Rocky

vs.

HAND battle

It's not exactly a repeat battle of the Hatfields and the McCoys. Lets just say, for now, that's it's a disagreement between Noblesville folks interested in the old Co-op Grain Elevator land located between 8<sup>th</sup> & 9<sup>th</sup> streets on the south side of Noblesville.

You can't miss if you're driving that way. All work on tearing down the old silos has ended and the property has become a real eye sore for those who live in the area and for those headed north and south in and out of Noblesville.

Local developer Rocky Shanehsaz, who owns the Model Mill building just north of the property, says he was thrown a curve ball from Wabash-based North Central Co-op. Shanehsaz says he was promised first refusal on the land once Co-op ended its grain storage operation.

Since that time, in the midst of tearing down the silos, HAND (Hamilton County Area Neighborhood Development), has become involved and they want to develop 52-low rent apartments.

Shanehsaz called "foul" and he went to the Hamilton County Commissioners to block \$250,000 of County money and \$225,000 of grant money HAND was requesting.

The Commissioners tabled the request from HAND after hearing Shanehsaz's story.

The Hamilton County Reporter is "tabling" its story. Read more in the Sunday Reporter.

Hosted by the Good Samaritan Network...

## “Occasion To Be Grateful” event is Nov. 7

The Good Samaritan Network of Hamilton County, Inc., (a local nonprofit 501c3 organization) is excited to announce our third annual “Occasion To Be Grateful.”

This year’s “Occasion To Be Grateful” will held November 7 at Woodland Country Club, 100 Woodland Lane, Carmel, IN 46032. The evening starts with a cocktail reception at 5:15 p.m., with dinner to follow at 6 p.m. The evening includes a fabulous

dinner, keynote speaker and a program - including Good Samaritan Network’s participant and community awards presentation for select agencies within the Good Samaritan Network. Registration is required by Oct. 30. The cost is \$75 per person. General or sponsorship guest registration can be completed at any time online by clicking the link found at [www.gsnlive.org](http://www.gsnlive.org).

Again this year our keynote speaker, Andy Janning, president and founder of NO NET Solutions, will offer inspirational and motivational thoughts during the evening. As a keynote speaker he is highly-rated among conference and event speakers. Mr. Janning has spoken at over 100 conferences and events, many of which have ended in standing ovations. His first book, *The Night the Dog Exploded: Lessons from an Awkward Life*, will be released in the fall of 2015. Others have said, “He will make your audience laugh, he will motivate them and possibly make them shed a tear or two.”

Proceeds for the evening will be directed for Good Samaritan Network’s client food and utility assistance programs - which only assists Hamilton County residents (26,968 in 2014 – served directly thru all GSN programs). Good Samaritan Network’s goal for client assistance this year, primarily supported by this fund raising event, is \$50,000.

This year’s Network Pillar Partner award will be presented to four integral agencies who work tirelessly within our community. Nancy Chance said, “We have been amazed at the wonderful work Neighborhood Christian Legal; Herbert Jensen – Jensen & Associates; Noblesville F.O.P. #198; and Ken Heiny, Grace Security Ministry, are doing in Hamilton County to address human services.” Chance says, “These agencies and organizations were indispensable in helping Good Samaritan Network accomplish a true-life rescue in the lives of one particular family we have served for over a dozen years.”

Chance went on to say, “One of the reasons we designed this evening was to honor and recognize individuals, agencies and organizations within our Network who exhibit exemplary efforts impacting the lives of people and families within the Hamilton County community. We think these organizations are the best of the best and are passionate about helping people. They have persistently demonstrated that by enthusiastically working alongside Good Samaritan Network to meet people at their need.”

As part of the evening’s program, besides honoring specific Good Samaritan Network partners and participants, we will

witness an inspiring original video presentation, “An Opportunity to Reunite a Family,” depicting the true life story that tells how tragedy and uncertainty ended with four children’s lives, who had been devastated by death and kidnapping, changed for the good.

“Certainly, in part, this unique, and true video, created by Good Samaritan Network, tells the inspiring story of just how impactful various agencies and organizations can be when working together as a Network, regardless of who gets the credit, to serve the needs of others in our community,” says Chance.

There are ample sponsorship opportunities still available for this annual event. Levels include: Grateful Beyond Words, \$10,000; Incredibly Grateful, \$5,000; Amazingly Grateful, \$2,500; Absolutely Grateful, \$1,000; Evening Grateful \$500; and Award Grateful \$250. Sponsorship is easy. Just complete sponsorship sign-up online by clicking the link found at [www.gsnlive.org](http://www.gsnlive.org). Sponsors will be able to make payment with PayPal with any credit card, or may complete a Sponsorship Form and mail their check directly to GSN. Also interested sponsors may contact GSN offices directly (317.842.2603) to become a sponsor – or for assistance with guest registration. All checks should be made payable to Good Samaritan Network.

