Driving State Road 37

# City is on board

**By FRED SWIFT**

The upgrading of State Road 37 from Noblesville to I-69 at Fishers has been a big story for months. But, there has always been a question of whether the city of Noblesville was going to be able to get on board the project to insure the improvements would be made as far north as Conner Street.

Last night that question seemed to have been answered. Noblesville is on board and will come up with its share of local funding to rebuild intersections at Greenfield Ave., Town and Country Blvd., Pleasant Street and Conner Street.

Mayor John Ditslear, saying it would be a mistake to miss the opportunity of joining in the improvements largely financed by the State of Indiana, attended a meeting of county officials at the Judicial Center where state Department of Transportation representatives and Fishers officials were also present.

How will Noblesville raise the \$16 million to buy into the project? Ditslear confirmed yesterday that the city will explore the creation of a Tax Increment Financing (TIF) District along the 37 corridor to provide the needed funds.

TIF financing would allow the city to collect property taxes on new construction in the district and apply those funds toward infrastructure improvements.

The overall 37 upgrade involves rebuilding nine grade level intersections where stop-and-go lights currently cause

traffic backups. The intersections will be replaced with elevated roundabouts to create a smooth, no stop traffic flow similar to that found on Carmel's Keystone Parkway.

Gov. Mike Pence late last year announced state funds of \$100 million are being granted for the project. The local share is to be made up by Hamilton County, Fishers and Noblesville at approximately \$16 million each.

Last night's meeting was actually advertised as a joint meeting of the county commissioners and county council to consider the 37 project. The council will consider an appropriation for the project at its February meeting. The county has sufficient funds in reserve to provide its share of the project cost.

If all goes well construction will begin in 2018.

## Pharmakon moving from Carmel to Noblesville

**Press Release**

The Pharmakon Long Term Care Company is making a strategic move to relocate their entire operation to Noblesville, Indiana. This move will bring the Pharmakon Family of Companies onto one campus to better support their multiple growth initiatives.

Pharmakon's offices are currently housed in Carmel.

"Pharmakon Long Term Care is excited about our move to Noblesville, IN. This facility will be customized and dedicated to provide pharmacy services for the long term care population in Indiana and the surrounding states," says Paul Elmer, RPh, CEO and Owner.

The new building construction began in February of 2015 and is expected to be fully operational by the end of January 2016. At 52,000 square feet, this new building will provide the space needed to bring on additional customers, employees, and advanced technology.

"One of the benefits of this new building is that it will give Pharmakon Long Term Care the necessary space to add technology and innovation to keep the Pharmakon Family of Companies on the cutting edge of pharmacy and ahead of our competition," states Pharmakon COO, Jason Prokopik, Pharm.D.

The new building will also provide employees additional lounge spaces, a training center, and additional conference rooms for a better working environment.

"Having the Pharmakon Family of Companies on one campus allows for many improved efficiencies. Pharmakon will be more streamlined in hiring, training, professional development, and employee growth," says Kathryn Martinie, Director of Human Resource.

Pharmakon Long Term Care provides pharmacy services to extended care facilities throughout Indiana and surrounding states.

## Vote was 6-3...

# Trash fee approved

**Taylor**

It wasn't without a debate, but the Noblesville trash fee has been approved.

The Noblesville Common Council adopted the city's first trash fee ordinance at its meeting Tuesday night.

Prior to the vote, the council held a public hearing and discussed the ordinance at its January 12 meeting and retreat on January 23.

The vote passed 6-3. Voting in favor were Common Council President Greg O'Connor, Wil Hampton, Chris Jensen, Roy Johnson, Rick Taylor and Megan Wiles. Opposed were Brian Ayer, Mark Boice and Mary Sue Rowland.

The trash fee ordinance includes a \$10.57 per residence monthly charge beginning June 1, 2016 (payable after July 1). The average trash fee for Hamilton County is around \$12.50 and one area requires citizens to contract their own removal. Officials said it is worth noting that homeowners will pay less with a trash fee and tax caps then they would if caps did not exist.

Noblesville Common Councilwoman Mary Sue Rowland discusses the trash fee ordinance during Tuesday's Common Council meeting. The ordinance passed 6-3.

The debate on the trash fee began with Rowland making a motion to table the discussion so that a task force could be developed "to study the issue and return back to the council and the community with true information and recommendations." However, the motion failed 7-2.

