Friday at Riverview Health...

Rep. Brooks hosts Connecting Careers & Classrooms

Congresswoman Susan Brooks hosted another one of her Connecting Careers & Classrooms events Friday, this one taking place at Riverview Health in Noblesville.

Brooks

Brooks, a Republican representing Indiana's 5th District, invited middle and high school educators (counselors, administrators and teachers) to attend the event. It gave educators a chance to tour Riverview to see a healthcare workplace first-

hand, according to a press release on Rep. Brooks' Web site.

"You will also learn about career opportunities in the healthcare sector and learn about school/business collaborations that are currently taking place," the release said. "Additionally, we will provide Professional Growth Point (PGP) documentation."

"In the Indiana Department of Workforce Development's recent listing of the 50 fastest growing, high-wage jobs of tomorrow, 10 different healthcare related fields were named," the release said. Skilled employees are needed now more than ever to fill the jobs created by the growth in the healthcare sector."

Representatives from IU Health, St. Vincent Health, Community Health and Express Scripts were also at the event. Steve Braun, the Commissioner of the Indiana Department of Workforce Development, delivered the keynote address.

Connecting Careers & Classrooms is described on Brooks' Web site as "a series of events aimed at advancing our workforce. It consists of workshops convened by Congresswoman Susan W. Brooks in Indiana's 5th District that bridge the gap between industry and educators and fuel the future for our students." Past events have taken place at Beck's Hybrids, among other places.

Yes Virginia, There Is An Election

By MARY SUE ROWLAND
This is a public service announcement:

Only 1 person in 10 knows there is a local election on November 3 and there are candidates on the ballot. Are you the 1 in 10? If not, here is a quick reference. You probably remember the May Primary Election that was held to narrow the ballot to the candidates that would appear on the November General Municipal Election ballot. In November, the selection is between the two parties since the candidates for each party were selected in May. Everyone follow so far?

Now, the good news. The fall municipal (November) election is very important because if you voted in May now you must finish the process so your May election winners have an opportunity to win in November. In other words, if you took the time in May to vote and to make your selection then it is equally important to make your May vote count by voting in November. If you did not vote in May, it still is a good idea to vote in November. The November ballot is much shorter than in May because most candidates are not contested by the "other" party. The result is that voting in November will take about 1 minute and there probably will not be a long line. But as you know, voting is a privilege, seriously.

The General Municipal Election is being held in Noblesville, Fishers, Cicero and Arcadia only because the other cities and town have no contested races. The November election is open to voters who are residing within the city or town limits throughout the county. So if you live in the towns of Noblesville, Fishers, Cicero and Arcadia and are a registered voter you can vote in the upcoming election.

Oh, yes the good news. You do not have to wait until November 3rd to vote at your polling place. You can vote now. Did you know that you can vote every day except Sunday at the Hamilton County Judicial Center in downtown Noblesville? Weekdays you can vote from 8:00 am to 4:30 pm and on Saturday from 9:00 am to 4:00 pm. Just follow the "Vote" signs. Voting is also open on November 2nd from 8:00 am until noon. After November 2nd voting will take place at the polls on November 3rd in the cities and towns from

CHAMPIONSHIP CLASH AT CARMEL

Reporter photo by Kent Graham

The Carmel football team runs out on to the field before the start of its Sectional 4 championship game with Fishers Friday night. The Greyhounds won their third consecutive sectional title (and 27th overall, the most in Indiana) by the score of 28-7. Read all about this and the other sectional games in our sports section, starting on Page 5.

Second in a series as HAND Conference approaches...

Baby Boomers and the need for more affordable senior housing

EDITOR'S NOTE: The Hamilton County Area Neighborhood Development (HAND) will conduct its Neighborhoods NOW Conference on Nov. 10. HAND has created descriptions of the four prominent themes of the conference. The second runs today; the next two will appear in future editions.

The Boomer Generation will increasingly will drive the housing market, and Hamilton County needs to prepare for this expansion. "Boomers" were born between 1946 - 1964. In 2011, this generation began to reach the "retirement age" of 65. There will be nearly 20 more years of Boomers entering their senior years. Medical advances have helped peoples live longer, with an average life expectancy of 78 years.

