## Hamilton County Technology Exchange donates computers

Developed by eight members of the Hamilton County Leadership Academy class of 2016, Hamilton County Technology Exchange (HCTE) is a program that seeks to “provide computer resources to individuals in need for purposes on on-line job searching, resume development, and other basic functions.” The goal is to empower people in need by bridging an existing technology gap.

The program’s targeted beneficiaries are individuals who live above the federal poverty line but still fall below the basic cost of living, and who typically meet Asset

Limited, Income Constrained, Employed, or ALICE, standards. In Hamilton County, IN alone, approximately 17 percent of households, or 17,500, meet ALICE standards. Another four percent of households, or 4,300, fall well below ALICE standards, quantifying them as “in poverty.” In total, nearly 21 percent of households, or 21,800, out of 105,000 households are in need. Oftentimes overlooked when it comes to traditional aid, these individuals struggle to propel themselves forward without basic technology, which usually cannot be afforded in their income bracket.

HCTE enables individuals who could not otherwise afford a computer to perform on-line employment and housing searches, enroll in on-line courses, and to perform other basic functions that are demanded in today’s technologically advanced world. In addition, HCTE has purchased and installed the Microsoft Office Suite software on many of the donated computers. This will afford recipients the resources they need for writing resumes and learning

### Ryan Fireprotection acquires Kentuckiana Sprinkler

A Noblesville-based fire protection system provider has acquired a long-time Louisville sprinkler system manufacturer.

Ryan Fireprotection, located at 9740 E. 148th St., bought Kentuckiana Sprinkler Company as of May 20. Kentuckiana Spinkler has been in business since 1971.

In a post on the Ryan Fireprotection website, company president Dan Ryan said “Kentuckiana gives us a local presence to effectively service end-users and contractors in the Greater Louisville area. We are thrilled to build on the astounding reputation that Richard Barber and his team have built over the last 45 years. We will continue the tradition of delivering the highest quality in fire protection systems.”

Ryan Fireprotection has been in business since 1989. Its products include basic fire protection equipment such as fire extinguishers, alarms, hydrants, sprinklers and a number of special hazards products.

## Sheridan Community Schools acknowledges Support Staff, Teacher of the Year

Photo courtesy Sheridan Schools

On Tuesday, May 31, Sheridan Community Schools staff gathered together one last time to share breakfast and summer updates, acknowledge and praise the retirees, and honor the Support Staff and Teacher of the Year.

Mrs. Charlotte Snodgrass (right), school nurse at Sheridan Elementary, was honored for a job well done. It was shared that she is so much more than “bandaides.” Mrs. Snodgrass was recognized for the multiple hats and roles she does on a daily basis.

Mrs. Stephanie Lego, 2nd grade teacher at Sheridan Elementary, was honored as SCS Teacher of the Year. Stephanie has taught for 20 years, of which 18 have been with Sheridan. She has taught in various grade levels, as well as Early Childhood and the High Ability Program. She has also served on multiple committees, assisted with Homework Club, Summer Safari, and was a previous Rotary Teacher of the Year. Besides teaching she loves reading, walking, and spending time with her grandchildren. Stephanie will also be honored by the Indiana Department of Education sometime in the fall. Mrs. Lego is an invaluable educator at Sheridan Community Schools.

basic software, and ultimately allow them to take the necessary steps towards a better future.

Within its first year, HCTE was able to secure 34 gently used laptop and desktop computers, making the program a success. This was possible due to effective networking by HCTE founding members and their connections to the community. Representing eight local businesses and organizations, Sarah Billman (Hamilton County Tourism, Inc.), Jessica Heiser (Church, Church, Hittle & Antrim), Brittany Hosford (Legacy Fund/CICF), Christine Tiskevich (Beck’s Superior Hybrids), Terri Parke (Children’s Bureau, Inc.), Jason Sloderbeck (Hamilton County Sheriff’s Office), Nick Smarrelli (GadellNet Consulting Services), and Ann Yeakle (Community Health Network) were able to secure donations from seven organizations who were prepared to recycle out gently used, slightly older computers for newer models. In the same way, HCTE was able to identify nine non-profit organizations whose clientele fit the program’s mission and who could find deserving individual recipients for the computers. These organizations included HAND, Prevail, Excel Center, Children’s Bureau, Boys and Girls Club of Noblesville, PrimeLife Enrichment, Chaucie’s Place, Heart & Soul, and KIPP Schools. To date, HCTE has facilitated the pairing of 24 computers with individuals in need.

