Fiorina coming to Hamilton County in November

By FRED SWIFT
News tidbits of the week:

Carly Fiorina, candidate for President who has recently jumped in the polls to second place among GOP candidates, will be in Hamilton County on November 11 for a fundraising appearance at the Lucas Estate on 116th Street. Details on arrangements and times are pending.

Doug Callahan, Clay Township trustee and former longtime Carmel fire chief, will be honored Saturday when the Home Place fire station is officially named Douglas Callahan Station #45. The station

is in the John Hensel Township government complex at 107th and College Ave. The public is welcome to attend the dedication.

The County Assessor's branch office in Delaware Township will be closing effective November 16. Personnel will be moving into the county assessor's Judicial Center office where Delaware property owners will be able to transact business thereafter. The assessor also maintains a Clay Township branch office which is not affected by the move.

The deadline for registering to vote in this year's municipal elections is October 5. Individuals may register at the Judicial Center elections office or any license branch until the close of business that day. The election of mayors and other city and town officials is November 3rd. Persons

who have moved within the county need only transfer their registration to their new address.

An architect's rendering of the planned addition to the Hamilton County Judicial Center is now in the hands of county commissioners and found in their office. The multi-million dollar expansion may, if all goes well, get underway next year. It will feature a more attractive west elevation with substantial glass framed by brick matching the current 23-year old building.

News reports of faulty asphalt being used on some roadways is apparently not a problem in Hamilton County. The county highway office says there have been no reports of crumbling of new pavement on county or state highways within the county. Elsewhere in the state apparently some contractors did not use enough binder in their product.

Alexandria police officer arrested for Sheridan theft

By JEFF JELLISON

Sheridan Police Chief Bob Shock announced today his department has arrested an Alexandria reserve police officer on theft charges.

Shock indicated at 9:00 a.m. Thursday morning his department received a report of a theft of a Caterpillar skid steer from S&K Construction, 3900 block of State Road 47 in Sheridan.

Sheridan police officer Kevin Garrison reported the skid steer was equipped with a GPS tracking device allowing police to track the location of the stolen item.

Garrison said, "Sheridan police officers, assisted by members of the Indiana State Police, tracked the \$70,000 piece of equipment to an address in Anderson."

Garrison indicated police officers located the stolen item after serving a search warrant. Garrison stated, the suspect, Jesse P Scott, age 28 of Anderson, was arrested at Thursday after admitting to the theft. Scott is currently being held in the Hamilton County Jail on a \$10,000 bond.

Crews were putting the finishing touches on the new 191st Street interchange at U.S. 31 Thursday afternoon. The west side of the interchange opened at that time, with the interchange to be fully opened by Saturday morning.

West side opened Thursday afternoon...

US 31/191st interchange to fully open this weekend

A new roundabout interchange connecting US 31 and 191st Street in Westfield is scheduled to open to traffic this weekend.

At around 5:30 p.m. Thursday, crews opened the southbound ramps on the west side of the interchange. That allowed traffic on 191st Street west of US 31 to access the highway, and also permitted southbound US 31 traffic to exit west onto 191st.

Thru traffic on 191st Street still can't cross under US 31 just yet, nor is there access to northbound US 31 from 191st Street, or to eastbound 191st from the highway. But be patient, commuters: Pending favorable weather, northbound US 31 traffic will shift onto new pavement and bridges over 191st Street, and the northbound ramps will open as early as Saturday.

Among the people happy to see the construction finished are Jim and Karen Bontrager, who have lived right at the intersection for 38 years.

"If it's open this weekend, that'll be good," said Jim Bontrager. He said opening the interchange would help to alleviate "a lot of the traffic congestion in other areas" and that "people will be able to access 31 a lot easier."

After the 191st Street interchange is fully opened, the traffic signal at 196th Street and direct access to/from US 31 will be removed. The nearest interchanges with direct access to/from US 31 will be at 191st Street and State Road 38.

With the opening of the 191st Street interchange, all US 31 interchanges in Westfield will be open.

"I'm excited to see this interchange open to the public, and to get one step closer to the completion of the new US 31 in Westfield," Mayor Andy Cook said. "We look

forward to the improved US 31 corridor and the opportunities it will bring to our region and our state."

