# The Silvernotes to perform Sept. 17

The Silvernotes, the Hamilton County Home Extension Chorus, will be singing on the Hamilton County Courthouse Square from 1 to 3 p.m. on Saturday, Sept. 17.

The birthday performance is a thank you gift to the Hamilton County people for supporting them for 80 years. The 25 member Chorus has been singing three- and four-part harmony since 1936.

The Silvernotes are one of 25 county choruses that make up the state chorus called the Melody Makers of Indiana whose history started at Purdue in 1934. They perform across the county in churches, libraries, hospitals, nursing homes and for civic organizations, celebrations and private parties. As members of the Melody

Makers, they have performed in Washington, D.C.; Savannah, Georgia; Branson, Missouri; and Honolulu, Hawaii.

Bring your lawn chairs to the Northwest corner of the Courthouse Square during the Old Mill Festival and reminisce to songs from all eras.

Each time I see in the Hamilton County Reporter excellent coverage of the Noblesville Boys & Girls Club, such as produced by Richie Hall in Thursday's Hamilton County only daily newspaper, I think back to my days of being a member of the organization.

We did a story a couple of months ago on the history of what at the start was Boys Club only and in that story was a paragraph about Jimmy Dillon being the first card member.

"I read that in your newspaper, and it's true," said Jimmy. "I read the Hamilton County Reporter first thing ever morning. It's great. What I like most are the columns written by Fred (Swift). He knows everything about everyone."

I should say Hamilton County Council Jim Dillon. I'm showing my years when I watched Jimmy Dillon play on one of Noblesville's all-time great football teams. Actually, I was a member of

## Westfield Fire Department’s ‘Fill the Boot’ raises \$7,500 for MDA research

Members of the Westfield Fire Department were able to raise \$7,542.65 in support of those suffering from muscular dystrophy during last weekend’s ‘Fill the Boot’ fundraiser.

45 members of the department fanned out across the city with boots in hand for this year’s drive. Locations were Walmart on 151st Street and US 31, Kroger at State Road 32 and Carey Road, and Kroger at 161st Street and Spring Mill Road.

Funds raised through the 2016 Westfield Fill the Boot event help to empower families with life-enhancing resources, a support system, and open new

possibilities and maximize independence so they can experience the world without any limits.

Contributions also help MDA’s efforts to fund groundbreaking research and life-enhancing programs such as state-of-the-art support groups and care centers, including the MDA Care Center at Riley Children’s Hospital and IU Health’s Neuroscience Center in Indianapolis. They also help send more than 70 local kids to “the best week of the year” at MDA summer camp at no cost to their families at Bradford Woods in Martinsville.

## Robin Davis inducted into the Indiana Bankers Association 40 Year Club

The Farmers Bank is pleased to announce that Robin Davis has been inducted into the Indiana Bankers Association (IBA) 40 Year Club. The IBA salutes the 40 Year Club members, who have devoted at least 40 years of service to the banking profession, by enrolling them in the 40 Year Club. We thank these individuals for bringing strength and stability to the banking profession.

Robin began her banking career at American National Bank (Key Bank) in Noblesville, Indiana in 1975 in the Operations area. She later accepted the position of Credit Officer in the Credit Department. She furthered her career as a Senior Branch Officer at MetroBank. Robin began her employment with The Farmers Bank in 1996 as a new accounts representative and later served as assistant branch manager at the Sheridan office. Robin currently serves as Training Coordinator at the Main Office and her primary function is directing and overseeing bank wide training events; the bank’s wellness program and new employee orientation.

Robin has been affiliated with Phi Beta Psi sorority, serving two terms as president; the Sheridan Progress Club; the Sheridan Harvest Moon Festival and Clinton County Relay for Life. She has also served on the board of directors for Frankfort Main Street and United Way of Clinton County as well as other various organizations and committees throughout her banking career. Robin has two daughters and resides in Frankfort with her husband Jeff.

a Miller team in which Jimmy played on. In baseball, I was a senior when he was a freshman.