Through additional monetary donations from a prominent local manufacturing company, HCTE was also able to purchase Microsoft Office Suite software for the donated computers. The software was then installed and computers wiped clean for

immediate use through in-kind donations by GadellNet Technology Solutions. Nick Smarrelli, CEO of GadellNet Technology Solutions and also one of HCTE’s founders, testifies that “it has been an amazing experience working with non-profits to deliver tech resources to help really impact lives. We learned a lot in our first year and were able to make a real difference in many lives, and that’s what it’s all about.”

HCTE plans to extend its reach throughout the next year. Collecting donations in the form of computers will continue the success of this effort. If you would like more information about HCTE or are interested in donating or receiving donated computers, please contact Nick Smarrelli at [nick.smarrelli@gadellnet.com](mailto:nick.smarrelli@gadellnet.com).

# Hazel Dell Parkway project in Carmel begins Monday

A road improvement project on Hazel Dell Parkway in Carmel between Cherry Creek Boulevard and Avian Way to 146th Street will begin the week of Monday, June 6. Watch for slowed traffic and occasional lane restrictions. Expect construction to be completed by July 15, weather permitting. The improvements will include the expansion of Cherry Creek Boulevard’s roundabout and the widening of Hazel Dell Parkway north to 146th Street. Accommodations for these wider lanes, such as sidewalk and curb expansion, will also be made. Other changes associated with this project will include safety enhancements encouraging reduced speeds such as a median, narrow lanes, and new pavement markings.

## Shop & Dine Local Passport Event at Carmel City Center

The 2nd Annual Shop & Dine Local Passport event will kick off on Friday, June 10, 2016 at Carmel City Center. ## Sobriety checkpoint scheduled for this weekend

The Hamilton County Traffic Safety Partnership (HCTSP) will conduct a sobriety checkpoint will be conducted on the night of Saturday, June 4 and early morning of Sunday, June 5.

At a sobriety checkpoint, law enforcement officers evaluate drivers for signs of alcohol or drug impairment at a specified point along the roadway, often depending upon the support of local property owners for the use of appropriate land. Checkpoint sites are selected based upon analysis of available crash and impaired driving arrest data and a consideration of officer safety.

Vehicles are stopped in a specific sequence, such as every other vehicle, every third vehicle, every fourth vehicle or by stopping three, four, or five cars in succession and allowing other traffic to proceed while checking the stopped vehicles. The planned sequence in which vehicles are stopped depends on the number of officers available to staff the checkpoint, traffic congestion, and other safety concerns.

Upon making contact with the driver, the officer advises them that they've been stopped at an HCTSP sobriety checkpoint and asks for the driver's license and the vehicle's registration. If, in the course of the contact, the officer detects that alcohol may be involved and that the driver may be impaired or if some other issue arises, then the vehicle is directed into a pull-off area for further investigation. Further investiga-

tion may involve the Standardized Field Sobriety Tests (SFSTs).

On the other hand, if all looks right during the initial contact, the driver is often on his or her way in less than two minutes.

The HCTSP is a consortium of law enforcement agencies in Hamilton County working to increase the usage of seatbelts, to combat aggressive driving, and to decrease impaired driving with the overall goal of creating a safer Hamilton County. The HCTSP is comprised of the Hamilton County Sheriff's Office, Fishers Police Department, Carmel Police Department, Noblesville Police Department, Westfield Police Department, and Cicero Police Department, with the assistance of the Indiana State Police.

Impaired driving is one of our nation's most frequently committed violent crimes. Just in Indiana in 2012, alcohol-related traffic crashes killed 158 people (up from 140 in 2011), accounting for approximately twenty percent of all fatal crashes, and injured another 2,112 people.

About 1000 people are convicted of an impaired driving offense annually in Hamilton County alone, and nearly 200 of those are repeat offenders. In 2012 in Hamilton County, for example, the State filed 1004 charges of operating while intoxicated. Of these, 158 drivers had prior convictions for operating while intoxicated within the last five years.

# Gas leak shuts down 116th Street in Fishers

Photos courtesy Fishers Fire Department

A gas leak at 116th Street and Sandcreek Boulevard in Fishers shut down 116th in all directions part of Friday afternoon and evening.

Around 4:22 p.m., the Fishers Fire Department announced that a six inch gas main was leaking. There were no need for evacuations, but it was originally thought that 116th Street would be shut down for up to four hours.

By 5 p.m., 116th was closed between Cumberland and Hoosier roads, but the estimate to re-opening 116th was down to two hours. Crews continued to make headway, and by 6:52 p.m., the gas leak was secured, with 116th Street opening soon after.

