The County Line

Memorial Day services are Monday on the Courthouse Square

By **FRED SWIFT**

Annual Memorial Day services will be held Monday at Veterans Memorial on the Courthouse Square beginning at 11 a.m. Local veterans organizations will conduct the public service. Another brief service will follow at Riverside Cemetery and a final presenta-

tion in Crowland Cemetery's veterans memorial.

Hamilton County Area Neighborhood Development (HAND) has reported no decision yet made in a search for a new executive director. Former director Nate Lichti resigned last month to take another position. The new director, expected to be named in the next several weeks, will pursue HAND's public housing plans on the former Farm Bureau Co-op site.

The Carmel High School Alumni Association will hold its 124th annual banquet June 11, 6 p.m. at the school. Moments in history will be presented by Cathie Reamer, a scholarship was be awarded to a CHS graduating senior and there will be inductions into the association's Hall of Fame.

Democrats have the month of June to come up with candidates for county office in the November election. (None filed in the May primary.) But, there are apparently no

current plans to file county candidates this year, thus leaving all offices to Republicans uncontested.

Carmel Library Director Carolyn Goolsby has taken a leave of absence for personal reasons. She was employed last August to replace longtime director Wendy Phillips who retired. A search is underway for a new director. Nancy Newport is serving as interim director.

Sheridan Schools on state's Four Star List

The Indiana Department of Education has announced Sheridan Community Schools is designated to the 2014-15 Four Star Schools list.

In order to achieve the designation, a school must be in the top 25th percentile of schools in two ISTEP-based categories. Additionally, a qualifying school must have earned the highest designation in the state's accountability system and be accredited by the Indiana Department of Education. A total of 287 elementary, middle, and high schools received the award throughout the state.

"I am pleased to recognize Indiana's Four Star Schools," said Glenda Ritz, Indiana's Superintendent of Public Instruction. "I applaud the hard-work and dedication of the students, educators and families at these exceptional schools as we transitioned to more rigorous college-and-career ready standards and assessments last year."

Members of the Noblesville First United Methodist Church have launched Teter Organic Farm, a ministry aimed at reducing food insecurity for Hamilton County. One acre was planted at the farm with 20 varieties of vegetables.

Noblesville First United Methodist Church launches organic farm

On Saturday, May 21, a group of 45 people ranging in ages from 3-73 gathered at the former homestead of the Ruth Teter family north of Noblesville to launch a ministry aimed at reducing food insecurity for Hamilton County.

The ministry is the brainchild of Aaron Hobbs, a pastor at Noblesville First United Methodist Church. "We received the 120-acre Teter property as a gift from Ruth Teter in 1982, and it's been an amazing blessing," Hobbs explained. "As a church, we've used it for outdoor worship, picnics, day-long and overnight retreats, scout outings and other gatherings, as well as renting it to outside groups. But we've always known it could do more."

On a recent trip with the Wabash Pastoral Leadership Program, Hobbs visited a farm in Canada that was operated by volunteers whose mission was growing food for those in need. "I knew immediately this was what Teter should become," Hobbs commented.

Teter Organic Farm was launched last Saturday, as one acre was planted in 20 varieties of vegetables, the first step of a three-year plan that will produce food for area food pantries and eventually also provide jobs for those with developmental needs. "We are looking forward to the relationships this endeavor will develop within

Emily Kipp helps plant vegetables at the launch of Teter Organic Farm.

the congregation," added Lead Pastor Jerry Rairdon, "but even more so with the Noblesville community."

Anyone wishing to volunteer this summer can contact Hobbs at ahobbs@noblesvillefirst.com or call [317-773-2500](tel:317-773-2500). All ages and skill backgrounds are welcome. To learn more, visit www.NoblesvilleFirst.com and click on the Teter Ministries tab.

Weekly outdoor worship is held at the Teter facility, situated on the White River at 10980 East 221st Street, Noblesville, on Sundays at 8:15 a.m., Memorial Day weekend through Labor Day weekend.

Noblesville boy charged after vehicle theft

A 15-year-old Noblesville boy is facing charges after an alleged theft early Friday morning.

At approximately 1:22 a.m., officers from the Noblesville Police Department were dispatched to the 1400 block of Maple Avenue in reference to a complaint of someone breaking into vehicles. Responding officers arrived on the scene a short time later and located a male juvenile riding a skateboard in the middle of the street.

During the course of the investigation, officers were informed by a citizen that a skateboard have been allegedly taken from one of the vehicles. As a result, the juvenile was taken into custody and transported to the Hamilton County Juvenile Services Center.