I asked Councilman Dillon if he was No. 1, was brother Dan No. 1-A or No. 2? Jimmy said he didn’t remember about Dan, who now lives in South Carolina. Jimmy lives in Carmel.

“Those were great days,” Jimmy said. “The Boys Club and now the Boys & Girls Club have been great for kids. They keep getting better every time they move locations. That’s about to happen again.”

The Club currently is in the midst of a fund raising campaign which will allow for a new facility on east Conner Street.

“I was a pool player,” said Dillon, “so that became my favorite activity at the Boys Club.”

The first Boys Club was located on the second floor over Kirk’s Hardware in downtown Noblesville. There was a gym, probably about half in size of your normal basketball court today. There was a shop room, run by John Dierdorf. There was a library, with a TV. And in the games room were two pool tables and two ping-pong tables.

You think that facility wasn’t crowded? In the gym, games were winners advanced and losers sit out, at least for another couple of games. It was the only gym in Noblesville in which kids could play recreational basketball.

Staff member Vernon Thornburg was always in the gym to show his muscle. Bob Morris was the Club’s director. Dave Locke was another staff member. I probably left out someone. I hope not.

I played on the senior league basketball team. Each Saturday morning, Morris, whose family lived in the same house as the Jellisons on west Maple Street, would load up the van and we would travel to play another Boys Club. We didn’t have many home games, if any, because of our gym being so small. Dan Wease. David Jessup. Tom Knotts. There were others, who I can’t recall. There were some games in which we had just five players.

I later became a staff member under Bob Miller and then under Ralph Allen. Ralph talked me in to being the director in the first branch of the Boys Club, a facility at Cicero. That was a ball.

market analysts consider the most popular home style in the industry” says Lains.

Home prices range from \$700,000 to \$1.7 million, and three of the eleven homes have been sold. The builders include: Bedrock Builders, Christopher Scott Homes, G&G Custom Homes, Gradison Design Build, Hoss Building Corp., McKenzie Collections (2 Homes), Old Town Design Group, Wedgewood Homes (2 Homes), Williams Custom Art Builders.

Tickets are available for \$12 online at BAGI.com or at the gate for \$15. You can also purchase a 2-day pass for \$20 online of \$25 at the gate. Parking will be at Westfield’s Grand Park and shuttles will transport attendees to Chatham Hills. “Westfield is thrilled to once again serve as a site for the fantastic Home-a-Rama showcase,” says Westfield Mayor Andy Cook. “We hope visitors will experience not only the wonderful homes on display, but will also take time to visit our great community.”

