ATLANTA NEW EARTH FESTIVAL

Photo by Ryan Horine/
For The Reporter

A tradition in northern Hamilton County continued on Saturday as the Atlanta New Earth Festival began. The event is Hamilton County's largest and longest-running festival, now in its 42nd edition. Over 600 booths containing food, arts and crafts projects welcomes the festival-goers. The festival continues today. Turn to Page 2 to see more pictures.

A few secrets to share

By JANET HART LEONARD

"I found out that the secret to life is: friends. Best friends"

It's a quote from the movie, Fried Green Tomatoes. If you have never seen the movie, you need to do so.

On Sunday afternoon I sat, with a few friends, at the Wafford Theater in Noblesville watching Kathy Bates, Jessica Tandy, Mary Stuart Masterson and Mary Louise Parker give a few heart hugging lessons on friendship and sharing secrets.

That movie goes through all the emotions of friendship. You feel it as you sit there busting a gut with laughter or wiping a few memories as they slide down your cheek.

Second class status comes at a price

By FRED SWIFT

Moving Noblesville to second class city status in January will not come without costs. And it comes as the city administration and council wrestles with the challenge of funding next year's budget.

The city is eligible, but not required to be second class instead of a third class municipality because the population is well over the 35,000 set by state law. The city council determined last year that the move should be made.

The change in status means a city comptroller can be hired by Mayor John Ditslear to handle all financial business, a task that has been under the control of the clerk-treasurer. In addition the city council

will expand to nine members from the present seven.

The city will continue to have a city clerk as a record keeper, recorder of the minutes of all official meetings and clerk of the city court. All new city positions will be elected in the November general election and take office on January 1.

Next year a salary of \$45,000 for the city clerk will be provided. A substantial

Motorcycle crash in Atlanta injures two

A single vehicle personal injury crash in Atlanta injured two people Saturday afternoon.

According to the initial investigation, Brian Taber, 29, Sheridan, was driving a 2009 Yamaha motorcycle westbound on 296th Street east of Atlanta shortly before 3:30 p.m. when the bike ran off the north side of the roadway striking a sign post and landing off the pavement. Taber was

trapped under the vehicle while the passenger, Brittany Taber, 26, Sheridan, was ejected from the motorcycle.

Both occupants of the vehicle were taken by air ambulance to St. Vincent's Hospital with incapacitating injuries reported as fractures, dislocations, and severe bleeding. Neither person was wearing a helmet at the time of the crash. Toxicology results are pending as tests were conducted as part of

the investigation into a crash with serious injury.

According to witnesses, traffic in the area was heavy and slow during the time due to the Atlanta New Earth Festival. The Hamilton County Sheriff's Office Crash Investigation Team is investigating the incident. Anyone with information may contact the Sheriff's Office at 317-773-1282.

salary, yet to be announced, for the new comptroller would be paid except for the fact that due to budget constraints those duties will temporarily be added to deputy mayor Mike Hendricks' responsibilities. (Well qualified accountants often command a salary and benefit package of \$100,000 or more.)

City council members receive pay and benefits that amount to about \$41,000 each. This includes a \$19,000 salary and up to \$21,500 in health insurance coverage. All told, the changes will likely total upwards of \$200,000 when a fulltime comptroller is hired.

Increases in pay for all elected officials have not been firmly established until the 2016 city budget is adopted and approved by the Local Tax Control Board.

So, second class status comes at a price. Carmel will likely be facing the same kind of increase in costs soon because new city council members to be elected this year have indicated their support for advancing to second class.

Is a change in class worth it? Those in charge of city governments seem to think so. They point to added representation with the larger council and more financial expertise with a city comptroller.

JANET

From Page 1

Life captures some of its best moments as you plot revenge, that never happens, with a friend.

Friendship squeezes your heart as you realize how the words of a friend can soothe your battered soul when it's been hurt to the very quick.

Life is about community, about finding the people in your life that get you...really get you. I have a community that reminds me that laughter can come at the strangest moments. Laughter sits right beside my inner teamaker. I know it sounds strange but those two emotions have been known to collide at the best and strangest moments with friends. If you watch the movie, you will get it.

It's at those moments that you exchange looks and crooked smiles that say...yep, we get it!

Friendship has no barriers. Not age. Not how you were brought up. Not where your clothes came from. It just meets, heart to heart, on an even playing field.

It cannot be wrapped up in a pretty, perfect package. It gets messy sometimes as you trip over emotional obstacles. You know, the ones that try to tell you how you are supposed to act or feel. But

then, over the muck and guck of life, where you reach a place of total comfort, into a forever place called friendship. And that is a good place. It's where secrets are kept.

