White River Clean Up scheduled for Saturday

By FRED SWIFT
The White River Clean Up is Saturday. It's the annual event where average citizens make a tangible difference in picking up debris from Hamilton County's major waterway. For the 21st year volunteers will begin at 8 a.m. Saturday to make the river cleaner and more attractive.

For many years the river was not regarded as a particular asset, and unfortunately for some folks it still isn't. Trash ranging from cans and bottles to old tires, appliances and

even old furniture were dumped in the river or along its banks.

There really is no excuse for such dumping in the river since Hamilton County now has a free solid waste disposal and recycling center at 1700 E. Pleasant St. in Noblesville. But, some were too lazy or uninformed to make use of that facility, so illegal dumping continued.

Then in 1985 along came Kevin Hardie and the Friends of White River. Kevin is a former reporter for the Noblesville Daily Ledger and currently director of the Friends of White River. The organization has set its sights on cleaning up the river between Muncie and Martinsville.

One of their projects is the Clean Up which every year removes tons of trash and debris from the river

and riverbanks. And, it has made a difference. The river is looking better, but it's an ongoing battle because some thoughtless people still throw trash and junk over the riverbank.

Folks who want to help in the clean up can show up Saturday from 8 til noon at the Moose Lodge parking lot at Field Drive and White River in Noblesville or at 14556 River Road for clean up in the Carmel-Fishers area.

Anyone can pitch in, but volunteers should wear old clothes and sturdy shoes and not be afraid of a little mud and wet feet. Registration is onsite Saturday morning. Supplies, drinking water, a box lunch and a River Clean-up T-shirt will be given to each volunteer. Youngsters must be accompanied by an adult.

Noblesville to host recycling event Sept. 19

The City of Noblesville will host a recycling event for the community from 10 a.m. to 1 p.m. Saturday, September 19 in the Ivy Tech West Parking Lot, 300 N. 17th Street, Noblesville.

The free e-waste recycling event will accept the following items: Telephones and telephone systems, cell phones, desktop computers/laptops/notebooks, televisions, computer monitors/peripherals/mice/keyboards, mainframe computers, integrated circuits surge protectors servers, modems, pagers, radio scanners, DVD/VCR players, fax machines, answering machines, video game systems, printers, power supplies and backup power supplies, toner cartridges, copiers, motors, electronic wiring, power cables, power supplies, satellite components, car batteries, cameras, Christmas Tree lights, small and large appliances, stereo equipment, microwave ovens, cash registers, and metal filing cabinets, shelving and office furniture.

The event also will offer paper shredding for \$5 per bag. Proceeds will be used for the annual Noblesville Earth Day ArborFest.

Approximately 7 million Americans become victims of identity theft each year. By utilizing this on-site shredding service, residents can be as-

Three-year project... Facelift for Old Courthouse, Historic Jail

By RICHIE HALL
Reporter Sports Editor

For the past month, people driving past or walking near the old Hamilton County Courthouse and Historic Jail might have noticed workers and scaffolding around the buildings.

Those are both part of a maintenance project involving both historic buildings. Both the old Courthouse and the Historic Jail, which now houses the Hamilton County Historical Society, are getting what Steve Wood, Hamilton County buildings and grounds superintendent, is calling a "major restoration." The work being done on the buildings includes "cleaning of the brick and the stone, sealing, caulking, painting and repair of anything that's wrong," said Wood.

Since both the buildings are on the National Register of Historic Places, the building cannot be altered; it must retain its character and integrity. The guidelines are posted on the National Park Services Web site, and one of them says, "Distinctive materials, features, finishes, and construction techniques or examples of craftsmanship that characterize a property will be preserved."

The work is being done by Pioneer Restoration out of Frankfort, which Wood said has

experience working on courthouses throughout the Midwest.

"The big thing about this is, we have to meet the state historical requirements for colors and what we're doing," said Wood. "That's the reason we have Pioneer's doing it, they do courthouses all over the state of Indiana and Ohio and Illinois.

They're a good company and they do a great job."

As an example, if a building is being painted, the paint colors that are used must match the original colors on the building - "I can't go paint the bricks pink, red or green," said Wood. It must be the same color.