After that came comments from the public, which were mostly opposed to the

## Sheridan Middle, High schools approved for eLearning Days

Sheridan Middle and Sheridan High School were recently approved by the state for two eLearning Days this year.

eLearning Days are not weather related days and cannot be used to make up a school day due to weather cancellation. These days give the students the opportunity to learn from home while teachers spend time at school in professional development. Students will access their work online through Google Classrooms and teachers will have office hours during the day where

students can contact them, either electronically or by phone, with any questions they might have. Teachers will also be participating in workshops and training throughout the day to enhance their digital curriculum.

The first date will be February 3rd and the second date is slated for March 16<sup>th</sup>.

Sheridan Community Schools indicated, during eLearning Days students will be responsible for completing assignments provided by his/her teachers through online

delivery. SMS and SHS students will not be required to come to school on these two days but are accountable for checking-in for attendance, online assignments, and contacting his/her teachers. Over the next few weeks and immediately prior to each eLearning Flex Day, teachers will be providing specific instructions and expectations.

Sheridan Elementary School will be in session as normal on those days, as they will not be participating in the eLearning Days at this time.

Two running to replace Emigh...

State committee drawn into county GOP leadership fight

**By FRED SWIFT**  
The Republican State Committee has now been drawn into the fight for leadership of the Hamilton County GOP. Acting County Republican chair Laura Campbell maintains that the precinct organization membership has been stacked against her by former chairman Pete Emigh. She and Pete Peterson are running to replace Emigh.  
Emigh appointed numerous new committeemen to fill vacancies in the 208-member precinct organization shortly before resigning Dec. 31. All committeemen and their vice committeemen get a vote in choosing a new chairman.

Emigh favors Peterson for chairman in this Saturday's caucus of county GOP committeemen. The caucus will choose the new chairman. To block the Peterson advantage Ms. Campbell disqualified the Emigh appointments.  
The Peterson forces apparently contacted the Republican State Committee seeking to overturn Ms. Campbell's action. A request was also made for the state chairman or his representative to chair the Saturday

caucus set to be held at the Ritz Charles banquet center in Carmel.  
A state committee ruling on the qualification of the Emigh appointments is expected at any time, and most likely before the Saturday gathering.  
Ms. Campbell has been vice chairman of the party the past several years. She is a city council member in Carmel and wife of Hamilton Superior Court Judge Richard Campbell. Peterson is treasurer of the county GOP committee and a city council member in Fishers.

Whoever wins on Saturday will serve out Emigh's term which ends in March 2017 when the party is scheduled for a regular quadrennial election of officers. In the meantime comes the major presidential year election and not the best time for the GOP to be involved in an internal fight.  
Internal political fights were common in Hamilton County in years past, but within both parties there has been relative peace for the last 15 years. Democrats with little to fight over locally, apparently will be choosing a new chairman next year when Keith Clock retires from the post.

NPD searching for CVS robbery suspect

The Noblesville Police Department is looking for a man who robbed a Noblesville store on Monday.  
At approximately 5:02 p.m., police officers from the NPD responded to a report of a robbery at the CVS Pharmacy located at 111 Lakeview Drive (Noblesville). Officers arrived on the scene a short time later and began to investigate.  
Initial information from the caller alleges that a subject came into the store and presented a note to employees in the pharmacy. As a result, employees provided the suspect with items from the pharmacy and the suspect then reportedly fled the scene. Officers established a perimeter in the area and utilized a K-9 unit during the search. Officers lifted the perimeter at approximately 5:28 p.m. and were unable to locate the suspect.  
The suspect is described as a black male, approximately 5'8" and wearing dark clothing. (see photos below and at right.)  
Anyone with information regarding this investigation is encouraged to contact the Criminal Investigation Division at (317) 773-1300 or [tips@noblesville.in.us](mailto:tips@noblesville.in.us).  
This remains an ongoing investigation.

