For State Road 37 upgrades...

\$100 million from the state

By FRED SWIFT
It's finally official, \$100 million in state funding is coming to Hamilton County to upgrade congested Ind. 37, making it a signal-free parkway from 146th Street into Indianapolis. Gov. Mike Pence himself made the announcement Thursday morning in front of a crowd of 200 or more political leaders, news media representatives and citizens.
The plan to replace signalized intersections with elevated roundabouts has been discussed locally for several years, but the huge cost required major assistance from outside the county. "The governor listened," said County Commissioner Mark

Heirbrandt when addressing the crowd at the Delaware Township Community Center.
In addition to the \$100 million in state funds, Hamilton County and the City of Fishers will each contribute \$12 million to the project. Noblesville which has no money at the present time, hopes to join Phase 2 of the improvements at some yet undetermined date. This second phase will convert intersections at Ind. 32, Pleasant Street, Town and Country Blvd., and Greenfield Ave. to the same type of roundabouts as those further south.
The project's first phase is set to begin in 2018, according to the governor. It will take three years to complete during which time officials say accommodations will be

made for businesses inconvenienced by the construction.
Only the owner of Fishers' Hot Box Pizza asked questions at yesterday's meeting about how access can be provided to the business. The owner was told she and other owners would be consulted one-on-one to try to arrange for their access.
Gov. Pence praised officials of the county, Fishers and Noblesville for working together with the Indiana Department of Transportation to bring about a satisfactory deal on the massive project. State Sen. Luke Kenley drew special thanks from Pence for assisting in bringing about the cooperative effort.

Fishers Mayor Scott Fadness told those in attendance that the new improvements will greatly cut drive time for the county's many commuters. He said his information shows 50,000 vehicles currently travel 37 each day and the situation is rapidly approaching gridlock.
Design renderings of how the new road will appear were on display at the announcement. They show a freeway-style roadway similar to Carmel's Keystone Parkway. It was rebuilt six years ago and has been called a great success over the former road which had a half-dozen grade level intersections through Clay Township.

Indiana Governor Mike Pence (left) talks with Luke Kenley after the Governor spoke about the planned upgrades to Ind. 37 in Fishers Thursday at the Delaware Township Community Center. Pence gave special thanks to Kenley for assisting in bringing about the cooperative effort for the project that will convert four intersections between 116th and 146th streets into roundabout interchanges.

What county leaders are saying about the SR 37 project

"The agreement forged today marks an extraordinary investment in our community that will benefit Hamilton County and the entire region.
"The leadership of Governor Pence and the collaboration with INDOT and local governments ensures an innovative and comprehensive project that will solve congestion challenges in the corridor while improving economic opportunities, quality of life for business and residents, and increased public safety for travelers."
Scott Fadness, Mayor of Fishers

"The cooperation between Governor Pence and the local governmental entities has made this a truly unique project that will serve all members of the region well."
Mark Heirbrandt, Hamilton County Commissioner

Eagles looking for two wins...

Guerin has home twinbill

By DON JELLISON
Reporter Editor

Munson

Guerin Catholic will try to break a two game losing streak this weekend when the Golden Eagles host Northwest on Friday and Muncie Central on Saturday at the Eagles Nest, Guerin's fourth and fifth straight home games of the season.

Northwest will be the foe on Friday and Muncie Central on Saturday.

Northwest is 0-4 with losses to Noblesville 71-49, Ben Davis 80-35, Liberty Christian 79-60 and Attucks 81-61.

Muncie Central has lost to Hamilton Southeastern 87-82 and has defeated Yorktown 71-49 and Shelby County (Kentucky) 79-64.

Guerin Catholic dropped back to back games to Hamilton Heights and Tech last weekend after opening the season with a win over Herron.

"Northwest has to be hungry for a win," said Guerin coach Pete Smith. "They're athletic and have a lot of experience back from last season. They will really be a challenge for our guys to stay in front on, and they are quick leapers.

"Muncie Central looked great for three quarters at Southeastern. I think they have their best team since 2011-12 when they were No. 1 in the state in 3A heading into the tournament. The (Phillip) Corthen kid has always given us fits, and they have 6-6 and 6-8 inside to go with him."

Smith hopes to get his Eagles turned around.

"Our team is not playing as well as I hoped, but I have to remind myself that we have so many new faces at the varsity level," Smith continued. "Something glaringly missing from last year's team is a toughness factor we have to develop.

"I'm happy with the improvement Jack Hansen is making. It's a big step going from starting on the freshman team last season to varsity action. He's making the transition well.

"It will be great to have Cameron Lindley back this week. We missed his floor leadership last weekend, no doubt, and it changes roles for several of our players when he's not on the court," Smith added.

Christian Munson is leading the Eagles in scoring with a 22.0 average, followed by Hansen at 13.0 and Matthew Godfrey at 12.0.