"Except now today versus back then, colors have changed a little bit," said Wood. "It's a little bit shinier color on there." The reason is because the paint used is a semi-gloss paint.

"That way dust doesn't stay on it, dirt doesn't as it comes

U.S. 31 update...

103rd Street closed, Illinois Street open

Beginning after the evening rush hour on Tuesday, crews permanently removed access to/from US 31 at 103rd Street.

While crews adjust lane configurations in preparation for the traffic shift (see next story), the existing signal will remain in place on US 31 at 103rd Street. However, motorists on 103rd Street will no longer have direct access to/from US 31. On Friday, Sept. 11, when the traffic shift is expected to be complete, the signal at US 31/103rd Street will be removed and traffic heading south to Meridian Street and to I-465 south of 106th Street will become free-flowing.

As part of the final configuration of US 31, 103rd Street will become a cul-de-sac on either side of US 31, and nearby access to/from US 31 will remain available via I-465, 106th Street and 116th Street. Also, the 111th Street overpass is expected to open in mid-September, which will allow eastbound and westbound access over US 31. The 126th Street/Carmel Drive bridge is now also open to two lanes in each direction over US 31.

Access to/from US 31 and St. Vincent Health/Heart Center will remain available via 106th Street.

US 31 traffic shift between 96th and 103rd streets today and tomorrow

After the 103rd Street closure, crews will work to shift traffic on US 31 in this area.

Overnight tonight, Sept. 9, and Thursday, Sept. 10, all US 31 traffic between 96th Street to just north of 103rd Street will be shifted to the east side of the roadway so crews can begin work on the new lanes of US 31 on the west side of the road. Turning movements to/from 106th Street, I-465 and 96th Street will remain available. With this shift, the eastbound I-465 off-ramp to US 31 will be reduced to one left-turn lane and one right-turn lane.

Crews anticipate traffic will remain in this configuration through November. INDOT and the City of Carmel will closely monitor adjacent traffic signals following the traffic shift and the closure at 103rd Street.

116th/Pennsylvania streets closure begins on/after Sept. 16

Starting on or after Sept. 16, INDOT plans to close the 116th/Pennsylvania streets intersection for approximately 60 days to construct a roundabout. This closure will not begin until INDOT opens the new 111th Street bridge over US 31 (expected in mid-September).

During the 116th/Pennsylvania streets closure, the signed detour route will include 106th Street, College Avenue and Old Meridian Street.

Stoppages at US 31/SR 32 through Sept. 10

During daytime hours through Thursday, Sept. 10, stoppages of up to 45 minutes each should be expected on the ramp from SR 32 to northbound US 31 while crews perform paving operations. Flaggers will direct traffic during these stoppages.

Motorists should also expect slow traffic at US 31/SR 32 over the next several weeks while paving and various work continues on this interchange.

Illinois Streets re-opens, provides option for local traffic

The Illinois Street extension from 106th Street to 111th Street – including a new roundabout at 106th and Illinois, just west of U.S. 31 – was opened to traffic over the Labor Day weekend, marking the end of the two-year City of Carmel project that will provide an alternative parallel route to U.S. 31 for local residents and visitors.

"Like Pennsylvania Street to the east of U.S. 31, we anticipate about 15,000 cars per day along Illinois Street in the near future and we will be able to accommodate more

than that as future development occurs," said Carmel City Engineer Jeremy Kashman. "Currently traffic counts along U.S. 31 are around 65,000 cars per day. Illinois Street will be a valuable option for local traffic not wanting to travel along that highway for their north/south commute."

The section of Illinois Street will be a key link between 106th and 116th Streets that previously did not exist. From an Economic Development standpoint, the \$7 million road project helped spur the Bridges Development, which will include a major grocery store and restaurants, while also unlocking several parcels along U.S. 31 that previously did not have good access. In addition, Illinois Street will serve as a buffer between future commercial projects and the largely residential neighborhoods along Spring Mill Road.

The new 106th and Illinois roundabout will be the primary way motorists will access the new interchange and ramps at 106th and U.S. 31. The Indiana Department of Transportation permanently closed the existing intersection of 103rd and U.S. 31 beginning Tuesday night. Interchanges will be available at 106th and 116th Street for motorists used to taking 103rd Street.

