# New portion of Monon Trail opens today

By the time you read this, a new portion of the Monon Trail may be open.

Officials were to open a new three-mile section of the trail in the northern part of the county this morning. The section will connect a part of the trail from 216th Street to Lamong Road in Sheridan.

The newly opened part of the Monon will extend a portion of the trail southeast towards Westfield. The already-opened portion in Sheridan extends southeast from the intersection of State Road 38 and Open Street down to Lamong Road about a third-mile south of the highway.

## BREAKING NEWS

Westfield's portions of the trail are slowly but surely coming together. The trail is already open from 146th Street to State Road 32, then another part is open from 181st Street to Monon Trail Elementary School, just north of 191st Street, with part of the trail flanking the eastern edge of Grand Park.

The City of Westfield still has two more phases to complete. First is the section between 191st and 216th

streets; once that is finished, the trail will be connected from Westfield to Sheridan. Construction is anticipated to be complete by 2017.

The second phase yet to be finished is construction of the Monon Bridge over State Road 32 and Tournament Court. That should being next year as well.

In all, the Monon Trail begins in downtown Indianapolis and heads up into Carmel, across a strip of land that once accommodated the Monon Railway. Carmel's portion of the trail opened in 2002.

## Additional parking available for Farmers Market

Riverview Health and Noblesville Main Street are teaming up to provide additional parking options for people attending the Noblesville Farmers Market on Saturday mornings.

“We estimate the weekly attendance average at around 3,000 visitors,” said Chris Owens, executive director of Noblesville Main Street. “As the oldest and one of the larger markets in central Indiana, safety is our top priority. Riverview Health has been a gracious host and has offered additional options to help with traffic and parking issues.”

As part of the Farmers Market location announcement for 2016, both organizations referenced the need for flexibility as

## Jake Laird Community Day is Tuesday at Quaker Park

The 2016 Jake Laird Community Day will be held Tuesday, August 2, from 5 to 8 p.m. at Quaker Park in Westfield. This year will mark the 12-year anniversary of IMPD Officer Timothy “Jake” Laird’s death, who gave his life in the line of duty on August 18, 2004.

Westfield’s Jake Laird Community Day is sponsored by Hamilton county residents Mike and Debbie Laird, Officer Laird’s parents. The family event is free to the public, and will feature hotdogs, popcorn, rock climbing wall, bounce house, face painting and a police K9 demonstration.

The Jake Laird Community Day will be paired with National Night Out again this year. National Night Out is designed to:

- Heighten crime and drug prevention awareness;
- Generate support for, and participation in, local anti-crime programs;
- Strengthen neighborhood spirit and police-community partnerships; and
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.

This event is organized by the Westfield Police Department. To see photos from last year’s event, [click here](#). Click on the link for more information on [National Night Out](#).

The Noblesville Fire Department is beginning its “Back to School, Drive Slow” initiative as Noblesville Schools students head back to class on Monday.

## NFD starts “Back to School, Drive Slow”

The Noblesville Fire Department is starting a new initiative for the 2016–2017 Noblesville School year, which starts Monday, Aug. 1.

The “Back to School, Drive Slow” campaign will begin today and continue through Friday, Aug. 5.

On Monday and Tuesday, the Noblesville Fire Department will have fire trucks parked in all seven of Noblesville Schools' elementary school zones from 8:15 to 8:45 a.m., and again from 3:15

to 3:45 p.m. Beginning Friday July 29, 2016 the Noblesville Fire Department, will be displaying large banners at each of our seven fire stations to help remind drivers school is back in session. There will also be smaller banners displayed on the back of the fire trucks so the public and passing motorist will see NFD's message as well.

The Noblesville Fire Department wants to remind motorists to slow down and be aware of the kids going back to school, and prevent a tragic beginning to the 2016 – 2017 school year.

## Back to school safety tips

Now that the official start of school is upon us, the Noblesville Police Department would like to ask all citizens to review a couple safety tips to prepare for another start to a school year.

### IF YOUR CHILDREN WALK TO SCHOOL

→ Make sure your children walk a prescribed route each day and reinforce the importance of not deviating from this route. If possible, try to arrange for your child to walk with a group of children

if they are otherwise unaccompanied by an adult.

→ Dress children in clothing that is sufficiently visible to motorist such as light-colored clothing, reflective vests or backpacks that have attached lights or reflective material.

→ Take time to remind children about what to do if a stranger approaches them while walking to or from school.

