Construction could begin in April...

# INDOT unveils interchange plans at I-69, 106th Street

The Indiana Department of Transportation unveiled its plans for a new interchange at 106th Street and Interstate 69 Thursday night at a town hall meeting in Fishers.

The INDOT Web site listed information regarding the proposed interchange:

"The preferred design consists of a two-lane, oval-shaped roundabout on 106th Street over I-69 and ramps to and from both directions of the interstate. The existing 106th Street bridge over I-69 will be removed and replaced

with two separate two-lane bridges that will each carry one direction of traffic. The bridge carrying westbound traffic on the north side of 106th Street is designed to accommodate pedestrians. The project limits will extend between Crosspoint Boulevard and USA Parkway.

"The proposed contract letting date for the project is March 2016. Construction could begin in April 2016 and extend through June 2017. Through traffic on 106th Street would be detoured onto Hague and Lantern Roads and

across 96th Street during construction." 106th Street would be completely closed while the construction is taking place.

Some residents expressed concerns about the construction, telling local TV that it could add to the congestion in what is already a heavily trafficked area. Residents can express their questions and comments to INDOT at [eastcentralin@indot.in.gov](mailto:eastcentralin@indot.in.gov)

Riverview Health offers...

New transportation service for patients

Riverview Health has partnered with Janus Developmental Services, operator of Hamilton County Express Public Transit (HCE), to offer a new transportation program serving patients of Riverview Health. Effective September 15, 2015, patients with appointments at any of the 29 Riverview Health locations are able to use the Riverview Health transportation service as an alternative to driving.

"For many community members, the lack of transportation can be a major barrier in accessing the healthcare they need," said Pat Fox, President and CEO of Riverview Health. "By partnering with Janus Developmental Services and offering transportation services, we're able to assist those facing this situation and continue to improve the health of our community."

Hamilton County Express, an origin-to-destination public transportation service, has been serving the Hamilton County community since 2007, and has increased ridership each year. In 2014, the bus service provided 48,640 transportation trips throughout Hamilton County. More than 2,000 of those trips were to or from Riverview Health locations.

"We're very excited to operate this dedicated service for Riverview Health," said Christina Sorensen, President and CEO of Janus. "Patients will experience the same safe, friendly and convenient service they're accustomed to if they have used Hamilton County Express. We're pleased to be involved in the expansion of access to non-emergency medical care for Hamilton County residents who don't drive."

Indiana Chamber presents Carmel with...

# Community of the Year award

The honors continue to come in for the city of Carmel.

The Indiana Chamber of Commerce awarded the Hamilton County city with its "Community of the Year" award. The award has been presented annually since

1990. Carmel is the second county city to win this award; Noblesville won in 2008.

The Chamber of Commerce said in a press release on its Web site: "A philosophy of trying to 'do things just a little bit better than everyone else' has led to extraordinary

business, cultural and academic opportunities," and thus led to the award.

"Under Mayor Jim Brainard's leadership, the community has reinvented itself from a small town to one of the fastest-

growing cities in the United States, with a population of about 85,000,” the release said. It also listed several achievements that Carmel has done.

“Serves as the national headquarters for more than 75 leading companies, including many in the software and health care industries as well as MISO (Midcontinent Independent System Operator), which manages the delivery of electric power across much of North America.

Investments in infrastructure, such as the community’s 90-plus roundabouts, have increased both safety and efficiency. Carmel has more roundabouts than any other city in the country.

New residential and business complexes recently completed and/or underway. Just last year, nine new or expanding companies brought in 1,390 new jobs; and plans were announced for a new Midtown development that will include 285,000 square feet of office/commercial space and 270 residential units in the heart of the city.

Nationally recognized school system, both in terms of academics and athletics. With 5,000 students, Carmel High School Principal John Williams declares that “size equals amazing opportunities for our kids.” And a Carmel Clay Parks system that won national accreditation, one of only three in Indiana to do so.

