Amazing project...

Three-bridge link

By DON JELLISON
Reporter Editor

Except for the folks who live in extreme northern Hamilton County, most county residents have never been to Strawtown, which is located on Highway 37 north of Riverwood and north of Noblesville.

All of that has changed with the construction of the White River Campground and Koteewi Park.

It will change even more today.

An amazing project 10 years in the works by Hamilton County Parks & Recreation, a historic bridge over White River is nearing completion. The bridge will be set in place

BREAKING NEWS

along the opposing banks of White River Campground and Strawtown Koteewi Park.

Being set in place is a 149-foot long Washington County No. 113 bridge, an example of "Triple Intersection Warren Through Truss" construction, the only one of its kind in Indiana.

Officials are asking the public, because lack of parking, not to attend the event today.

The bridge, originally slated for demolition, was rescued and restored as part of a project that has been more than 15 years in the planning.

The operation to install Washington 113, which began in the fall of 2015, will require the critical choreography of two massive cranes, the first of which will remain on the west bank throughout the entire project, while the second crane will be moved to the opposite bank during the installation.

Utilizing an island in White River, which Hamilton County Bridge No 21 will span, Washington No. 113 will

Rep. Brooks among the nominees...

Holcomb named Republican candidate for governor

By FRED SWIFT

Lt. Governor Eric Holcomb was chosen Tuesday by the Republican State Committee as the party's candidate for governor. Among the 22 committee members, Holcomb topped U.S. Rep. Susan Brooks and Rep. Todd Rokita in a 10 a.m. meeting at GOP headquarters in downtown Indianapolis. The vote count was not immediately released.

Holcomb has been lieutenant governor for only a few months since succeeding to the position when the former Lt. Gov. Susan Ellspermann resigned to head IVY Tech. Then, last week when Gov. Mike Pence was chosen to be the GOP candidate for vice president, the opportunity presented itself to seek the nomination for governor.

Rep. Brooks apparently finished a close second to Holcomb in yesterday's vote. A two-term member of the U.S. House of Representatives, she is a Hamilton County resident. Her supporters felt she could attract female voters in what is expected to be a close gubernatorial November general election. But, in the end Holcomb as a party insider, was able to edge out Brooks who now will presumably continue a bid for re-election to Congress.

Holcomb, 48, is a native of Vincennes and a graduate of Hanover College. His career has been almost entirely in politics as a top aide to former Gov. Mitch Daniels and Sen. Dan Coats and as state chairman of the GOP, but he has never run for elective office. He was briefly a candidate for Coats' vacated Senate seat, but withdrew when Pence selected him for lieutenant governor.

The nominee will now face former state legislator John Gregg in this fall's election.

Holcomb's rapid rise to candidate for governor caps a month of historic political jockeying in Indiana.

Not only did Pence, Ellspermann, Holcomb, Brooks and Rokita withdraw candidacies for offices originally being sought on the Republican side, but Baron Hill, original Democratic candidate for Senate, dropped out to allow Evan Bayh to become the party's candidate against Todd Young, a former Hamilton County resident, who served three terms in the House before deciding to make a Senate run.

Noblesville Back to School Bash is Friday

Noblesville Schools and Noblesville Main Street will be hosting a free community Back to School Bash from 5 to 8 p.m. Friday, July 29 at the Historic Courthouse Square in downtown Noblesville.

The Back to School Bash includes athletics, art, music, community and school organizations, elementary principals in a dunk tank, games, food and more. The event

is sponsored by Church, Church, Hittle and Antrim law firm.

The Noblesville community is invited to attend to join in the celebration of Noblesville Schools and our “hipstoric” downtown. City of Noblesville, Hamilton East Public Library, Riverview Health, Noblesville Boys and Girls Club and other community partners are expected to exhibit at the event.

I-69 lane closures for 106th Street bridge construction

Walsh Construction Company plans to close lanes of Interstate 69 this week between 82nd Street (Exit 201) and 116th Street (Exit 205) for construction of the new 106th Street interchange.

Crews will close the left lane of northbound and southbound I-69 on Thursday and Friday nights (10 p.m. to 6 a.m.) to move temporary concrete barriers near 106th Street in preparation for a traffic shift scheduled for next week. Shifting northbound and southbound I-69 traffic lanes to toward the median will allow construction to continue on the end supports of two bridges, which will each carry one direction of traffic on 106th Street over I-69.