All lanes of US 31 in Westfield are expected to open by late October, at which time US 31 in Westfield will be in its final freeway configuration.

Work is continuing on US 31 in Carmel as well, with construction in full force at 116th and 106th streets, and at Interstate 465.

Ivy Tech Community College ranks top in the nation for associate degrees granted

In a report released by Community College Week, Ivy Tech Community College is ranked first in the nation amongst two-year colleges for the number of associate degrees granted in the 2013-14 school year.

Ivy Tech granted 9,453 associate degrees, which is almost double that of Northern Virginia Community College – the number two school on the list – which granted 5,578 associate degrees.

“These are certainly impressive numbers and reflect the college’s hard work in ensuring students achieve their educational goals,” said Thomas J. Snyder, President of Ivy Tech. “Ivy Tech works with the state’s most complex student body, which includes a majority of students attending part-time and having responsibilities such as work and family obligations that sometimes prevent them from completing their degree. We are encouraged by these numbers and will continue to strive to improve them each year.”

The state’s community college system also ranked first amongst two-year colleges for the number of two-year certificates granted, which totaled 6,514. This was nearly three times that of Guilford Technical Community College, which ranked second and granted 2,152 two-year certificates.

Ivy Tech also ranked first in granting associate degrees in a number of disciplines, including:

- Business, Management, Marketing and Related Support Services
- Computer and Information Sciences

- Education
- Criminal Justice and Corrections
- Engineering Technology and Engineering-Related Fields
- Health Professions and Related Programs
- Nursing, including Registered Nursing Administration, Nursing Research and Clinical Nursing
- Protective Services
- Precision Production

Amongst two-year colleges, Ivy Tech also ranks sixth in the number of one-year certificates granted within the 2013-14 school year.

The community college also continues to rank highly in the number of degrees granted to African-American students and ranks fifth in the nation amongst 2-year colleges.

To view the data, visit <http://ccweek.com/article-4729-chart-index-top-100-2015.html>.

Ivy Tech Community College is the state’s largest public postsecondary institution and the nation’s largest singly accredited statewide community college system. Ivy Tech has campuses throughout Indiana. It serves as the state’s engine of workforce development, offering affordable degree programs and training that are aligned with the needs of its community along with courses and programs that transfer to other colleges and universities in Indiana. It is accredited by the Higher Learning Commission and a member of the North Central Association.

Sheridan Water Works flushing fire hydrants week of Oct. 12

Sheridan Water Works announced recently that biannual fire hydrant flushing will begin Monday, Oct. 12 and end Friday, Oct. 16.

Sheridan Water Works is asking all residents to be aware of the flushing in their areas of town and that some temporary water discoloration could be a possible result.

Hydrant flushing is required periodically to clean the system and water mains. Sheridan Water Works will be flushing between the hours of 7 a.m. and 4 p.m. during that week.

If customers see a discoloration in their water, they are asked to let the water run at maximum volume for two or three minutes, or until the discoloration disappears. Water Superintendent Mark Evoy is asking residents for their patience. It is important that this process be done so residents can receive the best quality water.

Sheridan Water Works is asking customers to minimize water usage as much as possible during the week of Oct. 12-16.

Brownsburg, 1-4, can score...

'Rocks host Homecoming

By DON JELLISON
Reporter Editor
Brownsburg is averaging 38.6 points a game, while posting a 1-4 record.
Go figure.
Try this. Brownsburg is allowing 44 points a game.
The Bulldogs will come to Westfield tonight for a Hoosier Crossroads Conference matchup. It's Westfield's Homecoming.
Westfield coach Jake Gilbert is impressed with Brownsburg's offensive talent.
"Brownsburg has the best offensive skill in the HCC, and maybe the state," Gilbert said. "They are scary."
So is Westfield. The Shamrocks are scoring at a 31.8 clip and allowing 27 points a game.

Both teams likely will put a bunch of points on the board tonight. That's the way it was last year when Westfield outscored Brownsburg 35-21. Two years ago, Westfield defeated the Bulldogs 37-13.
Westfield has won two in a row over Brownsburg. The Bulldogs edged the Shamrocks 20-17 three years ago.

