Riverview Health Foundation unveils new donor wall

Riverview Health Foundation recently unveiled its newly updated donor wall in the recently renovated atrium at Riverview Health. The wall features the names of more than 1,400 generous donors who each have given \$1,000 or more to the Foundation during the past 40 years.

“We’re truly thankful for all our donors,” said Megan Wiles, executive director of Riverview Health Foundation. “We intentionally included images of Riverview Health and Hamilton County landmarks on the donor wall to show how our gracious donors have invested not only in Riverview Health, but the health of our community.”

Riverview Health Foundation hosted 60 donors, including Riverview Health staff and volunteers, at the unveiling event. Guests enjoyed hors d’oeuvres and had the opportunity to meet new Riverview Health president and CEO, Seth Warren.

Riverview Health Foundation is celebrating its 40th Anniversary this year. With the support of its donors, Riverview Health Foundation has donated more than \$12 million to Riverview Health during the past 40 years. Noblesville Bed Race is tonight

The 6th Annual Noblesville Bed Race will take place tonight in downtown Noblesville.

The double-elimination race begins at 7 p.m., with the racing on Ninth Street between Ninth Street between Conner and Logan streets in downtown Noblesville

The Boys & Girls Club of Noblesville, Noblesville Parks Department and Noblesville Main Street partner to present the unusual race as a community fundraiser. All of the proceeds from the race are split evenly for financial need scholarships for summer camp programming at the Boys & Girls Club of Noblesville and Noblesville Parks and Recreation.

The annual event involves racing custom designed beds on wheels on Ninth Street. It provides an enjoyable experience for onlookers and participants alike while raising money for area youth. Adults and families, businesses or organizations, and schools or clubs are invited to “Put School to Bed and Race into Summer” by participating in this unique foot race. Teams consist of four to five racers ages 16 or older. Teams may bring their own custom bed or can borrow a bed from the hosts. Teams compete head-to head in a double elimination bracket (pushing the bed down a main street in downtown, rounding a barrel and returning to the start/finish line) until a champion is crowned.

Viewing of the race is free of charge and the crowd has been growing yearly. Prizes are awarded to winners, fastest team and people’s choice (as some prefer costumes and decorated beds to speed).

Carmel’s DemandJump announces new marketing platform

A Carmel-based artificial intelligence marketing company is using \$1.8 million of investment money to launch a new marketing platform.

DemandJump, located at 10401 Meridian St., made the announcement in a blog post earlier this week. The company said that the money will be used "to expand its sales and development teams and to increase client success teams in support of DemandJump’s growing customer base."

"We are very excited that these experienced and sophisticated investors recognize our game-changing technology and are helping fuel our growth," said Christopher Day, co-founder and CEO at DemandJump, in the blog post. The post named some of those investors as industry veterans 4G Ventures, Hyde Park Venture Partners, and Bob Davoli, the Managing Director at Sigma Prime.

DemandJump was founded in 2015, but said that it is already "experiencing rapid growth" and received the "Innovation of the Year" and "New Startup of the Year" awards at TechPoint's Mira Awards Gala.

"DemandJump is able to effectively calibrate disparate online and offline data, using proprietary artificial intelligence techniques coupled with graph theory and algebraic topology, to reliably identify the best allocation for marketing budgets and resources," the post said.

Playing Mishawaka Marian in semi-final...

Huskies head back to semi-state

By **RICHIE HALL**
Reporter Sports Editor

Having taken care of one Knights team in the regional, the Hamilton Heights softball team now has its sights on another group of Knights.

The Huskies will play Mishawaka Marian at 1 p.m. Saturday in the second semi-final of the Twin Lakes semi-state. This will be the second year in a row that Heights will play in the semi-state; it made its first-ever appearance at that level last year.

In the other semi-final, No. 3-ranked Kankakee Valley will play No. 10 Fairfield at 11 a.m. The championship is set for 7 p.m., with the winner going to state.

The Huskies qualified for semi-state with a big regional victory at Norwell, by the score of 9-2. What looked to be a close game early turned into a rout after Heights scored seven runs in the third inning. Now, the focus is on Mishawaka Marian, which is ranked No. 9 in Class 3A and comes into the semi-state with a 22-7 record.

