Alexander Hamilton was a genius and patriot

By **FRED SWIFT**
Within in the last several weeks the U.S. Secretary of the Treasury announced a change in an earlier plan to removed Alexander Hamilton's image from the \$10 bill and replace it with Harriet Tubman. There was such an outcry that Secretary Jacob Lew decided to put Harriet on the \$20 bill instead and move Andrew Jackson's image to the reverse side.

In this age of political correctness the feds were determined to place a woman's image on our currency. Harriet Tubman, abolitionist and Union spy during the Civil War, may or may not be the best choice. A lot of folks in

Tennessee (Andrew Jackson's home state) are not happy about moving Andy off the 20. But, that's another story.

It was a wise decision, at least, to leave Alex on the \$10. It makes sense because Hamilton was the brains behind the remarkable creation of an economy that has resulted into today's American prosperity. George Washington appointed Hamilton as the first Treasury Secretary.

Many Americans do not realize the tremendous impact Hamilton had on making the U.S. an industrial power in the world largely by encouraging a balance of trade that provided international markets for American products.

Hamilton was truly a self-made man himself. He was an orphan immigrant who arrived in the country just in time to enlist in the army during the Revolutionary War. He

came to the attention of Washington which ultimately launched Hamilton's career in government and finance.

As citizens of Hamilton County we should be especially pleased that Hamilton remains front and center on our currency because this founding father, namesake of our county, is too often overlooked already. He was not perfect, he had a temper, may have had a romance with a woman other than his wife, and agreed to a duel with Aaron Burr which cost him his life.

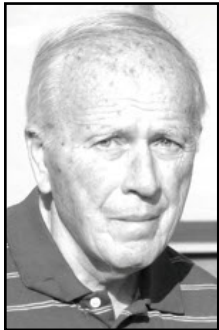

But, Hamilton was a genius and a patriot and a good choice for our founders to name this county. And, as this writer has said before, it would be appropriate if our county officials would place a portrait of Hamilton in the Judicial Center atrium so folks could make the connection with this great American.

Big times this weekend in northern Hamilton

By **DON JELLISON**
Reporter Editor
It's going to be a fun-filled, exciting weekend and with changes in northern Hamilton County.

Events going on in Arcadia, Sheridan and Cicero.

*Things have changed at the Arcadia May Festival.

For the first time in 50 years, family-friendly carnival rides and games are going on each evening in Arcadia. They will continue tonight from 6 to 10 p.m. with the carnival and then from 6 to 8 p.m. a street dance will be held.

Saturday, carnival hours are from noon to 9 p.m. A Classic Car Show will begin at 3 p.m.

With the added amusements, the Festival is moving to bigger digs at the Arcadia ball park, located at West Street and Howard Avenue. The larger space is providing much more room to accommodate the amusement rides, as well as additional parking for Festival goers.

The larger space will handle a food court, where Festival goers can find their favorite festival foods.

*On Thursday, Sheridan was transformed into Circus City, an event sponsored by the Sheridan Kiwanis Club.

*At Cicero, Friends of the Park on Saturday will host the annual Chili Cook-Off at Red Bridge Park.

Proceeds from the event will go to further their mission of providing for recreational and equipment needs for Cicero Parks.

A few of the projects Cicero Friends of the Park has previously funded includes \$35,000 of new universal playground equipment. Also, three concerts during the summer; the annual "Kids Go Fishing Day," and E concerts during the summer that are free to the public, plus new handicap accessible swings.

There will be two divisions to compete, homestyle and state competition.

All participants should be to Red Bridge Park by 10 a.m.

Community members are invited to come and sample the chili

Shawn Olsavsky, Master of Science in Engineering Management

Dr. Stefanie Ann Olsavsky, DVM, Doctor of Veterinary Medicine

Both are pictured with parents Alan and Mary Jane Olsavsky

Olsavsky twins earn advanced degrees from Purdue

May 7 was a grand day for the Olsavsky family of Cicero, as twins Shawn and Stefanie both received advanced degrees from Purdue University.