As work continues in the medians, islands and sides of the roadways along Illinois Street, please anticipate occasional lane restrictions and drive with caution. There may be many daytime hours where one of the lanes is closed for equipment and personnel to achieve final completion. In addition, these lanes could switch from one day to the next from the outside to the inside and vice versa. Please be aware of this as you navigate the area.

It should also be noted that St. Vincent's Heart Hospital driveways will be accessible only from the new Illinois Street alignment. These two drives will remain open but with temporary restrictions as work continues to upgrade and finish connections to the new alignment of Illinois Street.

Royals have 1-game edge...

Fishers, HSE nearly even

By DON JELLISON
Reporter Editor

There are lots of things “even” when it comes to Fishers and Hamilton Southeastern backyard football. Like, for example, the series itself. In 9 regular season games and 4 playoff games, in 13 games overall, Southeastern leads 7 wins to Fishers’ 6.

Burrell

Folta

Fishers has a 3-1 advantage in playoff games. Fishers has won the last two games in the series, 41-10 last year and 51-31 two years ago. When the Royals and the Tigers meet this Friday at Reynolds Tiger Stadium on the campus of Fishers High, Fishers will come in unbeaten in three games and HSE will bring a 2-1 record.

Both teams are coming off huge Hoosier Crossroads Conference wins, Fishers over Noblesville 38-13 and Southeastern over Avon 21-18. Southeastern’s lone loss was to Carmel 28-7, and the Royals have also beaten North Central 41-14. Fishers has defeated North Central 28-0 and Pike 20-8.

“Southeastern showed that it is once again one of the top teams in 6A football with the defeat of Avon,” said Fishers coach Rick Wimmer. “They are an outstanding tackling team which did a very good job of forcing Avon to the air and then getting pressure on them. They sacked Avon four times and created fumbles.

“Offensively, Carter Poiry is executing very well, spreading the ball around to a number of weapons and creating some big plays.

Eaton

“I thought they were very impressive on film vs. Avon. We will have to play very well to limit their big plays and to move the ball and score on their defense,” Wimmer added.

Poiry, a 6-4, 200-pound senior, figures to have a whale of a quarterback battle with Fishers’ 6-1 198 pound senior Zach Eaton. Poiry is 51-of-64 for 645 yards and five touchdowns and Eaton is 29-of-43 for 483 yards and five touchdowns. Neither has been intercepted.

Eaton’s big receivers are Keyshawn Burrell with 12 catches for 213 yards, DeVonte Adams with 6 grabs for 92 yards and Kade Orris with 6 for 105.

On the ground Jeremy Chinn has rushed for 226 yards in 37 carries and Jermaine Huddleston has 121 yards in 31 carries.

Top receivers for Poiry and HSE are Greg Miller with 17 catches for 201 yards and Aaron Matio with 12 for 250 yards.

David Tsetse has rushed for 163 yards in 36 carries for the Royals.

“Fishers is a very good team led by its defense and its offensive line,” said Southeastern coach Scott May.

“Fishers looks on film like a typical Fishers team, running inside/outside zone with a more power type game. They are about 70 percent run, but will try and hit you with their play action off the run game. On defense they are very good up front and have good defensive backs, with R.J. Potts leading the way.

“Our biggest goal is to move the ball on offense,” May continued. “We must find a way to get first downs and score points against a very good defense. On defense we can’t give up the big play and will need to slow down their running attack.”

May called the Royals victory over Avon “a great team win.

“We did what we needed to do to stay close. I thought our defense did a great job of throwing off Peters (he is a great QB) and their top wide receiver (Griffin) had only one catch and that was in the first quarter.

“I thought we had great play from Matio, Greg Miller, Matt Klink and Poiry on offense and Sam Garvin continues to do a great job on our offensive line.”

On defense for HSE, Brock Burns has 19 tackles and 8 assists, Alec Jessop 10 and 10, Justin Voskuhl 9 and 10 and Collin Miller 17-9 and three sacks.

For Fishers on defense, Jalen Moss has 16 tackles, 6 assists and 2 pass interceptions; Jeff Inman 9 tackles, 6 assists and 3 sacks; Michael Folta 10 tackles and 2 assists and Luke Thomas 10 tackles and 1 assist.