As Gilbert indicated, Brownsburg can put points on the board. Junior quarterback Hunter Johnson has connected on 65-of-121 passes for 1,082 yards. He has thrown for 14 touchdowns and been intercepted 9 times. His leading receiver is Tyler Kirtz with 27 catches for 520 yards. On the ground, Toks Akinribade has carried 79 times for 471 yards.

Brownsburg has defeated Franklin 66-7 and lost to Pike 55-34, Lawrence North 65-47, Avon 56-21 and Fishers 37-23.
Southeastern handed Westfield its first Hoosier Crossroads Conference loss last week, 34-18. The Shamrocks own conference victories over Zionsville 45-30 and Noblesville 18-14 and have won non-conference games over Harrison 36-21 and Southport 40-36.
"We gave away way too many yards defensively against Southeastern," said Gilbert, "and weren't explosive at all offensively."
"I thought we played soft, but I wasn't ashamed of losing to an excellent program

Brian Reddick/File photo

Westfield's Koby Hauser is listed as a defensive back in the Shamrocks' probable lineup for tonight's game with Brownsburg. It's Westfield's first Homecoming game at the new Riverview Health Field.

like HSE. They did a fantastic job. We just have to get better."
The Shamrocks are riding on the arm of quarterback Ryan Pepiot. He has connected on 101-of-172 passes for 1,136 yards and 5 touchdowns. He has been intercepted four times.
Pepiot has two outstanding receivers in junior Evan Manley and senior Max McCool. Manley has 31 catches for 422 yards and McCool 26 receptions for 253 yards.
"We are excited for the opportunity to get better and play in front of our fans at Homecoming," said Gilbert.
"We'll have our hands full, for sure," he added.

A flip of the coin?

Guerin at Greenwood

By DON JELLISON
Reporter Editor

There may not be a more evenly match game in the area as Indiana high school football tonight enters Week 6.

Guerin Catholic at Greenwood.

Greenwood is 4-1, its only defeat being a season opening 28-17 loss to Perry Meridian. Guerin Catholic is 4-1, its only loss being a 34-0 licking by Class 1A powerhouse Lafayette Central Catholic, ranked No. 1 in the state in its class.

Their only common opponent is Martinsville. Guerin Catholic has defeated Martinsville 26-9. Greenwood holds a 28-25 decision over Martinsville.

This is a key game for Coach Tom Dilley’s streaking Golden Eagles.

Dilley was happy with Guerin’s 50-6 blasting of Broad Ripple last week, the Eagles’ third consecutive victory. In that game, Guerin ran just 40 plays to put 50 points on the board.

“Our quarterback (sophomore Elliott Charlebois) was our player of the game,” Dilley said. “He threw for four touchdowns and ran for another.”

The young quarterback is coming on strong. Through five games he has connected on 43-of-85 passes for 629 yards and six touchdowns. Charlebois has been intercepted just two times.

His leading receiver has been a junior, Arion Shinaver, who has 15 catches for 275 yards.

On the ground, Guerin Catholic is led by sophomore Carter McGinnis and junior Brennan Thieneman. Both have carried 65 times, McGinnis for 390 yards and Thieneman for 281 yards

“We can do some things,” said Dilley. “We can throw the ball and we can run the ball.”

Guerin Catholic is averaging 22 points a game and giving up 14.2. Greenwood has a 27.4 scoring average and is allowing 20.8 points.

Greenwood has a good sophomore quarterback and the Woodmen are led on the ground by senior James Gallman with 549 yards in 125 carries.

“Our defense is one which bends but doesn’t break,” Dilley said

“Greenwood is very aggressive on defense,” said the Guerin coach. “They play fast.”

This will be the seventh meeting between Guerin Catholic and Greenwood. The series is tied at 3-3. The Eagles won 42-21 last year.

“Greenwood is better this season,” said Dilley.

“This team belongs to our seniors. Our program belongs to everyone.”

Westfield will move to 6A, but where?

Carmel could head south

By DON JELLISON
Reporter Editor

Indiana High School Athletic Association commissioner Bobby Cox was at the Westfield-Noblesville game a couple of weeks ago and he held court on Westfield's future in post-season play.

Cox said that when the next alimnet of teams is held, following next season,

Westfield will go from Class 5A to Class 6A.

"They are next on the list, at the top of the student enrollment in Class 5A," Cox pointed out.

