\$15 million dollars of care given to those in need

By MARY SUE ROWLAND

Riverview Health, known in 1909 as the Harrell Hospital, opened its doors on North 9th Street in Noblesville. Dr. Samuel Harrell and his brother Madison built the three story hospital for \$35,000.00 dollars. A fair sum in those days and sold the hospital to Hamilton County in 1914 for \$30,000.00. It was renamed Hamilton County Hospital and has

served the county, well now known as Riverview Health. In 2015, Riverview Health provided \$15 million in uncompensated care for those who couldn't afford to pay for medical care. Even though Riverview Health is a County Hospital, it does not use any tax payer money to compensate for a \$15 million dollar expense or for operation of the facility. In 1976, the Riverview Hospital Memorial Foundation was born to help with services to patients, provide new programs, equipment, and new technologies such as the 128 slice CT scanner and large-bone MRI. The Foundation is now known as the Riverview Health

Foundation and has contributed more than \$12 million to the hospital and the County-wide citizens. The Foundations is offering a new opportunity to donate new dollars to help with the \$15 million dollars of care given to those in need. It is called **40 for 40**. To acknowledge the 40 years of community work made possible by the "friends" of the hospital and the foundation, they are asking for \$40.00 donation or more to celebrate and keep the good work flowing. It has been 40 years of caring people providing for others through the Riverview

Cicero Parks hosting tonight...

Meeting for 5 Year Master Park Plan

A public meeting for the Cicero Parks Department's 5 Year Master Parks Plan is scheduled for 6:30 p.m. tonight at the Red Bridge Park Community Building, 697 W. Jackson St., Cicero.

The Town of Cicero's Parks Department has undertaken a study to shape the development of the park system over the next 5 years. The results of the study will be the development of a Master Parks Plan that outlines the needs of the community regarding recreation.

The plan requires input and comment from the public to help shape the overall vision and direction for the parks system in Cicero. Last month, public surveys were

conducted to help shape the initial draft of the plan. The Town would like to invite the public to hear a presentation of the draft plan. Representatives of the Town's consultant, Butler Fairman, and Seufert, will make a brief presentation and then be available for comments immediately following the presentation.

The Town of Cicero and the Parks Department look forward to hearing from the public regarding the future of the parks system in Cicero and we thank you for your time. Westfield history celebrated in annual Voices from the Past

Westfield Parks and Recreation will bring history to life with a 90-minute living history walk. Voices from the Past features actors portraying historical figures that were integral in building the foundation of what Westfield is today.

"Voices from the Past is a unique event that not only brings the community together, but also celebrates what makes Westfield so special," explains Westfield Parks and Recreation Director Melody Jones. "The dedicated actors and period costumes transport the participants back in time. It is always an engaging and entertaining event, but it is much more than that as participants will leave learning something new about Westfield's history."

This year's stories focus around the founders of Westfield. The participants will get a glimpse into the lives of Asa Bales and Simon Moon, among other notable figures, in a 90-minute living history walk.

Actors from Main Street Productions continue to donate their time and resources to ensure Voices from the Past is a success.

Voices from the Past will be held on Friday, September 9 starting at 6:00 p.m. and Saturday, September 10, at 1:00 p.m. Tours begin every 15 minutes from Asa Bales Park East Entrance, 211 N. Union Street. Tickets are \$10 for adults, \$5 for youth age 12 and older. Children under 12 are free.

Another thriller?

Take it to the bank

By DON JELLISON

Westfield coach Jake Gilbert is predicting that the Noblesville-Westfield game this Friday at Hare Chevrolet Stadium in Noblesville, “Will be a one-score game which comes down to the end.”

Good prediction, Coach. It usually is just that when the Millers and Shamrocks meet in what has become one of the hottest rivalries in Hamilton County and one of the hottest rivalries in the Hoosier Crossroads Conference.

Six of the last seven games between the two foes have been separated by a grand total of 34 points. That’s an average of 5.7 points a game. The only blowout in that stretch was Westfield’s 42-14 victory five years ago.

Westfield won last year, 18-14. Noblesville won two years ago, 17-12.

