregiver, and passed away in her arms with his twin, Gary, present.

An incredible family man, Barry kept everyone's spirits up by giving reassurance that he would see them again. He took the time to make mementos of himself for his grandchildren and children, and even filled a glass jar with 365 love notes to be given to Tammy after his passing. Barry felt it a blessing that he was given enough time to make sure those he loved knew he loved them.

He is survived by his wife, Tamara Owens; children, Joshua, Jessica (Nick Ross), Jeremy (Kayla Ross), Tyler, Jeanette, and Brandon; grandchildren, Keagan, Brooklyn, Emma, Arreona, Vincent, Micah, Issabella, Gabriella, Roselynn, Jocelynn, Samantha, and Owen; mother, Nita Owens; twin brother, Gary K. Owens (Tina Reddick); six half-brothers; one sister; very special half-brother, Kermit (Tonda Baker); and mother-in-law, Sherley McAdams Wallace.

In addition to his father, Kenneth Baker, Barry was preceded in death by his uncle, JT Owens.

The family would like to thank: Perfecto Manufacturing employees, American Legion Riders, American Legion Post 45, VFW, Indiana National Guard, SFC Jess Bradbury, Dr. Kenneth Kesler, Pastor Richard D. Bell, and Noblesville Baptist Church, where he was a member.

Services will be held at 11:00 am on Friday, September 4, 2015, at Noblesville Baptist Church, 1338 E Pleasant Street, in Noblesville, with Pastor Seth Leeman and Rev. Richard D. Bell officiating. Visitation will be Thursday, September 3, 2015 from 4:00 pm to 8:00 pm at Randall & Roberts Funeral Home, 1150 Logan Street, Noblesville. Burial will be at Crownland Cemetery in Noblesville.

In lieu of flowers, his family requests donations be made to Randall & Roberts Funeral Home for services in memory of Barry Ray Owens.

Charles M. Chew

November 10, 1926 - August 30, 2015

Charles M. Chew, age 88, of Sheridan, passed away on Sunday morning, August 30, 2015, at Waterford Place Health Campus. Born November 10, 1926, in Russiaville, Indiana, Charles was the son of the late Clifford M. and Delia (Reno) Chew. Charles was a 1943 graduate of Russiaville H.S. and a graduate of Kokomo Business College. He worked his entire life in the family grocery business, eventually owning and operating 2 Chew's grocery stores in Hamilton County. At one time, Chew's Grocery had 12 different locations throughout central Indiana.

In addition to his responsibilities with the family business, he proudly served as a Supply Sergeant with the Indiana National Guard.

Charles thought it was important to give back to the community. This led him to become a member and past president of the Sheridan Rotary Club, as well as a member of the Columbia Club of Indianapolis. He was also a member of the Sheridan First Christian Church.

Charles is survived by his former wife of 39 years, Barbara J. Chew; 3 sons, C. Douglas Chew of Clarks Hill, Mark A. Chew of Greenwood and Michael A. Chew of Noblesville; 3 daughters, Julia A. Millikan (Kenneth) of Sheridan, Karen Strong (Randy) of Carmel and Kristin L. McBride (David) of Carmel; 6 grandchildren, Matthew "Boogie" Warren Millikan (Nikki J.) of Sheridan, Andrew Strong of Westfield, David D. Chew of Cincinnati, Ohio, Ashley Robbins (Andy) of San Diego, CA, Jamie McKinnon of Crawfordsville and Taylor L. McBride of Carmel; 4 great grandchildren, Ariana, Edward, Austin and Isabella; 1 sister, Mary Carolyn Swope of Kokomo; his niece and nephew, Stacy McNeelan of Springsville, Indiana and Clifford Swope of Northern Indiana; and his 4-legged "best friend", his dog Max.

He was preceded in death by his parents and his son, John F. Chew.

Services will be held at 11:00 am on Friday, September 4, 2015, at Kercheval Funeral Home, 306 E. 10th Street, Sheridan, Indiana 46069. Burial will follow at Crown View Cemetery in Sheridan. Reverend V.J. Stover will be officiating. Visitation will be held from 4:00-8:00 pm on Thursday, September 3, 2015, at Kercheval Funeral Home in Sheridan. In lieu of flowers, memorial contributions may be presented to the American Heart Association.

Hamilton County cross country meet...

Carmel sweeps, Fendel and Leinheiser cruise to victory

By RICHIE HALL
Reporter Sports Editor

While the team winners of Tuesday's Hamilton County cross country meet - Carmel in both the boys and girls races - were tried and true, a young face zoomed to the fastest time in the boys race.

