Trash pick-up in Noblesville...

# Residents to pay?

By **DON JELLISON**  
Reporter Editor

Noblesville Mayor John Ditslear, following the Common Council meeting last evening, revealed that he will ask for a trash pick-up fee for Noblesville residents next year.

Noblesville is one of few cities in this area of the state which has avoided a fee.

“We’re simply running out of money,” Mayor Ditslear told The Hamilton County Reporter last evening.

The request must be presented to the Council before the City presents its budget for 2016. That budget must be presented by mid-October.

In order to pay for Noblesville’s annual trash collection of \$2.4 million, Ditslear said his request will be for \$10.44 per residence, per month.

The average fee in Hamilton County is \$13.50.

“We’ve got to do something because of the tax cap,” said Council President Rick Taylor, who admitted gaining four votes from the seven-member Council “could be tough. It’s going to be a close vote,” Taylor predicted.

In business within the regular Council meeting last evening, the Council by a 6-0 vote passed waivers on signage for the Holiday Inn Press, located at 3625 Tegler Drive.

## Noblesville Schools, Noblesville Teachers’ Forum approve new contract

Noblesville Schools announced today that they have reached agreement with the Noblesville Teachers’ Forum on a new teacher contract for the 2015-2016 school year. Teachers ratified the contract on September 8th and the Noblesville school board approved it at their September 15th board meeting.

Highlights of the new contract include:

- An average 4.3% base pay increase for teachers rated effective/highly effective
- An increased district payout for the teacher basic health care benefit plan
- The creation of an “emergency leave” category for unique leave needs above and beyond normal circumstances
- A signing bonus for new first-year teachers coming out of college to assist in recruiting top talent
- An expanded and enhanced retirement stipend to facilitate more notice of vacancies, and provide more time for high-quality replacements to be found

“The decline in teacher compensation and teacher hiring shortages are matters that teachers and districts around the state are struggling with,” said Dr. Beth Niedermeyer, superintendent of Noblesville Schools. “We need to ensure that teacher compensation is a priority and that we’re in a strong position to attract and retain the best

## Delph announces he won’t run for U.S. Senate

State Senator Mike Delph (R-Carmel) announced that he will not be running for Dan Coats’ U.S. Senate seat in 2016. Delph released the following statement:

“It has been an honor and privilege to serve the people of Indiana State Senate District 29. With the unexpected retirement announcement of United States Senator Dan Coats taking place during a very busy 2015 session of the Indiana General Assembly, my attention was rightfully focused on serving my constituents in the Indiana State Senate. As such, I did not have the ability to appropriately evaluate whether I should consider becoming a candidate. Since session adjourned, at the urging of supporters across the State of Indiana, I have spoken to a number of grassroots activists, GOP do-

nors, friends, family, and neighbors to try to properly assess the 2016 race.

“Beth and I have the honor and duty of raising five amazing young ladies. This past Labor Day weekend we had a very in-depth discussion with our daughters regarding the impact a 2016 campaign, and service in Washington, DC, could have on our family. While I have been grateful and humbled by the encouragement, confidence, and support granted to me, it has become increasingly apparent that the burden on my family would be too great for me to enter the open United States Senate race, or any race, in 2016. My responsibility as a husband and a father trumps the duty and noble calling of public service.

“I want to extend a special thanks to United States Senator Dan Coats for the personal time he invested in me as I gathered information to evaluate this effort. I am indeed thankful and grateful I had the chance to learn from such a dedicated and valued public servant. Last and certainly not least, for all of my friends, family, and supporters and well-wishers who offered up prayers and encouragement, thank you from the bottom of my heart. I am grateful for your friendship, loyalty, and dedication to civic duty! Be comforted in the knowledge and truth that God still governs in the affairs of men and women in the United States of America!”

Starting on or after Monday, Sept. 21, INDOT plans to close the 116th/Pennsylvania streets intersection for approximately 60 days to construct a roundabout. While this intersection is closed, access to/from 116th Street east of US 31 will also be closed. Before this closure begins, INDOT will open the new 111th Street bridge over US 31. Then, east/west access over US 31 will be available at 111th Street and 126th Street/Carmel Drive. Direct access to/from US 31 in Carmel will remain available via:

- I-465
- 106th Street
- 116th Street (west of US 31)
- Old Meridian Street (northbound off-ramp access)
- 131st/Main Street
- 136th Street

During the 116th/Pennsylvania streets closure, the signed detour route will include 106th Street, College Avenue and Old Meridian Street.