Weather permitting, multiple-lane closures in both directions should be expected each night next week as lane markings, signage and temporary concrete barriers are set for the next work zone traffic configuration.

The speed limit near the construction zone is reduced to 55 mph and may be reduced further to 45 mph when workers are present. Motorists are advised to pay attention to work zone warning signs, fol-

low posted speed limits and keep a safe following distance from other motorists.

For more information about safe driving in highway construction zones, go to <http://www.in.gov/indot/2356.htm>.

Washington County Bridge 113 (west): Built in 1898 on Fredricksburg Road over Blue River in Washington County, Indiana. It is a Triple Intersection Warren through Truss bridge, the only one in Indiana. Its builder is unknown. It is 149-feet long and 15-feet, 8-inches wide. It will span the main channel of the White River from the White River Campground bank to the island in the river.

Wayne County Bridge 229 (east side), will extend from the Strawtown Koteewi Park bank. It was built in 1904 on Charles Road over Martindale Creek in Wayne County, Indiana. It is a pin-connected Pratt Truss because it was a bridge that was built by the thousands. The bridge was built by the New Castle Bridge Company. It will span the secondary river channel from the island to Strawtown Koteewi Park.

The Hamilton County Bridge 21 (middle) is the island bridge located between main and secondary channel. It was built in 1890 and identified as the Plate Leg Girder. It was one of the last surviving examples (the last in Hamilton County) of the only truss style invented by an Indiana resident. Although it was demolished and replaced in 1990, its original plans and drawings were discovered in the Ball State University archives. The bridge has been rebuilt using those original 1890 plans. This bridge will span the island between the two river channels.

span the main river channel from White River Campground to the island and Wayne County Bridge 229 will span the smaller river channel from the island to Strawtown Koteewi Park.

Construction on this project should be complete by the fall of 2016.

Construction cost is \$2,777,846. All portions of the project funded with 80 percent Federal Transportation Enhancement Funding. Hamilton County’s cost is \$611,138.50.

Thomas W. Jarrett

April 16, 1977 - July 22, 2016

Thomas W. Jarrett, 39, of Westfield, passed away on Friday, July 22, 2016 after battling a debilitating disease for nearly a decade. He was born on April 16, 1977 to Paul and Marty (Alley) Jarrett in Indianapolis, IN.

Tom's faith and love of his Savior, Jesus Christ, was evident to all who knew him. He was a man of deep love, kindness and selflessness towards others even when battling an extremely painful disease. He married his high school sweetheart and together they enjoyed a life full of God-given joy with their two sons, extended family, church body and friends even during years of suffering. Tom was a Certified Financial Planner (CFP) for The Wealth Design Center and Jarrett Financial Group for over 10 years. He loved being outdoors, fishing, backpacking, playing and watching basketball and sports of all kinds, but most of all, he took great pride and joy in his sons and loved watching them play sports. Tom was a big advocate for his illness, Myalgic Encephalomyelitis (ME), and he loved to ride his recumbent trike, when he was able, that waved a flag with "Freedom" written on it to help him continue to be active in spite of the disease that eventually caused him to be bedbound.

In addition to his father, Tom is survived by his wife, Christine Jarrett; sons, Austin Jarrett & Andrew Jarrett; siblings, Pat (Lisa) Jarrett, Jon (Sharon) Jarrett, Beth Jarrett, Susanna (Chris) Gordon, Becki (Peter) Burke, Debbye (Aaron) Biermann, Laura (Keisuke) Noguchi, Amy Jarrett, and Rachel Jarrett; father-in-law, John Graham; mother-in-law, Linda (Boruff) Graham; sister-in-law, Jenny (Jim) Flueckiger; 35 nieces and nephews; and one great nephew, Tommy, who is named after him.

In addition to his mother, Tom was preceded in death by his grandparents, Paul & Betty Jo Jarrett, and Harry & Frances Alley.

Visitation will be Thursday, July 28, 4:00 PM to 7:00 PM at Zionsville Fellowship, 9090 W Oak St, Zionsville, IN 46077. Services will be held on Friday, July 29 at 10:00 AM at Zionsville Fellowship, with Pastor Don Bartemus and Pastor Edgar Momoh officiating. Burial will be at Union Lutheran cemetery in Zionsville.