Shawn Olsavsky graduated with a Master of Science in Engineering Management and is achieving his dream of becoming a Aeronautical Engineer. He has accepted a job at ATA Engineering, Inc., in San Diego, Calif., where he will be a Senior Engineer in the Test Department. ATA Engineering, Inc is an engineering consulting firm that provides innovative solutions to mechanical and aerospace systems and companies.

Shawn is the Hamilton Heights High School Class of 2009 Salutatorian. He attended Purdue University with a Purdue Trustee Scholarship and received a Bachelors of Science in Aeronautical and Astronautical Engineering in 2013.

Dr. Stefanie Ann Olsavsky, DVM, graduated from the Purdue University School Of Veterinary Medicine. Stefanie has passed her National Boards and is achieving her life-long dream of becoming a veterinarian.

She has accepted an internship at Aspen Meadows Veterinary Specialists, in Longmont, Colo., which is located north of

Denver. After a year, she will spend three years in a residency to become Board Certified in surgery or radiology.

Stefanie is also a graduate of Hamilton Heights, where she graduated with top honors. She attended Purdue University with a Purdue Trustee Scholarship and received a Bachelor's degree in Animal Science. She applied to vet school after her junior year and was accepted at Purdue University College of Veterinary Medicine one year early.

Bloodmobile to stop at Noblesville Farmers Market this Saturday

The Noblesville Farmers Market's participants will have a chance to give back to the community this Saturday, May 21, by making blood donations. The Bloodmobile will be on site from 9 a.m. to noon, and we are counting on your help, not only for our community but for all Hoosiers.

"We are seeing the impact of Zika through an increase in travel deferrals. We also believe that donors are staying away and self-deferring due to travel. So far in the month of May, we have collected 350 fewer units than is needed by hospitals and patients," said Andrea Fagan, director of PR and Marketing for the Indiana Blood Center. "We are asking the

public to help those patients by donating blood as soon as possible. Donations are needed especially from those who have not traveled."

Noblesville Main Street invites you to help the Indiana Blood Center. They offer online registration and the donation itself takes approximately 40 minutes.

New station at Market District today...

Carmel opens first Zagster west of U.S. 31

Carmel's Zagster bike-share program is adding a new station this Friday, May 20 at 11 a.m. at Carmel Market District.

Marking the 11th location for the growing program in Carmel, the new Market District station will add six bikes. Carmel declared May as Bike Month, and the ribbon cutting coincides with National Bike to Work Day. Carmel residents and those who work in Carmel are encouraged to bicycle to work.

Carmel launched its bike-share program in April of 2015 as a way to provide active transportation options for local residents, workers and visitors seeking a safe and convenient way to access the City's vibrant developments, parks and corporate corridors. The program started with two stations and 22 bikes and grew to 10 stations with 80 bikes in one year.

Current locations include The Palladium at City Center, Main Street and the Monon, the Clay Township Government Center, the Monon Community Center, Carmel City Hall, SpringHill Suites and Residence Inn, Visit Hamilton County office, Clay Terrace, Allegion and the City of Westfield. The program is expected to continue to grow as more private companies and business parks consider adding new locations to their campuses.

Zagster is known for developing a system that can be easily operated using cell phone technology. The company is a leader in bike-sharing programs for the real estate industry and college campuses across the country, including Purdue University. Under the bike-sharing program, users establish their own accounts through Zagster and are then able to rent a bike from one rack and return to it any of the other racks. For users, the bikes cost \$3 an hour to rent with a cap of \$24 for up to a 24-hour period. A \$15 monthly or \$75 annual fee would include unlimited rides under one hour, with additional hours being charged at \$3 an hour to a maximum of \$24 for up to a 24-hour period.

To learn more about Carmel Market District, visit www.marketdistrict.com. For more information on Zagster, go to www.zagster.com/Carmel.

from noon to 2 p.m. and the cost to sample is a minimum \$5 donation per person.

The chili that is voted the "People's Choice" will receive a gift certificate and bragging rights for "Best Chili in Cicero."

Cicero Friends of the Park will also be selling hot dogs, two for \$3, and Cicero Friends of the Library will host a bake sale during the event.

Those with questions should contact Christy Wilson at 317-410-0513.

Noblesville to host community blood drive today

The City of Noblesville is hosting a community blood drive through Indiana Blood Center from 11 a.m. to 4 p.m. Friday, May 20 outside the Public Safety Building at 135 S. Ninth Street in Downtown Noblesville.

