The County Line

Caucus set for March 16 to fill council vacancy

By **FRED SWIFT**

A caucus of all Hamilton County precinct committee-men has been called for March 16 to select a county councilman who will fill a vacancy created by the recent death of James Belden. The unexpired term runs through December 31.

The number of candidates seeking the office is uncertain since applications are not due until March 13, but at least four have expressed interest in taking the seat. They include Dr. James Dillon, Carmel; Bill Dennis, Westfield; John Accetturro, Carmel

and Meredith Carter, Carmel. Belden who died last month was a 23 year member of the council and a Carmel resident.

The caucus to be held at the Delaware Township Community Center is closed to the public.

On the same day the Republican State Committee is scheduled to meet and may render a decision on the contested vote for the Hamilton County GOP chairmanship.

Pete Peterson won election earlier this winter in a contest to replace former chairman Pete Emigh. County vice chair Laura Campbell lost when dozens of new, eleven-hour appointments to the precinct committee were allowed to vote. Campbell maintains the appointments were made by Emigh before resigning for the purpose of getting Peterson elected.

Her appeal to be State Committee is being considered by a special committee which will presumably report its recommendation to the full committee at the March 16 meeting.

In other upcoming political activity, candidates for local office in the May 3 primary will appear April 12 at a candidate forum sponsored by the Carmel Clay Republican Club. The event will be held at 7 p.m. in the Carmel City Hall.

The Hamilton County Federated Republican Women's Club will also hold a meeting and dinner to allow the public to meet county and state legislative candidates. It is scheduled for March 17 at 6:30 p.m. in the Delaware Township Community Center, 9094 E. 131st Street, Fishers.

Kenley-authored bill...

Achieving a Better Life Experience Act passes House of Representatives, Senate

A bill authored by State Sen. Luke Kenley (R-Noblesville) that would create a tax-free savings account for individuals with disabilities is headed to the governor's desk.

Kenley

Modeled after the federal Achieving a Better Life Experience (ABLE) Act, [Senate Enrolled Act 11](#) would establish a savings program to help people provide for their loved ones with special needs by allowing them to make contributions for disability-related

costs to an ABLE savings account without placing other benefits at risk.

"I am excited to see that this bill has gained so much support," Kenley said. "This bill is an important step in helping disabled Hoosiers with health care and housing needs. We understand the extra costs associated with a disability, and Senate Bill 11 gives families an opportunity to save money without having to worry about losing the benefits on which they depend."

Kenley added that eligibility is limited to people with significant disabilities who receive Supplemental Security Income before 26 years of age.

Similar legislation has already passed in 36 other states.

SEA 11 will now move to the Governor's for his consideration.

Letter to the Editor

To what degree will SR 37 project harm the business community?

The Hamilton County Council was under enormous pressure to fast track the SR 37 project and last night they approved the county's funding part of the project. I want to thank Councilor Fred Glynn for offering up a marketing fund which I understand is intended to allow Fishers to help inform the public that the businesses are still open. I guess it remains to be seen if that fund will be enough and how many businesses actually remain open once this project begins. There is 100% agreement that the business community will be harmed – the only question is to what degree.

As a long time resident of Fishers I welcome an improved and more efficient transit both across as well as up and down SR 37 and I know many of my fellow citizens do as well. So I am optimistic this huge undertaking will eventually lead to the vast promises of future economic growth

and prosperity being touted by the Mayor's and other elected officials.

When I started the SR 37 Business Alliance it was to unite the business community as a strong collective voice to ensure our interests and concerns would be addressed. The vote last night came as no surprise nor did anything to change my commitment to that cause. It is just one of many issues my campaign will focus on.

However, the entire process and the speed with which it has been advanced is just another reminder of the strong influence of those who profit from such projects and their relationships with some elected officials. I am running to change that equation and give voice to those who historically have not had one. I will work to ensure openness and transparency and put voters over vendors.