In lieu of flowers, memorial contributions may be made in Tom's honor to a Trust Fund for his sons, Austin & Andrew; or research for his illness, ME. Checks can be may payable to "Trust Fund for Austin & Andrew Jarrett" and mailed to College Park Church Compassion Ministries, 2606 West 96th Street, Indianapolis, IN 46268. Donations can be made online for ME Research: End ME/CFS Project at www.openmedicinefoundation.org/donate-to-the-end-mecfs-project/

DAILY BIBLE VERSE

For I am a man under authority, having soldiers under me: and I say to this man, Go, and he goeth; and to another, Come, and he cometh; and to my servant, Do this, and he doeth it.

- Matthew 8:9

50 Years Ago

News: The Carmel Town Board last night accepted the recommendation of the Carmel Plan Commission and changed the zoning of land at 116th St. and Keystone Ave. to permit possible construction of a multi-million dollar shopping center. The Keystone Square Company, hoping to build the center plus a large housing project, must now apply for a special exception before the Board of Zoning Appeals.

Sports: Number one slinger Jim Gray was graduated last spring. He hit on 32-of-62 tries for the 501 yards through the air. Larry Nevins is back and ready for a good senior year. Nevins was 10-of-36 last season while used both at quarterback and halfback. With Gray, Westfield's big threat was through the air. Nevins may like more of a running battle this season. Rating-- C.

Frances M. McVey

March 9, 1926 - July 25, 2016

Frances M. McVey, 90, of Westfield, passed away on the evening of Monday, July 25, 2016 at Maple Park Village in Westfield. She was born on March 9, 1926 to Walter and Frances (Green) Acton in Noblesville, Indiana.

Frances was a 1945 graduate of Noblesville High School, and worked as a secretary & receptionist for Vibromatic Co. Inc. for 20 years. A woman of strong faith and child of God, she was a member of First Christian Church of Noblesville where she volunteered, served on many committees, and was a deaconess. Frances was a happy and joyful lady, loving music and dancing. She was active with the Noblesville Senior Citizens Organization where she led an aerobics group until the age of 80. Frances enjoyed playing cards and Bingo, but most of all, loved God and her family.

She is survived by her husband of 69 years, William F. "Bill" McVey; daughters, Deborah (Arthur) Robinson and Valerie (Louis) Lang; four grandchildren, Anne Robinson, Victoria Lang Collins, Alexander Lang, and Peter Lang; sister, Marilyn Purkey; and several nieces & nephews.

In addition to her parents, Frances was preceded in death by her infant son, Timothy McVey.

Services will be private and held at the convenience of the family.

Memorial contributions may be made to Sanders Glen Activities Fund, 334 South Cherry Street, Westfield, IN 46074; or Alzheimer's Association, 50 East 91st Street, Suite 100, Indianapolis, IN 46240.

Carmel Mayor Jim Brainard makes statement on 5th District election

A little more than a week ago, after our Congresswoman Susan Brooks resigned her candidacy for the House of Representatives to run for Governor, I started hearing from longtime friends and people who I respect. They encouraged me to run for the seat she vacated and take to Washington the strategic ideas and vision we've put into place here in order to help others build cities that work. I began considering a run for the vacated seat in the House of Representatives.

It gave me much to contemplate. I love my country and have always taken opportunities to share the great success story of Carmel, whether it is through my work with the U.S. Conference of Mayors or by serving on the White House's Task Force on Environmental Preparedness or speaking abroad about city design as part of the US State Department's speaker's bureau. These opportunities have allowed me to share and Carmel to shine on a national and international stage. The idea of doing that in Congress would tempt any mayor who loves his city and his country.

I was honored by the many calls of encouragement but at the same time, I was deeply humbled to receive even more calls and emails from friends and fellow residents who wanted me to remain as mayor of Carmel. They told me that they love living here and that they wanted me to stay and continue working to build a city that that attracts good-paying jobs, hard-working families and visitors who want to experience the many wonderful things Carmel has to offer.