Interested donors can visit the blood-mobile parked behind the fire station. The donation process takes less than an hour. It is recommended that participants have a light snack before donating.

"As first responders, and witnesses to a variety of incidents and scenes, we understand that blood is a much needed resource," said Cpt. Todd Estes, public information officer for the Noblesville Fire Department, who organized the blood drive. "Just one unit of blood donated by a volunteer donor can help save the lives of up to three people."

Riverview Health alone receives 1,500 units from Indiana Blood Center every year. The need for blood by hospitals is most critical in May and June when collections decrease due to the end of the school year and the beginning of summer break.

"There are many ways to give back to your community, but raising your sleeve to give blood brings immediate relief to someone who really needs it – whether it's for a trauma in the ER or a child fighting cancer who needs a blood transfusion," said Noblesville Deputy Mayor Steve Cooke. "And it's a cause worth supporting that doesn't require monetary donations – just a small ask of people's time."

Most people are eligible to donate. There are very few causes for deferral and very few medications that are not acceptable. For more information about blood donations or to schedule an appointment, visit www.donorpoint.org/donor/schedules/drive_schedule/105615.

Westfield Chamber offers new video virtual tour of the city

CGI Communications, Inc. and the Westfield Chamber of Commerce are proud to announce the launch of a community video program featured on www.westfield-chamber.org. This program is an innovation to the way the Westfield Chamber of Commerce and its member businesses market themselves to new and prospective movers.

Throughout a series of videos, CGI has highlighted everything that makes Westfield a wonderful place to live, work, and play. Through the creation of a video tour, CGI Communications, Inc. has filmed in locations all throughout the area, ensuring that those who watch the videos get a real taste of Westfield's unique way of life. It is

the goal of CGI Communications, Inc. to provide the community with the latest in digital marketing technology in order to help Westfield continue to grow and thrive.

With an easily viewable interface on the official chamber website, this video program encourages viewers to learn more about area attractions, economic development opportunities, quality of life, and so much more.

So people are encouraged to consider participating in this program as it provides an exciting new opportunity to showcase your business on our official website, as well as utilize these same video products on your personal websites and social media

pages. CGI is dedicated to highlighting the advantages of living and working in Westfield; advantages like access to the wonderful business community; and it feels that this video program can be widely successful.

"With this partnership we believe it will help continue the great business community here in Westfield. Our partnership with CGI Communications will become a tool for businesses to connect to not only other businesses, but communities both here and around the country." - Jack Russell, Director of Sales and Marketing

Riverview Health Foundation to host...

24th Annual Heartfelt Thanks Golf Tournament

The public is invited to join Riverview Health Foundation for the 24th Annual Heartfelt Thanks Golf Tournament on Thursday, June 16, at Fox Prairie and Forest Park Golf Clubs.

"Once again, we're excited to have BMO Harris Bank as the presenting sponsor, said Megan Wiles, executive director of Riverview Health Foundation. "We encourage businesses and community members to come out and join us at this golf event to enjoy the time outside connecting with others and support patient services at Riverview Health."

Registration for the Florida scramble begins at Shelter 5 in Forest Park at 9:30 a.m., with an 11 a.m. shotgun start. There are two packages available this year. The Corporate package is \$1,000 and includes cart and green fees, lunch and dinner, on-course refreshments, eight mulligans and four skirts for ladies' tee off. The Team package is \$750 and includes cart and green fees, on-course refreshments, and lunch and dinner.

Register by June 9 by contacting Jessica Deering by email at jdeering@riverview.org or by visiting riverview.org/heartfelt2016.

Permit numbers continue to show growth in Westfield

Westfield's growth continues as the summer approaches, with permitting numbers higher than last year.

In 2016, the number of single family permits issued through April is 236. At the same time last year, the city had issued 192.

"Westfield has been recognized as a great community to live and do business in and I think these numbers do a good job of bearing that out," Mayor Andy Cook said. "We are thrilled that more and more people are looking to call Westfield home."

Commercial remodels are also up from last year, with 19 permits valued at \$4,542,000 occurring through April of this year. That's compared to 4 permits valued at \$539,000 during the same time frame in 2015.