Reporter photo by Brian Reddick

Matthew Godfrey is averaging 12.0 points per game for the Guerin Catholic boys basketball team in its first three games. The Golden Eagles will take on Indianapolis Northwest tonight and Muncie Central on Saturday.

Tigers' string ends at Warren

Editor's Note. Fishers did not provide a box score of the Warren Central game.

Fishers had its season-opening 3-game victory string snapped last evening when the Tigers went on the road and fell at Warren Central 71-66.

Lance Dollison led the way for the Tigers with 24 points.

Cameron Wolter scored 14 and grabbed 12 rebounds.

Dollison

Fishers led at halftime 33-30 and stretched the lead out to 10 points halfway through the third quarter. But, Warren Central was able to make a run and closed the quarter leading by one point.

The Warriors' lead grew to 8 in the fourth quarter, but the Tigers made a run of their own of their own and got it to a one possession game late in the period, but were unable to get a basket and Warren was able to close the game out at the free throw line.

The Tigers are back in action again next Friday, Dec. 18, when they take on Hoosier Crossroads and crosstown rival Hamilton Southeastern at the Indiana Farmers Coliseum.

Sheridan opens conference season tonight...

Tough Tipton comes in Saturday

By DON JELLISON
Reporter Editor

Sheridan, coming off two victories after a season opening loss to Rossville, this weekend will try to add to that win total when the Blackhawks play at Clinton Central tonight and host Tipton on Saturday.

The Clinton Central game will be a Hoosier Heartland Conference game.

Clinton Central is 1-1 on the year with a 57-55 win over Delphi and a 69-37 loss to Eastern.

Tipton is undefeated. The Blue Devils have defeated Tri-Central 67-56, Northfield 81-36, Frankton 58-34 and Elwood 75-22.

“Clinton Central has a new coach who is getting his program started, and seems to have them playing hard and learning,” said Sheridan coach Chris Schrank.

“We will have to match their energy and effort to give us the best opportunity to win

“We played well on Tuesday (with a win over Faith Christian), and I hope that momentum from a double overtime win carries over to tonight.”

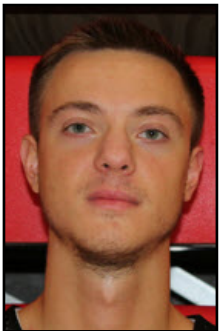

Tipton appears to be loaded.

“They are tough,” Schrank talked about the Blue Devils. “They have a

really tough player in Mason Degenkolb, and his supporting cast is strong, also.

“This game will be a real measuring stick to see where we are. On top of that, it will be our third game of the week. We have to focus in on Friday night’s conference game and then quickly turn around to focus on a very good opponent.”

Sheridan has two players in double figures. Chris Roberts is averaging 17.3 points a game and Jake Chesney is scoring at a 10.7 clip.

Greyhounds, Royals will test ...

Powerhouse North Central

Two of Hamilton County’s best teams will face one of Marion County’s top squads in boys basketball action this weekend.

Carmel will host North Central in a key MIC Conference battle tonight and then on Saturday Hamilton Southeastern will travel to North Central.

North Central is undefeated with wins over Metro 128-41, Richmond 63-41 and Hamilton Heights 87-39.

Coach Scott Heady’s Carmel squad will bring a 2-1 record into

Sterling Brown
Carmel

the game tonight at the Eric Clark Activity Center in Carmel.

The Greyhounds have knocked off Zionsville and Noblesville and lost to Lawrence Central.

The game with North Central tonight will be Carmel’s only game of the weekend.

Southeastern is idle tonight. The Royals will take a 4-0 record to North Central on Saturday with wins over Muncie Central, Lake Central, Avon and Pendleton Heights.

“We are moving in the right direction,” said HSE coach Brian Satterfield. “We show

Greg Miller
Southeastern

glimpses of how good we can be on defense, at times, but need to do it all the time. Our offense is starting to be a little more fluid as guys have a better feel for each other.

“Saturday will be a great test to see how fluid we really are.”

Satterfield said North Central will be a great challenge for his team.

“They are a very good veteran team,” said Satterfield. “Coach (Doug) Mitchell has them playing very well and unselfish.

“We will have to take care of the ball. Last year we had a stretch where we turned it over half of our possessions during a four-minute stretch that we never could recover from. They have many weapons. Thus, we will have to find a way to play great team defense.”

University is at home tonight ..

Trailblazers face 2 opponents

Entering a pair of games this weekend – at home tonight against Central Christian and on the road Saturday at Speedway, University has a 2-1 record. The Trailblazers have defeated Shortridge 76-31 and Lutheran 48-32 and lost to Park Tudor 64-34.

Coach Brandon Lafferman credits much of the success to the team’s defense.

“I am pleased with our defensive effort so far, especially in our game last Saturday against Lutheran,” said the coach. “I

Connor Holly

thought we did a great job of making it tough on them to get anything easy at the rim. Hopefully, we can continue that into this weekend.