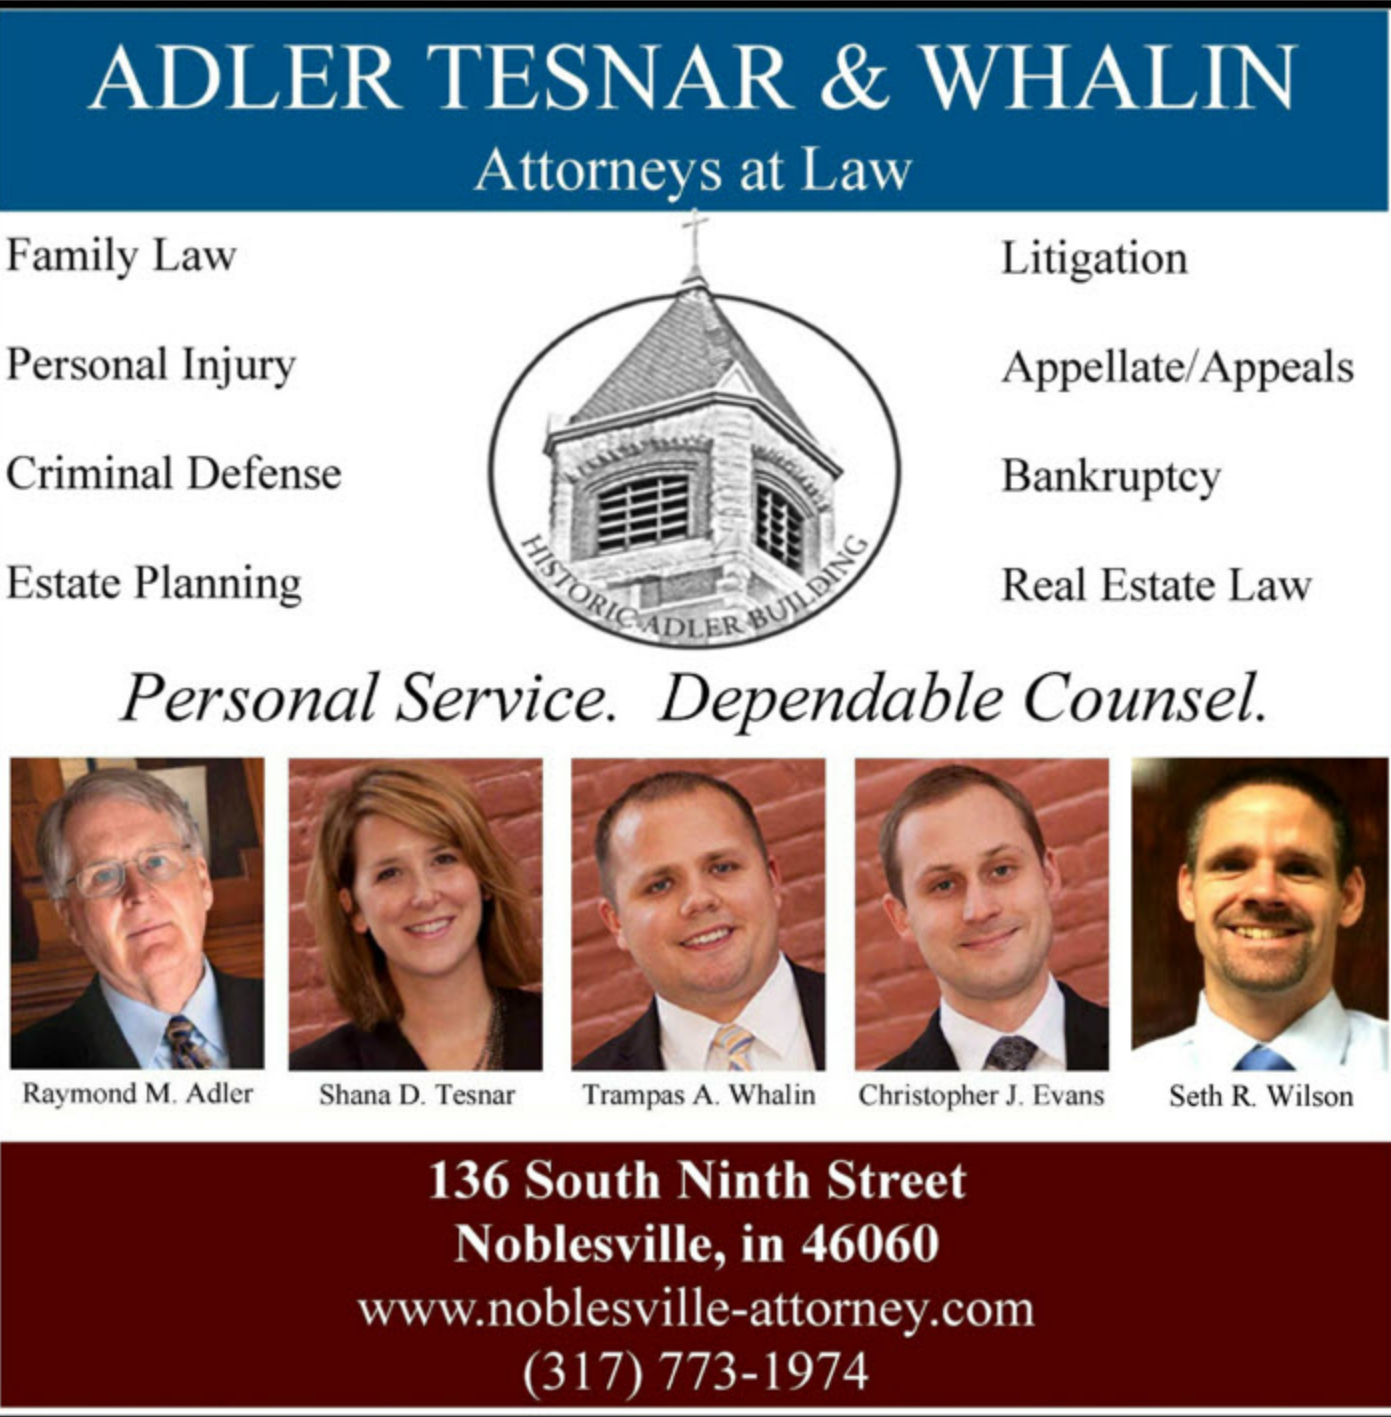

The Builders Association of Greater Indianapolis is a professional trade association representing residential homebuilders, associates and remodelers. For more information, call 317-236-6330; or visit [www.BAGI.com](http://www.BAGI.com).

I’m not going to give him all the credit, because there were others who did a great deal, but Jimmy’s father, Dr. James Dillon, was one of the early movers and shakers in starting the Boys Club in Noblesville. Doc could move and shake with the best of them and was always a leading figure in kids activities.

He also was a hell of a doctor. He kept my back from being what it has become today.

The Dillons, like many are today, was a great family for kids like me to grow up with.

The Boys Club was the place to be. Just like the Boys & Girls Club is the place to be today.

# VU prepared to help ITT students

Vincennes University is ready to help ITT students who have had their education disrupted by the sudden closing of ITT.

“VU has a great record of working with students to find the best path for them to get an education and pursue a career,” said VU President Chuck Johnson. “If we can assist Hoosiers affected by the ITT closure, we would certainly be ready to work with them.”

ITT was banned Aug. 25 from enrolling new students who used federal financial aid because the company had become a risk to students and taxpayers, according to officials from the U.S. Department of Education.

“VU offers many ways for some of the displaced ITT students to continue and finish their education. Our