Brockway House to host "Indy's biggest St. Patrick's Day Party"

Make your plans now for Indy's biggest St. Patrick's Day Party, spanning three days this year on March 17-18-19 at The Brockway Pub in Carmel, where the annual Carmel Fire Department "pumper pull" and "keg toss" will once again raise funds for the Firefighters Bereavement Fund created to help the family of a fallen firefighter.

This year marks the 8th consecutive year the Brockway has teamed up with Carmel Professional Firefighters IAFF Local 4444 to raise funds for the Firefighters Bereavement Fund, a passion of Brockway co-founder, the late Lainie Paul.

"Supporting our local firefighters is definitely something we feel very strongly about, especially this time of the year when we gather in the street to celebrate the good times with our friends, enjoying live music, cold beer and great food," said Kevin Paul, co-founder and owner of the Brockway and Danny Boy Beer Works. "You don't have to have a firefighter on your team to pull or throw a keg. Anyone can put a team together at this family-friendly event. There will be live music throughout the day including the Fire Department's pipes and drums band."

Proceeds from a \$2 wristband fee for entry, plus money raised in T-shirt sales, the keg toss, pumper pull and other donations will go toward the Firefighter Bereavement Fund.

The St. Patrick's Day Party begins Thursday, March 17 at 11 a.m. and continues through Saturday, March 19. Live music from "Mother Grove Celtic Rock" will be featured Thursday from 8-11 p.m. On Friday, come and hear "My Yellow Rickshaw!" from 8-11 p.m.

Saturday, March 19, gets underway at 9 a.m. with traditional Kegs and Eggs. The St. Patrick's party tent opens at 11 a.m., followed by the Pumper Pull at 3 p.m., Keg Toss at 5 p.m. and live music by the Ian Reppert Band at 6:30 p.m.

Go to www.L4444.com to register for the Pumper Pull (\$30 in advance, \$50 on day of event) All events will be held at The Brockway Pub, 12525 Old Meridian Street, Carmel. Parking is free and available at Meijer or behind the pub.

Sectional basketball at The Mill...

Carmel, Fishers reach championship

By **RICHIE HALL**
Reporter Sports Editor
Friday's semi-final games at the Noblesville boys basketball sectional were about rivalries, old and new.

In the case of Fishers and Guerin Catholic, the rivalry was brand new. The Tigers and Golden Eagles had never played each other before in boys basketball, and Round 1 went to Fishers by the score of 82-69 in action at The Mill.

"This time last year we had to play Carmel in this game, and we played well and things didn't go our way," said Fishers coach Joe Leonard. He told his team before it took the court that the game it was about to play was the same one as last year - the semi-finals.

"We want to make it to the finals, and see what that feels like," said Leonard. "We're very, very excited with how they played."

Fishers will get to play Carmel again, but this time in the final. The Greyhounds played Hamilton Southeastern, a rivalry that's been stretching back for decades. Carmel was the winner in this edition, making its way back to the final with a 53-42 win over the Royals.

The 'Hounds and the Tigers will play for the championship at 7:30 p.m. tonight. Carmel is trying to defend its sectional title and win a 26th trophy overall. Fishers is going for its second championship, having won its first back in 1922, before anybody who was in The Mill Friday night was born (yes, that includes Dub Clark.)

Both games followed roughly the same pattern: It was close going in the first half, but then the winning team slowly pulled away in the second half.

Guerin got up 4-1 early in the first quarter, but Fishers blasted in eight quick points, which was a harbinger of things to come. Lance Dollison hit two 3-pointers, with Cameron Wolter making a layin. Dollison drained another '3' to put Fishers up 12-7.

The second quarter began with a layin from Wolter that put the Tigers up 18-12. Fishers would enjoy a 24-17 lead before the Golden Eagles made a 7-0 run that got the GC crowd fired up. Rhett Helt started things with a 3-point play, then Matthew Godfrey scored off a steal. Godfrey then tied the game at 24-all with a pair of foul shots.