Sponsorships include premier seating for most sponsorship levels, free cash bar, name recognition on the event program and provides for marketing material placement at all guest tables, depending on sponsorship level. Additionally, sponsors will be able to hand-select their table guests for the evening’s event and will be recognized in the evening’s program, print pieces, website, news releases and other media outlets and promotions related for the event.

Building a network of individuals and organizations that enthusiastically support charitable events is invaluable to all of humanity – and especially for the Hamilton County community. Hamilton County has the second highest number of people facing food insecurity in the 21 counties served by a prominent area food bank, making us second only to Marion County. Poverty for Hamilton County has risen considerably since 2009 statistics were released, and poverty is closely associated with hunger. Only a few years ago Hamilton County’s children who live in poverty was fast approaching nearly 10 percent, with over 16 percent of students receiving free or reduced-price lunches.

Nancy Chance says, “The need is greater than most imagine. So, thank you for considering this inspiring opportunity to partner with Good Samaritan Network – not just in directly raising funds – but by serving the under-served residents of Hamilton County.”

If you have any questions regarding the work of Good Samaritan Network please feel free to contact the office at any time. Please contact: Nancy Chance, Founder/Executive Director, Good Samaritan Network, 317.842.2603, [nchance@gsnlive.org](mailto:nchance@gsnlive.org); or visit our website ([www.gsnlive.org](http://www.gsnlive.org)) for more details.

Fast food may be here to stay, but...

There are always options to help plan healthy meals

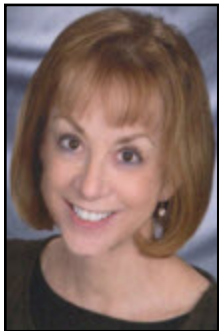

By SHARON MCMAHON  
"I saw few die of hunger; of eating, a hundred thousand." Benjamin Franklin

In reference to Mr. Franklin’s quote above...he obviously was very astute (on many levels!) though I am not certain he took his own advice as he was quite corpulent. Although I doubt Mr. Franklin partook of “fast food” it appears that poor eating habits are not new to the 21<sup>st</sup> Century. Eating can be such a pleasure; a good meal filled with nutrient-rich foods, prepared well and shared with others is a wonderful experience. That is a meal which will leave us satiated and our bodies fueled with the energy we need to “take on the day.” How often do your meals fit that description? Always? Often? Sometimes or maybe never? My first experience with a “drive thru” meal was about 1965 or so when my family tried out the new Clancy’s on Tenth Street in Noblesville. (I was fifteen so I guess you can, sigh, do the math!) My Dad drove up the window (no speakers then) and placed our order and we received our meal in a bag and drove away – how cool was that! Thankfully, however, most of my family meals growing up were spent sitting at the dinner table with family enjoying simple fare prepared at home. Unfortunately, life has changed for most of us due to increased scheduling demands and the opportunities to eat poorly outweigh (really, no pun intended here) the opportunities to properly plan our meals.

My interest in nutrition and wellness has persevered over the years throughout a long management career and kept alive in part due to my 20+ years as a certified fitness instructor pursued alongside my professional career. (Now I feel tired just thinking about that!) As I am now in my “rewired” retirement, I am again teaching classes and responding to those who approach me to ask my opinion in nutrition matters by becoming certified through the American Fitness Professionals Association in nutrition and wellness consulting. I found the study and practicum to be essential to helping clients to assess their eating habits and to meet their weight management and nutritional goals. Discussing strategies and plans to optimize better fitness and food relationships is very rewarding to me as I work with my clients. Continuing education through AFPA enables me to be on the forefront of presenting the best opportunities and information to those who seek my assistance. Alas, “fast food” is here to stay, but so are the options to increase our personal eating plans to be more nutrient-rich and satisfying. As we close up the summer season and look forward to fall, the local produce stands can be your best friend. When in doubt about the source of your produce, simply ask if the items are organic. In particular I would advise that any items which are consumed with “skin on” should definitely be organic. There are specific guidelines in place by the USDA for organically grown

produce. If there is the slightest bit of mold visible, pass it up even if it is on sale! Clean your produce carefully and be creative in your meal planning and snacking – Bon appétit!

