Large Democrat slate gives Republicans opportunity

By **FRED SWIFT**

Hamilton County Democrats are to be congratulated for fielding an almost full slate of candidates for county offices this year. Hardly anyone can remember the last time this happened in our overwhelmingly Republican county. It's healthy to have a choice even if the majority of voters choose GOP candidates on election day.

And, the Democrats also give the Republicans an opportunity. After many elections where Republicans for local office needed not do a thing to win a general election, this year they can, and need, to become energized to get their vote out on November 8.

Democrat leadership has said for years it wants to build a two-party system in Hamilton County. But, with no candidates on the ballot, that was a rather hollow claim. Now they can mount a campaign to show voters they have candidates to offer.

Republicans also need to advertise their candidates' personal backgrounds, qualifications and intentions if elected. Most of the GOP candidates can claim experience at doing the jobs they seek, because they are running re-election to the offices they already hold. Democrats need to tell voters what their folks can do and why they are qualified to do it.

Most analysts say 2016 will be an exceptional election year. There are, for example, some people who say they won't vote for either presidential candidate. Perhaps that remains to be seen, but one thing is certain: at the state level Republicans need a big vote in Hamilton County. Demo-

crats, on the other hand, need to hold down that big GOP margin for such offices as governor, U.S. Senator and other statewide offices.

How does each side attempt to achieve its goal? In part, the key may be in the campaign for local offices. The party that does the best job of selling its slate of candidates achieves its goal. There are thousands of voters who know at least some of the men and women running for local office, whereas most candidates on the state and national ticket are not personally well known to most voters.

Voters will get out to support people who they know or feel they know when these people are being challenged. That's the way it works in any local election. And, of course, most people will vote for the higher offices on the ballot. So, putting a local face on the election helps boost the numbers for whichever party does the better sales job.

Noblesville man accidentally shot Wednesday afternoon

A Noblesville man is recovering after he was accidentally shot Wednesday afternoon.

At approximately 1:15 p.m., police officers from the Noblesville Police Department and Hamilton County Sheriff's Department responded to the address of 17625 River Road in reference to a report of a person suffering from a gunshot wound. Officers arrived on the scene a short time later and began to investigate.

Preliminary information suggests that Danny L. Warren, 67, of Noblesville, was accidentally shot by his son, Jeremy A. Warren, 29, also of Noblesville. Danny Warren was transported by ground ambulance to St. Vincent's Hospital in Indianapolis to be treated for a gunshot wound to the knee. The injury was characterized as non-life-threatening.

At this time there will be no recommendation for criminal charges.

Noblesville Police were called to a home on River Road Wednesday afternoon on a report of a person suffering from a gunshot wound. A man was found to be accidentally shot; his injuries are non-life-threatening.

Sept. 17 is the 30th annual...

Noblesville Tour of Historic Homes

Life will soon return to a more leisurely pace as it does once every year during the Noblesville Tour of Historic Homes. This year's tour takes place from 10 a.m. to 5 p.m. on Saturday, Sept. 17, and marks its 30th year supporting Noblesville Preservation Alliance programming.

During this year's event, eleven private residences and cultural sites will open their doors to visitors. Preservation buffs, interior design fans and people who simply enjoy old homes and a weekend stroll will love this longstanding Noblesville tradition. This year's sites are located primarily along Conner Street and 10th Street/Allisonville Road. Tour stops and special events are mostly within walking or biking distance from one another. A free shuttle will be available to the home on Allisonville RD, which is distant from the others.

Advance tickets are \$12 each (children under 12 free) and are currently available at many downtown Noblesville locations, including – Noble Coffee and Tea Company (933 Logan St.), A Corner Cottage (895 Conner St.), Logan Village Mall (977 Logan St.), Linden Tree (856 Logan St.) and Mr. G's Liquor (2209 E Conner St.) Tickets are also available online at www.noblesvillepreservation.com. All those who purchase tickets in advance (in person or online)

will be entered into a drawing for a \$50 gift card to The Ville restaurant.

Tickets may be purchased on the day of the tour at Tour Headquarters on the grounds of the Hamilton County Museum of History and Old Sheriff's Residence and Jail, located on the Courthouse Square (810 Conner St.), and the First Presbyterian Church of Noblesville (1207 Conner St.) for \$15 each (children under 12 free). All proceeds benefit NPA, who uses tour proceeds to fund homeowner façade grants for Noblesville's historic homes.

Public parking is available in downtown Noblesville and along many residential streets. The First Presbyterian Church and the Boys and Girls Club (both featured on the tour) have parking lots. Bike parking is available on the Courthouse Square and informally at each tour stop. Make a day of it by taking advantage of downtown Noblesville's lovely shops and delicious restaurants. This is a rain or shine event; tickets are non-refundable. Visit www.noblesvillepreservation.com for more information.

New Culver’s under construction in Westfield

Reporter photo by Perry Williams

There’s more new construction in Westfield, as a Culver’s restaurant is going up near the intersection of State Road 32 and Sun Park Drive. The restaurant is planned to open in mid November. This is one of many new businesses that have opened or going to open near Wheeler Road. The boom is caused by opening of Grand Park.