That would be as close as Guerin Catholic would get, however. Free throws from Willie Jackson and a Reid Stephens layin pushed Fishers back up 28-24, and it held

that margin into halftime. Zach Eaton's 3-pointer gave the Tigers a 36-32 lead at the break.

Fishers asserted itself at the beginning of the third period with a quick 8-2 run to jump ahead 44-34; Wolter and Jackson took turns making layins. Guerin kept fighting, though, and got back to within 48-44 after a Christian Munson layin. Eaton and GC's Cameron Lindley each drained 3s to make the score 51-47 after three quarters.

But in the fourth period, Fishers played perfect offensively. The Tigers did not miss any shots - all field goals and free throws

were nothing but net. That included an 11-0 run by Fishers to get ahead 62-47, punctuated by a dunk from Dollison.

"That's awesome," said Leonard. "But we didn't take as many because we knew we had the lead, and we had to be smart. So we were emphasizing on time-outs, 'Hey, if it's a shot, make it a layup or make it something you can hit, because we don't want to give this lead back.'"

"That's a great quarter," said Guerin Catholic coach Pete Smith. "You got to tip your hat off to them. They played better than us tonight. They just did."

A later 3-pointer by Lance gave the Tigers their biggest lead of the game, at 70-52. The Golden Eagles kept fighting, cutting the lead to 76-67 with 1:18 left. But Dollison made 6-of-6 free throws in the final 1:05 to seal the game.

"I thought we battled extremely hard," said Smith. "We didn't quit."

Dollison totaled 15 points for the fourth quarter, 29 for the game, including five 3-pointers. Wolter wasn't far behind with 24 points, while the freshman Jackson added 11. Eaton scored 11 as well, with three 3-pointers to his credit.

The Golden Eagles, who finished their season 13-12, also had four players in double figures. Christian Munson concluded his spectacular Guerin Catholic career with 18 points, while Godfrey added 16. Helt scored 12 points and Jack Hansen added 10.

The second game was a little more defensive, but followed the same script as the first game. Southeastern led for most of the first quarter, with Greg Miller scoring six points and Brennan Schofield making two free throws to give the Royals an 8-5 lead.

Preston Flamion also scored six points in the first; his jump shot cut HSE's lead to 8-7. Then Sterling Brown made a last-second layin to give Carmel a 9-8 advantage at the end of the period.

Flamion's 3 extended the Greyhounds' lead to 12-8 early in the second quarter, but a jumper by JD Bemby and two Aaron Etherington free throws tied things up at 12-all. Trenton Richardson scored three points (layin and free throw) to get Carmel up 15-12, but then it was Southeastern's turn to make a buzzer-beater: Jack Davidson hit a 3-pointer to send the game into halftime at 15-15.

The first few minutes of the third period went back and forth, with Davidson hitting another downtown shot to put HSE up 23-22. This followed a '3' by JD Bemby.

Carmel's Garrett Covington answered with a layin to get the 'Hounds ahead 24-23, and they would not trail again. Zach Gunn made a tough basket, grabbing a second rebound to tie things up at 25-all, but Covington made two free throws to push the Greyhounds up 27-25.

CHAMPIONSHIP

That started an 11-2 run that closed the third quarter - Covington laid a basket in at the buzzer - and extended into the fourth quarter, which Flamion opened with a 3-pointer. Britt Beery hit a foul shot to get the 'Hounds ahead 37-27 with 6:25 left.

"We attacked a little bit better on the offensive end in the second half," said Carmel coach Scott Heady. "We were making a little run there and we got two big 3s there from Sterling and Preston. They hit two big shots at key times to give us that lead, give us a little cushion in the second half."

Southeastern roared back with a 7-0 run, with Bemby's 3-pointer getting in between four free throws from Gunn. Zach himself hit a '3' to keep HSE within 40-37.