## The Escape Room coming to The Edge in Fishers

Can you get out? The Escape Room is expanding into the Fishers’ Nickel Plate District. The latest in interactive attractions will bring six, challenging rooms to The Edge on the corner of Lantern Road and 116<sup>th</sup> Street. The new adventure is set to open in early fall.

“The Escape Room is a unique addition to the Nickel Plate District,” said Mayor Scott Fadness. “The revitalization of the area was done to ensure our residents and visitors have a place to live, work and play in our community. It’s very exciting to see this vision come to life, and welcome the Escape Room to Fishers.”

The Escape Room Fishers plans to house six different adventure challenges and the Escape Lounge, serving local Indiana beer and wine, on the second and third floors of The Edge. The interactive game is designed for everyone. Participants are locked in a themed room with 60 minutes to find clues, solve puzzles, and discover keys and combinations to escape the room before time is up.

“This location will offer new rooms for fans and expanded hospitality options for events and corporate groups,” said Jennifer Harbron, part owner and Director of Event Planning for The Escape Room. “We will be able to accommodate larger groups than ever with bigger rooms and two distinct lounges that can service more than one group at a time.”

The Escape Room will lease more than 6,000 square feet in The Edge, and plans to

Girls state track and field meet...

# Royals finish fifth, county teams all reach top 20

When the teams are close, every point counts at a state track and field meet.

Hamilton County's girls track and field teams made the most of their opportunities, and the result was a fine meet for those schools. Leading the way was Hamilton Southeastern, which finished fifth with a team score of 27 points.

Carmel's distance runners led the Greyhounds to a tie for sixth place, while Fishers finished 10th. Noblesville's young team was tied for 12th, and Westfield finished tied for 20th.

The Royals had an excellent performance from sophomore Camille Christopher, who medaled in three events. Christopher placed fourth in both the 100 and 200 dashes, then joined Jada Brooks-Edson, Mia Mackenzie and Deneen McKinney to take third in the 4x100 relay.

That race would mark the first of two medals for Mackenzie, as she would place sixth in the 300 hurdles. Southeastern would reach the podium (top nine) in all three relays, since it began the meet with a seventh-place finish in the 4x800 - Grace Andritsch, Elle Eichorst, Madealine Mirro, Kaitlyn Weldy ran in that race - then the Royals finished out the meet with a ninth-place effort from Andritsch, Ashley Mager, Tierra Sydnor and Sabrina Bippus in the 4x400 relay.

Carmel picked up 19 of its points from the 3200 run, where it had three runners compete due to the three-participant standard. In a back-and-forth, competitive race, Stacy Morozov finished second, Christina Geisler was fourth and Sarah Leinheiser placed fifth.

Other Greyhounds scoring points included Rachel Dixon, Cailyn Etgen, Elle Hawkins and Reagan Hune in the 4x100 relay, which finished eighth. Two other Carmel runners finished ninth: Rachel Anderson in the 1600 run and Jessi Cowen in the 300 hurdles.

The Tigers were led by their relays. The 4x400 team of Paris Carver, Kayla Crose, Toni Grace and Danielle Harrison finished third, while the 4x100 relay of Brooklyn Banks, Carver, Crose and Harrison placed fourth. Carver also finished fifth in the 200, while Harrison placed eighth in the 100.

The Millers started off strong in the 4x800 relay, which finished second. The team of Maria Anderson, Kat Dombroski, Abi Little, Susanna Sharples-Gordon set a new school record of 9:05.78. The freshman Anderson would later place fifth in the 400 dash, and Little would take eighth in the 1600 run. Another freshman, Shelby Tyler, tied for seventh in the high jump.

Noblesville's 4x800 relay team finished as runner-up at Friday's IHSAA girls track and field state meet at Indiana University. Pictured: Maria Anderson, Susanna Sharples-Gordon, Abi Little and Kat Dombroski.

Westfield's distance runners also had good meets. The Shamrocks' 4x800 team of Lauren Bailey, Gabby Brown, Gabby Dilick and Devon Leahy finished fourth, and Leahy came back to place fifth in the open 800.

Warren Central dominated the team standings, scoring 70 points. Pike finished as the state runner-up with 48 points, with Lynna Irby repeating as state champion in the dashes for the third time in a row. Irby set a new record in winning the 100 dash of 11.50 seconds, and easily won the 200 and 400 dashes.

Penn and Ben Davis tied for third with 28 points.