Friday in downtown Noblesville...

Travel along the Chocolate Trail

Twelve downtown Noblesville merchants and restaurants in conjunction with Noblesville Main Street will make up the 2016 Chocolate Trail on Friday, an annual event highlighting chocolate treats along with local shopping and dining.

Starting at 5 p.m., shoppers can pick up a chocolate trail map at any participating location and visit each location for chocolate treats and a stamp. Just before 9 p.m., shoppers can take their maps to the Main Street table, located on northeast corner of the courthouse lawn, for entry in a drawing for prizes from participating locations. Shoppers who visit all locations and collect a stamp from each will be eligible for a grand prize drawing featuring donations from all participating locations.

Participants are A Corner Cottage, Barley Island, Kiln Creations, Lil Bloomers, Little Gypsy, Logan Village Mall, Matteo’s Restaurant, Old Picket Fence, The Hamilton Restaurant, The Ville Restaurant, The Wild and Whimzy.

From 7 to 9 p.m. patrons can also enjoy the final concert of the year in the Music & All That Jazz series presented by Gaylor Electric and Greg O’Connor and family. This week features Blue Door Jazz, a favorite at past Noblesville Main Street jazz events. Their repertoire

50 Years Ago

News: Ray and Helen Emery reside southeast of Noblesville in a home adjoining the Fairview Addition. They have lived there only a year: Their neighbors wish they'd occupied the home years ago. It isn't often neighbors go about praising the work of others-- particularly if the work of others is competing with their own. But this is precisely the case with the Emery's neighbors and friends. People in the Fairview Addition take time to praise the "Beautification program" started by the Emerys. They admire the unusual plants, flowers and scents... And Ray's 16-ft. Tall corn. Sports: Carmel coach Bill Shepherd is scheduled to send his cross country Greyhounds into action for the first time this afternoon when Hamilton Heights comes calling. Shepherd has six lettermen on his 19-man roster, which includes seven seniors, six juniors and six sophomores. Ad: ABC Noblesville Drive-in Theatre: Ambush Bay

Noblesville boy defeats the odds, raises awareness for cancer

September is Childhood Cancer Awareness Month. These special 30 days are dedicated to honor children who have fought or are fighting cancer, and the month is represented by the color gold. The St. Baldrick's Foundation, a volunteer-powered charity dedicated to raising money for the gold standard in children's cancer research, believes September is an opportunity to prove that #KidsAreGold and deserve a childhood free from cancer.

Matthias Vescelus, 8, from Noblesville, is a six-year cancer survivor who refuses to let anything slow him down – even being completely blind. At just 3 months old, Matthias was diagnosed with a rare tumor in both eyes. He spent the majority of his first year fighting for his life – enduring six months of chemotherapy, having both eyes removed and replaced with prosthetics before his first birthday.

Matthias does not let his blindness slow him down and even tackles obstacles that would be hard for adults. This summer, he was on his local swim team – where his coach swam in front of him, leading him with her voice so he could compete with the other kids. He's also an avid hiker – having spent time in Zion National Park and on other hikes with his adventurous family. Additionally, he had participated in the Junior Spartan Race, an extreme walk/run obstacle course race, with his brother. Matthias is an incredible inspiration who hasn't and won't let cancer or blindness keep him from experiencing life to the fullest.

Matthias has just started second grade and is totally obsessed with the weather. When he grows up, he says he's going to be a stay-at-home dad or a meteorologist.

The reality is that childhood cancers take more lives than any other disease in the U.S. Matthias was a 2013 Ambassador for St. Baldrick's and has shaved his head multiple times – a few times alongside his mom, Katie.

Noblesville Parks programming to be featured at...

Rec2Be Active event Sept. 11

The Noblesville Parks Department is offering the community a chance to experience and try a number of programs that will be offered starting this fall. The free Rec2Be Active event is 3 to 5 p.m. Sunday, Sept. 11 at the Recreation Annex at Ivy Tech Community College (Gate 18). Guests are encouraged to come dressed comfortably to participate in fitness, art, engineering, nature classes and more.

"Rec2Be Active showcases the various programming available through the parks department that the new staff has been developing for the next couple of seasons. The event will allow families to test our programs before signing up for fall classes," said Noblesville Recreation Director Nichole Haberlin. "Our programming is continuously changing to fill the desires of our community so we also ask residents to share their input on our programs or ones they would like to see."

The event will feature a main stage with 10-minute class demonstrations of Zumba, Boot Camp, Piloxing, Eccentric Stretch, Self Defense and Aerobic Kickboxing. Family yoga, yoga and Pilates will be offered in the classroom. The new Lunch Power Program, which will be running daily from noon to 1 p.m. starting Monday, September 12, will be in the

Wellness Room. A trainer and nutritionist will be there to help work through your personal goals.

In addition to the programming trials, several local health providers like Riverview Health, Hamilton County Chiropractic, Divine Therapeutic Massage and Indiana Podiatry Group will be onsite to provide free checks on blood pressure, height, weight, posture and foot screenings and massages.