Throughout Indiana, the vast majority of this population does not have adequate assets saved for retirement, and many will rely on Social Security for their sole source of income. In Indiana, only half of private-sector workers participate in retirement plans and the average balance of a retirement plan is \$26,971. High payments for either rent or mortgage will increasingly burden the Boomer Generation.

There will be a substantial need for more senior-friendly housing to combat isolation and accommodate the aging population that

will continue to grow through the middle part of the 21st Century. The rapid growth of Assisted Living facilities in Hamilton County proves the demand, but these are short-term, costly facilities not designed to resolve ongoing, permanent housing needs of Seniors.

The housing interests of Boomers complement those interests of Millennials in terms of walk-able communities with easy access to amenities and services. The cities in Hamilton County are constructing comprehensive networks of trails and sidewalks, but some communities struggle to maintain their aging infrastructure.

Current zoning ordinances in many Hamilton County communities make it difficult to build smaller houses on smaller lots, which many seniors seek when wishing to downsize, both in terms of cost and actual house-size. A smaller and less expensive house and yard is easier to maintain, yet can be difficult to find in Hamilton County. Furthermore, establishing construction standards that require Universal Design and Visitability are ways to prevent costly modifications in the future and develop a housing product that serves all.

Want to learn more? Join HAND on November 10th at their inaugural Neighborhoods NOW Conference. Visit www.handincorporated.org to stay informed.

226th Street/Jay Ditch bridge is...

First GRS-IBS structure in Hamilton County

The Hamilton County Highway Department is excited to announce the replacement of Small Structure #31008 (Bridge #301 at 226th Street and Jay Ditch in Adams Township) is complete.

This marks Hamilton County's first **Geo-Synthetic Reinforced Soil - Integrated Bridge System (GRS-IBS)** infrastructure. GRS-IBS is a form of accelerated bridge construction that has been adopted by the Federal Highway Administration (FHWA). This innovative project was chosen for its ease and speed of construction at a relatively low cost compared to a conventional bridge foundation. While

GRS-IBS structures have been built in other States, Indiana is in the process of embracing it.

The Federal Highway Administration (FHWA) provided valuable technical assistance. In addition, FHWA held a design-construction workshop for the Hamilton County Highway Department and others in the local transportation industry. Furthermore, Indiana Local Technical Assistance Program (LTAP) at Purdue University will showcase the construction of the second Hamilton County's GRS-IBS structure in spring 2016.

The County Highway Department is planning two additional GRS-IBS structures for 2016 construction and have more in design. These projects are a testament to Hamilton County's continued commitment to adopting and implementing innovative projects. Hamilton County would like to recognize the following partners, who made this a very successful project:

- Federal Highway Administration
- USI Consultant (Consultant)
- Hoosier Pride Excavating (Contractor)
- Reading Rock (Brick Supplier)

Noblesville Main Street to benefit from Kroger Community Rewards

Noblesville Main Street is happy to announce another line of support to help provide cultural arts events and programs in downtown Noblesville. Recently, the organization was enrolled as a benefactor of the Kroger Community Rewards program, which awards a percentage of purchases of registered plus card members to Main Street on a quarterly basis.

"At Kroger, customer service and community service really are the same thing, and we take both opportunities seriously. We not only encourage and empower employees in support of thousands of local organizations, but we create ways for customers to join us in supporting local community needs as members of our extended Kroger family. Community Rewards allows customers to designate which local organization will receive a share of their shopping dollars. Our customers determine the priorities and Kroger provides the funding," said John Elliott, public affairs manager. "As the Kroger leader responsible for the Community Rewards program and as a resident of Old Town Noblesville who cherishes our

historic downtown, I believe it is important to support Noblesville Main Street in every way possible."

Local shoppers can also register Noblesville Main Street as their Community Rewards benefactor by visiting Kroger.com/communityrewards, creating an account and selecting Noblesville Main Street organization number 10471.

"This program is a great way to help us provide programming in downtown Noblesville. We appreciate the support of the Kroger team and their local focus will help us continue to do great things in our community," said Chris Owens, executive director of Noblesville Main Street. "As a consumer, I'll admit I get a little excited knowing that some of my family's weekly spending goes to help support opportunities for community engagement and interaction."

Questions about enrolling as consumers can be directed to the Noblesville Main Street office at 317-776-0205 or info@noblesvillemainstreet.org.