Cox knows his way around Hamilton County. He was formerly the athletic director at Carmel.

So, Westfield will move to Class 6A where currently Carmel, Noblesville, Fishers and Southeastern play?

Perhaps. But will that move one of the current Sectional 4 teams elsewhere? And, if so, which team may move out? And, if a team moves out, where will it go?

Cox pointed out that Carmel would be the southern-most team of the current corp. Should that move be made to the south, then Carmel would likely end up in competition with schools like MIC conference partners Center Grove, Ben Davis and Warren Central.

How about those apples?

Meanwhile, this year's tourney trails for Hamilton County schools aren't shaping up to be cake walks.

One thing is for certain. A Hamilton County team will win Sectional 4 and three Hamilton County teams will be eliminated. Right now, put Carmel, Southeastern, Fish-

ers and Noblesville into a hat and pull out one to win Sectional 4.

Carmel likely will be the favorite going on. The Greyhounds have defeated Southeastern, and that's Carmel only Sectional 4 before the tourney. Southeastern has beaten Fishers. Fishers has beaten Noblesville.

You pick the winner!

Westfield likely will be the favorite in 5A, Sectional 11. The Shamrocks have a 4-1 record; the only loss being to 6A Southeastern. Lafayette Jeff and Harrison each is 3-2 and McCutcheon is 2-3. Westfield has defeated Harrison 38-21. McCutcheon has beaten Lafayette Jeff 38-20. And Jeff holds a 54-50 win over Harrison.

It gets tougher to predict a Hamilton County winner after Sectional 4 and Sectional 11

Guerin Catholic, 4-1 and loser only to Class 1A powerhouse Lafayette Catholic, will have to contend with West Vigo and Chatard in Class 3A, Sectional 29. West Vigo has lost only to Northview 27-12. Chatard's only setback is against Cathedral, which figures to be among the favorite for a Class 6A state championship. The Irish defeated Chatard 41-14.

One of the toughest sectionals in the state is Class 3A, Sectional 28, where Hamilton Heights plays. West Lafayette is 5-0, while Twin Lakes, Western Boone and North Montgomery are 4-1. Heights already has gotten a look, losing to West Lafayette 38-7. Twin Lakes' only loss is to Lafayette Jeff 35-28. Western Boone has lost to Harrison 25-20 and North Montgomery has fallen only to Brebeuf 17-10

There are some high-scoring teams in Sectional 28. West Lafayette at 47.2, North Montgomery 39.6, Western Boone 38.6 and Twin Lakes 36.8.

Heights is 1-1 in this sectional with a 31-6 victory over Tipton.

Sheridan's outlook in Class 1A, Sectional 45 is hard to figure because the Blackhawks play none of the seven other teams. (A mistake in the Reporter earlier this week had Tri-Central playing in this sectional). Fountain Central and North Vermillion are the frontrunners, each with a 4-1 record. Fountain Central's lone loss was to Southmont 21-20. North Vermillion lost to Linton-Stockton 21-7. North Montgomery is averaging 50.8 points a game

Royals overcome Zionsville in HCC match

The Hamilton Southeastern volleyball team faced a tough Hoosier Crossroads Conference challenge Thursday, hosting Zionsville.

After dropping the first set 16-25, the Class 4A No. 3 Royals bounced back to win the next three sets 25-20, 25-20, 25-16. Senior Hayden Huybers had a big night in the middle with 19 kills. Kenzie Hinshaw ran the offense with 40 assists and eight kills at the net. Meredith Phillips and Caitlin Kane combined 20 kills on the outside.

"I thought the gym was electric and our fans were a big reason we won tonight," said HSE coach Jason Young. "We need to do a better job with our first ball contact and continue to press our tempo. I was thrilled to come away with a win tonight against a terrific program."

Southeastern's junior varsity team also faced down a tough challenge from its Zionsville counterparts, but ultimately rallied for a 15-25, 25-18, 15-4 win.

"They made some excellent adjustments and kept their composure to win the second and dominate the third deciding one," said Young. "Maura Dankowski showed her leadership in getting clutch kills in the middle, while Abby Switzer added a spark with her serve and defense and setter Lauren Clendenen steadied out the offense and got in clicking."