Gunn's basket answered a '3' from Brown, and Alex Falender answered Gunn's triple with his own 3-pointer. Bemby's layin made the score 43-39, but Carmel closed the game on a 10-3 run, with Flamion scoring five of those points.

Flamion totaled 21 points for the game, with Covington scoring 12 and Brown 10.

"Overall I just thought we played well," said Heady, who credited his defense with being "consistent all night."

Gunn led HSE with 12 points, followed by 10 from Bemby. The Royals, despite dealing with mid-season injuries, finished their season 14-12.

Battle tied at 62-62 ...

Marion wins, 74-67

A Hamilton Heights rally late in the game fell short as Marion recovered to defeat the Huskies 74-67 in the Class 3A Marion Sectional Friday evening.

The Giants jumped out to a 28-8 first quarter advantage and then had to fight off the Huskies the rest of the way.

Marion led just 35-23 at halftime and only 49-44 at the end of the third quarter.

The fourth period was a standoff, won 25-23 by Marion.

Heights took a 53-52 lead on two free throws by Hunter Crist with 5:05 left. Crist hit a 3-pointer which gave the Huskies at 56-52 lead with 4:45 remaining.

Marion canned a 3-pointer to go ahead at 60-58 with 3:08 showing on the clock.

Crist

Crist made two more free throws to tie the game at 60-60. Marion scored again and Crist hit a layup for a 62-62 tie.

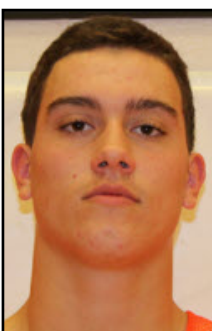

Marion took a 64-62 lead with 1:08 remaining and the Giants never trailed after that.

Coach Chad Ballenger's Huskies hit 22-of-49 shots from the field, including 6-of-15 attempts from 3-point range. Heights canned 17-of-18 free throws.

Crist poured in 26 points and Sterling Weatherford added 20 to lead a 1-2 punch from the Huskies. Caymn Lutz also was in double figures with 11 points.

Weatherford had a strong double-double, pulling in 13 rebounds.

Max Wahl dished out six of the Huskies' 14 assists.

Showdown between top five powerhouses...

Late 3-pointer sends Tindley past University

The only match-up of top five ranked teams in Indiana lived up to the billing Friday night at Sectional 58 at Bethesda Christian as the fourth ranked team in Class A, the Tindley Tigers pulled out a 45-42 win over the fifth ranked University Trailblazers.

Tindley scored 8 of the final 11 points in the game, holding University only a single scoring play (a three point basket) in the last three and a half minutes of the tightly contested game.

"Both teams played very well tonight" said University coach Brandon Lafferman. "All of our guys did enough to win. They (Tindley) were a little better."

Friday night's game marked the third time in the last four seasons the teams have met in the Sectional, with the total margin of victory in three contests being five points.

Tindley has won the last two Sectional meetings after University won in 2013.

Holly

Senior captain Connor Holly closed his stellar career with 14 points to lead University, including eight points in the fourth quarter. Sophomore Emerson Halbleib was the only other Trailblazer in double figures, with 13.

After Tindley opened the scoring, University ran off nine straight points for a 9-2 lead midway through the opening stanza. David Howard, Zack Hodgkin, Halbleib and Holly (a three pointer) all had baskets in the run. A Holly three pointer closed the first quarter scoring and staked University to a 12-7 lead after one.

University turned up the defense in the second quarter, holding the Tigers to just four points. Baskets by Halbleib and Josh Alford put the lead back to seven at 16-9. A Watson three pointer and two Halbleib free throws with four seconds left in the

Halbleib

half staked University to a 21-11 halftime lead.

A Howard basket early in the third gave University what would be their largest lead of the night at 23-12 before the Tigers ran off nine straight points to knot the game at 23 midway through the period. No team would lead by more than four points for the rest of the contest and it was a one possession score for all but 17 seconds of the final 12 minutes.