Hamilton Southeastern sophomore Gabe Fendel paced the field at Noblesville's Chinquapin Ridge course at White River Elementary School. Fendel isn't an unknown commodity - he ran for the Royals at state as a freshman - but his victory suggests that he will be a force to be reckoned with over the next three years.

Fendel's winning time was 15:37.82, not bad considering the humid conditions. He finished a full seven seconds ahead of second place. Fendel said his win "feels really good," since it was his first 5K race of the season. Fendel said his finish was around a 20-second personal best for him.

"It just feels good to win and race again," he said.

Hamilton County has five of the top 15 teams in the latest IATCCC rankings, including three of the top four. Carmel is No. 1, and to be sure, won the meet with a score of 45 points.

Meanwhile, Southeastern is rated third, Fishers is fourth, Noblesville is ranked 11th and Westfield 15th. But the Shamrocks shook things up at the county meet, placing second with 58 points. The 'Rocks had three runners in the top 10: Alec Hartman finished second, Aaron Bennett was fourth and Sam Henthorn placed eighth.

The Greyhounds got all five of their scoring runners in the top 16, which helped them prevail. Carmel also had three runners in the top 10: Theodore Browning placed third, Thomas Revard was fifth and Evan Bouillet finished ninth.

"I thought we ran really well," said Greyhounds coach Colin Altevogt. "Our guys were excited to run." He credited his team "competed really, really well" against the other highly-ranked teams.

Southeastern edged out Fishers 68-73. Fendel led the way for the Royals, and three other runners in the top 20 gave HSE the points it needed early. Fishers, meanwhile, had two top 10 runners: Tristan Strobel placed seventh and Trevor Thompson was 10th.

Noblesville placed fifth with 112 points. Eric Hoffman finished sixth for the Millers.

In the girls race, Carmel had no trouble winning. The No. 1-ranked Greyhounds scored 21 points, securing six of the top nine places.

Carmel junior Sarah Leinheiser cruised to victory in a time of 18:08.27, blasting past her old personal best of 18:32 by 24 seconds.

"I feel like I ran pretty good," said Leinheiser. "It felt pretty good out there. A little hot, but not too many complaints."

Maddie Dalton finished second, followed by Stacy Morozov in fourth, Megan Kress in sixth, Rachel Anderson eighth and Daphne Boom in ninth.

Carmel coach Mark Ellington called his team's performance "stupendous" and said he "couldn't be happier" about how they ran.

"Our big focus today was, 'Let's go out and compete and, you put all this time and effort to be great, go give yourself a reason to celebrate,'" said Ellington.

Hamilton Southeastern, ranked 16th in the coaches poll, edged out No. 15 Noblesville 78-80 for second place. Sabrina Bippus finished fifth for the Royals, with Laurel Black 10th. Meanwhile, Abigail Little placed third for the Millers.

Guerin Catholic placed fourth with 106 points, led by Megan Slamkowski's 11th place finish. Fishers, the 19th-ranked team, was fifth, scoring 119 points. Liz Rogers led the Tigers by taking 12th. Fishers nosed out Westfield, as the Shamrocks scored 120 points. Devon Leahy placed seventh for Westfield.

Boys soccer...

Fishers wins county battle, HSE upsets No. 1 Avon

In an all-county boys soccer battle on Tuesday, Fishers, now the No. 13-ranked team in Class 2A, beat Noblesville 5-0 at the Tigers' stadium.

Drew Gavit led the scoring for Fishers, with two goals and an assist. Max Zimmerman added a goal and provided two assists. Cam Brand and Justin Brooks each scored a goal. Andrew Loneragan had eight saves as goalkeeper.

The Millers battled bravely, never giving up until the final whistle. Peyton Mathis had eight goalkeeper saves, with Miles Atkins making four saves and Riley Roudebush making three saves.

Meanwhile, **Hamilton Southeastern** is receiving votes in the 2A poll. That should change next week, however, as the Royals knocked off 2A No. 1 Avon 2-0 on Tuesday. Southeastern scored its upset thanks to goals by junior Dylan Ricketts and sophomore Jake Smith. Another sophomore, Darian Ghaffari, assisted on Ricketts' game winner.

Carmel, ranked No. 6 in 2A, took care of 2A No. 12 Brebeuf Jesuit on Tuesday by the score of 4-1.

Senior Joel Hudson scored two goals, with Brenno Pecora and Johan Arnell both adding a goal for the Greyhounds, who are now 5-1. Tyler Majeski, Justin Faas and Adam Gostomelsky each had an assist.

"I was extremely proud of the effort from the opening kickoff," said Carmel coach Shane Schmidt. "Scoring quickly was key tonight. We will continue to work hard and prepare for the next game."

Girls soccer...

Royals blast through second half to beat LN

In girls soccer action, Class 2A No. 5 Hamilton Southeastern scored a 7-1 win over Lawrence North on Monday.