**Team scores (Top 10 and all county):** 1. Warren Central 70, 2. Pike 48, T3. Penn 28; Ben Davis 28, 5. Hamilton Southeastern 27, T6. Carmel 23; West Lafayette 23, 8. Homestead 22, 9. Crown Point 21, 10. Fishers 20, T12. Noblesville 17.5, T20. Westfield 11.

# Heights’ DeFoe named BSN Athlete of the Week

Photo provided

Hamilton Heights senior Michael DeFoe has been named BSN Athlete of the Week. DeFoe received the Most Valuable Male Runner Award his sophomore and junior years on the team. He placed 14th in the IHSAA State as a sophomore and third as a junior in the 110 meter hurdles. As a sophomore, at the State Indoor Meet, he placed second in the hurdles. Currently, as a senior, at the State Indoor Meet he placed first in the 60 meter hurdles and 60 meter dash, both becoming STATE RECORDS, and fourth place in the Long Jump. These accomplishments have earned him “All-State Athlete” six times.

In addition to DeFoe’s time and commitment to Track and Field, he is also very involved in his local church and youth group activities. He has big aspirations for his future, which includes competing in the 2016 Junior Olympics for the 110 meter hurdles and 100 meter dash. He also hopes to run in the World Olympics after college. He plans to run track at Indiana Wesleyan University this fall.

# IHSAA Unified Track and Field Championship takes place today

The third annual IHSAA Unified Track and Field Championship will take place Saturday, June 4 at Robert C. Haugh Track and Field Complex, Indiana University. The opening ceremony is at 12:45 p.m. followed by field events at 1 p.m. and track beginning at 1:30 p.m.

The event is the result of a partnership between the Indiana High School Athletic Association (IHSAA) and Special Olympics Indiana known as Champions Together. This led to the sanctioning of Unified Track and Field as the 21<sup>st</sup> IHSAA sport and the first championship, won by Warsaw High School. Last year’s championship was captured by Lafayette Jefferson High School. The vision of the Champions Together Unified Sports® project is to allow high school students both with and without intellectual disabilities the opportunity to represent their high schools in an IHSAA sanctioned activity that provides a quality experience of sports training and competition.

Competitions are judged and scored within heats and flights determined by prior performances. Each heat and flight scores the same number of points and every participant scores points for their team. Based on the philosophy of Unified Sports® there are no individual awards for Unified Track and Field. The only awards given are team awards earned by the contributions of all team members.

You can follow Champions Together and Unified Sports® on Twitter (@ChampsTogether), Facebook and Instagram (@ChampionsTogether).

This year, more than 70 teams participated in Unified Track with the top two

teams from each of the six Unified Track and Field Sectionals advancing to the State Finals. High schools competing in the 2016 Unified Track and Field State Championship include: Crown Point (Lake), Elkhart Central (Elkhart County), Fishers (Hamilton), Edgewood High School (Monroe), Franklin County High School (Franklin), Jeffersonville High School (Clark), Michigan City (LaPorte), Noblesville (Hamilton), Terre Haute North Vigo (Vigo), Perry Meridian (Marion), Vincennes Lincoln High School (Knox), and Warsaw High School (Kosciusko County).

**About Champions Together**  
Champions Together was established in December, 2012 as the partnership between the Indiana High School Athletic Association and Special Olympics Indiana. The partnership provides an award banner to all member schools that meet minimum requirements in the areas of 1) student-led servant leadership, 2) awareness, respect and inclusion as it relates to all individuals with intellectual disabilities, 3) Unified Sports® and 4) fundraising to promote the vision and programs of Special Olympics Indiana and the Champions Together partnership. Special Olympics International is supporting Champions Together as a model program to activate schools through “Project Unify” which also has the endorsement of the National Federation of High Schools. For more information on Champions Together, contact Lee Lonzo at LLonzo@ihsaa.org.

# Rex Pitts: a special Hawk

By DON JELLISON  
Reporter Editor

I'm a history buff, especially when it comes to high school basketball.

Once upon a time, I pretty much had my hand on high school basketball history in Hamilton County. That was back in the day of the Noblesville Daily Ledger. Papers changed and when they did much of my history information went out the door.

Today, folks think I saw every Hamilton County basketball player in his prime, everyone beginning in 1900. Not the case. I first started covering high school basketball about 1955. And, with my ever-fading memory, I have trouble even recalling those days.

I get asked a lot about old-time players being considered for the Hamilton County Basketball Hall of Fame. Everyone wants "stats" when considering players who have been nominated.