Noblesville's Hank Davis runs a fake punt for the Millers during their Friday Homecoming game with Zionsville at Hare Chevrolet Field. Noblesville won 23-21 on a field goal by Andrew Little.

Happy birthday, Andrew...

# Little kicks Millers to big victory

By RICHIE HALL  
Reporter Sports Editor  
How's this for an 18th birthday celebration: You kick a game-winning field goal, then get to celebrate with a few thousand of your closest friends.

That was the evening for Noblesville senior football player Andrew Little. His (appropriately enough) 18-yard kick with 24 seconds left in the game sent the Millers to a 23-21 victory over Zionsville in Noblesville's Homecoming game at a packed Hare Chevrolet Field. The win was the first in the Hoosier Crossroads Conference for Noblesville this season, and improved the Millers to 3-2 overall.

"I couldn't wish for a better atmosphere," said Little. The game's attendance was 4300.

Little's game-winner was the result of a great final four minutes for Noblesville. The Miller defense forced the Eagles to punt from their own 10, then a punt reception interference penalty resulted in Noblesville taking over at the 28.

Miller senior Jarel Youree made a 20-yard run to get the ball to the 8. Noblesville moved the ball to the 1 on fourth down, and that's where Little made his kick.

"It was great, but I couldn't have got there without my offense, and the hold was great, and the snap was great, which allowed me to put it in," said Little. "I always trust my offense and my snappers. They always do a great job."

Zionsville did have 19.1 seconds left to make one last try, but after getting a first down with 4.4 seconds left, saw its last pass fall incomplete from the Eagles' 39-yard line.

"I think the bottom line is, you got to find a way to win close games," said Noblesville coach Lance Scheib. "I thought we learned last week from how to close this week, and that's a credit to all three phases. Very proud of Andrew Little. Very proud of Max Dixon, our snapper."

The teams played to a 7-7 tie in the first. Youree got the first score of the game with a 30-yard touchdown run, with Zionsville answering on a one-yard run by Brenden Mikesell.

The Millers took control in the second period on both offense and defense. Little was perfect on a 26-yard field goal midway through the quarter, and Luke Melloh hit Jackson Thurman for a 26-yard touchdown with exactly one minute left. Meanwhile, the Noblesville defense blocked two Zionsville field goal attempts, including one right at the end of the half.

ville field goal attempts, including one right at the end of the half.

The Millers opened the second half with a resolute drive down the field. It ended with Little nailing another field goal, this one from 28 yards. However, the drive took almost five-and-a-half minutes.

Zionsville scored two more touchdowns: A 16-yard third-quarter pass with 2:54 left, and then a one-yard jog for Mikesell right at the beginning of the fourth period. Both teams thereafter traded possessions until Little kicked the game-winner. He also booted both extra points.

Youree had another solid game, with 113 yards in 19 carries. Melloh was an efficient 13-of-20 passing for 99 yards. Thurman caught four of those throws for 53 yards, including the one touchdown.

Next up for Noblesville is another home game against Bishop Chatard.

Neither team scored in the third quarter, but both came back blasting again in the final period.

Pepiot scored again from the 1-yard line to get his Shamrocks close, but then Southeastern took care of

# West Lafayette is No. 1

By DON JELLISON  
Reporter Editor

West Lafayette Friday came to the Husky Dome undefeated and ranked No. 1 in Class 3A.

The Red Devils left Hamilton Heights the same way following a convincing 38-7 victory over the Huskies.

West Lafayette left little doubt in the mind of Heights coach Mitch Street that the Red Devils are the real deal.

“They do what they do and they do it very well,” said Street after his club fell to 3-2 on the year. “They can run the ball and pass the ball. Their offense is well balanced.

“Actually, I thought our defense did a good job,” Street added.

But, Heights couldn’t begin to stop the running of Travis Rolle or the passing of Mikey Kidwell. Rolle carried the pigskin 31 times for 155 yards and Kidwell completed 20-of-30 passes for 319 yards. Matt Marley had four catches for 99 yards and Spencer Ronchetto seven catches for 90 yards.

Heights couldn’t begin to match that offensive outburst by West Lafayette.

It was a close game through the first half. West Lafayette got a touchdown with 2:15 left in the half to take a 20-7 lead. The rest of the night was owned by the Red Devils.

On a night when Hamilton Heights couldn’t afford to miss on opportunities, the Huskies recovered two West Lafayette fumbles in the first half-dozen plays, but the Huskies couldn’t score.