Their words struck a chord. For the past 21 years, I have been given the privilege of being your mayor. You have put your trust in me time and again - six terms now - to continue building this great city. We have worked hard to take what was once a blank palate of suburbia and transform it into a vibrant city where we can thrive and succeed. I often take long drives or bike rides through the Arts & Design District, City Center, Midtown and other developing areas of this city where I raised my children and planted my roots. The beautiful streetscapes, green spaces and flowers; the distinct architecture of our projects; the public art visible for so many to see and enjoy ... and of course our majestic Palladium, the anchor of a new downtown that

continues to evolve into a sustainable, walkable community, the way cities were meant to be built.

There is still much work to be done. I'm excited about the new projects that are beginning to take shape in Midtown, the Proscenium and other exciting developments to the south and west of the central core. I'm excited to watch the Meridian Street Corridor grow with more corporate headquarters, hotels and developments that continue to attract new residents. I'm excited that we have maintained our strong fiscal record and our AA+ bond rating and that we continue to improve our infrastructure and our bike trails and our many acres of parks. I'm thrilled about the future 96th Street and Keystone roundabout interchange project and other road improvements that will help our residents spend less time in their cars and more time with their families and loved ones. I am also very excited as we continue to lead the nation in building more roundabouts than any other US city, including the 100th, which should open this year.

It has been very rewarding to guide the transformation of this once sleepy town into a world-class city, one with a wonderful sense of community where people from all over the world are welcomed, one that provides us with the creativity to feed our souls and one that has the potential for even more. We must constantly challenge ourselves to create the best place to live not just in the region, the state, the Midwest or the country, but the best place anywhere. As I considered this new challenge, I also weighed the responsibility to stay focused on what it will take to help our city succeed in the distant future and what could happen if we were to lose that focus.

For these reasons and many others, I have decided to withdraw my name from consideration for the 5th District seat in Congress.

In the future, there may be other opportunities that are presented to me that would expand my ability to influence change on a larger scale and I will give each one the careful consideration I gave this opportunity. For now however, I feel the best choice is to continue leading one of the best cities anywhere to live, work, and raise a family.

Jim Brainard
Mayor, Carmel

Kenley statement on Fiscal Year 2016 closing

Today Auditor Crouch announced Indiana closed Fiscal Year 2016 with our reserve fund at \$2.2 billion — its highest level ever — and a budget surplus of more than \$50 million.

Because of our state's strong fiscal management, Indiana roads and bridges will receive \$428 million in additional funding, Hoosier families kept \$300 million more of their hard-earned money through tax cuts, and we increased funding for K-12 education by \$474 million.

Along with these positive closing numbers, Indiana has maintained a AAA credit rating and continues to attract new jobs. These accomplishments are a direct result of our careful financial discipline and are a large part of what continues to make Indiana the fiscal envy of the nation.

Reader disappointed in 4-H Fair coverage

As a loyal reader of your paper, I have been very disappointed with your coverage of the 2016 Hamilton County 4-H Fair. The numerous kids that participated this year worked very hard at their particular projects, and these future leaders deserved to be recognized.

Sincerely,
Kevin W Kirtley, M.D.

Thanks to my doctors

Recently, my wife took me for a ride...to Riverview Hospital. It seems that she had enough of watching me deal with severe pain the previous 7 weeks. She was not going to let me "procrastinate" nor postpone going to the doctor after my summer outdoor activities were finished. (The summer time is very busy for me, with my outdoor movies at the park, fireworks festival, street dance, 4-H queen pageant and of course the Hamilton County 4-H fair.)

So, I "quietly" sat in the passenger seat, while she drove...hitting every chuckhole possible...to Riverview Hospital. I had thoughts that with-in hours, my pain would be helped and I would be back at the Sign Shop. I WAS WRONG!

It was a gallbladder situation. I was going to have my first mini-vacation in 25 years!

During my 3 day mini-vacation, I was treated beyond my expectations. (I have watch hospital TV shows) The staff, nurses, doctors and my surgeon were so helpful and caring...that I thought WOW it is a shame I have only one gallbladder.

Seriously, I wanted to thank all of the people that helped in my road to recovering. Including the emergency staff, the technicians that came in to work on Sunday, nurses and doctors that constantly looked over me as a patient. Plus, a special thanks to my surgeon Dr. Zyromski and her staff who catered to my wishes and moved my surgery up one day providing a quicker recovery so I could be at my Friday night movie at the park. Also, thanks to my wife Sherry for being my driver!

