Steve Dillon, director of the Excel Center, speaks to the assembled gathering during the ribbon cutting ceremony for the center's newest location, at Noblesville's Ivy tech campus Tuesday morning. Several Noblesville dignitaries attended the event, including State Representative Kathy Richardson (far left), Noblesville Chamber of Commerce president Bob DuBois (second from right) and Noblesville Mayor John Ditslear (far right). More pictures appear on Page 2.

The Excel Center opens in Noblesville

Having grown up with an alcoholic and abusive stepdad, Alex Knutson was forced to drop out of high school after receiving several broken bones and coming down with a bad case of mal-nutrition.

She has since turned her life around, graduated with her Core 40 high school diploma and hopes to continue her dream of becoming a Forensic Scientist, all thanks to the Excel Center.

The Excel Center provides adult students the opportunity to earn a high school diploma and begin post-secondary education tuition-free, while developing career paths that offer more employment and growth opportunities.

A formal ribbon cutting took place Tuesday morning for the Noblesville branch of the Excel Center, which is

located in the Ivy Tech Campus at 300 N. 17th St., although the Excel Center actually welcomed its first students in August. The center also hosted an open house Tuesday afternoon for prospective students.

The Excel Center creates a flexible environment that gives each student a realistic path for their educational success and career. All students are paired with a life coach who works with students to encourage continued education and monitor progress. When necessary, life coaches work with students to find solutions to life challenges that may hinder progress.

The goal at the Excel Center is to "meet students where they are" by providing a flexible structure and supportive relationships to help students manage their studies, work,

life, and family concerns as they achieve their educational goals.

The school provides:

- * Course facilitation from licensed teachers
- * Online support
- * A drop-in center for free child care
- * Paid tuition costs for students to earn industry-recognized certificates or dual college credits at local colleges and universities
- * Extended hours and day and evening classes
- * Accelerated 8-week courses
- * Year-round operation

You can find more information at the Excel Center's Web site: www.excelcenter.org

Indiana State Police, Sheridan Police will host...

Public Forum on active shooter situations

The Indiana State Police, in conjunction with the Sheridan Police Department, will host a public forum on the topic of active shooter situations.

The forum is scheduled for 7 p.m. Tuesday, Dec. 8 at the Sheridan Community Center, 300 E. 6th St., Sheridan. The general public is invited, but the content of the forum is not recommended for children under the age of 14. This forum will include presentation of the Indiana State Police's nationally recognized program, Unarmed Response to Active Shooter Events.

The goal of the program is to provide prevention strategies and response options to increase the opportunity to survive an active shooter event. The options presented may enhance safety and security while awaiting response by law enforcement. This presentation expands the prevailing paradigm of simply "run, hide, fight" in the event of a violent encounter. This forum will provide an opportunity to speak with law enforcement about your concerns within your community, and help you prepare yourself for the unthinkable.

This program has been presented to dozens of school systems around the state, including Sheridan Community Schools. The video scenario in the presentation was filmed at Sheridan High School in 2014. This will be the first community forum presented by the Indiana State Police of its kind. Further information about this program can be located at www.in.gov/isp.

SPECIAL NOTE: The Sheridan Community Center has a capacity of 200 people, there is no charge to attend this forum and seating will be on a first come first serve basis.

At Grand Park...

Beam signing for indoor facility

A beam signing was held Tuesday for the Indoor Sports Facility at Grand Park. Mayor Andy Cook, Don Rawson (Indiana Sports Properties), Ginny Byrd (Jonathan Byrd's Hospitality & Restaurant Group), Westfield City Councilmembers, Grand Park staff and representatives from Holladay Construction and Jonathan Byrd's participated in the event by signing their names on the beam, which will be the last placed during construction.

"This is a big day for the City of Westfield and for Grand Park," said Mayor Andy Cook. "This is a key component for Grand Park becoming a year-round sports destination."