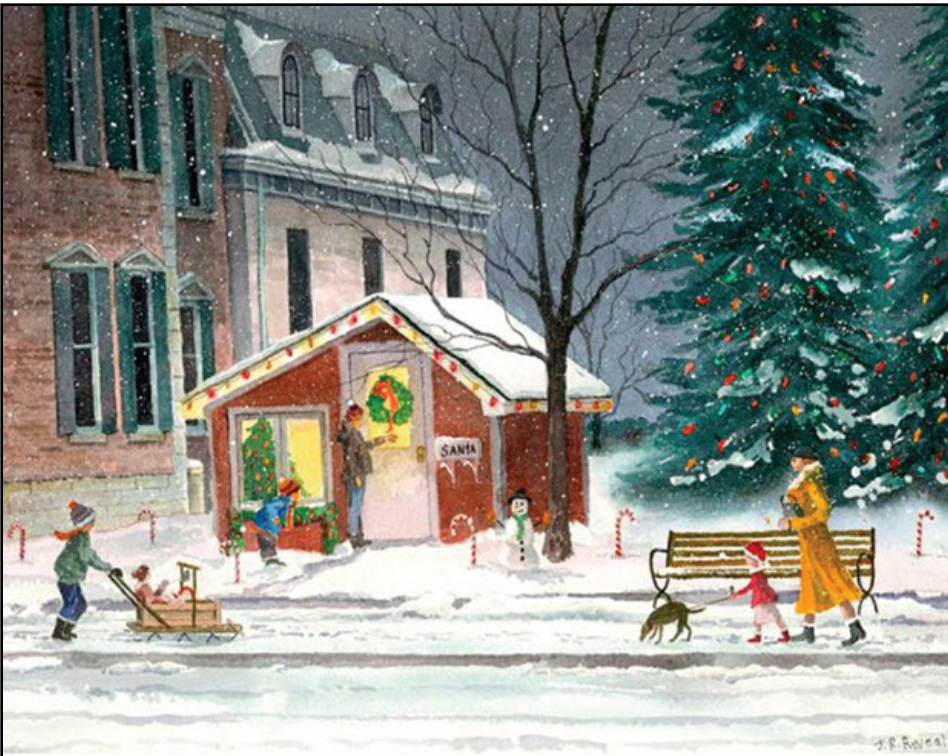

“Offensively, I expect us to get better each week.”

Tonight, University will host a Central Christian team which went 0-23 last season and this season has jumped out of the gate with wins over Waldron 60-57 and International 47-44.

“Central Christian has a completely brand new group of players from a year ago,” Lafferman looked at his foe. “Their roster is filled with talented young guards and they have a decent post payer, as well as some size. They play very hard. Hopefully, we can slow them down.”

Central Christian was Baptist Academy last season and apparently has picked up some new players with the school’s name change.

Saturday foe Speedway is 0-1 going into a game with Beech Grove tonight. They started the season with a 63-51 loss to North Montgomery.

‘Hawks fight to the end...

Hot-shooting Carroll edges Sheridan

By **RICHIE HALL**
Reporter Sports Editor

Welch

Sheridan girls basketball coach Jeff Guenther summed it up precisely after his Blackhawks battled Carroll Thursday night at Hobbs Gymnasium.

"It was a tough test," said Guenther. Sheridan fought to the end, but fell short to the Cougars 56-53. Carroll, which is ranked No. 10 in Class 2A, took the lead in the second quarter and kept it for the remainder of the game, thus ending the Blackhawks' five-game win streak. Sheridan is now 6-3 for the season.

But the 'Hawks stayed close, never allowing the Cougars' lead to get out of hand. In fact, Sheridan scored eight unanswered

points towards the end of the game, cutting a 51-40 Carroll lead to 51-48 with 39.9 seconds left. The Cougars went through a spell during the run where they tried to drain the clock, and succeeded in taking about two minutes off.

Still, Sheridan was able to whittle Carroll's lead down. Brittany Welch scored off a steal by Jillian O'Flaherty, then Audrey Reed made a layin while getting fouled, and hit the ensuing free throw for a 3-point play. That made the score 51-48 with 39.9 seconds left.

The Cougars finished the game from the line, making 5-of-6 foul shots in the final 30 seconds. But the Blackhawks played to the buzzer, with Faith DeVaney making a 3-pointer at the horn.

"I thought we competed," said Sheridan coach Jeff Guenther. "I thought we played hard. They defend extremely well, make it difficult for you. It was a tough test."

Carroll went on an early 6-0 run to jump ahead 8-2, with Sheridan answering back

by scoring eight straight points. Welch hit a 3-pointer, then Reed poured in five points. That made the score 10-8 Blackhawks, but five straight points moved Carroll ahead 13-10 after one.

Nixon Williams hit an early 3-pointer in the second period to get Sheridan up 15-13. The Cougars answered with another 6-0 run, which was keyed by Macy Willoughby. The junior is a big part of Carroll's success this year, and she was hard to stop Thursday. Willoughby scored 23 points, including five 3-pointers.
