## DeLullo’s Trattoria to open in downtown Cicero

A local favorite restaurant known for their quality, homemade Italian - American cuisine is set to open in downtown Cicero this spring. Kay DeLullo, owner and chef at DeLullo’s Trattoria, is excited about the plans to move her restaurant to downtown Cicero and how well the renovations on her new location are progressing. “The entire community has been welcoming to us and we have been impressed with how easy it has been to work with the Town as we have continued to renovate our new location. We appreciate that warm welcome and support,” said DeLullo. “We are grateful to our many loyal customers who have dined with us while we were located in downtown Atlanta. As we move into our new location in Cicero, our customers can expect the same exceptional customer service and favorite menu items.”

DeLullo’s Trattoria emphasizes farm-to-table food and believes in utilizing fresh, quality ingredients for their menu items. “We grow our own produce and make our own maple syrup,” explained DeLullo. “What we do not grow, we try to support as many local businesses as possible when we shop for our ingredients,” she said. “I was raised in Hamilton County, so supporting local businesses is important to me.” The menu will have some of the local favorites along with specials and gluten free options as well.

The Town of Cicero has been working towards a plan to grow the community into a culinary destination and the opening of DeLullo’s Trattoria will be a great addition to downtown Cicero. “With our past and current planning efforts for the Town, we are really trying to position ourselves as a culinary destination. We could not be more thrilled with the addition of DeLullo’s Trattoria to downtown Cicero and believe it will be a wonderful complement to our other great restaurants in the community,” said Craig Penwell, Town Council member.

The restaurant is set to open in early April at 230 West Jackson St. The restaurant’s hours of operation will be 4 to 9 p.m. Tuesday through Saturday.

Two words for Sectional 8 ...

# Very competitive

By DON JELLISON  
Reporter Editor

Unlike most years in Sectional 8 when the field is dotted with Top 10 ranked teams, the Class 4A tourney at Noblesville is not getting that type of billing.

North Central, currently ranked No. 3 in the Coaches Association’s all-class poll, has been moved out of the local sectional. So has a very tough Zionsville team.

Carmel is the only ranked team in Sectional 8. In the most recent rankings, the Greyhounds are No. 19.

So, unlike many years, Sectional 8 may not be the “toughest sectional” in the state.

But, Brian McCauley, about to enter his second sectional as coach of the Noblesville Millers, likely has hit the nail on the head when summing up what to expect when seven teams battle at The Mill.

“Sectional 8,” offered McCauley, “is one of the most competitive sectionals in the entire state. So many teams are playing their best basketball of the season right now.”

Competitive? You bet.

The first game, the lone game scheduled for opening day on Tuesday, will match Fishers and Westfield. Three weeks ago, at Fishers, Westfield edged the Tigers, 59-58.

“It’s going to take a great effort on our part,” said Shamrocks coach Shane Sumpter. “We understand that. We’re going to have to play really well. I always feel like that’s one of the toughest sectionals in the state in all sports.”

On Wednesday, it will be Hamilton Southeastern and Anderson in the opener, followed by a Noblesville-Carmel nightcap.

Although the game was played so early in the season it takes on a different look entering the sectional, on Dec. 5 at Carmel, the Greyhounds edged the Millers 49-45.

“We will have to be at our very best in order to compete,” McCauley said.”The team that wins Sectional 8 will have earned it.

In the second game on Wednesday, Hamilton Southeastern will face the new kid on the Sectional 8 block, tourney traditionally rich Anderson. The Royals hosted the Indians on Jan. 16 and survived with a 69-61 win.

“We played a close game with Anderson at our place the middle of January,” pointed out Southeastern coach Brian Satterfield. “They had a few players injured and dealing with suspensions. I know they have struggled in the win column, but they have been competing most nights.

“It is never easy to win three games in our sectional,” Satterfield continued. “We just have to be ready for our game with Anderson and hope we have to worry about either Carmel or Noblesville two days later.”

Fishers coach Joe Leonard buys into what McCauley and Satterfield have said.