programs in the Indianapolis area and southern Indiana may overlap with ITT programs in Indianapolis and Newburgh, and our extensive online course and program offerings may also be a good option. VU stands ready to help former ITT students understand which of their ITT credits would apply to a VU degree, counsel them toward career and education opportunities that fit their goals, and identify courses that work with their scheduling needs,” Johnson said.

Former ITT students may receive assistance by contacting the VU Admissions Office at 812-888-4313 or by email at [vuadmit@vinu.edu](mailto:vuadmit@vinu.edu). Military veterans should contact the VU Veterans Office by calling 800-468-7480. VU has been named a military friendly school by several organizations.

## RDPC bringing course to Noblesville...

# Continuity of Government Operations Planning for Rural Communities

History demonstrates that disasters and emergencies often interrupt, degrade, or destroy local government’s ability to perform essential functions. This is especially true in rural communities where resources are typically limited under the best of circumstances. These jurisdictions must develop plans that address succession planning, redundant communications, and alternate site needs for their communities to face natural and manmade threats. The environment after a disaster can be chaotic, which is why it is important to have a plan in place that is specific yet flexible enough to respond to any situation.

The Rural Domestic Preparedness Consortium (RDPC) is providing government officials and emergency responders in the Noblesville, Indiana area with the development of continuity plans that will help officials ensure essential government services remain functional across a spectrum of emergencies. Continuity of Government Operations Planning for Rural Communities will be from 8 a.m. to 5 p.m. on Oct. 21, 2016 at Hamilton

County Sheriff’s Office, 18100 Cumberland Road, Noblesville, Indiana.