Activities that will be available throughout the event include:

- * Try popping balloons using a Fencing sword.
 - * Create a rocket with Engineering for Kids.
 - * Create a craft with Nickel Plate Arts.
 - * Learn & play the popular, new sport of Pickleball.
 - * Leave smarter after learning about Nature2Go and the environment.
 - * Participate in tumbling and karate demonstrations.
 - * Try out the newest Noblesville Parks' league sport of Bubble Soccer.
- No registration is necessary and the event is open to allow guests to arrive and stay as long as they'd like. For more information, call the parks office at (317) 770-5750 or visit its website at www.noblesvilleparks.org.

For next week’s BMW Championship...

Traffic restrictions to be implemented around Crooked Stick

The 2016 BMW Golf Championship will take place at the Crooked Stick Golf Course in Carmel from Sept. 6-11. With the weeklong golf tournament attracting top PGA players, spectator attendance is expected to be in the tens of thousands over the course of the event. To ensure resident, motorist, and spectator safety, several roads will have temporary restrictions throughout the week. Parking restrictions in the area of Crooked Stick will also be in effect.

Motorists wishing to avoid potential traffic congestion associated with the BMW Championship are encouraged to utilize State Road 32 to the north, US 31 to the east, US 421 (Michigan Road) to the west, and I465 to the south to avoid the area. 116th Street through Carmel is not a suggested route as this is the north side of the golf course.

General parking from Tuesday through Friday is located on the northeast corner of 146th Street and Towne Road. During these days, Towne Road will be closed between 141st Street and 146th Street to facilitate shuttles transporting spectators. 146th Street from Ditch Road to Towne Road will be restricted to one-way westbound traffic between 7 a.m. and 3 p.m. Tuesday through Friday. No eastbound traffic will be permitted on 146th Street between Towne Road and Ditch Road during these times and non-event traffic will be routed north around the area.

In the event of rain or other inclement weather that prohibits utilizing 146th Street for parking, general spectator parking is planned at the old Indianapolis Airport, 2500 S. High School Road in Indianapolis, with shuttles transporting spectators from there. Notification will be posted if parking is changed to the airport.