Noblesville is 1-2 overall and 1-0 in the HCC after a 28-21 victory over Fishers last week. Earlier, the Millers lost to Lawrence North 21-17 and Carmel 24-9 in a pair of non-conference games.

Westfield is 3-0 after blasting HCC foe Zionsville 48-8 last Friday. Earlier, the Shamrocks knocked off Harrison 38-17 and Southport 27-0.

“I think Noblesville is underrated,” said Gilbert. “They are very solid on defense and have always given us trouble. Their defensive line is excellent, especially against the run. Their linebackers are very fast and are great readers. I love their quarterback. He seems like a natural leader and is a work horse for them.”

That Noblesville quarterback is Ryan Barnes, a junior who has passed for 428 yards and ran for 358 yards. He is the Millers’ leading rusher, with Chandler Hurst second with 148 yards in 36 carries. Barnes has 65 carries. On the receiver end are Jackson Thurman with 16 catches for 254 yards and Ben Gruver with nine catches for 105 yards.

Kent Graham/File photo

“We have a tremendous challenge ahead of us with a very balanced Westfield team,” Noblesville coach Jason Simmons talked about the Shamrocks. “When you watch them on film, it is hard to find a weakness. They are a complimentary team with an aggressive mindset. Their offense is led by quarterback Andy Sweet. He is an electric play-maker in the run game and the passing game. Their offensive line is big, physical and well coached. We gave up some big plays in the first two weeks of the season that we will have to minimize this week if we are going to be able to slow down this high powered offense.

Noblesville’s Chandler Hurst has rushed 36 times for 148 yards over the Millers’ first three games of the season. Noblesville will host Westfield Friday night.

“Defensively, Westfield is an aggressive group that gets to the football really well,” Simmons continued. “They are playing with a lot of confidence in executing their scheme. Their two inside linebackers, Jackson Garrett and Hank Grenda, really stand out to me. They have great instincts and they both have a nose for the football.”

Sweet, a senior, has passed for 342 yards and ran for 96 yards. Westfield’s leading ground gainers are Nate Froelich with 274 yards in 42 carries and Jonathan Swidan with 186 yards in 40 carries. Evan Manley is the leading receiver with eight catches for 176 yards.

Simmons says the Millers are coming off a big victory, the win over Fishers.

“It was a big game for our players and program because we showed growth,” said the Noblesville coach. “Two weeks ago we were in a similar position at Lawrence North and didn’t finish the game with a score. This past Friday against Fishers, we were able to finish.

“It was not a clean game by any stretch of the imagination,” Simmons said, “however, our kids kept playing hard and playing for each other.

“Offensively, it was good to see Chandler Hurst have a big game. We asked a lot of him and he produced. Ryan Barnes was

special again. We commanded the offense really well. He executed in the passing game and he helped lead two big drives in the fourth quarter that helped us win. Ben Collins, Drew Hartmann, Nolan Ginther and Drew Scheib are four players who played well in blocking for the run game.

“Defensively, I knew we would have to neutralize their take off. We did that. I felt our defensive line played really well. One player in particular, Josh Garcia, isn’t going to show up with a lot of numbers, but he played a lot of double teams and allowed our linebackers to play clean. Dalton Davis and Scott Berghoff had big nights at defensive end. Our two inside linebackers, Eddie Dziennik and Ja’Shaun Dickman, showed good instincts and made plays against the run game.”

“We played lights out vs. Zionsville,” said Gilbert. “I was very proud of our defense. Zionsville came in averaging 50 points a game and we held them to eight. We played fast and tackled very well. Hank Grenda and Koby Hauser continue to impress at linebacker. Austin Ward and Collin Caldwell played their best games at defensive line. Lucas Schultz, Sammy Rada-baugh and Justin Frey all had interceptions. Matthew Noyes recovered a fumble that was forced by Seth Feltner. On offense, Andy Sweet was 6-for-6 and ran for a lot of yards. We have several running backs combine to rush for over 300 yards. Chad Reeh played well up front.”

“The game will have a lot of emotions to it so we have to have good foundation to come back to when the emotions are high,” predicted Simmons.

“This part of the season is filled with natural rivalries because of proximity and conference play,” Simmons added.