6:00 am to 6:00 pm. This option is for any Hamilton County cities and towns who have candidates that are opposed on the local ballot. If you wish to vote early, the Judicial Center is the big building that sits on 8th street between Logan Street and Conner Street next to White River. The other option is to vote as usual on November 3rd at your polling place.

Only a few days remain to cast your vote and it is important. It has been said, "If

you don't vote then you cannot complain" and everyone likes to complain about government. Don't miss your chance.

For more details about the candidates, see on earlier article in the Hamilton Reporter or google "Elections Office Hamilton Co Indiana and then go to current election information"...or call the elections office at 317-776-8476, Kathy Richardson, Elections Administrator.

Led by Shannon & O'Reilly....

Lady Millers look good

By DON JELLISON

Reporter Editor

If you're a Noblesville girls basketball fan this winter, you've got to be a little pumped. Actually, more than a little pumped.

Coach Donna Buckley tells it best.

"We are looking forward to the season," said Buckley. "We have a loaded schedule that will feature numerous ranked opponents and tremendous individual talent.

"We are excited to get going."

The individual talent are a pair of seniors who a year from now both plan to be playing Division I college basketball at Florida Atlantic University.

Millers fans will remember Alexis Shannon and Katelyn O'Reilly. Shannon was the second-leading scorer in Hamilton County with an 18.2 mark. O'Reilly was fifth, averaging 15.1 points a game. O'Reilly also was No. 1 in free throw shooting with an 84 percent mark. Shannon was fifth at 75.

Shannon and O'Reilly, of course, are targeted to be in the starting lineup, O'Reilly at forward and Shannon at guard or forward. The other three starters appear to be junior Brooke Herron and senior Rachel Shipman at guard and sophomore Emily Kiser at guard/forward.

Kiser is 6-2; O'Reilly 5-11 and Shannon 5-10.

Kiser averaged 5.8 points and 5.2 rebounds a game as a freshman. Herron scored at a 4.0 clip and Shipman averaged 2.2 points a game.

After those starting five, spots appear to be open. In that group with the most experience is Haley Conway, a 6-0 senior forward/center.

Herron is a junior. The only other junior on the team is 5-3 guard Sam Salmon.

Joining Kiser as the only other sophomore is 5-7 guard/forward Olivia Morales.

Freshmen include Mallory Johnson, Madison Whertro, Maddie Knight and Kaylin Mertens.

Noblesville's schedule is loaded, starting with Lawrence North on the road on Nov. 5. The Lady Millers will play in the White River Valley Classic at Franklin County on Dec. 22-23 and then a week later will travel to New Castle for the Hall of Fame Classic.

Noblesville's Alexis Shannon was the second-leading scorer in Hamilton County last season, averaging 18.2 points per game. Shannon will be a senior for the Millers this season, and has committed to play at Florida Atlantic University.

Without Gerka....

Tigers look for help

By DON JELLISON
Reporter Editor

Looking at a "reloading" type of season for 2015-16, Fishers coach Michael Gaines said, "We graduated a significant amount of production and experience from last year's team, so we will need to mature quickly and learn to compete at a high level."

That hope likely has been set back a couple of notches with an injury to Kara Gerka.

Gerka is coming off a terrific junior season. She was No. 3 in Hamilton County scoring with a 16.1 average. She was sixth in rebounding, averaging 5.9 points a game.

Gerka was a key performer as the Tigers roared to a 21-5 record.

The only other Tiger returning with varsity starting experience is 6-foot Hannah Kroehler, who averaged 3.3 points and 4.1 rebounds a game.

With Gerka gone, that has Gaines searching for a fifth starter to join Kroehler, 5-8 sophomore Ali Gerka, 5-6 senior Alex Von Kamecke and 5-6 sophomore Toni Grace.

That fifth starter likely will come from a group consisting of 5-6 senior Megan Forbes, 6-4 junior Audrey Turner, 5-4 junior Alexandra Bankovich, 5-8 junior Amanda Surber, 5-10 sophomore Casey Walker and 5-10 junior Jaela Baskin.

"Kara Gerka is extremely versatile and athletic," said Gaines. "Last year she led our team in scoring, rebounding, blocked shots and field goal percentage."

How long will Fishers be without its senior ace? Gaines isn't quite certain.

"We are optimistically hoping that she will be back sometime in early to mid-December," Gaines said.