Named (in 2015 alone) one of the safest small cities for retirement (Badcredit.org), best town to raise a family (NICHE; MarketWatch) and best place to get a job in Indiana (Zippia). Was also named by CNN Money Magazine as the Best Place to Live in America (2012) and the No. 3 best in 2014.”

“Carmel’s success comes down to three things: vision, partnerships and perseverance,” Indiana Chamber President and CEO Kevin Brinegar said in the release. “City leaders have, time and again, avoided taking ‘the easy route.’ They’ve embraced challenges and taken risks that have transformed Carmel from a good community to an outstanding city. It’s highly regarded across the country and beyond as a city that ‘gets things done.’”

“For the past 20 years, our city has been on a mission to reinvent what it means to live in a suburb. We have worked hard to avoid the pitfalls of traditional suburban sprawl and instead embraced a shared vision of redeveloping our urban core, encouraging a walkable, sustainable community and challenging developers to pay close attention to architecture and density to maximize both the beauty and the value of their projects,” Brainard said in the release. “This honor from the Indiana Chamber is further evidence that we are succeeding and need to continue working hard to build the best city in America to live, work and play.”

Other information from the release: “A focus on the arts, fitness and family also helped Carmel earn the Community of the Year award. The Palladium at the Center for the Performing Arts, the Arts and Cultural District and the Monon Community Center are among the popular attractions for residents and visitors.

Jim Burrell, longtime resident and retired Carmel Clay Schools administrator, is an avid community volunteer. He sums up his impressions of Carmel this way: ‘My wife and I have seen it grow from kind of a sleepy community to something that is really incredible. We’ve seen so much happen here. It’s a community we’ve loved and have been a part of.’”

## Annual maintenance program...

## Water main flushing in downtown Noblesville to start Sunday evening

Indiana American Water will conduct water main flushing in the Noblesville service area beginning overnight on Sunday, Sept. 13 and Monday, Sept. 14 in the downtown area from 10 p.m. to 6 a.m. Flushing of the remaining areas outside of downtown Noblesville will continue Wednesday, Sept. 16 through Friday, October 30, 2015 from 7:30 a.m. to 4 p.m., Monday through Friday.

The company conducts the annual maintenance program to assure high-quality water service and to ensure fire hydrants are operational.

According to Noblesville Superintendent Neal McKee, "Water main and fire hydrant flushing is an important part of a regular maintenance program for water distribution systems. Indiana American Water consistently meets or exceeds all drinking water standards."

No interruptions in water service are anticipated as a result of the work.

Customers may experience a slight drop in water pressure or temporary water discoloration while this program is underway. Customers should refrain from doing laundry during the time of day the flushing program is taking place in or near their neighborhood.

If tap water is discolored, Indiana American Water recommends allowing several cold-water faucets to run for a short time until the water runs clear. Using more than one faucet allows the water to clear more quickly.

Customers who have questions regarding hydrant flushing may call our Customer Service Center at [1-800-492-8373](tel:1-800-492-8373).

The water main flushing will be performed by Indiana American Water crews. They will be working out of trucks identified with the company logo. All employees will also have photo ID badges.

# Royals stun Tigers

By RICHIE HALL  
Reporter Sports Editor

In 10 seasons of Mudsock football games - yes, we're up to 10 now - there has never been a game quite like the one that was played at Fishers Friday night.

The Tigers cruised to a 28-0 halftime lead over Hamilton Southeastern. But the second half was a different story. The Royals scored 32 unanswered points in the final 14 minutes of the game, and that led to a stunning 39-33 victory over Fishers. With that, Southeastern reclaimed the Mudsock trophy that had been in the Tigers' claws since 2012.

Southeastern is now 3-1 for the season, having won three games in a row after an opening-season loss to Carmel. It was Fishers' first loss after starting the season with three straight wins.

So what changed in the second half?

"We just kept playing," said Royals coach Scott May. "We didn't do anything different."

Southeastern did do something: It persevered in that second half.

