Noblesville Fire Department seeks donations for...

Annual Christmas Food & Toy Drive

The Noblesville Fire Department is seeking assistance from the community to ensure local families have a joyous holiday season. The fire department is currently accepting donations for their annual food and toy drive to benefit 120 less-fortunate families in Noblesville.

The fire department will be accepting canned goods, non-perishable food items, monetary donations (checks are preferred – made payable to the Noblesville Fire Department Legacy Fund), and new, unwrapped toys until Friday, December 11. Donations may be dropped off at any of the Noblesville Fire Stations or at Noblesville City Hall, 16 South 10th Street. Deliveries to the families will take place on Saturday, December 19.

“For nearly 40 years the Noblesville Fire Department has had the honor of delivering food and toys on behalf of the generous citizens and businesses of Noblesville, who willingly donate to this great cause. The gratitude displayed by the recipients of these gifts is impossible to describe,” Noblesville Fire Chief Greg Wyant said.

The Fire Department wishes to thank the outstanding businesses and individuals in the community who have given generously to the food and toy drive campaign each year. Without your generosity, many families and children would go without during the holiday season.

GOP rallies for Fall Dinner

By FRED SWIFT

With the focus now on next year's big elections, Hamilton County Republicans rallied Tuesday night for their annual Fall Dinner. While 2016 will feature the important presidential and congressional election, the spring primary will be the first target locally

for the GOP.

With victory in the primary being tantamount to election and with no slating in Hamilton County, it will be a wide open, highly competitive election in May. An open judgeship, a contest for a local state senate seat and a likely battle for control of the county council should make for a spirited primary campaign.

The mood at last night's dinner presented that of a unified and friendly political atmosphere. But, you can bet officeholders and candidates were sizing up their chances, and anxious to see if their likely opponents were present and who was consulting with who.

The crowd of around 350 at Ritz Charles last night was largely composed of the core of county Republican movers and shakers and major contributors representing firms doing business with local government agencies.

Also attending the function were Congresswoman Susan Brooks and Indiana House Speaker Brian Bosma along with state legislators from Hamilton County and numerous county and city officials.

Openly campaigning for nomination next year were Steve Carter, running for Indiana Attorney General; representatives of Todd Young, running for U.S. Senate, David Najjar seeking election as judge of Hamilton Superior Court 2, and Jeff Hern, candidate for County Council.

Officials, project workers and members of the Noblesville Street Department officially open the city's second salt barn in preparation for this winter's weather.

Noblesville opens city's second salt barn

Officials celebrated the opening of the Noblesville Street Department's second salt barn within the city this afternoon. Located at 12575 E. 166th St., the new facility means the city will be ready and more efficient and economical for bad weather, starting this year.

“It will make us more efficient during the winter months because in the past with only one salt barn we were frequently having to take deliveries of salt at the same time we were out fighting snow on the roads. We drew staff off the road to be there to take

that delivery,” Noblesville Street Commissioner Patty Johnson said.

The addition of the second salt barn means the street department can house all of its salt order before the season starts and

Westfield's IMMI ahead of the curve as...

NHTSA endorses seat belts for school buses

The National Highway Traffic Safety Administration made news earlier this week when it endorsed putting in seat belts for school buses.

But one Hamilton County school district has actually been ahead of that recommendation. Westfield-Washington Schools announced in March that it became the first county school district to install seat belts in its buses. Westfield-Washington partnered with IMMI, a Westfield-based advanced safety system company, to get seat belts in its buses. IMMI is the leading provider for school-bus seat belts.

IMMI president Tom Anthony told the Inside Indiana Business Web site that the NHTSA's announcement was "a victory for children and for the parents and advocates" who had been pressing to get seat belts installed in buses.

On its Web site (www.imminet.com), IMMI touts the improved safety and behavior that seat belts on buses can provide. It said that one district reported that discipline improved by 90 to 95 percent on some of its less well-behaved routes once it installed lap-shoulder belts.

Hamilton County Traffic Safety Partnership announces...