In Fishers’ win over Noblesville, Wimmer said, “We got outstanding play from our offensive line and the tight end positions. Angelo Howze is improving every week at tight end. Defensively, Shawn Taylor and Jake Winkle put very good pressure on Noblesville’s quarterback and our inside tackles Jeff Inman, Alex Butterfield and Steve Chakiry continue to play well against the run. Jalen Moss was outstanding as a tackler and pass defender,” Wimmer added.

“Shout out to Noah Haxton,” May said, “for hitting the game winning field goal. He is a senior and a first year football player, coming to us from a soccer injury. He can’t run, but is able to kick PATs and field goals. Big time kick for a first year guy.”

Old friends meet in new conference....

Huskies travel to Tipton

By DON JELLISON
Reporter Editor
Don't mention numbers into the 50s when talking to Tipton about high school football scores.

Last week the Blue Devils were defeated, 51-0, by Lafayette Central Catholic. Last season Tipton lost to Hamilton Heights, 52-0, the same club which will travel to Tipton this Friday evening.

Tipton and Heights will meet for the first time in the new Hoosier Conference.

The Blue Devils were doing ok until facing Central Catholic last week. Tipton was coming off a 38-21 victory over Madison-Grant and a 35-33 win over Elwood.

Heights, like Tipton, is 2-1 with victories over Mt. Vernon 21-6 and Lewis Cass 20-9 and a 35-9 loss to Noblesville.

Heights has beaten Tipton three consecutive times.

"Tipton is a team which has a lot of really nice pieces," said Heights coach Mitch Street. "They play very hard and physical and have great athletes to complement that.

"They will challenge us in all 3 phases of the game.

"Tipton was already a big game, but it also is now a conference game, so it becomes that much more important. We need a great week of preparation and need to take some steps forward as a football team," said the Heights coach.

Tipton is a young team with good young athletes. The quarterback, Kelen Woods, is a 5-9 junior who has completed 41-of-57 passes for 549 yards and four touchdowns. Blake Edwards, a sophomore, leads the rushing game with 121 yards in 36 carries. Caleb Burkert, a sophomore, has 14 catches for 179 yards and junior Matt Gutierrez has caught 15 balls for 241 yards.

Street liked the way his Huskies played last week at Lewis Cass.

"We came out of the gate and played really well," he said. "We were able to get two quick scores and we gave up only a field goal.

"We obviously weren't able to keep up the offensive momentum but I also feel like we left several scoring opportunities on the field. This has been a continuous thing for us the first 3 weeks of the season, and it's something we must improve for us to take the next step as a football team.

"Defensively," Street continued, "I think Sterling Weatherford is an anchor for us at the safety position. He continues to play better and better as the season progresses. Joe Woods has played really solid for us at linebacker. Both of those guys have a nose for the football and have led us or been at the top of our tackle list each of the first 3 games. Against Cass Nate Roth also played really well."

Weatherford has 29 tackles and 6 assists and Woods 24 and 14. Roth has 12 and 8 and Caymn Lutz 13 and 10.

Jason Beck, Brown, Peterson and Lutz each have intercepted a pass. Roth has the team's only sack.

Hamilton Heights' Riley White has nine catches for 93 yards over the Huskies' first three games of the season.

Street said there are "no new updates" on Ethan Jones, the starting quarterback who was injured last week at Lewis Cass. Junior Josh Feltz led the Huskies in the last three quarters. For the season, Jones is 21-44 for 259 yards. Feltz is 12-of-23 for 162 yards.

They've had lots of targets. Weatherford has 7 catches for 141 yards, Jesse Brown 9 for 66 yards, Riley White 9 for 93 yards, Lutz 6 for 80 and Nick Peterson 2 for 41 yards.

On the ground, Clayton Cowan is the leader with 287 yards and 2 touchdowns in 63 carries.

Hebert says:

Toughest is still ahead

By DON JELLISON
Reporter Editor
There aren't many high school football teams which following the third week of the season can be 1-2 and still be ranked as high as No. 6 in the state.

Hello, Carmel.
The Greyhounds have beaten Southeastern 28-7 and lost to Cincinnati LaSalle 35-28 and to now No. 1 ranked Center Grove 24-21.