My favorite line in the movie is "Face it girls, I am older and I have more insurance". That is said to two young witchy girls who had just told Evelyn (Kathy Bates) that they were younger and faster as they stole her parking spot. She then just "accidentally" ran her hoopty car into their convertible bug...six times. I admit that revenge feels so good in the movies.

I have come to realize that for the most part my friends and I like the same movies. The Notebook. Something's Gotta Give. Steel Magnolias. Perhaps that is the common denominator among us. Pass the tissues as well as the popcorn.

The Wafford Theater is a small theater in Noblesville that holds about 30 people. Rent it for \$50 an hour and enjoy the movie of your choice or a ball game. You bring your refreshments and enjoy! It's has been a somewhat secret venue for quite a long time...until now!

News: Representatives of the Clay Township(Carmel) athletic campaign, attempting to raise funds for a recreation center and the Hamilton County United Fund had pledged mutual support for the two fund drives. The agreement came this week as the result of a meeting of officials from both groups.

Sports: How does a coach get a football team “up” for the second week in a row, especially when half of the squad is sidelined with the flu? That’s the question facing one of Hoosierland’s finest gridiron bosses this week as Coach Dick Nyers of Carmel tries to prepare his undefeated Greyhounds for an invasion by tough Speedway of Marion County.

116th/Pennsylvania streets closure begins Monday

Beginning Monday, Sept. 28 (before the morning rush hour), INDOT plans to close the 116th/Pennsylvania streets intersection for approximately 60 days to construct a roundabout. While this intersection is closed, access to/from 116th Street east of US 31 will also be closed.

Before this closure begins, INDOT will open the new 111th Street bridge over US 31. Then, east/west access over US 31 will be available at 111th Street and 126th Street/Carmel Drive. Direct access to/from US 31 in Carmel will remain available via:

- I-465
- 106th Street
- 116th Street (west of US 31)
- Old Meridian Street (northbound off-ramp access)
- 131st/Main Street
- 136th Street

During the 116th/Pennsylvania streets closure, the signed detour route will include 116th Street, Illinois Street, 111th Street, College Avenue, 131st/Main Street and Old Meridian Street.

Signal modifications and monitoring between 96th and 116th streets

Traffic signal engineers are continuing to monitor the timing of signals along US 31 between 96th and 116th streets, and modifications are being made to help minimize congestion whenever possible. Additional adjustments will be made following the 116th/Pennsylvania streets closure.

U.S. 31/191st interchange open

The roundabout interchange at U.S. 31 and 191st Street is now fully open, INDOT announced Saturday afternoon.

With the new configuration, 191st Street now passes under U.S. 31, and roundabout ramps provide access to the highway in both directions. In addition, the temporary stoplight at U.S. 31 and 196th Street is removed, and traffic is now free-flowing on the highway from 116th Street north to 236th Street.

The Westfield girls golf team won its first-ever regional championship on Saturday, leading the field at the Roncalli regional at Smock Golf Course in Indianapolis. The Shamrocks will now compete in the state meet for the second year in a row.

Westfield, Fishers girls golf teams make it a...

Historic day at regionals

By RICHIE HALL

Reporter Sports Editor

Even in a tradition-laden area like Hamilton County, there is still girls golf history to be made.

McAree

Two schools put their names in the record books Saturday at the IH-SAA's girls golf regionals. Westfield won the Roncalli regional at Smock Golf Course in Indianapolis, claiming the school's first-ever regional trophy in girls golf. This sets up the Shamrocks well for next week's state finals, where they will play for the second consecutive year.

Meanwhile, tension was high at the Lapel regional, which took place at Edgewood Golf Course in Anderson. When the scores were settled, Fishers held off two of the county's most established golf programs for the third-place spot, giving the Tigers their first ever opportunity to compete at state.

The state meet is a two-day tournament, running next Friday and Saturday (Oct. 2-3) at Prairie View Golf Club in Carmel.

Westfield has had a great run of it in golf over the past few years. The Shamrocks' boys team won state championships in 2013 and 2015, and the girls are hoping to get their name on the biggest trophy of all.

The No. 2-ranked Lady 'Rocks are off to a good start. They dominated Smock, shooting a 314 to easily win the regional plaque.

"It's awesome," said Westfield coach Trevor Neu. "Our kids, they worked really, really hard to get to this point. We've played two individuals down here to kind of help prepare us for this point." That strategy paid off handsomely for the Shamrocks.

Cailyn Henderson led Westfield again, shooting a two-under par round of 70. That included three birdies. Henderson was the only player in the field below par for the tournament.