Hamilton Heights’ only score came in the second quarter after West Lafayette had built a 13-0 lead. With 5:08 left before halftime, the Huskies scored on a 30-yard pass from Josh Feltz to Jesse Brown. Henry Magdun booted the PAT.

But, the Devils came back with their late second quarter score and then out-scored the Huskies 18-0 in the second half.

Junior Clayton Cowan did a good job rushing the football for Heights. He carried 24 times for 80 yards against a tough West Lafayette defense. Jesse Brown caught eight passes for 83 yards.

The game, at times, was sloppy by both teams. West Lafayette had 12 penalties for 121 yards ad Heights nine penalties for 60 yards.

West Lafayette fumbled two times and lost both and Heights fumbled twice and lost one.

The Huskies will be on the road next Friday, traveling to Culver Academy.

Callahan, K. Burnell, explode....

# Sheridan unloads, 50-21

Coach Bud Wright’s young Sheridan Blackhawks last evening started to grow into men, and as a result this morning Sheridan is leading the East Division of the Hoosier Heartland Conference following a 50-21 victory over Eastern at Larry Wright Stadium.

In awesome style, Sheridan ran for 580 yards against the Eastern defense.

“And,” Wright said, “we did it without our two leading rushers. K.J. Acevedo had a concussion and missed all the game. Jake Chesney still has a bad knee and we used him for only six plays, all straight-away rushes, no cutting.”

On this evening, a night of Homecoming for Sheridan, the Blackhawks didn’t need their veteran stars. Sophomore Joey Callahan carried 37 times for 333 yards and junior Kenny Burnell added 250 yards in 19 carries.

“We got good blocking from our line,” Wright continued. “We changed some things. We moved our two tackles to guard and our two guards to tackle. It worked pretty good.”

It never was a game, with Sheridan putting 36 points on the board in the first half and Sheridan’s defense limiting Eastern to single touchdowns in each of the first three quarters.

Callahan got the offensive fireworks going by scoring on a pair of one-yard runs in the opening quarter and then adding another one-yarder to begin the second period.

Sheridan scored two more touchdowns before halftime. Kenny Burnell ran 29 yards for one score and Gunner Williams fired 29 yards to Chesney for the other TD. Williams played quarterback and Chesney was used as a receiver.

In that first half explosion, Nick Burnell, Williams and Chesney each added two-point conversions.

Sheridan had just one touchdown in the third frame, but it was a big one. Kenny Burnell broke loose for 85 yards. Callahan added a two-pointer.

Kenny Burnell ended Sheridan’s touchdown march when he scored from the six in the fourth quarter.

The win moved Sheridan to 2-3 on the year and to 2-0 at the top of the East Division race.

The Blackhawks will play at Tri-Central next Friday in a game which could decide the East Division championship.

A real team victory....

# Eagles fly past Ripple

Two different quarterbacks tossed touchdown passes. Four different receivers caught touchdown passes. Two runners rushed for touchdowns.

You might say Guerin Catholic got a true team victory in a 50-6 decision at Broad Ripple Friday evening.

Oh, yes, the defense did its job, too, holding the Rockets to a fourth period touchdown.

Elliott Charlebois led Coach Tom Dille in slinging the football. He hit on 5-of-8 for 193 yards.

Shinaver

Arion Shinaver had only two catches, good for 110 yards. Jack Freudenthal caught two passes for 62 yards.

Charlebois found Shinaver on an 85-yarder.

On the ground, Carter McGinnis carried 8 times for 96 yards. Brennan Thieneman carried 6 times for 50 yards.

Guerin Catholic is now 4-1 on the year and will play at Greenwood next Friday.

Tigers show tough ground attack...

# Top Brownsburg, 37-23

Fishers, after falling to city rival Hamilton Southeastern last week, Friday resumed its quest for a Hoosier Crossroads Conference title by winning a big road game at Brownsburg, 37-23.

Coach Rick Wimmer's Tigers used a strong rushing attack to outscore a high-powered offensive Brownsburg team.

Trevor Newman carried the pigskin 22 times for 102 yards and Jeremy Chinn added 91 yards in seven carries.

Chinn scored three of Fishers' touchdowns.

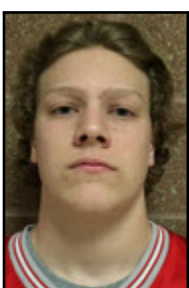

Orris

The Tigers got on the board early in the game, driving 72 yards in seven plays, with Chinn bouncing across from the six. Ben Norton kicked the extra point.