fee. But in the end, the council voted to approve the fee.  
"This has been talked about for the last 20 years, and we, as a council, have talked about it hard for the last year," said Taylor. "Our budgets are tight. I've said all along, if it was spent in the right way I'd vote for it. I think it has been spent, or going to be appropriated in the right manner. It's time to move Noblesville forward, and I think this will start that process."  
"I have many concerns," said Rowland. "The timing is suspect, at least. The process has been flawed. I think the information that's been sent out to the community has been misleading. For those reasons alone, I would object to any movement forward. I truly don't believe that we have a true understanding, the council. My concerns are the future, what does this really mean in the end, how many more increases. I think we needed to study more and put more parameters into place before we made this decision."  
The trash fee covers the actual per home cost of the city's contract with Republic Services. Beginning with the first wastewater bill in July 2017, 2018 and 2019 the bill will increase slightly to cover the increase in the city's contract with Republic Services, which runs through June 2020. The remaining contract prices per month are: \$10.57 (July 1, 2016 to June 2017); \$10.69 (July 1, 2017 to June 2018); \$10.82 (July 1, 2018 to June 2019); and \$10.94 (July 1, 2019 to June 2020). Reminders of the new trash fee will be included on monthly Noblesville Utilities bills.  
Noblesville Utilities customers who receive a \$10 credit per month on their monthly sewer bill will automatically receive a 50 percent discount on their trash fee. To be eligible for the reduced rate, customers must have one of the following exemptions on their property taxes (filed with the Hamilton County Auditor's Office): over 65 age deduction, blind and disabled deduction, or disabled veteran or surviving spouse deduction.

State Sen. Luke Kenley recognized for civility

State Sen. Luke Kenley (R-Noblesville) was presented with a Civility in Government Award by the Association of Retired Members of the Indiana General Assembly (ARMIGA), Monday, Jan. 25. Kenley was one of the first five honorees to receive this award.

“It is an honor to be recognized in this way by former members of the General Assembly,” Kenley said. “This is a special group for whom I have great respect. I believe conducting yourself with civility is essential to effective lawmaking and consensus building, and I am grateful to the Association for this recognition as I strive toward that end.”

Kenley has served more than 20 years in the Indiana General Assembly and represents Senate District 20, which includes portions of Hamilton County. Kenley chairs [the Senate Committee on Appropriations](#) and plays a major role in drafting the state’s two-year budget.

A nine-member selection committee comprised of former lawmakers, lobbyists and members of the media worked together to identify those who embody politeness, good communication and emotional control in every aspect of their legislative efforts. The names of the award winners will be displayed on engraved plaques that will hang in the hallways outside the Senate and House chambers.

Robert Lynn “Goody” Goodwin

June 23, 1922 - January 22, 2016

Robert Lynn "Goody" Goodwin, 93, passed away on Friday, January 22, 2016, barely four months after losing his wife of 73 years, Esther Helen (McMahon) Goodwin. Bob and Esther were married on June 27, 1942. He was born, June 23, 1922, to James Elbert and Gladys Marie (Keeling) Goodwin.

Bob was a stellar high school athlete. After graduating, Bob joined the US Navy as a Seaman First Class and was soon promoted to Storeman - Petty Officer Third Class, serving in both the North Atlantic and Pacific Theaters in W.W. II. Upon return he joined his father's business, later becoming a solo entrepreneur as Bob's Heating & Sheet Metal. He was a mentor to many young people. There was always a young assistant learning the skills of Bob's trade along with a strong work ethic and good customer service skills. Bob made sure that those who needed it received the services necessary to stay warm - or cool!

Bob's volunteer efforts focused on sports and horses. He coached Little League baseball, Demolay basketball, and worked with the Hamilton County 4-H Horse and Pony Club. He encouraged horsemanship and loved to ride himself. He never wanted to compete, leaving that to others, however, he loved to trail ride. Many a happy day was spent on Brown County horse trails. To celebrate his 80th birthday, he completed 15 American Quarter Horse Trail Rides for which he was awarded a trophy saddle.

Bob is survived by his three children; Pat (Steve) Heiny, of Richmond, Stephanie McDonald of Carmel, Bob Goodwin, Jr. of Noblesville: four grandchildren; Melissa McDonald of Carmel, Curtis Heiny of Columbia, SC, Koren Heiny of Richmond, and Ryan (Janelle) McDonald of Indianapolis: two great-grandchildren; Masson Heiny and Oakley McDonald: several members of his extended family.