"I played pretty well," said Henderson. "Short game wasn't the best, but my driving was pretty good."

Adrienne Montalone carded a consistent 76, while Margaret Wentz shot a 78. Wentz, Morgan Baechle (90) and Emma Clary (92) all had one birdie.

No. 11 Center Grove finished second (330) and No. 8 Zionsville was third (333), both earning state berths as well. Unfortunately, Carmel placed fifth and saw a streak of eight consecutive state appearances come to an end. Still, the Greyhounds got quite a bit accomplished during that streak, winning state in 2013, and finishing as runners-up in 2009-10-12.

Makenzie George led fourth-ranked Carmel with an 81, a score that included two birdies. Libby McGuire (83) and Tyler Smith (90) both made one birdie.

Guerin Catholic had two individuals at regional. Marissa Singer carded an 81, including a birdie, and Dani Van Buren shot a 95.

The Lapel regional was a change - it's the regional that had been held for many years at Westwood Golf Club in New Castle. Westwood was known as a notoriously tough regional, and that didn't change just because the setting moved to Edgewood.

In fact, it may have gotten tougher. Four of the top 10 and five of the top 20 teams competed in that regional on Saturday. That included No. 5 Cathedral, which won the team championship with a 311. No. 3 Columbus North was second with a 319.

The other three ranked teams are all from Hamilton County. In the end, it was ninth-ranked Fishers' 323 that edged out No. 7 Hamilton Southeastern's 324 and 17th-ranked Noblesville's 325. Since the Tigers finished their round early, they were on pins and needles for quite some time.

But they made it. "These girls have worked extremely hard this year to get to this point," said Fishers coach Danny Smith. "We've been constantly right there with one shot here, one shot there. Last year we missed going to state by one shot, and this year we're going to state by one shot."

The Tigers were led by Morgan Lewis, who finished second individually with a 72; that ties her personal best. Kennedy Brooker helped out with a 79.

"We had all five girls under 90 for the first time all year," said Smith.

Hamilton Southeastern's fourth-place finish meant a long streak of state meet appearances has sadly come to an end. The Royals had made it to state 10 years in a row, every year since 2005. Southeastern won three titles during that streak, in 2008-10-11, and was a runner-up in 2006-07.

The Royals will have a representative at state. Ciara McAree carded a 73, good for fourth place individually, and placed her on the roster of top five golfers that advance

Carmel boys fall to
Evansville Memorial

The Carmel boys soccer team, ranked No. 3 in 2A, fell to 2A No. 6 Evansville Memorial 2-1 on Saturday.

Evan Shaw scored the Greyhounds' goal, with Conner Inglis getting the assist. Carmel is now 10-2-1 for the season.

We moved the ball very well, had the majority of the possession, but struggled to find the back of the net," said 'Hounds coach Shane Schmidt. "I feel that we were able to take away positives that will help us to continue to improve as we prepare for our next game and ultimately the state tournament."

Guerin Catholic girls make
"statement" in upset win

The Guerin Catholic girls soccer team scored an upset on Saturday.

The Class 2A No. 12 Golden Eagles beat 2A No. 8 Evansville North 6-0. Cassidy Lindley poured in five goals, with Laila Dilts scoring the sixth. Lauren Rice made four assists, with Kiana Hunter and Megan Wampler each getting one.

"This was a statement game for us," said GCHS coach Rainford Hunter. "Our girls have stepped up their game and have not

lost in the last eight games. In the process, we have tied two top 10 teams and beaten two in very convincing fashion. We also scored four goals in beating a top 20 opponent last week.

"The six goals we scored today against a quality opponent demonstrates our own quality. It is not too often that you witness a #12 ranked team scoring six goals against a #8 ranked team, shutting them out in the process.

"Although several of our girls have stepped up their game and have been playing really well, it is hard not to single out Cassidy Lindley for her outstanding games the last two times she stepped on the field. Last week against Pike she scored four goals, and today against a top ten team she scored five goals, but several of our girls have contributed to the success we're currently having. Lauren Rice for example had four assists in this game today."

Westfield's Parker Kalis defeated Fishers' Jon Hornett 6-3, 6-3 at the No. 1 singles flight. Both were named to the All-Conference team at the conclusion of the meet. The Tigers' No. 2 singles player, Christian Zoumbaris, was the runner-up in that division and also earned All-Conference honors.

The Royals swept both doubles flights: Nick DeFonce and Nick Krauter won at No. 1 and Mark Slaninka and Andrew Myers were victorious at No. 2. Both teams were named to the All-Conference team as well.