**Signal modifications and monitoring between 96th and 116th streets**

Traffic signal engineers are continuing to monitor the timing of signals along US 31 between 96th and 116th streets following last week’s traffic shift and the permanent closure of 103rd Street at US 31. Modifications are being made to help minimize congestion whenever possible. Additional adjustments will be made following the 116th/Pennsylvania streets closure which is scheduled to begin on or after Sept. 21.

Officials released few details about the raid, and no arrests were made. The ASC headquarters, located on the south side of Indianapolis, were also raided Tuesday. Burkhart also serves as the chairman of the Indiana Health Care Association.

American Senior Communities operates a variety of senior-oriented locations throughout Indiana and Kentucky, including four located in Hamilton County. ASC is probably best known for its large advertising presence, with commercials featuring staff members thanking residents for their contributions to society.

quality educators for our students. This new contract reflects how much we appreciate our teachers and it’s also an initial step in addressing the challenges we face today.”

“The Noblesville Teachers’ Forum and Noblesville Schools share a common interest in ensuring the highest quality education for our students,” said Forum President Deb Marcum. “Attracting, retaining, and rewarding excellent teachers is essential to the growth and success of our community. This contract represents a positive step forward in future collaboration and decision-making for what is best for Noblesville Schools.”

An interest-based bargaining process, where the parties focus on common interests instead of positions and work together to brainstorm and evaluate potential outcomes, was used to settle the contract for the first time this year. It resulted in a significantly faster and more collaborative negotiation process.

# Sheridan after loop lead

By DON JELLISON  
Reporter Editor

Bud Wright is playing a numbers game with his Sheridan High School football team.

Like, for example, Wright has lost eight Blackhawks with injuries so far this season.

Like, for example, Wright started seven freshmen last week in a 26-19 loss to Carroll.

But, get this, the (overall) 1-3 young Blackhawks Friday at Larry Wright Stadium will be battling for a full leadership in the East Division of the Hoosier Heartland Conference when they take on Eastern's Comets.

Sheridan's lone victory has been over East Division Clinton Central, 26-12. Sheridan's three losses have come to Western Boone 47-20, North White 54-13 and Carroll. North White and Carroll are members of the Hoosier Heartland, but they play in the West Division.

Sheridan's latest, and biggest, injury of the season came in the Carroll game last week when quarterback Jake Chesney went to the sidelines in the third period. Wright said, as today, Chesney likely will be a game time decision.

Because of injuries, three different Blackhawks have seen action at the tail-back position, a position which always has been extremely important in Sheridan's running game.

Chesney, before his injury, has rushed for 465 yards in 52 carries.

If Chesney isn't able to start Friday at quarterback, Wright will turn to two more young Blackhawks, sophomore Gunner Williams and sophomore Cole Cummings. Both saw time last week after Chesney went to the sidelines. Williams was 2-of-6 passing the football.

"Penalties have hurt us," Wright said. "We may take some lumps, but we're going to turn things around. We're a better team than what we've shown so far."

Sheridan's running game is still solid with three Blackhawks doing most of the carrying. Senior K.J. Acevedo has carried 58 times for 301 yards; sophomore Joey Callahan 61 times for 199 yards,

Brian Reddick/File photo

Sheridan's Gunner Williams is one of two Blackhawks that could fill in for injured Jake Chesney at the quarterback spot Friday when Sheridan plays Eastern.

and junior Robert Burnell 21 times for 63 yards.

"All three kids have done a decent job," said Wright.

"Eastern is a good team," said the coach. "But, the thing is we just have to play better."

Eastern has not played any East Division games. The Comets are 2-2. They have lost to non-conference foes Oak Hill 46-21 and Madison-Grant 46-27 and defeated West Division teams Tri-Central 43-22 and Frontier 53-16.

"They've got a big quarterback (210-pound junior Scott Mullenix)" Wright warned.