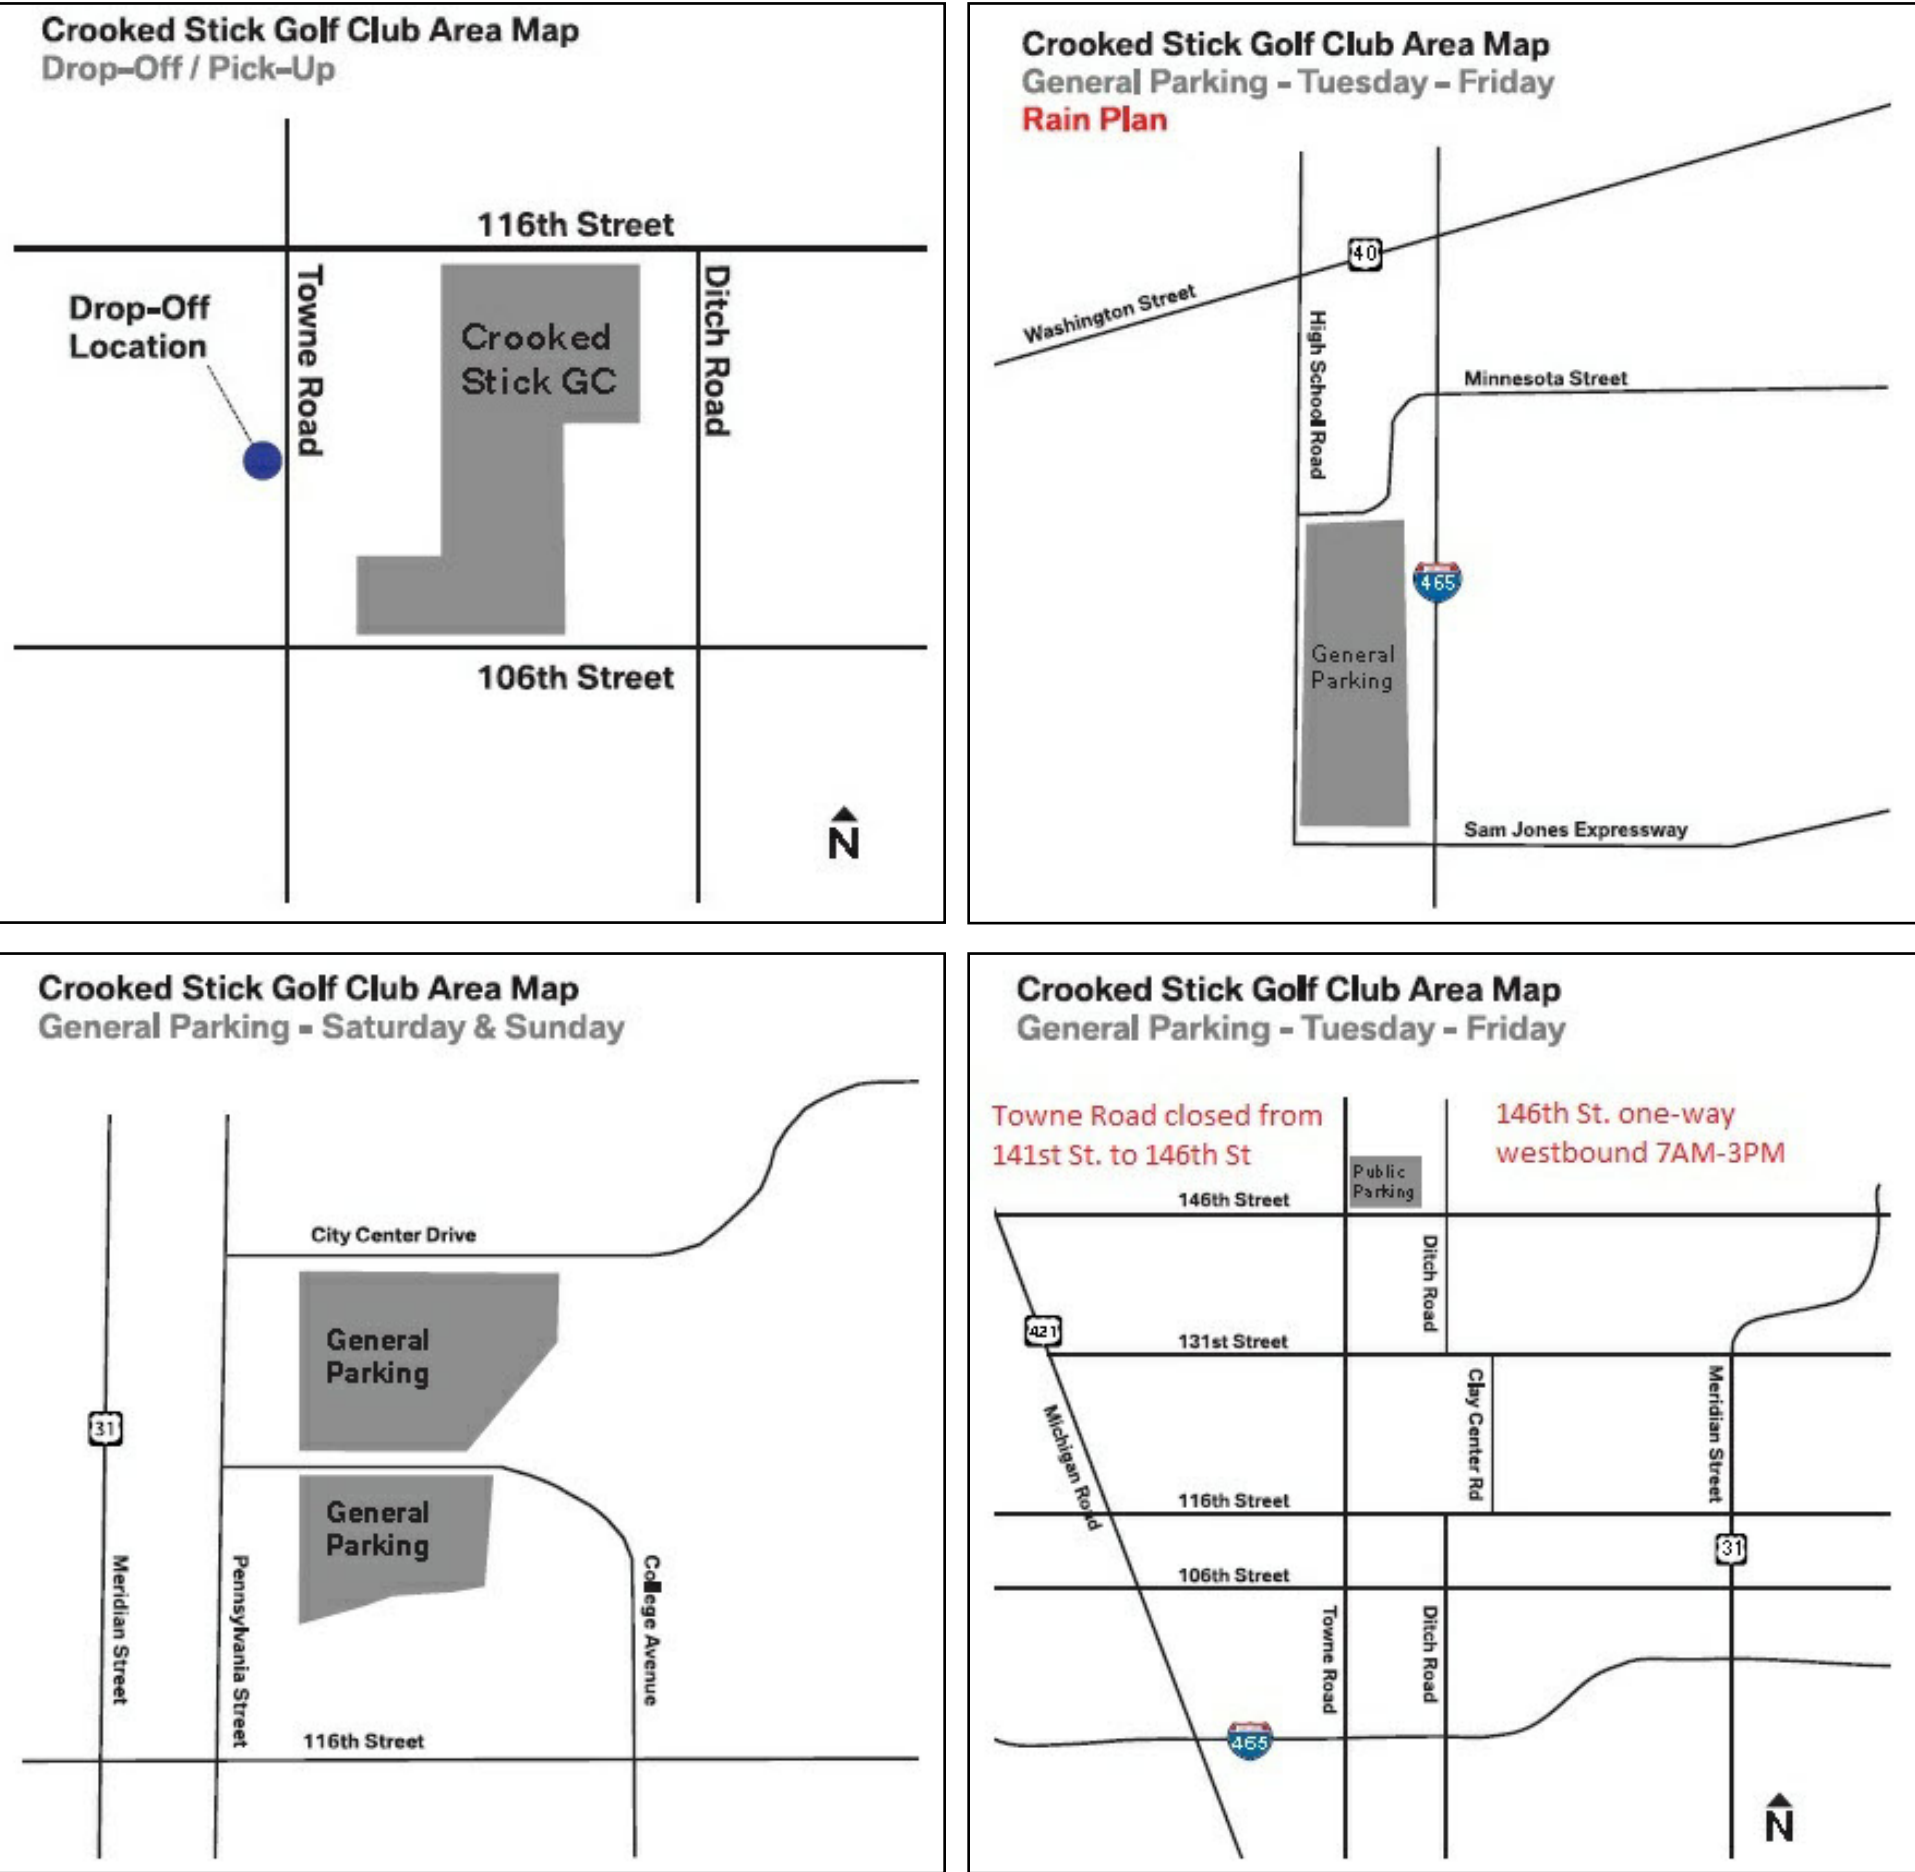

General parking on Saturday and Sunday will be in lots located at CNO Financial headquarters north of 116th Street and Pennsylvania Street. Traffic along streets near that location will be affected by spectators and traffic in the area.

BMW owner parking will be at St. Luke’s United Methodist Church, 100 W. 86th Street, on Tuesday through Friday. On Saturday and Sunday, BMW owners will park at 3500 DePauw Blvd. at the Pyramids off Michigan Road.

All private and public drop-offs will take place at 10910 Greenbrier Road, across from Towne Meadow Elementary School. Private and public pick-ups will be directed to Towne Meadow Elementary School at 10850 Towne Road. A dedicated drop-off/pick-up area will be marked and a walkway will be established across Towne Road. No vehicles are permitted access to the main spectator entrance, located at 10803 Thunderbird Drive, or to the Crooked Stick clubhouse. Subdivision residents and their guests must have an event issued pass to access the neighborhood.

Designated parking and ADA shuttles for wheelchair bound patrons will be provided. For those spectators requiring lift-equipped shuttle transportation, please contact the tournament office at 317-324-1102. Wheelchairs will not be available for rent on the tournament grounds, but spectators may bring wheelchairs with them to the BMW Championship.

Please check the Hamilton County Sheriff’s Office Facebook page, the Carmel Police Department Facebook page, or <http://bmwchampionshipusa.com/spectator-information/> for updated information on parking and traffic during the course of the BMW Championship. Comments and concerns about traffic and parking should be routed through the Carmel Police Department or the BMW Championship.

Big HCC test...

For Hamilton Neighbors

By **DON JELLISON**
Reporter Editor

Two Hamilton County teams, separated in distance only by two or three car agencies, Friday will battle at Fishers Reynolds Stadium for an early jump in the Hoosier Crossroads Conference.