"Early in the game we couldn't do anything right," said May. "Fumbled the ball, threw an interception for a touchdown. Just nothing went right. So the kids just came back out, and we kept doing what we're doing. Coaches kept coaching, and plays started working. It's a game of momentum. We started getting that momentum and it just kept rolling. These kids did it last week against Avon, now they come out and do it against Fishers."

Making comebacks is something Royals quarterback Carter Poiry is getting

"Well, I thought last week was as intense as it gets, in the comeback against Avon," said Royals quarterback Carter Poiry. "We're just out here putting on a show."

The comeback began early in the third quarter, when Curtis Goss ran 21 yards for a touchdown to get HSE on the board. A good kick from Noah Haxton cut Fishers' lead to 28-7.

The Tigers got some of those points back with three minutes to go after Ben Norton kicked a 25-yard field goal. But exactly one minute later, David Tsetse answered with a touchdown, a three-yard run to the end zone. A 45-yard pass from Carter Poiry to Greg Miller put HSE in scoring position.

The score was now 31-13, and that held until the end of the third period. That was just coming attractions for the fourth quarter, however. The Royals took the lead in a span of less than three minutes. Tsetse began the rally by grinding into the end zone on a one-yard touchdown. Haxton's kick made the score 31-20 at the 9:50 mark.

Southeastern then stepped up on defense, forcing an immediate Tiger turnover

Reporter photo by Brian Reddick

Hamilton Southeastern's Greg Miller (5) celebrates with teammates Zach Randall (55) and Caleb Rutan (77) after scoring a touchdown putting the Royals in the lead 32-31 in the fourth quarter.

that led to a five-yard touchdown run by Poiry. The Royals did the same thing at the start of Fishers' very next drive: A fumble led to what turned out to be the game-winning touchdown. Poiry connected with Miller for a 25-yarder, and the score was now 32-31, Southeastern.

"The big thing for us was the two turnovers," said Tigers coach Rick Wimmer. "We come out and turn the ball over on the first play of a series after our defense has been on the field quite a while. We do that twice back-to-back, and our defense was just tired."

The Tigers tried to get the lead back, but turned the ball over on downs. That led to the Royals to score one more time, with Aaron Matio running the ball in from 47 yards. Fishers made one more furious drive,

getting the ball down to the HSE 1-yard line with only a few seconds left.

But the ball came loose, and Southeastern got it back with 1.5 seconds left. The Royals kneeled in the end zone, which did give Fishers two points for a safety.

It was a big turnaround from the first half, which the Tigers dominated. Fishers scored three touchdowns in the first quarter alone: Michael Noble found the end zone on a four-yard run, Trevor Newman dashed in to score from 24 yards, and Jeremy Chinn took an interception return 71 yards to get the third touchdown.

"Defensively, we struggled first half, too, just stopping them," said May. "They had us off our heels. We calmed down. Again, just started playing football. I'm proud of the guys the way they stuck it out."

The second quarter was scoreless until there were 20 seconds left. That's when

Keyshawn Burrell took a 23-yard pass from Zach Eaton in to score. Norton made all four extra-point kicks.

Both quarterback finished the game 16-for-28 in passing. Eaton compiled 240 yards, while Poiry had 238 yards. HSE's Matio led all rushers with 99 yards in nine carries. Newman had 83 yards in 13 carries for the Tigers.

Southeastern is now 2-0 in Hoosier Crossroads Conference play, sharing that record with Westfield. The Royals will travel to Lucas Oil Stadium next Friday to take on the Shamrocks. Fishers, meanwhile, will travel to Brownsburg.

"One game does not define a season," said Wimmer. "That's what I told them after the game, that this does not define us. It's a learning moment. We got to learn from it."

# Westfield wins 18-14

By DON JELLISON  
Reporter Editor

While preparing for a huge Hoosier Crossroads Conference game with rival Noblesville last week, Westfield mentor Jake Gilbert spent some time singing the praises of first-year junior place-kicker William Harrison.

Gilbert’s tune likely will not change this week following an outstanding game from Harrison in the Shamrocks’ 18-14 win over the Miller last night at Riverview Health Stadium in Westfield.