Bulldogs can score....

# Tigers plan to bounce back

By DON JELLISON  
Reporter Editor

Browning, averaging 42.5 points a game, is one of the highest scoring high school football teams in the state.

The Bulldogs have won one of four games.

How about that, Rick Wimmer?  
“Their 1-3 record can be deceiving,” said the Fishers coach, whose Tigers will travel to Brownsburg for a Hoosier Cross-roads Conference game this Friday.

Brownsburg, on the flip side, is giving up an average of 45.8 points a game.

“Brownsburg is an outstanding offensive team that will really challenge our defense and force us to focus on correcting mistakes we made last week.”

Fishers can’t forget last week soon enough. The Tigers blew a huge lead and lost to arch-rival Hamilton Southeastern 38-33.

“Offensively,” Wimmer continued, “we will need to take care of the football and not stop scoring points when we can create those opportunities.

“Brownsburg’s defense is very young and has shown signs of improving each week,” Wimmer added.

Brownsburg’s quarterback, junior Hunter Johnson, already has passed for over 1000 yards. His leading receiver, Tyler Kirtz, has caught 28 passes. The Bulldogs have an outstanding running back in 205-pound senior Toks Akinnbade.

The Bulldogs have lost to Pike 55-34, Lawrence North 65-47 and Avon 56-26 and defeated Franklin 68-7. Fishers’ wins have been over North Central 28-0, Pike 20-8 and Noblesville 38-13.

The loss to Southeastern last week knocked the Tigers out of first place in the HCC.

“Critical turnovers and a struggling defense are issues that we obviously are going to need to address in future games,” said Wimmer. “Part of our defensive problems in the second half last week can be attributed to three defensive starters being out for much of the half, two of them at the linebacker positions where we definitely lack sufficient depth.

“But we expect to play better,” Wimmer said. “We also cannot turn the ball over twice deep in their territory on the first plays of an offensive possession. The problem is magnified when playing a no-huddle team like HSE because now fatigue can really set in on defense when the offense does not do its part.

“Despite the fourth quarter meltdown, we put together an outstanding drive to give us a chance to get the game into overtime in the final seconds but failed to finish

“Our challenge to our players is to not allow the Southeastern game to define our season. We will learn, make adjustments and be ready for this week,” Wimmer added.

Fishers has a strong offense of its own. Quarterback Zach Eaton is 45-of-81 throwing the pigskin for 723 yards. He has passed for six touchdowns and has been intercepted just one time.

Fishers has passed for six touchdowns and rushed for eight.

Jeremy Chinn, who is playing both offense and defense, leads the Tigers in rushing with 278 yards and three touchdowns. Trevor Newman, a junior, has carried for 199 yards and two TDs.

On the receiving end for Eaton are Keyshawn Burrell with 16 catches for 298 yards; DeVonte Adams with 12 for 161 and Chinn with 8 for 141 yards.

Fishers has defeated Brownsburg the last two seasons, 49-14 and 41-17, after losing 31-0 three years ago.

# No. 3 'Hounds take care of MIC rival

Carmel has moved up to No. 3 in the Class 2A boys soccer rankings, and got a good test on Tuesday when it played 2A No. 15 and Metropolitan Conference rival North Central.

The Greyhounds passed the test, winning 2-1. Senior Andreas Roslender scored the game winning goal and had an assist. Senior Jonathan Faas scored the other goal.

"Tonight was a fantastic game by both teams," said Carmel coach Shane Schmidt, whose team is now 8-1-1. "I thought we won the center of the midfield battle. Our spacing was great and allowed us to play the ball into our forwards feet and make runs off of them. I am so proud of everyone's effort tonight."

Noblesville has been busy, hosting two games on Saturday, then going on the road to play Hoosier Crossroads Conference rival Zionsville on Tuesday.

In their Saturday games at the White River Elementary Field, the Millers fell in the morning game to Blackhawk Christian 2-0. Noblesville took a total of nine shots on goal and allowed 10 shots on goal. Miller goalkeeper Felix Sendejas had four saves and was injured in the second half of the game. Riley Roudebush came in for the second half and also got four saves.