"This spectacular facility will accommodate several sports and non-sporting activities. I am confident that this facility will exceed expectations in every measurable way and in the next few months, I expect to make several announcements to confirm plans for several events and organizations that will be using this facility beginning in 2016," said Don Rawson, President and CEO of Indiana Sports Properties.

The state-of-the-art indoor facility will house three full-size 345 ft. x 245 ft. synthetic grass fields that can be used for training, leagues and tournaments for all

field sports. The clear span over each field has a minimum of 40 ft. and maximum of 73 ft. There are two elevated concourse areas for spectator viewing, locker rooms and multiple large rest rooms.

The facility will also become the new home for the Indiana Soccer Association and its staff of 12 employees.

With the addition of a custom-designed lodging facility to be owned and operated by the Byrd Hotel Group (a division of Jonathan Byrd's), the indoor facility also offers an ideal location for conventions and large-scale special events.

"These are exciting times for Westfield and for our company. What has been created here is simply amazing and we are extraordinarily proud to be part of it," said Ginny Byrd.

"The opportunity this new large-scale space provides us to attract certain kinds of groups to the county in addition to sports teams is exponential," said Brenda Myers, President/CEO of Hamilton County Tourism. "We are already working with the Grand Park leadership to identify those targets and look forward to the opportunities."

The 370,000 square foot arena is being constructed as a public private partnership with Indiana-based Holladay Properties.

Westfield Mayor Andy Cook was among those participating in a beam signing Tuesday at Grand Park. Names were signed to the beam that will be the last one placed during construction of the new Indoor Sports Facility.

Indiana Sports Properties is the primary tenant and operator of the facility. Jonathan Byrd's will operate multiple foodservice operations in the facility.

It is fitting for Sheridan Rotary to participate in this work because all across the world Rotarians are busy helping others succeed. The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster. By helping others right here in Sheridan we foster a sense of community not only among our members but all throughout our community.

Sheridan Rotary is composed of a wide range of individuals devoted to helping others. Some of us are local, some are not so local, but we all have a connection to Sheridan and a belief that through our collaborative efforts we can make a difference in our community.

The Rotary Club of Sheridan meets on Tuesdays at 6:15 pm. On the first and third Tuesdays we meet in the Community Room of the Sheridan Public Library for a formal meeting and a meal and an interesting program of one sort or another following. The other Tuesdays we are busy performing various community service projects such as packing food boxes or working in the local parks. We would be pleased to have you come to a meeting sometime either for a meal and the program, or you are welcome to join us just for the program.

WILLIS From Page 1

ers, Noblesville and Westfield to address the unique challenges of their cities.

Hamilton County has seen an explosion of growth over the past decade and is the fastest growing county in the state with continued growth on the horizon. By 2050, Hamilton County is projected to double in size.

"We are blessed in Hamilton County with strong municipal leaders and our school Superintendents are among the best in the state. However, often times, they have not been given the resources necessary to deal with the unique challenges our district faces," Willis said.

Willis and his wife Stacey have three children in the Westfield Public School system and education is Willis' number one concern. "Hamilton County has seen tremendous growth in the last two decades in large part due to our great schools. Our schools have consistently been asked to do more with less as our tax dollars are redistributed throughout the state. The current school funding formula has made it extremely difficult for our schools and puts education in Hamilton County at risk. It is important our children have a strong voice in the Indiana Senate to ensure our local leaders have the funding necessary to maintain high standards for our schools now and in the future, and that will be my top priority while representing our community," Willis said.

Willis has a unique wealth of experience both as a small business owner and Colonel in the Marine Reserves that lends itself well as a State Senator. He has worked with both large and small businesses to attract top talent and grow their businesses in the challenges of today's economy. In addition, he has worked with state, federal, and foreign government agencies to negotiate complex agreements that require coordination between groups that have dramatically different priorities. Willis has a proven ability to listen to all points of view when working with these groups, and has shown that he has the patience and understanding to work with others in the State Senate while keeping the priorities of District 20 first."