First off, stats are hard to find before about 1950.

One player I've heard and read about but never saw play was Sheridan's Rex Pitts. I always knew Rex was "good", but how good? I never had the stats.

Maybe you saw a picture a week or so ago in the Hamilton County Reporter of Rex attending a reunion along with other Blackhawks who played for Coach Larry Hobbs during the basketball glory years at Sheridan.

Jim Godby, another Sheridan great who was in that photo, compiled some information which I thought was interesting and that I would pass along to you readers.

Pitts played for Hobbs from the 1948-49 to the 1951-52 seasons, scoring 682 points as a member of the starting five. He started on the first five after Christmas of 1949 and scored 31 points as a freshman.

You have to understand, 682 points in those days were a whole bunch of points. Especially if you played for Larry Hobbs.

"The major effort," Godby said, "was defense, rebounding and dishing out assists. Sheridan always had shooters, like Paul McClay, Harry Hobbs, Don Collier, Roland Wallace and Joe Hobbs."

No statistics were kept on rebounding or assists.

Sheridan's teams were among the best to ever play in Hamilton County.

The 1948-49 Blackhawks won 17 and lost 9 and were Hamilton-Tipton counties sectional champions.

The 1949-50 team went 20-8; again won the sectional; won the Kokomo Regional and was runnerup in the Muncie Semi-State, one of the final eight teams out of over 700 that began the state tourney.

The 1950-51 Blackhawks went 23-3, losing twice to Kokomo; one game by two points and one game by three. They also lost to Crispus Attucks by two points. They won the Hamilton County Tourney; the Hoosier Conference, and the sectional for a third straight time.

The 1951-52 season, Pitts' senior year, Sheridan posted a 23-4 record, again losing twice to Kokomo and once to Attucks and also to Elwood. They won the County Tourney, the conference and the sectional.

Pitts did other things, too. He ran the mile, half mile and was part of the mile relay team four years and Sheridan won the Hamilton County Track Meet in 1949, 1950 and 1951.

Pitts received a scholarship to the University of Tennessee and transferred to Georgetown College. No basketball stats are available from Georgetown, but that team won the conference and automatically was invited to the 32 team NAIA tourney in Kansas City. Georgetown went to the NAIA for all three of Pitts' seasons there.

Pitts coached high school basketball for nine years, four years as an assistant and then as head coach at Frankfort High School in Frankfort, Kentucky. The 1970 team had the best season record ever for Frankfort, winning 25 and losing 5. The team won the Lexington Catholic Christmas Tourney; won the district and was runnerup in the regional.

The 1969 boys track team won the CKC track meet, the regional and was the 1969 Class Kentucky State Champion. Frankfort also placed second in 1970 and 1971. Pitts started girls track at Frankfort in 1968 and in 1970 and Frankfort was Class A state champion.

So, the next time you see Rex Pitts' photo in the Hamilton County Reporter, you now will know how great the guy was as a Blackhawk, and beyond.

Carmel No. 3 singles player Sam Galloway prepares to return a serve during the Greyhounds' state quarter-final match with Cathedral Friday.

## Carmel tennis falls in state quarter-finals

The Carmel girls tennis team's state tournament run came to an end on Friday, as Cathedral beat the three-time defending state champion Greyhounds 3-2 in the state quarter-finals at the Todd Witsken Tennis Center.

The No. 3 Irish won all three of the singles matches over the No. 2 'Hounds. Those three singles players are the Koscielski sisters, who have been an unstoppable force for Cathedral this season: None have lost a match. At No. 2 singles, Zoe Woods extended Grace Koscielski to a second-set tiebreak before falling 7-3.

Carmel's wins came in the doubles matches. No. 1 Grace Marchese and Mary Voigt won in three sets, while No. 2 Emma Love and Julia Miller were easy 6-1, 6-1 winners.

The Greyhounds finished their season at 13-2.

### Cathedral 3, Carmel 2

No. 1 singles: Lauryn Padgett lost to Maeve Koscielski 6-4, 6-0  
No. 2 singles: Zoe Woods lost to Grace Koscielski 6-2, 7-6 (3)  
No. 3 singles: Samantha Galloway lost to Claire Koscielski 6-4, 6-1  
No. 1 doubles: Grace Marchese and Mary Voigt def. Meghan Farrell and Rachel Long 6-0, 3-6, 6-3  
No. 2 doubles: Emma Love and Julia Miller def. Kristin Caldwell and KK Combs 6-1, 6-1

## Indiana All-Stars preparing for upcoming events

The 2016 IndyStar Indiana All-Stars are getting close to their annual series with Kentucky as well as their usual warmup games against the Indiana Junior All-Stars.