Southeastern's JV teams is now 13-3. The Royals freshman team is still undefeated, holding off Zionsville 25-10, 22-25, 15-10.

"The energy was high and plays were on point," said Young. "Line drive serves by Ariel Jessop were key. Great passing by all of the DS's, Grace Sogocio, Brooke Kubacki, Julia Washburn, Mack Lotz, and Ariel Jessop."

Southeastern's freshman are now 13-0.

Westfield lost in three sets to HCC opponent Brownsburg 25-17, 25-11, 25-15 on Thursday.

Cassidy Ferrer finished with nine kills. Lienne Miller had 2.5 blocks, Kari Losch had 18 digs, and Caroline Sinicki dished out 18 assists.

Boys soccer...

Noller scores twice in Huskies' win

The Hamilton Heights boys varsity soccer team defeated Western 4-0 on Thursday.

Roy Noller broke the night open for the Huskies when he scored off a Quinn Collar goal five minutes into the game. Then just three minutes later Quinn Collar scored off a give and go off an Alek Oldham assist. To finish out the half, Noller made a great hustle play off a bad goal kick stealing it from the defender and placing the ball in the back of the net to end the half 3-0.

In the second half several players got in the game, as players were rotated in and out. The final goal of the night came when Noller paid Collar back and assisted Collar on a goal with about 30 minutes to play. Even though the

Huskies didn't score again several players saw minutes on the field with some great ball movement.

"Damon Kinter was player of the game for his hustle and making all the runs when needed," said Heights coach Derrick Dean.

University, the No. 19 team in Class 1A, beat Western Boone 2-1 on Thursday.

Dimitri Georgakopolous and Samuel Rudd scored goals for the Trailblazers, who are 6-5-1 for the season.

Westfield defeated Fishers 2-1 in an all-county Thursday night game.

The Shamocks were led by 11 saves from Juan Monarez and a game winning first half goal from KJ Clardy.

"The team looks to finish off the week strong at Plainfield Saturday morning," said WHS coach Myron Vaughn.

Cole Bennett scored the Tigers' goal, off an assist by Justin Brooks.

Hamilton Southeastern, ranked No. 16 in 2A, was a 2-1 winner at Lawrence North on Thursday.

Senior Matt Gorski scored the Royals' game-winning goal.

County teams will have tough competition

By **RICHIE HALL**
Reporter Sports Editor
Indiana's girls golf teams will be trying to take that big step from regionals to the state meet on Saturday.

Five regionals take place across the state, with tee-off times ranging from 8 to 11 a.m. Hamilton County's teams will participate in two regionals: Westfield, Carmel and Guerin Catholic's Marissa Signer and Dani Van Buren will play the Roncalli regional at Smock Golf Course, which is located right on the Marion-Johnson county line. Hamilton Southeastern, Fishers, Noblesville and Hamilton Heights' Caitie Gehlhausen will take part in the Lapel regional at Edgewood Golf Course, located just west of Anderson on State Road 32.

Both regionals will be tough, although the county teams are a big reason why they will be tough. The Shamrocks are ranked No. 2, while the Greyhounds are rated No. 4, so there's two of the top five teams already at Smock. Westfield and Carmel advanced to regional from the Ben Davis sectional, with the host Giants edging out Guerin Catholic for the third spot.

Another tough sectional feeding into Smock is the Brownsburg sectional. The No. 16 Bulldogs won with a 328, followed by Plainfield's 331 and No. 8 Zionsville's 342. The Quakers' second-place finish wasn't unexpected, as they received votes in the last poll. Another ranked team, No. 11 Center Grove, won the Southport sectional.

Qualifying teams in the Roncalli regional are as follows:
BEN DAVIS: No. 2 Westfield 300, No. 4 Carmel 300, Ben Davis 337.
BROWNSBURG: No. 16 Brownsburg 328, (HM) Plainfield 331, No. 8 Zionsville 342.
CRAWFORDSVILLE: Lebanon 354, North Montgomery 386, Western Boone 425.
MADISON: Madison, 367, Shawe 384, Henryville 422.
NORTHVIEW: Terre Haute North 331, Terre Haute South 338, South Vermillion 379.
SOUTHPORT: No. 11 Center Grove 338, Perry Meridian 361, Roncalli 393.