The host Tigers are 2-0 after beating a pair of MIC Conference teams, North Central 28-21 and Pike 41-36. Noblesville is 0-2 after losing to a pair of MIC foes, Lawrence North 21-17 and Carmel 24-9.

Fishers owns a two-game win string over the Millers, 38-13 last year and 16-13 two years ago. Three years ago, the Millers defeated the Tigers 27-24.

Noblesville has a first-year coach, former assistant Jason Simmons. Fishers is coached by 34-year veteran Rick Wimmer. This is Wimmer's 11th season at Fishers.

Noblesville's Chandler Hurst (13) had a solid game in the backfield for the Millers in last week's game against Carmel. Hurst, along with Andrew Scheib (28) are probable starters for Noblesville's Friday game at Fishers.

“Their quarterback will present some problems for us, and they have a solid kicking game,” Wimmer added.

The quarterback is junior transfer Ryan Barnes. On offense, Barnes has done everything for the Millers. He is 21-of-39 through the air for 330 yards and two touchdowns. He has not been intercepted. On the ground, Barnes has carried 41 times for 202 yards and a TD.

Barnes leading receivers are Jackson Thurman with 11 catches for 205 yards and Ben Gruver with six catches for 75 yards.

“I felt like our program handled the adversity from the Carmel game well and played a competitive game,” Simmons

looked back a week. “We are a football team that showed improvement in several different areas from Week 1 to Week 2.

“The two areas we need to improve in the most came back to bit us again. We gave up too many big plays and didn’t finish drives well enough in the scoring zone. We had four trips inside. We can be a solid football team once we get those two areas cleaned up.

“Carmel executed their offensive game plan well by pounding the football and taking advantage of their perimeter speed with play action. Defensively, they

pressured us into mistakes in the scoring zone, Simmons added.

“With the exception of giving up a long punt return, our special teams performed very well and were probably the difference in the game for us,” Wimmer talked about the win over Pike. “We have lots to work on from an offensive and defensive standpoint, so will need a good week of improvement this week as we prepare for Noblesville.”

“Ben Gruver, Zac Tuinei and Roman Dziennik played well for us on defense,” Simmons said. “Gruver had an interception and three tackles for losses.

“Offensively, Drew Hartmann and Ben Collins played well up front. Jackson Thurman and Blake Taylor played well at wide receiver. Chandler Hurst and Ryan Barnes had solid performances in the backfield,” said Simmons.

Fishers’ quarterback Joel Smyth has hit on 11-of-26 passes for 212 yards and four

touchdowns. Will Syrus has three catches for 98 yards. On the ground, Max Shores has carried 20 times for 66 yards.

“Fishers is a top 10 team in 6A so our path won’t get easier for us,” Simmons looked ahead. “They have several dynamic player-makers on both sides of the ball. The part of their team which stood out to me was their offensive line and their defensive line. Their offensive line has great size; gets off the ball well, and finishes plays with an edge. Up front on defense, they get off the ball well and play with good energy. We will need to find a way to neutralize the line of scrimmage and limit big plays.

“Their special teams have made a lot of big plays the first two weeks of the season. We will need to be selective with ball placement and handle pressure when we are kicking

“It will be a great atmosphere, if Mother Nature cooperates,” Simmons said.

Sheridan's first road trip....

Toughie at North White

By DON JELLISON
Reporter Editor
Sheridan's first road game of the season may be the Blackhawks' toughest game so far this season.

Coach Bud Wright will take his 1-1 club to North White on Friday.
"North White is a really good team which has blown out two opponents," said the Sheridan coach.

North White opened the season by beating Taylor 52-12 and then last week unloaded on Frontier 73-0.

"Their quarterback is good, and they use a one-set back," Wright continued. "The quarterback is the guy who can kill you."

Senior quarterback Jake Quasebarth is 18-of-21 throwing the football, good for 394 yards and seven touchdowns. On the ground, he has carried 29 times for 236 yards and three touchdowns. His top receiver is Tyler Hook, a junior who has eight catches for 174 yards. Quasebarth's leading rusher is junior Nick Pinn, who has carried 46 times for 259 yards and six touchdowns.

North White is coached by Jim Davis, who is starting his 38th year at the school.

Sheridan, after opening the season with a loss to Western Boone, last week defeated Clinton Central, coming from behind in the second half.

"We learned how to play the game in the second half," said Wright.

"Joe Callahan (who scored all four Sheridan touchdowns) had a great game. Gunner Williams had a couple of outstanding plays. Our offensive line played well, in the second half," Wright added.

Sheridan has gotten good mileage out of its sophomore quarterback, Drake Delph. He has connected on 16-of-37 passes for 164 yards. His leading receiver is Brody Perry with seven catches for 118 yards.

But, as always, Wright's bread and butter has been the running game, keyed by Callahan, a four-year starter. Callahan has carried 49 times for 248 yards and five touchdowns. Kenny Burnell has 27 carries for 122 yards.

On defense for the Blackhawks, Cole Cummings has 10 tackles and five assists

Royals hit the road...

HSE begins HCC at Avon

By DON JELLISON
Reporter Editor

After starting the season with victories over Carmel and North Central from the powerful MIC Conference, Hamilton Southeastern this Friday will open play in the powerful Hoosier Crossroads Conference in a trip to Avon.