Participants will learn about the business continuity process, including identifying key functions necessary to their business operations, assessing the likelihood of potential emergencies in their communities, determining the adequacy of existing resources, and writing a business continuity plan. Participants will then have the opportunity to test their plan in the context of a tabletop exercise.

This course will expose participants to the benefits of developing continuity of government plans for rural communities with special focus on succession planning, delegation of authority, redundant communications, and alternate facilities.

Registration for this course is required – Registration deadline is October 21, 2016.

Town of Sheridan, Indiana**

Bids will be received until 4:00 p.m. on October 3, 2016. Bids will be opened in a special town council meeting at 7:00 PM that evening at the Town Hall located at 506 South Main Street, Sheridan, Indiana. There will also be a mandatory pre-bid meeting September 16, 2016 at 2:00 PM at the Sheridan Town Hall, 506 S. Main Street Sheridan, Indiana for the following Project:

Town of Sheridan Roadway Resurfacing and FDR Reconstruction

All proposals received will be publicly opened and read aloud beginning at the aforesaid time at the Town hall located at 506 South Main Street, Sheridan, Indiana.

The contract documents including plans and specifications shall be available at the pre-bid meeting. A complete set of plans and specifications will be issued to interested bidders.

A certified check drawn on a solvent bank or bid bond, payable without condition to the Civil Town of Sheridan, Indiana, in an amount not less than Five Percent (5%) of the bid shall be submitted with each proposal as a guarantee that if the proposal is accepted by the Town of Sheridan a contract will be entered into and the performance of the contract properly secured.

The bid security of all bidders except the security submitted with the lowest acceptable bid will be returned within thirty (30) days following the time of receipt of bids. The bid security of the lowest acceptable proposal will be returned upon request after the Town has made an award to the successful bidder if a satisfactory performance bond has been delivered to the Town. All proposals shall include a Non-Collusion Affidavit as prescribed by statute and shall be accompanied by fully prepared and executed questionnaire (Form No. 96-A) as prescribed by the State Board of Accounts of Indiana in compliance with IC 22-5-1.17-11. E-verification is mandatory.

The Town of Sheridan, Indiana herein gives notice to prospective bidders that the performance bond, which is to be submitted by the successful bidder, shall assure that the successful contractor, as principal, shall faithfully do and perform the things agreed by it to be done and performed according to the terms of the bid contract and shall also provide payment of all lawful claims or indebtedness which may accrue by operation of law or otherwise to any person, firm or corporation on account of any labor or service performed or material furnished or service rendered in carrying forward, performing and completing said contract. Such performance bond shall thus inure to the benefit of subcontractors, laborers, material men and those performing service on account of or directly in connection with the completion of said contract as well as for the obligee, the Civil Town of Sheridan, Indiana.

The successful bidder shall also be required to file a Certificate of Insurance showing adequate liability coverage and bodily injury, as well as a certificate showing coverage with reference to Indiana workmen’s Compensation Liability.

The Town reserves the right to reject any and all proposals and to waive any informalities or irregularities in the proposals received or to accept any proposal which is deemed most favorable to the Town. The Town shall award the contract within sixty (60) days or reject any or all proposals.

Each bidder shall set forth the anticipated date of construction and date of completion of the Project.

## RURAL From Page 4

The course was developed by the NorthWest Arkansas Community College’s Institute of Corporate and Public Safety in partnership with Wal-Mart Stores, Inc., Tyson Foods, Inc., and J.B. Hunt Transport Services, Inc., as well as with public sector first responders.

All training delivered by RDPC is certified by DHS and is offered tuition-free for a broad scope of stakeholders, including the traditional emergency response disciplines, and other emergency support functions as defined by the National Response Framework, as well as critical infrastructure owners and operators.