Ross Forest “Bud” Harris

April 1, 1940 - November 28, 2015

Ross Forest “Bud” Harris, age 75, of Sheridan, passed away at his home on Saturday afternoon, November 28, 2015, surrounded by his loving family. Born on April 1, 1940 in Boone County, Indiana, Bud was the son of the late Russell Leon and Avianell K. (Harshman) Harris. After graduating from Kirklin High School with the class of 1958, he would proudly serve his country with the United States Air Force during the Vietnam War. Prior to his time in the Air Force, Bud worked for Pittman Moore. After returning from military service, he went to work for the Allison Transmission division of General Motors. He was a machinist with Allison’s for a little over 30 years. After retiring from Allison’s, Bud became a grounds keeper for Ulen Country Club in Lebanon for 10 years.

Bud had many passions in his life, but none was more important to him than his family and their activities. The importance of family was instilled in him as a young man. He assisted his father, and later would continue his life long family legacy of raising Polland China swine. When it became time to find a replacement for Harvey Harris as a Marion Township 4-H leader, Bud was proud to carry the Harris tradition with 4-H for the next 20 years. Bud was also a die hard sports fan. He loved peewee sports. He was extremely proud that he was able to coach all 3 of his sons through the Sheridan Little League program. He was their coach for Football, Baseball and Basketball. Bud cherished his family. He loved keeping tabs on all of his nieces and nephews. However, it was his grandchildren that held his undivided attention.

There was one thing, well, possibly three things, that came ever so close to the love he had for family and tradition. That was without a doubt, Packers Football, Sheridan H.S. Athletics and IU sports. And even those became family traditions of their own. Playing in games and later watching games with dad and grandpa.

Bud was a member of UAW Local 933, Past Commander of the Sheridan American Legion, Past President of the Sheridan Lions Club and a member of the Terhune United Methodist Church.

Bud is survived by the love of his life, Janice Kay (Bailey) Harris. Bud and Kay were married on January 7, 1968, standing by each others side for 47 years. He is also survived by his 3 sons, Tim R. Harris (Tammy) of Fishers, Todd R. Harris (Denise) of Tipton and Trent R. Harris (Brandi) of Lebanon. 1 grandson, Matt R. Harris; 6 granddaughters, Claire, Morgan, Sylvia, Molly, Evelyn and Emryee Harris; 2 sisters, Winnie Lou Michael of Terhune and Wanda Lee Kercheval of Kirklin; and many nieces and nephews.

A celebration of Bud’s Life will be held at 7:00 PM, Thursday evening, December 3, 2015, at Kercheval Funeral Home, 306 E. 10th Street, Sheridan, IN 46069, with visitation from 3:00 pm until the time of service. Rev. Barry Faucett and Rev. Frank Ciampa will be officiating.

In lieu of flowers, memorial contributions may be presented to one of the following organizations: Sheridan Lions Club, Sheridan American Legion, Terhune United Methodist Church, Guardian Angel Hospice, American Heart Association or the American Lung Association.

Brady's pin clinches big Miller win

By **RICHIE HALL**

Reporter Sports Editor

Noblesville's young wrestling team had been getting some wins in their first two tournaments of the year.

But there's nothing getting a dual meet win, especially against a Hamilton County rival.

The Millers won a truly back and forth meet with Fishers Tuesday at The Mill, finally clinching the victory when Nick Brady scored a first-period pin in the 113-pound match. The final score: Noblesville 33, Tigers 31.

"I thought the kids wrestled well," said Millers coach Tom Knotts. "It's a great match because it's a rivalry. And we struggled some against good teams, and they're a pretty good team."

Noblesville got the first win of the night - Noah Long won by a second-period pin at 120 pounds - but the Tigers would take six of the next eight to jump ahead 25-12. That included pins by 160-pounder Nica Mohr and 182-pounder Dan Stevens.