And, guess what, Carmel fans. Coach John Hebert says the toughest opponent is still ahead. Like, this week when the Greyhounds travel to Pike for another Metropolitan Conference game. Carmel's first MIC outing was last week against Center Grove. "Pike is another great team, maybe the most talented and explosive we have seen so far," Hebert warns.

The Red Devils are most explosive through the air. Quarterback Derek Hawthorne is 49-of-69 for 648 yards and six touchdowns.

He has a bunch of receivers. Michael Cheeseborough has 12 catches for 60 yards; Trae Allen 10 for 184, Kendall Sprowl 10 for 143 and Johnny William 11 for 236.

"We'll need so much more focus for our game plan in order to be in a position to win this game," Hebert continued. "Their offense is very difficult to defend. Their victory over Ben Davis proves that they belong in the discussion as a contender for the 6A title. This will be another very tough game."

Pike is 2-1 with wins over Brownsburg 55-34 and Ben Davis 30-27 and a 20-8 loss to Fishers.

Hebert said he has some players banged out, which might lead to lineup changes later in the week.

"I won't know for sure about our lineup until later in the week," said the coach.

"The Center Grove game was very hard fought," Hebert said. "We made far too many mistakes and allowed ourselves to get down by 17 points in the first half.

"Our kids are resilient, but we need to get better starts in order to beat great teams."

Carmel has more of a balanced offense than Pike.

On the ground, Tobias Watkins has carried 58 times for 252 yards and two touchdowns. Quarterback Michael Viktrup has rushed 25 times for 166 yards and four touchdowns.

Viktrup has completed 38-of-67 passes for 398 yards and four touchdowns. He has been intercepted just once.

Carmel's Kurt Rafdal (82) celebrates after quarterback Michael Viktrup gets into the end zone during the Greyhounds' game with Center Grove on Friday. Carmel travels to Pike on Friday.

Jalen Walker has 13 catches for 159 yards, Marcus Perkins 7 catches for 58 yards, Ethan Merriweather 6 catches for 81 yards and Watkins 6 catches for 40 yards.

Carmel has played Pike the last two years and won 48-21 last year and 40-32 two years ago.

Tigers win Mudsock battle

It's Mudsock Week in Fishers, and the first event of the week was a good one.

The Fishers High School boys soccer team defeated Hamilton Southeastern 2-1 Tuesday to earn the traveling Mudsock trophy in that sport. In the latest Class 2A coaches poll, the Tigers are ranked No. 16 and the Royals are No. 19.

Visiting Fishers opened the scoring in the first half as Drew Gavit followed up a saved shot from Max Zimmerman. The Tigers went into the second half up 1-0. With 10 minutes remaining, Justin Brooks was played through on the right wing by Gavit, and Brooks carried into the penalty box and scored.

Southeastern scored its goal with about four minutes to go, following a corner kick. Matt Gorski scored, with Eli Quivey making the assist.

Tigers goalkeeper Andrew Lonergan recorded 10 saves, with Andrew Kocher making four for HSE.

Fishers is now 3-2-1 for the season, while the Royals are 4-3-1. Both teams host 2A No. 15 Brebeuf Jesuit later this week: The Tigers play the Braves on Thursday and Southeastern takes on Brebeuf on Saturday.

In another all-county game, **Westfield** and **Noblesville** played to a 1-1 draw Tuesday at the Millers' White River Elementary Field.

Both goals were scored in the second half. Noblesville got the first goal, with Jake Latham getting the score in the 52nd minute. The Shamrocks' Gus Pippin later scored to level the game.

Earlier this season, the Hamilton Southeastern volleyball team beat Providence when it was the No. 1 team in Class 3A.

Golden Eagles power past Knights

Guerin Catholic beat Lafayette Central Catholic 7-0 on Tuesday.

Cassidy Lindley scored four goals for the Class 2A No. 15 Golden Eagles. Lauren Rice, Lindsay Wisdorf and Megan Wampler all scored one. Lindley and Rice made one assist against the 1A No. 13 Knights.

"Our girls did a really good job building up from the back and controlling the possession game today," said GCHS coach Rainford Hunter. "We went into the game with a plan to sharpen our short-passing game and to be patient when in possession of the ball. We did well at times, but were too hasty at times. We will continue to work on our patience as we believe this will be our ticket to success as the season progress."
