Comparing Noblesville and Franklin after 50 years shows differences

By FRED SWIFT

It is interesting to observe how cities grow and progress especially when you see how this growth and development has come. I was in Franklin, Indiana, over the weekend. It's a town that was about the size of Noblesville 50 years ago when I was in college there. Both had populations around 8,000 on a good day.

Both are county seats, both are about 20 miles from Indianapolis. Comparing them now after a half-century of growth shows some interesting differences. Noblesville now has a population of about 56,000. Franklin, about half that.

One big reason for the difference in growth is, as they say in real estate, location, location, location.

Noblesville has the good fortune, assuming you consider explosive growth good fortune, of being north of Indianapolis while Franklin is south. Historically Indy's northside has been considered the more desirable side of town. Therefore, the suburban development has spread more rapidly north than in other directions.

In the 1970s Noblesville got another big boost when Morse Reservoir was opened to development. Most of the city's growth in the 70s and into the 80s came around and because of the reservoir. This residential development brought a number of people who had the willingness to provide active participation and leadership in the community.

Hello 60's!

By JANET HART LEONARD

Wait! How did all of those grains of sand get into the bottom of my hourglass so quickly?

Yes, this past Thursday, September 3rd, my 50's ran smack dab into my 60's. I have been trying to figure out just how life is suppose to look at 60. You see, my 50's have been my favorite years. Each decade has had its precious and not so precious moments but my 50's were the years when I discovered how to wrap up in the blanket of who I really am...and be content.

I no longer felt the need to be what everyone around me wanted me to be. I could never measure up to their standards of perfection...and I didn't care. Well, not that I didn't care, but I realized how much time I had wasted trying to prove myself and my worth to others. Shame on them. Shame on me.

Sheridan Rotary hears about agribusiness

Sheridan Rotarians enjoyed a road trip this past Tuesday when they journeyed to Arcadia and had program about farming and agribusiness. The meeting was held at the Rulon Farm complex and featured a presentation by Jerry Rulon. Rotarians got to learn about the rewards as well as the

pitfalls of running a modern farming operation. The Rulon family works about 8,000 acres of prime Hoosier farm land each year. Another highlight of the evening was a chance to get up close and personal with some of the huge combines and tractors and

to have a tour of the grain processing and storage facilities at the complex. Historically, Rotary started as a businessman's organization so field trips to various business venues is just exactly what

Commissioners talk expansion

By DON JELLISON
Reporter Editor

Structurepoint, the architectural firm working with Hamilton County on the proposed planning for the expansion of the Judicial Building in downtown Noblesville,

earlier this week shared their views on what might and what should happen.

It was Structurepoint's first such meeting with the Hamilton County Commissioners. Many more will come before the first stone is put into place.

"What I heard as being the top needs," Commissioner Mark Heirbrandt told the Hamilton County Reporter, "is a better use of space and needs of the courts."

EXPANSION

From Page 1

There are lots of connecting parts to the expansion. More space will be needed at the Hamilton County Corrections Facility and how will all of this tie into preserving a courthouse which dates back to the horse and buggy days in Noblesville.

The Courthouse was built in 1879.

The Commissioners stressed to Structurepoint that the historical value of the Courthouse must be maintained.

The Courthouse currently is going through a face lift, which Heirbrandt explained has nothing to do with the expansion at the Judicial Building.

What will happen first on the west side of the building is that the first floor will be expanded for immediate usage and the second and third floors will be shells until addition space is needed.

"It is all part of a master plan, including what must be completed at the Correction Facility (on the east side of Noblesville)," Heirbrandt said.

Space in the Courthouse likely will be rented out to different (non-government) offices, as likely will unused space in the Judicial Building.

Structurepoint is being told when talking with department heads that there is a great need for conference space.

"We have to take care of the courts," Heirbrandt said, "and that is an immediate need. We've been told (by the State) that two new courts will be needed very soon."

ROTARY

From Page 1

Rotarians should be doing in addition to all their charitable and community involvement activities. Sheridan Rotary is no different. It enjoys being active in its community and making Sheridan a better place.

As a club, the Rotary has formal meetings with a meal and a guest speaker the first and third Tuesdays of each month. Meetings convene at 6:15 p.m. at the Sheridan Public Library. The other Tuesday evenings of the month are reserved for various community project activities. If you would like more information about Sheridan Rotary please contact any member or come by the library and speak with club secretary Steve Martin. The Rotary would love to have you join us for a meeting or become a club member.

JANET

From Page 1

I discovered, to my amazement, that being nice isn't going to change my world but being kind is. Nice girls sit back and smile and go along with the flow of other people's thoughts and actions. Kind girls love well. Being kind actually rocks the mean socks off those who don't get it...and they never will. Kindness looks different every day. Kindness often takes bold action. Kindness gets you out of your comfort zone. Kindness is a way of life...a good life.