RDPC is a U.S. Department of Homeland Security (DHS) Federal Emergency Management Agency (FEMA) National Training and Education Division (NTED) partnership of academic institutions with a vision of creating an environment wherein rural communities across America will have the knowledge, skills, and abilities necessary to enhance the safety, security, and quality of life for their citizens.

Current members of the Consortium include Eastern Kentucky University, The University of Findlay, NorthWest Arkansas Community College, North Carolina Central University, and University of California-Davis. Each of these institutions possesses extensive and unique capabilities relating to rural homeland security preparedness training.

With some big second-half plays...

# ‘Rocks run away from Millers

By **RICHIE HALL**  
Reporter Sports Editor

At halftime of Friday's Noblesville-Westfield football game at Hare Chevrolet Field, it looked like the 2016 edition of the Millers-Shamrocks rivalry would be another close game, as it has been for the past four years.

But Westfield ran away from that notion in the second half. The Shamrocks used two big plays to score touchdowns, then an incredible running drive got Westfield into the end zone again. That led to a 28-7 victory for the Class 5A No. 3 'Rocks, who are still unbeaten at 4-0, and 2-0 in the Hoosier Crossroads Conference.

"This is a good football team we just beat," said Westfield coach Jake Gilbert. "It's a good sign."

"We didn't have a great week of practice, but we still played well. That's a good sign."

It took until the second quarter for both teams to get on the board. Noblesville (1-3, 1-1) got on there first, with Ben Gruver making a nice 27-yard run to find the end zone. Jack Knight converted the extra point kick.

Westfield responded with a long drive that eventually got them in the end zone as well. Nate Froelich finished the drive by running in from six yards, and Will Harrison's kick tied the game at 7-7. That score would stand at halftime.

excited to see what Cam could do. And I felt like as he settled down, he did better and better. He did what he had to do for us to win the game," including the big play to Manley.

"Same thing that bit us in the first game, the first two games, really bit us here tonight," said Noblesville coach Jason Simmons. "We gave up three long

plays defensively and just couldn't convert offensively. I think the mentally tougher and physically tougher of the two teams won tonight."

The Shamrocks' final touchdown drive of the game started at their own 3 yard line, and was carried by the legs of Jonathan Swidan. The senior rushed the ball nine times in the drive, finally getting it in from the 1 yard line. Swidan rushed 12 times for 115 yards for the game.

"He and Froelich, those guys are just hard-nosed, throwback players," said Gilbert. "They're very unselfish. They just want to win. They don't care who's getting the attention. It's kind of a two-headed monster. We were able to keep them both pretty fresh because of that. They get it done for us."

Westfield’s defense got big contributions from Justin Frey, who had 11 tackles, and Jackson Garrett, who made 10 tackles on the night.

Quarterback Ryan Barnes again had another big game for Noblesville, with 144 yards on 25 carries. Barnes was also 10-of-23 passing for 107 yards. Jackson Thurman had the most catches with four (totaling 32 yards), while Nolan Ginther gained the most distance with 54 yards in three catches.

Westfield hosts Hamilton Southeastern, the No. 9 team in Class 6A next week, while the Millers travel to 5A No. 10 Zionsville.

In a battle between two backyard, Hoosier Conference neighbors Friday at Hamilton Heights’ homecoming, Riley White scored on a 10-yard run with 3:44 remaining to ice a 20-14 Husky victory over rival Tipton.

It was White’s only carry in the game. “We were in control most of the night,” said Heights coach Mitch Street. “We punted only one time in the game.”

Still, Class 3A No. 8 Heights needed White’s late score and a following two-point conversion by Sterling Weather on a pass from Josh Feltz.

Tipton scored again with 2:11 left to keep the heat on the Huskies.

“We were able to run out the clock,” said Street.

