Man charged after firing gun outside of Noblesville residence

An Indianapolis man faces three charges after allegedly shooting a gun outside of a Noblesville residence Monday afternoon.

At approximately 12:51 p.m., police officers from the Noblesville Police Department responded to the address of 755 Noble Run, Noblesville, in reference to the sound of gunfire.

While en route to the scene, officers observed a vehicle matching the description of the suspect vehicle. Officers conducted a traffic stop near the intersection of Cumberland Road and Conner Street in Noblesville. As a re-

sult of the stop, four subjects were initially detained for questioning.

Based on witness information and potential evidence located at the scene, officers arrested James Devere Williams, Jr., 28, Indianapolis. Williams was charged with Unlawful Possession of Firearm, a Class B Felony; Criminal Recklessness with a Gun, a Class C Felony; and Possession of Cocaine, a Class D Felony.

It was reported that at least two shots were fired outside of the residence. No one was reported injured as a result.

Estimated Tax Savings: \$38,936 over two years.

As part of the resolution, the land is eligible for a declining tax phase-in for real and personal property investment. Carmel construction update...

Three more intersections close Sept. 19

Here are some quick updates on several ongoing Carmel road projects. For complete details, go to www.CarmelLink.com

106th Street and Towne Road

This intersection will be closed on or after Sept. 19th for about 45 days for construction of a roundabout. Detour routes will be posted, using Ditch Road, Shelborne Road, 96th Street, and 116th Street. The existing signalized intersection will be reconstructed to a multi-lane roundabout. The reconstruction will include new full-depth pavement, curb and gutter, an enclosed storm water system, shared-use path, and sidewalk with new curb ramps. Two private drives will be reconstructed on the east side of Towne Rd, one north of 106th St and one south of 106th St. Access to all properties within the project limits will be maintained at all times.

City Center Drive and Pennsylvania Street

This intersection will be closed on or after Sept. 19th for 45 days for construction of a roundabout. Detour routes will be posted, using Carmel Drive, Guilford Road, and 116th Street. The existing T-intersection will be fully reconstructed to a multi-lane roundabout. The reconstruction will include new full-depth pavement, curb and gutter, an enclosed storm water system, shared-use path and sidewalk with new curb ramps. The private drive for the hotel, on the west side of the roundabout, will be reconstructed. Along with the drive reconstruction, a portion of the hotel parking lot will be reconfigured to operate effectively with the new roundabout. Access to the business within the project limits will be maintained at all times.

Carey Road Roundabouts

The roundabouts planned for Carey Road at both 136th Street and Hawthorne Drive will be reconstructed in unison to reduce the long-term impact on the residents of Carmel. The temporary closure of these intersections will begin on or after Monday, Sept. 19th for 45 days.

Southbound US 31 restrictions near 116th Street begin today

Beginning after the morning rush hour today, Sept. 14, crews plan to restrict southbound US 31 to two lanes near 116th Street to smooth the pavement on the bridge approaches. These lane restrictions are expected to continue through mid-October.

>>> Carey Road and 136th Street: This T-intersection will be fully reconstructed to a single lane roundabout. This project will include new full-depth pavement, curb and gutter, an enclosed storm water system and a shared-use path with new curb ramps. Any private drives located within the limits of the intersection reconstruction will be replaced. Access to residential properties within the project limits will be maintained at all times. The intersection will be closed to thru traffic for the duration of construction, roughly 45 days, with thru traffic being detoured along 146th Street and Gray Road.

>>> Carey Road and Hawthorne Drive: This intersection also will be fully reconstructed to a single lane roundabout. The roundabout construction will include, but not be limited to, new full depth pavement, concrete curb and gutter, new storm drainage features and use of existing drainage features, reconstruction of existing sidewalks within the project limits and new ADA compliant curb ramps. Permanent Right of Way will need to be acquired in the southeast and northeast quadrants of the roundabout. The intersection will be closed to through traffic during the construction of the roundabout, roughly 45 days. The detour route is tentatively planned to use 146th Street and Keystone Avenue.

Current city paving projects
Residents may also see occasional lane restrictions as the City of Carmel's Street Department completes its regular summer paving projects. A map and list of remaining 2016 paving projects can be found on the city's website. The street department has

completed more than 75 percent of its projects, paving about 23 lane miles of road this year. Most of the remaining projects will be done by the end of October, weather permitting.

City Projects in Process:
116th & Gray Road
Utility relocation work continues. Construction should begin in the next couple of weeks. Detour routes are posted. Please use Keystone and Hazel Dell for north-south traffic, 96th Street for east-west traffic.

3rd Avenue SW
This utility improvement project is mostly completed and the road is open. There is still some storm water work to be done west of the road, so please use caution if you see road crews or construction equipment present.

Range Line Road & Carmel Drive
Utility relocation work continues at this intersection. Construction is set to begin within the week. Local traffic is flowing better. Local businesses are still open. This project is still scheduled for a mid-November completion, weather and work permitting.