“We’re starting the HCC on the road against one of the best teams,” said HSE coach Scott May. “Overall, this is going to be another tough year in the HCC. Most

teams are sitting 2-0 going into the conference season.

“I think Avon again is a very good team. They are young after a great 2015 year.

“On offense, they spread you out, but are 50/50 pass to run. They have great team speed. Avon is always big and physical and Coach Bless does a great job with the program.”

Avon quarterback Cameron Misner is 22-of-51 passing for 257 yards and two touchdowns. His leading receiver is Luke Shayotovich with seven catches for 84 yards. On the ground, Corey Dupriest has carried 20 times for 99 yards.

“We will need to focus on us,” May continued. “We have to show we can take a road trip, adjust and come out ready to play. We need to keep getting better on all parts of the game; tackle great, and stay together. I think our offense will keep finding ways to move the ball, but we need to make sure we finish drives with points.”

Quarterback Adam Mullett is 21-of-54 for 489 aerial yards and four touchdowns. He has been intercepted only once. His leading receivers are Carter Lohman with six catches for 155 yards; Max Klink with seven for 85 and Max Brooks with six for 66. On the ground, Jackson Sweeney has carried 37 times for 216 yards.

“I thought North Central was a good win for us, with a close 14-7 lead at half-

time and then making adjustments for the 31-7 victory. The kids felt the pressure at half,” May said.

“Trey Poore made a great effort play to keep NC out of the end zone right before half and then Mullett hit Lohman to put us up. Highs and lows of the game, good things to show the kids on film.

“Up front we are getting great play from linemen Sam Garvin, Joe Myren, Zach Mutchner, Brian Deschow and Caleb Rutan and quarterback Mullett has kept us going. I think Lohman has been special the last

two weeks. Nick Mutchner had a key third down catch.

“On defense, our Player of the Week is Max Burris. He doesn’t show up much in stats but at the nose spot has done a great job the last two weeks double-teaming and letting our backers make plays. Johnny May had a big night with seven solos, six assists, three tackles for losses, one sack, one force fumble and one pressure. Brock Burns had a big interception in the second half.

“Kicker Tyler Melser had a big night with a field goal and did a nice job kicking off,” May added.

Royals drop close game to Avon

The Hamilton Southeastern girls soccer team lost a tough Hoosier Crossroads Conference game to Avon 1-0 on Wednesday. The Class 2A No. 8 Royals had a 4-1 shot advantage at halftime, but the 2A No. 4 Orioles' goalkeeper "came up huge on some really nice shots," said HSE coach Greg Davidson. Southeastern goalkeeper Nat Wilkinson had two big saves of Avon shots, but a handball gave Avon a free kick to make the game winning goal. "The Royals played their hearts out and played one of their best games of the year," said Davidson. Sheridan wound up on the wrong side of a 2-1 scoreline against visiting Frankfort on Wednesday. The Blackhawks again surrendered an early goal and had to fight to get back into the game. Sophomore Ashton Wilson tied the game before the half ended with a great unassisted goal. "The defense played well after the early goal, until the 63rd minute when Frankfort scored to take the lead," said 'Hawks coach Kurtis Olsan. "Sheridan had several more opportunities to tie the game at 2, but couldn't find the back of the net." Westfield lost to 2A No. 5 Zionsville 1-0 Wednesday night. Cassandra Melnick and Nicole Burkett had good games for the Shamrocks. Carmel, ranked No. 2 in 2A, breezed past Pike 7-0 in a Wednesday Metropolitan Conference game. Emily Roberts scored two goals for the Greyhounds, with five other Carmel players scoring one: Jessica Dilger, Bridget Mallin, Olivia Fray, Jessi Cowen and Kate Spraetz. Tess Nihill had two assists, while Katie Soderstrom and Dilger each had one. "The coaching staff feels that we are continuing to make progress toward our goal of getting better every game," said 'Hounds coach Frank Dixon. "This week-end's games against Indiana's #3 Brebeuf and Kentucky's highly ranked Sacred Heart Academy should provide a great measurement of where we stand at this point in the season as well as provide some entertaining competitive soccer for our fans." Carmel plays those teams at this week-end's Zionsville Invitational. The Greyhounds play Brebeuf at 5 p.m. Friday and Sacred Heart at 4:45 p.m. Saturday. In a Wednesday "C" team game, Noblesville beat Fishers 2-0.

Royals tie with Avon

Hamilton Southeastern and Avon played to a 1-1 tie in a Wednesday Hoosier Crossroads Conference game. The Class 2A No. 2 Orioles were first to strike in the first half, as the 2A No. 9 Royals struggled to find their rhythm. The second half proved to be much more effective for the Royals, as their pace and intensity grew. The lone Royals goal was scored by Dylan Ricketts on an assist from Matt Kuster. The Royals remained unbeaten, with a record of 2-0-2. They will continue their season this weekend as they travel down the Evansville. University beat Park Tudor 3-0 on Wednesday. Samuel Gailey scored all three of the Trailblazers' goals. The UHS varsity team is now 3-2. Noblesville and Fishers' junior varsity teams played to a 0-0 tie on Wednesday. The freshman teams played to a 2-2 tie.