The Lapel regional is a change from recent years, as this regional had been contested at New Castle's Westwood Golf Club for a while. But no matter where it is,

this will still be a tough tournament.

The highest-ranked team will be Columbus North, which won the Greensburg sectional with a 309. The best score came from Cathedral, with the fifth-rated Irish shooting a 302 to win the Lawrence Central sectional. Also in the mix is Richmond, which received votes in the coaches' poll and won its own sectional.

Hamilton Southeastern won the Anderson sectional at Grandview with a 321. It was a county sweep, as No. 9 Fishers placed second with a 324 and No. 17 Noblesville was third with a 334.

Here's a list of Lapel regional qualifiers:

ANDERSON: No. 7 Hamilton Southeastern 321, No. 9 Fishers 324, No. 17 Noblesville 334.
GREENSBURG: No. 3 Columbus North 309, Columbus East 350, Greensburg 358.
LAWRENCE CENTRAL: No. 5 Cathedral 302, North Central 339, Lawrence North 370.
MOUNT VERNON: New Palestine 358, Mount Vernon 371, White-land 380.
MUNCIE CENTRAL: Yorktown 355, Muncie Central 397, Jay County 406.
RICHMOND: (HM) Richmond 337, Hagerstown 366, Franklin County 370.

Girls soccer... Roberts' two goals lead 'Hounds to victory

The Carmel girls soccer team got a nice win on Thursday, beating Class 2A No. 10 Zionsville 3-0.

The Greyhounds, ranked No. 1 in 2A, scored once in the first half, with Jessi Cowen finishing a center box cross from Macy Miller. Emily Roberts got Carmel's two second-half goals, scoring first off a Katie Soderstrom assist, then taking a double assist from Maddie Ellery and Kate Spraeztz in to score with 2:09 remaining.

Celene Funke had four saves for the 'Hounds, who are now 12-0-2 on the season.

"This was one of those games that makes you better," said Carmel coach Frank Dixon. "Playing and beating a ranked team that happens to be in our sectional plus scoring some goals is always good for the team's confidence. Our goal for the season was to get better every day and we are still doing that this late in the season."

Boys tennis... Millers fall to No. 12 Irish

Carmel, 2A's No. 3-ranked team, sailed past Cathedral 3-0 on Thursday.

Sam Kramer, Brenno Pecora and Charles Price each scored one goal for the Greyhounds. Ethan Abbott had two assists, and Joel Hudson made one assist.

"Tonight was senior night during homecoming week and I thought everyone played very well," said Carmel coach Shane Schmidt. "Our ball movement and movement off of the ball continues to get better and better every game. I am so proud of our senior class and all of the guys on the team for their efforts day in and day out."

Storm's Jewell Loyd headlines WNBA All-Rookie Team

Jewell Loyd of the Seattle Storm, the 2015 WNBA Rookie of the Year presented by Samsung, leads the 2015 WNBA All-Rookie Team, the WNBA announced today. Loyd, who became the first player to win Rookie of the Year with the Storm,

is joined on the All-Rookie Team by Seattle teammate Ramu Tokashiki.

The All-Rookie Team also features two players from the New York Liberty, Kiah Stokes and Brittany Boyd. The Indiana Fever's Natalie Achonwa and the Los Angeles Sparks' Ana Dabovic round out the list of first-year players being honored.

Loyd received 10 votes from a panel of the WNBA's 12 head coaches, who each selected five players regardless of position. Stokes collected nine votes, followed by Boyd with eight and Tokashi-

Stokes and Boyd helped power the Liberty to a WNBA-best 23-11 record. Stokes, who appeared in all 34 games and started six times, paced rookies and ranked fourth in the league in blocks (1.97 bpg). The 6-3 center also led first-year players in rebounding (6.4 rpg) and was eighth in scoring (5.8 ppg). Boyd, a 5-9 guard, led all rookies in steals (1.17 spg), ranked sixth in scoring (6.6 ppg), and added 2.7 rebounds and 2.3 assists in 30 games (four starts).

Achonwa was the rookie leader in field goal accuracy, shooting 55.0 percent in 28 games (17 starts) for the Fever. The 6-4 center averaged 8.0 points and 3.5 rebounds and connected on 74.6 percent of her free throws.