126th Street
Restriction remains in place. Utility work continues in the south lane of 126th Street. This street will remain open only to westbound traffic between Range Line Road and Keystone Parkway through the remainder of the project. The city anticipates west bound traffic moving to the newly paved lanes in four to six weeks.

Grand Junction Derby returns Oct. 1

Soapbox racing is once again coming to downtown Westfield as the Grand Junction Derby returns October 1. "We can't wait for everyone to come out and root on their favorite cars and drivers," Parks and Recreation Director Melody Jones said.

Now in its eighth year, the Grand Junction Derby gives residents and businesses the chance to race hand-built derby cars in bracketed heats. A gravity powered start via two large flatbed sends the cars down Union Street and onwards to a chance at victory.

The events kickoff at 3 p.m. with a parade of cars and tricycle race, followed by the derby car race itself at 3:30.

Following this year's derby event, attendees will also have the opportunity to enjoy Janus at the Junction, a benefit that features food trucks, beer vendors, music and more. With the purchase of a wrist band, attendees can enjoy a concert by the Flying Toasters.

"The Grand Junction Derby is proud to work with such a worthy organization and hopes that our combined usage of Westfield's downtown will result in a fun evening for everyone," Jones said.

A portion of food and beverage sales will benefit Janus Developmental Services, which provides individuals with disabilities the opportunity to participate and contribute within the community.

The Grand Junction Derby is once again sponsored by title sponsor Church Brothers Collision Repair.

For more details about the derby, and to register a car, visit the following website: enjoywestfieldevts/derby.

Now ranked No. 8 in state...

Carmel set to leap into MIC race

By DON JELLISON
Reporter Editor

Carmel has found its way back into the state’s Class 6A football rankings. The Greyhounds this week are ranked No. 8.

Now, a week later, can Carmel get back into the MIC Conference chase?

Coach John Hebert’s team is 2-2 overall and 1-1 in the conference. In the MIC, the Greyhounds have lost to Center Grove 19-6 and last week defeated Pike 65-27. In non-conference play, Carmel has lost to Southeastern 27-21 and defeated Noblesville 24-9.

In comparing scores, this week’s foe, Lawrence North, has defeated Noblesville 21-17. The Wildcats have lost to Brownsburg 13-8 and in Hoosier Crossroads Conference play they have lost to Lawrence Central 27-25 and defeated North Central 35-27.

Carmel has defeated Lawrence North 11 consecutive times, last losing 23-18 in 2004.

“Lawrence North has a very physical and talented football team,” said Hebert. “Each year Coach Mallory has been there, they have improved drastically and are now conference contenders.”

Carmel has proven it can defeat opponents both on the ground and through the air.

“We battled with Pike tightly in the first quarter until we were able to get some stops defensively against their high powered offensive attack,” Hebert talked about last week’s win.

“Our offensive line provided opportunities for running backs Camari Hunt, Jerome Halsell and Jalen Walker. They all ran very well. Jake McDonald had an outstanding night, going 14-of-16 and passing for six touchdowns.”

McDonald has been red-hot. He’s 50-of-70 for 623 yards and 10 touchdowns and has been intercepted only two times.

Walker leads the team with 18 receptions for 201 yards. Ethan Merriweather has 14 catches for 220 yards Kurt Rafdal has caught 11 balls for 100 yards.

Carmel has been just as tough on the ground. Halsell has carried 55 times for 264 yards and Hunt 26 times for 169 yards.

The Greyhounds have passed for 10 touchdowns and rushed for four scores.

"This game will be a battle from start to finish," Hebert predicts.

“We hope to protect the football; limit big plays, and be solid in special teams in order to have an opportunity to win this game.”

Kent Graham/File photo

Carmel quarterback Jake McDonald has been red hot this season, completing 50 of 70 passes for 623 yards and 10 touchdowns. The Greyhounds play Lawrence North on Friday.

Fishers needs a victory

By **DON JELLISON**
Reporter Editor

With their backs to the wall, it doesn't appear to be a pleasant position to be in when facing the undefeated conference leaders.

Unless, perhaps, you're the Fishers Tigers playing at your Reynolds Tiger Stadium this Friday.

Beating Fishers at home is no easy task.

That's what a 4-0 Brownsburg team will try to do on Friday.

Adams

The Bulldogs will come to Fishers hotter than a firecracker. They have defeated Bloomington South 28-26, Lawrence Central 13-8 and Franklin 46-30 and in non-conference game last week knocked off Hoosier Crossroads Conference foe Avon, 30-22.

Fishers, on the other side of that fence, is 2-2 and more importantly the Tigers have yet to win in two HCC games, losing to Noblesville 28-21 and last week to Hamilton Southeastern 36-33 in overtime. In non-conference games, both against MIC Conference foe, the Tigers have defeated North Central 28-21 and Pike 41-36.