'Rocks, Tigers win duals

The Westfield girls golf team defeated Ben Davis on Wednesday night 145-160. The No. 1-ranked Shamrocks were led by Cailyn Henderson, who was medalist with a one under par 34. Adrienne Montalone, Margaret Wentz and Jocelyn Bruch each carded a 37. Morgan Baechle followed with a 38.

Seventh-ranked Fishers won a dual meet over No. 4 Zionsville 152-153 at Gray Eagle Golf Course. The Tigers were lead by Kennedy Brooker's one-over par 37. Very close behind her were Morgan Lewis and Anna DelPrince with a pair of 38's. And closing out the scoring for the Tigers was Brooke Wilson with a 39. Other scores for the Tigers were Kate Alt, 40, and Sophia Chaille' and Grace Brooks both with 48. The Eagles' Annabelle Pancake was the meet medalist with a three-under par 33, a new record.

Carmel's junior varsity finished second at a four-team meet at Gray Eagle Golf Course Wednesday. The Greyhounds carded a 182, just behind Zionsville's 181. Fishers scored 200 and Noblesville carded 245. Ella Woods led Carmel with a 42, followed by Lucy Frey 44, Elizabeth Hedrick 47, Alex Waples 49 and Mikayla Tom 59.

Grand Park Cup takes place this weekend

This weekend, September 3-4, the Indiana Fire Juniors are hosting the 3rd annual Grand Park Cup Soccer Tournament for youth soccer teams ages U9-U15. The event features 300 teams from six states: Indiana, Illinois, Kentucky, Michigan, Missouri and Ohio.

“Our club tournaments continue to grow each year, drawing more players from around the Midwest and beyond,” said WYSA/Indiana Fire Juniors executive director Mark Webber. “We attribute this growth to the precision management and dedication of the IFJ Staff and the world class facility we play in. Visitors consistently rave about the quality of the facility and the surrounding areas.”

The Grand Park Cup is anticipated to result in more than 13,500 visitors, 2,000 hotel stays and an economic impact of more than \$1.1 million.

“We’re excited to host the 3rd annual Grand Park Cup soccer tournament. The large number of visitors to our city for an event of this size has a big impact on our local businesses,” said Westfield Mayor Andy Cook.

Games take place from 8 a.m. to 8 p.m. on Saturday, September 3rd and from 8 a.m. to 5 p.m. on Sunday, September 4th.

Visit www.westfieldgrandparkcup.com for more information.

Tamika Catchings earns Dawn Staley Community Leadership Award

Tamika Catchings of the Indiana Fever is the recipient of the *Dawn Staley Community Leadership Award* in recognition of her exceptional work in the community in 2015, the league announced today. This marks the second Dawn Staley Community Leadership Award for Catchings, who is playing in her final season, after receiving the inaugural award in 2007. The award recognizes a player who is an inspiration in her community and reflects Staley’s leadership, spirit, charitable efforts and love for the game.

Catchings participated and spoke at over 20 events throughout the 2015 season, including several Fever events such as the MVP TipOff Party and the Indiana Fever’s Choices for Champions program, which encourages young people to be champions in their education, health and fitness, while helping to stop bullying in the community. Catchings also participated in a Fever Bowling Tournament to raise money for the Fever’s BeYOUUnique Fund of the Pacers Foundation Inc, which promotes a strong self-image and encourages the development of valuable life skills among young women.

In addition to supporting team initiatives, her Catch the Stars Foundation has become an important presence in the community throughout the year. Catch the Stars’ goal is to empower youth to achieve their dreams through programs that promote literacy, fitness and mentoring. During her Catch the Stars back to school celebration, Catchings provided free backpacks and school supplies to more than 600 students in need. She also hosted her annual Catch on to Fitness Clinic and annual Tamika Catchings holiday basketball camp, in which youth are inspired to get active and parents receive tips on how to encourage a healthy lifestyle for their children. Catchings also found time during the Women’s NCAA Final Four in Indianapolis, to host a tournament for high school girls.

In her 16th and final season in the league, Catchings continues to give back to the community while inspiring and encouraging the next generation of WNBA players. In appreciation for the support she has received from fans across the country, Catchings created a Legacy Tour to give fans in each WNBA city the opportunity to meet her and come to a postgame event. Each WNBA team will also receive a grant from the Catch the Stars Foundation to benefit the community.

“How fitting that we again honor Tamika Catchings with this award in her final season in the WNBA,” said WNBA Legend and University of South Carolina Head Coach Dawn Staley. “Her dedication to her community has been just as strong as her commitment to the game of basketball, and countless young people are better off because of both. The beauty of Tamika is that the end of her basketball career

only means more time for her to continue her outstanding work in the community. For that, she will continue to be an inspiration to me and so many others.”

“It’s important for me to give back to the community because there are so many kids that aspire to be where we are,” said Catchings. “Our mission with Catch the Stars Foundation is to prepare our youth to catch their dreams one star at a time, and I’m fully engaged in helping to open up doors for all of our youth and anyone that I come in contact with.”

The WNBA will make a \$10,000 donation to Catch the Stars Foundation on behalf of Catchings.