The All-Star exhibition games featuring the Indiana Seniors vs. the Indiana Juniors will be June 7 at Bloomington South High School and June 9 at Lebanon High School. The girls' game each night will begin at 6 p.m., with the boys' game to follow.

The Senior All-Stars will conclude the week with games against the Kentucky All-Stars on June 11 and June 12. The June 11 doubleheader will begin with the girls at 5 p.m. at Bankers Life Fieldhouse in Indianapolis. The June 12 games, starting at 1 p.m., will be at Knights Hall on the campus of Bellarmine University in Louisville.

This is the 21st year of exhibition games between the Indiana Seniors and

Indiana Juniors. The Senior boys lead the Junior boys 35-8. The Senior girls lead the Junior girls 33-10. Three games were played in 2005, 2006 and 2007; just two games were played in other 16 years.

The Indiana All-Star senior boys series with Kentucky dates to 1940, while the All-Star senior girls began playing Kentucky in 1976. More than 60 former Indiana All-Stars from years ending in "6" -- including four players from the 1946 boys All-Star team -- will be recognized on June 11 at Bankers Life Fieldhouse.

The Indiana boys lead their series 93-42. The Indiana girls lead their series 45-35.

This year's Indiana Mr. Basketball is Kyle Guy of Lawrence Central. He is joined on the roster by Dru Smith of Evansville Reitz, Eugene German of Gary 21st Century, C.J. Walker of Indianapolis Tech,

Noblesville's Hannah Potter prepares to run around Fishers-Hamilton Southeastern's Emma Wildheart to score her second point of the match between the two teams in the state lacrosse semifinals at Heritage Christian. Fishers-HSE won 19-10 and will play in today's state finals.

## Fishers-HSE reaches girls lacrosse state championship game

Two county lacrosse teams met in the semi-finals of the Indiana state tournament, which took place Friday night at Heritage Christian.

Fishers-Hamilton Southeastern beat Noblesville 19-10. Noblesville began the game with a 3-0 lead before Fishers-HSE came back to tie it, then took the lead.

Kylee Frasier and Stephanie Miller both scored four goals for Fishers-HSE. Emma Connell, Emma Wildheart and Grace Houser all got three goals, with Anna Gritter scoring twice.

For Noblesville, Taylor Gysin scored three goals. Hannah Potter, Elle Palmer and Grace Newman all had two goals, with Hannah Natvig adding one.

Fishers-HSE will play Cathedral in today's state championship game, which starts at 4:30 p.m. Cathedral defeated Bishop Chatard 12-10 in the other semi-final.

## National Teamers win to kick off Arena Pro Swim Series at Indianapolis

USA Swimming National Team member Leah Smith (Pittsburgh, Pa./Unattached) swam to a pair of lifetime bests in the women's 200-meter freestyle on Friday, and Jay Litherland (Alpharetta, Ga./Dynamo Swim Club) posted an impressive double to open the Arena Pro Swim Series at Indianapolis.

Smith became the eighth-fastest American of all-time in the women's 200m free, touching in 1 minute, 56.64 seconds for the victory after posting a then-lifetime-best swim of 1:56.66 in Friday's morning prelims.

"I'm really happy with my two races today. I was pleasantly surprised with my

200 free this morning and just wanted to get faster tonight – practice going faster in finals," Smith said. "I'm really happy I was able to get two best times today."

Melanie Margalis (Clearwater, Fla./St. Petersburg Aquatics) was second to Smith in 1:57.33 and came back less than 20 minutes later to win the women's 100m breast in 1:07.26.

Litherland followed with a win in the men's 200m free in 1:48.41 before earning his second victory of the night later in the session with a convincing 4:13.93 in the men's 400m IM, good for No. 12 in the 2016 world rankings.

In the men's 100m breast, National Teamer Nic Fink (Morristown, N.J./Athens Bulldog Swim Club) outlasted a strong field, winning in 1:00.13 ahead of Cody Miller (Las Vegas, Nev./Badger Swim Club) and Kevin Cordes (Naperville, Ill./Unattached). Miller was second in 1:00.41; Cordes third in 1:00.51.

Held at the Indiana University Natatorium on the Campus of IUPUI, the June 3-5 meet consists of prelims at 9 a.m. EDT and finals at 6 p.m. EDT. A live webcast of the entire meet will be available at [usaswimming.org](http://usaswimming.org).