Since he is a juvenile, the boy's name is being withheld. He is facing one count of Theft from Vehicle, a Class A Misdemeanor, one count of Disorderly Conduct, a Class B Misdemeanor, and a Curfew Violation.

Noblesville Police, Fire launch...

Dippy Dog Water Safety Program

With the arrival of spring and warmer temperatures, the Noblesville Police & Fire Departments would like to remind citizens about the Dippy Dog Water Safety Program. Parents are encouraged to speak with their children about the hazards of unsafe water in order to avoid water-related tragedies from occurring.

The Noblesville Dive Team's "Dippy Dog Water Safety Program" is now in its eighth year. The Noblesville Dive Team is comprised of police officers and firefighters whose primary mission is underwater search, rescue, recovery and evidence processing. In addition to these responsibilities, the team promotes water safety through the Dippy Dog Water Safety Program. Every 1st grader in the Noblesville School system participates in the Dippy Dog program. The primary goal of the program is to steer young children away from unsafe swim areas through education. The message is simple; stay out of unsafe water. Unsafe water includes the obvious such as retention ponds, creeks, rivers, etc. and the not so obvious that includes swimming pools and inflatable

To ensure a safe holiday and summer...

Follow Indiana’s fireworks laws

This weekend kicks off the unofficial start of summer and along with that comes an increase in the use of fireworks. Area residents are reminded that Indiana has several laws governing fireworks and many town and cities have additional ordinances that citizens must follow.

In addition to laws, common courtesy when lighting fireworks goes a long way in avoiding neighborhood conflicts. Letting neighbors know your plans is a great idea or, better yet, why not invite your neighbors to join in the fun? Remember, not all your neighbors, especially those with young children or different work hours, enjoy the loud noises produced by fireworks.

The basic rule of thumb for fireworks use by residents in unincorporated areas of Hamilton County is that fireworks may be ignited from 9 a.m. To 11 p.m. on most nights with an extension on holidays, including Memorial Day. Fireworks may only be used on a person’s own property or on the property of a person who has given permission. Lighting fireworks in a street or in a parking lot is not permitted. Juveniles under the age of 18 must have an adult present to use or possess fireworks.

Towns and cities may have further restrictions on times or locations fireworks may be used so residents should seek advice from local agencies. If there are problems with neighbors and fireworks or noise, please call the non-emergency dispatch number at [317-773-1282](tel:317-773-1282).

Indiana State Law (IC 22-11-14-6) Violations; offenses; time and dates of allowable usage of consumer fireworks

Sec. 6. (a) A person who recklessly, knowingly, or intentionally violates section 2(f), 4.5, 5(c), 5(d), 7, 8(a), 8(c), 8(d), 10, or 11(c) of this chapter commits a Class A misdemeanor.

(b) A person who ignites, discharges, or uses consumer fireworks at a site other than: (1) a special discharge location; (2) the property of the person; or (3) the property of another who has given permission to use the consumer fireworks; commits a Class C infraction. However, if a person recklessly, knowingly, or intentionally takes an action described in this subsection within five (5) years after the person previously took an action described

in this subsection, whether or not there has been a judgment that the person committed an infraction in taking the previous action, the person commits a Class C misdemeanor.

(c) A person less than eighteen (18) years of age who possesses or uses a firework when an adult is not present and responsible at the location of the possession or use commits a Class C infraction. However, if a person possesses or uses a firework when an adult is not present and responsible at the location of the possession or use within five (5) years after a previous possession or use by the person as described in this subsection, whether or not there has been a judgment that the person committed an infraction in the previous possession or use, the person commits a delinquent act under IC 31-37.

(d) A person who ignites, discharges, or uses consumer fireworks:

(1) after 11 p.m. except on a holiday (as defined in IC 1-1-9-1(a)) or December 31, on which dates consumer fireworks may not be ignited, discharged, or used after midnight; or

(2) before 9 a.m.; commits a Class C infraction. However, if a person recklessly, knowingly, or intentionally takes an action described in this subsection within five (5) years after the person previously took an action described in this subsection, whether or not there has been a judgment that the person committed an infraction in taking the previous action, the person commits a Class C misdemeanor.

(e) A person who recklessly, knowingly, or intentionally uses consumer fireworks and the violation causes harm to the property of a person commits a Class A misdemeanor.

(f) A person who recklessly, knowingly, or intentionally uses consumer fireworks and the violation results in serious bodily injury to a person commits a Level 6 felony.