But things turned around for the Millers in the next three matches. Ryan Leslie got it started with a 4-2 win at 195 pounds, then Noblesville's heavyweights, Sam Wertz at 220 and Brad Killion at 285, swiftly gave the Millers a 27-25 lead when each got first-period pins.

"The kids wrestled tough," said Knotts. "Our young kids came through. I thought Sam Wertz gave us a chance to win when he pinned that kid at 220."

The Tigers took the lead back when Alexander Strueder, the No. 7-ranked wrestler in the state, won his match by pin in the second period. But Brady secured the victory with his pin.

"There were some instances where some kids showed a lot of heart and toughness, and a couple matches we got down and came back," said first-year Fishers coach Ethan Harris. We got a long way to go.

Munson on fire in opener ...

Guerin zaps Herron

By DON JELLISON
Reporter Editor

Munson

Two things, arguably, that put a smile on the face of Guerin Catholic coach Pete Smith in the Golden Eagles' season opener Tuesday evening were: 1, the play of veteran leader Christian Munson; 2, Guerin won its season opener by blasting Herron, 84-62, at the Eagles Nest.

Arguably, Smith already knew the gem he has in Munson, who scored 24 points before retiring to the sidelines for all of the fourth quarter.

And, beating Herron, a good Class 1A team, was something expected of he now 4A Golden Eagles.

So much for the good stuff. What Smith didn't like was Guerin's defense.

Cunningham

The first half was good, the Golden Eagles allowing just 14 points while taking a 33-14 advantage to halftime. Forget the fourth quarter, too. Smith had his starters on the sidelines before the fourth quarter.

"It was an ok first half," Smith said after the victory, "but that third quarter was terrible. And, remember we gave up 110 points to Cathedral in our pre-season scrimmage."

In the third quarter against Herron, Guerin Catholic outscored its opponent only 30-25.

Munson was, simple Munson. He easily would have produced a 30-point night if not the early exit.

Perhaps that came because Smith was thinking about what is coming up this weekend. Both home games, the Eagles will face Hamilton Heights on Friday and Tech on Saturday.

Two other Eagles finished the game last evening in double figures, Calen Cunningham and Matthew Godfrey, each with 13 points.

There really was little doubt from the beginning who would win the game. Munson and Godfrey each canned two 3-pointers in the opening quarter as Guerin Catholic jumped to a 16-2 lead.

"Herron was giving us outside shots early," Smith said.

The Eagles drilled 10 shots from 3-point range.

Yount explodes as

Eagles fly to 69-22 win

By DON JELLISON
Reporter Editor

Even though Herron defeated Guerin Catholic on a last-second shot last season, Guerin Catholic coach Scott Miller knew that wasn't likely to happen again last evening in the Eagles Nest. Last year, Guerin Catholic had four starters sidelined.

And, it didn't happen. Miller's Golden Eagles flew to a 69-22 victory over Herron, moving their season record to 6-2.

The Eagles were coming off an impressive performance in a two-day tourney in Illinois, finishing third.

Guerin was a little banged up, included in that group star, 5-5 senior guard Sarah Yount.

"Sarah was a little nicked up," said Miller. "In the final game in Illinois she didn't shoot the ball at all in the fourth quarter because of a sore thumb.

Yount

Last evening against Herron, Yount scored 21 points and had a double, double with 11 steals.

With a sore thumb?

"She didn't show it tonight," Miller smiled.

Yount wasn't the whole show. Tori Sullivan scored 12 points and Annamarie Augustinovicz also was in double figures with 11 points.

Next up for Guerin will be another team which defeated Guerin Catholic last year, South Bend Riley. They will be at the Eagles Nest Saturday for a 2:30 p.m. start.

"They beat us by 20 points last year," said Miller. "They are good. They will be a real test for us.

"We didn't shoot well tonight," Miller added about the win over Herron. "But we had just six turnovers. That's good no matter who you are playing."