Harrison was the difference as he kicked 3 field goals.

“The kicking game and special teams were the difference tonight,” Gilbert agreed. “The kicking game and turnovers.”

It was a battle from start to finish, and an unusual start for the Shamrocks.

Four plays into the game Noblesville, on fourth down, couldn’t kick the pigskin out of its end zone and Westfield started the scoring with a 2-point safety.

With 2:22 showing on the clock still in the first period, Harrison booted his first field goal of the evening, giving his team a 5-0 advantage.

On the fourth play of the second quarter Harrison made it an 8-0 contest with still another field goal.

The first touchdown of the night was set up on a 25-yard run by Chandler Hurst. Jared Youree scored from the 2 and Noblesville added 2 more points on a pass from JD Scheib to Andrew Scheib, tying the game at 8-8 with 6:16 left in the half.

On came Harrison, once again. With no time showing on the clock, Harrison kicked a 33-yard field goal to send the Shamrocks to halftime with an 11-8 advantage.

The quarterbacks took over the scoring in the fourth quarter. Ryan Pepiot scored from the one with 5:35 left in the game and Harrison tacked on another PAT.

With 3:44 left, Luke Melloh scored from the one for the Millers, but Noblesville missed the extra point, leaving Westfield with what would be the final score, 18-14.

Although both teams came into the game with high-powered offenses, Gilbert said he wasn’t surprised with the low score.

“It has been that way the last two or three years,” Gilbert said. “The defensives really stepped up tonight.”

In the battle at quarterback Melloh was 16-of-30 for 169 yards for the Millers and

Westfield’s Hayden Rodgers (72) tries to block Noblesville’s Hank Davis (49) as he runs towards the Shamrocks’ Brandon Karsnick (23) during the Westfield-Millers football game Friday at the Shamrocks’ Riverview Health Stadium.

Pepiot was 21-of-39 for 231 yards for Westfield. Youree caught four passes for 62 yards and JD Scheib grabbed 4 for 47 yards for Noblesville. Evan Manley had an outstanding game for Westfield with 11 catches for 136 yards.

Youree, the Noblesville speedster, carried the pigskin 23 times for Coach Lance Scheib’s team for 172 yards.

“Youree is the best football player in the conference,” said Gilbert. “We kept him from breaking the real long run tonight.”

Jackson Garrett sealed the win for Westfield with a pass interception with 1:21 left.

Westfield now is 4-0 overall and 2-0 in the conference with a date against Hamilton Southeastern next Friday at Lucas Oil Stadium in Indianapolis.

Noblesville is 2-2 overall and 0-2 in the HCC. The Millers will host Zionsville on Friday.

Feltz, Cowan unload....

# Huskies top Tipton, 31-6

It was new territory Friday for Hamilton Heights, the Huskies facing Tipton in the new Hoosier Conference. But, new or old, Coach Mitch Street's Huskies dominated their long-time foe by crushing Tipton, 31-7.

It took the Huskies awhile to get started. Heights led just 7-0 after one quarter and only 14-6 at halftime before blowing away the Blue Devils 17-0 in the second half.

The win moved Heights to 3-1 on the season.

Heights got the job done with junior Josh Feltz filling in for the injured Ethan Jones at quarterback. Feltz hit on 10-of-15 passes for 145 yards. Riley White had 5 catches for 50 yards.

It was Feltz through the air and another junior, Clayton Cowan, on the ground. Cowan carried 16 times for 202 yards.

Jesse Brown opened the scoring when he grabbed a 15-yard TD pass from Feltz with 6:29 left in the first quarter.

After Tipton scored it only touchdown of the evening with just 51 seconds left before halftime, the Huskies came right back with Feltz hitting Sterling Weatherford for 46 yards.

Heights broke things open with two touchdowns in the third quarter. Cowan bolted across from the four and Feltz connected with White for 14-yard and the second score with just 11 seconds remaining in the period.

In the fourth quarter, Henry Magdun, who had kicked 4 PATs, booted a 30-yard field goal.