The Knights won their first six games of the season before being stopped by Penn, which finished the regular season as the No. 2-ranked team in 4A. Marian squeezed past sectional host South Bend Saint Joseph 4-3 in the first round of sectionals, then won its next two games by reasonable margins, 4-1 over Jimtown in the semi-finals and 3-1 over New Prairie in the championship. The Knights won the regional by getting past Western 2-0.

Marian's leading hitter is junior Lizzie Bollinger, who is batting at an astounding .609 clip. Bollinger has 51 hits and 46 RBIs, and has smacked seven home runs this season.

A pair of sophomores are next in line in hitting percentage. Megan Urbanski is averaging .449 at the plate with 20 RBIs, while

Richie Hall/File photo

The Hamilton Heights softball team will travel back to Twin Lakes on Saturday to take on Mishawaka Marian in the semi-state semi-finals. Pictured for the Huskies are Claire Schildmeier (left), Taylor Ewing (center) and Ashton Runner .

Jessica Nowicki is hitting .447, and leads the team in runs scored with 35.

Junior Brooke Stoltz is the main pitcher for Marian. Stoltz has compiled a 12-3 record with an ERA of 1.80. With 104 strikeouts over 97 innings, that gives her an average of 1.07 strikeouts per inning.

The Huskies have three batters ahead of the .400 mark. Junior Ashton Runner holds the lead with a .427 average; she is first for Heights in runs scored (22) and has the most triples with five. Sophomore Jessica Kaurich, who seems to do something heroic in every Huskies post-season game, is next with a .425 mark. Kaurich

leads Heights in RBIs (27), doubles (eight) and home runs (four).

Then there's Ashley Roberts, the do-everything senior. Roberts is a good hitter with a .418 average; she leads the Huskies in total hits (33) and has batted in 15 runs.

Roberts is also stellar in the pitching circle with a 7-4 record this season. She pitched a shutout for Heights in the sectional championship game in Yorktown, the second year in a row she allowed no runs in a sectional title match-up.

Carmel hosts Cathedral...

Eight team tennis finalists square off beginning today

Six top 10 teams along with two others among the state’s top squads fill the field for the 42nd Annual IHSAA Girls Team Tennis State Finals this weekend.

Four quarterfinal matches will be played Friday at 3 pm ET – two each at Carmel and Center Grove high schools -- with the winners returning on Saturday at 10 am ET at North Central High School for a pair of semifinals and the championship match at 2 pm ET.

In the quarterfinals at Carmel on Friday, the home-standing and No. 2 Greyhounds (13-1) drew a home match against No. 3 Indianapolis Cathedral (18-1). Cathedral took a 3-2 decision in the teams’ May 6

meeting accounting for Carmel’s only loss this year and its first in a dual match since the 2012 state semifinals. Carmel had eliminated the Irish in last year’s state semifinal match, 4-1, on its way to the title. The Greyhounds will be vying for a fourth consecutive state title this season which would equal the state mark currently shared by Evansville Memorial (1993-96) and Park Tudor (2005-08).

No. 8 Terre Haute South (22-0), the only undefeated team left, will meet Conference Indiana rival Columbus North (19-6), ranked 23rd. Terre Haute South swept to a 5-0 victory in the teams’ regular season finale on May 16.

At Center Grove, No. 4 South Bend St. Joseph (17-2) will meet the home-standing Trojans (17-3) in one quarterfinal while No. 6 Jasper (18-3) takes on No. 18 Carroll (Fort Wayne) (20-2) in the other match.

Also taking place this weekend at four sites around the state are the individual regionals for singles and doubles players. Pairings for those matches may be found here.

Results from all the matches will be available from IHSAA.org throughout the weekend and on Twitter at @IHSAA1.

Grand Park Lakes stocked with mosquito-eating fish

As a preventative measure for the summer season, Grand Park recently stocked its lakes with Gambusia affinis fish (also known as mosquito fish).

“Grand Park is focused on preventative measures to ensure the safety of our visitors,” says Ken Alexander, Director of Grand Park. “These fish will help control our mosquito population in a natural way.”

The Gambusia affinis fish feast on mosquitos and eat up to 500 larvae per day (3x their body weight). Due to the amount of ponds at Grand Park, 6,600 fish were stocked for the 22 acres of water. They also spawn regularly throughout the summer with broods of up to 100 at about six week intervals.

While these fish should be helpful in controlling the mosquito population, visitors are still encouraged to apply insect repellent containing DEET.