"Brownsburg is an outstanding football team both offensively and defensively,"

Johnson

Kantner

said Fishers coach Rick Wimmer. "Their defensive front is very impressive and the offense has a strong running game and passing game.

Brownsburg may be tougher through the air. Quarterback senior Hunter Johnson can sling the football. He is 50-of-95 for 745 yards. He has two outstanding receivers in Dequincy Davis, 14 receptions for 176 yards, and Bruce Kirtz, 15 catches for 338 yards

Fishers also has a gun slinger in senior quarterback Joel Smith. He is 38-of-82 for 510 yards. On the receiving end are DeVonte Adams, eight catches for 71 yards; R. J. Potts, five receptions for 120 yards and Bryce Gee, nine receptions for 80 yards.

Both teams can run the pigskin. For Fishers, the leader is Trevor Newman with 50 carries for 151 yards and for Brownsburg its Carson Gill with 72 trips for 282 yards.

Fishers will need to rebound from the overtime loss to backyard rival Southeastern.

"I am very proud of the effort we got from our players last week," said Wimmer. "But, we need to cut down on mistakes that are putting us in difficult situations. Holding penalties and pre-snap penalties hurt us.

"We also must cut down on big plays by our opponents," Wimmer continued.

"We defended the run very well and created some turnovers with our defense and special teams.

"We are getting better but must become more efficient in the passing game," added the coach.

Fishers has defeated Brownsburg three straight times. The Tigers won 37-23 last year; 49-14 two years ago and 41-17 three years ago.

Assists came from Bullock, Snodgrass, Madison Byers, O'Hair, and Ari Telles. Libby Rismiller with the help of the back four was able to keep a clean sheet.

Noblesville and Fishers played to a 1-1 tie Monday in another all-county game.

Delaney Reister scored the Millers' goal, while Gretchen Mills found the back of the net for the Class 2A No. 11 Tigers.

University debuted on the 1A ranking list at No. 17 this week, and the Trailblazers justified their rating with a 7-0 win over Pioneer Conference opponent Greenwood Christian 7-0 on Monday.

Freshman Tessa Hudson and junior Maddie Compton each had two goals apiece. Sophomore Lily Snyder, senior Kelsey Miller, and junior Shelby Wood each scored one goal.

Snyder also handed out two assists, while Compton, senior Jordan Palmer, Sophomore Halle Von Ah and Maggie Klemsz all made one assist.

Ashton Wilson Sheridan

Carmel, No. 2 in 2A, dominated North Central 6-0 on Monday to remain perfect in Metropolitan Conference play.

Katie Soderstrom scored two goals and made three assists. Ashley Witucki, Ali James, Jessi Cowen and Kelsie James all scored one goal, with Cowen also making an assist. Emily Melchi had two goalkeeper saves, with Nicole Vohs making one.

"After a first half during which we didn't do a great job recognizing NC's tactics and had several goals nullified by off side calls, we had a second half where the players showed some patience on their runs plus better touch and decision making on their passing," said Greyhounds coach Frank Dixon.

Sheridan played North Montgomery to a 1-1 tie on Tuesday.

"The Blackhawks fell behind early in the second half, but kept working hard in all areas of the field," said Blackhawks coach Kurtis Olsan.

Sheridan scored its goal when sophomore Ashton Wilson made a perfect cross to freshman Katie Cuevas, who put the ball in the net with her left foot.

Junior goalkeeper Nixon Williams made six saves for the game.

Hamilton Heights, ranked No. 18 in 1A defeated Bishop Chatard 2-1 on Tuesday.

The Trojans scored first, but Roy Noller answered for the Huskies. He played the ball towards Jacob Michael, but a defender deflected it into the net for an "own goal." Noller thus gets credit for the score.

Heights took the lead in the second half when Jordan Springman played a ball to Noller, who made a diagonal run across the Chatard defense and got free to make the goal.

"Sam Schroeder recorded 10 saves on the game," said Heights coach Derrick Dean. "Roy Noller was player of the game for his great passing and finishing for the night. Good win."

Fishers got its first Hoosier Crossroads Conference victory on Tuesday, beating Brownsburg 3-2.

Drew Gavit scored the first goal off a pass by Zach Peskin. Yasser Sammour scored the second goal, and Gavit assisted on the Tigers' third goal, sending a corner to Vince Gonzalez who headed the ball into the net.

Noblesville fell to a tough Zionsville team 5-1 on Tuesday.

Harrison Christman scored the 2A No. 19 Millers' goal on a penalty kick, but the 2A No. 10 Eagles took over in the second half.

Carmel fell to 2A No. 2 North Central 1-0 on Tuesday.

It was the first loss of the year for the 2A No. 5 Greyhounds, who are now 5-1-3.

University sailed past Anderson Prep 12-2 on Monday. Ethan Bandick had several assists and goals.