Halbleib scored the final five Blazers points of the quarter, but Tindley led 29-28 after three.

After an Eric Hunter basket for Tindley to open the fourth, Holly made a pair of free throws. Holly tied the game at 33 with 5:45 remaining making all three foul shots. After another Hunter bucket, Halbleib scored to knot the contest again at 35.

A pair of Howard free throws with 4:41 remaining put University up 37-35, but Keith Coleman quickly answered for Tindley to tie the score again at 37.

Hodgin fed Howard for a basket and a 39-37 lead with 3:36 remaining for what would turn out to be University's last lead of the night.

Foul shooting would prove to be the difference down the stretch as the Tigers were 6-6 in the last two minutes. Tindley's Courtland Crenshaw entered the game shooting 53 percent from the line, but the Tigers only senior calmly drained a pair of free throws to knot the game with 1:54 remaining. Tindley went of top for good with 1:35 remaining when Chris Murff, shooting only 44 percent from the line on the season made both free throws for a 41-39 lead.

After two missed University free throws, Hunter put the Tigers up 43-39 with 49 seconds remaining when he drove for a basket. Holly quickly answered for University, draining a contested three pointer with 32 seconds remaining to pull the Blazers within 43-42.

Hunter made two free throws with 19 seconds left to put the lead back to three at 45-42.

The Tigers swarmed Holly on the Blazers final possession. Holly passed to Watson and his three point attempt was off the mark at the buzzer.

University ends the season at 20-6, finishing with the most wins in school history.

The Trailblazers captured the championship of the Vincennes Lincoln Holiday Classic, registering a 19 point win over Class 3A #6 Danville and a 13 point win over Class 2A #7 Indianapolis Howe.

University also posted a one point win over Class 1A #2 Seton Catholic.

Hunter led Tindley with 19 points, all in the second half. The Tigers move on to face host Bethesda Christian in Saturday night's championship game.

Charlotte makes late run...

Pacers drop third game to Hornets

The Indiana Pacers have faced the Charlotte Hornets three times this season and all three have resulted in a loss after Indiana fell, 108-101, tonight in Charlotte.
It was a highly-entertaining first quarter as both offenses were in a groove from the

start. Charlotte shot 57.1% from the floor, including 5-of-9 from the 3-point line, but Indiana essentially matched the Hornets blow for blow. When the first period ended, Charlotte led 31-30.
In the second quarter, the close battle continued. Midway through the period, the teams were deadlocked at 38. Charlotte

took a 47-42 lead with 2:19 left, thanks to a 9-4 run.
A Paul George triple cut the Hornets' advantage to two with just 24 seconds remaining, but Kemba Walker answered with a 3-pointer of his own to push Charlotte's lead back to five.
In the third quarter, the teams traded buckets for the first half of the quarter. But after the midway point of the period, Indiana retook the lead. Using a 12-2 run, featuring eight points from George, Indiana held a 74-71 advantage with 3:17 remaining. The Pacers weren't able to pull away, however, as at the end of the third they led by just two, 82-80.
The lead wouldn't last long. In the opening minutes of the fourth, Charlotte's Al Jefferson scored six, Jeremy Lin added a jump shot, and Frank Vogel was forced to

take a timeout with 9:52 remaining, trailing 88-84.
The Pacers cut the advantage to three thanks to a Monta Ellis triple, but Charlotte answered with an 8-0 run. With 4:39 left in the game, the Hornets led 101-90.
Indiana got the lead down to six on multiple occasions, but couldn't close the gap any further over the final four minutes.
George had a big night for the Pacers, finishing with 35 points, seven rebounds and seven assists. Ellis scored 15, and George Hill added 12 points and seven rebounds.
Kemba Walker and Nicolas Batum led the way for the home team. Walker scored 33 and dished out 10 assists, and Batum added 31 points, seven rebounds and four assists.