The total value of all permits issued through April 2016 is estimated at \$97,100,000.

Boys track and field sectional

‘Hounds win team title, four double winners at meet

By **RICHIE HALL**
Reporter Sports Editor

The Carmel boys track and field sectional turned into a daily double.

Four different athletes won two events at Thursday's sectional, which took place at Carmel Stadium. It was an exciting meet run under perfect weather, and every school that competed had something to be happy about in the end.

The Greyhounds won the team title, using its depth to score 148 points. Hamilton Southeastern was the runner-up with 120 points, followed by three teams close together: Westfield scored 95, Fishers 90 and Noblesville 82, but all of them had multiple event wins, and each school advanced several athletes to next Thursday's regional at Lafayette Jeff.

"Everybody did what was expected," said 'Hounds coach Ken Browner. "We maintained our seeds for the most part, and everybody we expected to advance to the regional advanced on. So we're just excited to buy another week and just get some more training in and try to get a little better, advance to the big show."

The "big show," of course, is the state meet. Two Greyhound athletes have already announced themselves as state contenders, starting with double winner was Ben Veatch. He cruised to victories in the 1600 and 3200 run. Veatch set a new sectional record in the 1600, finishing that run in 4:11.90 and lowering the old mark by over a second and a half.

The Greyhounds' Ryan Lipe also continued his stellar pole vaulting season. He won that event with a vault of 16 feet, 5 inches, setting a new record in the process by a quarter of an inch. Carmel's other wins came from Jalen Walker in the 300 hurdles, and the 4x100 and 4x400 relays.

"I think I ran pretty good," said Walker. "My steps felt good. I just need to finish a lot stronger in the next couple rounds."

Carmel's additional regional qualifiers - all top three placers in each event advance - are Marcus Perkins and Peter Soderstrom in the 100 dash, Calvin Bates in the 1600 run, Mitch Lipe in the pole vault, Bryce Sharp and Zack Alberts in the discus, and the 4x800 relay. Several other athletes placed fourth and are likely to get callbacks to next Thursday's regional.

The Royals got five runner-up finishes, including two from Gabe Fendel in the 1600 and 3200 runs. Hayden Wenger was the high jump runner-up, Ethan Bray was second in the pole vault, and HSE's 4x400 relay also was runner-up. Third-place advancers to regional are Aaron Matio in the 200 dash, Jake Ledford in the 400 dash, Chad Williams in the 300 hurdles and Justin Hornbuckle in the high jump.

Westfield picked up some big wins, with Nolan Rodgers taking the 100 dash and meeting the state standard in that event on the nose, 11.11 seconds. Charlie Miller

Reporter photo by Richie Hall

The Carmel boys track and field team won its own sectional Thursday at Carmel Stadium. The Greyhounds had five event wins and set two new records during the meet.

was the 400 dash winner, Alec Hartman paced the 800 run and the 'Rocks were the 4x800 champs as well. Regional qualifiers were Evan Manley in the 200, Aaron Bennett in the 800 and the 4x100 relay.

Fishers had an outstanding performance by Noah Rogers. He tied the long-standing high jump record of 6 feet 8 inches to win that event (a personal best). Roger said he "took my step back about three feet, and I just increased my speed," and that helped him achieve that record mark.

Rogers also won the long jump, dominating that event by over a foot. His winning leap was 22 feet, 2 inches.

Other Tigers advancing were Peter Werling in the 800 run, William Syrus in the long jump, Charles Bernhardt in the shot put, and the 4x100 and 4x400 relays.

Noblesville's Eric Ferguson swept the throwing events, topping big marks in the shot put (50 feet, 1 inch) and the discus (165 feet event). He led a 1-2 finish for the Millers in the shot put, with Drew Hartmann the runner-up in that event.

Also advancing for Noblesville were Joel Taylor in the 400, Maxwell Runningen in the 3200, Jalen Garner in the 110 and 300 hurdles, and the 4x800 relay.

Hamilton Heights got a sweep from Michael DeFoe, who won the 110 hurdles and the 200 dash. Jesse Brown placed second in the long jump to advance, and the Huskies' 4x100 relay placed fourth, so it will likely get a callback.