I realized that I don't want to be normal. I don't want to live by a clock. It's time to do this, it's time to do that. I don't want to do things the way that they have always been done. I want to make my kids roll their eyes and think...Oh Mom, REALLY? I want my friends to say, "Where are you going and can I go with you?" I want my husband to think, wow, she loves me well.

I don't have a bucket list written down. I often can be heard saying, "well I can cross that off the list I keep forgetting to

make". I live in the moment of unexpected joys.

I often light candles when I write because they make me smile. I take bubble baths because I like them. I show up on the doorsteps of my friends with a chocolate pie because I'm in the mood to bake. I sit on my back porch writing because my heart has a lot to say.

I have learned to forgive quickly because anger is ugly. Ugly gets deep inside you and you can't pretty up how it looks when it shows up in your words and actions.

I have learned not to judge. I've not worn their shoes nor have I walked their journey. I just need to keep my shoes clean and watch where I walk. I don't want to step in someone else's mess...figuratively and emotionally.

Thank you 50's! You have so graciously introduced me to my 60's. I can't wait to see what the sand in the hourglass has to say during the next decade. Hey Brandon and Emily get ready to roll your eyes. Friends, we have places to arrive unexpectedly. Chuck, well...we've only just begun.

COUNTY LINE

From Page 1

Franklin has certain advantages like direct access to I-65 which can get commuters into downtown Indy in 25 minutes. It has Franklin College, a small but respected liberal arts school of 1,000 students, and the city has a sizable industrial park which provides hundreds of jobs.

I like Franklin and know it well, but life there seems to move at a slower pace and somehow without the vibrancy we find in Noblesville. So, which is the better place to live is in the eye of the beholder. So far more folks have chosen Noblesville, probably for the reasons stated above. But, it's an interesting comparison of residential migration and lifestyle choices in the 21st century.

Thomas Eugene Spencer

August 1, 1930 - September 3, 2015

Thomas Eugene Spencer, age 85, Of Indianapolis, formerly of Sheridan, passed away on Thursday evening, September 3, 2015, surrounded by his family at Golden Living Center Brandywine in Greenfield. Born August 1, 1930 in Indianapolis, he was the son of the late Ralph D. and Modessa (Briggs) Spencer. Tom spent many years in the Indianapolis area as a Ford mechanic and a Farm Bureau delivery man. A vast portion of Tom's life was spent on the road as a semi driver, hauling goods all over the Midwest. He was very proud to be a truck driver and a Teamster.

Tom is survived by his son, Thomas Eugene Spencer, Jr. (Katherine) of Greenfield; 2 grandchildren; his brother, James M. Spencer (Sharon Sue) of Crawfordsville; and his sister, Patricia Foster of Sheridan.

He was preceded in death by his parents; his daughter, Candice Jo Spencer-Grider; his first wife, Joan Alice (Walker) Spencer; 2nd wife, Pauline Grider Spencer; and his infant grandson, Kevin Eugene Spencer.

Services will be held at 11:00 AM on Wednesday, September 9, 2015, at Kercheval Funeral Home, 306 E. 10th Street, Sheridan, Indiana 46069, with visitation from 10:00 AM until the time of service. Burial will follow at Spencer Cemetery in Sheridan. His brother, James Spencer, will be officiating. Memorial contributions may be presented to the Alzheimer's Association.

103rd Street closes at US 31 on or after Sept. 8

On or after Tuesday, Sept. 8 (after the evening rush hour), crews plan to permanently remove access to/from US 31 at 103rd Street. This closure will not begin until after the City of Carmel opens 106th Street at Illinois Street (expected on or after Sept. 5).

Once 103rd Street closes at US 31, traffic heading south to Meridian Street and to I-465 south of 106th Street will become free-flowing.

As part of the final configuration of US 31, 103rd Street will become a cul-de-sac on either side of US 31, and nearby access to/from US 31 will remain available via I-465, 106th Street and 116th Street. Also, the 111th Street overpass is expected to open in mid-September, which will allow eastbound and westbound access over US 31. The 126th Street/Carmel Drive bridge is now also open to two lanes in each direction over US 31.

Access to/from US 31 and St. Vincent Health/Heart Center will remain available

via 106th Street. See the map illustration below for suggested routes to St. Vincent Health/Heart Center following the 103rd Street closure.

US 31 traffic shift between 96th and 103rd streets, Sept. 9 and 10

After the 103rd Street closure, crews will work to shift traffic on US 31 in this area.

Overnight on Sept. 9 and 10, all US 31 traffic between 96th Street to just north of 103rd Street will be shifted to the east side of the roadway so crews can begin work on the new lanes of US 31 on the west side of the road. Turning movements to/from 106th Street, I-465 and 96th Street will remain available. With this shift, the eastbound I-465 off-ramp to US 31 will be reduced to one left-turn lane and one right-turn lane.