Coach Omega Tandy's Huskies were led in scoring by Kayla Kirtley with 13 points and Ashton Runner with 10 points.

Indiana Basketball HOF announces 55th induction class

Including the all-time leading scorer in Indiana high school basketball history, the all-time leading scorer in Indiana University and Big Ten Conference history, men who once held the all-time scoring records at Butler University and Indiana State University, a pair of Indiana high school state champion players, the record holder for state finals rebounding, a collegiate national champion player and a coach of two Indiana Mr. Basketballs, the Indiana Basketball Hall of Fame announces their 55th mens’ induction class.

Damon Bailey remains the all-time leading scorer in Indiana high school basketball history 26 years after he graduated from Bedford North Lawrence High School with 3,134 points. The 1990 Indiana Mr. Basketball, he led the Stars to three state finals appearances, including the 1990 state championship, won in front of a world-record crowd of 41,046 for a high school basketball game. A two-time Gatorade Indiana Player of the Year, he was a 1990 McDonald’s All-American, the consensus 1990 High School National Player of the Year and named by *USA Today* as the High School Player of the Decade. A 1994 All-American as a senior at Indiana University, he graduated having won more games in an IU jersey than any other player (108) including a school-record 11 NCAA Tournament wins, tied for 2nd in games played (132), the all-time leader in three-point field goals made (166), 5th in three-point % (.437), tied for 2nd in assists (474), and 5th

in career scoring (1,741). A 1994 2nd round draft pick of the Indiana Pacers, Bailey played with the CBA Fort Wayne Fury and in France. He has entered the coaching profession as head boys coach at Bedford North Lawrence from 2005-2007, then leading the BNL girls to a 4A state championship in 2014 as their head coach. A co-owner of Hawkins-Bailey Warehouse in Bedford, he is now in his 2nd season as an assistant coach with the Butler University women’s basketball program.

Bailey is inducted in his first year eligible (26 years after high school graduation), and becomes just the 9th player inducted into the Hall in their first year of eligibility (joining Steve Alford, Kent Benson, Larry Bird, Dave Colecott, Kyle Macy, George McGinnis, Rick Mount and Oscar Robertson).

Tom Bowman was a three-year sharp shooting starter at Martinsville High School who led the Artesians to two sectional championships before his record-setting career at Butler University. Totaling 1,334 points in three seasons, he broke Bobby Plump’s career scoring record for the Bulldogs. A three-time all-conference selection, he was the unanimous pick as the Indiana Collegiate Conference MVP in his junior season of 1961-62. He averaged a career-best 18.4 points per game that season, leading Butler to their first-ever NCAA Tournament appearance and an upset win over #9 Bowling Green. A 1963 draft pick of the Baltimore Bullets and one of six alternates for the 1964

U.S. Olympic team, he was one of 15 players named to Butler’s all-Sesquicentennial team in 2006. Retired from the Franklin Life Insurance Company, he resides in Lafayette, Colorado.

Calbert Cheaney set records at Evansville Harrison High School before a remarkable college and pro career. The only player in Harrison history to have his jersey retired, Cheaney holds the single-game school scoring record (47) amongst his 1,064 points as he revived the Warriors program with two city and conference championships. A three-time college All-American and the consensus 1993 National Player of the Year, he re-wrote the Indiana University record book, remaining today the all-time leading scorer (2,613 points) in school and Big Ten Conference history.

Setting the IU record for career starts (130) and graduating 2nd in career games played (132), he left with the school record in field goals made (1,018), 2nd in career FG % (.559), 4th in three-point % (.438) and having led the team in scoring all four years, he held three of the top 13 single-season scoring totals in IU history upon graduation. The #6 overall pick in the 1993 NBA Draft, he played 13 seasons in the league, totaling 7,826 points, 2,610 rebounds and 1,398 assists with Washington, Boston, Denver, Utah and Golden State. After his retirement as a player, he spent