“We have always treated the sectional draw the same way, survive and advance,” Leonard said. “Having seven seniors I can bring some kids into this tourney with sectional experience. I remember when they were sophomores as Southeastern pulled away from us. I got all of them into the game. Last year they were able to beat North Central and take Carmel to double overtime. I am hoping we can use this experience and be playing our best basketball in our last game.”

The winner of the Fishers-Westfield game will get a new sectional look. Like Anderson, another new Sectional 8 member if Guerin Catholic. The Golden Eagles have been so successful while playing Class 3A, they were bumped up to 4A and will play at Noblesville.

Guerin Catholic has drawn a first round bye and will play the winner of the Westfield-Fishers game. Guerin has not played a Sectional 8 team this season.

“We’d only drawn the bye twice in the nine seasons of playing in the sectionals,” said Coach Pete Smith. “I guess we were due. I think the Westfield-Fishers game should be a great game to open up the sectional. We’ll be ready for whichever team we play.”

Guerin Catholic began post-season play in Class 2A for five years before spending the last four seasons in 3A.

Kirk Green/File photo

Sectional 8 in Noblesville will feature a rematch between Westfield and Fishers, a game that was won by the Shamrocks 59-58 in the regular season. Pictured are Charlie Warner (left) for Westfield and Reid Stephens for the Tigers.

last Saturday was only the Blue Devils second setback of the season.

“I have never worried about the sectional draw; something you can’t control,” said Heights coach Chad Ballenger. “We will have to beat two really good teams to win at Marion. We don’t play until Friday, so we can practice and prepare all week.

“Our kids have been playing really well and have been locked in,” Ballenger continued.”It is going to take a monumental effort and two really good games to win. We are looking forward to the challenge.”

### Sheridan in Class 2A

Sheridan will be Hamilton County’s only Class 2A team and will play in the Lapel Sectional, where the host Bulldogs are extremely tough.

Lapel and Muncie Burris will play in the Tuesday opener with Sheridan and Wapahani in the nightcap. Frankton will play the winner of the Lapel-Burris game and Monroee Central will face the winner of the Sheridan-Wamphani game.

Sheridan has lost to Lapel 86-38 and will play at Frankton this Friday.

“I like our draw,” said Sheridan coach Chris Schrank. “Wapahani is a new opponent for us. I think we match up with them fairly well.

“I think our guys are excited about the sectional and I think our guys will work to get as ready as we can,” Schrank added.

### University in Class 1A

University will play International in the second night of competition at the Bethesda Christian Sectional.

Math & Science will play Deaf School in the Tuesday opener and on Wednesday it will be Metropolitan against Tindley in the opener and International against University in the nightcap. The host team will meet the winner of Game 1 in the first semi-final matchup on Friday.

### Heights in Class 3A

The Huskies will play in the Marion Sectional, along with tourney traditionally rich Marion, plus Blackford, Yorktown, Delphi and Tipton. Heights has drawn one of two byes in this sectional and will play the Marion-Blackford winner in the first semifinal game on Friday. Tipton, in the second game on Friday, will face the Yorktown-Delphi winner.

Hamilton Heights is red-hot, coming out of the Hoosier Conference Tourney with the championship after beating two teams, Twin Lakes and Tipton, which had defeated the Huskies earlier in the season. Tipton’s loss to the Huskies

Eight straight wins for GC...

Golden Eagles cruise past Anderson

Guerin Catholic is doing something familiar to Golden Eagle fans: Playing its best basketball at the end of the season. Guerin won its regular-season finale - and its eighth game in a row - by beating Anderson 90-64 at the Indians' gym on Tuesday. The victory moved the Golden Eagles to a 13-11 record entering next week's Noblesville Sectional, the first time GC will play the post-season in Class 4A.