Crews anticipate traffic will remain in this configuration through November. IN-DOT and the City of Carmel will closely

monitor adjacent traffic signals following the traffic shift and closure at 103rd Street. **116th/Pennsylvania streets closure begins on/after Sept. 16**

Starting on or after Sept. 16, INDOT plans to close the 116th/Pennsylvania streets intersection for approximately 60

Wasn't pretty, but a win...

Golden Eagles get Saturday victory

By RICHIE HALL
Reporter Sports Editor
No matter what kind of win it is, a football win always feels good.

Guerin Catholic coach Tom Dilley admitted that his team's 13-7 win over Marmion Academy Saturday at the Eagles Nest wasn't pretty. But it was a good way for Guerin to bounce back from last week's loss, and also got GC's record back on the winning side at 2-1.

"That was a good, physical team and a good, physical game," Dilley said of Marmion, which traveled to the Eagles Nest from Aurora, Ill.

After a scoreless first quarter, Guerin Catholic got on the board when Elliott Charlebois connected with Isaac Fettig for a 3-yard touchdown pass. Caleb Quick kicked the extra point.

Quick would score the remainder of the Golden Eagles' points, as he made two field goals in the fourth quarter to put Guerin up 13-0. Dilley also credited Quick with doing well punting, including one that wound up inside the five.

Marmion did score with 1:47 left, keeping things interesting right at the end. The Cadets tried on an onside kick, but it didn't go the necessary 10 yards. Guerin got the ball back and held on for the win.

Charlebois had a nice passing game, completing nine of 15 attempts for 124 yards and the one touchdown. Brennan Thieneman was the leading rusher, with 77 yards in 25 carries.

Next up for the Golden Eagles is Indianapolis Howe, who they will play on Friday. The game is actually an away game for Guerin, but it will be played at the Eagles Nest with Howe hosting.

Reporter photo by Brian Reddick

Caleb Quick (82) was a big part of Guerin Catholic's Saturday football win over Marmion Academy. Quick hit two field goals and had good punts as well.

Carmel sweeps State Preview, WHS boys win in Marion

It was a big day for the Westfield boys cross country team Saturday, as the Shamrocks won the Marion Invitational at Indiana Wesleyan University.

Westfield, ranked No. 15 in the coaches poll, scored 67 points, getting past No. 5 Fort Wayne Carroll's 78. Meanwhile, 11th-ranked Noblesville placed third with 127 points, and Guerin Catholic scored a respectable 212. All county teams raced in the Elite division.

Three Shamrock runners landed in the top 10: Aaron Bennett was fourth, Alec Hartman fifth and Sam Henthorn was 10th. The Millers were helped by Eric Hoffman's ninth-place finish, with Cole Martin taking 11th. Freshman Quinn Gallagher led the Golden Eagles by taking 23rd.

In the girls race, Noblesville finished fifth, Guerin was sixth and Fishers took ninth. Fort Wayne Carroll, the state's third-ranked girls team, won the meet with 84

points. Again, all teams raced in the Elite division.

The 15th-ranked Millers' Abi Little paced the county runners, taking ninth place. Megan Slamkowski led the Golden Eagles by taking 14th, and Liz Rogers was the Tigers' leader in 19th.

Meanwhile, Carmel sent both of its top-ranked teams to the State Preview Meet in Terre Haute, and picked up wins in both the boys and the girls races in the Varsity division.

The girls team finished with 45 points, well ahead of No. 7 Cathedral's 86 points. Westfield's girls were also there and placed a strong third, totaling 104 points.

The Greyhounds placed all of its top seven runners in the top 19, with three in the top 10: Maddie Dalton was fourth, Christina Geisler sixth and Daphne Boom 10th. As for the Shamrocks, Devon Leahy paced her team with a fifth-place finish.

Carmel's boys lead a 1-2 county finish, as No. 4 Fishers was the runner-up. The Greyhounds scored 49 points and the Tigers scored 83.

The Greyhounds' Benjamin Veatch was the overall race winner, finishing the race in 15:24.4 on the course where he won a state title last year. Benjamin Miller finished seventh.

Fishers also had a pair of runners in the top 10: Trevor Thompson was fifth and Tristan Strobel eighth.

Four teams play at Zionsville Invite

Four Hamilton County teams participated in the Zionsville Lady Eagles Invitational on Saturday.

Carmel, the No. 2 ranked team in Class 2A, won both of its games, beating Louisville Assumption 4-0 and 2A No. 3 Brebeuf Jesuit 1-0. The latter win will more than likely send the Greyhounds to the top of the 2A poll when it comes out this week.

Ali James scored two Carmel goals against Assumption, with Macy Miller and Jessica Cowen both scoring one. Chandler Backes, Emily Roberts, Katie Soderstrom and Ashley Witucki all had assists. Celene Funke made four saves as goalkeeper.