Sheridan freshman Nick Burnell placed fourth in the high jump, and stands a good chance of getting a callback on to regionals.

Guerin Catholic's best finishes were sixth places for William Young in the 800 run, and also by the Golden Eagles' 4x400 relay.

Greyhounds, Royals continue championship streaks

The Carmel and Hamilton Southeastern girls tennis teams continued their sectional championship streaks on Tuesday. The No. 2-ranked Greyhounds, who are also working a streak of three straight state titles, beat No. 19 Guerin Catholic 4-1 at the Todd Witsken Tennis Center. It's the 25th consecutive sectional championship for Carmel, and its 33rd overall, which puts it third on the all-time list. The Golden Eagles did get a significant victory, however. The No. 1 doubles team of Ashley Jonathan and Reiley Harrington won a tight match 6-4, 7-5. The win sends the GC duo on to the state doubles tournament. Meanwhile, Carmel dropped only one game in winning the

other four matches, with singles players Lauryn Padgett, Zoe Woods and Samantha Galloway all winning 6-0, 6-0. Over at Noblesville East Middle School, the Royals streak is relatively young - HSE has won three consecutive sectional trophies. "We had never won one until three years ago, so it's nice to build a little tradition," said Royals coach Kirk Webber. No. 17 Southeastern had to battle against a tough Millers team to get the victory. "Today at the beginning it seemed close," said Webber. "It seemed every match was close. I was trying to hurry around to talk to everyone, just to kind of relax them. It's the sectional final, so there's going to be some nerves. We had a

couple freshmen who had never been on that kind of stage before, so they were a little jittery, but eventually they settled the match." Again, the biggest battle was at No. 1 doubles, where Remi Musselman and Alicia Verde got past Noblesville's Sydney Thomas and Rachel Dyer 7-5, 6-4. Tory Ochs needed a first-set tiebreak in the No. 2 singles match against Jayna Armstrong, then won the second set 6-2. "We played really hard," said Millers coach Tim Samons. "This was a much better match than we had during the season. Every match was close at the beginning, could've gone either way. There's just a few shots here and there that really turned the difference in their direction. But their team played really well, and I was

very proud of our girls. That's about as well as we've played this year, too." Southeastern will play No. 3 Cathedral in the Tuesday semi-finals of the North Central regional. The Irish upset the No. 1 Panthers in the sectional final at NC.

Hamilton County Golf Meet...

Carmel wins, 'Rocks 2nd, Golden Eagles soar to 3rd

The Hamilton County boys golf meet took place Thursday, and it featured four of the top seven teams in the state. Maybe there should be a fifth team from the county in the rankings, however. While No. 3-ranked Carmel won the meet with an outstanding score of 295, No. 2 Westfield finished second by one shot, with 298. Guerin Catholic also scored 298. The unranked Golden Eagles had a sensational tournament, with everyone shooting in the 70s, something only the Shamrocks also achieved. Westfield took second on the fifth-man score, which was one better than GC. No. 5 Noblesville was fourth with 301, while seventh-ranked Hamilton Southeastern placed fifth with 306. Medalist honors were shared by the Greyhounds' Jeff Doty and the Golden Eagles' Nate Isenthal, both of whom carded 70s. The Millers' Clay Merchant placed third individually with a 71, followed Westfield's Andrew Lewis, whose 72 landed him in fourth place. Carmel's Curtis

Robertson took fifth with a 73. Cedric McAree, Nick Kuster and Luke Jolly all had 76s for the Royals. Meanwhile, Nick Fisher carded a 78 for Fishers, with Jesse Reed shooting a 78 as well for Hamilton Heights. Jared Mars led Sheridan with an 88. University's Thomas Tanselle carded a 96. Team scores: Carmel 295, Westfield 298, Guerin Catholic 298, Noblesville 301, Hamilton Southeastern 306, Fishers 334, Hamilton Heights 356, Sheridan 460, University inc. Co-medalists: Jeff Doty 37-33=70; Nate Isenthal (GC) 38-32=70. Other Carmel scores: Curtis Robertson 38-35=73, Kevin Stone 37-39=76, Michael Crowley 37-39=76, Will Weghorst 43-42=85. Conway strikes out 14 ...