Fishers will open its season on Nov. 3 at home against Lawrence Central. The Tigers will play in the Hamilton Southeastern Classic and the Lake Central Classic in early November. A mid-December return for Gerka could mean she will miss Hoosier Crossroads Conference games with Westfield, Zionsville, Noblesville and Hamilton Southeastern.

"Team defense and interior scoring will be the focus of our team's development," said Gaines.

The Carmel football team won the Class 6A Sectional 4 championship Friday, beating Fishers 28-7 at Carmel Stadium. It's the state-leading 27th sectional title for the Greyhounds, who play at Homestead next Friday for the Regional 2 championship.

Viktrup rushes for three TDs, throws for one...

Carmel beats Fishers for Sectional 4 title

By RICHIE HALL
Reporter Sports Editor

Three rushing touchdowns from quarterback Michael Viktrup led Carmel to its third consecutive sectional championship Friday night.

The Greyhounds broke free from a 7-7 halftime tie to get past Fishers 28-7 in the championship game of Class 6A Sectional 4, which took place at Carmel Stadium. The senior Viktrup had a hand - well, most of the time it was a foot - in each of the scores, helping his team to add to its record-setting sectional total. Carmel now has won 27 sectional championships, the most in Indiana.

The 'Hounds will travel to Fort Wayne next week to play Homestead for the Regional 2 championship.

"You don't look ahead," said Carmel coach John Hebert. "You just don't think about anything besides that game right in front of you. When you're playing a team that's led by Coach Wimmer, their defensive coordinator John Jud. They're excellent coaches. They put together a great plan and we're fortunate to come out on top with all the mistakes that we made."

Defense ruled the first half, which ended with both teams scoring a touchdown each. Carmel struck first, as Viktrup used a 10-yard run to get his team on the board. After that it became a defensive chess

match, with the teams holding each other to punts, and the occasional interception.

In fact, it was a pick that enabled the Tigers to tie things up in the second quarter. Fishers interrupted a Carmel drive before it began, when Jeremy Chinn took an interception 55 yards to score. Ben Norton's kick made the score 7-7, and that's where the half would end.

"We played well enough defensively," said Fishers coach Rick Wimmer. "Our defense came up with some turnovers and gave us opportunities."

The Greyhounds scored in the first drive of the second half. Viktrup launched a 28-yard pass to Kurt Rafdal to get Carmel on the move, and finished it with a 37-yard toss to Tobias Watkins for a touchdown. The 'Hounds second touchdown of the quarter came late, but it again started with a big Viktrup throw: He tossed a 50-yard pass to Nathan Melchi to get the ball to the 9, then Viktrup ran the ball in from there to score.

Viktrup finished things up with a two-yard touchdown run with 7:36 left to go in the game. Nick Stacy converted all four extra-point kicks.

"It's a great offense, and you just know things will come together if you stay positive and keep fighting," said Carmel coach John Hebert. He credited his seniors with re-grouping after a pedestrian first half -

"Just wasn't the kind of game we needed to play offensively in order to be successful," said Wimmer. "You got to give Carmel credit. They're a great football team, and we weren't good enough to beat them tonight, but I thought our defense played well enough, if we play a better game offensively, able to do some more things, then it's a much different game."

Fishers finished its season at 7-4.

Another halftime chat...

Westfield rallies in 2nd half

Westfield football coach Jake Gilbert is a pretty smart guy. No question about that.

But, in nearly a full season coaching his Shamrocks, Gilbert still hasn't figured out the 'Rocks.

"I can't figure out this team," said Gilbert after watching his Shamrocks advance to the Class 5A, Sectional 11 championship game after a 42-22 victory over Harrison last evening at Westfield.

Westfield trailed 15-14 after one quarter and also 15-14 at halftime.

Then, in the third quarter, Westfield outscored the Raiders 21-0.

"We were down to Brebeuf 21-0 at halftime last week and 15-14 tonight," Gilbert said. "I don't know what to think."

At halftime, Gilbert did more talking than thinking.

"I didn't say much last week," said the coach, "but tonight I went wild. You just can't take these games for granted."

Gilbert picked a "player of the game."

"It was Jonathan Swidan," Gilbert said. "He scored four touchdowns, two rushing and two passing."

Swidan, a junior, caught three passes for 116 yards. On the ground he carried 10 times for 44 yards.