Increased patrols this Thanksgiving

The Hamilton County Traffic Safety Partnership, a consortium of law enforcement agencies including the Hamilton County Sheriff's Office, Carmel Police Department, Cicero Police Department, Fishers Police Department, Noblesville Police Department, Westfield Police Department, and Indiana State Police, announced it will increase patrols for the upcoming Thanksgiving holiday travel period – running November 13 through December 6, 2015. Officers will join more than 250 state and local law enforcement agencies, to conduct high-visibility patrols encouraging drivers and passengers to drive sober and buckle up for safety.

"The Thanksgiving holiday period is an extremely busy travel time in Indiana," said

Hamilton County Sheriff Mark Bowen. "Our focus is on keeping drivers and passengers safe. Increased patrols will allow us to look for intoxicated drivers or those unrestrained and remind them, buckle up and drive sober. If we do see you unbelted or suspect you've been drinking, we will pull you over."

Increased enforcement during the Thanksgiving holiday period is an annual statewide effort supported by federal funding allocated to the Hamilton County Traffic Safety Partnership from the Traffic Safety Division of the Indiana Criminal Justice Institute (ICJI). Officers from law enforcement agencies across the county will work overtime to conduct sobriety pa-

trols, checkpoints, and seat belt patrols around the clock.

According to ICJI, in November 2014, there were 520 alcohol-related crashes across Indiana, resulting in 235 injuries and 3 fatalities. Additionally, in the same month, crash reports indicate 276 accidents involved a driver or a passenger unrestrained, resulting in 303 injuries and 15 fatalities.

Further, vehicle crashes are the leading cause of death for kids between the ages of 8 and 15. For families with young children, it's important to have a properly installed child safety seat or booster seat for each child. Parents can visit www.childseat.in.gov for a list of locations and a toll-free phone number to speak with

experts about the proper installation of child safety seats

"Keeping our drivers and passengers safe during increased travel times is a priority for us in the State of Indiana," said ICJI Director Dave Murtaugh. "Both driving unimpaired and buckling up saves lives, and we will continue to strengthen our partnerships and efforts to make Indiana roadways the safest in our country."

store more salt than it could previously. The new facility hold 5,000 tons of salt and the other salt barn houses 3,500 tons. Johnson said an average snow storm requires approximately 600 tons of salt to cover the entire city.

"By having two barns now, we should always be able to take delivery of our salt in the off season like right now. That helps tremendously not having to worry about that," Johnson said.

The second salt barn, which includes a 10,500 gallon tank for calcium chloride, also saves the city fuel and time and should make a visible impact immediately when utilized.

"The people on the eastside of Noblesville should see an improvement on their service and response time when winter hits because of the new salt barn. The new facility is estimated to save our drivers an hour and 15 minutes every time they have to refill," Mayor John Ditslear said.

The street department's other salt barn is on 16101 River Road on the west side of Noblesville. The department also uses one bay at its 1575 Pleasant St. building to make a salt brine.

Kokomo's best team ever???

Westfield's next opponent

By DON JELLISON
Reporter Editor

Arguably, Kokomo has the best foot- ball team in its history.

The Wildcats couldn't have done much better. They are 11-0, with a sectional championship, heading into hosting the regional this Friday.

Just in time for the arrival of Westfield for a 7 p.m. battle.

The game isn't exactly a match-up of a Hoosier Crossroads vs. old Hoosier Cross- road, but it has the taste of being one. More like Hoosier Crossroads and North Central Conference, but the HCC is a loop which welcomed in old HCC teams Mc- Cutcheon, Harrison and Lafayette Jeff two years ago.

All of which, actually, means little to Friday's regional game, unless you want to scoreboard compare a little.

Westfield won a sectional champion- ship last week by defeating Lafayette Jeff 45-27. Back on Sept. 18, Kokomo beat Lafayette Jeff 46-14 in a North Central Conference game.

In the first round of the sectional, Westfield knocked off Harrison 42-22 after opening the season with a 38-21 win over Harrison. Kokomo has defeated Har- rison 48-14.

Reporter photo by Brian Reddick

Kokomo won its sectional by bombing Huntington North 57-0 after a first-round 20-15 win over Muncie Central. Both are NCC teams but Huntington and Kokomo did not play during the season. Kokomo did win during the season against Muncie Central 63-28.