Noblesville Mayor’s Charity Jubilee

Photos courtesy the City of Noblesville

Noblesville Mayor John Ditslear hosted the annual Noblesville Mayor’s Charity Jubilee Friday at the Mustard Seed Gardens in Noblesville. The jubilee benefits such organizations as Noblesville Young Life, Noblesville Youth Assistance Program and the Noblesville Firefighters Christmas Food & Toy Drive.

Mayor Ditslear (right) shares a laugh with Tom Crowley, CEO of TM Crowley & Associates, the title sponsor of the Jubilee.

Sember and Andy Hahn were two of the many guests that attended Friday’s Noblesville Mayor’s Charity Jubilee.

Gary Deakyne, PGA professional at Fox Prairie and Forest Park golf courses in Noblesville, was the auctioneer for the live items.

Summer football...

Millers have productive scrimmage

By JASON SIMMONS

We scrimmaged with Warren Central, Decatur Central, and Arsenal Tech last Wednesday night. It was a productive scrimmage for our program if we can learn from it and grow. We certainly learned some things about our program and some of our individual players.

Offensively, we are working on creating consistency and utilizing our personnel to the best that we can. Our offensive line is a group that has changed quite a bit since we last checked in during June. We are working on creating a unit of five that plays well together. We have to develop trust and cohesion to progress our offense. We have senior leadership in Alex Holtz, Daric Gordon, Drew Hartmann, and Ben Collins setting the pace for our group. Juniors Seth Pope and Remington Brodhead continue to battle for playing time. Our tight end position has done a nice job of growing and improving in the last month. Nolan Ginther has been an anchor in the run game and passing game for us at tight end. Seniors Drew Scheib and Brad Westfall have added solid depth allowing us to use formations with multiple tight ends. Chandler Hurst and Tyler Gonzalez have done a good job at the running back for us this summer. Carson Jones has shown some potential as a ball carrier on offense as well. Our wide receiver core has two experienced players back along with some newcomers who have shown some flashes of ability. Jackson Thurman and Ben Gruver did a nice job competing and being physical on Wednesday. That was a solid test for them. Ben Herron, Alex Foster, Nick Rusie, and Jazz Terrell have shown flashes of being able to make plays. The three need to continue to work on their consistency as we begin fall camp. The quarterback position was intriguing to watch on Wednesday and in the month of July. We have three players competing for the job. Sophomore Grant Gremel showed improved fundamentals and arm strength in July. Junior Ryan Barnes is a dual threat quarterback that is really picking up the offense and showing promise. Senior McGwire Plumer brings experience and play making ability to our offense. All three of these multi-sport athletes show good sport sense in their ability to make plays and make decisions quickly.

Defensively, we have shown some great promise in some areas and potential in other areas. Our defensive line was a difference making group Wednesday night and in the month of July. Anchored by Josh Garcia, this group has controlled practices and controlled the scrimmage at times on Wednesday. Clay Wiese and Dalton Davis have lined up alongside Josh for most of the summer. The group has shown depth along with experience. Drew Scheib has moved to

defensive line and excelled playing with his hand in the grass. Sophomore Kenja Jenkins and Junior Chase Yadon have shown promise with their effort and play this summer. Our inside linebackers are anchored by a returning starter in Grant Bullard. Grant is making the move from Mike to Sam. He has made the transition really well this summer making plays from the line of scrimmage and from the 2nd level alignment. Grant has shown great instincts and leadership from the linebacker position. Marcus Emmert and Will Schultze are Seniors that are having good summers. These two along with Eddie Dziennik, Ryan Barnes, and Austin Bridental have competed for jobs while growing as players and make our defense better. Our Nickel Safety positions have been a strength for our defense this summer. Returner Ben Gruver has shown to be a tremendous football player with his instincts and play making ability. He does a tremendous job leading by example for our