Helt

"We took care of business," said Guerin Catholic coach Pete Smith. "I really liked how we played in the second quarter. We got great looks at the basket." The Golden Eagles led 25-17 after the first quarter, then blasted ahead 52-29 at halftime, thanks to 9-of-11 shooting in the second period. Thirteen players took to the court for Guerin. Christian Munson led the way with 27 points, while Matthew Godfrey drained three 3-pointers on his way to 13 points. Calen Cunningham and Rhett Helt each added 11. Cunningham and Jack Hansen both grabbed nine rebounds, while Helt pulled seven boards. Cameron Lindley dished out 10 assists to go with his nine

points, while Munson handed out four assists. Guerin Catholic will now await the winner of Tuesday's first-round sectional game between Westfield and Fishers. The Golden Eagles will play the winner in Friday's semi-finals.

# Bane’s 62-point game paces IBCA/Subway Players of the Week

Desmond Bane poured in 62 points in a game and averaged 39.0 points over two games. Consequently, the Seton Catholic senior headlines the honorees in the IBCA/Subway Player of the Week program for the week of Feb. 15-20.

The high-scoring standout is joined by Huntington North senior Konner Platt, Washington senior Colten Garland, Oregon-Davis senior Lexi Minix, Lafayette Central Catholic senior Cameron Onken and North Harrison sophomore Taylor Rennirt as recipients in the recognition program coordinated by the Indiana Basketball Coaches Association.

Platt and Minix are the respective boys’ and girls’ winners for District 1. Bane and Onken collected accolades in District 2. Garland and Rennirt were cited in District 3.

The 6-5 Bane opened his week with 16 points, four rebounds and two assists as Seton Catholic defeated Tri 61-56. Bane followed with a school-record 62 points with 10 rebounds, three assists, two steals and two blocks as the Cardinals (20-3) beat Cambridge City Lincoln 85-51.

Bane’s outburst was the state’s highest total since Craig Robbins of Orleans scored 63 points in a game in 1988. It was the

second-highest total by a Wayne County player, behind only the 73-point game by Carroll Wedding of Fountain City in 1960. The 62 points tied for the state’s 20th best game ever – Oscar Robertson of Indianapolis had 62 points against Sacred Heart in 1956.

For his big game, Bane sank 23-of-31 shots, 9-of-12 3-pointers and 7-of-7 3-pointers.

The 6-0 Platt scored 26 points with seven rebounds and three steals in sparking Huntington North (15-7) to a 59-37 triumph over Plymouth in its only game of the week. Platt converted 9-of-12 shots from the field, including 4-of-4 3-pointers, plus 4-of-4 free throws for his strong night.

Garland averaged 26.7 points and 4.3 rebounds as Washington posted three victories to move to 17-4. The 6-0 guard opened with 25 points, five rebounds, four assists and three steals as the Hatchets beat Southridge 66-35. Garland tossed in 33 points with four rebounds and two steals in a 74-41 triumph over Mt. Carmel (Ill.). He also netted 22 points with four rebounds and three steals as Washington knocked off South Knox 61-37. Over three games, Garland was 30-of-58 from the field, 13-of-29 on 3-pointers and 7-of-10 on free throws.

The 5-10 Minix scored 37 points while adding seven rebounds, three assists and two steals, but it was not enough as Oregon-Davis dropped a 75-63 decision to Lafayette Central Catholic in a Class 2A semi-state encounter. Minix hit 13-of-26 shots and 11-of-11 free throws as the Bobcats finished 26-3.

Onken, a 5-10 guard-forward, countered Minix with 27 points, 11 rebounds, five assists and three steals in the same game, propelling the Knights (24-5) to a berth in the Class 2A State Finals. The Villanova recruit sank 6-of-15 shots, 1-of-3 3-pointers and 14-of-17 free throws in helping her team prevail.

The 5-6 Rennirt netted 15 points with four rebounds and four assists to lead North Harrison (28-2) to a 59-42 triumph over Lebanon in a Class 3A semistate contest. She converted 6-of-9 shots from the field plus 3-of-4 free throws as the Lady Cats earned the program’s first State Finals’ appearance.

Westfield's Charlie Warner was nominated for District 2.