Sheridan at home on Friday...

Cougars may come in firing

By DON JELLISON
Reporter Editor

Sheridan coach Bud Wright has seen the stats on the Carroll football team his Blackhawks will face Friday at Larry Wright Stadium in Sheridan. “They like to pass the football,” said Wright. “We’ll have to match up.”

Carroll quarterback Trey Filbrun, a junior, has connected on 30-of-48 attempts for 638 yards and six touchdowns. Devon Anderson, a junior, has 14 receptions for 372 yards and senior Brandt McClain has caught eight passes for 140 yards.

So much for Carroll’s stats.

“We rushed for 326 yards last week against North White and still lost,” Wright said. “We should have won that game.”

“We’ve got to be more consistent,” Wright continued. “We can’t make silly mistakes. Some of our older players are making key mistakes. It’s not always the same person.”

Carroll will come to Sheridan undefeated, including victories over Tri-County 44-42, Delphi 33-7 and Tri-Central 35-6.

Sheridan is 1-2. The Blackhawks have lost heartbreakers to Western Boone 15-12 and North White 28-27 and have defeated Clinton Central 28-25.

While Carroll will want to throw, the Cougars can run the football. Senior James Spesard has carried 32 times for 180 yards and six touchdowns.

Carroll has rushed for 13 touchdowns and passed for six.

Sheridan can pass the ball, but, of course, the Blackhawks are known for their rushing attack. They have rushed for 778 yards in 141 carries, led by Joe Callahan with 401 yards in 65 attempts. Kenny Burnell has carried 36 times for 187 yards and quarterback Drake Delph has carried 29 times for 104 yards.

Delph, a sophomore, has hit on 20-of-50 passes for 220.

“Delph is young, but he is doing a good job,” said Wright.

His leading receivers are Brody Perry with seven catches for 118 yards and Gunnar Williams with seven receptions for 61 yards.

On defense for the Blackhawks, Cole Cummings leads in solo tackles with 15. Jesse Kolb has 13 and Nick Burnell, Hunter Pflugh and Alex Gipson 12 each.

“We just have to be more consistent,” Wright said. “You shouldn’t rush for over 300 yards and lose.”

Winless, but high powered ...

Pike will visit Carmel

By DON JELLISON
Reporter Editor
You might say that it will be Pike’s offense against Carmel’s defense Friday when the Red Devils visiting the Greyhounds in a MIC Conference game.
You might say that.
The 0-3 Pike team, while putting a bundle of points on the boards, hasn’t been able to stop any foe. The Devils have lost to Hoosier Crossroads Conference teams Zionsville 55-35 and Fishers 41-36 and lost their MIC opener last week to Ben Davis 48-14.

Carmel, 1-2, hasn’t been a powerhouse on offense, but the Greyhounds have played well on defense. Carmel has lost to Hamilton Southeastern 27-21 and defeated Noblesville 24-9 in non-conference games and last week started the MIC with a 19-6 loss to Center Grove.

Pike has one of the best, if not the best, junior-filled stable of offensive players in the conference, including quarterback Jordan Garrett, running back Cameron Peterson and receivers Jaylyn Crenshaw and Reggie Lipscomp.

“Pike is a very dangerous team that shows flashes of excellence,” said Carmel coach John Hebert. “Their football team appears to be very eager to chart a new course for themselves.

“We certainly feel similarly,” added the coach. “Our focus versus Pike is to improve in our preparation and execution of the game plan.”

Carmel’s offense was limited to a pair of field goals by Conner Coughlan last week in the loss to Center Grove.

But, the Class 6A, 10th ranked Greyhounds have proved they can move the football.

Jerome Halsell leads the rushing with 219 yards in 41 carries.

Jake McDonald has hit on 36-of-54 passes for 393 yards. His leading receivers are Jalen Walker with 14 catches for 153 yards; Ethan Merriweather with 14 catches for 148 yards and Kurt Rafdal with eight catches for 69 yards. Walker has caught three touchdown passes.

“In our game at Center Grove, we battled very hard and displayed substantial progress in many key areas,” said Hebert.