# Rankings mean little at Westfield

Usually, regular season results lead to post-season honors, such as rankings in the polls. Usually. Come on folks, that's usually the case. Not so this season with the Class 4A sectional to be played at Westfield. It's one of three sectionals being hosted by Hamilton County teams. The field at Westfield includes Carmel, Westfield, Noblesville, Hamilton Southeastern and Fishers and new foe Anderson. Hamilton Heights will host a Class 3A Sectional which also includes Guerin Catholic, plus Delta, Yorktown, Marion, Heritage Christian and Tipton. A Class 1A sectional will be played at University. Joining the Lady Trailblazers will be Tindley, International, Indiana Deaf, Bethesda Christian and Metropolitan. Only Sheridan will not play on Hamilton County hardwood. The Lady Blackhawks will play in a Class 2A tourney at Frankton, which also will include Monroe Central, Wapahani, Lapel, and Muncie Burris. Among those four sectionals, there isn't a soft spot on the way to a championship. In fact, even the experts seem to be confused. Let's get back to the Westfield Sectional, for example. The Indiana High school Coaches Association, whose poll include teams from all classes, has Noblesville ranked No. 10. During the regular season, Noblesville was beaten by Carmel 56-48 and Westfield 55-44. Carmel, ranked No. 11, has defeated Westfield, ranked No. 14, 51-48. So, Carmel is 5-0 against the sectional field and 17-4 overall including a 52-32 win over first round, first game foe Hamilton Southeastern, which has been battered by injuries throughout the season. "I think the draw is very balanced and we're looking forward to a very tough and exciting tournament," said Carmel coach Tod Windlan. "We are excited about the opportunity to play Carmel again," said Southeastern coach Chris Huppenthal. "We have been fighting through the injury bug, but our kids will keep battling and they will be ready for whatever challenges await them." Noblesville gets the new face on the block, Anderson. The Lady Millers enter the final week of the regular season with a 21-4 record, which include a 79-50, Dec. 15 victory over Anderson. "This should be a great sectional," said Noblesville coach Donna Buckley, who won this tourney a year ago. "There are lots of good teams and a tremendous amount of talent. For us, Anderson will be a tough opponent. They have a very good inside game and a point guard with great handles. We will need to come out and play well." Fishers and Westfield avoided the Tuesday round by drawing a bye. Fishers

will play the Southeastern-Carmel winner and Westfield will play the Anderson-Noblesville winner. Westfield first-year coach Ginny Smith is hoping to have back the services of rebounding and scoring ace Haliegh Reinoehl, who has been sick. "I think coming into the sectional we are trying to find ourselves since playing without her," said Smith. "We are looking forward to playing in the sectional, as we host this year. The kids are excited to be playing at home and we expect to see some good basketball and see who our opponent will be." "I feel the draw is very balanced," said Fishers coach Michael Gaines. "Whichever team is cutting down the nets on Saturday will have earned it by winning vs. more than one challenging opponent." "Loaded field at Heights The work is cutout for host Hamilton Heights and Guerin Catholic in the Class 3A competition at Arcadia. Both the Golden Eagles and the Lady Huskies will begin on Wednesday against tough foes. Guerin Catholic will start with Heritage Christian, the state's No. 4 ranked team in all classes. Heritage Christian moves up to Class 3A following back-to-back championships in Class 2A. "We face a talented and well-coached first round opponent," said Guerin Catholic coach Scott Miller. "Our team is excited to play this game and we will give our best to prepare for them." Hamilton Heights' first opponent,

Omega Tandy

Marion, isn't ranked by the coaches association, but the Lady Giants have a 19-3 overall record. "I am extremely excited about the draw; our season has been filled with playing ranked teams in the state, and we like how we play when faced with a challenge," said Huskies coach Omega Tandy. "Our girls have begun to really develop our identity and are playing good basketball at this point in the season. Our sectional is tough, with Marion and Heritage Christian in it, but we look forward to the opportunity to play such well respected teams."

## Toughie for Sheridan

Sheridan will play in a tough sectional at Frankton where results from the regular season indicate one whale of a Class 2A battle. For example, Sheridan lost 70-65 to Lapel in triple overtime and Frankton twice has beaten Lapel, 49-48 in overtime and 59-51. Sheridan's first-round foe Monroe Central has defeated Lapel 44-36 and is 15-6 on the year. "It is a very competitive sectional," believes Sheridan coach Jeff Buckner.

Jeff Guenther  
Sheridan

"Monroe Central has had an outstanding year. They are very big across the front line. Frankton, Lapel and Wapahani have also had great years. As with any year, it's a challenge that we look forward to. Everyone seems to have stumbled at some point this season. The team that can put the best week together will win."

## Young, but tough

University, a young team, is 4-0 against clubs it will be hosting in the sectional. The Trailblazers have defeated first round foe Indiana Deaf 50-35 and also knocked off Bethesda Christian 33-29, International 49-40 and Metropolitan 54-35. Indiana Deaf has a respectable 14-6 overall record. "I think the draw is great for us," said University coach Justin Blanding. "Our sectional is always competitive and we can all take each out. It is going to be very difficult but great for my young team. I think it's great for my team but even better for our sectional. We pack it out every year and the teams play extremely hard. I am glad I am a part of it."