(g) A person who recklessly, knowingly, or intentionally uses consumer fireworks and the violation results in the death of a person commits a Level 5 felony.

(h) A person who knowingly or intentionally fails to collect or remit to the state the public safety fees due under section 12 of this chapter commits a Level 6 felony.

DIPPY DOG

From Page 1

pools when no adults are present. The program also promotes safe swim areas in Noblesville such as Forest Park Aquatic Center, Morse Park & Beach, Stony Creek Swim Center and Dillon Park Splash Center.

The program starts with a coloring contest. The coloring sheets are dropped off at the school and then collected prior to the actual presentation. The coloring sheets were designed by Noblesville High School students and those very same students serve as “celebrity” judges for the coloring contest. Each classroom has a winner announced during their presentation.

Each presentation last approximately 45 minutes and is geared towards 1st grade students. The class is interactive and includes many pictures of the local area. After the program, each student receives a packet to take with them. Each packet includes a participant award certificate signed by Mayor John Ditslear and Dippy Dog and an information sheet identifying some safe swim areas in Noblesville.

The entire community continues to support this program. The Dippy Dog logo, mascot, and coloring sheets were all created by Noblesville High School students with help from the school’s art teacher, Craig Helming. The Safe Swim Areas in Noblesville continue to pledge their support for the program. Stony Creek Swim Center covers all the printing costs for the program and supplies “goodie bags” with informative brochures. Mayor Ditslear and his entire office played a tremendous role in getting this program off the ground and we appreciate the continued support from the Mayor’s Office. The Noblesville Dive Team would also like to thank all of the teachers and school staff for allowing the team to bring this program into their classrooms.

In addition to the school presentations, the Noblesville Dive Team also participates

in community events that promote awareness and prevention of water-related incidents.

If anyone has questions or would like more information about the Dippy Dog Water Safety Program, please contact Patrolman Craig Pittman, Noblesville Police Department, at (317) 776-6340, ext. 1346.

CuroGens enters into economic development agreement with India

In a strategic effort to increase its global relationships and business opportunities, CuroGens CEO Jesper Kehlet has signed an official memorandum of understanding with Arvind Kumar, IAS, Principal Secretary of Industries and Commerce for the Government of Telangana, India. The two entities have committed to exploring mutually beneficial economic development opportunities.

“This partnership allows us to pinpoint mutual goals that will uncover new opportunities and fuel growth. We couldn’t be more pleased to be working directly with the government of Telangana,” Kehlet said.

The signing took place at CuroGens’ Carmel office Tuesday, which K.T. Rama Rao “KTR”, Telangana Minister of Industries and Commerce also attended. The agreement signifies the intention of both parties to explore investment opportunities in Telangana; engage in active collaboration how to improve doing business in Telangana; and participate in fur-

thering the relationship between Hyderabad and Indianapolis.

CuroGens’ office in Hyderabad, which is the capital of the southern Indian state of Telangana, currently employs nearly 20 software programmers, developers and architects and other professionals. The company intends to double that number of employees in Hyderabad by 2017.

Special economic zones dedicated to information technology have encouraged companies like CuroGens to set up operations in cities like Hyderabad. According to The Brookings Institution, Hyderabad ranks fourth in Indian cities to contribute to the country’s gross domestic product.

CuroGens was a sponsor of the special event held by the Indianapolis Hyderabad Sister City Committee in order to honor K.T. Rama Rao during his recent visit to Indianapolis. Governor Mike Pence and former Indianapolis Mayor Greg Ballard spoke during the event.

Pitching, pitching

And, more pitching

Kent Graham/File photo
Fishers' Ryan Metz posted a 1.79 ERA and a 4-2 record for the Tigers' baseball team during the regular season.

By **DON JELLISON**
Reporter Editor

If the opening round of the Noblesville Baseball Sectional is any indication of things to come, and it likely will be, pitching could decide the championship on Monday.

Memorial Day's matchup at Don Dunker Field in Noblesville will find Fishers and Westfield meeting at 10 a.m. and Noblesville and Carmel clashing at 12:30 p.m.

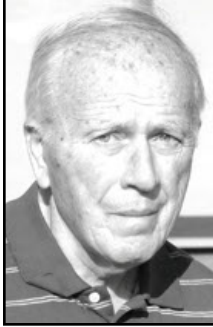

You can't beat Memorial Day sectional baseball at The Dunk, especially so if you toss in pitching.