The Royals had an accidental handball three minutes into the game that led to a penalty kick and 1-0 lead for the Wildcats. Southeastern did tie the game at 1-1 by halftime.

"The second half our girls finally played with some heart, passion, and will that was missing in the last few games," said HSE coach Greg Davidson.

Payton Filson earned player of the game as she was a big part of that spark and had two goals on the night. Scoring was Maddie Wolf, Noelle Cawston, Sam McKenzie with a goal and assist, Kaitlyn Weldy with a goal and assist, and Taylor Bray with a great game

tonight with 1 goal and 2 assists. After the PK, Southeastern's defense held LN to two shots the rest of the game that Natalie Wilkinson saved from the goal.

"We are excited to see if the girls can complete two halves against Avon on Wednesday (at home at 7 p.m.) as we have been a second half team so far this season," said Davidson.

Hamilton Heights, ranked ninth in 1A, beat **University** 6-1 on Monday. Sierra Welch scored three goals for the Huskies, and also had an assist. Madison Bickett scored two goals and dished out two assists, while Elaina Page scored one goal. University stats were not available.

'Rocks win HCC golf tournament

The Westfield girls golf team remains ranked No. 2 in the coaches poll, but there's no doubt the Shamrocks are playing like a state championship contender.

Westfield added another big title to its trophy case on Monday, triumphing at the Hoosier Crossroads Conference tournament at Bear Slide Golf Club. The 'Rocks carded 313.

Adrienne Montalone was the meet medalist, shooting a one-over par 72. Cailyn Henderson also helped out with a 77 and Margaret Wentz carded an 80. All three earned All-HCC honors.

"This is a great accomplishment for our team being conference champs for the first time in school history," said Westfield coach Trevor Neu. "Really proud of how we played as a team today."

Noblesville, ranked 17th, finished second. The Millers tied with No. 6 Hamilton Southeastern, as each school scored 329. Noblesville won on the fifth-woman score.

Peyton Gigante shot 78 and Melissa Baker had a 79, with both earning All-Conference recognition.

As for the Royals, Ciara McAree's 73 was good for runner-up honors and a place on the All-HCC team as well.

Ninth-ranked Fishers finished with a 346. Morgan Lewis (78) and Anna DelPrince (79) both earned All-Conference honors.

Team scores: Westfield 313, Noblesville 329, Hamilton Southeast-

Volleyball...

Southeastern dominates Raiders all the way

The Hamilton Southeastern volleyball team, ranked third in the latest Class 4A poll, took care of Harrison 25-8, 25-10, 25-9 on Tuesday.

Lark Jones had her best night of her career with seven kills and Hayden Huybers added seven kills of her own. The serving of Olivia Burgess and Natalie Mills kept the Raiders out of system for most of the night. Kenzie Hinshaw had 28 assists.

The Royals are now 9-1 on the season and travel to Avon for a Hoosier Crossroads Conference match up Thursday night.

Southeastern's junior varsity won 25-21, 25-18. Lauren Clendenen once again ran an offense that had the Royals looking to swing away. Megan Hignight opened the second set with a strong serve and helped the JV Royals close it with a strong serve. The JV is now 5-1.

The freshman were 25-15, 25-10 winners, staying unbeaten at 6-0. Ariel Jessop had 25 service points and multiple passes and digs.

Hamilton Heights swept past Frankton 25-14, 25-21, 25-11 on Tuesday.

Grimes wins Sheridan Horseshoe handicapped tournament

Several pitchers attended the Sheridan Horseshoe League's annual individual handicapped tournament Tuesday evening.

The tournament was divided into two different three game sessions to accommodate all pitchers. Sam Gibbons of Noblesville lead all pitchers after game one with 118 followed by Tim Holliday's 115. Jeff Ogle had an outstanding game two and moved from eleventh to take the lead with 238. Richard Reddick moved from fifth into second, dropping Sam into the sixth spot.

As the first session ended Richard captured the lead from Jeff, with Sam in third place. After the competition of game one in the second session Tyler Grimes and Greg Emry had surpassed the leaders by having scores of 128 and 125 respectively. Tyler still maintained his lead after game two, with Greg closing the gap to two points. With one two shoes to pitch Tyler was in a tie with Richard Reddick for third with scores 365, just three points behind Greg. Tyler's first shoe fell short of the stake, thus moving him into second with one more shoe toss. Tyler's last shoe was a ringer making the rookie the leagues individual champion.

The top five finishers were :

1. Tyler Grimes 369 Noblesville
2. Greg Emry 368 Sheridan
3. Richard Reddick 365 Noblesville
4. Jeff Ogle 355 Noblesville
5. Sam Gibbons 353 Noblesville