# Stage set for 2016 IHSAA Girls Basketball State Tournament

From the playing floor at Bankers Life Fieldhouse in Indianapolis, the opening week’s pairings were made Monday evening for the 41st Annual IHSAA Girls Basketball State Tournament *presented by the Indiana Fever and Indiana Pacers*.

A total of 395 schools and 5,318 student-athletes are set to participate in the tourney which begins next week.

This is the third year that both of the state’s professional basketball franchises have been presenting sponsors of the girls and boys high school state tournaments.

Sectional games are scheduled to begin Tuesday, Feb. 2, and run through Saturday, Feb. 6, with the regional round slated for Feb. 13 and semi-states on Feb. 20. The four state championship games that make up the state finals will be played at the Bankers Life Fieldhouse on Saturday, Feb. 27.

Top-ranked Columbus North (20-1), the defending Class 4A state champion, drew a first round bye and will begin its quest to repeat when it meets the Columbus East-Shelbyville winner in Sectional 14 at Bloomington North.

Defending Class 3A state champion Princeton sits atop both the Class 3A poll from the Indiana Coaches of Girls Sports Association as well as the single class poll from the Indiana Basketball Coaches Association. The 24-0 Tigers, winners of 50 straight games and led by the state’s career scoring leader Jackie Young, will host Washington in the Sectional 31 opener.

Heritage Christian, which won the last two Class 2A state championships, has moved up to Class 3A. The second-ranked Eagles (17-3) will begin their drive toward a third consecutive title with Guerin Catholic in Sectional 24 at Hamilton Heights. Oregon-Davis (19-2), the top-ranked team in Class 2A, drew North Judson-San Pierre in Sectional 34 at Hebron. Class A No. 1 Jac-Cen-Del (19-1), the host of Sectional 60, drew a bye into the semifinals and await the winner of the Waldron- Hauser game.

Lafayette Central Catholic, last year’s Class A state champion, is now playing in Class 2A. The fifth-ranked Knights (15-5) will begin their 2A test with Rossville in Sectional 38 at Seeger.

Fort Wayne Canterbury, the Class 2A runner-up the last two seasons and Class A state champion two season prior, leads the state Fort Wayne Canterbury, the Class 2A runner-up the last two seasons and Class A state champion two season prior, leads the state with 12 consecutive sectional championships. The Cavaliers will look to continue that streak in Class 3A beginning with a first round matchup against Leo in Sectional 22 at Garrett.

### Notables About the Draw

To conduct the random drawing for the girls basketball state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A motorized fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in game one with the second ball representing the home team in game one. The third ball to come out is the visitor in game two and the fourth ball the home team in game two. That same method is followed through all 64 sectionals and 16 regionals.

Pacers fall to Clippers, 91-89

By GREG RAPPAPORT  
Courtesy nba.com/pacers  
With 2.1 seconds on the clock and down by two, the Pacers tried to inbound the ball with the hopes of having a Hoosiers-sesque ending on Tuesday night at Bankers Life Fieldhouse. But the pass was tipped and rolled out of bounds, sending the Pacers to a 91-89 loss to the Los Angeles Clippers.  
With under 2:00 remaining, George Hill drained a 3-pointer to bring the Pacers within one offensive possession of the Clippers, sending the Hickory-themed crowd into a frenzy.  
On the other end, Chris Paul brought the ball up court and weaved his way through the defense before finding Jamal Crawford, who was able to draw a foul and push the Clippers' lead to four.  
The Pacers were unable to respond to the bucket after a frantic possession with a tipped ball that rolled past half court and drained Indiana of its shot clock on the play.  
The Clippers then iced the game with a Paul jumper from the top of the elbow, sending the Pacers to their third consecutive loss.

"There was improvement on the defensive end and that's the path back to winning games," Pacers head coach Frank Vogel said. "But we have to guard the 3-point line better."  
Indiana did threaten in a big way when they had control of the ball down two with 2.1 seconds on the clock, but the tip by the Clippers defense averted the late-game threat.  
Moments earlier, when the Clippers led by just three, L.A. turned Paul, who racked up 11 fourth-quarter points. Paul delivered a layup off the glass to push his team's advantage to five. On his next offensive possession, he a hit a step-back 3-pointer to push their lead to six. A lead the Pacers would scrape at, but never quite surpass in the game's waning moments.  
With 3:00 remaining in the third quarter, Paul George sank a free throw to put the Pacers up 72-68.  
From that point onward, the Pacers were held scoreless for 8:30 of game time, falling behind 81-72 as a result of Paul and the swarming Clippers defense.