football team. Ben has the ability to make plays all over the field. The other Nickel Safety position has had a revolving door on it. Sophomore Wyatt Blades, Junior Carson Jones, and Sophomore Zac Tuinei have all lined up at that position. Wyatt Blades has shown a great deal of promise for a young player. He is constantly competing, extremely coachable, and a tremendous worker. Jones has shown the ability to play in space and really good athleticism while making the transition from quarterback to nickel/running back. Zac has great football abilities. He was on the baseball circuit the majority of the summer. We are excited about getting him back and seeing what he can bring to the position when he returns. The secondary has a lot of veterans getting work this summer. While the group struggled at times on Wednesday, they have shown some ability in other parts of the summer. McGwire Plumer and Brett Bell return at the Corner positions. Both of the

started games at times a year ago. Blake Taylor, Aaron Brewer, and Jazz Terrell are three players that have competed for reps at the Corner spots. Harris Camp has been the leader to win the free safety position. Harris brings great instincts and leadership to the position. Wyatt Blades has shown the promise at free safety at well.

Our Specialists have shown some good promise this summer. We have two kickers that have put a lot of work into the off-season to put them in position to contribute to our football team. We have seen Jack Knight and Chase Evans contribute and prove to be weapons in the kicking game. Chase, Jack, and Anthony Nale have taken snaps from long snapper Grant Christie for our Punt team. Competition in these spots mirrors the other parts of our program.

The goals for our football program going into the summer were to force our play-

Girls golf preview...

'Rocks could be fielding "best-ever" team

Richie Hall/File photo

The Westfield girls golf team finished as state runner-up last year, and return all five players who competed at state. The Shamrocks also have talented freshmen coming in that will help the team.

By **RICHIE HALL**
Reporter Sports Editor
The standards have gotten higher each year for the Westfield girls golf team.
Two years ago, an extremely talented freshman class led the Shamrocks to the state finals for the first time. Last year, as sophomores, they brought a runner-up trophy back to Westfield.
This year, that class is now a group of juniors. The obvious goal is to make that final step and bring the Shamrocks a first-ever state championship in girls golf. The junior class will have some help in the form of freshmen - sound familiar?
But first, let's look at the returning players.
"Cailyn Henderson, Adrienne Montalone and Margaret Wentz all return as juniors and will be at the core of our team," said Westfield coach Trevor Neu. "We are fortunate to have three players of their caliber and they are extremely motivated by our runner up finish last season."
Henderson finished 10th at the state meet last season and was the individual medalist at the Roncalli regional as well.

Montalone was the runner-up at the Ben Davis sectional and placed fourth at the regional, while Wentz's consistent scores helped the 'Rocks to team titles at both rounds of the post-season. Westfield beat Carmel by the fifth-woman score to win the sectional, and then convincingly triumphed in the regional, outdistancing Center Grove by 16 shots.
Not to be overlooked is senior Morgan Baechle. She was a big part of the sectional win, and is capable of some low numbers on the course. Neu said that Baechle "came on very strong for us last season as a junior and we look for her to continue to do the same this year."
Another returner is junior Emma Clary. She played in the fifth spot for Westfield, and Neu noted her improvement during the season.
"We look for her and incoming freshman Natalie Shupe to push the top five players and make our program the strongest it has ever been."
There's one more incoming freshman who will be on the team, and she could get noticed right away. Jocelyn Bruch, fresh out of eighth grade, held her own against the grownups by placing fifth at the Indiana Women's Amateur. Bruch already has tournament experience, and Neu said that she will "make a big splash on the high school scene."
Neu said Westfield's goals are "very similar" to last year - competing at a high level and finishing at the top of each event

ers to compete and to grown them while making them uncomfortable. We have competition at every position going into the start of the season Aug. 1. Our program has shown signs of gaining discipline and embracing work over the last eight weeks. We have to continue to grow in those areas as we kickoff the season. We will host our Black and Gold Scrimmage on Saturday, Aug. 6. We are excited to get the season started and grow our team and this program.

it plays in. But the coach believes the Shamrocks are up to the challenge: He believes this team "may be the best I have seen since I began coaching."
And while Neu said that while it will require "a lot of hard work and consistent play each week" to achieve the goal of competing for a state championship, he believes the 'Rocks have the players to accomplish that goal.
Westfield will hit the courses running, keeping their aggressive schedule of five tournaments in seven days to begin the season. The 'Rocks open play next Tuesday, Aug. 2, at a tournament hosted by Lafayette Jeff.