It’s down to the wire

The battle for the Hoosier Crossroads Conference baseball championship will go down to the final games.

Noblesville, after an 8-0 victory over Avon Thursday at The Dunk, will enter a final game at Avon today with a 14-3 record.

Zionsville, after a 3-0 win over Fishers on Thursday, will carry a 14-2 record into Friday and Saturday games with Fishers.

In Noblesville’s victory over Avon, the Millers scored seven times in the first two innings and that was all Cory Conway needed to pitch his team to a shutout win. Conway allowed just three hits and one walk and struck out 14.

Alex Cleverly hit home run; Bruce Masterson a triple and Travis Gillian a double to lead the power show at the plate for Noblesville.

In the Fishers game, Zionsville’s Nick Prather (7-0) held the Tigers hitless until the seventh inning.

Sophomore Matthew Wolff broke up the no-hitter with a leadoff single to left. One out later, Brendan Toungate singled up the middle for the Tigers’ second hit of the night.

Cameron Boyd had another outstanding pitching performance for Fishers. He threw a complete game, allowing six hits and one earned run while striking out six.

Fishers will travel to Zionsville tonight for a 6 p.m. start. The Tigers will host Zionsville at 11 a.m. on Saturday in

Fishers’ last home game of the season. Saturday will also be Senior Day for five graduating Tigers.

Huskies host Sheridan tonight after

Beating up on Prairie

Hamilton Heights scored seven runs in the bottom of the first and never looked back while rolling over Clinton Prairie, 9-4, Thursday afternoon.

Noah Wallace got it started with a double. The Huskies scored first on a walk to Reese Wills, a walk to Aaron House, a two-run single by Riley White, an RBI single by Isaiah Haymaker, an RBI single by Austin Sauerteig, and an error.

Wills racked up two RBIs on two hits. Haymaker started on the mound. Sauerteig came in and Prairie managed just one hit off him. Sauerteig allowed no earned

runs, walked none and struck out three in three innings.

“Offensively, we hit the ball hard tonight,” said Heights coach Matt Wallace. “Haymaker and Sauerteig both pitched well. Our defense was a little shaky but we played through it.

“We have five games in three days. We just have to make the most of it and manage our arms appropriately.”

The Huskies will host Sheridan in a double-header tonight, starting at 5 p.m.

Chris Pine to wave green flag to start 100th Indianapolis 500

Chris Pine, star of the globally celebrated "Star Trek" movie franchise, will wave the green flag to start the 100th Running of the Indianapolis 500 presented by PennGrade Motor Oil.

"In addition to all our stars on the track, the 100th Running will feature a major lineup of stars off the track," said Indianapolis Motor Speedway President J. Douglas Boles. "We're thrilled to welcome Chris Pine to our flag stand, where he will officially get our epic race under way by waving the green flag."

Pine has emerged as one of Hollywood's hottest actors. With multiple upcoming major motion picture releases, Pine's resume is as extensive as it is versatile. He will next be seen in "Star Trek Beyond," the third installment of the highly successful franchise, the drama "Hell or High Water" alongside Jeff Bridges and Ben Foster, and he is currently filming "Wonder Woman." Additional feature credits include Disney's harrowing drama "The Finest Hours," "Z for Zachariah," "Horrible Bosses 2," the musical comedy "Into the Woods" alongside Meryl Streep, Emily Blunt, Johnny

Depp and Anna Kendrick, the title role in "Jack Ryan: Shadow Recruit" and "Star Trek: Star Trek into Darkness," among many others.

The 100th Running of the Indianapolis 500 presented by PennGrade Motor Oil will be Sunday, May 29. With a crowd traveling to the Indianapolis Motor Speedway that has not been seen in recent years, longtime fans are encouraged to begin their Race Day routines at least two hours earlier than previous years.

All fans will want to arrive early to take advantage of the full 100th Running experience, with highlights including live ESPN "SportsCenter" tapings in the Pagoda Plaza beginning at 8 a.m., an expanded fan mid-way and increased concession and vending opportunities. Stay tuned for more updates on pre-race events as the 100th Running countdown continues.