The stats were heavily sacked for Heights. Tipton passed for 168 yards to Heights’ 162, but on the ground Hamilton Heights outrushed the Blue Devils 266 yards to 121

Clayton Cowan led that offensive ground explosion for the Huskies. He carried 21 times for 236 yards.

Through the air, Tipton’s Kellen Woods hit on 16-of-26 passes and Feltz was 13-of-24 for the Huskies. Feltz had lots of targets. Weatherford caught four balls for 73 yards, Jesse Brown two for 38 yards and Michael Cross four for 37 yards to lead Hamilton Heights’ receivers.

“Tipton played well,” said Street.

The Blue Devils came into the game undefeated. With the win, Heights moved to 3-0 and 2-0 in the conference. Neither team scored in the first quarter. In the second period, Brown caught a 24-yard pass from Feltz but the kicked failed at 1:43. With just 43 seconds left in the half, Tipton scored and took as 7-6 lead to halftime. Heights went ahead for good when Weatherford caught a 25-yard pass from Feltz with 6:08 left in the third period.

# Soph scores winning TD

High school football games don't get any better than the Mudsock Game between Hamilton Southeastern and Fishers. Especially this Mudsock game played Friday evening at Southeastern's Reynolds Royals Stadium. Even more so, for Hamilton Southeastern fans.

Following a lightning attack by Mother Nature with the score tied at 30-30 and an overtime period remaining, the Royals returned and pulled out a 36-33 Hoosier Crossroads Conference victory.

"We made a lot of mistakes," said HSE coach Scott May, "and were able to overcome that. That's what I'm excited about, the guys staying together. They aren't pointing fingers. They play the next play and see what happens. That's what gave us an opportunity to win this game in the end."

After Fishers' Ben Norton booted a 22-yard field goal to give the Tigers a three-point lead to open the overtime, Southeastern's Tyler Fleming ran one-yard for a touchdown to give HSE the victory.

It was Fleming's second carry of the game. He lost yardage on the first one.

"Next guy up," said May. "Jackson Sweeney gets hurt and Fleming stepped in and scored a winning touchdown. That's a sophomore out there. We're a little banged

up and so is everybody else. That's just the way it is.

"As far as the team goes, that a great opportunity to build your unity. Next guy up," added May.

Before leaving the game with an injury, Sweeney had carried 30 times for 102 yards. The Royals rushed for 125 yards. Quarterback Adam Mullett hit on 11-of-26 passes for 259 yards. Max Brooks had four catches for 151 yards.

For Coach Rick Wimmer's Fishers Tigers, they rushed for 198 yards and passed for 146 yards. Quarterback Joel Smith was 13-of-28. Brian Kantner led Fishers in receptions with four for 50 yards.

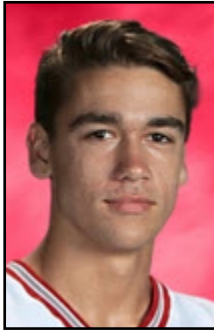

There were two big defensive plays in the game, one for each team. RJ Potts intercepted a pass and returned it for 50 yards and a score for Fishers. Jonny May, the coach's son, picked up a fumble and ran 35 yards for a Southeastern touchdown.

Norton kicked four field goals for Fishers. He booted a 23-yarder with 16 seconds left in the fourth quarter to send the battle to overtime. His 22-yarder to open the overtime gave Fishers its brief lead before the sophomore Fleming stepped into the spotlight with the winning touchdown.

"Defensively, we got put in a lot of bad situations on turnovers," said May.

McDonald nearly perfect...

# Carmel outguns Pike

It was a night when someone needed to be on fire for Carmel to defeat Pike in a MIC Conference game at Carmel.

Jake McDonald was that man for the Greyhounds as Carmel rolled to a 65-27 victory.

“Fourteen for sixteen? I didn’t realize that,” said Carmel coach John Hebert when looking at the McDonald’s stats following the game. He was outstanding.”