The Greyhounds scored their goal against Brebeuf with 1:29 left in the game, when Miller scored off of a cross by Cowan from the right side base line. Funke had eight saves.

"The entire team played well but our choice as MVP of this game, as well as the tournament, is senior goalkeeper Celene Funke," said Carmel coach Frank Dixon. "Celene's GAA is now a miniscule 0.1 as the result of allowing only one goal in eight games."

Noblesville, the sixth-ranked team in 2A, played two games against out-of-state teams. The Millers beat Louisville Sacred Heart 1-0, with freshman Cecilia Goad scoring a header goal. Taylor Crowe made the assist. Noblesville tied Medina, an Ohio soccer powerhouse, 0-0 in its late game.

Hamilton Southeastern, the fourth-rated team in 2A, beat Columbus North 7-0.

"Our girls played very well on both defense and offense," said HSE coach Greg Davidson. "The defense held CN to zero shots for the game and seven players either assisted or scored today."

Scorers for the Royals were Noelle Cawston, Taylor Bray (who officially committed to Taylor University over the weekend), McKenzie Smith, Carly Count, and Kaitlyn Weldy with a hat trick. Assisting today was Kara Sanders, Smith, Count, and Sam McKenzie with two assists on her birthday.

"We look forward to seeing how we match up against last year's state champs Fishers on Wednesday at Fishers," said Davidson.

As for the **Tigers**, 2A's top-ranked team, they also played twice at Zionsville.

On Friday, Fishers fell to Medina 4-1, with Izzy Alvarez scoring the lone goal. The Tigers rebounded to beat Sacred Heart 1-0 on Saturday, with Chole Ulmer getting the winning goal.

Hamilton Heights played two games at the Lebanon Invitational on Saturday, winning both.

The Huskies beat the host Tigers 2-0 in their first game. Makel Smith and Abby Hardacre each scored goals. Madison Bickett had two assists, and Kinsey Dimmock had one.

Heights beat Lafayette Central Catholic 1-0 in its second game of the day. Hannah Cochran made the assist.

Tigers volleyball beats Greenwood

The Fishers volleyball team beat Greenwood in four sets, 25-15, 23-25, 25-17, 25-14 in a Saturday home match.

The Tigers were well rested and ready for action as they came out early in the match with big swings coming from outside attackers Disney Stallworth and Maggie Markwood. Fishers capitalized on their fast start with a quick first set victory.

The Tigers dropped the second set, in which they committed 20 errors. After that, the Tigers seemed to hit their stride while winning the next set 25-17. Fishers had a combined team hitting percentage of .421 in the third set with five different players registering kills.

Building off of the strong offensive showing in set three, the Tigers continued to spread the ball around on offense with six players gathering kills in the final set. There was only a slight drop off in team hitting percentage as it dipped to .400, respectively.

Maggie Markwood led the Tigers in kills with 13, as well as leading the team in digs with 12. Senior Brooke Leonard also had a strong showing as she had 7 kills on 11 swings with a .367 hitting percentage to go along with 6 blocks. Freshman setter Rose Duffy led the Tiger offense with 33 assists as well.

The Fishers Tigers next match is Thursday at Hamilton Southeastern, the annual Mudsock rivalry match.

Carmel played in the Avon Invitational on Saturday, going 2-2 for the day.

The Greyhounds fell to Louisville Assumption 25-20, 25-17 and to Fort Wayne Carroll 20-25, 25-22, 15-9. Carmel then beat New Castle 25-20, 22-25, 15-9 and Floyd Central 25-17, 25-19.

HSE boys soccer plays Indiana/Kentucky Challenge

The Hamilton Southeastern boys soccer team played two games at the Indiana/Kentucky Challenge this weekend.

The Royals tied South Oldham 0-0 on Friday and lost to Henry Clay 1-0 on Saturday.

Westfield tied with Columbus North 2-2 on Saturday. Results were not available.

Grand Park hosts Family Friday

The community is invited to Grand Park for "Family Friday" this Friday, September 11th from 6-8pm. Attendees should bring their own equipment to play on the fields and from 6-7pm enjoy a special demonstration of Knockerball, which is a new activity that will be coming to Grand Park. White River Zip Lines and Paintball will also be on site giving away 2-family 4 packs of tickets to their facility. A bounce house and DJ will also be provided by the sponsor, Maple Park Village. Concession stand 4 will be open throughout the event.

This event is free to the public. It will be held on the synthetic multipurpose fields at Grand Park and event parking will be in Lot C. "Family Fridays" are being presented in partnership with Maple Park Village.

"We encourage kids of all ages to come out and enjoy the park," Mayor Cook said. "Grand Park is an extraordinary accomplishment for our community and we want everyone to experience it for themselves."