Quarterback Ryan Pepiot had a good night throwing the pigskin. He was 8-of-14 for 219 yards and three touchdowns.

"Ryan had two passes intercepted, but he played well," said Gilbert.

Milo Beam had three catches for 90 yards and a touchdown.

On defense for Westfield, Lucas Schultz had two pass interceptions and Noah Smith and Spencer Stachyra each recovered a fumble. Josh Tuffnell had five solo tackles and 12 assists; Jackson Garrett three and eight and Schultz three and seven.

Westfield's Ryan Pepiot gets in the end zone on a quarterback keeper during the Shamrocks' sectional victory over Harrison Friday at Riverview Health Field.

"What is important is that we won and we will still be playing next week," said Gilbert.

Westfield will host Lafayette Jeff in the sectional championship game.

Slow start hurts Huskies....

Huskies fall to WL, 34-21

Host West Lafayette leaped away to a 14-0 first quarter advantage and went to halftime with a 28-7 lead on its way to eliminating Hamilton Heights, 34-21, from sectional competition Friday evening.

In a battle on the ground, the Red Devils ran the pigskin 44 times for 358 yards while holding the Huskies to just 67 yards in 26 attempts.

Travis Rolle carried 25 times for 138 yards to pace West Lafayette. The Red Devils' defense held Heights' Clayton Cowan to 60 yards in 22 carries.

Heights' offense was keyed by the passing game of Josh Feltz. The junior slinger was 24-of-51 for 241 yards.

Sterling Weatherford had 10 catches for 111 yards; Jesse Brown six for 58 and Caymn Lutz five receptions for 42 yards.

West Lafayette got off to a fast start. Rolle scored from the three with 10:15 still left in the first quarter and then added to that when Mikey Kidwell passed 10 yards to Jonah Williams.

Coach Mitch Street's Huskies got on the board to start the second period when Weatherford caught a 22-yard TD toss from Feltz.

West Lafayette bounced right back before halftime, getting a 25-yard TD run from Kidwell and a 13-yard pass from Kidwell to Rolle.

Hamilton Heights got back in the game by scoring two times in the third quarter. Weatherford caught another TD pass from Feltz, this one for 27 yards. Then, Cowan scored on a one-yard run.

The hosts fought off the Heights' surge when Nai Carlisle broke a 74-yard run with 7:52 left in the game.

Hamilton Heights closed its season with a 7-4 record.

In a ground war....

Chatard edges Guerin

In what was a ground battle all evening long between Guerin Catholic junior Carter McGinnis and Chatard junior Gabe Coleman ended last evening at Lawrence Central when Chatard went 46 yards in eight plays for a touchdown and a 14-7 victory over the Golden Eagles.

Coleman went the final five yards and crossed the goal line with 7:14 remaining.

The sectional battle was much like a regular season slug fest when Coach Tom Dille's Guerin Catholic club defeated Chatard for the first time ever, 17-13.

With the loss last evening the Eagles finished their season with an 8-3 record.

This one was a running match between Coleman and McGinnis. McGinnis carried 29 times for 149 yards and one touchdown. Coleman carried 23 times for 170 yards and one touchdown.

Chatard had 52 rushes for 335 yards and Guerin Catholic carried 33 times for 136 yards.

Through the air, Guerin Catholic gained an advantage as quarterback Elliott Charlebois connected on 7-of-11 tosses for 51 yards. Chatard passed for 11 yards.

Neither team scored in the first half. Both missed field goals. Caleb Quick missed a 42-yard Guerin Catholic field goal attempt in the first quarter.

Chatard took a 7-0 lead in the third quarter, finishing a 16-play, 80-yard drive on a one-yard run by Jarrod Stiver.

Guerin Catholic's touchdown came in the fourth quarter when McGinnis went one yard for a touchdown and Quick booted the extra point.

Fuel double Komets 4-2

The Indy Fuel scored in bursts Friday night with goals coming 1:07 and 2:00 apart en route to a 4-2 win over the Fort Wayne Komets Friday night at Indiana Farmers Coliseum.

Josh Brittain led the scoring for the Fuel with two goals including the first of the game at 13:45. Indy defenseman Ben Marshall saw Brittain streaking down the slot and feathered a pass to him that he only needed deflect over the left shoulder of Spencer Martin (24 saves) to make it 1-0.