Kokomo will come into the regional game averaging an impressive 45.4 points on offense and 14.5 on defense. Westfield is averaging 31.6 points a game and the 7-4 Shamrocks are allowing 31 points a contest.

"Kokomo is enjoying its best season in history, I believe," said Westfield coach Jake Gilbert. "I'm sure they have great chemistry. They are excellent offensively and look scary on film running the ball."

Run the ball is what the Wildkats do best. Senior Jeron Gray has carried 198 times for 1,672 yards; junior Keenen Wheeler 114 times for 1,127 yards and senior Marcelle Kenner 124 times for 897 yards.

That's not to say Kokomo can't pass. Sophomore quarterback Kyle Wade is 63-of-101 for 1,119 yards. The leading re- ceiver is Gray with 16 receptions for 168 yards.

But, Kokomo doesn't pass the pill like Westfield does. The Shamrocks' quar- terback, Ryan Pepiot is 201-for-354 for 2,546 yards.

Westfield's Noah Smith and coach Jake Gilbert watch the action on the field during the Shamrocks' sectional championship game with Lafayette Jeff last Friday at Riverview Health Field. Westfield travels to Kokomo this Friday to play for the regional.

Pepiot has thrown for 17 touchdowns and has been intercepted a dozen times. Wade has 13 TD passes and five interceptions.

Pepiot is Westfield's second leading rusher with 133 carries for 512 yards. His leading pass receiver is Evan Manley with 50 catches for 778 yards. Milo Beam, in eight games, has 26 receptions for 394 yards. Lucas Schultz, who is playing free safety on defense, has 29 receptions for 302 yards and Max McCool 43 receptions for 436 yards.

Kokomo's success has been somewhat surprising. The Wildkats were just 6-4 last year and lost to Harrison, 17-14, in the opening game of the sectional.

"We have to beat them in chemistry, in toughness, in physicality and in execu- tion," said Gilbert.

"I think we are getting better fast and findind out identity, finally. It has taken us awhile, but I really like where our team is right now. The kids have worked hard and the assistant coaches have done a terrific job.

"We will have to play a full team game for four quarters, but our kids know that and we are excited for the challenge," Gilbert concluded.

Tribe goes on a late warpath....

Fishers holds for win

By DON JELLISON
Reporter Editor

There were some shaky moments and then a great finish for Fishers all crunched into the last eight minutes of a game with visiting Anderson Wednesday evening in the Tiger Den.

Leading 11-5 after one quarter, 30-20 at halftime and then 42-29 going into the last frame, Coach Michael Gaines' Fishers crew had to fight off the Indians in order to win a 60-54 thriller.

Anderson got as close as five points, 48-43, with 3:29 remaining; again within five, 56-51, with 1:55 left, and then closed to within three, 56-53, in that final minute.

But, then came the good news. Toni Grace and Kara Gerka each canned two free throws to send Anderson home with the six point loss.

"I was proud how our team came together at the end," said Gaines. "Anderson applied the pressure and our girls responded.

"We got tired some against their press," Gaines continued. "They have quick guards; a good post and a very good outside

shooter. They hit their shots. We lost our focus a little."

But, overall it was a good night for the Tigers as this still-young team moved to 2-2 on the year.

Fishers dominated the boards 36-11 and shot 21 more free throws than did Anderson, while the Indians held the advantage on 3-point shooting and turnovers.

Fishers committed 31 turnovers in the game.

Three Tigers finished in double figures, led by sophomore Ali Gerka with 18 points. Junior Toni Grace scored 17 points off the bench and Hannah Kroehler added a dozen.

Fishers' size played a huge part in the win. Kroehler, the 6-0 senior, had 13 rebounds; 5-10 junior Jaela Baskin pulled 7, and 6-4 junior Audrey Turner collected 6.

"Kroehler had a great night on the boards," said Gaines. "It seems every time a rebound came off, Hannah had it."

Grace led the team with five steals. She also played a key role as Anderson was charging. With the score at 48-43, Grace stole the basketball; scored a bucket on the play and added a free throw. Then, Gerka made a full-court pass to Megan Forbes for a two-pointer.

Fishers will join Hamilton Southeastern on Saturday as the two Hamilton County clubs play in the Lake Central Invitational. Fishers and HSE will not meet.