McDonald fired for five touchdowns, hitting Ethan Merriweather three times, including 39 and 95-yard passes in the opening quarter. He also hit Jalen Walker for a pair of TDs. Walker also ran for a touchdown.

It was a night of offensive football, although Hebert thought his defense adjusted well and played well.

“Pike is so fast,” Hebert said. “Both offenses were on fire. We got some stops on them.

“We were able to separate in the second quarter,” Hebert continued. “We scored some points (30) and we got Pike’s offense off the field.”

McDonald wasted little time showing the crowd what kind of night it would be as he twice found Merriweather on bombs in the first quarter.

Carmel broke open the game with the 30-point second quarter. Dylan Downing started the explosion with a one-yard run. Walker scored on an 11-yard pass from McDonald and scored again on a 38-yard run. Coghlan added a 20-yard field goal and Merriweather completed the explosion by catching his third touchdown pass from McDonald.

In the third quarter, Jerome Halsell ran 28 yards for a TD on a pass from McDonald and Walker caught a nine-yard McDonald toss.

Isaiah Baxter completed Carmel’s offensive night with 36-yard punt return late in the fourth period.

Carmel rushed for 222 yards in 39 carries while Pike ran for 137 yards in 41 trips. The Red Devils passed for 249 yards. Camari Hunt led the Greyhounds on the ground with 99 yards in 13 carries.

Total offense, Carmel had 542 yards and Pike 386 yards.

Big joke? Coach isn’t laughing...

# Blackhawks blanked, 13-0

It’s a joke, even to the coach. But, Coach Bud Wright isn’t laughing.

“It’s a joke,” said Wright after his Blackhawks completing dominated a home game with Carroll Friday and still lost, 13-0.

“I’ve never seen anything like it,” said Wright, “and I don’t know how to fix it. We continue to shoot ourselves in the foot.”

Carroll, believe it or not, gained 161 yards on two touchdown plays. For the game, Carroll’s offense totaled 161 yards.

Sheridan, rushing for 292 yards in 53 plays, outrushed the Cougars 292 yards to 71. Carroll ran just 27 plays.

Carroll did have a slight end passing, 90 yards to Sheridan’s 30. The Blackhawks were 3-of-25 throwing the pigskin and had three passes intercepted. Most of the passing came in the second half as Sheridan tried to battle from behind.

The winners scored on a 79-yard pass in the second quarter and on an 82-yard run in the fourth quarter.

“We had 17 first downs while holding them to four,” Wright continued. “We should have scored three times in the first half. We’re killing ourselves. It’s a joke.”

Joe Callahan alone had more rushing yards than Carroll had passing and rushing. Callahan carried 31 times for 200 yards. Kenny Burnell had seven carries for 60 yards.

Sheridan once drove to Carroll’s six-yard line and could not score. On another occasion the Blackhawks made it to the three-yard line and didn’t score.

“Interceptions, fumbles and penalties killed us,” Wright said.

# Kaser scores twice in Golden Eagle victory

Guerin Catholic took control in the second quarter at Indianapolis Howe Friday night, and soon the Golden Eagles were on their way to a 31-18 victory, which improved their record to 3-1.

Howe scored the first touchdown of the game in the first quarter before Class 3A No. 6 Guerin got going. Caleb Quick got GC on the board with a 29-yard field goal, then Carter McGinnis and Thomas Kaser both made short runs to score. Howe got another touchdown, but the Golden Eagles were able to enter halftime with a 17-12 lead.

Kaser added another touchdown to GC's total in the third quarter, running in from 15 yards. Grant Fremion then caught a 39-yard touchdown pass from Luke Keller to complete the Guerin Catholic scoring. Quick made all four extra-point attempts.

McGinnis had another solid rushing game, compiling 131 yards in 15 carries. Kaser gained 90 yards in 19 trips. Keller was 4-of-9 passing for 82 yards.

The Golden Eagles host Broad Ripple next Friday.