Fishers added two touchdowns in the second quarter. The first came when Chinn scored from the one, following a 13-play, 61-yard drive. The second came on an over-the-shoulder reception by Kade Orris on a 53-yard touchdown toss from Zach Eaton.

Fishers' defense ended a Brownsburg scoring bid late in the quarter when Zeke Dunnuck picked off a pass at the Tigers 31.

Carmel also had its normal outstanding running game, the Greyhounds rushing for 176 yards. Stephen Watts led the

Carmel, after leading 7-0 at the end of the first quarter, broke things open with 21 points in the second period.

The Greyhounds opened the game's scoring and they did it through the air. Viktrup hit Walker for 48 yards and the TD with 6:34 left in the first quarter.

Carmel broke the game open with three touchdowns in the second period. Watts scored on a 4-yard run; Rafdal caught an 11-yard TD pass from Viktrup; and Walker pulled in his second six-pointer on a 19-yard pass from Viktrup.

The Greyhounds' final touchdown came in the fourth quarter with 2:4 remaining on a 28-yard run by Watkins.

Nick Stacy booted Carmel's first four PATs and Matt Fortier added the fifth.

Carmel's defense allowed Lawrence North 256 yards on the ground, but the Wildcats completed just 1-of-5 passes for 15 yards and had two intercepted.

With the win, Carmel moved to 3-2 on the year and to 2-1 in the MIC.

Girls golf sectional...

‘Rocks edge ‘Hounds, GC advances two to regional

By RICHIE HALL  
Reporter Sports Editor  
The word of the day at South Grove Golf Course on Friday was: "Tie."  
There was a tie for low score at the Ben Davis girls golf sectional. There was a tie for third place. And there was also a tie for two of the individual advancing spots.  
Once everything got sorted out, Westfield had defended its sectional title by a very slim margin. Both the Shamrocks and

Carmel had team scores of 300. Westfield won on the fifth-woman score, although the Greyhounds' Makenzie George ran away with medalist honors.  
Guerin Catholic and Ben Davis tied for third place, the last place that gets to advance to regionals. So, that went to the fifth score, and that's where the Giants edged out the Golden Eagles. However, Guerin Catholic did get two individuals off to the Roncalli regional, which takes place next

Saturday (Sept. 26) at Smock Golf Club in Indianapolis.  
The Shamrocks showed off their depth and their poise on Friday. Westfield at one point trailed the Greyhounds by around 10 shots before rallying on the back nine.  
"I honestly didn't know where we stood the whole day, so I was just trying to take it shot by shot," said Adrienne Montalone. She wound up with a 70 to lead Westfield and earn individual runner-up honors. Cai-

lyn Henderson carded a 74, and Morgan Baechle added a 77, a personal best for her.  
"The last score that I had that was equally as good was also a seven-over, and that was at Chippendale," said Baechle. "Both of them are just really good rounds, and I'm proud of my score today."  
"Each of them did what they had to do to kind of battle back and just make up some strokes here and there and really fight it out," said WHS coach Trevor Neu. "Being young, it's really important for us going forward, it gives us that experience, hopefully moving forward in the state tournament, that maybe we didn't have last year and we haven't had too much of this year."

Dani Van Buren Guerin

Marissa Singer, Guerin

George had an amazing day at South Grove. She carded a 66 for the tournament, shooting 32 on the front nine. It was a personal best score for the Carmel senior.  
"I don't think I really realized it until my last hole," said George. "I was just kind of playing my game and making all these birdies and eagles." George had one eagle and eight birdies for the day.  
Angie Kavanaugh shot 76 and Rani Hecht scored a 77 for Carmel.  
"We had a wonderful day," said Greyhounds coach Kelly Kluesner. "All the girls played very well. They knew we're starting the tournament, they wanted to start out well so that then, they could continue from there. That's what they did today. Very, very proud of them."  
Guerin had an incredible day as well, and looked like it would join its fellow county schools at regional. But it was not to be, as GC was edged by Ben Davis. But the Golden Eagles' season isn't done yet, as Marissa Singer and Dani Van Buren each advanced as individuals.  
Singer placed third individually with a fine score of 73.  
"We all did our best," said Singer. "This is the first time we shot under 100 - everyone did. We all shot 90's, 80's and 70's, so I'm pretty proud of that."  
The top three individuals not on an advancing team move to regionals, so Singer earned the first spot. Van Buren found herself in a playoff with two players from Covenant Christian to decide the other two advancers. It was decided on the first hole, and Van Buren was one of them.  
"It was very pressure-packed," said Van Buren. "It was kind of hard to keep the