# Logan Street Sanctuary hosts Saturday concert

Logan Street Sanctuary is inviting the public to a special concert, featuring Andrew McPheters and Mike Wheeler, at 7 p.m. Saturday at the Sanctuary, 1274 Logan St.

Some Logan Street Sanctuary fans know Andrew McPheters as a former member of Mamadrones and you've heard his outstanding banjo and mandolin playing from Mamadrones performances at LSS. Now he appears with his new ensemble, *Mike Wheeler and Friends*, who are known for their "string bendin' bluegrass. Mike is new to the LSS stage, but you can check out his music here: <https://mikewheeler.bandcamp.com/>

## SAFETY

From Page 1

→ Stress the importance of how to safely cross streets where a crossing guard is not present. Teach children to look carefully to the left, right and then left again if you have to cross the street.

→ Have your children put everything they carry in a backpack or school bag so that they don't drop things on their way to school.

### IF YOUR CHILDREN RIDE A BIKE TO SCHOOL

→ If your child rides a bike to school, ensure that they are wearing the proper safety equipment to include a helmet, light-colored clothing and proper reflective or lighting devices for their bike.

→ Review with them the rules of the road and the proper use of hand signals.

### WHEN WAITING FOR AND RIDING THE SCHOOL BUS

→ Make sure your child stands at least 10 feet (5 giant steps) from the road while waiting for the school bus. The child will then be out of the way of traffic. Have younger children practice taking 5 giant steps to become familiar with 10 feet.

→ Ensure that children are not engaging in horseplay or other activities that may subject them to unnecessary hazards associated with vehicular traffic while waiting at bus stops.

→ Make sure that children know to wait for the bus to come to a complete stop before approaching it.

→ Be sure that your children can visually see the bus driver at all times before moving to board the bus.

→ Encourage your children to wear a lap/shoulder seat belt if one is provided on the bus.

→ Reinforce the rule that the school bus driver is in-charge when they are on the school bus. School bus drivers have a tremendous responsibility to ensure that their undivided attention is focused on delivering our children to and from school in the safest way possible. Unruly, noisy or children moving about on the bus only stands to create a distraction for the bus driver that ultimately takes away from their ability to safely and effectively focus on driving.

→ Warn children that if they drop something when getting on or off a bus that they should never pick it up. Instead, they should tell the bus driver and follow the driver's

instructions. If they bend over to pick up a dropped object, they might not be seen by the driver and could be hurt if the driver pulls away from the stop.

### REMINDERS FOR MORNING AND LATE-AFTERNOON COMMUTERS

→ Be prepared for a longer commute due to the addition of school buses being out and about and increased vehicular traffic as a result of teenagers driving to school.

→ Expect the unexpected...watch for the possibility of children darting out into the street or children riding their bicycles especially during the dark hours of the morning.

→ Be patient and observe the law when approaching or following a school bus that activates its stop arm for loading and unloading of children.

→ Be very mindful of intersections where children are prone to gather for the bus or at designated bus stops.

→ Be mindful when traveling in or around areas where schools are located and the reduced speed limit. The typical speed in a school zone in Noblesville is 20 mph.

→ The Noblesville Police Department takes a very proactive and committed stance to enforcing school bus arm violations and speeding in school zones. Officers are actively observing for potential violators each school morning and afternoon in order to provide the children of our community with the safest possible means to and from school. Motorists cited for either of these violations are required to make a mandatory appearance in court and if found guilty, can be fined up to \$10,000.00 for the offense.

If parents have any additional questions or need additional clarification they are encouraged to contact our department at 776 – 6340 ext 1261 for Lt. Bruce Barnes, Public Information Officer.

Summer football...

# Golden Eagles keep focus on themselves

By **RICHIE HALL**  
Reporter Sports Editor

With the start of the IHSAA football season now being counted in hours - 72 hours as of Friday morning - Guerin Catholic's program is using this week for a little bit of down time.

The Golden Eagles are taking the week off to get rested up for the 2016 football season, which begins in earnest Monday morning when teams can take to the field for official practices. This week's vacation is a nice intermission after a productive summer season for Guerin Catholic.

"Hopefully it's one last chance to have a little bit of a summer and get re-energized," said GC coach Tom Dilley.

The coach took his team to the Bishop Dullaghan Camp at DePauw University, the only summer camp the Golden Eagles attended. Guerin saw a wide array of teams at the camp, including Region stalwarts Munster and Merrillville, Warsaw from the north-central part of the state, Castle from the Evansville area, and Whiteland and Lebanon, who are a little closer to home.