In the opening round on Thursday, Fishers' Cameron Boyd tossed a two-hitter as the Tigers eliminated North Central, 2-0. Then Westfield's Ryan Pepiot fired a two-hitter as the Shamrocks took out Southeastern, 4-1.

Pepiot, who next fall will be headed to Butler University to play baseball, put on some kind of show. He gave up only two hits, both coming off the bat of opposing pitcher Michael Pachmayer.

On the mound, Pachmayer couldn't get out of the fourth inning when Westfield delivered a pair of doubles and two singles and the Shamrocks scored all four of their runs.

So, who's up next for Westfield and Fishers on the mound?

Fishers has a deep stable of pitchers. Find the right slinger on the right day has been important for Coach Matt Cherry. And, finding support at the plate also has been a big deal. Boyd, for example, had a sizzling 1.69 ERA but just a 1-3 won-lost record.

Next on the hill could be Ryan Metz, who during the regular season posted a 1.79 ERA and a 4-2 record.

For Coach Ryan Bunnell's Westfield team, junior Brian Skelton and sophomore Matt Meyer each has hurled 31.1 innings. Skelton has a 2.46 ERA and a 2-4 record and Meyer has a 4.02 ERA and a 3-4 record.

Fishers and Westfield met in mid-May during the regular season. Fishers won the opener of a three-game series. Westfield bounced back to take 8 and 3-1 decisions.

The pitching prospects are a little more clear for the Carmel and Noblesville game, a pair of teams which drew the first round byes.

Noblesville coach Justin Keever has one of the state's top senior hurlers in Cory Conway and an outstanding No. 2 in senior Clayton Marowski. Conway has an impressive 85 strikeouts in 55 innings and is 8-1 on the year. Marowski is 7-2.

Carmel has a terrific junior in Tommy Sommer, who is 6-2 with a 1.10 ERA and 65 strikeouts in 44.2 innings.

None of the top throwers from Carmel or from Noblesville were on the mound when back on April 23 the Greyhounds, from the MIC Conference, unloaded on Noblesville, from the Hoosier Crossroads, 11-1.

Wills throws 14 strikeouts...

Delta edges Huskies

Reese Wills delivered a fantastic pitching performance for Hamilton Heights in its Friday semi-final game against Delta at the Class 3A Yorktown sectional.

Unfortunately, the Eagles got the lone run of the game, scoring in the third inning. That was enough to send Delta past the Huskies 1-0 and on to Monday's championship game. Heights, meanwhile, ended the season with a 14-12 record.

Wills struck out 14 batters and only allowed one hit. The Huskies had three hits on the night, from Wills, Noah Wallace and Christian McGill.

"Reese was who we thought he would be tonight, simply excellent," said Heights coach Matt Wallace. "We

just couldn't string in hits together. We hit it hard and hit it right at people. That's just baseball. I am so proud of what this group of guys accomplished this year and we have a lot to build on for the future."

Marian University softball wins at NAIA World Series

The Marian University Softball won its opening game Friday at the NAIA World Series in Sioux City, Iowa.

The eighth-seeded Knights beat No. 9 seed Williams Baptist 2-0. Sam Pash, a junior from Carmel, brought home both runs on a home run that scored herself and junior Mackenzie Reeder.

The Knights earned one of 10 spots in the NAIA World Series after a 2-1 victory last week over regional host Lindsey Wilson. Marian is the eighth seed in the tournament.

The Knights are coached by Noblesville native Scott Fleming, who is in his 13th season as the team's head coach. This year he eclipsed the 400 career win plateau. In addition to Pash, two other Hamilton County players are on the roster: Junior Amanda Whitrow is from Hamilton Southeastern, and freshman Morgan Burtron is from Hamilton Heights.

Marian will take on the top seed, Oklahoma City, at 8 p.m. tonight. The Knights are 48-10 on the season.

Carb Day at the Indianapolis Motor Speedway

Reporter photos by Kent Graham

There’s no better place to see your favorite Indianapolis 500 driver than on Carb Day, which took place Friday at the Indianapolis Motor Speedway. The 33 drivers posed for the traditional picture Friday morning. This year’s line-up includes two Noblesville drivers, Conor Daly (back row, second from left) and Bryan Clauson (back row, fourth from left).

The Pit Stop Challenge is one of the highlights of Carb Day. Helio Castroneves’ crew finishes up here; they would win the Challenge.

Matt Brabham (left) and Ryan Hunter-Reay pull into the pits for the Pit Stop Challenge.

Bryan Clauson pulls out of the pits during the Carb Day practice session.