Just 1:07 later Cody Sharib extended the lead to 2-0, putting home the rebound of a Dillon Fournier shot.

The Komets managed to tie the game on goals from Drew Daniels and Jordan Southorn but the Fuel would once again register a pair of goals quickly to put the game out of reach. After a turnover deep in the Komets

zone during a Fuel penalty kill, Peter Schneider ripped a shot past Martin from the high slot at 16:57 for Indy's first short-handed goal of the season and a 3-2 lead.

After killing off the power play the Fuel struck again two minutes later when Brittain and Marshall hooked up in similar fashion to the night's first goal for the final margin of victory.

Shane Owen marked his 75th professional game with a win, making 27 saves for the victory.

- Three Stars:
 1- Josh Brittain (2 goals)
 2- Ben Marshall (2 assists)
 3- Peter Schneider (game-winning short-handed goal)

Notes:
 • Fort Wayne's Drew Daniels extended his scoring streak to five games with a point

(1-6-7), and his seven points lead all ECHL defensemen.

• Also extending scoring streaks for Fort Wayne: Peter Sivak (2-5-7), Mike Embach (2-3-5) and Shawn Szydlowski (2-7-9), all to five games in duration.

• Josh Brittain's goals were his first two as a member of the Fuel.

• Cody Sharib's goal was his first as a pro.

• Garret Bembridge recorded an assist on Sharib's goal for his 625th pro point.

The Fuel are back on the ice this Wednesday morning in Evansville at 10:30 am ET, with the Morellis Dry Cleaners Pregame Show starting at 10:15 on CBS Sports 1430 AM. The next Fuel home game is Friday, November 7 against Quad City at 7:35 pm, with a portion of the night's proceeds going to benefit November Indy.

Mets win Game 3, cut Royals lead to 2-1

After the Kansas City Royals won the first two games of the World Series at their place, the New York Mets are trying to hold up their end of the home-field bargain.

The Mets won Game 3 of the series 9-3 Friday at Citi Field, cutting the Royals' lead to 2-1. Game 4 of the World Series is set for 8 p.m. tonight, again at the Mets' field.

David Wright led the way for New York, as the team captain hit a two-run home run in the bottom of the first inning. That turned a 1-0 deficit into a 2-1 lead. The Royals grabbed the lead back in the top of the second with two runs, but they wouldn't score again: The Mets got the lead back when Curtis Granderson hit a two-run homer in the third inning. New York then added one run in the fourth, and blew the game open with four runs in the sixth inning.

Wright totaled four RBIs for the game on a 2-for-5 night. Granderson also finished 2-for-5. Chase D'Arnaud had two hits as well. Noah Syndergaard got the win, tossing six strikeouts in six innings.

Mel Daniels: 1944-2015...

Former center was a beloved Pacer

The Indiana Pacers Friday were deeply saddened to learn of the passing of former center Mel Daniels, a stalwart on the team's three American Basketball Association championship teams and a member of the Naismith Memorial Basketball Hall of Fame.

Daniels died Friday in Sheridan. He was 71. He is survived by his wife, CeCe and family.

"I join our extended Pacers family in offering my sincerest condolences to CeCe and Mel's family," said Pacers Sports & Entertainment owner Herb Simon. "We

will miss him greatly, but when we look at that Hall of Fame banner in Bankers Life Fieldhouse, we will be forever reminded of what he meant to this franchise."

Daniels was twice named the ABA's MVP (1969 and 1971). He played six seasons with the Pacers, averaging 19.4 points and 16.0 rebounds per game.

A four-time All-ABA selection, Daniels was named to the First Team in 1969, 1970 and 1971, and was a Second Team pick in 1973. He also was named the ABA All-Star Game MVP in 1971 and was the ABA's first Rookie of the Year in 1968 while play-

ing with Minnesota. He is the Pacers' all-time leading rebounder in the ABA (7,643) and he holds the Pacers' ABA record for rebounds in a single season (1,475 in 1970-71).

He is a graduate of the University of New Mexico.

Following the end of his playing career, he joined the basketball staff of the Pacers. He also was an avid horse enthusiast.

His jersey number was retired on November 2, 1985. In September 2012, he was inducted into the Naismith Memorial Basketball Hall of Fame.