"It was a good camp," said Dilley. He called the camp "a nice scenario where you've got it all at one location, in one day you may be working with three different teams." The camp gave the Golden Eagles "a good opportunity to evaluate our people."

But for most of the summer, GC kept the focus on itself. The Golden Eagles practiced on Mondays and Wednesdays, then would lift on the remaining days, with some conditioning built into the lifting. The only exception was last week, when Guerin Catholic tried to add a Thursday practice, although the weather interfered.

Dilley said his team only dressed in helmets in shoulder pads six times during summer practices; the other times it was helmets only. The coach looked upon this time of "more of a learning opportunity."

A handful of players had good summers, Dilley mentioned lineman Joe Boise, safety/wide receiver Emmett McMahon and linebacker/fullback Logan Weaver as those doing well.

"Those are the three that jump out at me," said Dilley. He also said that "a lot of other guys" came back better, adding on another year of experience.

The Golden Eagles begin their season the same as last year, taking on Martinsville and Lafayette Central Catholic in the first two weeks. Guerin Catholic will also be a charter member of the Circle City Conference, taking on Brebeuf Jesuit, Bishop Chatard, Roncalli and Heritage Christian.

Fourth annual \$1500 scholarship...

Schuler, Hibbler named RVC Scholarship winners

Lindsey Schuler and Bryce Hibbler are the winners of the fourth annual \$1500 RVC Scholarship. Lindsey was a football/competition cheerleader and ran track for the Royals and is headed to Butler University after a gap year. Bryce, an HSE tennis player, will begin this fall at Purdue University. Below are excerpts from the essays by Lindsey & Bryce.

To be considered for the scholarship, applicants had to be in the class of 2016, must have participated in athletics as a senior, had to write an essay about “What it means to be a Royal,” and highlight their academic achievement, school activities, community service and leadership roles. A letter of recommendation was also required.

Lindsey Shuler:  
“Through HSE track and cheerleading, I have been a part of a state and national championship team, state and national runner-up team, All-State and All-Academic state, and Sectional and Regional championship teams. But more than all of these victories combined, my teammates and rival athletes have taught me the everlasting value of determination, family, and hard work. Though athletics has been taken away from me physically, the heart of true athletics remains steadfast, fueling me.”

Bryce Hibbler:  
“Being a Royal means having a good time while doing great things. As my four years progressed, I not only began to see myself becoming smarter, but I could also see myself developing into a more mature leader. HSE has molded me into the positive person I am today.”

## Three Indy Eleven Fall Season Games to Air on beIN SPORTS en Español

The North American Soccer League (NASL) and beIN SPORTS have announced that the network's Spanish-language channel, beIN SPORTS en Español, will air three of the league's Fall Season games, all featuring Spring Season Champion Indy Eleven.

The Spanish-language broadcasts will air in addition to the 16 remaining Fall Season games that were already slated for beIN SPORTS USA. Since the NASL and beIN SPORTS kicked off their partnership earlier this year, 17 games have been carried live on the network's English-language channel, as well as beIN SPORTS CONNECT, its online streaming platform.

The three broadcasts will mark the first time beIN SPORTS has aired NASL games live in Spanish. For TV schedules and channel information, please visit beinsports.com.

With several Latin American stars currently calling the NASL home – including Indy Eleven midfielder and Mexican National Team legend Gerardo Torrado – the additional broadcasts will showcase these players to the league's growing Spanish-speaking fan base. “Indy Eleven is excited to be the centerpiece of beIN SPORTS en Español’s increased coverage of the NASL throughout the rest of 2016,” said Indy Eleven president Jeff Belskus. “The club looks forward to exposing our exciting team to an even wider audience in our chase for the Fall Season and The Championship titles in the months ahead.”

The lone Indy Eleven home game featured in the trio of beIN SPORTS en Español broadcasts on Saturday, October 15, will mark a reunion of Mexican stars, as Torrado and the “Boys in Blue” will play host to the Carolina RailHawks and their own “el Tri” standout, forward Omar Bravo, at Carroll Stadium.

The three Indy Eleven games that will air on beIN SPORTS en Español are:

Saturday, July 30 - Miami FC vs. Indy Eleven

Saturday, September 10 - Fort Lauderdale Strikers vs. Indy Eleven

Saturday, October 15 - Indy Eleven vs. Carolina RailHawks

In addition to these broadcasts, during Indy Eleven’s trip to The Miami FC this weekend the three-time FIFA World Cup participant Torrado will be the first NASL-based guest to appear on beIN SPORTS en Español’s weekly panel show The Locker Room, airing Friday night from 10:00-11:00 p.m. ET.