Hamilton Heights' defense held Tipton to 174 total yards.

Heights now has won 3-of-3 games on the road and stands 2-0 in the conference. The Huskies will host West Lafayette in a conference game next Friday.

Watkins' 3 touchdowns power....

# Carmel to win over Pike

Tobias Watkins, after scoring on a two-yard run in the third quarter, added two more touchdowns in the fourth period. His second score in the quarter, a 13-yard run with 7:20 remaining, proved to be the game winner as Coach John Hebert's Carmel Greyhounds out-scored Pike, 38-33, in a Friday evening MIC thriller at Pike.

The victory evened Carmel's overall record at 2-2 and its MIC record at 1-1. Watkins scored from the two in the third quarter and then added 20 and 13-yard touchdown runs in the fourth period on a night which the 181-pound senior carried the football 32 times 213 yards. Watkins shared the scoring spotlight with quarterback Michael Viktrup, who

carried for two touchdowns in the second quarter. In the game, Viktrup carried just five times and finished with 104 yards. Carmel put on a show running the football. The Greyhounds, who finished with just 54 yards passing, unloaded for 437 yards on the ground. It was an opposite type of night for Pike, the Red Devils running for only 115 yards and passing for 275.

Carmel, with the running game, tried to keep the high-powered Pike offense off the field and it worked enough for the victory. The Greyhounds jumped to a 14-6 first quarter lead, Viktrup breaking loose on a

Chesney injured....

## Sheridan falls at Carroll

Sheridan, which has suffered its share of whammies this season, got a double whammy last evening. The Blackhawks lost a close football game, 26-19 at Carroll. And, Sheridan's quarterback, Jake Chesney, was injured. Chesney's injury came in the third quarter. He had x-rays following the game. No report was available by press time. Coach Bud Wright's young team battled well in this one. Sheridan actually led 19-18 early in the fourth quarter, but just two plays later Carroll scored to pull out the victory. Chesney had gained 56 yards in 9 carries before the injury. Wright used two other quarterbacks following Chesney's injury. The third, sophomore Gunner Williams, hit on 2-of-6 passes for 25 yards.

The Blackhawks ran for 168 yards. After Chesney's 56 yards, sophomore Joey Callahan rushed 16 times for 62 yards and senior K.J. Acevedo carried a dozen times for 44 yards. Carroll scored first in the opening period and then each team put 2 touchdowns on the board in the second frame, giving Carroll an 18-13 advantage at halftime. Sheridan's first six-pointer came on a 26-yard run by Callahan. The second was on 29-yard run by Chesney, and Chesney booted the extra point. Sheridan took the lead with 9:03 left in the game on a 7-yard run by Acevedo. Sheridan, now 1-3 on the year, will play next Friday in a Hoosier Heartland Conference game against Eastern at Larry Wright Stadium.

# Eagles fly from behind

Carter McGinnis, Friday evening in a home game with Indianapolis Howe, carried the pigskin 36 times for 234 yards.

None more important than a three-yarder with 3:00 left in the fourth quarter which tied the battle at 15-15 and eventually sent the game to overtime.

None more important unless you count a five-yard run by McGinnis in the overtime which gave Coach Tom Dilley’s Golden Eagles a 21-15 victory.

It was a whale of a battle in which Guerin Catholic charged from behind for the victory, giving the Eagles their third win in four games.

McGinnis had a great night with his rushing, and he also caught two touchdowns for an additional 11 yards.

It was a back-and-forth slugfest.

Howe led 7-3 after one quarter. Guerin Catholic scored in the second period to take a 9-7 halftime lead. Howe bounced back with a touchdown and a two-point conversion in the fourth quarter with 6:12 remaining.

All of which left the spotlight on McGinnis’ back.

Guerin Catholic scored first in the game when Caleb Quick booted a 29-yard field goal.

The Golden Eagles’ a second quarter touchdown on a two-yard keeper by Elliott Charlebois.

That sent Guerin to halftime with a 9-7 lead. Howe scored eight points in the third