University soccer player Sam Gailey finally got his win over Park Tudor last week, and did so in style: Gailey scored all three goals – a “hat trick” – in the Trailblazers’ 3-0 victory over the Panthers.

With a hat trick... UHS’ Gailey gets long-awaited win over Panthers

For The Reporter

Sam Gailey has played soccer against Park Tudor his entire life.

As a student at The Orchard School, Sam faced the Panthers more than a dozen times, he estimates. And Park Tudor won all but once. When he started at University High School last fall and earned a spot on the varsity soccer team, he knew he'd be playing against Park Tudor again.

He was right. The Trailblazers faced Park Tudor twice last year, and University lost both games.

So last week when University's boys soccer team kicked off against Park Tudor, Sam had no reason to expect a win against his longtime rival. But when the game kicked off, something unexpected happen. Sam scored a goal. And then another. And then another.

In the 3-0 University High School win over Park Tudor, sophomore striker Sam Gailey scored all three goals. A hat trick.

Sam describes them as "lucky" volleys, all three of his goals. The ball had to bounce perfectly at just the right time for him to shoot it past the goalie and into the net. But when he talks about the game, about these lucky goals, he can't help but smile and take some of the credit.

He's been waiting for this win since he was 5.

Softball at Grand Park...

Andie Kalemba to throw out College GameDay first pitch

The third annual “College GameDay” softball event will be held at Grand Park on Sunday, September 18, featuring 14 collegiate softball programs. The Opening Ceremonies at 10:40 a.m. will include special guest Andie Kalemba to throw the first pitch and Carol Bruggeman, executive director of National Fastpitch Coaches Association (NFCA) as featured speaker.

Andie Kalemba, from Saint John, Indiana, was diagnosed with a rare genetic condition called Fanconi Anemia at eight months old. Now 13 years old and still battling the disease, Andie was matched with the Valparaiso University softball program through Team Impact, a nonprofit organization that creates team-based support systems for children facing life-threatening and chronic illnesses. The Valparaiso team officially signed Andie to the softball program in the spring and she has been an active participant at practices and home games ever since. [Click here to view a video featuring Andie Kalembe and the Valparaiso softball team.](#)

“We’re excited to host this college softball event in its 3rd year at Grand Park. The opening ceremonies of this year’s event will be especially meaningful with Andie Kalemba throwing the first pitch and bringing attention to the Team Impact organization,” said Westfield Mayor Andy Cook. “We’re also honored to have Carol Bruggeman as a featured speaker.”

Carol Bruggeman, Executive Director of NFCA, is one of the biggest names in softball. Bruggeman is a longtime NCAA Division I coach at Michigan, Purdue and Louisville, and a well-respected national speaker, clinician, educator and author. During her career, Bruggeman has been a part of over 700 victories, and has had a hand in many conference titles and coached numerous NFCA All-Americans. Bruggeman has also served as the color analyst for ESPN, Big Ten and SEC Network broadcasts.

Of the 14 teams attending College GameDay, 10 come from the Division I rank, including Indiana University, Purdue University, Ball State University, Butler University, Miami University (OH), Indiana University Purdue University Indianapolis (IUPUI), Indiana State University, University of Evansville, Valparaiso University and Western Kentucky University. These programs represent the following conferences: BIG 10, BIG EAST, MAC, MVC, THE SUMMIT LEAGUE and THE HORIZON LEAGUE. Additionally, the four remaining programs are from the ranks of Division II and NAIA Athletic Divisions. Saint Joseph’s College (Indiana and University of Indianapolis will be representing the Great Lakes Valley Conference (DII). Grace College and Marian University will represent the Crossroads League (NAIA).

Each program will compete in at least one game against another top-notch program. Play will begin at 11 a.m. with batting practice available to the public at roughly 9:30 a.m. Second round games will begin at 1:15 p.m., followed by the third and final round of games beginning at roughly 3:15 p.m. [The full schedule can be found at this link.](#)

Admission will be \$10 for adults. Youth softball players who wear their softball jerseys and kids under age 12 will be \$5. A portion of the College GameDay event proceeds will be donated to Team Impact. Visit www.goteamimpact.org to learn more about Team Impact.