"The boys played well, just wasn't able to capitalize on scoring opportunities," said Noblesville coach Brian Prange.

In the evening game, the Millers tied Homestead 0-0. Prange said his team

"The ball movement all very good all game, the defense played very well."

On Tuesday, Noblesville fell to Zionsville 2-1. Ryan Kurtz scored the Millers' goal.

Westfield won its own invitational on Saturday, with two victories over Providence Christian and Park Tudor.

After a 9-0 win in the semifinal over Providence Christian, The team defeated Park Tudor 6-2 in the championship game.

"Behind Gus Pippin's three goals and two assists in the game, the Rocks finish off the weekend with a well deserved trophy," said Westfield coach Myron Vaughn.

On Tuesday, 2A No. 17 **Hamilton Southeastern** beat **Westfield** 2-0.

Sophomore Jake Smith and Junior Eli Quivey scored goals for the Royals.

## Girls soccer...

# 'Hounds win again, GC ties No. 8 Avon

Carmel, the top-ranked girls soccer team in Class 2A, defeated 2A No. 20 North Central 5-0 on Monday.

Macy Miller, Chandler Backes, Emma Chambers , Laura Lentz and Ali James all scored goals for the Greyhounds. Katie Soderstrom made two assists, with Stasia Mallin, Backes and Emily Roberts each getting one.

"As often happens in Monday games, it took our players some time shake off the cobwebs," said Carmel coach Frank Dixon. "We managed to shoot 15 times in the first half but only put 5 on frame and scored only

once. While the remaining four on goal shots were very well taken, we couldn't get any of them past the NC keeper."

Carmel is now 10-0-1 for the season, and 5-0 in the Metropolitan Conference.

**Guerin Catholic**, ranked No. 14 in 2A, played to a 0-0 tie with 2A No. 8 Avon on Tuesday.

" Our girls executed a fantastic game tonight," said Golden Eagles coach Rainford Hunter. "We were certainly the aggressor and had the run of play on Avon.

Our defensive unit were strong again and gave an excellent account of themselves. Our midfielders worked tirelessly to win balls in the middle and when they did, they made good decisions with their ball distribution and attacking mindset.

"Our attacking unit did extremely well outworking the Avon defenders to create scoring chances, both individually and as a team. However, excellent goalkeeping from the Avon keeper prevented us from finishing off some of the chances we created. "

small part in her amazing career. She is an amazing player but a better person. I am looking forward to seeing what great things she does the rest of this year and in the future at IU." Meredith Phillips had another big night with eight kills on the outside hitting .357.

The junior varsity won in straight sets 25-14, 25-11 to lift them to 7-3 on the season.

"Maura Dankowski had a very productive match in the middle and Maddie Carter shut down the Arabian offense with her block," said Young. "Sara Chastain and Abby Switzer steadied the backcourt for the Royals and Riley Huffman was solid digging the Arabians best shot of the night right to target."

The Freshman stayed perfect on the season improving to 9-0 defeating the Arabians in two sets, 25-10, 25-7.

Young said the win was due to the "continued teamwork and consistency" of the team. Ava Bacon and Julia Washburn lead the teams in serving points and aces.

*Indianapolis Indians in the playoffs...*

**Volstad steady, bullpen shaky in Game 1 loss to Clippers**

The Columbus Clippers scored five runs over the final two innings, capped by a game-winning homer from Audy Ciriaco in the bottom of the eighth to defeat the Indianapolis Indians, 6-5, in Game 1 of the Governors' Cup championship Tuesday night at Huntington Park.

The two IL West division champions will now play a final game in Columbus tomorrow before concluding the series at Victory Field, beginning Thursday (7:05 p.m.).

The Tribe led 5-1 in the seventh before Columbus rallied to tie the game. Erik Gonzalez doubled home a run, Zach Walters plated two with a two-out single and Adam Moore drew the Clippers even on an RBI double off the right field wall.

Ciriaco then cleared the fences to lead off the eighth.

Indians starter Chris Volstad held Columbus in check with six innings of one-run ball. He scattered six singles while matching a season-high total of seven strikeouts.

Through four postseason games, the Tribe's rotation has posted a 0.69 ERA with two earned runs over 26 innings.
